FROM THE CLUB MANAGER

By Chuck Eade

The month of April brings on a time of renewal. Our golf course is awakening from its winter nap and the grass is beginning to grow back. It won't be long before our conditions are good again. Some of

our seasonal residents are heading north already and we wish them safe travels. And we continue to work on making Heritage Pines a desirable place to live.

Special projects will begin this month, with the primary focus on the reclaimed water project. We will communicate through various mediums to insure you are kept up to speed with this project. We will use videos to show you the process, "Attention Resident" emails will keep you up to date and the newsletter will layout the long term plan. Our goal is to keep you up to date whether you are back up north or here year round. The project should be completed this summer.

The new committees are busy with their projects and we are excited about their new plans and programs. One in particular is the updating of our Rules and Regulations manual. We will plan a neighborhood meeting where we will unveil the manual for everyone to review. Once this is done we will then present it to the Board of Directors for approval. This will be an important step forward for the association. And everyone needs to do their part in obeying the speed limit posted throughout the property.

We have special plans for Easter Sunday so please join us for a wonderful feast. And don't forget Mother's Day is right around the corner. It's going to be a great year!

FROM THE BOARD OF DIRECTORS

By Randy Doolittle, *HPCA Board President*

Your new Board has been seated and appointments are as follows for 2015:

- President: Randy Doolittle
- Vice President: Donna Mooty
- Secretary: Bart Cutshall
- Treasurer: Ted Johnson
- Director: Bob Ferris
- Director: Jim Kelley
- Director: Tom Landers

The IRS rollover and all bylaw changes were approved. All four of the Declarations on the ballot did not pass.

The overall vote tally on this years ballot exceeded last years results by a factor of over two meaning the newly innovative measures adopted by the Election Committee yielded increased voting. The Committee assisted residents and allowed for manual pick up of their ballots and this saved postage costs.

The optical ballot was a huge success as the entire voting document was condensed to one page thus saving the Association additional printing costs. I do recommend that future elections continue to use both the optical scan ballot and services of the Pasco County Supervisor of Elections so as to insure voting accuracy and ease of use for Heritage Pines Residents. The entire election came under budget by over two thousand five hundred dollars. Congratulations to the Elections Committee.

The HPCA Board and GM Committees are in the process of formation. Look for Committee Chairs to be approved at the March and April Board meetings.

The new Board is fully engaged with the new budget as we look at trending and are prepared to make decisions to keep HPCA on task with the 2015 budget.

LONG RANGE PLANNING

HERITAGE PINES "TOWS" THE COMMUNITY FORWARD WITH A "SWOT"

The Long Range Planning Committee invites **residents** to participate in this workshop on April 13, from 2:00-4:00 p.m. in the PAC Room. This is a great opportunity to share your ideas for 2015 strategic priorities.

Board members, Committee Chairs (*2014 and newly appointed*) and Council of Villages are also invited to participate. The working format is in tables of 10 people who will BRAINSTORM, SHARE and PRIORITIZE.

A **SWOT** analyzes our community internal strengths, weaknesses, opportunities and threats. **SWOT** helps plan strategies to meet goals by maximizing strengths and opportunities. It also provides insight to plan and adjust our course to address any external weaknesses or threats.

SWOT is also used to evaluate goals and objectives from 2014-2015 to determine if we are "on the right road" for 2015-2016 planning.

Residents, Board Members, Committee Chairs and Council of Villages members will be in mixed groups. Each group will select a recorder and presenter. When

continue to next page

LONG RANGE PLANNING COMMITTEE cont'd

brainstorming, every idea is written down by the recorder, within a timed period. Every person's idea counts and is not judged. Presenters of each group do the talking when sharing results.

Ideas will be prioritized in order to narrow the focus on achievable goals and objectives.

You will be guided through each step of the **SWOT** by 2 facilitators using power point slides projected on the big screen.

SWOT = Strengths, Weaknesses, Opportunities, Threats

STRENGTHS – What makes Heritage Pines unique and great place to live?

WEAKNESSES – What do we need to improve or stop doing?

OPPORTUNITIES – What can we explore in terms of adding or expanding?

THREATS – What external factors will be a challenge to the community?

The results of the input from Residents, Board Members, Committee Chairs, and Council of Villages will be posted on the Heritage Pines website. If you wish to participate, you need to register in advance by April 9. There will be a sign-up sheet at the front desk or you can e-mail mryanwl@cogeco.ca. Residents who attend but are not registered are welcome as observers. The Long Range Planning team looks forward to facilitating “Talk Time” in our common responsibility of making Heritage Pines a successful 55+ community.

RESIDENT SERVICES & SUPPORT

By Captain Chuck

Hello to all the residents and everyone in Heritage Pines Community. Spring is here and summer is on the way. The living is easy. And people are out and about enjoying our beautiful weather. We have avid walkers/joggers/bike riders/golfers year round. But during the spring and summer months, we have a lot more

company on the roads. We often see some interesting maneuvers from pedestrians, golf carts and motorists alike as we all try to share the road. People are also incredibly distracted

(ahem... texting or on cell phones, while driving!). How can we all share the road and be safe in the process?

What are some good spring and summer safety tips for walkers and runners, bike riders, golf carts?

- ✓ Visibility is key. Wearing reflective gear that can be seen by both bikers and drivers is a good idea. Pedestrians also need to anticipate what they think the driver can or cannot see. Many accidents involving pedestrians happen when, before the sun rises or when the sun is setting.

What are some other safety tips for pedestrians?

- ✓ Use crosswalks and don't dart into traffic. Something that pedestrians aren't aware of is that they get shielded by larger vehicles so while a truck may stop for you, the smaller car on the inside lane may not because they just can't see you. Also, make eye contact with a driver before crossing the street. I know this is harder to do in summer due to sunglasses, but making eye contact at an intersection is just good sense.

What about bicyclists?

- ✓ The best thing a bicyclist can do is wear a helmet. And again, visibility is key, especially at dusk, so wear reflective gear. Mirrors are also good gear for bicyclists to have so you can see what is behind you.

What are some good tips for drivers?

- ✓ Be patient and extremely careful by watching our speed limits. Also when passing bicyclists and pedestrians. Drivers may not realize that novice cyclists look behind them when they hear a car, and that action of looking over their left shoulder steers them into traffic. Which is

continue to next page

HPCA RESIDENT SERVICES AND SUPPORT cont'd

why mirrors are good for cyclists to use. So it doesn't hurt to slow down and be defensive as you pass a bicyclist.

Let's all have a safe spring and summer while respecting each other's space on the roads. We would like to thank you for your help and cooperation in keeping our roadway safe.

Here is a list of our incidents report for the month of February 2015!

AARP DRIVING CLASS FOR RESIDENTS

(you must attend both sessions)

Thursday, May 7th & Friday, May 8th
9:00 a.m. - 12:00 p.m. • Magnolia Room

The roadways today are becoming more congested and more hazardous, with more and more people trying to get places. It's never too late to learn more about the roadways and improve your driving skills. By taking this class, and completing BOTH dates, you can earn a discount on your auto insurance too!

The class is \$15.00 for AARP member (please provide copy of your AARP card with your check), and \$20.00 for non-AARP members. Please make your check payable to HPCA. Please sign up at the front desk. These classes will fill-up quickly.

ARE YOU AWARE?

We have 2,100 "Homeless Children" in Pasco County Schools. They live in cars, motels, wooded camps or with relatives if they are lucky.

There are 84 Public Schools in Pasco County and only two Social Workers to make sure these children are clothed, fed and go to school. One of the many needs these children have is "Socks and Underwear."

There is an ongoing collection of socks and underwear going on for these children. Erika Remsberg, a Pasco County Social Worker, will deliver them, as she services these needy children. The sizes range from infant to age 20.

So, if you are doing your shopping, pick up a package or two of these essentials and you can drop them off in the basket on my porch. Thank you for your support.

GOLF COURSE MAINTENANCE

The growing season is upon us! The maintenance staff has been hard at work preparing the course for optimal growth this spring. Our focus is to improve fairway turf density via balanced soil chemistry and proper fertilization. A pre-emergent fertilizer with Ronstar was applied course wide to promote healthy turf growth and provide weed suppression. Our second greens aerification and topdressing was performed the week of March 9th. Our final pigment application was sprayed on fairways and tees to ensure sufficient color as we transition into warmer spring temperatures. Irrigation repairs this spring included the complete rebuild of pump #4 and the addition of new fertigation tanks that will allow us to alleviate some of the harmful effects of effluent water irrigation. The wet well at the pump house was also inspected and cleaned by M.R.I. Underwater Specialists, Inc. We are continuing our tree/hedge trimming and our pine bark mulch installation on landscape beds throughout the property. With our improvement in the weather we hope to see you more often on the course!

OTTER TAILS

Last month an otter family was spotted on the 9th fairway by some residents. One of the babies was lagging behind as the mother ran off with the others. Greg Ollivent, one of our maintenance workers was coming by and the resident flagged him down to help the otter pup. He was able to catch the otter with a towel and some gloves. I arrived just as he caught it. Another resident had a pet carrier and we put the pup into the cage, as much for our safety as the otter's.

continue to next page

OTTER TAILS cont'd

The mother and other pups were heading toward the east and we thought they might be heading to the pond on #18. So I took the pup and headed out to see if I could find its family. After surveying the areas on #18 I didn't think it would be the proper habitat for the little guy so I thought about the sinkhole area to the right of #1 fairway, where the fence is. After walking around the area for a couple of minutes I decided to do some research on otter habitats. As I began to look at some information on my phone I was also contemplating calling the wildlife control and turn him over to them for relocation. I really did not want to do this, I wanted to reunite the pup with its family. As I read more I determined this area would at least give him the best chance to survive even if he didn't find his family. The area seemed like an ideal habitat for him based on what I read. Heavy cover, sandy soil and a nearby water source.

So I went to an area where the pup could get under the fence and let it go. The little guy eased his way down the steep slope and hesitated as he neared the water's edge. Just about that time the water stirred and my heart sank as I thought an alligator was getting ready for his breakfast. I felt horrible that this was going to be this little otter's fate. Then through the murky water I saw the tail of the little one's mother pop out of the water as they touched noses. The mother swam away with the pup following shortly behind. Oh how relieved and elated I was when I reunited the family.

A couple of weeks later some residents have seen the family running around through the neighborhood.

WANT TO SUBMIT AN ARTICLE FOR THE NEWSLETTER?

Interested in putting something in the newsletter? Are you part of a club/group/activity that is not listed in our newsletter? Here is the process for submitting articles to the newsletter. Please note, the deadline is the 15th of each month!

- Please proof read and spell check your documents prior to sending.
- Copy and Paste your article directly into the email. Do not attach it as we have in the past. (this will ensure that I can format all the information to match, and also make corrections as needed).
- Send articles/photos to mark.stanish@heritagepines.net and cc the email to hpnews@heritagepines.net. (Copying your article to HPNews will insure your group or club is updated on the website).
- Use the heading "(insert month) Newsletter for (insert club/group/etc.)" For example, "September Newsletter Article For Niners Golf" or "October Newsletter Article for ROMEO Club."

YMCA FITNESS INSTRUCTOR

Heritage Pines is now hosting a YMCA Representative in our fitness room every other Friday from 10:00 a.m. - 12:00 p.m. This representative will assist residents with their work out routines and answer any questions you may have. There is no charge for this service.

Regenerative Injection Therapy Platelet Rich Plasma (PRP) and Stem Cells Derived from Your Own Body

- **Degenerative Joints**
- **Tendon Injuries, Pain**
- **Hair Loss**
- **COPD**
- **Peripheral Vascular Disease**
- **Facial Skin Rejuvenation**

Deborah Tracy, M.D.
Pain Management

Joints, tendons and ligaments deteriorate with age and injury. Medical intervention may then become necessary to lessen pain or improve the condition. Elderly patients sometimes cannot take the risks of extensive major surgery or are reluctant to undergo joint replacements. Athletes also seek to achieve the maximum result with minimum down time.

Platelet rich plasma (PRP) contains huge reservoirs of biologically active proteins and growth factors that are vital in accelerating tissue repair and regeneration for non-operative treatment of degenerating joints and or injuries. Stem cells taken from your own bone marrow and/or fat may also be used in conjunction with PRP. This combination of therapy injection into painful, degenerative or injured tissue can regenerate the tissue and is frequently effective in relieving pain. When used in the early stages of degeneration or injury this therapy may reduce the need for surgery before the damage progresses.

New, cutting-edge procedures are generally not covered by Medicare or commercial insurance companies. Therefore the cost of the treatment is at the expense of the individual. The cost and number of treatments required will vary based on the individual response to treatment.

The Institute of Interventional Pain Management under the guidance of Dr. Deborah H. Tracy is now providing PRP and Stem Cell Therapies for multiple conditions including: degenerative joint disease, tendonopathies, ligamentous sprain or tears, hair loss, facial rejuvenation, ischemic peripheral vascular disease and COPD.

GREEN COMMITTEE

By Tom Aigotti, Chairman

Update On Projects

Project 1001 was to look into the feasibility & cost of installing metal connectors between the cart path and sidewalk curbs to prevent bumps when carts are driven from one surface to the other. Roads are under the control of the CDD. The CDD did not approve of this method. The Green Committee is looking into an alternative solution(s).

Project 1003 – Flag Poles Painted Same Color As Flags

Nancy Suter suggested flag poles be changed to the same color as the flags to make it easier to determine the flag locations. To accomplish this suggestion new Flag Poles were purchased by our Course Superintendent and are now being used. PROJECT IS COMPLETED.

HP Golf Course Maintenance Manual

The maintenance standards contained in the former Valley Crest Contract were found to be inadequate. As a result, a new Manual was proposed by the former Ad Hoc Golf Committee and was approved by the Board of Directors.

The Maintenance Manual assigns some responsibilities to both the Green Committee and the Golf Professional. The two most important responsibilities the Green Committee is charged with are:

1. To Rate the condition of the golf course every 3 months. A rating of 1-4 (4 being the highest) to be applied to tees, fairways, greens, bunkers, other hazards, rough, and practice areas. An average score of 3 or above is expected to be achieved.
2. To inspect the golf course monthly and to advise the Golf superintendent in writing of any issues that need attention.

In carrying out these two functions the purpose of the Green Committee is not to criticize our maintenance staff, it is to assist them, to be another “set of eyes” to observe our course by identifying areas on the golf course that need attention to bring them up to standards identified in the Manual. In addition members of the committee should provide our members with a “sounding board,” and help to educate them how they too can help to keep our course in good shape.

Two New Projects Assigned

Project # 1006 – QUARTERLY COURSE RATING: Tom Aigotti & Lee Wittig presented a work sheet for the committee's approval which members of the committee will use to perform the rating. Three (3) members of the

committee will be assigned each quarter by Tom Aigotti to do the rating. A report based on those 3 work sheets will be compiled & given to the General Manager, the Golf Course Superintendent, and posted on the HP Website under Official Business/Committees/Green Committee. Project completed.

Project# 1007 – MONTHLY COURSE INSPECTIONS: Tom & Lee Wittig presented forms for the committee's approval which members of the committee will use to perform the inspections. A member of the committee will be assigned for each inspection period. The Golf Course Superintendent will be given a report by the Chairman, Tom Aigotti, to inform him of the result of the inspections. Project completed.

Project# 1008 – MAINTENANCE MANUAL CHANGES: Because the current Manual contains many references concerning Valley Crest, a Revision of the Manual is needed. Tom Aigotti & Lee Wittig presented a proposed revised Manual to the committee for consideration. Discussions by the committee should be concluded at this month's meeting. Changes recommended by the committee must be approved by the General Manager, and the Board of Directors prior to implementation.

In addition to the above responsibilities, the Manual assigns the following:

GREEN COMMITTEE: Determine mowing height of greens, fairways & rough.

GOLF PROFESSIONAL: Set Green's putting speed for tournaments, every day course set up of greens & tees, marking of the golf course and marking of water hazards and out of bounds.

GOLF COURSE SUPERINTENDENT: He has the primary responsibility to maintain the golf course in accordance with the Specifications and Standards as stated in the Manual. He is under the direct supervision of the General Manager.

Submitted by Lee Wittig, Secretary - March 5, 2015

ENVIRONMENTAL ISSUES COMMITTEE

The “Great 2015 Heritage Pines Recycling Tournament” is over.

Congratulations to all of us! And a big “THANK YOU” to all the volunteer counters; without whom we wouldn't have been able to have this contest.

At the time of the writing of this article, we have

ENVIRONMENTAL ISSUES COMMITTEE cont'd

increased our curbside recycling by approximately 75 households since we started on January 14th. The final recycling day that counts in the tournament is March 25th, and I'm sure the numbers will increase, as the villages push to be one of the winners (we already have one village reach the magic number of 100%!). This represents a significant number of residents that have committed to making our world a better place for our children and grandchildren; and their grandchildren.

The Award Party for the winners is still in the planning stage, but the winning villages' signs are made and look terrific. At this time we don't know which villages they will be, but all residents of the winning villages will be able to bask in the glory of victory (and have a great time as well). Look for an email announcement of the winners in early April.

Heritage Pines rose to the challenge, but don't stop now. We now have approximately 60% of all residents doing curbside recycling – there is no reason we can't continue to improve that to 70% or 80%, or more. Talk to your neighbors that are not recycling, and encourage them to start; tell them how easy it is and help them get started. Who knows, maybe next year, your village will win.

Note: We will soon be receiving new trash barrels from our trash hauler. If you don't already have a reusable container for your recyclables, just use your old trash barrel and convert it into your curbside recycle container; and stop using those blue bags.

COMMON GROUNDS ADVISORY

The Common Grounds Advisory Committee has been hard at work gathering information and data about our Common Grounds which will be utilized in the development of a master landscape plan for Heritage Pines. A large amount of work has been accomplished in the three meetings since January.

1. Visits and tours of the community with three landscape designers. One will be selected to prepare a master landscape plan for the community.
2. A map of Heritage Pines that shows the boundaries for common grounds, CDD areas, golf course, and maintained and self-maintained villages has been prepared by Gary Wind, Facilities Manager, and Kurt Heath, engineer. The map will be helpful as we plan landscape revisions and enhancements for different parts of the community.
3. The CDD has appointed Herb Elliott as liaison to the Common Grounds Advisory Committee. John Burns, golf course superintendent, Chris Ainsley, assistant golf course superintendent, and Gary Wind, facilities manager, are also working with the committee. It's important that all three landscaped community areas (common grounds, golf, and CDD) receive equal attention in order for Heritage Pines to achieve our goal of a well-maintained, environmentally healthy, and attractive community.
4. Reports from John Burns on common grounds activities.

New Action Items include:

1. Irrigation study of common grounds
2. Development of a common grounds maintenance manual
3. Establishing quarterly inspections of common grounds by the committee
4. Selection of a landscape designer. Once the plan has been accepted all work will be done by our own staff.

With the direction of Gene Estensen, committee chair, and Chuck Eade, general manager, the committee looks forward to making improvements to our Common Areas.

NOTES FROM THE LIFESTYLE COMMITTEE

April is going to be an exciting and educational month at Heritage Pines. It will begin with a presentation by a speaker from the Alzheimer's Association who will inform us about the differences between Alzheimer's disease and other types of memory loss problems on Friday, April 3rd at 12:00 p.m. She will include information on the causes and risk factors, benefits of early detection and how to address a diagnosis of the disease. This will be followed by a visit from the Alzheimer's Association's Memory Mobile on April 6, 7th and 8th from 9:00 to 4:00 p.m. The Memory Mobile provides outreach education, care consultations, memory screenings and caregiver education. You must sign up in advance for your personal appointment. Signup sheets are located at the front desk. Both the presentation and the Memory Mobile visit are free of charge.

Friday evening, April 3 will be a Drive In movie event in the Clubhouse parking lot. A bar will be set up and there will be an optional barbeque buffet. The movie is free to anyone whether having the buffet or not. The movie, "Elsa & Fred" which stars Shirley MacLaine and Christopher Plummer will touch your heart as a couple learns they are never too old to discover love.

April 18 will be a popular wine and dine event. Enjoy a variety of hand passed hors d'oeuvres and taste a variety of wines presented by the HP wine distributor. Residents and new homeowners are invited to meet, great, eat and enjoy. The event is from 4:00 – 6:00 p.m.

Monday, April 20th is our first Country Western Square dance event. This event will include instruction along with dancing.

And, don't forget... Trivia Night on Saturday, April 11 and Musical Jeopardy on Friday, April 24th.

If that's not enough, Monday April 27th there will be a Hurricane Preparedness Expo beginning at 2:00 p.m. Our HP CERT team, along with Pasco County Emergency Management, the American Red Cross and other speakers will be available to provide you with the latest information on hurricane preparedness. Don't miss this important event!

Then slide into May with the May 3rd Kentucky Derby event featuring the derby on our projection TV and sample a variety of mint juleps and taste a special Kentucky menu.

Watch your Attn: Residents emails for detailed information on each happening during the month of April.

WIRELESS EMERGENCY ALERTS PROVIDED BY HP CERT TEAM

Have you ever noticed a unique sound and vibration coming from your cell phone? You may have received a *Wireless Emergency Alert (WEA)* - a nationwide emergency alert system notifying you of a pending emergency in your area. *These messages* provide information about extreme weather warnings, local emergencies, AMBER alerts, and Presidential Alerts during a national emergency.

WEAs look like a text message and show the type and time of the alert, any action you should take, and the agency issuing the alert. If you receive a WEA, follow any directions advised by the message and seek additional information from local media and authorities.

WEAs are sent by authorized government agencies through your mobile carrier. Government partners include local and state public safety agencies, FEMA, the Federal Communications Commission, the Department of Homeland Security, and the National Weather Service. **WEA messages can save lives!**

RESIDENT UPDATE: AD HOC LONG RANGE PLANNING COMMITTEE

It is the committee's plan to publish updates each month on our progress, as we work through the process of determining the needs and wants of the current and future residents of Heritage Pines, and to be sure we offer adequate space to fulfill those needs.

To help us get a better handle on the utilization of the Clubhouse, a Room Utilization Study was performed for the PAC, Craft Room, Magnolia Room, Conference Room, and the Billiard Room. This document was useful in determining when these rooms are used the most, and if there may be some unused time for activities. However, further information needs to be gathered to include all events, particularly in the PAC and the Magnolia Room. The Room Utilization Report only showed the events that are scheduled by the 50 groups that use these rooms on a regular basis each month. It is the "Special Events", breakfasts, lunches, dinners, golf and mahjong tournaments, etc. that take place (especially in the PAC), that lend to the
continue to next page

AD HOC LONG RANGE PLANNING COMMITTEE cont'd

overcrowding and cancellation of some of the regularly scheduled activities. With so many activities crowded into too few rooms, set-up and break-down times are effected as well.

Creative fund raising possibilities were discussed, in lieu of, or in addition to, standard financing for a new building. How can we make this as painless as possible to build a new activities facility?

Lastly, the committee unanimously decided the area to the East end of the Clubhouse is the preferred location of a new building. This location will enable residents to have direct access to the new facility from the existing Clubhouse through a walkway connector, and help hold down the costs as well. A ground stability analysis will need to be done to assure us of the feasibility of erecting a structure in this location.

Our next meeting will be used to develop a timeline, listing all the activities that need to be addressed, with a goal of when to accomplish them. Updates on meeting and activity cancellations in the PAC and Magnolia Room will be presented. The requirements of stairs and/or an elevator will be presented, and further ideas about fund raising will be discussed. Residents are welcome to attend our monthly meetings

COUNCIL OF VILLAGES

March 12, 2015 4:00 p.m. PAC
Notes (Revised March 15, 2015)

Speakers: Ricky Weber Golf Professional – introduced himself

- ? Lived in FL since 1992, golf pro 18 years.
- ? Golf lessons available, go to rickyweber.com.
- ? Developing ranger program with goal of seeing ranger 2 x per 18 hole round.
- ? Carter is full time ranger.
- ? Developing merchandising at cost plus 10%.
- ? Residents have to be responsible in driving properly on course.

Ray Russell on Reclaimed Water Project

- ? Work on project should begin last part of April, beginning of May.
- ? Contract is with Pasco County, the responsible party, not the CDD. Ray Russell can be contacted if necessary.
- ? 3 villages experiencing well problems (Hilltop, Country Green, Majestic Pines).
- ? Back flow valves are being installed with no fee planned to be charged in 2015. No guarantees in the future.
- ? Bids came in higher than \$1.2 million however Heritage Pines portion of the cost is “fixed” and would not increase.
- County wants to ensure that all personnel are friendly and professional at all times.
- ? A video will be made of the entire property before any digging begins. CDD will monitor after construction is completed.

- Asked self-maintained villages to appoint a village representative.
- CDD provided Chuck Eade with a 5 page report from the University of FL Extension Services regarding Florida-friendly plants and reclaim water.

Gary Wind update on trash cans – Progressive Waste

- Still waiting for sample trash can

Dolores Houskeeper/Mike Miller for Meg Amelia new ACC Manual

- Seeking input from residents in attached villas regarding paint colors, patched roofs, etc.
- Sign up sheet to attend meeting
- New ACC Manual is available on HP website under Official Business, Committees, Architectural Control, ACC Manual
- Residents should use new ACC approval form referred to as ECR (Exterior Change Request)
- Each resident in a village must submit individual ECR's
- The paint book is available at the front desk and can be signed out for 48 hours. Please DO NOT remove any pages from the book.

Chuck Eade, General Manager, addressed the following questions:

1. During the February meeting it was stated that HP could not assume ownership of the village owned sidewalks because it would require approval of 2/3 of the 1406 residents of Heritage Pines. This was the opinion of the HPCA attorney. How does this opinion reconcile with the recent acquisition of the land on Heritage Point Drive to the west of the maintenance building? This land was acquired from Lennar via a Quick Claim deed without any vote from the residents. It would seem that with this precedent the village owed sidewalk can be transferred to HPCA via Quick Claim Deed If the attorney is correct the previously acquired land should be returned to Lennar until resident approval is received. **This land was acquired from Lennar via a Quit Claim deed. Chuck Eade will consult again with the attorney regarding the sidewalk situation.**
2. Should the kitchen be confined to just the F&B staff only? **Chuck Eade stated that employees are allowed to have coffee, tea and soft drinks and serve themselves.**
3. Any reference in the newsletter would make a resident believe that a new expensive building is already a “done deal” ... so my question is Do we the residents get a vote on this spending of our fees in this manner? **Not a done deal. AD HOC Committee (as part of Long Range Planning) is looking into expansion needs. Project is strictly exploratory and an idea at this time. Any borrowing or use of HP funds would be brought before the BOD and Community prior to commitment.**
4. What plans are happening for improving handicap parking as well as golf cart parking? Why would there be no parking area where golf carts have always parked?
continue to next page

COUNCIL OF VILLAGES cont'd

There is no need to attempt a two lane exit by cars.

Options are being reviewed to increase handicap and golf cart parking, such as eliminating the yellow no parking on the Clubhouse curb.

5. Reminder: Board certification Class on Wednesday March 18, 2015 registration 12:15 pm Class 1 p.m. to 4 p.m. RSVP to Kim Johnson 727 816-9900 or to: INFO@COMMUNITYMSI.COM. **Spots are still available and are open to any interested resident. The class will focus on Florida Statutes 720.**
6. Speeding what is being done about this problem? I think that a large part of the frustration is that there isn't any improvement to the problem and there doesn't seem to be either responsiveness or effective resolution to the problems brought to HPCA's attention. There is genuine concern that someone is going to get seriously hurt and close calls occur on a daily basis multiple times. **Management continues to send out notices and will enforce fines and loss of privileges. Residents should report license plates when observing violations.**
7. Why is the water in pond by 5th hole so muddy? **Divers are coming in to clean out pond in preparation to install new pump.**
8. When will lighting be improved in front of the Clubhouse and across the street? **The light posts across the street from the Clubhouse have been installed. Further plans are in the process to improve lighting, crosswalks, reflective markings and should move forward.**
9. Why do we burden HP workers with household chores, when they have jobs? Are they not busy enough? Will this mean more hires? Why not support the local people who do good work for Heritage Pines residents at a reasonable price . . . I feel with HP getting into this business they are undercutting the small business people. Will they also be in the housekeeping business? **Lifestyle recommended looking into various services such as repair items, meal delivery, etc. GM asked Gary to compile a list of items with suggested fees in order to evaluate implementation of a program and analyze corresponding labor requirements.**
10. The ACC committee wants to schedule a meeting in April, 2015 with any village that has attached villas so that the wording for a policy on roofing can be discussed. There is a sign up sheet to put your email address for notice of the date and location. **Sheet was available.**

Rosie Tilton Facts On The 2015 Election

- Thanked the committee for doing an outstanding job on evaluating every part of the paperwork from previous elections and made improvements for the future. It was obvious that HP is resistant to change.
- Emphasized improving the educational process especially regarding proxies.
- Residents could pick up voting packets at the Clubhouse

and speak one-on-one with volunteers who could answer specific questions.

- Snowbirds who were on property were able to pick up their packets.
- # of votes on amendments was double the # received in prior years.
- Introduced use of 1 page optical scan ballots through Pasco County.
- Reduced cost in printing and postage by condensing the size of the packets from 18 pages to 12 pages and using smaller envelopes.
- The 2015 Election budget was \$6200 vs actually spent \$3,616.48.
- Printing costs this year \$2,025.42 vs \$2900 in the past.
- Expense to Pasco County \$452.10.
- Cost for postage to mail packets after Clubhouse pickup was \$1138.96 vs \$2700 previously.
- Savings of \$2,583.52 (under budget) for 2015.
- The majority of voters dropped their own ballots in the ballot box

Next Meeting: April 9, 2015.

Coordinator: Rosie Tilton

Note taker: Bonnie Walsh

HERITAGE PINES "WILL CALL" TICKET PROCEDURE

Are you out of town, travelling, or just plain busy when tickets for a major event go on sale? No worries, Heritage Pines is now proudly offering a "Will-Call" procedure for those residents who are unable to purchase tickets the day they go on sale. The events and shows at Heritage Pines have become incredibly popular. So much so, that we are booking many events and shows with back to back performances. Tickets are selling on the first day they go on sale! It goes without saying, that the Clubhouse has become the hub of social activity within our community.

Here is how it works:

1. Email mark.stanish@heritagepines.net with the following information:
 - a. Your Name
 - b. Your Phone Number (the best one to contact you on)
 - c. Your address within Heritage Pines
 - d. The event you want tickets for
 - e. How many tickets you want
 - f. Your member number
 - g. And most importantly, you must include the following phrase in your email: "Through this email, I authorize Heritage Pines to charge my member account for the number of tickets requested. I understand that this charge will show on my monthly statement"
2. Click Send! – it's that easy...
3. Now, here are few follow-ups:
 - a. Will-call tickets will be purchased AFTER all residents who have "lined-up" on the day of and received their tickets.
 - b. Only ten tickets can be purchased per resident account.
 - c. Tickets will be purchased in the order they are received.
 - d. We cannot accommodate residents who wish to be seated with anyone else, tickets will be sold to the first available seats.
4. Tickets can be picked up at the front desk at a time that is convenient for you!

We hope this added service comes as a benefit to you all!

Michael Daquino is originally hails from "Da Bronx" and his first instrument is drums. Michael has toured the U.S. and internationally as a drummer and vocalist. Michael has "kept the beat" for many famous acts including Johnny Maestro and the Brooklyn Bridge, Crystal Gayle, and many Las Vegas acts. Michael cannot remember a time when music was not a part of his life and loves performing with his wife, Susan and good friend Scott as a member of COVER TO COVER.

Susan Falcone is a native of Yonkers, NY, but now has been living in sunny Florida in Pasco county for the past 15 years. Susan cannot remember a time when she was not singing. Susan's performing credits in New York include performing at Lincoln Center's Avery Fisher Hall, and many dinner theatre and regional theatre venues. Locally, Susan has been a soloist performer with the Hernando Symphony Orchestra, the Richey Suncoast Orchestra, as well as the Show Palace in Hudson, FL as Golde in FIDDLER ON THE ROOF, at the Tampa Bay Performing Arts with the Opera Outreach Program as Rosalinde in DER FLEDERMAUS, at the Palladium in St. Petersburg, FL as Eiras in OCTAVIAN & CLEOPATRA an original opera, and at Ruth Eckerd Hall with Broadway star Linda Eder for her CHRISTMAS REMAINS THE SAME concert.

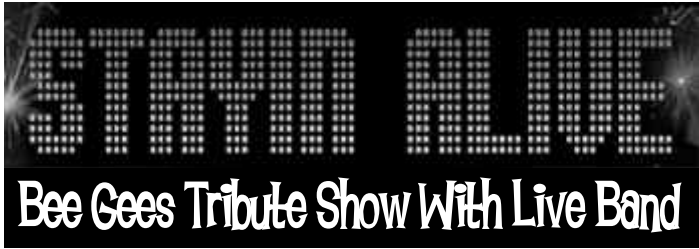

Scott Greenberg is a New York native, Scott has performed at both Lincoln Center (in *All That Jazz*) and The Duplex (in *When Pigs Fly!*) in New York City and has been featured in numerous shows & revues throughout the New York area. Additionally, he was a 4-year member of "New York Cabaret Unlimited", 3-year member of "A Musical Affair" and appears on Lynn Geyer's "Music of the Light" CD. An active member of the theatre community for over 20 years, Scott has had major roles in productions of *Tintypes*, *Chicago*, *Fiddler on the Roof*, *Oklahoma!*, *Li'l Abner*, *Grease*, *Bye Bye Birdie*, & *Hello, Dolly!*

HERITAGE PINES LADIES' GOLF ASSOCIATION

This year we are off to a great start. First let's congratulate Faye Wehner for her Heritage Pines Stroke Play championship win sponsored by the pro. Great job Faye you make the HPLGA proud.

We had our Member/Member tournament with our overall Low Gross winners Karen Pipes and Judy Peterson. Overall Low Net went to Denise McKay and Betty Plante. CONGRATULATIONS!

We will have had our Presidents Cup by the time of this printing of the Pines. An eclectic net tournament put together by all our past Presidents. We will announce the winner in the May Pines Bulletin.

On April 7th we are having our General Meeting and appreciation luncheon.

Plans are well under way with a great committee working on the Lady Bug Invitational that will be May 5. We are limiting the field to 128 players. We would love to have enough HPLGA ladies play so that we would have an Ambassador in every cart. Sign up sheet is in the pro shop. We plan on a few surprises this year and it looks like we will have our "Manly Man" Tom Lichtenberg Jr. to carry on as our Mr. Lady Bug.

Golf Term for The Day

BAIL OUT – A shot played to the "safe" part of the course. For example if the flag is right next to the water and the golfer intentionally shoots away from the flag to avoid the water – thus "bailing out."

HERITAGE PINES LADY NINERS

After a rainy February and changeable March, let's hope April showers appear late enough in the afternoon to allow play of our full schedule.

Unfortunately, our "Go Red" tournament scheduled for February 17th was rained out, but players gathered in the PAC room for prizes and a lively round of "Name That Tune" organized by Nancy Beckwith and her musical side-kick, Chuck Krist. The sum of nine hundred forty seven dollars was raised for the American Heart Association. Winners were chosen at random and are as follows:

- Front: 1st Place:** Bonnie Ary and Bob & Dawn Sedlock
2nd: Ron & Kathy Kidwell and Curt & Anne Verity
3rd: Nick & Linda Yackley and Chuck & Mary Widlowski
Back: 1st Place: Steve & Phyllis Siddons and Tony & Tom Arevalo
2nd: Peter & Lois Rimassa and Alan & Maureen Bracchi
3rd: Charlie & Rosemary Corrao and John & Pat Delamer

A Niners' picnic will be held at the Bocce courts on April 22nd at 3:30. Pam Lewan will be forthcoming with further information at our pre-golf meetings.

Results and statistics of the Niners' Member/Member tournament will appear in next month's newsletter. This is a St. Patrick's Day themed event, so there should be plenty of photos and winners to be posted then.

Our March Madness Dance was a rousing success with over one hundred forty people dancing and having a lively night with the All Shook Up band. Niners and guests were still "hooping" it up well after usual closing time. Way to go Niners!

Gracie Ellis' Sunday Nine and Dine group continues to enjoy their friendly scrambles. First place winners of the February game were Carol and Bob Isgro and Diane and Jim Hellenga. Second place went to Judy Brischke with Peggy and Dave Richard.

Statistics for the month of February:

February 2:

Birdies : Toni Arevalo #10

Chip-Ins: Sharon Logan #2, Dawn Sedlock #6, Lorraine Fordanich #6, Toni Arevalo #10

February 10:

Birdies: Carol Babenzen #4, Anne Verity #14, Daryl Maroulis #14, Sharon Logan #15, Barbara Kelley #9

Chip-Ins: Anne Verity #14, Gini Reinhold #2, JoAnne Neil #6, Nancy Thomas #18

The schedule and rules for April are as followsz;

April 7: Hate 'Em. If your ball hits another ball on the green, replay the shot-two stroke penalty. Ask players to mark their ball.

April 14: Individual Stroke Play – Low Gross, Low Net. If your ball is touching the lateral water hazard line, it is in the hazard.

April 21: Mystery Game – With Mulligans. Hole #5- Pump house is an immovable object. If it impedes your swing- relief of one club length, no closer to the hole.

April 28: Individual Stroke Play – Low Gross, Low Net. When within 150 yards of green, wait to hit until green is clear.

Keep in mind Law #20: Every time a golfer makes a birdie, he must subsequently make a double or triple bogey to restore the fundamental equilibrium of the universe.

GOLF CREDITS

Hey golfers... do you know you have money in an account just waiting to be spent? If you are a tournament player here at Heritage Pines, then you likely have money in your Golf Credit account. The money in this account can be used for purchases in the Pro Shop or in the Bar & Grille area. If you are unsure if you have golf credits or are curious about your balance, please feel free to ask a member of the Pro Shop or Food & Beverage Staff. We encourage residents to take advantage of these funds and use them throughout the Clubhouse!

MEN'S GOLF ASSOCIATION

Semi Annual Membership Meeting was held on March 4th in conjunction with our annual member appreciation luncheon. Newly elected officers for the coming year are: President Scott Taveau, Treasurer Paul Sherwood and Secretary Brian Armstrong. Ron Burrows did not seek re-election as Vice President and since no one stepped forward, the Executive Committee will appoint a Vice President. Jeff Edwards will remain on the Executive Board as Immediate Past President. Those interested in this position, please contact any member of the Executive Committee.

Presidents Cup – The two week tournament was delayed a week due to rain so it was held February 25th and March 4th. The results are as follows:

4th Place	Jim Hable	Howard Dornfeld	
Tied 4th	Archie Acharya		

Member Guest – By the time you read this, the Member/Guest Tournament will be over. We hope all participants had a good

time and will come back again next year. We congratulate all winners and they will be named in next month's article.

Hooters – Due to Inclement weather, golf and our trip to Hooters had to be cancelled. We have re-scheduled the trip to April 8th.

April Games:

April 1st 2 Man Team Quota Points, A+B+C+D

April 8th Four Corners, ABCD

April 15th Individual Best 9 holes (4 Par 4's, 3 Par 3's and 2 Par 5"2)

April 22nd Stroke Play Championships / Round 1 Tee off 8 a.m.

April 29th Stroke Play Championships / Round 2 Tee off 1 p.m.

Stroke Play Championship. We are again planning a steak dinner after the second round of the Stroke Play Competition. Cost of the dinner has not been confirmed yet but prior notice will be given. Cost will be billed to your account. You can play in the championship and not participate in the dinner and you may also choose to come to the dinner and not participate in the tournament. Tournament results will be reported in the June newsletter.

HERITAGE PINES CAT SITTERS GROUP

April is that time of year when the snowbirds begin their arduous trek back north. We hope they arrive to no or little snow on the ground and temperatures above freezing. For those of us hardy enough to endure the warmth of the sun, days at the beach or poolside, and the luxury of air conditioning, we may still plan a weekend or week long trip to exotic places. For those with cats we offer to care for them so you may journey assured your cats are happy in your absence. The Heritage Pines Cat Sitters volunteers stand ready to assist you. If you wish to join the group or need their help please call Terry Cubine at (727) 857-309 or Rusty Peacock at (352) 232-5300. We will be happy to direct you when you are looking for a cat sitter. And it's all free! We have included some universal Cat Laws for your entertainment.

Law of Cat Inertia - A cat at rest will tend to remain at rest, unless acted upon by some outside force - such as the opening of cat food, or a nearby scurrying mouse.

Law of Cat Motion -A cat will move in a straight line, unless there is a really good reason to change direction.

Law of Magnetism - All Blue blazers and colorful sweaters attract cat hair in direct proportion to the darkness of the fabric.

Law of Cat Stretching - A cat will stretch to a distance proportional to the length of the nap just taken.

Laws of Cat Sleeping - All cats must sleep with people whenever possible, in a position as uncomfortable for the people involved and as comfortable as possible for the cat.

Law of Cat Elongation - A cat can make her body long enough to reach just about any counter top that has anything remotely interesting on it.

Law of Cat Obstruction - A cat will lay on the floor in such a position to obstruct the maximum amount of human foot traffic.

Law of Acceleration - A cat will accelerate at a constant rate, until he gets good and ready to stop.

Law of Dinner Table Attendance - Cats must attend all meals when anything good is served.

Law of Rug Configuration - No rug may remain in its natural flat state for very long.

Law of Obedience Resistance - A cat's resistance varies in proportion to a human's desire for her to do something. First Law of Energy Conservation - Cats know that energy can neither be created nor destroyed and will, therefore, use as little energy as possible.

Second Law of Energy Conservation - Cats also know that energy can be stored by a lot of napping.

CAT SITTERS GROUP cont'd

Law of Refrigerator Observation - If a cat watches a refrigerator long enough, someone will come along and take out something good to eat.

Law of Random Comfort Seeking - A cat will always seek, and usually take over, the most comfortable spot in any given room.

Law of Cat Embarrassment - A cat's irritation rises in direct proportion to her embarrassment, times the amount of human laughter.

Law of Furniture Replacement - A cat's desire to scratch furniture is directly proportional to the cost of the furniture.

Law of Cat Landing - A cat will always land in the softest place possible; often the mid-section of an unsuspecting, reclining human.

Law of Cat Disinterest - A cat's interest level will vary in inverse proportion to the amount of effort a human expends in trying to interest him.

Law of Pill Rejection - Any pill given to a cat has the potential energy to reach explosive escape velocity.

Law of Composition - A cat is composed of Matter + Anti-Matter + It Doesn't Matter.

ASK THE TECHIE

Q: Can you provide some guidelines to help me know when it is safe to open email messages? A neighbor received a message they thought was from a friend and when she opened it her computer got infected with a virus that was very difficult to remove.

A: Even when using the best antivirus protection program available one has to be careful opening email. I suggest you pay attention to the **Sender** and **Subject** information before you even open an email. If you see a message from a source you don't recognize, delete and don't open it. Another clue that a message may not be safe is the wording in the email **Subject**. If the **Subject** contains misspellings, doesn't make sense or is inconsistent with what you'd expect from the sender be wary.

If you decide to open an email, think about whether the message is consistent with the sender's character. If there is no text just a link, clicking could result in a download that will infect your computer. Recently, I've had clients receiving messages from friends with no subject and just a link in the email body. Several clicked on the link and their computers were infected requiring my assistance to remove the infection. Upon investigation, these emails were never actually from the friend. In one case, the friend's computer was infected sending out virus emails without their knowledge.

As an email sender you should always enter appropriate information in the **Subject**. If you're including a link to a web site, include some descriptive text so the recipient will know it's from you. I always include some sort of a signature too.

Q: When using my mouse, I am sometimes confused as to when to Right-Click or Left-Click. Can you explain the difference and help me understand when to Right or Left Click?

A: For most Windows functions and programs the **Right-Click** button lists the Options available, while the **Left-Click** button selects the Action.

For example: if you **Left-Click** on a Link in an Internet Explorer Browser window, the associated link will open in the current Window. If you **Right-Click** on the Link, a list of choices will appear. To select one of these choices, move the mouse pointer down the list to the item and **Left-Click**. I often use this method when I don't want to have the new link open in a new Window instead of over the top of the current Window.

Try a **Right-Click** on Desktop Icons or within documents, Picture Files etc. as an easy way to explore what options are available within Windows. Remember that nothing happens until you **Left-Click**.

In **Windows 8/8.1**, **Right-Click** plays an even more important role. If you **Right-Click** after starting any **Windows 8** app, you will see many choices which may display additional information or program options. As I tell my clients and class students, Right-Click is your friend.

"ANGELS WITH PASSION"

SUNDAY, APRIL 26

7:00 p.m. - 10:00 p.m.

with MUSIC By "TRUE PASSION"

An evening of music and dancing to the music of *True Passions* it will benefit the Angels in the Pines for the work they do helping the children of our local area stay warm in the colder days of winter.

If you are unable to attend this benefit donations will be accepted by check or cash or gift cards to Joanne's, or Walmart or acrylic yarn or yardage of fleece or gloves for ages 3-10 years old.

The Angels in the Pines have been hard at work now for 4 1/2 years and already we have touched the lives of 3600 children in our local area. Help us continue this good work.

We meet Sundays in the craft room from 1 p.m. to about 3 p.m. to learn and share patterns and ideas. If you would like more information on this worthy group, please call Kathy Hendrickson, 862-2394.

SAILBOAT CLUB

Check out the sailboats on the pond next to the 18th hole behind the clubhouse. The boats are in the water most Sundays starting at 1:00 weather permitting. We sail radio controlled sailboats no motors or engines just the wind for power. The most popular models are the Soling 1 by Victor Models and the Seawind by Kyosho and are 39 inches long and weigh 7 to 10 pounds. Sailing is a relaxing way to spend a couple hours on a Sunday afternoon. Bring a chair and join us!!

HERITAGE PINES DRAMA CLUB

HP Drama Club Presents:

"DRINKING HABITS"

A Farce by Tom Smith • Directed by Dudley Saunderson

Show only: Tuesday, April 7th 7:30 p.m.

Thursday, April 9th 7:30 p.m. \$10.00pp.

**Dinner/Show: Friday, April 10th, Cocktails/Dinner
5:00 p.m., Show 7:30 p.m., \$25.00 pp.**

The play takes place in the main room of the convent of the "Sisters of Perpetual Sewing." Their calling is to mend robes that have been damaged and sent to them for repair. After they have finished mending them, they ship them back to their owners. Because this does not fully sustain the cost of running the convent, two nuns have been harvesting the vineyards, making wine and then selling it to the town's people. The Mother Superior has no clue that this is going on. Along come two reporters (former fiancées) who have gotten wind of this wine making and disguise themselves as a priest and a nun to investigate. The Mother Superior thinks they may be spies, and they have been sent from Rome to possibly shut them down. Their presence along with the arrival of a new nun spurs paranoia throughout the convent which results in accusations, mistaken identities and romance. This is your traditional, laugh-out-loud farce.

Tickets are now on sale; be sure to get your ticket and come see your friends and neighbors (Tom Collins, Paula Routten, Cecelia McDonnell, Rick Myers, Nancy Niarchos, Tom DeBryun, Sally Coppolla, Joan Beach) in this hilarious play.

There are 35 states that have a reciprocal agreement with Florida but, if you decide to cross state lines, you must check with the state you are going to to ensure that Florida is on their list. Lou teaches the class 7 days a week and will do all the paperwork required to get you a weapons permit when you take his class. He can be reached at 727-534-5049. The permit for Florida costs \$70 and is good for 7 years.

The following new ROMEO members picked up their ROMEO hats and shirts at the meeting: Dennis Deri, Mark Krup, Mike Martinelli, Kent Fudge and Earl Metzler.

March 27th: Monthly ROMEO Breakfast for March - We

had three (3) new members inducted into our ROMEO Club at this breakfast. They were Jerry Quinn, George Niarchos and Steve Reynolds. We were not able to garner a speaker for this breakfast but, we should have one for our April breakfast.

April 17th: Monthly ROMEO Breakfast for April - Due to some ROMEO board member vacations, the ROMEO Breakfast for April will not be held on the last Friday of the month. It has been changed to **Friday, April 17th at 8:30 a.m.** We have almost locked in a speaker for this breakfast. If we can get him, it will be an extremely informative presentation.

ROMEO ACTIVITIES

March 8th: Annual ROMEO Picnic - Our yearly ROMEO picnic was held on Sunday March 8th at the new Heritage Pines covered Pavilion which is located near our Tennis courts. There were 104 ROMEO members along with their family and friends at the picnic which began at 10 a.m. and ended at 3 p.m. The Heritage Pines maintenance employees had set up the tables and chairs, under the tent, prior to the picnic. The ROMEO Club provided the coffee and donuts and all the water and soft drinks needed for the picnic. In addition to providing an excellent and extensive buffet with multiple food choices and desserts, our Heritage Pines Food and Beverage service also set up a cash bar for us. Music was provided by the leader

(Artie) of the All Shook Up band. ROMEO members were able to play Bocce on our newly renovated courts and they also played the bean bag toss game. It turned out to be a beautiful sunny day and everyone had a great time and are looking forward to our next annual ROMEO picnic in 2016.

March 29th: Golf Tournament at Heritage Pines for ROMEO members - The golf tournament was setup and managed by ROMEO members Mike Kerr and Ronny Krusch. It was played right here on our Heritage Pines golf course. This event occurred after the deadline for submission of all articles required by the publisher of the Heritage Pines newsletter for April. Therefore, the results of this tournament will be discussed in our ROMEO article for May.

April 12th: Annual ROMEO Bocce Tournament (SOLD OUT) - Our annual ROMEO Bocce Tournament will be held at the newly renovated Heritage Pines Bocce Courts on Sunday April 12 at 10:30 a.m. The ROMEO club will not be providing food but, will provide plenty of bottled water. Heritage Pines is now offering breakfast buffets in the Clubhouse on Sundays so, for those who want to have breakfast before the tournament, this would be available for you. The Bocce courts can only accommodate 32 players at a time. Therefore, the first 32 ROMEO folks that signed up were accepted as the players for the tournament. We currently have the required number of 32 players so, this event is now sold out. However, we are still taking reservations for those who want to get on a waiting list since we have had dropouts in the past. So, if you want to be one of the substitutes, please call me (Jeff Mariano) at 727-378-7960. We already issued 2 memos to the players participating in the tournament. The first memo showed the names of all 32 players in the tournament, along with some general information. The second memo showed which players were on which teams and when each team would be starting to play on which courts. This memo also provided the list of Bocce rules we will be using. Just like last year, we will be giving significant monetary prizes to the first and second place winners. The cost to participate is just **\$5** per person. All but **four** players have already paid their entry fee.

May 8th: Special ROMEO Luncheon - We will be having a special ROMEO buffet luncheon for all ROMEO members on Friday May 8th. We hope our members will bring their spouses, significant others, relatives and friends to this one. The luncheon will begin at noon and be held in the Heritage Pines PAC room. Further information about the luncheon such as food to be provided, cost and when to purchase the tickets will be sent to all members before April 15th.

June 24th: ROMEO Baseball Game at Tropicana Field - The ROMEO Club is planning an outing at Tropicana Field on Sunday June 24th to see the Tampa Bay Rays play the Toronto Blue Jays in a matinee game at 1 p.m. The seats are in the Press level and the cost is \$30 per person. However, in order to get this reduced price, we need a minimum of twenty (20) participants. Because we will not be able to justify a bus, each person will drive to Tropicana Field. So, if you want to go, just call Al Sacher at 727-862-0123 and get your name added to the list.

Sunshine Committee: Our sunshine committee is managed by Skip Scott who sent out a total of (7) Get Well cards and (1)

Sympathy card last month, to ROMEO Club members.

DO YOU HAVE FRIENDS INTERESTED IN JOINING THE ROMEO CLUB?

Have them call: Phil Flynn at 727-378-3884 or Al Sacher at 727-862-0123.

THE ROMEO CLUB IS A WONDERFUL WAY FOR OUR RETIRED RESIDENTS TO GET OUT AND MEET OLD FRIENDS AND MAKE NEW FRIENDS.

MAH JONGG

Spring Luncheon - We will have our Spring Luncheon on April 16, 2015. Sign in 11:30 a.m., Buffet Lunch starts 12:00 p.m. Lunch will cost \$15.00. Membership \$5.00. Make a check out for \$20.00 to HP Mah Jongg, put in Mah Jongg book. Following Lunch we will be playing Mah Jongg with our new card. You have to be a member to participate in the tournaments. All guests must be accompanied by you to play Mah Jongg at Clubhouse. They cannot play if you are not with them.

New Members - If you're not a member of the Mah Jongg club and want to join contact Linda Russell 819-3736 for membership. The dues are \$5.00 a year. Make checks out to HP MAH JONGG and put your checks in the Mah Jongg book. Yearly dues are collected in April.

Mah Jongg Classes - If you are interested in learning or having a refresher course sign up in the Mah Jongg book. There's no charge and class is open to HP men and women residents.

HERITAGE PINES SOFTBALL TEAM

We had two (2) team practices since the Heritage Pines newsletter for March was sent to the publisher. One was held on Friday February 20th and the other on Friday March 6th.

February 20th: There were nine (9) players who participated in this practice even though it was a little chilly (49 degrees) at the start. By the end of practice, it had warmed up into the mid-fifties.

March 6th: Nine (9) players also came to this practice. The weather was much better since it started out in the 60's and when we finished it was raining but, in the low seventies. During both practices, the players took turns hitting and fielding. Each player did two rounds of hitting. They hit at least 15 times per round or a total of 30 hits each over the two rounds. Only eight of the nine (9) players hit in every round. This means there were at least 240 opportunities for the guys in the field to practice catching balls. We find that (5) of the players are always at these practices wherein there are another (8) that are there, periodically. However, in order to have a game, we need sixteen (16) players so, we are always hopeful that others will come since everyone enjoys playing a competitive game.

The following is the schedule for upcoming practices (all practices begin at 9:30 a.m.):

Friday, April 3rd • Friday, April 17th • Friday, May 1st

HERITAGE PINES TENNIS ASSOCIATION

With over 90 members, HPTA men and women kept busy on the courts, and off, during the month of March with Monday league play, open tennis three days a week, match play with Heritage Springs, ball machine training, and weekly tennis clinics, not to mention the picnics and brunches. March was also home to our annual Championship tournament which hosted close to 40 members and guests March 23-29! Results of the tournament are posted on the bulletin board by the courts. Thanks to all the efforts of Tournament Chairperson Mel Letterer and his team, it was another fun and memorable HPTA event.

On March 11, thanks to the initiative of Judy Peterson, HPTA also hosted a ladies brunch at the Clubhouse, following Wednesday morning open tennis. During the brunch, Marjie Fuller was recognized (and completely surprised) for her over-the-top dedication to HPTA and for keeping the ladies energized and organized. Thank you Marjie!

Marjie Fuller,
at the heart of HPTA!

The women's tennis clinics continue to be a real value for HPTA members and sign ups for Wednesday morning "Stroke of the Week" clinics and Friday afternoon "Doubles Strategy" clinics have been jam packed with guest tennis pro Judy Jeanette. If you're interested in attending a clinic, come up to the courts and join us! For more information or to sign up in advance, you can contact HPTA member Judy Peterson.

2015 Winter League Schedule

Monday, 6 p.m.: Men's Doubles

Tuesday, 8:00 a.m.: Men's Open Tennis

Wednesday, 8:00 a.m.: Women's Tennis Clinic and Open Tennis

Thursday, 8:00 a.m.: Men's Open Tennis

Friday, 1:30 p.m.: Women's Tennis Clinic (Doubles Strategy)

Interested in joining HPTA? Contact Christine John at cjohn14@comcast.net or talk to an HPTA member for more information. Join us for Open Tennis, play as a Sub, or attend a Tennis Clinic.

JULIET'S OF HERITAGE PINES

Join us on a bus trip to the mountains, October 4 - 10, 2015. This trip is sponsored by the Juliet's of Heritage Pines and is open to all residents, family and friends. Here are some of the highlights: Atlanta GA, the Biltmore Mansion, the Cherokee Casino, NC, Gatlinburg, Pigeon Forge, Dollywood and more!!! Final itinerary and pricing will be available shortly. Seating is limited so reserve your spot now. Call Geri Brousseau, 352-299-6660 or Jan Shiffer, 727-863-9474 for more information.

BOOK CLUB

The Heritage Pines Book Club meets on the **4th Wednesday of each month. On April 22, we will meet at 10:30 a.m. in the Magnolia Room.**

We will be reviewing Sycamore Row by John Grisham. In this book, Grisham returns to the setting and characters that first established him as one of America's favorite storytellers in A Time to Kill. "Nearly 25 years later, attorney Jake Brigance once again finds himself embroiled in a fiercely controversial trial – one that will expose old racial tensions and Ford County to confront its tortured history. As the story begins, Seth Hubbard is a wealthy man dying of cancer. He trusts no one. Before he hangs himself from a sycamore tree, Hubbard leaves a new, handwritten will; an act that drags his adult children, his black maid, and Jake into a conflict as riveting and dramatic as the murder trial that made Brigance one of Ford County's most notorious citizens, just three years earlier." Some things to consider: The year of this trial is 1989, three years after the happenings in A Time to Kill. Have race relations among the townspeople changed or remained the same in this novel? How about across the country in 2015? Examples?

LIBRARY NEWS

Our Library is maintained by volunteers from the HP Book Club Anyone interested in volunteering can call Mary Lou Ballmann at 727-862-1438 or 727-236-7599. We gratefully accept donations of POPULAR hard backed books in VERY GOOD condition or GENTLY USED paperback books. Fiction books are on the right hand wall and in alphabetical order by author Non-fiction books are on the left hand wall by subject category. Large Print books are on the left hand wall. Paperback books are in alphabetical order on either side of the doors.

Please leave donations and returns on the book cart on the far side of the room. Since space is of a premium, we can only keep books of wide appeal. Paperbacks do not need to be returned. The library does not accept magazines, games, puzzles, technical books, movies or other non-book items.

TAI CHI CLASS

Tai Chi – Beginner – Tuesday at 8:30 a.m. in PAC
Intermediate – Thursday at 8:30 a.m. in PAC
Qigong (Chee Kung) – Saturday at 8:30 a.m. in PAC

World Tai Chi & Qigong Day

On the last Saturday of April at 10 a.m. local time worldwide, the world is invited to join in on mass Tai Chi & Qigong teachings and exhibitions held in over 70 nations. This educational event brings people together across ethnic, racial, religious, and geopolitical borders in a celebration of personal and global health and healing. Its motto is **“One World ... One Breath”**.

Harvard Health Publication has called Tai Chi “moving medication” for all the myriad health issues it has proven to help with. Tai Chi and/or Qigong can boost immune function by 50%; increase brain size; reduce depression and anxiety; reduce or eliminate chronic pain issues; dramatically improve balance, dexterity, and sports performance; prevent colds and flu; lower blood pressure; reduce ADHD symptoms; improve sleep; etc.

Come join the Heritage Pines Tai Chi students on April 25th in Gazebo Park to participate with the rest of the world in this celebration of this momentous event. We will be gathering at 9:30, do some simple warm-ups and then a very easy to follow Qigong exercise. Then at 10 a.m. we will join the rest of the world in doing Tai Chi; followed by some light refreshments around the gazebo. All residents are welcome to join us - find out how doing Tai Chi & Qigong helps keep you healthy, stress free, and balanced.

THEATER CLUB NEWS

We have two more shows on the schedule for March that we're looking forward to seeing and we'll give you a review in the May newsletter. "Motown" at Straz and "Jackie Evancho" at REH complete the month.

On April 11th, we're going to the Show Palace to see "The King & I". Assigned tickets that have not been sold have been returned to the theatre. Please call asap for stand-by. We're going to see "Pippin" at Straz on April 18, and "Rain" (the Beatles show) on April 25th. Please pick up an up-to-date theatre schedule for all the shows and their prices.

The next dinner show at Show Palace will be "A Chorus Line" on May 16th. Price is still \$42.50 for dinner, show and tax. Gratuities are extra.

The sold out Bee Gees tribute show that was at the Clubhouse has now found a home at Show Palace. If you missed it, join us on Friday, May 15th for "Stayin Alive". Tickets are \$22.50 each. We have booked shows for June. Join us on Sunday, June 14th at 3:00 p.m. at Palace Grand for "Dinner With the Mob". This cooking comedy is hilarious and a fun event for all. Tickets are \$30 each and we have great seats. This will be a plated meat ball dinner with music, dancing and singing.

Tentative interest sheets are in theatre book for all the booked 2015/2016 shows. We will add the dates and prices as soon as we get our contracts. Call Marcia Gerber at 819-1662 with any questions. We wish all a Happy Passover and Happy Easter.

DEMOCRATIC CLUB

Thursday, April 16, 2015

4:00 p.m. in the Magnolia Room

The Heritage Pines Democratic Club will hold its regular monthly meeting on Thursday, April 16 at 4 p.m. in the Magnolia Room. In addition to an update on the activities of the Florida Legislature, this month's program will be an open discussion on issues important to our members. One topic we will explore is the **Florida Sunshine Law**; how it came about, what it means and how it has been used.

Although you may join our Club at any time, this meeting marks the end of our annual Membership Drive, so if you haven't paid (\$10 per person) to either join or renew your membership, it's time to do so. Refreshments will be served, and all Heritage Pines Democrats and Independents are invited to come and bring a guest.

For information, call Larry Schmitt – 869-2493; Rich Cunha – 857-3044; Judith Chase – 862-4545; Betty Dean – 869-9033; Peter Schwartzman – 863-8802

OPEN INTEREST ART GROUP

This is an invitation to all of you who have art projects that you would prefer not to do at home and would like to be with other people and have some fun at the same time. Our Open Interest Art sessions are held in the Craft Room every Wednesday afternoon from 1 p.m. to 3 p.m. Everyone with any interest in any kind of art is welcome and just to let you know that this is not a teaching class. It is classified as an "All Media Art Workshop" and is a workshop for all artists of all levels and media. If you are interested, please just come by on a Wednesday afternoon or call Camille Baldick at 727-862-9974.

MONDAY LADIES' BIBLE STUDY

Agents of the Apocalypse

Revelation gives an account of Two Witnesses, actual men who are given special powers and authority from God to preach a message of judgment and salvation. The reading of their miraculous protection and capabilities is not unlike exciting scenes out of Hollywood--fire flashing out of their mouths which consumes enemies; powers to shut the sky so no rain will fall, to turn rivers and oceans into blood and to strike the earth with every kind of plague. Wow, we thought Revelation would be dull, but we women have found that to not to be the case. We have been greatly helped in our study by two guides: David Jeremiah's DVD's called Agents of the Apocalypse where he presents in understandable teaching Old and New Testament prophecy revealing "the end times" and John MacArthur's study guide on Revelation.

If you have either avoided the study of Revelation or have plodded through it and it remains a mystery you will want to be a part of this "user-friendly" instruction.

The group meets every Monday in the Magnolia Room at 9-11. YOU are invited, so come and bring a friend! For more information contact Judy Peterson by phone 602-833-0646 or email: judylpeter@icloud.com.

TUESDAY LADIES' BIBLE STUDY

We will conclude our Beth Moore study on First and Second Thessalonians on the 14th of April.

Starting April 22nd we will be using Dr. Randy Alcorn's book entitled "Heaven". We all have questions about what Heaven will be like, and after twenty-five years of extensive research, Randy has the answers. Randy invites you to picture Heaven the way Scripture describes it, a bright, vibrant, and physical New Earth free from sin, suffering, and death, and brimming with Christ's presence, wondrous natural beauty, and the richness of human culture as God intended it.

If you have always thought of Heaven as a realm of disembodied spirits, clouds and eternal harp strumming, you are in for a wonderful surprise. We can't begin to image what Heaven will be like, but you will be able to tell others, I can.

We are a non-denominational Bible study that meets at the Clubhouse every Tuesday at 9:00 until 11:00 a.m. We will look forward to having you join us for this book exploration. For information call Pat Hepler at 727-819-2355 or Evie Clark at 727-868-3454.

HERITAGE PINES INVESTMENT CLUB

The Investment club meets on the last Tuesday of each month at the Clubhouse (April 27). We meet at 9:30 a.m. in the conference room. Recently, we've had some new additions to our group and we are formulating how we want to proceed during 2015. We'll likely keep much of what we've done before, but we'll probably also add things and change others. This is a great time for new people to attend and help steer the activities in ways that interest you. Ladies, you might like to know that at our last meeting attendance was split evenly between men and women. Everyone is affected by investing and financial planning, so all are welcome to participate.

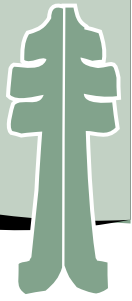

80+ SUPER SENIORS

Come socialize and meet new friends to reminisce old times at the Clubhouse on Friday, April 10th at 12:00 p.m. for lunch. If interested please call Loretta Fulda, 727-697-2060 or Stephanie Nunziante, 727-860-4142.

THE TOYMAKERS

Our woodcutters have been busy cutting interesting forms that will soon have a personality only a child will love. Our painters and sanders bring that cut wood to life and the detailers make it pop but our wheel men put that finishing touch that truly makes it a toy.

We are so pleased as the toys roll off our assembly line ready for a child to hold and love. If you would like to be part of such a wonderful group we take you with or without experience just call Kathy Hendrickson 862-2394 for details or stop at the craft room 2nd and 5th Mondays of the month and all Thursday evenings at 6 p.m. to 9 p.m.

PINES GLEN VILLAGE NEWS

Respectfully submitted by Pam Cegla

Over 50 residents participated in the Pines Glen Village Bocce Ball Tournament on March 1st. Members of the winning team were Luis Angueira, Marilyn Dunnigan, Bob Richardt, and Marge Warren. Prior to the actual tournament was a luncheon of hotdogs, hamburgers, and salads from the Clubhouse.

Pines Glen had several homes participating in the Community Garage Sale on March 28th. Proceeds from the sales at the homes of Jackie Ruth and AJ Reichardt will benefit the Pines Glen Social Club. The club has really grown this year and now has over 110 members.

Coming up in April is our Pines Glen Village Golf Scramble on Sunday, April 26th. Dinner will be at the Clubhouse following the Scramble. Any Pines Glen residents interested in participating in either golf or the following dinner should contact Elke Mullen or Mary Ann Snyder.

Pines Glen also has plans for a bowling night and will be continuing our monthly Village dinner at the Clubhouse. Watch your email for information on all our upcoming events.

COMMUNITY/MEMORIAL TREE PROGRAM

Sponsored by the Golf Advisory Committee

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. They can also be purchased as a gift, perhaps a birthday or anniversary idea. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by Heritage Pines maintenance facilities. Trees will be planted during the

months of March/April and October/November. Please plan your purchase during the preceding months. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. Also, there is a book at the front desk of the Clubhouse listing information about the many trees planted throughout our community. Each page includes the names of the honoree(s), sponsor(s), tree location and type of tree. Residents may look through this book as desired.

VILLAGE ATTIC

The village attic is maintained by residents within the community. Your neighbors store items to lend when company comes into town. The list can be found in a binder in the library as well as on the Heritage Pines web site under social. Please contact the person on the list and make the necessary arrangements. The items are to be returned clean and in a reasonable length of time. Any questions, please call Betty Plante 863-8462 or Marcia Gerber 819-1662.
