**Important notice**

Four wheel driving is an inherently dangerous sport. Each competitor assumes that risk when he or she participates in an event. The risk of serious injury or death cannot be eliminated and, in fact, will always be present at a high level. Competitors are urged to advise their spouses and next of kin, if any, of this fact. By competing, all competitors, both spotter and driver, agree to the following.

In consideration of being permitted to participate in any event sponsored, promoted, or directed by Adrenalin 4x4 the competitor for himself/herself, his/her personal representatives, heirs, and next of kin, hereby releases the club, and their respective officers, directors, promoters, sponsors, employees, agents and volunteers ("releasees") of all liability to the competitor, whether caused by negligent act or omission of releasees or otherwise while the undersigned is for any purpose participating in such event. It is fully understood by each of the competitors that there is some inherent risk associated with this event, including damage to vehicles and injury or death to the individual.

In addition, the competitor agrees to indemnify and hold harmless the releasees from any loss, liability, damage, or cost they incur due to such participation by the competitor, whether caused by releasees' negligence or otherwise, and agrees to assume full responsibility and risk for bodily injury, death, or property damage from releasees' negligence or otherwise while the competitor is participating in this event.

**Each competitor acknowledges and represents the following while competing:**

1. That he or she has read the foregoing release and waiver of liability and indemnity agreement.
2. That he or she does at all times, while riding in a vehicle participating in an event, wear his or her respective seat and shoulder belts and helmet.
3. That the owner/driver certifies that he or she has inspected this vehicle and that the same certifies it to be in proper mechanical condition for participation in the competition.
4. That the owner/driver has informed himself/herself about the event, either by prior participation or by investigation into the sport.
5. That the driver or any other person(s) in a vehicle participating in any Adrenalin 4x4 event, may choose to bypass any obstacle and, therefore, assumes all risk and liability, as indicated above.

**Please Be Aware:**

Although safety is generally everyone's concern and certainly the highest priority of Adrenalin 4x4, the final responsibility rests on the competitors. Competitors can, at any time, choose to bypass any obstacle or area where they feel uncomfortable or unsafe driving.
