## Heritage Pines Community Development District

## Environmental Issues Committee

### Board of Supervisors Report to Residents

At the boarding meeting in September 2011, we approved the budget for the fiscal year ending September 30<sup>th</sup>, 2012. As you noticed in your 2011 Real Estate Tax Statement the Heritage Pines CDD lowered oue taxes for the 2011 year to \$349.15. We are pleased to report that this is the third consecutive year we have lowered district taxes.

In addition, we would like to report the following progress over the course of this year:

1. The lake on Hole #18 was stocked with Tilapia, a fish helpful in controlling midge/mosquito infestation.
2. With the cooperation of the homeowners association, the lakes with fountains were stocked with Tripod carp, a fish that will eat algae and keep fountains from clogging
3. Sod repair was done adjacent to the Hole #11 green as well as adjacent to Hole #3 green
4. NWRA 38, the nature area between Hole #16 and Hold #17 was treated for control of aquatic weeds.
5. The CDD has been planting around wet retention areas in our community to help alleviate erosion. These plantings will continue in the current budget year.

Further, a contract has been executed with a landscape company owned by two Master Gardeners specializing in Florida native plants. They will plant a demo area featuring allowable plantings in our retention areas. This will begin in the spring of 2012 and will be located near the southeast corner of the intersection of Grand Club Drive and Scenic Hills Blvd in EDRA 44A

Raymond Russell, Chairperson

### New Gazebo Park Brick Program

We have found a new vendor for the Gazebo Park bricks. Some of the bricks previously purchased by residents have become "color damaged." Our maintenance department and the Environmental Issues Committee (EIC) believe this is due to pesticide spraying and reclaimed water usage. Additionally, it appears that some bricks were not sealed properly or not sealed at all. The new program will have two components: new bricks and replacement of color-damaged bricks for those residents who want their bricks replaced. New bricks may be purchased now for \$25. Forms are available at the Front Desk. The EIC is working on the plan for the replacement bricks. Details will be in the January newsletter.

Many of you joined us October 27 for the Environmental Fall Fest. We hope you had fun and learned something new, too. Tony Gilboy from SWFWMD explained why sinkholes are so prevalent in our area. Chris Dewey from the Pasco County Extension Office talked about seasonal planting. Jennifer Seney, Pasco County Recycling Coordinator, explained what can go in the blue bags for recycling. She emphasized that recycling programs are based on local needs and concerns. Of course, almost everything is recyclable but we must stick to the requirements for Pasco County. Did you know that not all #1 and #2 plastics can go in blue bags? Stick to the items that have a "neck" like milk, juice, detergent, etc. Plastic clamshells (fruit containers) and black frozen entrée containers may have #1 or #2 on the bottom but they cannot be collected by Pasco County. Not recycling yet? What are you waiting for? Include #1 and #2 plastics as described above, metal food cans, and glass. Pick up is Monday. Place your blue bag right next to your garbage can. Let's be good stewards of the Earth by taking a little time to fill those blue bags.

Its that time of year again, for Heritage Pines residents to show their unbelievable generosity, by supporting the Toys for Tots program. A tree is located in the main lobby with a variety of tags which are labeled with Boy/Girl of varying ages. Residents are invited to select one, or as many tags as you like. Once you have purchased your items, please tape the tag to the appropriate UNWRAPPED gift. *(Please do not take the time to wrap the gifts, as they will have to be unwrapped prior to delivery anyway)* Two Toys for Tots boxes are located in the main lobby and they will be emptied on a regular basis. Thank you in advance for your generosity.

## Toys for Tots Bingo Fundraiser

**Saturday, December 10th**

Doors Open at 12:30 p.m.

Games start at 1:00 p.m.

Cash prizes will be awarded. We ask that since this is a fundraiser, please bring a single small toy to donate to the Toys for Tots program.

## Community/Memorial Tree Program

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by our golf course superintendent, Tommy Land. Trees will be planted during the months of March/April and October/November. Please plan your purchase during the preceding months.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A book is being kept at the front desk of the Clubhouse in which residents can look through for the many trees planted throughout the community. Each page includes the name of the honoree(s), sponsor(s), tree location, and type of tree. This book will remain at the front desk for all of the community to view.

*Sponsored by the Golf Advisory Committee.*

## Can You Hear Me Now?

As part of a new initiative to provide residents with complimentary services here at HP, management is now working with a local business, Affordable Hearing Solutions, to provide the following complimentary services for residents:

- Video Otoscopy examination to check for Ear Wax
- Ear Wax Removal
- Hearing Screenings
- Clean and Check hearing aids
- One Complimentary Pack of Hearing Aid Batteries

*(In-home Hearing Evaluations available at no charge by appointment only)*

The first session will be held on Monday, December 19<sup>th</sup> beginning at 1:00 p.m. and running until 3:00 p.m. A sign-up sheet will be at the front desk for appointments in 10 minute intervals. We anticipate a great response from this service, and have made preparations to make it a monthly service! Again, if you wish to take advantage of this complimentary service, you must sign up in advance through the front desk.

## Dress Code Policy

A Resident Dress Policy Survey has been sent out to all residents via e-bulletin. For those of you without a computer, you may pick up a copy of the survey at the Front Desk. Please complete and return the survey to the Front Desk no later than Wednesday, December 7, 2011.

## Back Gate Memorial Tree Beautification Project

After the success of the palm tree beautification project in the islands on County Line Road and the front entrance of Heritage Pines, we would like to continue the project to the back gate. The plan is to plant twelve 14' Magnolia trees on the inside of the back gate. The trees that are currently there were planted by the builder and will be removed. The new trees will be planted in September or October of this year.

If you choose to, your tree may be a memorial tree, but it is not necessary. If you are interested in donating a tree, at the cost of \$195 per tree, please contact Linda O'Leary at 727/819-9207 or [linneoleary@hotmail.com](mailto:linneoleary@hotmail.com).

## Stay Active Physically and Intellectually

The Lifestyle Committee is looking for residents who are willing to share a hobby or skill with your fellow residents. If you'd like to present a one day workshop or a four part program or activity, please feel free to email us at [HPlifestyle@gmail.com](mailto:HPlifestyle@gmail.com) with your ideas. Here are some of the things that residents have expressed interest in: nutrition, meditation, yoga, photography, ballroom or line dancing, computers, travel, flower arranging, wine or guitar to name a few. We will also be offering one day workshops in CPR training, preparing a will, advanced directive and power of attorney. If you have a suggestion for a class you would be interested in taking please email us. As always residents are always welcome to join us as a guest at any of our upcoming meetings on January 9th, February 6th and March 5th.

## *National Lampoons Christmas Vacation*

(1989) PG-13

Deck the halls with boughs of laughter -- the Griswolds are back! Hapless Clark (Chevy Chase), exasperated Ellen (Beverly D'Angelo) and their ever-changing kids (Juliette Lewis and Johnny Galecki) gear up for Christmas in this Vacation installment that became a holiday classic. As usual, all the good intentions in the world can't save them from disaster ... or Cousin Eddie (Randy Quaid), whose unannounced visit throws the house into further disarray.

**Cast:** Chevy Chase, Beverly D'Angelo

**Director:** Jeremiah S. Chechik

**Genre:** Comedy

**Tuesday, December 15<sup>th</sup>**

## *Love Actually*

(2003) R

Writer-director Richard Curtis's charming treatise on romance and relationships is an all-star ensemble comedy that tells 10 separate (but intertwining) London love stories, leading up to a spirited climax on Christmas Eve. One of the threads follows the newly installed Prime Minister (Hugh Grant), who, on his first day in 10 Downing Street, falls in love with the luminous girl (Martine McCutcheon) who brings him his tea.

**Cast:** Hugh Grant, Emma Thompson

**Director:** Richard Curtis

**Genre:** Comedy

**Thursday, December 22<sup>nd</sup>**

## *Elf*

(2003) PG

When young Buddy falls into Santa's gift sack on Christmas Eve, he's transported back to the North Pole and raised as a toy-making elf by Santa's helpers. But as he grows into adulthood, he can't shake the nagging feeling that he doesn't belong. Will Ferrell stars as the towering Buddy, who vows to visit Manhattan and find his real dad, a workaholic publisher (James Caan). Ed Asner, Bob Newhart, Zoey Deschanel and Mary Steenburgen co-star.

**Cast:** Will Ferrell, James Caan

**Director:** Jon Favreau

**Genre:** Comedy

**Tuesday, December 6<sup>th</sup>**

## *Scrooged*

(1988) PG-13

Cold-hearted TV exec Bill Murray is about to discover the true meaning of Christmas -- the hard way. Director Richard Donner's wild, woolly spin on Dickens's *A Christmas Carol* sees Murray visited by three high-spirited spirits.

**Cast:** Bill Murray, Karen Allen

**Director:** Richard Donner

**Genre:** Comedy

**Tuesday, December 13<sup>th</sup>**

## *The Santa Clause*

(1994) PG

The snow hits the fan when Scott Calvin accidentally kills Santa and suddenly finds himself saddled with the job of jolly Saint Nick.

While initially a Scrooge, Scott eventually transforms into a true believer in this family comedy.

**Cast:** Tim Allen, Judge Reinhold

**Director:** John Pasquin

**Genre:** Comedy

**Thursday, December 29<sup>th</sup>**

## *Miracle on 34<sup>th</sup> Street*

(1994) PG

From director Les Mayfield, this remake of the perennial classic stays true to the beloved original. Dorey Walker (Elizabeth Perkins) and her young daughter Susan (Mara Wilson) are much too sensible to believe in anything as far-fetched as Santa Claus. But when a department store Santa named Kris Kringle (Richard Attenborough) claims he's the real thing, mother and daughter are given a special holiday gift: a renewed faith in magic and miracles.

**Cast:** Richard Attenborough, Elizabeth Perkins

**Director:** Les Mayfield

**Genre:** Children & Family

## *Movies Coming up in the next couple of months include...*

The Change-Up  
Crazy-Stupid-Love  
Water For Elephants

## Ask The Techie

**Q: I have recently purchased a new computer and need your advice on what to do with my old computer. Is it safe to donate or should I throw it away?**

**A:** Your first decision is whether to recycle or donate your old computer. If your computer is not operational, I suggest removing the hard drive from the case and either drilling several holes in the drive body using the largest drill bit available. Another option which I enjoy is to whack the hard drive several times with a hammer. Either of these methods should render the hard drive unusable. Remember that the computer contains toxic metals and should not be disposed of in the trash. It should be taken to a recycling center for proper disposal.

If you want to donate your computer to a school or other charitable organization, make certain that any personal files, documents, photos etc. are removed from the computer. Note that deleting a file does not completely remove it from the hard drive even if you empty the **Windows Recycle Bin**. Documents, stored passwords and other personal information can be recovered using readily technical tools.

When I prepare a computer for donation, I create a new Login User via the **Control Panel** and delete ALL of the old Login users including their files. I then install a free space eraser tool to overwrite the unused hard drive space. An easy to use tool for this purpose is called **ERASER**. Do a Google search for "**free disk space eraser**" to find this tool and others available for download and installation. Depending on the size of your hard drive the space erase process can take several hours to complete.

**Q: The screen on my new high definition TV is very bright. Is there a setting that can be changed to reduce the screen brightness and intensity of the colors?**

**A:** The screen display for your TV is probably set on the STORE or DEMO setting. This setting is intended for use in the brightly lit environment of a retail store and is meant to attract your attention and showcase the sets vibrant colors. To change this setting check if your remote has a button labeled VIDEO, MODE OR DISPLAY (depending on your TV model). Additional settings may include STANDARD, DYNAMIC, THEATRE, GAME, etc. Try the various setting until you find the best available for viewing in your home environment. You may want to experiment changing this setting when watching non-HD or other content such as DVD movies.

If your remote doesn't have a dedicated VIDEO button, press the MENU or SETTINGS button on your remote and search for the SCREEN or DISPLAY setting menu.

#### In Memory of Teri Keller

Sadly, Teresa S. Keller (Teri) peacefully passed way on October 27, 2011 in the comfort of her home surrounded by her loved ones. Teri was born on October 18, 1941 in West Liberty, Kentucky. She was the eldest of two siblings, Linda Poston and Gary Minnix. Teri and Don met at church becoming sweethearts, which led to marriage, for 50 fabulous years, after she graduated from High School. They moved to Indiana where Don attended Manchester College and were blessed with a son, Barry. Teri kept busy raising her son and working to help Don through school. After Don's graduation they moved to Dayton, Ohio where he started his teaching career. They came to Florida for a vacation in 1965, fell in love with the area and decided to quit their jobs up north and move! So move they did, no jobs, but happy! One of Don's school mates encouraged him to apply at his school, he did and the rest is history. (There are no coincidences in life, this was meant to be!) Teri worked for the Pinellas School Credit Union in charge of Computer Systems for nearly thirty years. As you know back in those days computers were extremely loud and big! Unfortunately after spending all those years enduring damaging frequencies, Teri began to lose her hearing. No complaints ever came from Teri, she just went on with her life the best way she knew how, full of love and happiness. She loved life, family and friends, as her friend John McLay related, Teri was "quietly happy" meaning whatever came her way she dealt with it and was able to maintain her inner peace and happiness. She was always happy and never spoke a bad word about anyone. They moved to Heritage Pines enjoying golfing and making new friends. We are very lucky to have had Teri in our community. She was a sweet wonderful person who touched all our lives. Teri was always upbeat, happy, enjoyed playing golf and loving Heritage Pines. She was such an inspiration to all of us, she courageously battled cancer for 9½ years without complaint or looking for sympathy. We will miss her shiny bright smiling face every Tuesday morning at HPLGA. Everyone loved and respected Teri, a sweet angel enriching our lives. Our love and support go out to Don in this time of sorrow and grief.

#### An American Indian Poem by Mary Frye

*Do not stand at my grave and weep  
I am there. I do not sleep.  
I am a thousand winds that blow.  
I am the diamond glints on snow.  
I am the sun on ripened grain.  
I am the gentle autumn rain.  
When you awaken in the morning's hush*

*I am the swift uplifting rush  
Of quiet birds in circling flight.  
I am the soft starlight at night.  
Do not stand at my grave and cry.  
I am not there; I did not die.*

## Mission Inn

The mantra is: "What happens at Mission Inn stays at Mission Inn". However, there are a few things we can share. Forty-four (44) Niners descended on Mission Inn, located in Howey-In-The-Hills, FL, on October 25<sup>th</sup> for a Roaring 20's good time. The morning began with a continental breakfast followed by nine holes of individual stroke play golf. In the afternoon, following a delicious luncheon buffet, it was time for rest and relaxation at the pool. The evening began with a lovely dinner and was followed by some entertainment. A golf poem – recited by Diane Helgenson (see below). The rest of the evening? – Who knows?

The following morning we began the day with breakfast, followed by a nine-hole scramble. Our wonderful time at Mission Inn ended with another delightful lunch and awards were given out. We were provided with a reading from the "local" newspaper, written by our own Bonnie Ary (see below). Awards were not only for our golf play, but also for costumes depicting our theme of the "Roaring 20's" (see photos).

*In My Hand I Hold A Ball,  
White And Dimpled, And Rather Small.  
Oh How Bland It Does Appear;  
This Harmless Looking Little Sphere.  
By Its Size I Could Not Guess,  
The Awesome Strength It Does Possess.  
But Since I Fell Beneath Its Spell,  
I've Wandered Through The Fires Of Hell.  
My Life Has Not Been Quite The Same,  
Since I Chose To Play This Stupid Game.  
It Rules My Mind For Hours On End,  
A Fortune It Has Made Me Spend.  
It Has Made Me Curse And Made Me Cry,  
And Hate Myself And Want To Die.  
It Promises Me A Thing Called Par,  
If I Hit It Straight And Far.  
To Master Such A Tiny Ball,  
Should Not Be Very Hard At All.  
But My Desires The Ball Refuses,  
And Does Exactly As It Chooses.  
It Hooks And Slices, Dribbles And Dies,  
And Disappears Before My Eyes.  
Often It Will Have A Whim,  
To Hit A Tree Or Take A Swim.  
With Miles Of Grass On Which To Land,  
It Finds A Tiny Patch Of Sand.  
Then Has Me Offering Up My Soul,  
If Only It Would Find The Hole.  
It's Made Me Whimper Like A Pup,  
And Swear That I Will Give It Up.  
And Take To Drink To Ease My Sorrow,  
But The Ball Knows... I'll Be Back Tomorrow.*

Stand proud you noble swingers of clubs and losers of balls... A recent study found the average golfer walks about 900 miles a year.

## HP Niners News – By Bonnie Ary

On Tuesday, October 25, a group of 44 Heritage Pines Niner Hotties will descend on Mission Inn for two days of fun and frivolity...with a little golf thrown in!! Mission Inn must need revenue – based on comments from last year's trip, I am shocked the Niners were invited back.

As a newbie to the group, I have been assured this trip will be filled with fun, festivities, and mayhem. I am nervous about my induction to this group...especially after one of the members asked me how long it would take me to climb a flagpole. Is this a new golf game?? I am also a bit nervous because at a recent meeting, the Niner President announced that what happens at Mission Inn stays at Mission Inn. I can only surmise that this announcement came about from last year's trip.

Dinner the first evening is a theme dinner, The Roaring Twenties. I suspect that we will see a lot of flappers and gun molls, as well as some loose floosies! To continue the "roaring" theme, the HP hotties may introduce a new theme song this year - We Are Niners, Hear us Roar. This song is sung to the melody of Helen Reddy's I am Woman, and there is no doubt in my mind that there will be a lot of roaring! All in all, it sounds like a real spectacle - oops, I mean spectacular event!

## Niners Shirts

A new light weight moisture wick shirt has been chosen for the niners. Sample shirt and signup sheets are in the Pro Shop. Kevin will be placing orders for about six weeks, but please sign up as soon as possible while stock is available, (we are now very low). If you are out of town, you can call the Pro Shop to order or e-mail [carmstrong016@tampabay.rr.com](mailto:carmstrong016@tampabay.rr.com). Just order the size you wear now as they are very true to size.

## Heritage Pines Ladies Niners's Golf Association cont'd

These shirts were seen at Mission Inn and were selling for \$62.00. Kevin is giving us a very good price of \$30.00 for this good quality shirt. Shirts will arrive in the pro shop in about 3 weeks after orders are placed. A message will be sent out and you may pick up your shirt in the Pro Shop and pay with golf credits or on your Heritage Pines account.

### Tournament Committee

The committee continually works to simplify the procedure for check-in and the collection of monies. As our seasonal members are returning, they are asking that the members try to remember to line up so committee members can get their names and monies. They are asking our members to bring small bills to move the process along.

The committee asks that members sign up for golf by Saturday so there will be as little confusion as possible on Tuesday when we play. If members find that they have to cancel, please call the pro shop as early as possible, but no later than 11 a.m. on Tuesday so there is less confusion regarding the pairings.

### General Meeting

On November 15, 2011 we had our general meeting. Members voted to continue our support of Dr. Mary Giella school as our charity for the year 2012. Members also voted and approved two changes in our By-Laws. They are: MEMBERS – Added “Alumni membership shall be open to any female who is a past member of HPNLGA and is no longer an active golfer. Alumni members may NOT participate in any tournament play BUT are welcome to be actively involved in any other Niner functions. “DUES – Added “The amount of alumni membership dues shall be 50% of the regular membership dues. Alumni members will NOT be charged for Hole-in-One insurance.”

The new Board was elected as follows: President – Paula Routten, Vice President – Cheryl Armstrong, Secretary – Barbara Martini, Treasurer – Cathy Stoehs.

Committee sign-up sheets will be available for the month of December and we encourage all to sign up.

### Golf Programs

The 2012 season is about to begin. Many golfers are unsure as to the best value for their dollars. Often they refer to the GHIN system to determine how many times they have played. The GHIN system only identifies rounds posted by the player. Many rounds cannot be posted for example scrambles, team events, etc. Our Pro Kevin Burnsworth has a record of all rounds played by every resident and he or his staff would be the best source to determine what program is of the most value to each resident.

### Save Our Golf Course

- Please fill in divots.
- Please repair ball marks. Fix 2.
- Please take cigarette butts with you.
- Please park with all 4 wheels on path.
- Please ride using 90 degree method.
- Please stay as far from greens as possible, especially handicap flags.

Our Member/Guest tournament is coming up in March. Please add these 4 days to your plans for next year. It would be great to have a full field tournament. HAPPY HOLIDAYS TO ALL!

# Hanukkah Party

The Chavurah group at Heritage Pines cordially invite you to attend our annual Hanukkah party on Tuesday, December 20<sup>th</sup> at the Clubhouse. Enjoy a traditional dinner of either Beef Brisket or Glazed Chicken. Of course, potato pancakes are included. Candle lighting at 5:30 pm and dinner at 6:00 pm. It's \$16.50 per person (inclusive). ## *Heritage Pines Sportsman's Club*

The next meeting of the Heritage Pines Sportsman's Club, which is always held on the second Thursday of each month will be on December 8, 2011 at 11:00 a.m. in the Magnolia Room. All interested residents are invited to join us at the meeting and to learn about our many Club outdoor activities. We are an active and growing club.

I hope everyone has saved the date of Monday, Dec. 19<sup>th</sup> for our annual Holiday Party in the PAC room with music by the Hafer Duo. The menu is a choice of Braised Pork Shank, Almond Crusted Stuffed Chicken or Pecan Crusted Grouper. The price is \$25.00 per person. Call Harry Koerner at 378-5667 for reservations, the deadline is Monday, December 12th. The party is open to all Heritage Pines residents.

The Sportsman's Club has run a very successful series of fishing trips. Call Roger Keplinger, (379-6571) or send email to: [RKeplinger@tampabay.rr.com](mailto:RKeplinger@tampabay.rr.com)) if interested in a fun fishing trip.

The Sportsman's Club goes trap and skeet shooting on Wednesdays and Saturdays at the Silver Dollar Shooting Club in Odessa, FL. Once in a while we go north to Crystal River and shoot at the Robinson's Ranch range. Transportation is provided and we gather at 9:00 a.m. in the parking lot across from the Clubhouse to organize the carpools. If you don't own a gun and would like to try this sport, you can rent a gun at Silver Dollar for the day at a very reasonable rate. Along with our members we also have about 5 people from Timber Pines attending. As previously reported lessons are still being given at the Silver Dollar for Trap shooters for \$40.00 per person. There are 2 instructors for each group of 5 shooters. One of the nice things that this group does is to enjoy a meal together after each shooting session. We also have 6 members that have shot Skeet. Skeet is a different game than Trap and requires a different set of shooting skills. The Sportsman's Club Coordinator for Trap and Skeet shooting is Thom Johnson at 863-7724.

Pistol and Rifle Shooters can go to Hernando County Sportsman's Club which is on the left about 20 miles as you drive north on Highway 19 or you can go with the group to the

Phoenix Gun Club north of Brooksville. You should contact Harry Koerner at 378-5667 to find out more about this. Members are organizing in the parking lot at 9 a.m. to shoot at the Phoenix Gun Club twice a month on the Friday after our monthly meeting and for the second trip please contact Harry Koerner. You must be a member of the Phoenix Gun Club to shoot there. Costs are reasonable with a \$25.00 annual fee with an additional \$10.00 per day to shoot. There is a family plan for \$200.00 a year with no addition charge to shoot. If you have any questions please contact Harry Koerner.

Organized Bocce Ball meets on Tuesdays at 9:00 a.m. and hopefully, horseshoes will resume again soon.

Kayaking is closed due to the cold weather. It will resume once the weather warms up. Questions or more information---call Howard or Lorna at 819-8059.

Please join us at our next meeting of the Heritage Pines Sportsman's Club and find out about all the outdoor fun we are enjoying. After each monthly meeting many of us get together for food and good conversation at a local restaurant. For more information on the club contact our President, Harry Koerner at 378-5667.

## *WAG and Hope Ranch News*

Please help WAG Members help the girls at Hope Ranch. Twelve girls reside at the Ranch. Every year we give each girl Christmas presents. We usually give them clothing, a book, a game and something on their "wish list". We will be calling for donations or you can leave a check in the WAG book in the Library. Please help us give these girls a happy Christmas. More information about Hope Ranch is in the Library. If you would like to shop for gifts, call 697-3922.

Amby and Jose Juarez, the directors of Hope Ranch, are opening two homes in the Tampa area. If you have furniture they can use, especially twin beds, call them at Hope Ranch, 232-0119 or Doreen Engle, 819-9012.

The annual trip to Ruth Eckerd Hall is sold out and we are not taking any more reservations. Thank you all, Doreen

## *Republican Club*

Due to the many holiday activities the Heritage Pines Republican Club will not be meeting in December. The meeting on Tuesday January 31 at 7 p.m. in the PAC room will feature Pasco County Supervisor of Elections, Brian Corley, speaking about redistricting. This is a very pertinent topic which affects us all.

January also marks the beginning of election year 2012, a year in which we must all become better informed and more active in restoring our country onto the right path. Remember it is the future of our children and grandchildren that is at stake.

A reminder that the annual \$10.00 dues are payable in January.

We wish everyone a blessed Christmas and holiday season and please remember those who serve to keep us free.

## *Sportsman's Club Dinner Cruise*

Last month, the H.P. Sportsman's Club had a "Fall Outing" with dinner at Catches Restaurant and then, from their dock, boarded the "Miss Daisy" and out the Cotee River for a Gulf sunset experience. Great weather and good friends made for a very enjoyable evening. Shown are some of the members and wives who attended. Note the waterfront mansion of Lorna Colton & Howard Stringer where cocktails were served. (Don't we wish!!!)

## Heritage Pines Tennis Association

The final tournament of the 2011 season (Double-Double) was held the week of November 7<sup>th</sup>, culminating finals on Saturday, November 12<sup>th</sup>. Winners in women's A flight were – Susan Willkom and Kathleen Lonergan and in the B flight, the winners were Cheryl Lichtenberg and Gloria Faust. Winners in the men's A flight were Ron Fuller and Gary Johnson; and the winners in the B flight were Alex Halas and Art Rhodes. Thanks goes out to Jerre Salmon and Bob Youngblood for arranging the tournament.

Players and spouses enjoyed the pot-luck picnic which completed the tournament week. Good food and camaraderie were enjoyed by all.

The new ball machine has arrived and is ready for members to use. Operating lessons were given, and only members attending are eligible to use the ball machine. More lessons will be given in the following months.

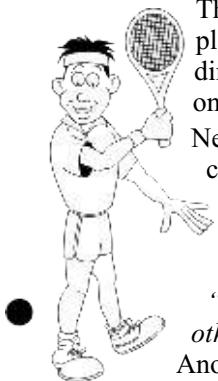

Court maintenance is currently scheduled to take place in mid-December. The maintenance involves all four courts and is likely to disrupt the last week of scheduled league play. Prior to the maintenance, water will be shut off and will make play hazardous as the courts are very slick when dry.

The Annual Business Meeting will take place on January 10, 2012, followed by dining in the restaurant. More information on time will be forthcoming.

New members are always welcome. Please contact Toni Arevalo, 819-3430, for women's tennis and Nick Marino, 863-2062, for men's tennis.

## AUDITIONS: *Drama Club*

Our next play is "Playing Doctor" and will be directed by Dudley Saunderson. Auditions for the play will be held on Monday, December 5th from 6:30 p.m. to 8:30 p.m. in the PAC The show dates are April 13<sup>th</sup>, 14<sup>th</sup> and 15<sup>th</sup>, 2012. The following is a short synopsis of the characters. There are four men and three women.

**Ron Brewster:** A struggling writer who thinks he's the only sane man on earth. He's fast talking and oozing with charm. He has duped his parents into thinking that he has been attending medical school for the last eight years while in fact, he has been trying to write a successful story. His parents decide to visit him and he comes up with a crazy scheme to convince them that he is a Doctor.

**Jimmy Carmichael:** A starving actor and unfortunately is an atrocious actor but thinks he is Olivier-Brando-and Sid Caesar. His dialects only slightly resemble some distant foreign languages. He is best pals with Ron and his over ambitious zeal always backfires and gets Ron in to trouble.

**Max Blake:** Dumber than the dumbest dumb blonde. She is also a brunette. Max works four times harder than anyone else and is still behind. She is adorable and sexy. She is convinced to masquerade as an incompetent nurse. Although child-like, she is very strong willed and manipulative underneath.

**Ron Brewster III:** An overbearing pompous millionaire. He has time for only two things: crippling businesses and chasing women. He is too busy for his wife and son. He demands the best and expects nothing less. He is always on the phone and checking his watch. He reeks of money.

**Janet Brewster:** A scatterbrained society wife. She merely obeys the orders of her husband. She loves her son but never sees him nor speaks with him. She is subservient and depressed. She dresses in designer dresses with every hair in place.

**Chuck Murdock:** The jack ass from next door. He is very jealous of his ex-wife, who dates Jimmy. He talks a good game, but unfortunately he is a buffoon and is laughed at behind his back. Chuck is a tennis pro. Once caught up in Ron's wild scheme he is driven to insanity.

**Maureen:** A nymphomaniac. She was married to Chuck but left him for obvious reasons. Like him, she is very possessive and jealous. Maureen lives, sleeps and breathes for Jimmy. Maureen is totally innocent and naïve. Maureen is a beautiful blonde and has great legs.

**Uncle Harold:** The ultimate hypochondriac. He is nervous and paranoid. He bruises if people touch him. He thinks he has every disease that is imaginable. When he is told that he has cancer, he lights up with glee. Throughout the course of Ron's scheme, Harold is told he is turning into a dog and because he believes it, he becomes a dog.

## Theatre News

With this last article for 2011 we say thank you to all our volunteers. Without your help with tickets and telephone calls, things would not progress smoothly. We have an exciting 2012 list of shows. If you want a copy, check the theatre book in the armoire at the Clubhouse, or send me your email address. Remember to sign up if interested in a show. Shows booked for Ruth Eckerd Hall or Straz Theatre require a deposit of \$25 to secure good seating. Please make your checks payable to HERITAGE PINES THEATRE CLUB. Leave your check in the theatre book or call me at 819-1662 for drop off information.

Show Palace has their "CHRISTMAS SHOW" on December 10th to close the season. Need more holiday cheer: Reserve your ticket for the HP trip. Dine at the Clubhouse, bus to the theatre for "HOLIDAY INC" at the Jaeb theatre. Check at the desk for all the information. More: Based on the movie, "A CHRISTMAS STORY" Richie wants Santa to leave him a Red Ryder BB gun. The musical plays at Straz. If still interested in more cheer, we can attend the show at the Free Fall theatre in Clearwater as Scrooge learns about Christmas.

At Ruth Eckerd Hall on Sunday, February 12th, we will see the 2010 Tony Award winning musical, "MEMPHIS". Tickets are \$63 each. Enjoy explosive dancing and the irresistible music that heralded the birth of rock and roll.

Another rock and roll show at the Straz Center is "MILLION DOLLAR QUARTET", the smash hit B'way musical that joined Elvis Presley, Johnny Cash, Jerry Lee Lewis and Carl Perkins for a jam session at Sun Records in 1956. Tickets are \$70 each for this matinee performance on Saturday, January 7th. If enough residents are interested in a bus package, (similar to the Jersey Boys trip) we will arrange it. Just sign up in the theatre book and let us know.

We start the Show Palace season with the February 18th performance of "HAIRSPRAY". Tickets are \$40.50 each for show, dinner buffet and taxes. Gratuities are extra. Seats are filling fast, so get you tickets asap. Quality theatre in our own backyard needs to be supported. At Palace Grand, we announce "LORD MANSFIELD'S FOX HUNT BANQUET". Step into a world of comedy, where you become the detective. This mystery dinner show will definitely sell out. Tickets for the March 9th evening show are \$42.50 each and includes a dinner buffet. I've booked 5 tables so sign up asap.

Don't miss seeing "DEBBIE REYNOLDS" on Tuesday, March 27th at REH at 1:00 p.m. Tickets are only \$27.50 each for this star's show. She was wonderful at Show Palace and we're looking forward to seeing her again.

The shows, "LES MISERABLES" and "LA CAGE" are filling fast. We called for more tickets. Please leave your \$25 deposit for these shows and check the theatre book if you want a bus package.

On behalf of the theatre club, we wish you a very Happy Holiday season and a wonderful New Year!

## Pet Estate Planning

### Kitty Coalition

We love our pets here in Heritage Pines. Every day, HP residents can be seen walking their dogs or giving them rides in the golf cart. Cats are equally as revered by being honored on the 'big screen' at the Academy Awards. Proud pet owners submit their pet for the Pet Lovers' "Pet of the Month" article. No doubt about it, pets are very important to us, and most are like family members.

But have you given any thought to, or made arrangements for, what will happen to your beloved pet if you should become incapacitated, go to a nursing home, or even die? Especially in these economic times, the county shelters are already spilling over with animals. They will euthanize animals who are not immediately adopted, and you don't want to ever see this mass death process. If this fate for your pet bothers you – then you MUST make plans now. Think about it. Is there a chance that your pet will outlive you? Accidents happen every day.

First, be sure to post a window sticker for emergencies that state how many pets are in your home. In case of fire, rescuers will know to look for a dog or cat. Here in HP, the Pet Lover's Club encourages a brief pet registration and photo of your pet so that he or she can be identified if lost or found. It is not a county or legal registration, but simply a way for neighbors to help if your pet becomes lost. Registration forms are found on our website and at the Front Desk.

Next, tell your children or relatives that the Pasco or other county facility is NOT an option. Try to find a relative or friend who will agree to take your pet if anything happens to you. If all else fails, a no-kill shelter might be an option, but they are also full, so they often only accept easy-to-adopt animals.

Also, consider a financial arrangement to help care for your pet, particularly if your baby will be going to a non-relative. Your attorney can assist you with the important features of such a trust, to include instructions for your pet's burial, standard of care, etc. Be sure to place this document where it can be easily and quickly found, in addition to informing your children and/or friends of the provision.

Yes, we love our pets because they provide companionship and love.....but we must make sure we think beyond the present. Your baby will miss you terribly, but insuring for its comfort after you're gone is the greatest measure of love you can offer.

## Angels in the Pines

Would like to thank all who gave so much to **the children of Domestic Violence**. Our shower was so successful. **Jessica Caldwell the Social Worker/Director** was so moved by the volume of clothing received. And she wanted all who made handmade items to be sure they realize her heartfelt gratitude for all your work and talents.

I spoke to the shelter the morning after and the rest of the staff was so over joyed because so many of the children didn't have the basics of socks and underwear let alone clean fitting clothes to wear to school. **Now they do!**

Please, everyone who contributed remember you have made a difference in some child's life. This could be the only time they might get new clothes and not hand me downs or thrift store finds, So to all my **Angels and the Grandma's and Grandpa's of the Pines**. Just know there are blessings waiting you all for such an open and giving heart.

Our next project will be for the Children of Mary Giella School. The hats, scarves and gloves will be wrapped **on December 4th in the craft room at 1 p.m.** Please call if you can assist that day; we will need all the hands as we wrap up approximately 300 packages.

Call Kathy Hendrickson 727-236-3023.

## Library News

Our library is maintained by volunteers from the H.P. Book Club. Any one interested in volunteering can call Jocelyn at 869-9461. We gratefully accept donations of POPULAR hard back books and **GENTLY USED** paperbacks. Fiction books are on the right hand wall in alphabetical order by author. Non-fiction books are on the left hand wall by subject category. Paperbacks are found in the lower four corners in alphabetical order by author. Large Print books are on the left hand wall of the library. Leave donations and returns on the book cart. Since space is of a premium, we can only keep books of wide appeal. Paperbacks do not need to be returned. We are getting requests for **books on tapes** for use in cars. Please donate them if you have extras. **The library does not accept magazines, games, puzzles, technical books, movies or other non-book items.**

## *Tai Chi Class*

Tai Chi – Thursday at 8:30 a.m. (Advanced); Beginner at 9:00 a.m.  
Qigong (Chee Kung)– Saturday at 9:00 a.m., Magnolia Room

### **Tai Chi Reduces Arthritis Pain**

Pain from arthritis can be constant and debilitating, and we all know that exercising those aching joints is the right thing to do. Many studies have shown that exercise helps put off the progression of the disease and helps relieve the pain. But, what types of exercises provide the most benefit?

The University of North Carolina at Chapel Hill has highly recommended the Tai Chi program supported by the Arthritis Foundation. This program can be found on the Arthritis Foundation's web site, and although it is offered as a DVD that can be purchased for \$29.95, you can reap the benefits of Tai Chi exercise for free here at Heritage Pines. All forms of Tai Chi provide the same benefits to health and well being, as well as all types of arthritis, including rheumatoid arthritis, fibromyalgia and osteoarthritis.

Participants in the University of North Carolina study took an eight-week, twice weekly Tai Chi course. At the end, participants showed moderate improvements in all of these areas of arthritis, in addition to improved reach, balance and sense of well-being.

**Come:** check it out any Thursday or Saturday morning in the Magnolia Room at 9:00 a.m. The best way to learn Qigong or Tai Chi is from a teacher. I have been a student of Qigong and Tai Chi for 14 years, and I love sharing my knowledge of this wonderful mind-body exercise at no charge.

*I wish everyone a happy and holy holiday season!*

## *Investment Club*

The December Investment Club will meet in the Restaurant at 9:30 a.m., on Tuesday, December 13. We are continuing our discussion of fixed-income substitutes for our portfolio. These alternatives are necessary because of the low interest rates for money markets and bonds, and the outlook that they will not improve in the next few years. Further, we hope to avoid negative impacts from actions taken by our federal government: debasing our currency and the deceitful under reporting of cost increases (which they incorrectly identify as inflation).

We hope to avoid dramatic investment losses when the incredible increase in the supply of money from the Fed manifests itself in ever-higher prices for goods and services, coupled with dramatically lower bond values. If you wish to attend, either simply show up, or call Gerry Hopkins at (727) 697-1664.

## *Monday Ladies' Bible Study*

The Monday Ladies' Bible Study group meets every Monday morning at 9 a.m. in the Magnolia Room. New members are always welcome. We are studying the book of John. In January we will begin an on going study of the 12 minor prophets using study materials by Warren Wiersbe. If you are interested in finding out more about us, please e-mail Carole Hopkins at seacarole@springmail.com or call her at (727) 697-1664.

## *New Outlook Singles Club*

All Heritage Pines singles are invited to join us Monday, December 5th at noon for lunch at the Clubhouse. Please bring a contribution for the Heritage Pines Non-Perishable Food Drive. Don't forget to call 861-1677 to make your dining reservation.

## *Ping Pong Players Twenty Years Ago????*

It's fun to hear residents passing by while we are ping-ponging. We often hear, "Oh! I played and was good at that game twenty years ago!" Hmmmm? Better rethink that number. But, it's like riding a bike. Just a bit of practice and you are in the groove again. Oh! and want to lose a few inches, rebuild a few muscles, feel that heart beating, just try it for a great aerobic workout that burns lots of calories besides helping those impinged shoulders and tight hips. Join us for some fun evenings and days playing Ping Pong. Come to the PAC room on Tuesday evenings around 6:00 p.m and on Friday mornings at 10 a.m.

Do remember that often on Tuesday evenings other clubs hold their meetings in the PAC room at 7 p.m. HOWEVER, on those evenings (see the Monthly HP Newsletter AND check your HP e-mail notices) some ping pongers arrive earlier in the evening to play for an hour or so. IF you want to play but are unsure whether someone else will be there to play, please call the consistant players to see if one or more will be there that evening or morning: Francine Raggi -Collins; Al Alberts; Charlie Schielein; Tom and Kathy Lumia; Evelyn Vitale. If you are interested in receiving the list of Heritage Pines Ping Pongers, please contact Francine at [tfraggi@yahoo.com](mailto:tfraggi@yahoo.com) and she will forward a copy via email to you. Remember, the ping pong tables and paddles are available at all times except if there is a special event or meeting going on in the PAC. Call the front desk at any time to find out if the PAC room is free and come up with your friends, relatives, grandchildren, children, etc. to spend some great time together.

Bestest, Francine Raggi-Collins

## *Tuesday Ladies Bible Study*

It isn't too late to join our non-denominational Bible study as we are only on our second week of the study of "David - Seeking a Heart Like His" a Beth Moore Bible study with DVD presentations by Beth Moore. We are also using a workbook for digging deeper into the study.

We meet every Tuesday morning in the Magnolia Room at 9:00 a.m. until 11:00 a.m. Plan to join us on an exciting and intimate journey to know King David, the man after God's own heart. We look forward to having you join us for study and fellowship. Call Evie Clark at 727-868-3454 for workbook information.

## Pets of the Month

### Snuggles and Panda

Hello. My name is **Snuggles** and I am an 11-year old Shih Tzu. I moved to Heritage Pines about a year ago with my mommy and daddy, Jim and Kathy Kelley. I really like living here because it is so peaceful and quiet and I am a peaceful and quiet boy. My favorite things to do are to go for my morning walk along Grand Club Drive with my mommy and to play with my toys. Most of the time, I walk around with a toy in my mouth. I even take my naps with a toy in my mouth. Sometimes my mommy and daddy laugh and call me "cottonmouth", but I don't care. When I have a toy it makes me feel secure.

Snuggles

I like to go on road trips with mommy and daddy. And, I love when people come to visit me or when I meet them during my morning walk. I am careful to never jump on them and I always act like the gentleman that I am proud to be. I had a very peaceful world until last August. That's when mommy and daddy brought that bratty little kid to live with us. They tried to tell me that she was my sister, but I don't believe them. I would never have a sister who behaves like that! Since then, my life has been total "Panda-monium."

Panda

Hi. My name is **Panda** and I am six months old. I am a black and white Shih Tzu and that's why I have my name. I came to live with mommy and daddy last summer. I love living here. My favorite thing to do is to sit and watch people from my lanai. They drive by in these funny little cars and hit balls with sticks. I don't understand why they do that because everyone knows that balls are for chasing and chewing. They might have a lot more fun if they chewed on those balls instead of hitting them.

I have a lot of fun terrorizing my older brother. He runs when he sees me coming. I just graduated from obedience school and the instructor told my mommy that I was "top dog" in my class in learning. My brother doesn't believe it for one minute. I also love playing with my toys. I like to toss them on top of my back and pull them off. My favorite is my Kong Wubba. That is really great for swinging on my back. My mommy and daddy tell me I am a very sweet puppy. Again, my brother doesn't agree. Oh well, maybe when I grow up he'll like me. I'd love to meet you. Stop by and see me or wave to me when you are on the 13<sup>th</sup> fairway. Bye!
