### ***From the Webmaster...***

Just a reminder to all members – if you have something you'd like to see on the BCC website, email it to me at [celticlight@verizon.net](mailto:celticlight@verizon.net). Articles, ideas for pages, photos, and comments are all as welcome on the site as they are in Focal Point.

Finally, a photo website well worth a visit - [www.mexicanpictures.com](http://www.mexicanpictures.com) – an Irish/Mexican photographer traveling and posting images – some fine examples of photojournalism here.

## *EDITOR'S CHOICE*

### *Baltimore Gallery Opening*

*It was a hot evening and the member turn out was just as hot.*

*I think that the images chosen made for a very good display of the Club's variety of style and range of composition.*

*It is with a special thanks to Mindy Best for the start to this project and the help from Club members Cindy Intorre, Gordon Risk and Gary Faulkner that the Baltimore Camera Club had the opportunity to showcase its self. There was also a write up in the City Paper about the show! Good job to all for the images and work.*
