Message From The General Manager

Wow! I want to start this month's article with a note of thanks to our community and all of you who gave so much to the various charities that you support. It was truly refreshing to watch our Heritage Pines community spirit at work and the care that you displayed for those less fortunate than we.

You're giving and community spirit has made me even prouder to be a part of Heritage Pines.

As I mentioned in my last article as the New Year begins and by the time you read this, our Kitchen Renovation team will have met to map out the meeting dates to move the project forward. We have the signed contracts in hand for Darren Azdell, Outside In Architect's LLC, and Culinary Design Studio. Each of the contracts has been vetted by our attorney for legal accuracy as will all future kitchen project contracts.

Now that we are in the New Year, it is time to make those New Years Resolutions...Of course I can shed a few pounds, SMILE but here are some that have been suggested to me:

- ? • I will not speed inside Heritage Pines
- ? • I will not feed the Sand Hill Cranes (it's against the law anyhow)
- ? • I will pick up after my dog (most of you do)

Once again, I want to thank you for your caring community spirit. I am looking forward to a wonderful New Year at Heritage Pines. Please accept my best wishes to you and your families for a Healthy and Prosperous 2013!

The General Manager Evaluation Form for 2013.

A Dispute Resolution Committee Charter.

Allegiance Security Group November Monthly Overview

Charles Gaffka, Captain

Best Wishes for a safe and healthy Happy New Year, from your security department. We would like to thank you, for your kindness and generosity through out the holiday season. We

now have a new device at the east back gates that I would like to mention. It is an Information call box, that can be used to communicate with the guard house by residents in case of an emergency. It can also be utilized by guests and vendors who stray to the wrong entry gate.

Also we would like to welcome all of the new residents that have moved in to the community during the past year. Just a reminder to please abide by the safety rules and regulations of Heritage Pines. Once again we would like to thank everyone for their

Thank You! How do I say Thank You to so many caring People. This year when we all know how many in our area are hurting in so many ways. I had the best response in so many ways for the children. Eight years ago when the Book Club agreed to help me get books for all the kindergarten children; Wes became Santa and 5 or 6 ladies would read stories to the children. They would then send the children on to see Santa and get a book and a candy cane. Then I was asked if I could get some shoes for the children; from that year on this project grew from help from friends and others that would help me with 30 to 40 children. Three years ago I was given 75 names and I tried my best. I was able to get 50 children taken care of and I decided it was time for me to ask for help. I went to the Veterans dance and asked for some help; and I got such an unbelievable response from Louise Cuciniello. She said that the niners could help me. She has now

helped the children each year by raising money with her niners. I then got a call from Kathy Hendrickson that the Angels in the Pines would help the children with hats and scarves and how the children love them. This year the niners took 75 children and I was able to get help with the 50 I had. So many new residents have stepped forward in ways that are amazing. 120 children will have new pj's socks, tennis shoes. and jackets and pants. I have a couple in my village who took two families that Grandparents are raising the children. They involved their children and grand children and what a job they did. Thanks to my loyal people who have helped me every year. This year 192 kindergarten and 1st grade children will get hats and scarves and books from Santa and very special candy canes that Lorna Colton has made for the last two years. All that attended the concert given by the second graders was their only way to say thanks to our community; we saw how needy these children are and also how greatful they all are. Thanks to Mr. Bob Mayer & Mark Stanish for getting the children lunch and thanks to The Angel in the Pines for 110 hats and gloves and Louise for the goodie bags for the children; and for my dad who gave 2.00 to each child. What a great year for the children. When I return to school in Jan. I get to see all the new shoes and new clothing and all the smiles on the faces of children from K- to 5th grade. What a wonderful community we all live in. So once again thank you from the bottom of my heart. Penny Norton

Message From Management: 2013 Golf Cart Decals

Just a reminder for all residents on golf cart sticker/decal placement:

Black numbered stickers are for golf course use.

Red numbered stickers are non – golf course use.

** Short term leased carts must display the appropriate sticker.

For 2013 the new decal colors are as follows:

- | | |
|---------------------------|---------------------------|
| Annual golf membership: | Men: Red Trees |
| | Woman: Pink Trees |
| Seasonal golf membership: | Men: Dark Green Trees |
| | Woman: Light Green Trees |
| Nine Hole membership: | Men: Dark Orange Trees |
| | Woman: Light Orange Trees |
| Single Trackage: | (1) Teal "13" |
| Double Trackage: | (2) Light Teal "13"s |

Sticker and Decal placement:

Each cart must have two stickers, one on each side of cart. Trackage decals (13s) go on the upper right corner of sticker and Golf membership trees go on lower left. Decals for golf and trackage must be placed on both sides of cart for easy viewing. If you have any questions, please feel free to call the office. Thank you.

What is Low Vision?

Low Vision is a loss of eyesight that makes everyday tasks difficult. A person with low vision may find it difficult or impossible to accomplish such activities as reading, writing, shopping, watching television, driving a car, recognizing faces and crossing the street. Low vision can be caused by eye injuries or by diseases such as macular degeneration, glaucoma, diabetic retinopathy, or retinitis pigmentosa. These conditions can occur at any age but are more common in older people. Normal aging of the eye does not lead to low vision. Regular medical exams by your Eye MD are important to diagnose eye diseases and treat those conditions that can be helped.

Candidates for HPCA Board of Directors

Bio: Randy J. Doolittle 18503 Bent Pine Drive

- Randy volunteered for the Marine Corps at age 17 while still in high school and was sent to Vietnam in 1967. Wounded by an incoming rocket outside Khe Sanh he was sent to St Albans Naval Hospital and discharged home.
- Graduated from Ithaca College/Albert Einstein School of Medicine as a Physical Therapist, 1974. Left New York State for a medium-sized hospital near Roanoke, Virginia and did not leave until age 55.
- During that time was promoted to Director supervising six rehabilitation departments and also provided patient care to patients of all ages.
- Pension in hand, left for Heritage Pines in 2003. He then worked part time in local clinics in Spring Hill and retired fully in 2008.
- Randy is a full time resident and has served on his Village Board for the past six years. He has been President four of those six years. He is an advocate for his village and known to speak openly and frankly at the Village Council and Board Forums. His Village is fiscally sound and has not had a single dues increase since 2003.
- Randy has demonstrated in the private sector and as Village President, a long history of leadership and now wishes to assist Heritage Pines in a larger capacity. Randy's immediate focus is:
 1. To further develop and implement a reclaimed water process for villages in need
 2. Promote sound fiscal management and strengthen our reserves
 3. Advance merit reviews policies of our General Manager's performance in the most transparent method possible
- Motivation to Serve on Heritage Pines Board of Directors.

Randy feels that he can contribute to the Board processes using methods that have worked for him in the past.
- In retirement, Randy writes fiction and short stories for enjoyment, drives his 1966 Austin Healey on warm afternoons and is very happily married to Brenda, also a Physical Therapist. Together they manage a blended family of seven children and five grandchildren.

WORK Experience

28 years of service with the U.S. Navy and 3 years of
service with the Federal Aviation Administration.

Navy

Served for three years as a Deputy Program Manager
in PMA-213 at the Naval Air Systems Command in
Washington, D.C. PMA213 is the Naval Air Traffic
Management Systems Program Office. I was
responsible for acquisition and life cycle support for
systems that provide air traffic control capability at
Navy and Marine Corps Air Stations, aboard CV and
LH class ships, at Fleet Area Control and Surveillance
Facilities (FACSFAC), and at Marine Corps
Expeditionary Air Traffic Control Detachments.

Supervised three people during that period: a program
analyst, a budget analyst, and an engineer.

Formulated, defended and executed budgets for major
weapon system acquisition and procurement.

Developed, funded, and monitored work tasks for field
activity support.

Served for fifteen years as lead project engineer for the
Navigational branch. Responsible for cradle to grave
technical requirements on all government and
contractor furnished equipment with regards to naval
aircraft attitude heading reference systems. Served as
the contractor officer's technical representative on two
major contracts. I was responsible for monitoring the
contractor's progress in fulfilling the technical
requirements specified in the contract. I had to ensure
that all required documentation and data were
submitted in accordance with the procurement
deliverable schedule. I also informed the contracting
officer of any technical or contractual problems or
delays. I maintained administration records, approved
invoices and performed final inspection and
acceptance of work performed under the contract.

Candidates for HPCA Board of Directors

Jim Kelley
18514 Grand Club Drive
727-857-5100
jimkelley@tampabay.rr.com

I am a candidate for the Board of Directors because I want to maintain Heritage Pines as an affordable, well-funded community with a variety of activities and amenities. I have a strong desire to see Heritage Pines continue to flourish as a robust homeowner community and I want to work with other Board members and the General Manager to create and maintain an open environment where good communication between residents, the Board and the GM is the norm.

I have extensive experience working in team environments as a volunteer. My experience includes:

Board of Directors, Lake Winnebago (MO) Homeowners Association – 7 years. Accomplishments: Worked with contractors and attorneys to facilitate development of the undeveloped south shore of the lake. The association had \$100,000 in reserve accounts when I was elected to the board. When I left the board, we had almost \$4 million in reserve accounts. The increase in reserve accounts prevented additional assessments for homeowners.

Board of Directors, Twin Cities (MN) Marriage Encounter – 6 years. Served as President for two years. Accomplishments: Implemented a successful business plan/practices to allow the organization to survive. Hired a new Executive Director to implement the plan. Successfully secured state and local grants to ensure future financial success.

Board of Directors, Eastbank Homeowners Association, Hudson, (WI) -2 years. Accomplishments: Researched and implemented reserve accounts for future expenses.

St. Croix River Association – 3 years. Appointed to an environmental committee to control the proliferation of zebra mussels in a pristine river.

At Heritage Pines, I am a member of the Finance Committee and the Golf Handicap sub-committee.

My professional background includes the following:

Residential Real Estate sales, Kansas City, (MO), 1993-2010

Division Sales Manager, St. Paul, (MN) Pioneer Press, 1971-1993.

Manager, Embers Family Restaurant, (MN) 1966-1970.

My personal interests include golf, pets, travel and Sudoku.

**Candidate for Re-election to the
Heritage Pines Board of Directors**

Career:

Retired Certified Public Accountant.

Worked for seven years with Coopers & Lybrand now known as PriceWaterhouseCoopers.

Worked for Dow Jones & Company, Inc. for 22 years in various financial positions

Heritage Pines Volunteer:

Currently serving as President of the Heritage Pines Board of Directors.

Appointed to the Board in mid-year 2008 and was subsequently elected to the Board in 2009 and 2011.

Served as Treasurer on the Heritage Pines Board for three years.

Served as Chairperson of the Finance Committee in 2008.

Served as a member of the Long Range Planning Committee in 2007.

Served as Chairperson of the Association's TTT (Transition Task Team) in 2005.

Currently serving a fourth two-year term as Treasurer of the Heritage Glen Board of Directors.

Personal:

Married to Lou Ann for 35 years. Have four children and seven grandchildren.

Heritage Pines Community Association, Inc.

Accomplishments:

Worked with other Board members, the General Manager and committee members to help make Heritage Pines a financially successful and well maintained community. Over the past few years the Association has accomplished the following:

- ❖ No increase in assessments since 2010 and no assessment increase required for 2013.
- ❖ Generated a financial surplus (revenue in excess of expenses) of \$200,000-\$300,000 each year for the last four years.
- ❖ Established a total cash balance of more than 2.1 million dollars as of October 31, 2012.
- ❖ Increased the Association's net assets (assets minus liabilities) by more than 4.0 million dollars since 2008.
- ❖ Fully funded the reserve fund in 2010. The fund remains fully funded.
- ❖ Finalized the lawsuit with Lennar/US Homes in 2009 that, among other things, eliminated 1.9 million dollars of debt from the Association's financial statements.
- ❖ Completed major renovations to the Clubhouse during the years 2010 and 2011 including the installation of the new bar, expanded fitness center, additional bathrooms, and the expansion of the Clubhouse to accommodate a new conference room, additional office space and the relocation of the woodshop room.
- ❖ Remedied serious construction defects in 2010 around the pool deck and pool area.
- ❖ Completed renovations to the billiard, Magnolia, and craft rooms, library and pro shop in 2012.
- ❖ Golf course renovations are currently underway and will continue for the next few years.
- ❖ Kitchen and PAC room renovations are scheduled and budgeted to be completed in 2013.
- ❖ Road repairs are budgeted and scheduled to commence in 2013.

Dudley Saunderson

My wife Gloria and I have lived in Heritage Pines for ten years. We purchased our home on Brooklawn Drive in 2002. Since then, we have enjoyed a wonderful lifestyle which includes golf on our lovely course, participating in the Radio Club, the Drama Club not only acting but Directing over eight productions. We are very proud of the plays we have produced and the fantastic support the community has given us. This includes eight shows at the wonderful ShowPalace as well. Prior to moving to Heritage Pines we lived in Seattle, Washington. The last fifteen years in Seattle I owned my own business called Windfield Productions Inc. My company was involved in business consulting specializing in turning around companies that were in trouble. We also did special projects for companies such as the Boeing company and others. Glo and I have been married for 53 years and we plan to stay in this lovely community for quite a while. I am running for the board for one reason, and that is to give back to the community that we like so much.

—Volunteer work with Habitat for Humanity and other homeless/hunger relief agencies

Goals as HPCA Board Member:

If I am elected to the Board of Directors, I would like to use my background, prior experience and lessons learned to continue to move Heritage Pines forward. I especially want to ensure that the Board continues the current commendable effort to improve communications with residents. Further, I would like to improve Board training, ensure that Board policies and procedures are followed, ensure that rules and regulations are consistently and not selectively enforced, and develop a sound long-range plan. Such planning is presently underway and it will be incumbent upon the next Board to work with management and the Long Range Planning Committee to conduct a thorough assessment and then develop and adopt a sound plan based on input from the community.

Questions for the Architectural Committee

The ARC would like to answer some questions that we get asked most often.

What changes to my property do I have to submit to ARC before I begin work?

Anything that can be seen from the outside of your property must be submitted for approval. This includes painting, all landscape changes, windows, lighting, lanai, birdcages, and roofs. attic fans, doors/screens (front, side, rear, garage) driveways, walkways, satellite dishes.

I heard there is a new paint book? What if I want to paint the same color I already have. Do I still have to submit it for approval?

Yes. There is a new paint book and there are more than 100 color combinations available. We tried to include as many of the current combinations that we could. Everyone must submit their color selection before they begin painting.

I had sinkhole testing and they left huge drilled circles in my cement on the driveway and on the walkway. Do I have to have a whole new driveway put in or pavers installed in order to comply with community regulations?

No. You do not have to rip out your entire driveway and put down pavers or a whole new driveway. You can have new cement put where the drilling took place and then you can have the driveway and or walkway stained.

If I decide to put pavers in my driveway do I have to remove the current cement?

Yes. Not only do you have to remove the cement on the driveway but you have to remove the cement all the way to the street. There must be a smooth transition from the public sidewalk to the sidewalk within your driveway.

How do I know if work being done has received ARC approval?

When a resident receives approval from ARC they are given a green *Heritage Pines permit* that should be in their front window while they are completing the work.

Is the ARC still doing inspections of the community?

No. As a committee we felt it was better to have the property manager conduct inspections of the properties within the community. If we see a violation or, if we get a

call from a resident regarding a violation, we turn them over to the property manager's office for review.

Is anyone getting fined for violations?

Yes. Our General Manager is reviewing and enforcing all violations.

We would like to thank all the residents who continue to keep their property in such pristine condition. Keeping up your property helps to keep the value of our community.

Heritage Pines CDD

A Community Development District (CDD) Workshop or Town Hall meeting is scheduled for Tuesday, February 12th at 2 p.m. in the Performing Arts Center.

At this meeting Pasco County and Southwest Florida Water Management District officials will make a presentation to residents on a proposal to provide reclaimed water for irrigation purposes in our community.

The presentation will address proposed funding of the project, construction plans, billing for water usage, distribution of the water within the community as well as safety and health issues. Questions will be addressed after the presentation. As many of you may be aware:

- Critical water supplies are being drawn down faster than they are being replenished
- Higher concentrations of pollutants in aquifers make drinking water increasingly unsafe
- Aging water pipes and infrastructure are creating a heightened danger of sinkholes.
- Using water for irrigation and fossil fuel extraction is increasing strains on the water supply, and raising food and energy prices.
- Desalinization is increasingly being used to supplement fresh water needs. This process is extremely energy intensive and expensive.

Fresh water conservation is an important issue for our community, state and country.

I encourage you to attend this presentation.

MULCH, MULCH, and MORE MULCH

We discovered in researching this article that there are many more kinds, colors, and shapes of mulch than we thought existed. Several of the reasons we use mulch are to conserve moisture, to reduce weed growth, and to enhance the visual appeal of the lawn and flower beds.

Types of mulch include organic such as grass clippings, leaves, shredded bark, pine needles, and wood chips to name a few. Mulches break down and enrich the soil by adding nutrients to the soil and plants. These types of mulches improve planting beds by letting moisture and fertilizer filter through the soil to the plant roots.

Rubber mulch is made from recycled rubber tires. This mulch has longer life than organic mulches and comes in a variety of colors to blend in or contrast with the landscape. Rubber mulch does not allow termites to bore through the mulch causing them to die of starvation. A suggestion when using organic mulch is to put a layer of rubber mulch next to the house for termite protection. There are quite a few reasons not to use rubber mulch. As temperatures rise, this mulch can get very warm and certain types of plants cannot survive. Another problem occurs when earthworms and soil microbes do not receive any nutrients from rubber mulch. They require decomposing organic mulch as a food source. Without this food source they will die and over time the soil structure will break down.

Plastic sheeting is another type of mulch. Holes must be cut into the sheeting for the placement of plants and needs to be large enough to let water get to the roots of the plants which can lead to a few weeds sneaking in. The plastics create water run off which can end up in the street instead of reaching the plant roots. They also keep essential air exchanges from reaching the plant roots.

There is the extra expense of covering the sheeting with the mulch of your choice. Here again, this medium can cause rising soil and air temperatures causing damage to the plant material.

Rocks, gravel, or stones can be attractive mulches. Two big drawbacks are keeping moss and mildew off the stones, and the stone material does not add any nutrients to the soil or plants. Here again, the earthworms and soil microbes are affected by the lack of nutrients from the decaying organic mulches. Even though the stone material comes in a variety of sizes, shapes, and colors, it just isn't the best choice for your plants.

Among recommended mulches are: eucalyptus, melaleuca, cocoa shells, pine bark, and pine needles. One problem with all the mulches is keeping it in the bed and out of the lawn. This can be solved with an edging material. So when it comes time to purchase mulch, please keep the organics in mind. Joe Lamp states in [Garden to Make a Difference](#), "A good layer of mulch will keep the soil temperatures in my garden as much as 10 degrees cooler this summer and help prevent disease in my plants."

These mulching tips are from Robyn Griggs' [Mulch madness: Environmentally Friendly Mulch](#).

Mulching Tips

1. Allow soil to warm up a bit in spring before applying new mulch.
2. When mulching trees, mulch out to the tree's drip line but leave a few inches bare around the trunk. If mulch becomes hard and matted, fluff to allow air and moisture to get through.
3. Always check your mulch's freshness. If it smells sour or rotten, it could harm your plants.
4. Overly thick mulch suffocates roots. Most mulches work best in 2- to 4-inch blankets.

Heritage Pines' own Bill Stoehs Presents

A Guide For Survivors

**Friday, January 25th
2:00 p.m., PAC**

While no one can be fully prepared for their own passing, it is prudent that we acknowledge that when we pass, we leave loved ones behind. There are steps that can be taken now which will make that very difficult time a little easier on those we leave behind. This program will focus on the importance of being prepared for our own or a family member's passing.

This is strictly an informational program at no charge to you. We would ask that you sign up at the Front Desk so we know how many to prepare for and how many hand-outs will be needed.

Lifestyle Committee Notes

**please note the day and time change for the monthly Lifestyle Committee Meetings....
will now be held the first Monday at 10:00 a.m.**

HAPPY NEW YEAR - Here we are at the start of a brand new year, a time for looking back on the accomplishments of the old year and ahead to plans, hopes and challenges of the coming year. Your Lifestyle Committee is working on new ideas to make 2013 even better and more interesting than last year. The Lifestyle Committee is all about Heritage Pines and we do want to hear from you with your suggestions for programs and activities you would like. Please feel free to contact either Carla Becker or Barbara O'Leary who are the co-chairs or attend one of the committee meetings to offer your thoughts.

HAPPY, PROUD DAY - On Monday, December 3, the members of Lifestyle Committee gathered at the Club to present the donation resulting from all the Moffitt Cancer research fundraising events to Sonia Cerundolo, Special Events Officer at Moffitt.

Ms. Cerundolo, who gratefully accepted the check for \$20,577.73 on behalf of Moffitt Cancer Research, was amazed at the amount of money the residents of Heritage Pines contributed. Carla Becker and Barbara O'Leary, Co-chairs of the Committee, stressed that while the committee had planned and worked very hard on all the events, it was the caring generosity of the Heritage Pines residents, the Food and Beverage staff, and local businesses that made this wonderful donation possible.

Ms. Cerundolo also shared an important aspect to fundraising for Moffitt Cancer Research which everyone should know. Unlike many charitable organizations, every cent of the donation goes to Cancer Research. All administrative costs are funded by the Moffitt Foundation.

The Committee extends heartfelt thanks to everyone who contributed in any way to this exceptional cause. We will continue fighting until the battle is won against this enemy.

TOYS FOR TOTS - The Committee hung 250 boy and girl ornaments on the tree by the front desk for the wonderful Toys for Tots program. Once again the loving spirit of Heritage Pines residents was beyond anything we could have imagined. The toy bins had to be emptied by the Marines several times and the bikes, dolls, games and so many other great toys will insure there will be happy smiles and much joy on Christmas morning on the faces of children who would otherwise have been forgotten. Isn't it the greatest feeling in the world to know that you helped make that happen?

MUSIC, MUSIC, MUSIC - Hurry to get your tickets for Musical Jeopardy on January 11th, featuring dinner, dessert, a multimedia game with new

categories, music and videos. Test your knowledge of all aspects of music, and maybe your table will be the winners!! Lots of fun for everyone.

LET US ENTERTAIN YOU!! - Join your friends and neighbors on Friday evening January 18, 2013 in the Pac room for the annual Heritage Pines Variety Show. Those of you who have attended before need no encouragement to be there, but for those of you who have not, don't miss this opportunity to be amazed at the talent we have right here in Heritage Pines. Ranging from a belly dancer, to singers, comedians, instrumentalists there is no end to what our fellow residents can do. America's Got Talent and X-Factor watch out! It is an evening not to be missed so get your tickets a.s.a.p. as this event draws a very large crowd.

Tickets are only \$7.00 and are currently on sale at the front desk. All proceeds going to the Clubhouse.

FOR YOU AND YOUR LOVED ONES... On Friday, January 25th at 2PM Bill Stoehs will once again present his program titled "Doing Your Heirs a Favor." Repeated by popular demand since many of our seasonal residents were not here, this is a presentation not to be missed. Taking care of our personal issues and making our wishes known prior to the inevitable, is an act of love for those we leave behind.

There is nothing being sold at this free Lifestyle event, it is simply informational and extremely worthwhile. Please sign up at the front desk so the appropriate number of handouts may be prepared.

YUMMY, YUMMY - IT'S TIME FOR CHILLI! - Who will be HP's Chili Master this year? It could be you! HP 3rd Annual Chili Cook Off will be February 9th. Bring your friends and chili for this fun event. A registration form is

included in this months newsletter. Anyone interested in participating in this years event is asked to please fill out the form and return it to the front desk with the registration fee charge of \$5.00. The \$5.00 charge covers expenses including serving cups and spoons, and prizes. More information to follow.

WHO DID IT??? - Save the date of March 15th when you are cordially invited to attend a "Lethal Luau" Murder Mystery Dinner where you will enjoy dinner and dessert, the grand parade of the "suspects", audience participation, sing-a-longs, great music, fun and win a prize if your table identifies the murderer. Look for further announcements with details of this very entertaining evening.

Message From Your F & B Director

By Paul Chefero
Paul.Chefero@heritagepines.net

With 2012 behind us, let me take a moment to reflect on how far we have come. When I started here at Heritage Pines in 2008, the F&B operation was much different than what it is today. Its been a long road, with some bumps along the way, but with the support and commitment from this community we have developed into an operation that is structure based on resident suggestions and input.

Lets take a few moments and compare THEN and NOW. Its incredible to see just how far we've come. And the best part is, we did it together.

THEN	NOW
<ul style="list-style-type: none"> Lunch served 7 days a week, 11 a.m. - 2 p.m. A La Carte dinner served on Wednesday only from 5:00 p.m. - 7:00 p.m. Breakfast only served once a month – buffet style Happy Hour only Monday-Friday 3:00 p.m. - 6:00 p.m. 1 ¼oz. ounce pours on all liquors 4 draft beers on tap. No Two For \$20 Nights existed (dinner was only served on Fridays for game nights & karaoke) No All-You-Can-Eat Buffets. Buffets of this style did not exist, or hadn't for many years. Trivia & Name That Tune Game Nights were one meal only events. 	<ul style="list-style-type: none"> Extended bar hours until 10:00 p.m. Extended dinner hours, from 4:00 p.m. - 8:00 p.m. Bar Menu available 7 days a week, 11:00 a.m.-close Lunch served 5 days a week, Monday-Friday A La Carte Breakfast served every Saturday & Sunday from 9:00 a.m.-1:00 p.m. Resident Driven menus (breakfast, lunch, dinner) Happy Hour offered all day, every day 2oz. pours on all liquors, including top shelf 6 draft beers on tap, including seasonal beers Two For \$20 Nights offered twice a month on 1st & 3rd Fridays All-You-Can-Eat Buffets served every Monday, with menus changing each month Complimentary entertainment every Tuesday from 6:00 p.m. - 9:00 p.m. in the bar area Monthly \$5.00 Resident Night Out events Higher end wines offered by both the glass and by bottle Extensive menu additions, including heart healthy & gluten free options Lower menu pricing with to-go service available Elaborately decorated themed events (i.e. Valentines Day, Resident Holiday Party, New Years Game Nights now include Trivia Night, Friendly Feud, and Musical Jeopardy (in conjunction with the Lifestyle Committee). Message From Your F&B Director cont'd

As you can see, times have changed. And what is important to note, is the role that YOU the resident has played in the vital changes.

With that said, we have also improved on resident based activities. Many residents may not know this, but both my assistant, Mark Stanish and I are also responsible for many of the activities which take place in this community. We now offer complimentary hearing & ear clinics exclusively to our residents at no charge. We have arranged for Health & Wellness Expos to occur for Heritage Pines residents to get the most up-to-date information for their well-being. We now offer two garage sales a year, with extensive advertising to the general public (in an effort to get residents more sales). We have also implemented annual events such as the HP Chili-Cook Off and the Hittin' The Pavement Cancer Charity Walk.

One major factor in our success has been communicating our menus, events, and activities to our residents. Mark Stanish, who oversees the design and development of our newsletter, has completely redesigned "The Pines" from what it once was. In the three years since taking this responsibility under his wing, the newsletter has become an important resource in the communication to our residents. The current bulletin is filled with information, both with F&B related events and resident club/group events. The full redesign is now more attractive, and more informative; with the layout being more reader-friendly. Mark has also implemented the "Attention Residents" email bulletin which conveys messages to residents on an as needed basis (usually two or three times a week). This email is filled with content including F&B material as well as management messages, golf related messages, club & group updates, etc. Without these forms of communication, our events certainly would not be as well attended as they are.

And with that, we move in to 2013. A new year, with big changes coming to our department. With the prospect of a new kitchen on the horizon, we are moving into 2013 with full steam ahead. We are doing everything we can to provide residents with as much as possible both to eat and to do up until the closure on June 1st. As has been the case over the last few months, we will regularly reach out to residents for input and feedback. We look forward to what is sure to be a great new year!

Karaoke with the Aigottis

After many years of hosting our first Friday Karaoke Night, both Tom & Lynn Aigotti will be putting down the microphone and retiring as our resident hosts. The Aigotti's have dedicated their time and energy to what has proven to be a very successful event for this community. Their last night of Karaoke will be held on Friday, January 4th from 6:00 p.m. - 9:00 p.m. We encourage all residents to come say thank you and have a great time!

Thank you Tom & Lynn!

From Chef Tony's Cookbook

In the month of December, the ladies from WAG enjoyed a "how-to" event led by our own Chef Tony. The recipes below are the items which we presented to the class. They are simple & easy and residents will love trying them out!

1. Marinade for steaks or fish, chicken or beef. This is simple and was loved from the women at the W.A.G holiday event.

- 2 tbs brown sugar
- 4 tbs low sodium soy sauce

Heat a nonstick pan or a cast iron pan on your stove with a touch of oil. Take the meat of choice and evenly season with the brown sugar. Drizzle with soy sauce to wet the brown sugar then gently put in pan. This part will be a little smokey, this is forming the crust you want, don't worry just lower heat. Flip and cover if need to cook fully.

2. No-Bake Cheese Cake

- 3 tbs grated lemon peel, more the better
- 1 can sweetened condensed milk
- small amount of half half or heavy cream
- Two packages cream cheese
- One gram cracker crust

Cream cream cheese with a mixer. Add sweetened condensed milk and lemon zest on high speed; stream in the heavy cream to volumize. Scrape the bowl and whip again. Spread evenly into the gram cracker crust and refrigerate for 1 hour or longer. Cut and serve with fresh fruit or candied lemons.

"Filet Your Way" Every Thursday!

Our Chef Tony is now offering a signature dinner special on Thursday nights called "Filet Your Way". The Filet Your Way special comes with your choice of soup du jour or salad bar. This incredible special features a mouthwatering 8oz filet mignon, cooked to perfection, and topped with any of the accompaniments & sauces listed below. Served with mashed potatoes and vegetable du jour, †This is a hit already and you are sure to love it!

Toppings

bleu cheese crumbles
crumbled bacon
sautéed onions
sautéed mushrooms
sautéed peppers

Sauces

savory peppercorn au
poivre
delicious port wine
reduction
traditional béarnaise
creamy herb & cheese
sherry garlic

Draft Beer Of The Month

Celebrate the season with our two new specialty beers on tap. We offer our specialty taps for just \$3.50 a glass!

Sierra Nevada: Celebration Ale

Festive fresh hop holiday fun. First brewed in 1981, Celebration Ale is one of the earliest examples of an American-style IPA and one of the few hop-forward holiday beers. Famous for its intense citrus and pine aromas, Celebration is bold and intense, featuring Cascade, Centennial and Chinook hops—honoring everything we have at Sierra Nevada.

Sam Adams: Winter Lager

Bold and rich, with a touch of holiday spice. The first thing one notices about a Samuel Adams® Winter Lager is the deep ruby color. Then comes the magical aroma which promises something special on the tongue. The cinnamon, ginger, and hint of citrus from the orange peel blend with the roasty sweetness of the malts to deliver a warming, spicy flavor. On the palate Samuel Adams Winter Lager is rich and full bodied, robust and warming, a wonderful way to enjoy the cold evenings that come with the season.

Golf Pro Tip

Make Your Practice Meaningful

Obviously, the key to mastering both the basics and subtleties of shotmaking is practice.

At some tournaments, people will come by and watch me practice, and I'll look to them like a complete hacker.

First I'll hit a big slice, then, with the very next ball, a big hook. Then I'll hit one way up in the air, and without changing clubs I'll hit a low screamer. I'm simply practicing my shotmaking.

To my mind, this is the most enjoyable practice of all. And one of the nicest things is it's good training for your visualization and mental discipline as well. What I like to do is pretend I'm playing a particular golf course, and using one club, such as a 4-iron, I try to hit the shots that the course calls for.

Make Your Practice Meaningful

The key to mastering shotmaking is practice. If the first hole is a dogleg left, I'll try to hit a draw. If the hole normally plays into the wind, I'll try to hit a low second shot. Then I'll play the second hole, hitting a high downwind drive. I'll pretend that the flagstick on that hole is on the back left of the green, and I'll play a draw that will seek out the pin. I'll hit each of these shots with the 4-iron, hitting to a wide-open practice range. It's the ultimate test of your ability both to imagine shots and to play them.

Another great way to practice your shotmaking is to take a bag of golf balls and toss them into some of the worst places possible-into fairway bunkers, behind trees, onto difficult lies. Then try to get the balls out of those positions in at least two different ways.

If, for instance, you're blocked by a tree, try to hit a high shot over it as well as a draw or fade around it. This type of practice is, after all, the real thing. It also forces you to develop your imagination.

Knowing how to hit these shots is of comparatively little value if you can't recognize the opportunities to play them. So get used to your talent at bending the ball, and test the limits of that talent.

Once you know what you can and can't do from various lies, you'll "see" shots you've never seen before. It's the combination of that talent and vision that will enable you to play aggressively from almost any lie.

CAN-AM Tournament

The Challenge is on!!! The second annual CAN-AM Golf tournament will be held on Sunday, February 10, 2013. It will be an afternoon shotgun, followed by dinner at the Clubhouse Restaurant. Great fun, great prizes (well at least prizes), and a great dinner. The cost is your golf fee, your dinner choice from a select menu and \$10.00 for prizes, etc. A sign-up sheet will be in the Pro Shop January 7, 2013. We hope to have an equal number of Canadian players and American players. If you do not play golf, you can still come and join us for dinner - again sign up in the Pro Shop. The competition is fierce - well at least it is fierce to sign up as we only take the first 72 golfers - 34 Canadians & 34 Americans. We have a small committee to organize the event, but if you are interested in helping us please call Elaine Jackson & Mike Kerr at [727-378-7548](tel:727-378-7548).

Men's Golf Association

The holiday season has passed and it's time to start thinking about the HPMGA annual events. We have some great activities planned for 2013! Planning is underway for the 2013 member/guest golf tournament to be held March 21, 22, and 23. You will not want to miss this year's event! It will be first class and the premier event of the HPMGA!

Tree of Angels Project

Thank you very much for your generosity and participation in the "Tree of Angels" project! The project was a huge success! The cocktail reception and program was well received and enjoyed very much by the 80 or so members and spouses that attended. Our members made Christmas very special for 60 needy children from Shady Hills Elementary School. The school staff and parents of the children were extremely grateful and overwhelmed by your support! Great job guys!

HPMGA Annual Dues

Your annual HPMGA dues may be paid from January 1-15 in the pro shop. The dues this year are \$25. Dues are to be paid by check and made payable to the HPMGA.

Reminders

- Annual pre-paid golf fees are now due.
- The area to the right of #11 fairway is now marked as a lateral water hazard.
- The shrub and tree area to the right of #4 fairway around the 200 yard marker is no longer ground under repair. You may elect to play out of that area or take a one stroke penalty and proceed under the unplayable ball rule. If you elect to play out of this area, please return it to its normal condition.

Member Profile

Jeffrey Steven Edwards was born on June 24, 1947 in Greenwich, Connecticut. His father was a Division sales manager for Interlake Steel Corporation and was transferred to north central New Jersey when Jeff was 4 years old. Jeff's mom was a dental hygienist and a "great homemaker" to him and older brother Case. They lived in New Jersey for 10 years until another transfer brought the family to Fayetteville, New York near Syracuse. Jeff graduated from Manlius High School in Fayetteville in 1965. He was the number one player on his H.S. golf team. The next fall he attended Nichols College in Webster Massachusetts, pursuing a degree in business

administration. After two years at Nichols, Jeff enlisted in the US Navy and served for four years from 1967 to 1971, as radar operation specialist in the Amphibious Forces.

Following his service in the Navy, Jeff began to pursue his life's true passion....a career in the game of golf. All throughout high school, Jeff worked at a golf course and he loved the work, the game of golf, and being outdoors. Jeff enrolled at Penn State University and earned a B.S. degree in agronomy with emphasis in grass and turf management. After receiving his degree he accepted a job as the assistant Golf Course Superintendent at Piney CC in Parker, Colorado. From there Jeff became the Superintendent at the Lowery Air Force Base Golf Course and began a career as a government service employee. Jeff stayed in that service until his retirement in 2002. Jeff served as superintendent at the Fitzsimons Army Medical Center golf course in Aurora Colorado, and he spent the last seven years of his career at the United States Air Force Academy in Colorado Springs.

Although golf is Jeff's true passion, he developed a love for long-distance mountain bike riding. Jeff was riding nearly every weekend and even participated in week long rides of 650 miles or more through the mountains of Colorado and Utah. He became an accomplished snow skier as well. Although he was a pretty good skier, he admits that his wife Chuck could "ski circles around him!"

Jeff and his wife Chuck met in Denver, and have been married for 30 years. They moved to HP in 2007. They share the blessings of a blended family. Chuck has a daughter, four grandchildren, and two great-grandchildren, while Jeff has a daughter and a son and three grandchildren.

Jeff is serving as president of the HPMGA this year and is "enjoying the experience." He says that "living in Heritage Pines is a wonderful life and the people are great"! Not surprising words from a man who has great people skills and literally knows everyone.....and he even knows the names of their dogs!

For all the important things in your life

Heritage Pines Lady Niners

Did You Know.....

Our club started soon after the Heritage Pines community began when a small group of women, regularly playing eighteen holes of golf, decided the time had come for a nine hole group. It would accommodate those who wanted to learn and improve their game, while building upon varying social aspects of such a club. Pat Kennedy, along with other women in the group, helped the "Niners" to get its start. Mercedes Murphy was our first leader; followed by Pat Dana, Pat Kennedy, Nancy Beckwith, Nancy Suter - leading up to our current president - Paula Routten. The first scores were tallied from cards filled in by players and kept in a small box in the pro shop. Barb Domst was instrumental in setting up a computer system which regulates our figures and scores now. Today we enjoy the social and fun aspects of golf - evident by a thriving membership of over 165 members. We welcome and encourage players of all levels. We play an assortment of scramble and individual stroke play games. Our members attend a number of invitationals each year and we hold our own every two years. Our social events include regular after-golf gatherings in the restaurant plus various activities throughout the year. January kicks off our season with an elegant and beautiful Annual Niners Ball. In October an overnight trip is always scheduled - past trips have been to the Plantation Inn, Mission Inn and in 2013 will be to Lake Jovita.

Fees are now due and they are \$22.00 for full membership and \$10.00 for alumni. They may be paid any Tuesday before golf with a check made out to HPNLGA. Anyone wanting to join the Niners may contact Gloria Saunderson at 727-868-7227 or ask for the envelope in the pro shop.

The Dr. Mary Giella School has been chosen as our charity once again for 2013. It has been a huge success under the guidance of Louise Cuciniello and Cathy Stoehs, not to mention Louise's ever-helpful husband Sal. Our open play golf outing here at Heritage Pines and held earlier in the year, plus funds collected during the year, have provided enough money to help seventy five children with essential items of clothing. One hundred ten gift bags were filled with small toys, toothbrushes etc. and given to the second graders who entertained us with a wonderful musical program on December 18th...a mutual "thank-you". A kid-friendly food drive was also held on that day. Twelve rolling backpacks were distributed to small guys, carrying much needed food from school to home on weekends. We purchased two hundred fifty notebooks and other supplies and gave an additional \$350 for a class trip for those children unable to afford the cost. With remaining money, gift cards were given to the school administration to distribute during the year to families who need food. All in all, a very worthwhile cause!

Holiday/Awards Program Dec. 11th highlights: 36 Birdie pins, 52 Chip-in pins. Eagle pins went to Nancy Suter and

Mary Widlowski. Most improved player awards: 4th flight- Gloria Saunderson, 3rd flight- Dottie Richie, 2nd flight Elke Mullen and 1st flight- Rhonda Gibson.

Our 4th Annual Niners Ball - "Evening in Paris" - will be held Jan. 27th. Tickets may be bought any Tuesday before golf - \$25pp, \$50 per couple with checks made out to HPNLGA. Dues must be paid before purchasing tickets.

Drama Club News

Cafe Murder, at Heritage Pines will be presented on February 25, 2013. Mark the date on your calendar. The cast of this hilarious "who done it" includes Don Goldberg, Paula Routten, Kathy Morgan, Elaine Jackson, Pam Lewan, Joe(cowboy)Miller, Carole Isgro, Mike Kerr, and Mary(MJ)Johnson. This will be directed by Ralph Pauley with assistance from club members. Your drama club strives to include new members and in Cafe Murder we are pleased to include some new talent. Which one of these cast members could have done it??? Welcome to Cafe Murder!!

Look for detailed ticket information in the next issue and in the club's online weekly reminder.

Bunco Groups

Know how to get rid of the winter blahs? Try coming out for a nite of Bunco. Our Bunco game this month will be held on the last Thursday of January - the 31st in the Magnolia Room starting promptly at 6:30 p.m. If you have not played Bunco before, please come up and find out how easy it is. You must bring two envelopes and if you need any further info on this, please contact: Marcia Gerber at 819-1662: Betty Plante at 863-8462 or Camille Baldick at 727-862-9974. Hope to see you there!

AARP Driving Class For Residents

(you must attend both sessions)

Monday, January 28th

12:00 p.m. - 3:00 p.m., Magnolia Room

Tuesday, January 29th

12:00 p.m. - 3:00 p.m., Magnolia Room

The roadways today are becoming more congested and more hazardous, with more and more people trying to get places. It's never too late to learn more about the roadways and improve your driving skills. By taking this class, and completing BOTH dates, you can earn a discount on your auto insurance too!

The class is \$12.00 for AARP member (please provide copy of your AARP card with your check), and \$14.00 for non-AARP members. Please make your check payable to HPCA. Please sign up at the front desk. These classes will fill-up quickly.

Library News

Our library is maintained by volunteers from the H.P. Book Club. Any one interested in volunteering can call Jocelyn at 869-9461. We gratefully accept donations of POPULAR hard back books and GENTLY USED paperbacks. Fiction books are on the right hand wall in alphabetical order by author. Non-fiction books are on the left hand wall by subject category. Paper back books are in alphabetical order on either side of the doors. Large Print books are on the left hand wall of the library. Books on Tape are found on the shelf above. Leave donations and returns on the book cart. Since space is of a premium, we can only keep books of wide appeal. Paperbacks do not need to be returned. The library does not accept magazines, games, puzzles, technical books, movies or other non-book items.

Village Attic

We are a group of residents who have items to lend when guests arrive. The list can be found on the Heritage Pines web site under social. When you borrow an item, please return it clean and in a timely manner. Any questions, please contact Betty Plante 863-8462 or Marcia Gerber 819-1662.

Angels in the Pines

Would like to thank all those who came together to help so many children this year. We did over 660 hat sets and disturbed them to the K-2nd graders of Shady Hill school, the K-1 graders of Mary Giella school as well as the 2nd grade chorus.

What a treat we had with all the children and their beautiful voices.

This year there were so many who came forward to help full fill this project. Our Sportsman Club and Bingo Committee for their support which help to purchase supplies to handle the added increase of a second school. To the people who dropped off bags of hats and scarves and gloves at my house with out saying a word. I also want to acknowledge our many Angels who have worked so hard this year and accomplished what seemed like an impossible task. Our Santa elves who came out to wrap every package in one afternoon.

The children of Shady Hill, Mary Giella, Domestic Violence shelter and our true Angels from the Angelus home will be so much warmer and smiling for the gifts they have received. Thank you all who have taken on wings this year. Let's see what new surprises 2013 will bring to us all.

Just a quick reminder that our next used clothing drive will be on Wednesday January 30, 2013 from 10-2 p.m. The clothes will be going to the Domestic Violence Shelter. Our last drive for the shelter filled the bus can we do it again? Our kindness forms that residents filled out with their donations for the value of items brought a matching grant in the amount of \$17,000.

Wishing everyone a wonderful New Year of health and happiness.

Angels will start meeting again Sunday January 13 at 1 p.m. in the craft room. Come down and join us or stop by and see what we do. If you would like some refresher lessons it can be arranged to help someone get started again in a rewarding effort. Call Kathy Hendrickson for details 862-2394.

Heritage Pines Tennis Association

If you are new to Heritage Pines and have an interest in the game of tennis, then check out the Heritage Pines Tennis Association and the activities it has to offer. There's something for everyone, regardless of your experience level. HPTA activities for December consisted of both open and league tennis activity. Participation at all tennis activities continued to increase during the month as our more of our seasonal players returned from their summer retreats.

There were no tournaments planned or scheduled in December. The next tournament, a handicap tournament will be held 29-31 January with more details made available as the date approaches. Planning for the spring Championship Tournament and other fun tournaments is in full swing and will continue until all HPTA 2012-2013 activities have been identified and scheduled. The championship tournament will be held during the week 25 February and will conclude with the finals and a social gathering on March 3. More details on this tournament are posted on the HPTA bulletin board next to the tennis courts.

Men's and Women's open tennis opportunities continued through December, facilitated by Coordinator Nick Marino, men and Toni Arevalo, women. These sessions are currently scheduled at 8 a.m. (Weather may require a change to 9 a.m.) on Tuesdays and Thursdays for men; and 9 a.m. Wednesday and 6:30 p.m. on Thursdays for women. Nick and Toni both report increased court usage as more of our seasonal players return.

HPTA 2012 fall league activity began 15/16 October and will run through 16/17 December respectively. League play consists of Men's Doubles, Women's Doubles and Mixed Doubles. The schedules for these league activities are posted on the tennis bulletin board. Winter league play will begin in mid-January and run through April.

For those members wishing to improve their game, there is a ball machine available. The only requirement for use of the ball machine is completion of a required training session which lasts about 30 minutes. To schedule this training you can contact any member of the HPTA Board. Contact information for those members is posted on the HPTA bulletin board.

The tennis court schedule can be found on the bulletin board near the tennis courts or at the front desk of the HP Clubhouse. A copy of the rules and regulations as relates to scheduling of the courts is available in the book at the front desk and on the bulletin board. Please check the schedule and reserve your court with the front desk for all non-scheduled activity to avoid any conflict.

If you are not a member but are considering joining the H.P.T.A. we'd be glad to have you. To get started, please contact one of the board members. A list of those members and current activity is also on the bulletin board. Come out and join us to improve your skills or just get some good exercise with players of similar interest.

Ask The Techie

Q: Recently my Yahoo email had been hacked. My email account was being used to send SPAM messages to people on my Contact List. I called Yahoo at a number I found on the Internet to request assistance in changing my password. Instead the person took over remote control of my computer. He told me that my computer, printer and Internet connection were all infected and I needed to pay several hundred dollars to have these problems corrected. I hung up and contacted you for assistance. Was I actually speaking to Yahoo support or was this a scam?

A: This was definitely a scam. The free email providers: **Yahoo, Hotmail, Gmail** don't normally provide phone support. They typically provide support via their web sites or via email from their technical support departments.

One must be careful when searching the Internet for contact information. Anyone can create a web site representing themselves as affiliated with a company. This is not only true with technical companies but also with the banks, credit card companies and other financial institutions. If you are looking for contact information the best place to look is at their web site. Look for a **CONTACT US** link somewhere on the site.

If you ever allow someone to access your computer remotely and feel they may not be who they say they are, you should have your computer checked for viruses and other monitoring software. This type of software may be used for unauthorized access to your computer without your knowledge or permission.

Q: I would like to be able to view Netflix movies on my TV. What is the most economical way to get this done?

A: Many of the new TV's and Blu-ray DVD plays include built in wireless Internet and support **Netflix, Pandora** and other entertainment options. Many of the game systems such as the **Wii, PlayStation** and **X-Box** offer similar capabilities.

An excellent low cost option for wireless Internet entertainment is a **ROKU** player. There are several models available. They cost \$45-\$75 depending on whether you have a High Definition or an older Standard Definition TV.

Regardless of the device you select, you must have a wireless router and an Internet connection capable of supporting the higher requirements of streamlining video. If you experience pixilation or screen freezes, you may need to upgrade your Internet service to a faster speed.

Upcoming Training Class

Digital Photo Management Training Class
Friday, January 11th, from 1-3:00 p.m.
in the Magnolia Room

Dale Mallek will be teaching a beginner's class on Digital Photo Management. This session is part of a series of monthly classes that Dale is offering to his fellow Heritage Pines residents at **NO CHARGE**. Enrollment is limited to 35 and based on attendance at previous training classes, this class will fill up quickly. This is a repeat of the January 2012 class. **(RSVP REQUIRED)**

This class is intended for novice users, with little or no experience, who are interested in improving their ability to manage digital photos on their computer. This class is intended for Windows users **ONLY**.

The topics covered will include:

Importing digital photos	Savings photos from Email
Organizing photos	Viewing photos
Emailing photos	Editing photos
Savings to Desktop/ Screensaver	Transferring photos to CD/DVD

Dale has 40+ years experience delivering and supporting technology services. His most recent employer was Hewlett Packard. In 2009, Dale began Mallek Technology Solutions providing computer and home theatre support services to Heritage Pines and neighboring community residents.

If you plan to attend or have suggestions for future classes, please contact Dale Mallek @ 727-697-7260 or dale.mallek@verizon.net

JANUARY 2013

A happy new year to all our members and their families. This is the start of a new year and it's going to be our best yet. So many exciting events are on the drawing board and this is a partial list.

FRIDAY, JANUARY, 11TH

Due to the generosity of our members, a doner chair was donated to our charity, "The Florida Blood Services." There will be a dedication in New Port Richey at noon to thank our members. Snacks will be served; call **Skip Scott 378-7401** or e-mail frog44@gmail.com to rsvp and for more information and location.

FRIDAY, JANUARY 25TH

The ever popular **Golf Scramble** is planned at the Heritage Pines golf course. For those of you who are not golfers, a scramble is only playing the best shot out of the group of four players. This will be a nine hole event. Golfing will begin at 12:30 (after our monthly breakfast meeting) we would like a head count so we know how many tee times to reserve. Romeo wives and significant others are invited. Please e-mail Lou Gutfleish at lgutfleish@tampabay.rr.com or call 697-0203

SUNDAY, FEBRUARY 3RD

A **Super Bowl Party** is being planned this year in conjunction with the Clubhouse. Because of the lateness of the conclusion of the game we wanted everyone to be close to home. You can also party to your hearts content and at the same time, support our Clubhouse. Details are still being worked out and we will get the information to you as soon as possible. Check your e-mails.

SATURDAY, FEBRUARY 16TH

This is it! A sweetheart luncheon cruise in honor of St. Valentines Day. Grab your honey and escort her to the Clubhouse at 9:15 a.m. where a bus will be waiting to whisk you to St. Pete. A beautiful new yacht, the Starlite Sapphire, awaits to take you on a sightseeing cruise with a great lunch being served during the cruise. After the cruise, the bus will be waiting to take us back to paradise. (Heritage Pines) What a great way to celebrate Valentines Day without going shopping. We have to live up to our name. Romeo! There is also music and entertainment on board for your dancing and listening pleasure.

There are only 47 seats on the bus so please make your reservations as soon as possible. This event is for Romeos and their family. Total cost is only \$55.00 per person. Make checks payable to the Romeo Club. Call Bud Fleet

697-1270 or Al Sacher 862-0123 for information and reservations.

SATURDAY, MARCH 9TH

Save the date! Our annual Romeo family picnic at Crews Lake Park. We start off the day with a little softball practice after coffee and donuts. There are games to be played; mah jong cards-chess and whatever you want to do. The trains are running that day and what a thrill it is to ride on the train through the park. A catered lunch will then be served by the Cottee River Café. All food and drinks are supplied and you only have to bring yourselves. We will also have prizes for those who wish to participate. A great time will be had by all who attend. More info to follow.

Democratic Club

HOLDS FIRST MEETING OF 2013

THURSDAY, JANUARY 17

4 - 6 P.M. IN THE MAGNOLIA ROOM

At our November meeting we discussed possible goals for 2013, but how do these goals fit with those of the Pasco County Democratic Party? We made real inroads in Pasco County in 2012, and at our January meeting we will hear about the Party's plans, and discuss how we can help achieve them. We will also be starting our 2013 membership drive; dues are \$10 for an individual and \$15 for a couple. And, as always, we will have an open discussion of the important issues of the day. We invite all Heritage Pines Democrats to join us.

For information call any of the following: Dr. Larry Schmitt, President 869-2493; Rich Cunha, Vice-President 857-3044; Judith Chase - Secretary 862-4545; Oma Spain, Treasurer 863-3962; Betty Dean, Parliamentarian 869-9033.

ACBL Games

American Contract Bridge League games to earn masterpoints are available to Heritage Pines residents at the Nature Coast Bridge Club in Spring Hill. Fee based lessons from beginner to advanced skill levels are also available. For more information, please call Judy Kortier at 819-2008.

Computer Club

If you were lucky enough to receive a new computer and/or laptop during this holiday season and wonder what to do with your old one...well, here's the answer. The Hernando Computer Club refurbishes computers which donates them to local schools and charitable organizations.

If you have a computer with Windows XP or newer that's in working order and would like to donate it to a worthy cause, please send an email to Stephanie Nunzianta at snunzianta@msn.com. Your name will be forwarded to one of the club's experts and you will be contacted for additional information. Information about the club can be found at hcc.org.

Tuesday Ladies Bible Study

We are just starting Lesson Two in January of our study of the book of JAMES. We completed the introduction session and enjoyed viewing Beth Moore's DVD and discussing what we have learned about the person of JAMES. For the next 12 weeks we will dive into scripture as written in the book of JAMES.

We invite all women in our community to join us on Tuesday mornings at 9:00 a.m. to 11:00 a.m. to explore this study of James. For more information please call Evie Clark, 727-868-3454 or Pat Hepler at 727-819-2355.

Theater News

We wish everyone a very Happy and Healthy New Year. There are four shows on the theatre schedule for January 2013.

"WICKED" on January 19th is sold out. If still interested, please sign up for stand-by status. A resident may not be able to attend and their tickets could become available for sale. The same for the WAG trip to see "105 YEARS OF BROADWAY" on Friday, January 25th with a lovely luncheon before the show. Also, tickets are still available for the Sunday, January 27th performance of "NEW YORK TENORS". Check the theatre book for all the details on the show and the luncheon package. Unsold tickets for the show and also "BILLY ELLIOT" on Wednesday, January 30th must be returned in a few days.

Our Show Palace season will start on Saturday, February 9th with "9 to 5: THE MUSICAL". Based on the Dolly Parton movie, this hilarious story of friendship and revenge will really entertain you. Join Violet, Judy and Dora Lee as they battle their boss. Tickets are \$42.50 each, payable to Heritage Pines Theatre Club, include show, dinner buffet and all taxes. Gratuities are extra. Checks can be left in the purple pouch in the theatre book or dropped off at our home.

Thank you to all that have helped while I've been under the weather. We appreciate the help with telephone calls, delivering of tickets and picking up tickets at my home. Show Palace will be testing a no ticket policy. While they work out the details, we will issue receipts with your assigned table number. Reminder, a \$25 deposit is needed to secure your tickets for all shows at STRAZ and REH. If there are not enough attending a booked show, we will cancel it, and call you to secure your own tickets through the box office. See you at the theatre. Marcia & Gene Gerber, 819-1662

80+ Super Seniors

Come join and meet some new friends from your generation (1912 thru 1932). See what a lively fun group this is. Join us for lunch on Friday, January 11th at 12:00 p.m. If interested please call Loretta Fulda 727-697-2060 or Stephanie Nunzianta 727-860-4142.

Investment Club

The Investment club resumes its meetings on January 29 at 9:30 a.m. in the Conference room. Although our meetings are generally informal to the point of being casual, we do want to continue examining high dividend stocks for part of the "income" piece of our portfolio. We'd like to select 10-12 stocks, and find or create a methodology for purchase (or sale). One contender is the NAIC method (using their upside/downside ratios, BUY, HOLD or SELL categories, etc.).

If you have never attended but are curious, just come to the meeting and see if it suits you. There is no need to register, pre-qualify, etc. Coffee is available in the lobby.

Friendship Quilters

These 15 quilts were made by Heritage Pines Friendship Quilters and will be donated to children in need at Mary Giela School. Those who quilted are: Eva Drueding, Sherry Johnson, Pay Horning, Diane Rericha, Joan Chandler, Ann Porter, Betty Williams, Rita Curtin (not pictured), Roberta Vold (not pictured), Janet Bacrycz (not pictured), Terry Carlucci (not pictured), Diane Irvine, Erica Lews (not pictured, 8 year old grand-daughter of Betty Williams)

Book Club

Hope everyone had a joyous holiday season. Are you ready to curl up with a cup of tea, a luxurious comforter, and a good book? Doesn't just relaxing sound good after the hustle of the holidays? If so, we have just the book for you. It is Jeffrey Archer's novel A Matter of Honor.

At the reading of his father's will, Adam Scott, the only son of a disgraced British colonel, is bequeathed a mysterious, yellow-with-age, letter. Once opened, the letter leads Adam to a Swiss bank where he opens a safe deposit box that contains a Russian Orthodox icon, formerly owned by Czar Nicholas II and later by Hermann Goring. If you enjoy spy thrillers, you will relish reading this international mystery that involves both the pursuit by the CIA and the KGB of Adam Scott. The Baltimore Sun reports "Jeffrey Archer has written the equivalent of an Alfred Hitchcock movie."

While reading this novel, note

1. the differences between Alex Romanov and Adam Scott
2. your opinion of how the novel should end (before reading the conclusion)
3. whether you agree with Frank Marshall, the producer of Indiana Jones, that this should be his next project

Won't you join us on January 23rd in the Magnolia Room at 10:30 a.m. to discuss this thriller.

~ Francine Raggi-Collins and Pat Delamer

Tai Chi Class

Tai Chi – Beginner – Tuesday at 8:30 a.m. in PAC

Advanced – Thursday at 8:30 a.m. in PAC

Qigong (Chee Kung) – Saturday at 8:30 a.m. in PAC

What is Tai Chi? Tai Chi has evolved over hundreds of years from a Chinese martial art into a simple and gentle exercise that has many health benefits for all ages. Tai Chi practice raises *chi*, or life energy, which strengthens the immune system, improves health, and whole body energy (or *jin*), also called intrinsic energy, which improves coordination. As practice evolves, feet, legs and pelvis, spine, arms, and hands feel more connected, and the movements of head and body begin to feel coordinated. There comes a time when breathing and movements of all parts of the body follow one rhythm (*jin*).

Tai chi movements build energy gradually; generate warmth; and a sense of completeness. After a half hour of practice, you can feel this energy as heat in certain parts of the body (especially the hands). Each posture cultivates a different kind of energy flow. The role of the individual student, in the process, is to try, through tai chi, to create the conditions in which energy can flow and to give the body time to heal itself.

Tai Chi teaches people to become alert to intelligence from within while learning to listen to what is happening outside and to respond to others. It teaches patience, the ability to wait, poised and quiet, for the moment to move or act. When Tai Chi movements are performed correctly, they work to calm and focus the mind, so that mind, energy, and body work in harmony.

Tai chi is quality movement. It is physically demanding, yet it works with the body to encourage the gradual developing of strength and reviving of natural openness and coordination. The movements of Tai Chi continually turn the spine, an action that gradually repositions misplaced organs, stimulating them at the same time through an internal form of massage. These same movements also dissipate excess nervous tension held in the body and help balance the nervous system. Practicing tai chi encourages the joints to open, that is, to relax completely, thus increasing the mobility in all joints of the body; maintaining an especially strong focus on the ankles, knees, hips, shoulders, elbows, wrists, and spine.

*“Understanding others is knowledge,
Understanding oneself is enlightenment;
Conquering others is power,
Conquering oneself is strength;
Contentment is wealth,
Forceful conduct is willfulness;*

*Not losing one's rightful place is to endure,
To die but not be forgotten is longevity”*

(Quote from the “Tao Te Ching”, as translated by Victor Mair)

Tai Chi Qigong Classes

Rich Cunha, HP's own resident Tai Chi/Qigong instructor, was presented with a “Tai Chi Ball” by his students at a breakfast held in his honor to thank him for his many volunteer hours of teaching..

This Ball, created by George and Judy McAnally, represents “holding a ball of energy” as part of some of the postures in the Tai Chi form. Each student passed the ball from one to another before presentation to capture the “chi” of the entire class.

Qigong has been practiced for three to four thousand years and Tai Chi (derived from Qigong) was started as a martial art 300 years ago. Rich has been a student of Tai Chi since 1997 and teaching classes at HP since 2010.

Tai Chi is practiced today as a means to help improve health. Among its benefits are: improve balance, lower blood pressure, help arthritis and relieve stress through the awareness and utilization of life's energy - CHI.

Rich practices Tai Chi and Qigong to help maintain his mental and physical health and vitality hoping to live longer with minimal health issues.

“I love teaching Tai Chi to help as many people as possible so they can achieve the same results I have. It is very gratifying to have students tell me how Tai Chi has helped them in their daily lives.” To learn more about these classes, contact Rich Cunha at 857-3044.

Chronic Disease Management Classes

Cares; will offer a Chronic Disease Self-Management Program in Heritage Pines starting sometime in February 2013. The program consists of a series of workshops that will be given for one and half hours once a week for six weeks. All sessions will begin at 1:30 p.m. on Friday's. The subjects to be covered include: 1) techniques to deal with problems such as frustration, fatigue, pain and isolation, 2) appropriate exercise for maintaining and improving strength, flexibility, and endurance, 3) appropriate use of medications, 4) communicating effectively with family, friends, and health professionals, 5) nutrition, and, 6) how to evaluate new treatments. The workshops are highly participative. Mutual support and success build the participants' confidence in their ability to manage their health and to maintain active and fulfilling lives. If you are interested in attending, please contact Loretta Fulda at 727-697-2060.

Monday Ladies Bible Study

Our nondenominational group will resume meeting on January 7 from 9 - 10:45 a.m. in the Magnolia Room. We will continue our study of Abraham and the other patriarchs of our faith. All women and guests in Heritage Pines are invited to join us. A Bible is all that is needed. If you desire more information about our group, please call Carole Hopkins at 727 697-1664 or e-mail her at seacarole@springmail.com.

Water Fitness Classes

Mondays, Wednesdays and Fridays
10:00 a.m. - 11:00 a.m.

Heritage Pines Water Fitness programs is instructed by USWFA (United States Water Fitness Association) instructor Denise Mallek. I must say I do run quite the tight ship when it comes to class, but when you leave you can say you certainly had a great overall workout and a great time.

Water Fitness was designed to develop and maintain general and/or specific components of physical fitness (i.e. flexibility, muscular strength and endurance also balance and cardio respiratory benefits). I involved most of these components in each and every class. If one day I forget to work a certain body part you can be sure that the next class it will happen.

The water fitness program done here at Heritage Pines contributes to psychological well being through improved self-image and greater self confidence. I make it my mission to not only make the classes fun but also make fellowship with others who live here. This makes the experience enjoyable even when you're working out.

I have incorporated a new class on Wednesdays which is a complete stretch class, working with your noodles only. You will stretch from the top of your head to the tip of your toes and receive total overall benefit from this class. I encourage everyone to try it out, you'll be happy you did.

I know the cooler weather is here. But don't worry the pool heaters are keeping the temperatures at a comfortable 82 degrees. Join in and find out how beneficial and fun these classes can be.

Widows Circle

Many women in our community have felt the pain and loneliness that comes with the loss of a husband. In this time of loss, it's nice to know that you have a friend who knows your feelings, and shares your pain. We are starting a new widows group, called "Widows Circle" for ladies who have lost their husbands. This group will offer widows an opportunity to share stories, to laugh together, to cry together, and just share a common experience and become friends. With the holidays upon us, it will be difficult to meet; so we will have our first meeting in January. Contact Cecilia McDonnell at (727) 868-0838 if you have any questions or are interested in being a part of this new group.

Pet Lover's Club

Monday, January 21, 11:00 a.m.
Heritage Pines Arts and Craft Room

Programs for 2013 Pet Lovers' Club Meetings

January 21 - Nutrition is an important part of any dog's life. Our program on January 21st, will discuss feeding schedules, dog food varieties and suggestions for helping your dog eat healthier. Our speaker will be Donna Hegstrom, who shows West Highland White Terriers, and has been involved with the dog world for many years. An open question and answer session will follow, so bring feeding ideas and questions and come join the fun.

February 18 - We are happy to welcome Banfield Veterinarian Services for a return visit to speak to us! Jen, their Veterinary Technician, will share advice on how to make our aging and senior pets more comfortable. If your pet is suffering from dysplasia, blindness, and/or other aging problems, please come with your questions and hear what she has to tell us about our four-legged friends!

March 18 - We will look forward to bringing you more new programs this winter and spring. Bring your suggestions to the next meeting too!!

Registration

The Pet Lovers' Club and our community CERT organization would like to assist you during an emergency if your pet is lost or separated from you, the owner. We would like to encourage you to register your pet(s) today on the Heritage Pines website."

Kitty Coalition

A Little Cat Named Falafal

We like to think we pick our pets. But sometimes, they pick us. This is the true story of a cat named Falafal, and how she became God's Hanukkah gift to HP residents Alan and Mary Sacher.

Last fall, Mary began to see a young adult calico cat, who had a clipped ear, hanging around her patio. Clipped ears indicate that the cat was un-owned, homeless and neutered. Mary called Kitty Coalition, who replied that it wasn't one of our HP cats. The cat was very friendly, so it was decided that she was possibly a lost pet who had somehow been trapped by a TNR group similar to Kitty Coalition. After a few days, the kitty seemingly adopted the Sachers' patio as its home.

Finally, Mary couldn't resist it anymore and sneaked the sweet

Kitty Coalition cont'd

cat inside so Alan wouldn't notice. He didn't want another cat. As expected, over the next several days, Mary became very attached to her and named her Falafal. Turns out, Alan knew about it all along, and wondered how long it would take Mary to confess. Alan hesitantly decided to let Mary keep Falafal. The trip to the vet confirmed that Falafal was a spayed female, but the big surprise was that she was also microchipped!

The kitty's owners lived nearly ten miles away from Heritage Pines and they already had a number of dogs and cats on their large property. They explained that they had adopted the kitty from a rescue shelter, but she had disappeared two weeks ago. They were very relieved she was okay but they also wanted her back.

So, Falafal was given back to her owners. End of story? Not by a long shot.

Two days after the exchange, Mary heard a loud meowing at her patio door. When she looked out, guess who was frantically crying to get in? It was Falafal! This seemed impossible! Another call was made to her former family. The owners explained she had immediately run away again. Obviously, she had run the ten miles back to the home SHE had chosen! Whatever it was, Falafal was a very determined kitty, knew exactly what she wanted for herself, and no ten mile trip could stop her. The family decided that the Sachers could keep the kitty.

Falafal has survived a lot in her short life. But finally, she has her personally-chosen forever home and she happily lounges around like a rich cat, with no desire whatsoever to go outside. And Alan? Well, he's putty in Falafal's beautiful paws.

The Heritage Pines Cat Sitters

It has been an eventful year for the Cat Sitters group with many opportunities for our volunteers to take care of cats while their owners were away. The owners profited greatly by knowing their cats were well cared for while they were away for the weekend, holiday, or cruise. The sitters report that they enjoyed meeting and caring for cats new to them. But the biggest beneficiaries for this service were the cats that were able to remain peacefully in their own home and receive food and water, and have their litter boxes cleaned every day.

The number of volunteers has grown to a dozen, and additional cat friendly people who would like to sit or have a sitter for their cats can be admitted. For information call Rusty Peacock at [727] 378-5301, or Terry Cubine at [352] 857-3090. Access to the HPCS group site is easy; it is shown on the Heritage Pines website under Social/Clubs and Groups/Cat Sitters Group. New members are welcomed. For our snowbirds from Canada and other northern climes, this cat sitters group originated last spring and has performed more than a dozen sitting chores for Heritage Pines cat owners. If you find you need this free service, give us a call. Hope you all had a very Merry Christmas and a Happy New Year.

Pet of the Month

Bones is a handsome fawn and white Boxer that may be the luckiest dog in Heritage Pines. He's about 9 years old and his story is one of a successful rescue by Florida Boxer Rescue.

He came to Rich and Paulette Ford about 5 ½ years ago in what can be best described as "critical" condition. Bones was neglected, very underweight and his survival was uncertain. After a few weeks with plenty of TLC, good food and attention, Bones began his incredible recovery! Since he was so this, with his spine and hips sticking out, the name "Bones" stuck forever.

Bones is now the picture of good health! He has a very friendly and outgoing nature. He just loves human attention, especially if you are willing to scratch his ears! He considers himself a lap dog and is completely trusting. He has that Boxer look that can charm any dog lover. Bones seems to know that he won the lottery when he was rescued by the Ford's. And has the kind of enthusiasm that can dent a car or knock you over! Give him 3 feet of space and he leaps and jumps up in the air with ease.

Since then, Hill Top Village has become the home to many dogs, young and old. Bones is like the "Godfather" to all of them. He shows remarkable restraint when they kiss or jump at him. It seems like Bones is happy to look after them and happy to be here with all his furry friends.

Christmas Has Gone To The Dogs

December 19 marked the first annual HP Doggie Christmas Party hosted by Lhasa Apso Marley Liston, owner of Barry and Pat Liston. About 35 dogs, many of whom were decked out in Christmas attire, strutted their stuff down the path to the Gazebo by the 18th green. The humans chatted while having coffee or hot chocolate, along with an array of delicious cookies.

Alice Peters brought Doggie Cupcakes, which looked so good the humans tried to eat them! The dogs, however, would not allow this and ate as many as they could. The leftover cupcakes were taken home in doggie bags. The dogs were very excited to see each other and they all got along fabulously. Suddenly, the dogs began to whisper that Santa had arrived! It was actually our General Manager, Dave Coe, but he was so jolly no one could be convinced otherwise. The huge success of this first event will almost certainly mean another one next year. Attention dog parents: there just might be a doggie Christmas attire contest next year, so start shopping for the perfect outfit!

Pines Glen

Happy New Year from Pines Glen!

This holiday season has been one of great involvement for all of the friends and neighbors in Pines Glen. In addition to the valiant effort by Penny Norton for the children at Mary Giella School, many men in the village who golf adopted children from Shady Hills Elementary, providing them with an array of school clothes. Linda Langevin spearheaded an effort to help a nearby family who is going through some tough financial times through no fault of their own. The Christmas Family Committee sent out two e-mails to everyone, and the response was overwhelming--six children were clothed from socks to jackets, each was given three toys, and the family was given a gift certificate for food and gift certificates for shoes for the children. No "Bah, Humbug" in Pines Glen, truly the most giving village in Heritage Pines. Bravo!

Congratulations to Elke Mullen and A.J. Reichardt, the new Social Committee co-chairs for 2013. They are already planning activities for the new year.

The first Social Committee Meeting of the new year will take place on Thursday, January 17th, at the Clubhouse. Lunch will be served at noon, followed by the meeting. For reservations, please call or e-mail Sue Wargo at 378-7526 or jwargo@tampabay.rr.com by January 13th. Come hear the plans for the upcoming year and offer suggestions for activities.

The tree for Judy Steininger has been planted at the entrance to Pines Glen. The cement for the bench has been poured, and the bench will be placed there shortly.

Once again, Linda Langevin is planning a trip to Hard Rock. It will take place on Thursday, January 10. The bus will leave at 8:00 a.m., and the cost is \$22.

All participants will receive \$25. in play money and \$5. towards lunch. Call or e-mail Linda at 819-2405 or lpzippo@aol.com asap. Come try your luck and enjoy the social time on the bus. ~ Pat Delamer

Thank You To All Pines Glen Residents

A message from Woody Cornetta, General Manager of St. Vincent de Paul

Our St. Vincent de Paul Thrift Store and Food Pantry wishes to again thank The Glen Pines Village ladies for volunteering their time at our store. They experienced first hand the effort that goes into funding the food pantry and

the six conferences that help the needy with utility, rent and other bills. They were all very gracious and a pleasure to work with.

The Glen Pines Village also adopted a family of 8 for Christmas. They determined the needs and wishes of each family member, did the shopping individually and the wrapping collectively to provide over 60 gifts plus food gift cards giving this deserving family the greatest Christmas experience they could ever hope for. God love Linda Langevin and her wonderful group of Heritage Pines ladies for their concern for the poorer people among us.

Thank you, Woody Cornetta GM

Community/Memorial Tree Program

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by our golf course superintendent, Tommy Land. Trees will be planted during the months of March/April and October/November. Please plan your purchase during the preceding months. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. Also, there is a book at the front desk of the clubhouse listing information about the many trees planted throughout our community. Each page includes the names of the honoree(s), sponsor(s), tree location and type of tree. Residents may look through this book as desired.
