FROM THE GENERAL MANAGER

By Bill Crusselle, *Club Manager*

Happy New Year!! We hope that each and every one of you enjoyed the holidays with family and friends and now are looking forward to a prosperous new year. December was extremely busy in the community with so

many parties, events, and concerts. The spirit of giving was also evident as many of our residents provided their time and resources to provide food and gifts to the children at Shady Hills Elementary and Mary Giella Elementary. The month of December came to a close with a sold out New Year's Eve party that featured a delicious dinner and great music.

This month will also be busy with multiple concerts and also the events surrounding the election of new Board Members will take place. On January 11th the first "Coffee with the Candidates" will take place at 9 a.m. in the PAC. The second "Coffee with the Candidates" will be held the next day, January 12th, at 2 p.m. The "Candidates Night" is scheduled for January 19th at 6:30 p.m. This is your opportunity to ask questions and to get to know the candidates so make plans to attend.

This month the long awaited construction of the Pavilion will begin. The first steps will be the change of the roof on the bathroom and the pouring of new concrete where it is necessary, this project will take some time since the roof of the structure must be manufactured and delivered. The goal of having the facility completed by early spring should be accomplished. The new LED Landscape lights for the sidewalk areas of the Clubhouse should also arrive and be installed by the first week of this month.

FROM THE BOARD OF DIRECTORS

By Bob McGough, *HPCA Board President*

A belated Merry Christmas and Holiday Season and a Happy New Year from the Board of Directors. We are looking forward to a productive New Year beginning with the upcoming Board election. At this time we

have seven excellent and experienced candidates running for four vacancies. Construction should start on the new pavilion this month and the landscaping project on the entrance has been completed. New floors have been installed in the main Clubhouse. Several new options and programs are being offered in our golf program to stimulate revenue and other new efforts to

improve efficiency and cost effectiveness will be announced soon. There have been significant improvements to both our golf course and common grounds. Our thanks to our hard working staff headed by Bill Crusselle and his managers. We intend to start a capital funding program this year and will seed it initially from carryover from the operations fund. We will announce more details after we close out the 2016 funding year. We all have a common goal which is to make Heritage Pines the best community in Florida. Working together we can achieve that goal.

FROM THE ACCOUNTING DEPARTMENT

"Happy New Year from the Heritage Pines Accounting Department"

2017 HOA Fees

Just a few reminders as we go into 2017. The monthly assessment amount is \$185 per month for Heritage Pines Community Association. Many of the village assessments have changed as well. Please check with your village manager if you have any questions on that amount. You do not have to do anything to change monthly automatic debit amount if you are set up for ACH. It will be processed at the new amount.

ACH and Online/Email Services

If you are not set up for automatic debit (ACH), please consider this simple process. It's easy to set up and you don't have to worry about anything except deducting the amount from your checking balance each month. And in case you did not know, we never deduct your HOA fee before the third each month. We had many requests to hold off until the third from members that don't receive their direct deposits until then. Also please consider doing away with paper statements. You can view online or have emailed. Just request an "Opt out of paper statement form" from the office, fill out and return with your email address.

Out of Town Mail Service

Recently it was brought to our attention that some mail does not get forwarded if the name on your account is something different, like a trust for example. If you are going out of town for an extended period of time, please let us know in the office. We can set your mail to go to another address so you don't miss important association mailings. Just remember to give us a call or email to change it back when you return home.

Member Charge (Jonas) System

We always ask that you bring your member charge card to the club for purchases. This just helps prevent charge errors. If you do not have your card, please do not sign your charge until you have verified it has correct member information at the top. Also as mentioned before, our Jonas system separates your HOA fees and club charges, so we need to have them paid separately. We appreciate that most monthly accounts are current and if not it is usually a one time oversight and we take that into consideration. Please keep in mind club charges not paid by the 20th of following month can be assessed a \$25 late fee as well as HOA fees not paid in the month they are due for.

GOLF COURSE AND GROUNDS MAINTENANCE NEWS

This fall has been exceptionally dry with only .25" of rain received in our area since October. Fortunately our irrigation system has functioned extremely well. We are continuing to optimize our irrigation water with the addition of wetting agents that actually help the water to perform better by allowing it to penetrate deeper into the soil. Our pigment program for fairways tees and greens is in full swing. This colorant application allows us to provide green turf that closely resembles overseeding without the difficult transition commonly experienced in this part of Florida. Each pigment spray also includes fertilizer to help the turf endure the cooler winter temperatures.

The front entrance renovation has been very successful. Many thanks to all those involved who helped to bring this project to fruition. Both the landscape and the entrance lighting have received a substantial overhaul that will be enjoyed by our community for years to come.

In keeping with the season the featured plant of the month is the

Poinsettia. This plant was initially introduced to America in 1825 by Joel Roberts Poinsett, the first United States Minister to Mexico. It's a seasonal favorite of the spurge family with an abundance of attractive red foliage and accounts for millions of dollars in sales each winter. During the holidays they should be kept in a cool location with adequate sunlight and watered regularly. These plants will survive all year if properly cared for. Many of our residents have successfully incorporated them into their landscapes here at Heritage Pines. Generally they will require less water and should be moved to a cool sunny area until late February or early March. Avoid sudden temperature changes by gradually moving it outside. Water only when the soil is dry. Constant soil monitoring is key. Try not to overwater. When the leaves fall in late winter trim the plant to the healthiest buds and move outdoors when the danger of frost has passed. At this stage water requirements should be minimal.

TREASURER'S REPORT

By Ted Johnson, *Board Treasurer*

As mentioned last month, November exhibited a profit of \$17,000. The profit was under budget and slightly under November 2015.

Food and Beverage revenue and expenses were both in line with budget and demonstrated a slight loss of \$6K.

Golf revenue was under budget \$15K which resulted in an \$11K loss for the month.

Payroll and benefits were under budget by \$17K for November and under budget YTD by \$244,000.

FTE's	October 2016	70.04
	November 2016 (budget)	75.35
	November 2016 (actual)	69.26

Operating cash was \$900,000 (rounded) that is the same as October 2016 which indicates that cash is being managed in an effective manner.

YTD loss dropped from (\$52,000) in October 2016 to (\$35,000) in November 2016, which indicates the effective management of expenses.

THANK YOU!!

By *The Vice President*

VOLUNTEER FOR INSURANCE REVIEW

HPCA is looking for a person who has a strong background dealing with HOA insurance requirements. The person would assist the HPCA staff in reviewing the current insurance policies to insure the coverage is adequate. The individual may be asked to provide advice in correcting coverage deficiencies and participating in meetings with the HPCA Insurance Broker. The individual would also assist the HPCA Staff in providing an insurance coverage summary to the Financial Oversight Committee. The signup sheet is located in the Clubhouse Lobby until January 17, 2017.

It's why we're here.

Whether you appreciate the Golf Course at Heritage Pines from behind a gleaming white Pro-V1 on the 5th tee, or from behind an ice cold gin and tonic on your Lanai, the Golf Course is HP's flagship amenity. It always has been.

And while we all financially support the golf course, it's the player's contribution through greens fees that gets the ball rolling and off to a strong start for the beginning of the New Year.

Without golfer support through annual golf memberships, we come that much closer making decisions about the course that may complicate how we enjoy and participate in the golf experience.

Please join me for another fantastic year of championship golf by renewing your annual golf membership. Golf. It's why we're here.

Jeff Edwards, *HP Board Member Golfer*

Reason(s) for seeking Board Position: To help the Association: reduce the amount of F&B and Golf losses; eliminate operating fund deficits in the future; develop and approve detailed plans that will provide a more focused direction for the future of the community; and, improve transparency and communication with residents.

Briefly explain how you will apply your professional experience to being a Board Member: I will utilize my financial experience and Board/Committee experience as I have done in the past to help the Association address its issues now and in the future.

Personal: I have lived full time in Heritage Pines with my wife, Lou Ann, for 12 years. We have been married 40 years, have four children and eight grandchildren.

Association's accomplishments during the period 2008-2015. Working with other Board members, General Managers, Department Managers and Staff, Committees, and other Volunteers, the Association accomplished the following:

- Generated a financial surplus of more than \$1.6 million; a portion of the surplus as used to: install a new bar; expand the fitness center; install new restrooms adjacent to the billiard room; expand the kitchen; install a new conference room for resident meetings; add additional office space for employees; and, install a new employee lunch/break room. The remaining surplus was used to increase the operating fund cash balance to \$1.2 million as of the end of February, 2015 which was my last month on the Board.
- Settled the lawsuit with Lennar in 2009 which eliminated \$1.9 million of debt from the Association's financial statements.
- Fully funded the reserve fund for the first time in 2010; the reserve fund has been fully funded every year since then.
- Completed major renovations to the Magnolia, Billiard, Craft and PAC rooms and to the Library and Pro Shop in 2012 and 2013.
- Created a new emergency fund and a new capital improvement fund in 2013 with funding of \$140,000 and \$150,000, respectively.
- Increased resident utilization of the Food & Beverage (F&B) amenity. Excluding outside events, annual F&B revenue increased \$553,000 or 118% since 2010 when the new bar opened. In 2014, F&B revenue exceeded \$1.1 million and it surpassed golf revenue for the first time to become the Association's highest revenue producing amenity.
- Kept the monthly assessment at the same \$175 level from 2010-2015.

Prior to moving to Heritage Pines, I served as a member of a Charter School Board. In my employment with the Michigan Education Association, I served on several statewide committees formed by state agencies and the state legislature.

Reason(s) for seeking Board Position: Since moving to Heritage Pines in September of 2014, I have found it to be one of the friendliest and more progressive communities that I have ever lived. My goal is to listen to our members and to move our active community in a direction that helps to retain a positive climate in meeting the needs and maintaining our wonderful community.

Briefly explain how you will apply your professional experience to being a Board Member: The skills used in my professional experience include building relationships, mentoring, advocating around issues and member needs, negotiating, mediating and arbitrating, as well as training and teaching. I believe that these skills can serve me well as a Board Member.

Name: Marie "Elaine" Sedlak

Phone: 727-863-3062

Village: Grand Pines

Length of time living in Heritage Pines: 6 mo.

Educational/Professional Experience: I have an MA in Clinical Psychology and I am a Registered Nurse. My last full time employment was as a Regional Director, Long Term Care for the State of Georgia. I supervised 14-16 RNs who inspected over 100 nursing homes for compliance with state and federal Medicare/Medicaid regulations. As Regional Director, I interfaced with providers, federal regulators and attorneys as well as with family and friends of nursing home residents. The job also required an in-depth knowledge of regulations and their applications and the ability to communicate the implications thereof to other professionals and the public.

Following my retirement from Georgia, I spent four years as a part-time contract worker for Medicare and Medicaid. During those years, I worked with a team, to teach all aspects of the nursing home regulations to newly hired inspectors throughout the country.

Prior HP (prior other) Committee/Club/Board Experience

Prior to moving to HP, I served four years as Secretary on the Board of Directors, The Gardens of Beacon Square IV Condominiums. As Secretary, I maintained the minutes of all board meetings and was responsible for the Seal of the Organization. One of my primary functions was to be the go-to person for in-depth knowledge of both the state statutes and the condominium documents. I participated in yearly board training sessions and interfaced as needed with our attorneys and management company.

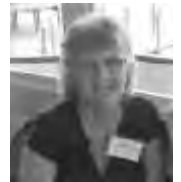

As the secretary I was responsible for responding to any complaints submitted to the board. Usually, this required me to effectively explain board decisions to individual owners in light of our documents and specific state statutes. Most times, this resulted in ameliorating the owner's concern or at the least giving them a way to vent that validated their feelings and clarified the board's legal or fiduciary responsibility to the community.

During the two terms I served, I was offered other officer positions on the Board, but the consensus was that the go-between function I served, which seemed to work well, was of greater value to the community and the board. I also worked with the board and management company to develop the \$2 million+ budget. Then the Treasurer and I developed a news letter to explain it in simplified terms that all owners were able to comprehend.

Reasons for seeking Board Position

I believe I can contribute both knowledge and experience to further the goals of the board and the community. The four Board training sessions in which I participated were training for Condo and HOA boards. My years as an RN and then Regional Director gave me knowledge and insight into dealing with groups and individuals. I tend to be level headed and even tempered and enjoy finding ways to make things move forward while adhering to regulations and community documents. I am a very good listener, not just to what is said but to the feelings and nuances behind the words. This usually allows me to respond in a manner that informs and sooth tempers. If I don't know something, I freely admit it but will research it and get back to the questioner in a timely fashion. Obviously, this doesn't work every time but when it does both sides come to an understanding.

Briefly explain bow you will apply your professional experience to being a Board Member: As indicated above, I enjoy working with people and serving on a board. I take very little personally and enjoy providing answers, based on research of the matter at hand. There is little I enjoy more than researching the documents and statutes to ensure that the board is on safe ground with all its decisions. I feel as a newcomer to the community I can bring new ideas and knowledge to Heritage Pines in a manner that strives for unity and compromise. Thank you for considering me for a position on our Board of Directors.

ROOF INSPECTIONS

By Dineen "Dee" Robinson, Assistant Property Manager

As most of you are already aware, we have been doing roof inspections throughout the community for the past few months. We are nearly done. Please refer to the Architectural Control Policy Manual, Section 7.1 Maintenance of Property/Exterior Painting, where it states: "Owners must keep their driveway, walkway, roof and house free of mold and debris. Any stains (oil, debris, dirt) must be removed regularly."

Keep in mind, cleaning your roof will not affect the integrity of your roof. We have sought a professional opinion and have been told that the cleaning of your roof, if done professionally, will actually protect your roof. The process is called a Soft Wash. Another good tip, many villages as a whole, need their roofs cleaned. We suggest you contact contractors as a group to see if you might receive a better price. We would like to thank everyone who continue to adhere to the deed restrictions and helps us to maintain the integrity and beauty of the community. Thank you to those who have received a non-compliance letter and promptly complied. If you have any questions or concerns, please feel free to call me at 727-861-7784 or email dineen.robinson@heritagepines.net.

Everyone's vision can change with age. Some changes are normal, but losing one's vision is not a normal part of getting older. AD-HOC ELECTION COMMITTEE

By Joanne Hughes

The Heritage Pines Election Process is proceeding as planned. Monday, November 21, 2016, the HPCA Board held their annual Budget Meeting and included on the agenda nominations for the Board from the floor, as our bylaws do not allow for write-in candidates. No nominations were made at this meeting. Thus, our candidates are those that signed the Candidate Application by November 18, 2016. Seven individuals submitted an application.

Candidates for the four open Board Seats include: Jeff Edwards - Grand View Village, Ted Johnson - Country Green Village, Pat Liston - Golf View Estates Village, Linda McCann - Fairway Village, Kevin McCrystal - Heritage Glenn Village, Linda Myers - Pine Grove Village and Marie Elaine Sedlack - Grand Pines.

Bios of each candidate can be found on the Heritage Pines Website or at the front desk in the lobby. The four candidates that receive the most votes will be elected to the Board.

In preparation for January 19, 2017 Candidates Night, the Elections Committee is seeking from Heritage Pines residents, questions that they would like to ask the candidates. Please send your questions to the following email address: hpc2017elections@gmail.com.

As stated above, the Candidates night is scheduled for January 19, 2017 from 6:30 p.m. to 9:30 p.m. in the PAC at the Clubhouse. Plan to attend and hear the candidates' opinions on a variety of issues. If you would like to speak with the candidates at a more informal venue, join us for "Coffee with the Candidates" on January 11, 2017, from 9:00 a.m. to 11:00 a.m. and on January 12, from 2:00 to 4:00 p.m.

The Elections Committee is seeking volunteers to assist with collating and stuffing election package envelopes on January 23, 2017. We also need volunteers to help with the distribution of the packets and early voting on January 30th and 31st, February 1st, 2nd, and 3rd, 2017. Ballots that are not picked up on the above dates will be mailed on February 6, 2017. (The deadline for volunteering for the activity is January 20, 2017.) We also need volunteers the day of the HPCA Annual Meeting, which is February 24, 2017, to assist with the tabulation process of votes cast. We encourage anyone who has helped with the process in the past to volunteer. (The deadline to sign up to help with this process is February 20, 2017.) The sign-up sheets seeking volunteers to help with the election activities are in the lobby of the Clubhouse.

We have two amendments to the Declaration and it is VERY IMPORTANT to vote since it will take 938 affirmative votes to get these amendments passed. One amendment regarding the Subordination of Lien to Mortgage is most important since we could LOSE MONEY on delinquent accounts if it is not corrected. It has been almost impossible to get this many votes, so hopefully everyone will VOTE.

ARCHITECTURAL CONTROL COMMITTEE

By Mike Miller, ACC Chairman

A reminder, Christmas/Hanukkah & New Year's decorations REMOVAL DATE is January 10th. Inflated display items are not permitted for any holiday.

Thank you to the homeowners that submitted an Exterior Change Request (ECR) at our last meeting. All the ECR's were approved which indicates all the information required was on the ECR. No one wants their project to be delayed because the ACC could not approve the ECR due to missing information. If you are not sure you have included the required information either refer to the ACC Manual or contact the Architectural Control Committee.

A reprinting of the ARCHITECTURAL CONTROL POLICY MANUAL (ACPM) is scheduled for mid-January. The new manual, Eighth Edition, will incorporate the 16 previous changes since the Seventh Edition was published in 2014 and the recent fifteen approved RFA's (Request for Approval) by the BOD. A complete review of the ACPM was conducted in the 4Q16 which resulted in these changes. The ACC will endeavor to limit future updates to once a year.

ENVIRONMENTAL ISSUES COMMITTEE

By Rich Cuhna

Happy New Year! Let's make this the year YOU begin to Recycle!

Starting January 11, 2017, Progressive Waste Solutions will be counting the number of households that set out recycling on each second and fourth Wednesday of the month. Please help Heritage Pines increase the total percentage of participating homes. We have had approximately 52% of the residents committed to recycling for the past two years, which is good, but that also means almost half of the people that live here either are not interested in helping our environment, or they generate no trash at all (for surely some of the packages that your food comes in are recyclable).

WHY RECYCLE?

Benefits of Recycling

- ✓ Reduces the amount of waste sent to landfills and incinerators.
- ✓ Conserves natural resources such as timber, water, and minerals.
- ✓ Prevents pollution by reducing the need to collect new raw materials.
- ✓ Saves energy.
- ✓ Reduces greenhouse gas emissions that contribute to global climate change.
- ✓ Helps create new, well-paying jobs in the recycling and manufacturing industries in the United States.

All these benefits can be summed up with one statement:

Recycling as much as you can will help to leave this world a better place for future generations. That means your children and grandchildren, and your friends and

neighbors children and grandchildren. Don't they deserve a healthy, clean place to live?

HOW TO RECYCLE?

Curbside

- ✓ Please put your glass (clear, green, & brown), plastic (#1, 2, 3, 4, 5, and 7) and cans (soup, vegetables, etc.) in any reusable container and set it at the curb each second and fourth Wednesday of the month for Progressive Waste Solutions to pick up.
- ✓ Does this require a little more effort on your part? Yes, but it is really not that hard, and your Grandchildren and their Grandchildren will thank you.
- ✓ Please give the bottles and cans a little rinse before you toss them in your Recycle container (to thwart the bugs).
- ✓ Then, after they are picked up, put the container back in your garage to receive all those recyclables for the next pickup.

Here at Heritage Pines

- ✓ Bring all your paper (newspaper, magazines, white paper, and cardboard) to the Green Fiber dumpsters in the parking lot across from the Clubhouse, or by the rear gate. Or, put them out at the curb with your plastic, glass, and cans.
- ✓ Aluminum cans go in the trailer near the golf cart barn.
- ✓ HP gets paid money for all this, which gets rolled back into the community.

Don't leave it up to your children and grandchildren. HELP THEM TAKE CARE OF THEIR WORLD! Please Recycle

Wishing everyone a very special and HAPPY NEW YEAR. By now, Christmas is a memory, but not forgotten. Thank you once again for the amazing generosity, in your donations to Toys for Tots. If we could only be there, when they open their presents and see the joy on their faces. Priceless!

Mark your calendars for our next big event. February 25th 2017, is our annual St. Jude's auction. Our plans are to incorporate a one day golf tournament on Sunday, February 19. Then on Saturday the 25th, its time to grab your paddles and bid. Baskets, money trees, floral arrangements, silent auction items, fun and much more. Any and all donations are appreciated and no donation is too small. Anyone interested in volunteering for this charity, please contact Lynn Aigotti 727-862-6404 or Janette Pauley 727-378-8657. Anyone interested in having their club or activity included in our Newcomers pamphlet, please contact me at 727-378-8657 or Deborah Layne at 813-833-4865 with the information.

HERITAGE PINES CERT (Community Emergency Response Team)

Individual/Family Emergency Preparation For 2017

To ensure that you will be assisted in an emergency the Heritage Pines CERT Team suggests the following:

File of Life - Place a completed File of Life (available from Dee Robinson at the front desk of the Clubhouse) for each member of your residence on the front of your refrigerator. The Pasco County Fire/Rescue will look for these forms to assist you in an emergency call to your home.

ICE - (In Case of an Emergency) button Program can be downloaded to most cell phones. Search on-line for the ICE Program and your phone manufacturer (iPhone, Samson, etc.) and follow the instructions. Again, Pasco Fire/Rescue, as well as other national emergency providers utilize this service.

My Pasco App - In addition, if you have not downloaded the My Pasco app, this is highly suggested, as you can become aware of relevant information regarding Pasco County. This site also provides a "Report An Issue" spot where you can notify the county of dangerous/serious concerns which the county will investigate.

The Heritage Pines CERT Team wishes all residents a safe and healthy New Year.

COMMUNITY/MEMORIAL TREE PROGRAM

By Linda O'Leary, 819-9207

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. They can also be purchased as a gift, perhaps a birthday or anniversary idea. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by Heritage Pines maintenance facilities. Trees will be planted during the months of March/April and October/November. Please plan your purchase during the preceding months. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. Also, there is a book at the front desk of the Clubhouse listing information about the many trees planted throughout our community. Each page includes the names of the honoree(s), sponsor(s), tree location and type of tree. Residents may look through this book as desired.

"WILL CALL" TICKET PROCEDURE

Are you out of town, travelling, or just plain busy when tickets for a major event go on sale? No worries, Heritage Pines is now proudly offering a "Will-Call" procedure for those residents who are unable to purchase tickets the day they go on sale. The events and shows at Heritage Pines have become incredibly popular. So much so, that we are booking many events

and shows with back to back performances. Tickets are selling on the first day they go on sale! It goes without saying, that the Clubhouse has become the hub of social activity within our community.

Here is how it works:

1. Email mike.russell@heritagepines.net with the following information:
 - a. Your Name
 - b. Your Phone Number (the best one to contact you on)
 - c. Your address within Heritage Pines
 - d. The event you want tickets for
 - e. How many tickets you want
 - f. Your member number
 - g. And most importantly, you must include the following phrase in your email: "Through this email, I authorize Heritage Pines to charge my member account for the number of tickets requested. I understand that this charge will show on my monthly statement."
2. Click Send! – it's that easy...
3. Now, here are a few follow-ups:
 - a. Will-call tickets will be purchased AFTER all residents who have "lined-up" on the day of and received their tickets.
 - b. Only ten tickets can be purchased per resident account.
 - c. Tickets will be purchased in the order they are received.
 - d. We cannot accommodate residents who wish to be seated with anyone else, tickets will be sold to the first available seats.
4. Tickets can be picked up at the front desk at a time that is convenient for you!

We hope this added service comes as a benefit to you all!

NINERS LADIES' GOLF

Another year has passed and our Heritage Pines Ladies Niners League is off to a running start. It was a productive year with all committees working hard to provide golf and social events which appealed to everyone. Thanks to all of you - our tournaments, dances and various social events have been very successful and are a great way to enjoy the company of fellow members while giving back to the community. We look forward to a full schedule and encourage all of you to come and have fun with the Niners. Join a group and help to plan... or just come and enjoy the companionship of fellow golfers. New members are welcome at any time with a membership application and \$20 fee. Check the Niners' folder at the pro shop.

On November 20th, Gracie Ellis' Niners and Diners played a scramble on a beautiful Sunday afternoon with dinner following in the Fireside. The Widlowskis and Nelsons were declared winners of our famous Thelma and Louise trophies. Thirty eight players teamed up for the largest group ever. Let's try to top that number - the next game is scheduled for the third Sunday in January - 1/15/17!

The Awards Banquet was held on December 13 and a beautiful luncheon, served by our friendly HP staff, was enjoyed by all. Among the winners of many categories were the recipients of Most Improved Golfer. They are as follows: Fourth flight - Dianne Labellarte, Third flight- Kathy Robach, 2nd Flight- Betty Tincer and First flight - Daryl Maroulis. There were many birdie and chip-in awards as well as a best costume mentions for the event itself. Mary Weatherbee won first prize in this category with her glitzy holiday outfit - a fashion exclusive from Walmart itself. Betty Tincer won second with her classically beautiful red and white outfit and matching reindeer ears. Chuck Edwards claimed third with a Christmas light spectacular sweatshirt lovingly handcrafted by her granddaughter. Our President Mary Lucas thanked the Niners who help put together this happy event.

Our "Frozen Formal" Ball will be held in the PAC room on the evening of January 21st. Tickets are \$30 pp and 2017 membership dues must be paid in order to attend the event. A check with the amounts combined will be accepted. Partner up with a spouse, a friend or significant other and dance the night away to the wonderful music of All Shook Up. Dress is formal, semi-formal or dressy casual. This event is a grand culmination of good times enjoyed during the year and is truly a magical evening.

On February 7th, the Shriners' Charity Golf Tournament will be played. You do not need a handicap to participate and it is open to all members of the Heritage Pines community. Sign-up sheets are in the pro shop. There is a \$5.00 entry fee plus the cost of your nine hole round. The game is a scramble with winners drawn at random following golf. Please come and support this worthy cause.

February 21st is the day we will honor our members who have achieved the age of 80 and above! An auspicious occasion to be sure come join us for the happy event.

Round One for our Member/Member golf tournament will be played on March 7th with the Second to follow on the next Tuesday - March 14th. The theme this year will be "Swing Into

Spring" and prizes will be awarded for costumes and golf cart decorations.

ILEEN MORGAN FOUNDATION

Please join us for the Eileen Morgan Foundation's **5th Annual Golf Outing For Cancer Copay Fund**

Friday, March 10, 2017 ~ Heritage Pines Golf Club

**Don't miss the fun!
Last year was a great success!**

You have likely seen Eileen out walking her best friend Rex in the HP community. In late 2009, Eileen was diagnosed with a rare stage 3 cancer. Going through nine months of treatments she realized how blessed she was to have the financial resources to cover all her costs.

Grateful to have her health back, Eileen started the foundation to help other cancer patients financially, emotionally, and spiritually.

The **Eileen Morgan Foundation** (EIN-454409656) was founded in 2012 and is a 501(c)(3) non-profit organization established to provide financial assistance to those diagnosed with cancer, nationwide, by assisting them with their co-payments for cancer treatments.

Because we are fully **volunteer-run**, over 95% of donations are used directly to pay cancer treatment co-payments. Contributions to EMF are fully tax-deductible.

**This year we have awarded financial assistance to 4 local Floridians.
That is only possible with your amazing generosity and support!**

Snowball Showdown - December 4th

A HUGE Thank You to the four golf leagues for a great tournament and special thanks to the volunteers, contributors and donors for all the extras that made this day so memorable. ALL of the winners of golf prizes, without exception, donated their winnings Tree of Angels. The proceeds went to provide warm clothing and toys for a family of four siblings whose name was pulled from the tree the next night. The money collected for the raffle of the angel was also included with the funds for the Tree of Angels.

School, including the Principal and Vice Principal were on hand to give a short presentation. They stated that 70% of the 500 students enrolled are living at or below the poverty level. Eighty-eight of these children received several gifts each of clothing and toys. Without the generosity of our members, Christmas for these children would have been very bleak. Thank you to all involved in purchasing gifts as well as the volunteers who spent their time coordinating the delivery of the gifts to the school.

The HPLGA Holiday luncheon was held on December 6th after a rain-shortened game. Entertainment was provided by HP's Holiday Singers led by Joanne Florin on the piano and accompanied by Barb Stebler on the flute.

The ace occurred on hole number 17 and he was using a 5 hybrid from the green tees to cover the 141 yards. His playing partners were John Dyer, Fred Ballmann and Gene Gunderson. Steve didn't get to see the ball go in the hole as the pin placement was in the back and covered by a shadow. He was pleasantly surprised to see the ball in the hole as he walked by. Congratulations Steve and a belated Happy Birthday to the wife.

On Monday, December 5th, 87 people from the MGA and LGA were in attendance at the 5th annual "Tree of Angels" event. Attendee's enjoyed great hors d'oeuvre and libations and all seem to have a great time. Staff from Shady Hills School K-5 did a presentation on the school and on the needs of some of their students. Again the men and women of the MGA and LGA showed their giving spirit as there were 88 "Angels" on the tree and all were taken.

Member/Guest – The full MG Committee will have its kickoff meeting on January 11th. The MGA Executive Committee had a preliminary meeting on November 30th and we're again going to try and make it better than in previous years. MGA President Bill Stoebs appointed Scott Taveau to chair the event. Start making your plans, the tournament will be held March 23, 24 and 25th.

Match Play Championship began on December 14th. Flight winners will be reported on in the February Newsletter.

MEN'S NINERS

By Don Waitkus

Now that winter is here, the afternoons are great for playing golf. Everyone in the Niners is having a good time, so come join the fun. We have added a few new members but we are always looking to add new players. If you do not have a handicap you may still play with the league on Wednesdays while you establish one. We play a variety of games and look forward to seeing everyone on Wednesday afternoon at 12:15 with a 1:00 tee time. Everyone with a handicap is welcome. For more information about the Men's Niners contact Phil Flynn the Treasurer at 413-977-9413 or Don Waitkus the Secretary at 378-7533.

GOLF HANDICAP COMMITTEE

By Joy Stefany, *Chairperson Handicap Committee*

Happy New Year from the Handicap Committee. Now is the time for all of us to pay for our pre-paid golf fees for 2017 as well as for GHIN. GHIN is the computation service used by Heritage Pines to establish and maintain handicap information. It is a requirement to have a handicap in order to participate in league, couples as well as other events – i.e. Village Tournament, etc. It is also a requirement to POST ALL ELIGIBLE SCORES. If you have an 18 hole handicap and only play 9 holes, POST the 9 hole score. The GHIN system will keep track of these scores and combine with the correct rating/slope to make an 18 hole score. If you are changing from a 9-hole handicap to 18-hole, now is the time to make the change. Please see Rick Weber, in the ProShop for making this change.

As you are making your New Year's Resolutions, add posting scores to your list. It is an easy resolution to keep.

COWBOY ROBICS LINE DANCING

By Shirley Hartsfield, 813-758-5690

Start the New Year out right! Shirley Hartsfield, a longtime resident of Heritage Pines and her sister, Phyllis Poirtier, a dance instructor, are teaching all of us the latest and greatest line dances. Not only is it an easy way to exercise but it is just like being at a dance party. Join your friends and neighbors every Thursday morning in the PCA room from 10:30 until 11:30 a.m. We have a wonderful new dance floor. Come and try it out.

Each week we learn a new dance and review the dances from previous weeks. The instructors make it so easy to learn and to fit in, no matter whether you are a seasoned dancer or a beginner.

Men and women welcome... The cost is only \$5.00. No reservation needed. Just show up and join in the fun. Bring your friends. There are several of the ladies that stay for lunch after the class. Make sure to put the date on your calendar, and we look forward to seeing you there.

MARY GIELLA

By Wes and Penny Norton

Thank you to all the residents that have helped the children of Mary Giella. Happy New Year to all. We have had a very very good response for food, clothing, and of course Santa Day at the school. Thanks to the very special resident who paid for the lunches for the 110 children that came to sing for us. A big Thank You to the Sportsman's Club for the 10 bikes for the children. Thanks to the book club for the 10th year they have supplied over 200 books for the children. Thanks to The Angels in the Pines for all the hats and scarves. Thanks to the Toy Makers for all the toys. Last but not least to all the people that clothed the children. Wes and I were able to take beautiful packages with beautiful clothing to the school. I also would like to give a big thanks to all that continue to give us food for so many children all year long. A big thanks to Steve who has helped me with so many deliveries to the school. The school is lucky to have all of you and all of your support all year long. This has been going on for 10 years. Thanks to all who came to the concert to show the children how much you care. Thanks from Wes and me; we could not do all this without you.

HP SINGER'S

The Heritage Pines Singers will meet every Thursday at 3:00 p.m. sharp in the Conference Room EXCEPT for the first Thursday of the month. For further information, contact Joanne Florin, 1-727-515-3111. Please bring a three-ring notebook, preferably black for music.

HP BOOK CLUB

The Heritage Pines Book Club meets on the fourth Wednesday of each month. On Wednesday, January 25, we'll begin the new year with *A Chance in the World*, a memoir, by Steve Pemberton.

Taken from his mother at the age of three, Steve Klakowicz lives a terrifying existence. A fair-complexioned boy with blue eyes, a curly Afro and a Polish last name, he is determined to unravel the mystery of his origin and find his birth family. Caught in the clutches of a cruel foster family, Steve finds his only refuge in a box of books given to him by a kind stranger. From one of those books, he learns that he has to fight, in any way he can, for victory is in the battle.

A CHANCE IN THE WORLD is the unbelievable true story of a wounded and broken boy destined to become a man of determination and resilience.

Everyone in the community is welcome, so please come and join our discussions. If anyone has any questions about the Book Club, please call Judith Chase at 862-4545 or Mary Lou Ballmann at 862-1438. Happy reading!

SHALOM CHAVURAH

Our group is open to all new and established residents of Heritage Pines. We look forward to meeting and getting to know you. Please join us. An Oneg follows the prayer service. Chavurah meets on the first Friday of the month in the Craft Room at 7:00 p.m. If you have any questions, please call Sheila Schwartzman at 863-8802. We look forward to seeing all of you.

Shalom Y'All

MONDAY LADIES BIBLE STUDY

Our non-denominational group of women love Bible Study so we meet Mondays from 9-11 a.m. in the Magnolia Room. We will begin a new study starting on January 9. Our focus will be on the Book of Acts with special attention to the major apostles such as Peter, John and Paul. We will also look at some of their epistles, especially those of Peter and John. Paul wrote so many that we will study them at a later time. Our Bibles will be our main resource for this study. We love to have new ladies join our group. Many of us can testify that this is our favorite activity in Heritage Pines because we have formed great friendships as we have searched together for better understanding of God's word and His will for us. Whether you are brand new to Bible study or experienced we invite you to come and try us out. If you would like more information about us or our topic, please call Carole Hopkins at (727) 697-1664 or e-mail her at oceancarole@gmail.com.

WATER AEROBICS

By Denise Mallek

Recent Research

It is proven doing water exercise two to three times a week can have significant improvements in strength, flexibility and cardiovascular health. It can also decrease the risk of disability, improve balance and increase your ability to perform daily activities with ease.

Heritage Pines folks don't realize how fortunate they are to have this form of exercise right at their fingertips with a United States Water Fitness Instructor who is certified.

1. Less joint impact: The buoyancy of the water reduces joint loading, which is particularly beneficial after joint replacement as well as to help manage chronic pain. "Less joint stress" was reported by all of my clients as a key benefit. *"Water exercise was recommended by doctors. After knee surgeries, it is the only low-impact exercise I can do."*

2. Total body training: Water provides multi-directional resistance, making it easier to enjoy a more balanced workout. For example, on land arm curls targets the biceps both on the way up to lift the weight against gravity and on the way down to control against gravity. In the pool, it's different. Resistance is everywhere. Try this same move. On the way up, biceps work against water's resistance, but the triceps must engage to resist against water on the way down. *"Water exercise gives me a full body workout. I have gained strength and stamina!"*

3. Reduce joint and muscle pain: Gentle exercises help to improve circulation and hydrate the muscles. Multi-directional moves help to pump nutrients to the joints helping to reduce joint and muscle pain experiences constant arthritic knee pain: *"Water exercise is the only exercise that makes my knees feel better."*

4. Gain more mobility: We can move more freely in water. Regular participation will reduce stiffness and make movement on land more comfortable. *"Water exercise helps keep my back limber."*

5. Improve heart health: Water exercise is a great low-impact aerobic activity. Depending on your fitness level, options from walking to high intensity intervals – each have a positive impact on cardiovascular health. Even very fit, 20 year-old says: *"I get a great cardio workout in the pool ... just the same as on land!"*

6. Build better balance: Water supports weak muscles and helps minimize the fear of falling. It provides confidence as the body is constantly challenged to stabilize against the continuously moving water. Try rhythmic moves to improve balance. For example, trying jogging; Right Foot, Left Foot, Right Foot – HOLD (on right). Then, Left Foot, Right Foot, Left Foot – HOLD (on left). Repeat several times.

7. Stay cool: What better way to burn hundreds of calories than staying cool while you work! Since water is cooler than your body temp, the heat flows away from your body and results in feeling as if you are never "breaking a sweat." *"Water is so refreshing! I love being able to exercise outside."* Most importantly keep moving.

THEATER NEWS

By Lee Gebhardt

We hope everyone had an enjoyable holiday season and are now ready to begin the new year.

2017 is going to be a very busy year for the Theatre Club. January has a Tribute to Carol King at Ruth Eckerd Hall on the 12th, Beauty and the Beast at Show Palace on the 14th, Divas Through the Decades at Show Palace on the 27th and Cabaret at the Stratz on the 28th. If you are interested in attending any of these shows, be sure your name and phone number are listed on the appropriate sign up sheets in the Library Theatre Book. The money for all January shows should have been paid in full by now.

We will keep you up to date on scheduled shows in the months to come but it would behoove you to keep yourself abreast of things to come, by visiting the Library Theatre Club book from time to time. Remember, a \$25 deposit per person is due at sign up for shows at Ruth Eckerd and Stratz. Show Palace money is due 30 days prior to show date. If you have any questions, be sure to contact one of the Theatre Club staff Marcia Gerber 819-1662, Betty Plante 863-8462 or Lee Gebhardt 819-8596.

DRAMA CLUB

By Paul Mattes and Sally Coppola

Your drama club wishes everyone a Happy New Year! Being our 15th year, we plan great entertainment for our residents in 2017. In reviewing 2016, it is time to ask the question: "What does the Drama Club mean to the residents of Heritage Pines?"

For our members: it means opportunities to use our creative and technical talents. In 2016 approximately 50 people were out there entertaining us, either on stage or manning lights, sound, costumes, etc., several for their first time.

For our audiences: it means wonderful entertainment at extremely reasonable prices, without the need to leave the premises. Anyone who attended all three of our shows (the radio show in September was free) was entertained at an average cost of \$6.67 per show. (\$10 + \$10 + \$0/3). Other community theaters charge around \$20.00 and professionals at least \$35.00 per ticket. We entertained approximately 900 people in 2016.

Here are some comments from our latest show:

"Funny," Pat Rampage;

"Excellent in every way," Linda Sivernail;

"Really was great!" Linda Myers;

"Wonderful, everyone looked like they were having so much fun," Anita Tavares;

"It was a great show, acting was fabulous, thoroughly enjoyed it," Kathryn and Myron Wright;

"What great talent HPCA has and was brought out by the directors. Sheer fun to watch," Harvey and Jean Hellman;

"My husband and I saw the presentations of "Death of a Dead Guy" and "Scrooge Makes Up." Both shows were very enjoyable and it's obvious that the cast worked very hard and put in a lot of hours. We enjoyed it very much," Carol Stock.

DRAMA CLUB cont'd

For our facilities and outside groups: generous donations were made to charities and to Heritage Pines, either in cash or in equipment. We intend to be generous wherever and whenever we can. We donated to St. Jude's and Toys for Tots in 2016.

We will kick-off 2017 with an encore of "Twelve Angry Jurors" which was the first show we produced, in 2003. There will certainly be several new faces for this show as we have lost several of our first cast in the last 15 years. But a few of us hope to be involved for a second time. Dudley Saunderson will direct this production. Set aside March 31, April 1 and 2 on your calendars. Happy New Year from your Drama Club! See you in 2017. Better yet, join us!

GENEALOGY - Who's Your Daddy?

By Sherry Churchill

In the Bible, Genealogy begins with Adam and moves forward in time, affectionately known as "the Begats". But Genealogists move backward in time, beginning with you; and your family tree is a wonderful gift to your children and grandchildren. To create your personal family tree, start by writing down your birth name, along with birth date and place. Include marriage dates, siblings, and any other information you deem significant.

Next, list the same information on your birth parents. (You are free to trace the lineage of an adopted or step parent, although genealogy usually deals with bloodline). Then, you will list all four of your grandparents, and so on, as far back as you can go.

It is important to include in writing, via documents or source notes, anything official that "proves" your information. Examples are birth or death certificates, obituaries, photographs, marriage or divorce certificates, wills, property deeds, etc. Other sources for information can be found in Family Bibles, old letters, and corroborating stories from other relatives or researchers.

Most folks love to see how far back they can go; some prefer to learn the stories surrounding more recent ancestors. The farther back we go, the less reliable the information may be, unless you happen to be lucky enough to find a famous ancestor or royalty, for whom books have been written and their lineage documented. Accordingly, information and "proof" may be plentiful. But it is also fascinating to simply study an ancestor in relation to his or her occupation, and what they might have endured during their life. Widowed at an early age? Fled from an invading army? Genealogy is history and geography brought to life. We are the product of our lineage, and it is good to know our own history. But beware! You might uncover something scandalous! In fact, you probably will if you keep at it!

The HP Genealogy Club meets monthly to help each other and share what we've learned. Beginners and the 'simply curious' are welcome to attend. In 2017, we are scheduled to meet the 2nd Saturday of each month in the Magnolia Room, 1:30 p.m. – 3:30 p.m. For more information, call or email Sherry Churchill. Also check out our page on the website under Clubs and Groups. There, you'll find term definitions, online resources and blank family tree forms. Happy hunting!

HERITAGE PINES SOFTBALL

By Jeff Mariano

We had a total of three practices since our last article in the December Heritage Pines newsletter. These practices were held on December 2nd, December 9th and on December 16th. Turnout for these three practices have been lower than usual since many of the players went back north for Thanksgiving and will not return until after the Holidays.

We had 13 players at the December 2nd practice and only nine players at the December 9th practice. This is low compared to our five previous practices in November where we averaged 18 players per practice. Therefore, we were not able to play any games this month since we need at least 16 players to have two eight player teams for a game. So, everyone just had good batting and fielding practices this month instead of playing any five inning games. Each player was able to get at least 30 hits per practice.

The following players participated in at least one of these practices during December: Carl Benson, Bob Ceurvels, Kerri Childress, Mel Delgado, Al & Christine Grosso, Roger Huff, Paul Katzenbach, CB King, Ron Krow, Ric Layne, Jeff Mariano, Rich Mariotti, Kevin McCrystal and Bill Reuter.

Here is the schedule of practices for the beginning of the New Year: Friday, January 6th; Friday, January 13th; Friday, January 20th and Friday, January 27th. We look forward to seeing all our players back at the first practice of the New Year.

***We want to wish all of our players a
Happy and Joyous New Year!***

ASK THE TECHIE

Q: Recently my Yahoo email had been hacked. My email account was being used to send SPAM messages to people on my Contact List. I called Yahoo at a number I found on the Internet to request assistance in changing my password. I allowed the person to take over remote control of my computer. He told me that my computer, printer and Internet connection were all infected and I needed to pay several hundred dollars to have these problems corrected. I hung up and contacted you for assistance. Was I actually speaking to Yahoo support or was this a scam?

A: This was definitely a scam. The free email providers: **Yahoo, Hotmail, Gmail** don't normally provide phone support. They typically provide support via their web sites or via email from their technical support departments. If you actually reached a **Yahoo** support person they would not have charged you to change your password. They also would not have done any troubleshooting of your computer or printer.

One must be careful when searching the Internet for contact information. Anyone can create a web site representing themselves as affiliated with a technology company. This is the case with technical companies but also with banks, credit card companies other financial institutions even the IRS. If you are looking for contact information the best place to look is at their web site. Look for a **CONTACT US** link somewhere on the site.

If you ever allow someone to access your computer remotely and feel they may not be who they say they are, I recommend you **IMMEDIATELY** have your computer checked for viruses and other monitoring software. Monitoring software may be used for unauthorized access to your computer without your knowledge or permission.

Similarly, if you receive an unsolicited phone call from someone claiming to be from **Microsoft, Symantec** or **Hewlett Packard**

telling you that they have detected problems on your computer and want to access your computer, hang up immediately. This is **DEFINITELY** a scam.

Q: My computer is running slowly and I suspect it may be infected with a virus. My neighbor suggests I use Windows System Restore to correct this problem. Do you agree that this will fix my problem?

A: System Restore is a very powerful tool that I occasionally use to bring a troubled computer back to life. However this tool should be used **ONLY** as a last resort when all other corrective actions have failed. Depending on how far back the restore is done the system may not always complete the process successfully. I've seen systems that have been restored multiple times fail completely requiring replacement or Windows reinstallation.

If the **System Restore** appears successful, you should verify that the virus has been completely removed. Often the virus, if not completely removed, will reinfect the system again after a short period of time.

TABLE TENNIS, BOWLING & PICKLE BALL

Big balls! Little balls! Great for your physical, mental and emotional health!

So many sports that we choose to engage in involve balls. Heavy as a bowling ball, big as a basketball, or as little as a tennis, wiffle, ping-pong, billiards ball, the movements involved are good for your physical, mental and emotional well-being.

Bowling

Did you know that on the second and fourth Saturday of each month. Heritage Piners meet at Spring Hill Lanes (19 North) at 6:45 p.m., for non-competitive play. We pay a special rate of \$2 per game. After bowling we head off for some sweets or coffee and sweets. Join us for a really fun night. You just need to show up!

Table Tennis a.k.a. Ping Pong: Twenty years ago????

It's fun to hear residents passing by while we are ping-ponging. We often hear, "Oh! I played and was good at that game twenty years ago!" Hmmmm? Better rethink that number. But, it's like riding a bike. Just a bit of practice and you're in the groove again. Oh! And want to lose a few inches, rebuild a few muscles, feel that heart beating, just try it for a great aerobic workout that burns lots of calories besides helping those impinged shoulders and tight hips. Join us for some fun days playing ping pong. Come to the PAC Room on Thursday mornings at 10:30 a.m. Please call Francine Raggi-Collins at 727-868-5152 for more information.

Remember, the ping pong tables and paddles are available at all times except if there is a special event or meeting going on in the PAC. Call the front desk at any time to find out if the PAC room is free and come up with your friends, relatives, grandchildren, and children, etc. to spend some great time together. Just do it!

Pickle Ball

Pickle ball can be a great option for your physical fitness routine. Some have noted that playing pickleball has improved their memory, blood circulation, and energy levels, reduce stress and help with weight loss plans. According to an article on livestrong.com by Ryan Gargulinski, the benefits go even further:

Although you're burning calories and boosting your mood, you are not putting yourself — or your joints — at high risk, according to pickleball canada. The wiffle ball is fairly slow-moving and much lighter than its tennis ball cousin or its racquetball distant cousin. Even if you do get hit with it, you won't suffer the same severity of injury of a denser and faster ball. The courts are also about half the size of a tennis court, which means less running around than tennis, another factor that keeps the intensity low.

We are hoping that some day Heritage Pines finds an appropriate place for our residents to play here at HP. In the meantime, if you want to play or learn to play, call Francine Raggi-Collins at 727-868-5152 for where to go to play.

These would be hosted by our various members. Stay tuned for more information about tennis clinics. Membership is 87 strong but we have much room to welcome more.

TBD: Annual ROMEO Picnic at Heritage Pines. This event is being managed by Don Galloway, Mary Sacher and Jeff Mariano. A meeting with Clubhouse management has been scheduled to determine the best time for this event. This event will be held in the newly constructed pavilion area near the Heritage Pines tennis and bocce courts. Coffee and donuts will be provided by the ROMEO Club and the Clubhouse Food and Beverage Service will be providing the food for the buffet. This is an extremely popular event since we have had well over 100 attendees in previous years. Tickets will go on sale at the front desk in February. Our ROMEO secretary (Skip Scott) will be sending out a memo with the ticket sale date and cost to attend after our meeting with Clubhouse Management.

April 30th: ROMEO Bocce Tournament at Heritage Pines. This is being managed by Jeff Mariano and Mike Kienzle. As most of you know, we can only accommodate 32 players on the Bocce court at the tournament. Therefore, we would suggest that anyone who wants to participate sign up as soon as they can since we already have four folks signed up; i.e., Jerry and Jane Melito and John and Linda Silvermail. The cost to play will be the same as last year; \$5 per person and monetary prizes will be awarded. Signup requests should be sent to me (Jmariano@tampabay.rr.com).

ROMEO Club Recently Completed Events

November 6th: ROMEO Turkey Trot Dinner/Dance. As a result of this event, a donation of \$200 will be made to the Mary Giella Elementary School this month.

December 23rd: ROMEO Breakfast for December Meeting. Our December breakfast buffet started at 9 a.m. We have changed the start time from 8:30 a.m. to 9 a.m. to help increase attendance at these breakfast meetings. After everyone finished their breakfast, we inducted new ROMEO Club members one of which was Dick Tavares. Dick received his ROMEO hat and ROMEO shirt.

Sunshine Committee

Our Sunshine Committee is responsible for sending out condolence and get well cards. Good news is, this month we only sent out one get well card and only one condolence card. We hope our members will keep us posted when they know of any ROMEO member or ROMEO relative that should be receiving a card. Send info to our ROMEO Secretary (Skip Scott) at frog44@gmail.com.

Do you have friends interested in joining the ROMEO Club? Have them call Mike Miller at 727-869-3959 or Al Sacher at 727-862-0123 or you can send Mike an email at mmiller3452@tampabay.rr.com.

FRIENDLY QUILTERS

The H.P. Friendly Quilters are a group of women (men are always welcome) who get together to enjoy each other's company, sharpen their quilting skills, or would like to learn how to quilt. They also donate their time to work on projects for those in need. Meetings are held on the second and fourth Fridays of the month from 12 p.m. to 3 p.m. in the Craft Room. The second Friday of the month is when we work on a service project for a charity of our choice, and the fourth Friday is our "sew and tell" day as well as doing either a group project or working on individual quilting projects. We love to teach newcomers quilting skills, and this group of women has a tremendous amount of skills to share.

A social hour has been known to follow in the Fireside bar after the meeting. So come see what we're all about, we'd love to have you!

Don't forget, we are always in need of fabric donations for our charity work and we'd be happy to make arrangements for pick up. Call Faye Philie at 727-697-0505 with any questions.

ANGELS IN THE PINES AND THE TOYMAKERS

By Vicki Hoffman, 727-378-6800

All of our hats, scarves, gloves and toys have been distributed to our three schools; Shady Hills, Mary Giella and Hudson Elementary. The childrens' smiles will stay with us as we begin again in mid to late January to prepare for the 2017 distributions. The Angels and ToyMakers will be taking some time off in December to be with and enjoy our family and friends.

The Angels and ToyMakers are very grateful to anyone who has given their time to make such beautiful hats and scarves and created some amazing wooden toys with such beautiful detail.

If you would like more information about joining the Angels in the Pines who meet on Sunday afternoons from about 1:00 p.m. until about 3 or 3:30 p.m. Call Geri Brousseau 727-861-2224 or Phyllis Matheson 727-861-5546 for the ToyMakers.

The Memorial Magnolia Tree for our dear founder Kathy Hendrickson has been planted on Grand Club Drive as you drive into Heritage Pines on the right. It is standing between two large Pine Trees before BrookLawn Drive. Geri has also ordered a brick in Kathleen's memory. When the brick is ready I will take a picture and let you know where it will be placed. Happy New Year to all!

SPORTSMAN'S CLUB

The members of the HP Sportsman's Club send our best wishes to all for a Happy and Healthy New Year. This past Christmas, The Heritage Pines Sportsman's Club raised enough funds to be able to present brand new Bicycle Outfits (bike, helmet, bell, lock and tire pump) to thirteen students of the Mary Giella Elementary School. This exceeded our original goal to donate ten bicycle outfits. Many thanks to all who participated in making this holiday season a wonderful one for these kids! Special thanks to Joe Rubino and Howard Stringer for spearheading this project. Many thanks to Mary Ward and all those helping to make this year's Christmas Party a resounding success.

The Sportsman's Club meets on the second Thursday of each month in the Magnolia Room at 11:00 a.m. This meeting usually lasts about an hour. Afterward, some enjoy lunch together in the Clubhouse. Our January meeting is scheduled for Thursday, January 12th. Annual Club Dues of \$25.00 were due January 1, 2017. If you haven't paid please bring your check to the January meeting.

Club activities include: bocce, pistol and rifle target shooting, clay target shooting, horseshoes, fresh and salt water fishing, biking, canoeing and kayaking. Everyone with an interest in these and other related activities is welcome to join us.

Bocce players have now begun playing on Mondays at 10 a.m. on the bocce courts. Come out and join the fun. Observers and players of all skill levels are welcome. In alternating two week intervals those who shoot trap, skeet, five stand and crazy quail, form groups and on Wednesday mornings, carpool to either the Silver Dollar Shooters Club in Odessa, or to Robinson Ranch in Dunnellon.

Car pools usually leave the community around 8:30 a.m. Silver Dollar and Robinson each offer traditional trap, and skeet shooting in addition to other shotgun games like crazy quail, and five stand which are also a lot of fun. Those needing a ride should call Mike Milkowski at 516-857-2229.

Rifle and pistol target shooters usually shoot at The Phoenix Gun Club on Wednesday or Friday mornings. Check out the Phoenix website for their range schedule. Interested in doing some kayaking or canoeing? Give Howard Stringer a call at 727-204-0603.

Bicycling outings are being arranged by Pat Lanphier. Pat can be reached at 352-686-6598. If you like to bike, call Pat.

Spirituality – Becoming a Romans 12 Christian." This study has twelve DVD lessons. The book with the same title is available for \$12.00, and we will be using the book for our discussions.

On January 24th we will meet in the Conference Room of the Clubhouse from 1:00 until 3:00 p.m.

Finally, on January 31st we will meet in the Magnolia Room at 9:00 until 11:00 a.m.

The following is from Chips Ingram's notes on the study. God never intended for us to be unsure of what a real relationship with Him would look like. God's idea about faith is not about rules or religion, it's about relationship. That is where God tells us to start in Romans 12. God gives us a clear picture of what Christians should look like at the root level. If you are ready to move from "in" to "all in" then you are ready to become a Romans 12 Christian. The next steps of your journey toward true spirituality start here.

BUNCO

Well, the holidays are all over and now instead of the winter doldrums, we can get out and play Bunco again! Our first get together for the new year of 2017 will be played on Thursday, January 26, in the Magnolia Room and will begin at 6:30 p.m. promptly. Remember that we can only accommodate 36 people so try to get there early and bring the appropriate envelopes. If you have any questions please contact Marcia Gerber at 819-1662 or Betty Plante at 863-8462.

LIBRARY NEWS

The Holidays are over, all the decorations are packed up till next year and company is gone. In addition, the weather is getting cooler. What a wonderful time to find a good book to "cozy up" with and spend some time relaxing. Our Library offers such a great selection of books - the latest best sellers and old favorites. So many to choose from and no due date! Please come in and spend some time choosing the perfect book or two.

Remember, fiction books are on the right-hand side of the Library and non-fiction books are on the left-hand side. Paperback books are on the shelves to the left of the doorway and do not need to be returned. Please place all returns and newly donated books on the cart on the north wall. Unfortunately, we are unable to accept magazines, catalogs, puzzles and books of limited appeal. Please contact Mary Lou Ballmann (727-862-1438) or Susan Bell (727-868-4261) if you have any questions.

NEW BEGINNINGS BIBLE STUDY

Led by Judy Peterson, judylpeter@icloud.com

Have you been overwhelmed with Bible study and consider that the Bible never made sense to you? Then this study is for you!

The Stranger on the Road to Emmaus

This is a video series with discussion questions that explains the greatest of Bible themes clearly and logically. Rather than focusing on a part and missing the whole, the video teacher chronologically binds together the entire text into one great universal drama. When you are done watching it you may find yourself believing "the Book" like you never have before. There is no need to purchase a thing. If you have a Bible, bring it. I email the discussion questions to you each week.

You are welcome to just sit in and see what the study is like. Experience a group of friendly, non-judgmental women who share your desire to know more about God. We meet Mondays from 1:30-3:30 in the Conference Room on Monday, January 23rd, find us at Judy Peterson's for a salad-bar luncheon and the lesson in her home! Call Judy for more information, 603-833-0646.

LADIES BOWLING LEAGUE

By Pam Cegla, 727-844-8298

This year the Heritage Pines Ladies Bowling League split their season into two sessions. The second half of the season will begin on January 11 and runs until April 26. We encourage new bowlers (or those who have not bowled for a long time) to join us. Bowling is easy, the rules are easy to understand and a computer keeps the score. It makes for an enjoyable afternoon with friends and neighbors.

Ours is a non-sanctioned league that enables women of all abilities and bowling experience to have a good time. Little or no bowling experience is needed to join our league. All women in Heritage Pines are eligible to join us on Wednesday afternoons at 1 p.m. at Spring Hill Lanes on Commercial Way. We welcome anyone who would like to join a team and also anyone who would like to be a sub and fill in when a regular bowler is traveling or has another commitment. For more information or to sign up, call Pam Cegla at 727-844-8298 or email at pcegla@tampabay.rr.com.

Remember These Dates:

January 4, 2017: Last day of first half bowling season

January 11, 2017: First day of second half bowling season

April 26, 2017: Last day of bowling for the season (9 no-tap series)

TAI CHI CLASS

By Rich Cunha, (857-3044), taichienvirorich@gmail.com

Tai Chi – Beginner – Tuesday at 8:30 a.m. in the PAC

Tai Chi – Advanced – Thursday at 8:30 a.m. in the PAC

Qigong (Chee Kung) – Saturday at 8:15 a.m. in the PAC

“Playing” Tai Chi / Qigong Rather than “Working” at it

Most of us approach exercise as work. Something we need to do to get or stay healthy. Therefore, we usually have to motivate ourselves to get on the treadmill, go to the gym, or aerobics class. If something is fun, we look forward to doing it (like my wife can't wait to attend water aerobics).

Let's make Tai Chi & Qigong fun! You start Tai Chi to fix a problem; improve balance, help arthritis, lower blood pressure, etc. Let go of all that. Come to class and practice at home to breath, loosen, and play. When you have fun, you keep coming, and keep practicing. All the benefits of Tai Chi and Qigong come over time; the movements evolve and deepen over time; and the process is an enjoyable one, with no pressure, no measurement, and no criticism.

How do you measure your progress in Tia Chi without any “ranking” system like Karate or Kung Fu? If you feel better, you are more relaxed, you get depressed less, and your balance improves; then that means your Tai Chi has gotten better.

Chinese New Year

January 28, 2017 is the date of the **Chinese New Year 4714 “Year of the Rooster”**. Roosters are said to be the most motivated animal in the Chinese zodiac, and make their careers a priority. They are hard-working and able to deal with a variety of jobs due to their multiple talents.

HAPPY NEW YEAR!

May 2017 Be Healthy & Hearty For You All!

BILLIARDS FOR EVERYONE

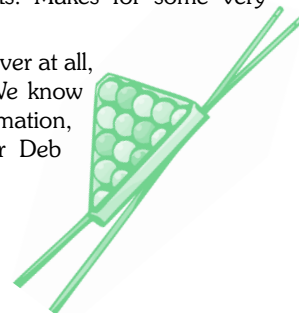

By Deb Tribbey

If you haven't played pool (billiards) with the Ladies, or the Couples Groups then you are missing a lot of laughs and fun. We do not have a league, but we do have some talented players who are very patient and are helping all of us to improve our game.

The Ladies Group plays on Wednesdays from 1 p.m. through 3 p.m. and on Thursdays from 9:30 a.m. through 11:30 p.m. The “ladies” are always willing to welcome new players and teach novices. Simply drop in to play either Wednesdays or Thursdays in the billiards/card room at the Clubhouse.

Then we also have a Couples Group meeting to play on Saturdays from 2 p.m. through 4 p.m. This consists of beginners to some amazingly skilled generous players who want to share their knowledge while still having a good time with their partners. The comradery and support that everyone gives each other, whether a good shot has been made or a miss, makes the afternoon a lot of fun while giving you an opportunity to meet some new residents. Makes for some very interesting matches!!!!

If you played pool “back in the day” or never at all, please feel free to drop in and join us. We know you'll enjoy it like we do. For further information, please call Ruth Stickel at 869-7848 or Deb Tribbey at 857-6583.

Redefining the Concept of Personalized Care

"His caring bedside manner and conservative treatment options put me quickly at ease...Dr. Higgins' staff complements him as well by presenting themselves as a well-oiled machine." – Valerie C.

During the first appointment...unlike what I have experienced in other offices the nurse did not turn her back to me while asking questions but continued to smile and worked to maintain eye contact while writing notes for my chart. When Dr. Higgins entered the room, he answered all the questions I had, and many I had not thought to ask. I never felt rushed so he could get to his next patient or bullied into a particular treatment option." – Kristen J.S.

PINES GLEN

Congratulations to the Pines Glen golf team who won the All Villages tournament back in November for the third time in four years. Frank Guggisberg was the team captain with team members Ron Burrows, Bob Klepps, Mary Ann Snyder, Harold Wasylenka, and Linda Klepps.

Jackie Ruth hosted a Holiday Cookie Swap on December 12. A wide variety of cookies were shared and each participant went home with a good supply of cookies to munch on over the holidays. Thank you Jackie for a wonderful afternoon with friends.

The Pines Glen Holiday Dinner/Dance was held on December 15 with entertainment by DJ Matos. Over 90 residents and friends attended. Thanks to Barb Warren and the decorations committee for the beautiful centerpieces.

Our next Village dinner will be at the Clubhouse on January 21. If you would like to attend, please contact Rosemarie Jonasson, 727-233-6486.

Next year's co-chairs for the Pines Glen Social Club will be Jackie Ruth and Terry Lucas. Our thanks to our co-chairs Toni Arevalo, Laura DeMattei, and Barbara Warren for the great job they did for 2016. Also thanks to Terry Lucas for coordinating our 2016 village dinners and Eileen Weber for all the emails that keep everyone informed of what is going on in Pines Glen. Rosemary Corrao who was in charge of membership for 2016 will continue in 2017. Any Pines Glen resident who would like to join the Social Club should contact Rosemary.

Rosemary Corrao also has special pricing for a seven day cruise on Royal Caribbean's newest and largest ship, The Harmony, sailing from Fort Lauderdale on November 11, 2017 to the Western Caribbean. Transportation to Fort Lauderdale will be available for an additional fee. Contact Rosemary, 727-862-6464 for pricing information.

VILLAGE ATTIC

The village attic is maintained by residents within the community. Your neighbors store items to lend when company comes into town. The list can be found on the Heritage Pines web site under social, as well as in the binder at the front desk. Please contact the person on the list and make the necessary arrangements. Any questions, please call Betty Plante 863-8462 or Marcia Gerber 819-1662.

Pine Meadow Village Canal Cruise

Thirty Pine Meadow Village residents and guests enjoyed an evening cruise with Captain Bob out of New Port Richey on Sunday evening, December 11th. The water was calm, the evening mild, and a with a great spirit of Christmas, we sailed out to catch a glimpse of the sun set which is always a beautiful sight. We then cruised the canals of New Port Richey, and were treated to the wonderful hospitality of home owners who came out to greet us. Many of the homes, docks and boats were beautifully decorated for the holidays, and we were lucky enough to catch the annual boat parade. Pictures on page 61. We extend a special thank you to AJ Reichardt for organizing and hosting this fun event. We look forward to a summer cruise to an island for a beach BBQ. Details to follow. Thank again to all who participated.

PINE GROVE VILLAGE

An Active and Generous Community

By Linda Myers, Pine Grove President, Lm1jinx@aol.com 727-233-6226 or 517-881-7302

Since the return of our seasonal residents, Pine Grove Village, an already busy and friendly community, became even busier. We welcomed several new residents and are hopeful that they feel welcome to join us in the different activities.

Thank you Barbara Fullerton for heading up our Thanksgiving Donation Project to provide a Holiday Meal to a family at Mary Giella Elementary School. It was so successful, as we received enough food to provide for three families during the week of Thanksgiving. Thank you everyone in the village for making a food and/or monetary contribution to this project.

November 16, 2016, was Women's Day for Pine Grove Village. Over forty women from the community met at the Clubhouse for a women's social luncheon. Everyone introduced themselves with short anecdotes to become better acquainted with each other, which was followed by a delicious lunch prepared and served by the Clubhouse staff.

A shout out and thank you goes to Lillian Patla for taking the responsibility of collecting donations from Pine Grove residents for the Heritage Pine Staff Christmas gifts. Lily's work on this project is greatly appreciated.

The Pine Grove Village annual Holiday Dinner was held at the Clubhouse on December 12, 2016. All arrangements were made by Gene and Diane McEntee. Thank you, Gene and Diane. Everyone was in the holiday mood and a great time was had by all.

Many village residents get together every Tuesday and Saturday evenings for dinner and entertainment at the Clubhouse. Both music night and karaoke are very popular and is enjoyed by many residents. Our residents are active in golf and other club amenities every day. We are a very active village. Other activities are being planned for the new year.

Pine Grove Village has a new look. We have just finished having the exteriors of all villas painted in a beautiful Toasted Almond or Summer Suede color with a darker Cabot Trail trim. You will find the front door panels of Cabot Trail (Dark Tan), Brick Dust (Red), Sarsparella Dark Brown), or Cavalry (Dark Blue). Door colors vary from resident to resident. We are all enjoying the new look.

Here's wishing everyone in Heritage Pines a Happy and Prosperous New Year!

Mark Hashim, MD

Compassionate Care

At The Herbal Clinic, MD, we believe the best type of medical care is the kind where patient and doctor discuss options - together - in order to find the right solutions. Medical marijuana is an optimal option to standard opioid narcotic treatments, allowing for non-addictive pain relief.

Entirely Natural

Our medical marijuana treatment is entirely natural. We partner with quality verified dispensaries throughout Florida to provide exactly what our patients need. Low THC, non-invasive applications ensure that the process is as natural and effective as possible.
