A heart felt welcome to all the new – and well known - cyclists!

In order to help you to find the perfect group for you, 2 groups will be leaving together. During the ride you can decide, whom you want to join for the rest of the day – and like every Sunday we take a look at the "Panoramica" between Cattolica and Pesaro.

Panorama Tour: approx. 45 km, 450 elevation metres
Meeting point: 9:45, at beach section 58, guide: Daniel

After cruising through Cattolica, we climb up onto the Strada Panoramica di Monte San Bartolo to cast a view or two. We follow the coast down to Fiorenzuola. On our way home we catch a glimpse of Gradara.

Easy Tour: approx. 70 km, 700 elevation metres
Meeting point: 9:30, at beach section 58, guide: Yvonne

The start will be the same as the Panorama group and after Yvonne shows you the beautiful inland of Romagna, she will bring you up to Monteluro and Tavullia before descending to Riccione.

Road Tour: approx. 95 km, 1000 elevation metres
Meeting point: 9:30, at beach section 58, guide: Felice

Up over the Strada Panoramica, along the coast and through Pesaro, after a small climb we go on to Montecchio for coffee. Later we climb up to Trebbio, Montegridolfo and Mondaino. There we enjoy a nice descend to Saludecio. Our way back home will take us to Morciano, San Clemente and back home to Riccione.

Monday 15th October 2007

Panoramic tour: approx. 40 km, approx 400 climbing metres
Departure: 9:45, at beach section 58, guide: Yvonne

Today we ride from Riccione in the direction of Ospedaletto, where we turn and cycle up through the town of Coriano and onwards to the top in Croce. From here, we take a ridge top road through Cevolabate and drop on to the road to Morciano. Here we take a coffee stop in the old town. Our way home takes us through San Giovanni and over Montalbano back to Riccione.

Easy tour: approx. 65 km, approx. 850 climbing metres
Departure: 9:30, at beach section 58, guide: Liam

Today's ride takes us along the coast to Cattolica before turning inland and climbing towards, and past, Gradara. From here, we shall ride through Monteluro and follow the ridge road to Trebbio where a climb takes us through Montegridolfo and on up to our café stop at Mondaino. A long descent takes us back down to Morciano, where we shall make our way home over the quieter roads of San Clemente and Misano Monte.

Road Bike Tour: approx. 85 km, approx. 1400 climbing metres
Departure: 9:15, at beach section 58, Guide: Daniel

Our tour will begin to Misano Monte and climb on to Montescudo and along the ridge to Gesso. Continuing along the ridge to Montelicciano and on to Montegrimano. Descending down to the Conca valley and down to Mercatino Conca where we have a coffeestop. We take the valley road round to Morciano, before taking a short climb up to Santa Maria del Monte and then down to San Giovanni and then home.

Race Tour: approx. 95 km, approx. 1500 climbing metres
Departure: 9:15, at beach section 58, Guide Felice

We ride out over the ridge, through San Clemente and on to Croce where we descend down to the Conca Valley. We follow this and steadily climb over into the Valle Di Teva and further into Macerata Feltria. We will eventually reach Monte Cerignone and the valley road once again where we cycle for a short while before we climb once again up to our café stop in Monte Grimano Terme. From here, we cycle on the hilly ridge road over to Montescudo and take a descent down and then flat roads home.

BIG TOUR URBINO – FURLO - RICCIOINE

Easy Tour: approx. 55 km, 900 elevation metres

Departure: 8:45, at beach section 58, Guide: Yvonne

Today we start flat to Morciano, from where we climb to 5 Km to Montefiore Conca and after we climb for about 3 kilometres up to Tavoletto. There we can enjoy the descent to Ca' Gallo. From there another uphill road to Urbino awaits us. Once we have arrived in this beautiful hilltop town, we will enjoy a coffee together with the non cyclists. After that, we go further by bus to Furlo, where we will meet all the other groups and have lunch together in a very nice „trattoria“.

Road Bike Tour: approx. 80 km, 1000 climbing metres

Departure: 8:30, at beach section 58; Guide: Daniel

A flat warm-up-ride to Morciano, then we start climbing to Mondaino and on to Tavoletto. A speedy and very nice descent to the valley of Foglia is the reward. A long but easy climb brings us up to Urbino. Arrived at the top, we are in for a lovely coffee break. After this relaxing break, we continue in the direction of Furlo. There, we will meet all the other groups and non-cyclists for a cosy lunch in a very nice „trattoria“. After this great lunch, we will be chauffeur driven home on the bus.

Racing Tour: approx. 160 km, 1800 elevation metres

Departure: 8:15, at the beach section 58, Guide: Felice

For today's Racing Tour that takes us flat via Cattolica and then uphill to Tavullia. Our first downhill brings us to Montecchio and then we go up to Collbordolo and Montefabbri. After some uphill-downhill roads, we will reach Urbino. A long downhill ride will bring us to Furlo and Fossombrone. Once arrived in Furlo, we will meet with all the other cyclists and also with the non-cyclists for a cosy lunch at a local “trattoria”, after which we will ride back home to Riccione. Our way back home takes us via a climb to the highest point in today's tour, Mombarroccio. Sant Angelo and Tavullia will be the last climbs of the day, after which we roll back to Riccione.
