- **2006. G43 WWII German Issued Military Semi-Auto Rifle. Cal. 8mm. S# 2148C.** Overall condition is good. Bore is slightly dark with strong rifling. Receiver retains approx. 70% of it's blue but has the scope rail removed. Barrel shows approx. 70% finish turning plum while the barrel band and cleaning rod show better than 90%. Laminated buttstock and hand guard show good with light scattered scuffs and dings with very visible inspector marks and the letter "R" branded in the right side. (07-1108 / BK / BS) Curio. Est. \$ 1500 2000. VIEW PHOTO
- **2007.** Mauser Banner Pre-WWII Shooting Team Bolt Action Rifle with Non-Matching Bayonet and Sling. Cal. 8mm. S# 23236H. Overall condition is good as reworked. Bore is bright and shiny. Rifle shows better than 90% original finish except the trigger guard and floorplate which have been refinished. Equipped with a target rear sight that is adjustable from 50 to 300 meters, instead of the normal military rear sight. Rifle is roll died on the front receiver ring "TSTD" with the association number 20098. Bayonet shows near excellent. (07-1110 / BK / BS) Curio. Est. \$ 600 900. VIEW PHOTO
- 2008. 660 Code K98 Converted from a Radom 29-40 WWII Bolt Action Rifle, dated 1939, with non-matching bayonet and sling. Cal. 8mm. S# 5317A. Overall condition is good. Bore is bright and shiny. Shows better than 90% of it's finish on all metal, turning slightly plum with wear on high edges. Rifle shows all matching numbers except the bayonet and has all German proofs intact. (07-1109 / BK / BS) Curio. Est. \$ 700 900. VIEW PHOTO
- 2009. 945 Code 1940 Manufactured German WWII Model 33-40 Bolt Action Mountain Carbine with Non-Matching Bayonet and Sling. Cal. 8mm. S# 41. Overall condition is good. Bore is bright and shiny showing moderate wear. Rifle is in a laminated stock instead of the hardwood stock that should be for a 1940 gun. Metal of rifle retains better than 90% of the original finish with the buttstock and hand guard showing good with only one slight chip, approx. 1 1/4" in front of the buttplate and the slightest bit of corrosion on the takedown lever. (07-1111 / BK / BS) Curio. Est. \$ 500 700. VIEW PHOTO
- 2010. JHV Model 98/40 German Bolt Action Military Rifle with Non-Matching Bayonet and Leather Sling. Cal. 8mm. S# 4546L. Overall condition is good. Bore is bright and shiny. All matching except the safety lever. Metal shows better than 90% of the original blue with only high edge wear with a couple nicks on the barrel and front band. Buttstock and hand guards show overall good plus with a minimum of scuffing and dinging and all German proofs intact. (07-1113 / BK / BS) Curio. Est. \$ 500 700. VIEW PHOTO
- 2011. DOU 42 Code Model G.24(T) German Service Bolt Action Rifle with Non-Matching Bayonet and Postwar Sling. Cal. 8mm. S# 2191K. \_Overall condition is good. Bore is bright and shiny. Entirely matching except bayonet and sling. Metal shows better than 80% original finish thinning on the receiver and barrel with the buttstock and hand guard showing mostly light nicking with a couple moderate and all proof marks still visible. (07-1114 / BK / BS) Curio. Est. \$ 400 600. VIEW PHOTO
- **2012.** JHB 42 Code Model 98/40 German Bolt Action Rifle. Cal. 8mm. S# 9439L. Overall condition is good. Bore is bright showing moderate wear. All matching numbers except the bayonet. Metal of rifle shows better than 85% of the original finish with some thinning on the barrel and bands. Buttstock and hand guard show good with light scuffing and a couple moderate dings. Non-matching bayonet show very good. Sling is slightly dry and cracked. (07-1115 / BK / BS) Curio. Est. \$ 450 600. **VIEW PHOTO**
- 2013. DOT 42 Coded G33/40 German Bolt Action Rifle with Bayonet and Sling. Cal. 8mm. S# 8464.

  Overall condition is good. Bore is bright and shiny. Barrel and receiver show better than 90% of the original blue as does the front barrel band middle band, trigger guard and floorplate show less turning to a smooth gray patina. Correct but non-matching buttstock and hand guard show good with only minor scuffing present. Non-matching bayonet shows good. Sling is dry but very intact. (07-1116 / BK / BS) Curio. Est. \$ 500 800. VIEW PHOTO

- **2014.** BNZ 44 Model 98 German Bolt Action Rifle with Bayonet and Sling. Cal. 8mm. S# 1044C. Overall condition is good. Bore is bright and shiny. Metal shows 98% of an arsenal refinish but remains matching. Buttstock and hand guards show having been cleaned with all inspector marks barely visible. Buttplate shows a spotty brown patina. Non-matching bayonet shows near excellent with the sling showing good. (07-1117 / BK / BS) Curio. Est. \$ 350 500. VIEW PHOTO
- **2015. 660/39 German Bolt Action Rifle with Bayonet and Sling. Cal. 8mm. S# 3059B.** Overall condition is good. Bore is bright and shiny. Receiver on this matching rifle retains approx. 85% blue with the bolt showing approx. 75% and thinning. Barrel and barrel bands show approx. 70-75% thinning blue with the trigger guard and floorplate showing about 80%. Buttstock and hand guard show good with numerous light dents and dings throughout as well as all proof marks being quite visible. Bayonet shows good with only light corrosion and sling starting to get dry. (07-1118 / BK / BS) Curio. Est. \$ 500 750. <u>VIEW PHOTO</u>
- **2016. BNZ 45 German Bolt Action Rifle with Sling. Cal. 8mm. S# 1153T.** Overall condition is very good. Bore is bright and shiny. This rifle is a good example of the 98K evolving towards the last ditch. Going back to a hardwood stick, eliminating the band clip and cleaning rod assembly as well as the capability of retaining a bayonet. The bands are held on by wood screws. Metal of rifle retains approx. 85% of the original phosphate finish thinning somewhat on the trigger guard and floorplate assembly. Hardwood stock has been lightly cleaned but still shows the German acceptance stamp. Buttplate shows an even patina all around. Sling is in overall good condition. A very nice example of a late war 98. (07-1119 / BK / BS) Curio. Est. \$ 700 900. **VIEW PHOTO**
- **2017. German Mauser 98K SWP45 Bolt Action Rifle. Cal. 8mm. S# 4933F.** Overall condition is good as refinished. Bore is somewhat bright with heavy use. Barreled action shows better than 90% of an arsenal refinish over some spots of scattered pitting. Buttstock and hand guard shows good, having been cleaned and varnished, with only minor scuffs and no German acceptance marks. Non-matching bayonet shows overall good. Sling is good. No cleaning tool is present. (07-1121 / BK / BS) Curio. Est. \$ 400 600. **VIEW PHOTO**
- **2018. DOU 43 German Bolt Action Rifle. Cal. 8mm. S# 5626L.** Overall condition is overall good. Bore is bright and shiny. Rifle shows approx. 80-85% of the original finish with all numbers matching with the exception of the bayonet which shows overall very good condition. Buttstock and hand guard show good plus with only light scuffing and handling marks and no visible acceptance stamps. Original sling shows deteriorated but complete. (07-1124 / BK / BS) Curio. Est. \$ 550 750. **VIEW PHOTO**
- **2019. BNZ 44 German Bolt Action Rifle. Cal. 8mm. S# 1632L.** Overall condition is fair to good as arsenal reworked. Bore is bright showing moderate use. Barrel and receiver show approx. 95% of an arsenal refinish over some fine scattered pitting. Inspection marks are still present. Bolt assembly shows approx. 90% of original finish while the trigger guard and floorplate assembly show approx. 80% original finish as do the barrel bands. Buttstock and hand guard show good but buttstock is not matching. Non-matching Bayonet shows near excellent. Buttplate shows bright, having been cleaned. Sling is deteriorated but intact. (07-1125 / BK / BS) Curio. Est. \$ 350 500. **VIEW PHOTO**
- **2020. CE44 German Bolt Action Rifle. Cal. 8mm. S# 2421L.** Overall condition is good on this matching rifle. Bore is bright and shiny showing moderate use. Receiver and barrel assembly show 90% original blue with high edge wear and some very minor fine scattered pitting present. Barrel bands, trigger guard, floorplate assembly show approx. 80% of the finish with some moderate corrosion present. Buttstock and hand guard show good with only minor scattered nicking. Non-matching bayonet shows good with the sling showing very good. (07-1128 / BK / BS) Curio. Est. \$ 650 800. **VIEW PHOTO**
- **2021. IBM M1 Carbine. Cal. 30. S# 3708167.** Overall condition is very good plus with an incomplete restoration. Bore is bright and shiny. This fall of 1943 carbine shows a very good partial restoration with major parts being IBM except the front barrel band and the rear sight. Rear sight is adjustable while the front barrel band is a repro with an original sling swivel. Barrel has been re-crowned. Stock is a high wood, high cut, with RMC/B with an ordinance bomb in the channel and cross canons on the right hand side. Nice little carbine that deserves to have it's restoration finished. (07-1189 / BK / BS) Modern. Est. \$ 600 900. **VIEW PHOTO**
- 2022. Argentine Model FA/FN-49 Military Issue Semi Auto Service Rifle with Bayonet made by FN in Belgium for Argentina. Cal. 7.62. S# 3095. Overall condition is fair. Bore is slightly frosty. Bayonet is in fair condition. Receiver retains approx. 70-75% of original matte enamel paint. Barrel retains less thant50% with significant scratching from use. Rifle has a rare 20 round magazine specially made for these rifles. Barrel band shows approx. 85% of blue turning patina. Wooden buttstock shows light to moderate denting and gouging throughout. Good example of a real FN battle rifle. (07-1191 / BK / BS) Modern. Est. \$ 500 1000. VIEW PHOTO

- **2023. Springfield M1 Garand Semi-Auto Rifle with Bayonet. Cal. 30. S# 1115875.** Overall condition is good. Bore is frosty. Rifle shows having been rebuilt at least once with a 1945 barrel and miscellaneous parts inside. Metal shows better than 85% gray green parkerizing. UFH 10" (cut down) bayonet shows very good. Sling is original, later WWII. Wood shows good with no significant denting or marring with the #407 stamped where the cartouche would normally be. (07-1194 / BK / BS) Modern. Est. \$ 500 800. **VIEW PHOTO**
- 2024. Springfield M1 Garand Type 2 NM Semi-Auto Rifle with Bayonet. Cal. 30. S# 5482431. Overall condition is near excellent. Bore is near mint, bright and shiny. This is a typical example of a well preserved Type II National Match showing the following components NM marked: sights, barrel, gas cylinder, operating rod and leather sling. Rifle is glass bedded both hand guards and stock. Wood shows only light occasional scuffing. Bayonet is AFH made 10". This is the real thing. (07-1196 / BK / BS) Modern. Est. \$ 1800 2600. VIEW PHOTO
- **2025.** Winchester M1 Garand Semi-Auto Rifle with Bayonet. Cal. 30. S# 2441539 (CAI Import). Overall condition is fair to good as rebuilt. Bore is bright and shiny. Receiver shows significant scuffing and scratching, minor pitting. Barrel and gas cylinder show better than 95% original gray green parkerizing. Wood is a mix of walnut and birch with light and moderate scuffing throughout. Has stamping "AA1371" in buttstock. Korean War bayonet in good condition. (07-1199 / BK / BS) Modern. Est. \$ 400 600. VIEW PHOTO
- **2026. Beretta M1 Semi-Auto Rifle. Cal. 7.62. S# 027.** Overall condition is near excellent. Bore is near excellent. Metal retains 97-98% of original parkerizing. All marked components are Beretta. Wood shows near excellent with no bangs or scuff and only a couple of very light rub marks on the upper hand guard or buttstock. This Beretta would be nearly impossibly to upgrade. Bayonet and scabbard are also Beretta and are near excellent with bayonet showing one slight nick. (07-1205 / BK / BS) Modern. Est. \$ 1200 2000. **VIEW PHOTO**
- **2027.** Japanese Copy of U.S. Carbine by Howa, Japan, for Issue to Siamese (Thai) Military or Police Forces. Cal. 30. S# 07937. Overall condition is very good. Bore is bright and shiny. Shows better than 80% on receiver. Only significant wear being where the operating rod travels. Bolt also has scuffing from being used. Other than that, gun shows near excellent. Birch or other hardwood stock shows near new with no other dings or gouges in it. (07-1202 / BK / BS) Modern. Est. \$ 600 900. <u>VIEW PHOTO</u>
- 2028. Un-Quality M1 Carbine. Cal. 30. S# 4437629. Overall condition is good. Bore is bright and shiny. Rifle is an update with a mix of Winchester and Inland parts that someone has returned to a flip sight but sight base is previously staked. Receiver shows better than 90% of original finish with very slight high edge wear. Winchester barrel also exhibits better than 90% original refinish with a blued Type II barrel band that has a 1/4" hole drilled in the top. Rifle has a M3 flash hider and a white presumably British sling. Trigger guard assembly shows overall good condition retaining most parkerizing and off a foreign gun being that it has a serial number stamped in it. Retains the correct high wood, eye-cut stock with Q-RMC in the channel. Would be a great candidate for restoration. (07-1207 / BK / BS) Modern. Est. \$ 800 1200. VIEW PHOTO
- **2029. National Postal Meter M1 Carbine. Cal. 30. S# 4156118.** Overall condition is very good plus. Bore is bright and shiny. Rifle shows very good plus condition as a restoration. Receiver is possibly refinished and shows better than 95% parkerizing. Flip sight is a reproduction. Underwood barrel shows better than 90% original finish and retains an Underwood flash hider in good condition with very fine pitting. Front barrel band is correct but has a modern replacement screw. Stock is a correct high wood marked MPM over FJA with an ordinance wheel. All internal components seem to be correct. Accompanied by a Boyt USMC marked magazine pouch and a 30 round magazine. (07-1208 / BK / BS) Modern. Est. \$ 900 1500. **VIEW PHOTO**
- 2030. Remington 03 Bolt Action Rifle. Cal. 30. S# 3256486. Overall condition is very good. Bore is bright and shiny. Appears to be an original rifle with the exception of the buttplate. Retains overall very good plus condition with receiver and bolt showing better than 95% original parkerizing. Extractor, cocking knob, striker and magazine cutoff being blued. Rear sight assembly also blued. Front of barrel and barrel bands retain better than 95% parkerizing with all R marked components. Trigger guard and floorplate (also R marked) retain better than 95% parkerizing with screws and trigger being blued. Buttplate is the early WW I checkered Springfield variety. Equipped with a 16" UC marked bayonet that shows good with scabbard and a WWII dated sling. (07-1215 / BK / BS) Modern. Est. \$ 1200 1800. VIEW PHOTO
- 2031. Remington 1903 Bolt Action Rifle with RIA 1919 Bayonet with Cloth Covered Scabbard. Cal. 30. S# 3321306. Overall condition is good. Bore is bright. Retains approx. 95% of a refinish. Receiver and sight sleeve retain about 95% of a reparkerizing. Bolt retains about 85% original parkerizing. Middle band retains approx. 85% original parkerizing while the front band and barrel show about 95% of a repark. Upper hand guard shows good

with only a couple slight nicks while replacement "C" stock shows good with only a couple of minor nicks and no inspector marks. Sling is an original WWII leather. (07-1217 / BK / BS) Modern. Est. \$ 700 - 1100. VIEW PHOTO

- 2032. 1903 Rock Island Arsenal Bolt Action Rifle. Cal. 30. \$\frac{3}{3}\) 390215. Overall condition is good as rebuilt and refinished. Bore is dark and corroded. Receiver and bolt assembly shows better than 85% of a reparkerized finish that was applied at the arsenal. Barrel and bands show about the same. Barrel is a November 1930 SA. Upper hand guard exhibits good condition with no significant dents or scuffing. Buttstock shows several moderate dents between the front and middle bands with the rest showing just minor nicks and dents with an RIA over FK cartouche. Trigger guard and floorplate assembly exhibit better than 98% reparkerized finish. Buttplate is probably original to receiver with a blued finish. Sling is WWI and just beginning to get dry. Bayonet is 1905/17 with a parkerized finish and a cloth covered scabbard. (07-1220 / BK / BS) Modern. Est. \$ 400 600. VIEW PHOTO
- 2033. Remington 1917 Bolt Action Rifle with Bayonet. Cal. 30. S# 567657. Overall condition is: if you wish to buy a Remington P17 in original condition, this gun is as good as it gets. Bore is bright and shiny and shows no wear. Receiver retains better than 95% original blue and just a little high edge wear. Bolt exhibits better than 80% original blue with a couple of light marks and scuffs from being actuated. July 1918 barrel and front band assembly show no wear with just a bit of light nicking from having the bayonet installed and removed. Trigger guard and floor plate show just the least wear from the sling rubbing on it and one or two very small spots of surface rust. Rear barrel band shows better than 98% with just a little patina around the edges. Buttstock and hand guard assembly show the most minor amount of scuffing that you could expect on a rifle of this age. Thin coat of varnish throughout. Either a rack number or museum tag number on a nickel tag in front of tang nailed into top of the buttstock. A nickel oiler is in the butt trap. Buttplate exhibits only high edge wear with the curve showing better than 98% blue. WWI sling is very good but could be improved on. Remington marked bayonet shows new. Scabbard shows better than 90%. (07-1223 / BK / BS) Modern. Est. \$ 1000 1500. VIEW PHOTO
- 2034. Springfield Model 98 Krag Bolt Action Gallery Practice Rifle. Cal. 22. S# 476922. Overall condition is fair to good. Bore is poor. Receiver shows 90% blue with a lot of patina and browning present. The normally bright body of the bolt is showing a bright patina while the rest of the bolt retains a heavy brown surface patina. Barrel also turned brown. Does not appear to have significant pitting. Barrel bands 90% blue with a couple of minor scratches. Trigger guard shows 80-85% blue with a couple light nicks. Buttplate shows even brown patina with brightness on high edges. Upper hand guard shows very good with a couple of nicks, but no gouges or cracks present. Buttstock is good plus with a few light scratches and nicks from what appear to be removing the stock. Nice script cartouche. Also what appears to be a bit of spilled dried varnish on the right side of the stock from where it appears to have rubbed up against a gun with a fresh coat of varnish. 1899 dated bayonet shows near new with a couple of light surface scratches from going in and out of scabbard. Scabbard shows better than 95% original blue with early hook. An original example of a very rare Krag. (07-1226 / BK / BS) Modern. Est. \$ 1300 2000. VIEW PHOTO
- 2035. Springfield Model 1898 Krag Bolt Action Rifle with Bayonet. Cal. 30. S# 388792. Overall condition is near excellent. Bore is bright and shiny, exhibiting little wear. Retains nearly all original bright blue military finish with some very light scratches on front band and muzzle. Receiver shows better than 95% original colors as does the sideplate and magazine door. Bolt is bright except for the handle which is turning patina. Barrel retains better than 90% original blue with a few light scratches towards the muzzle. Trigger guard and buttplate assembly retain better than 80% original finish with high edge wear. Bolt is bright. Extractor shows nearly all of it's nitride blue finish. Wood exhibits very good with minor handling marks throughout. The most significant on the left side finger groove. Finger grooves and 1902 dated cartouche are sharp. 1903 dated bayonet shows very good with the scabbard showing good. Equipped with an original sling in good condition though somewhat dry. Stock appears to have a small chip repaired between the magazine door and the bolt. (07-1229 / BK / BS) Curio. Est. \$ 1000 1500. VIEW PHOTO
- **2036. FN Model 1949 Semi-Auto Rifle. Cal. 7mm. S# 7126.** Overall condition is very good. Bore is bright and shiny with no apparent wear. Made for Venezuela. Has original leather sling and bayonet (not numbered to the gun). Shows near new condition having no significant markings to the enamel finish. Upper hand guard shows only a few light scuffs while the buttstock shows just a few minor nicks and retains very sharp finger grooves. Bayonet and scabbard show new. (07-1237 / BK / BS) Curio. Est. \$ 500 800. **VIEW PHOTO**
- 2037. Belgian Model FN 49 Semi-Auto Military Rifle with Bayonet and Sling. Cal. 30. S# 0947. Overall condition is very good. Bore is bright and shiny. Made for Columbia. Has a rubber butt pad (standard for Columbian guns). Enamel finish is very good with only a few minor scuffs, mostly on the magazine body. Upper hand guard is good with a couple minor nicks as is the buttstock though significantly darker in finish. Bayonet shows near new with some markings from having the scabbard moved. Sling also shows very good plus though it

- is a little dry. Overall a really nice Columbian FN. (07-1243 / BK / BS) Curio. Est. \$ 700 1000. VIEW PHOTO
- 2038. Beretta BM69 Semi-Auto Rifle with Bayonet Cal. 7.62. S# 1339. Overall condition is good plus. Bore is bright and shiny. Shows better than 95% original dark green parkerizing. Equipped with a Tri-Comp as well as a bayonet, grenade sights, and a folding integral bipod. Has a Beretta rubber butt pad and sling. Receiver retains better than 95% original finish. Only wear is from the slide going back and forth. Barrel assembly shows slight wear around the muzzle from having the bayonet installed. Buttstock and hand guard assemblies show minor nicks with one repair approx. 2" long directly in front of the rear sling swivel. Overall a pretty nice example of a rarely seen BM69. (07-1244 / BK / BS) Modern. Est. \$ 1500 2000. VIEW PHOTO 1
- 2039. Yugoslavian M48A Bolt Action Military Rifle with Sling and Bayonet. Cal. 8mm. S# 10379. Overall condition is near excellent.. Bore is bright and shiny. Shows little to no signs of use with the receiver retaining better than 98% original blue. Bolt is bright. Barrel assembly has several small scratches on the top. Non-matching bayonet also very good with minor scratches and wear as does the scabbard and frog. Wood shows little to no use with minor scattered scarring. Matching trigger guard and floorplate assembly show very little blue loss, just a couple minor rust patches and some light scuffing. Barrel bands show better than 90% original blue. All external parts appear to be matching. Buttplate is bright with a couple of minor scratches. Sling is old and dry but very much intact. (07-1246 / BK / BS) Curio. Est. \$ 400 600. VIEW PHOTO
- **2040.** Czech VZ24 Bolt Action Rifle. Cal. 8mm. S# 4721. Overall condition is fair to good. Bore is bright but shows significant use. Receiver retains about 80% blue with most of the wear being on the high edges. Bolt has turned from bright to a soft patina. Exposed portion of the barrel shows about 80% thinning blue with the bands showing somewhat better than 90%. Bayonet shows very good with minor nicking on handles. Blade and scabbard are exceptional. Upper hand guard and stocks show light to moderate dinging throughout and no significant chipping or gouging. Overall a decent WWII Czech rifle. (07-1247 / BK / BS) Curio. Est. \$ 350 450. VIEW PHOTO
- **2041.** Yugoslavian Model 1944 Mauser Bolt Action Rifle with Bayonet and Sling. Cal. 8mm. S# R8658. Overall condition is good as reworked. Bore is bright and shiny. This is a Yugoslavian rework of a WWII German 98K. Most if not all of the German markings have been removed. All external serial numbers match. Receiver retains better than 98% of an arsenal blue finish as does the bolt with the majority of the wear being on the extractor. Barrel also show better than 95% of arsenal refinish along with barrel bands, trigger guard, and floorplate. Wood also shows very good with a few minor nicks and scuffs. Bayonet shows near excellent as does the scabbard and frog. (07-1250 / BK / BS) Curio. Est. \$ 350 550. **VIEW PHOTO**
- **2042. Mauser GEW 98 Bolt Action Rifle. Cal. 8mm. S# 1182.** Overall condition is good. Bore is slightly frosted. Receiver and bolt show a bright finish with a little patina and a nice blue on bolt release. Barrel and rear sight assembly show better than 90% original military blue with a bit of sight corrosion forward front. Numbered barrel bands are better than 90%. Bayonet is bright well worn and polished. Gray painted muzzle cap and front sight protector is very good. Buttstock and hand guard are very good with sharp finger grooves, crisp inspectors marks and a minimum of fine scuffing. Sling is dry and starting to deteriorate. (07-1183 / BK / BS) Antique. - 2136. 1933 Mauser Banner (Standard Model) Carbine German Bolt Action Rifle. Cal. 8mm. S# 509667. Overall condition is good. Bore is bright and shiny showing moderate wear. Rifle retains nearly 95% of it's deep, lustrous commercial finish that was prior to Nazi Germany and is entirely matching except for the bayonet. 24" barrel and receiver retains better than 95% of the original finish with a nitride blue takedown and the bolt showing barely any wear. Barrel bands retain better than 95% original bright blue as do the trigger guard and floorplate assembly. Buttstock has been duffle cut under the middle band but shows a good repair and shows overall good with "D.R.P.509667" embossed in a double circle on the left side, and shows good with only light dinging throughout, more prominent toward the rear. Upper hand guard is good with a couple of scuffs. Rear sight base is a possible replacement being that it has a gray patina (never been blued). Bayonet shows bright with a couple spots of corrosion. Sling shows very good overall. Overall, an excellent example of a pre-Nazi Germany 98. (07-1150 / BK / BS) Curio. Est. \$ 900 1200. VIEW PHOTO

- 2137. Mauser Banner 1933 (Transitional) German Bolt Action Rifle. Cal. 8mm. S# 6345G. Overall condition is very good. Bore is bright and shiny. This rifle is an updated version of a 1933 standard model carbine being that it has a transition stock with a single band spring and a numbered cleaning rod, neither of which match this gun. 24" barrel and receiver retain better than 95% of the original bright commercial type blue with the takedown lever being nitride blue. A muzzle cap/sight protector is present. Barrel bands show approx. 85% original blue with the trigger guard and floorplate showing about the same. Buttplate is bright with a little scattered patina present. Buttstock and hand guard show near excellent with only light handling marks present. Non-matching bayonet shows very good with the scabbard showing good. (07-1152 / BK / BS) Curio. Est. \$ 600 900. VIEW PHOTO
