Dear Mr. Denver,

I am attaching Barco's Reply Brief in Support of its Motion to Strike Portions of TPL's Infringement Contentions for U.S. Patent No. 5,809,336, U.S. Patent No. 5,440,749, and U.S. Patent No 5,530,890.

Please note that the ECF system is apparently down. We made several attempts to access the ECF system this evening but were unable to do so. An attorney at a different location also tried logging in several times. He was also unable to access the ECF system.

Regards,

Omar Galaria
