"BUILDING THE COMMUNITY"

## MESSAGE FROM HERITAGE PINES BOARD OF DIRECTORS

### BOD Update:

Spring is in the air and our seasonal residents will soon be departing for many other locations to visit, once again, with friends and family. We wish them a safe trip and promise to "hold the fort" till they return.

Ken Brown, our interim general manager from Elite Club Associates, came onboard and shared his many years of expertise and management skills with us. We would like to thank Ken for his helpful assistance this past month.

During the month of March, we also said farewell to F & B Manager, Cindy Lynne and Executive Chef Steve Aheimer who were significant members of our management team. At this time, we would like to officially welcome our new F. & B. Manager, Nancy Kelley, and Executive Chef, Ivan Vazquez. We wish them a successful future at Heritage Pines.

Four management companies gave presentation to the residents and BOD regarding the services their respective companies could provide for Heritage Pines. The decision to hire a management company or general manager is forthcoming.

Many residents signed up for various committees this past month. Committee chairperson/co-chairs were announced the end of March. Committee members will be selected after completion of all candidate interviews. Thank you to all residents for their interest and interest in serving within the community.

## MEMBER / GUEST TOURNAMENT March 6-8

There was only one word to describe the 2008 Member/Guest Golf Tournament and that was GREAT!

Planning Committee members were: Larry Churchill, Dick Talty, Mel Letterer, Mike McCann, Linda McCann, George Williams, Mike Gallo, Tim Lichtenberg, Stan Ely, Bob Kunde, and Kevin Burnsworth.

The weekend began with optional practice rounds on Thursday, followed by a welcoming cocktail party and dinner.

Friday morning was windy, but rain free. After a continental breakfast the first round of competition was played. During the morning round, thanks to Cheryl Armstrong's hard work, the ladies enjoyed a fashion show of golf and tennis clothing, along with a jewelry sale and were later joined by their husbands for lunch at the conclusion of the round.

After the luncheon the men had their Skills Challenge competing in three categories: a 100-yard shot, a 20-yard shot, and a 30-foot putt.

On Friday night, Lynn Slimmer did a great job as DJ for a gala dinner/dance that concluded the day's events. The meal was fantastic, as usual, and everyone worked off the calories by dancing until 10:00 p.m.

The final round of competition was played Saturday morning. Again, WINDY but rain free! A luncheon, awards ceremony, and prize drawings completed this year's Member Guest Golf Tournament. The Flight winners are.....DRUM ROLL PLEASE!.....

## Weekly Event Payouts

Ideally there are an equal number of players in each flight, but sometimes there are multiple players at the break point so there will more players in one flight than another. For example: Say there are 40 players so the ideal would be to have 10 players in each of four flights, therefore \$20 to pay out (\$2 per player times 10 players per flight). However as it turns out, the break point on this day to try to achieve 10 players in the first flight is at a handicap of 18, but there are 3 people who have an 18 handicap. If there were already 8 people with handicaps below 18, those three additional will cause the first flight to have 11 players and \$22 to pay out (11 players x \$2). Hopefully this explains why there are sometimes variations in the number of people per flight and the money paid out in each flight.

## High Country-Barb Domst & Carolyn Gallo

High Country is an organized Interclub summer league consisting of eight (8) clubs in Citrus, Hernando and Pasco Counties. Participating clubs are: Heritage Pines, Seven Rivers, Sugar Mill Woods, Southern Woods, Silverthorn, Glen Lakes, the Dunes, and Hernando Oaks.

The format is a team match play event: One better of Two (net) scores. Two players from each club play against two players of an opposing club. A total of eight (8) Heritage Pines players (plus 2 alternates) are selected from the sign up sheet beginning with the lowest handicap indexes available for that date. Any player from our league can sign up. Everyone plays in at least one match is eligible to play in the Jamboree. Matches are played according to USGA Match Play rules. The cost ranges from \$23 to \$27. Sign up sheets can be found in the pro shop in the red binder. Any questions contact Barb Domst.

## Spring/Easter celebration

On March 11 we had a celebration luncheon to welcome

spring, and to wish our members who will be traveling back North a safe trip. At last count we had 81 members.

## Bulletin Board

As you stop by the restroom when you make the turn, make sure to check out the bulletin board. Barb Domst is doing a great job keeping it up to date with pictures and statistics.

## Sunshine

Please be sure to notify Becky Lucius if you know of any member who is ill or has suffered a loss in her family.

## Scramble/Heart Month

We look forward to a scramble with the Niners on April 8. The Niners sponsored a "Go Red for the American Heart Association" in February in which some of our members participated by making a donation and wearing red. They were able to make a sizeable donation to the Heart Association.

## Men's Member-Guest Assistance

Many of our members assisted the men with their Member-Guest Tournament last month. Linda McCann was part of the committee running the event, and Cheryl Armstrong arranged the fashion show. Ladies from both leagues modeled the golf attire and also assisted during the Skills Challenge for the men's tournament.

Rules-Carol Patterson

## Is there a Penalty ????

Format: individual stroke play (no team or partners)

Q: Three players are on the green and have laid equipment on the side of the green but still on the putting surface..

Player #4 is chipping from off the green and miss hits her shot sending the ball past the hole, the ball is stopped by a club at the edge of the green (still on the putting surface).

A: RULE 19: Ball in Motion Deflected or Stopped

Rule 19-1 By Outside Agency- If a player's ball in motion is accidentally deflected or stopped by any outside agency, (A player in this format is an island unto herself and the other players in the group are outside agencies; just like spectators, maintenance workers, etc. If a ball played from off the green is deflected or stopped by an outside agency (another player, caddie or their equipment), it is the rub of the green and the ball is played as it lies.

# Community Emergency Response Team

## HERITAGE PINES CERT

The Community Emergency Response Team (CERT) concept began in 1985 in California after officials realized the citizens trying to rescue others after an earthquake could lose their lives because they reacted through instinct rather than training. The CERT Training Program was developed by the Dept. of Homeland Security and is administered by State and County Emergency Management Agencies.

In most counties CERT members are deployed by the County EOC to disaster areas. Pasco County is testing a different approach by permitting communities like Heritage Pines to establish their own CERT to be prepared to respond in the community. CERT's are trained to put safety first, use specific methods and follow CERT procedures.

Should we be hit by a tornado or hurricane and there are no emergency services (fire and/or ambulance) available after the all clear is given, CERT will activate. Team members will report to predetermined command post and proceed to implement our emergency management plan. Our mission will be to save and sustain life until emergency services become available.

In 2006, 47 Heritage Pines Residents completed 28 hours of CERT training administered by Pasco County Emergency Management Staff. CERT classes cover:

Disasters & Personal Preparedness

Fire Safety

Disaster Medical Operations, triage, first aid, and functions of disaster medical ops

Light Search & Rescue Operations

National Incident Management System

CERT Organization

Disaster Psychology

Terrorism

Since completing the initial training the Heritage Pines CERT has established an Operations Director coordinating four Units, Logistics, Fire/Utilities, Medical and Search & Rescue with a Chief in charge of each Unit. Each unit has specific responsibilities covered by teams, headed up by team leaders. Last year we completed our written Emergency Management Plan, established our predetermined command post location and purchased basic CERT activation materials and equipment.

We have 58 first responders in the Heritage Pines CERT with 41 CERT certified residents, and 17 residents in the process of becoming certified,

If you live in Heritage Pines year around, can walk 1 mile, lift 40 lbs, can attend monthly CERT meetings the last Tuesday each month 4-5 pm, and wish to become part of the Heritage Pines CERT by completing an upcoming CERT class, contact Janet Cahill 819-8789.

# Niners Ladies Golf Association

The Niners' Invitational "Leap into Spring" will be taking place on April 15th. We have had an excellent response from other clubs and are looking forward to a lot of fun. If you have any last minutes items for gift baskets please contact Pat Kennedy at 868-8945. Anyone (individuals, villages, groups, or couples etc.) wishing to sponsor a hole may do so for \$50.00 and a 2' x 2' sign will be made. Please call Louise at 697-3004 for further details.

Our Bahama Mama Member/Member Tournament was held on March 11th and March 18th with over 70 ladies participating. Results will be in next month's newsletter. A Big Thank You to Kathy Robach, Edie Stephens, and Pat Kennedy for all of their hard work.

**Golf Etiquette and Rules:** When on the course please remember the following things:

The fences around the sink holes on 1 & 9 are immovable obstructions that may interfere with your stance or swing. You may take a drop within one club length, no near the hole, without penalty. If the ball is in the hazard there is a one stroke penalty.

If you have an unplayable ball in the bunker you may drop it within two club lengths no nearer the hole (staying within the bunker) resulting in a one stroke penalty.

If you believe your ball may have gone out of bounds, declare so and play a provisional ball. If on finding it in bounds you must play the original shot not the provisional.

It is a good habit to always mark your ball when on the green.

A gentle reminder from the Statistical Committee: Please take the time to accurately compute your score for each Tuesday's game and your score for inputting in the GHIN system. If you have not received your laminated Equitable Stroke Play (ESP) Card please make sure to talk to Kathy Butler or Nancy Suter. If you have any questions regarding your score, the Pro Shop will be happy to assist you to make sure what you are entering is correct.

Birdies in February were made by: Kathy Butler, Joan Delzangle, Pat Haseck, Joyce Johnson, Kathy Kidwell (2), Lynn Lampe, Pam Lewan, Babs Mayleben, Rosemary McCaffrey, Becky Pontecorvo, Kathy Robach, Sarah Ray, Alicia Schmitt, Linda Smith, Bev Wolofski, and Zietta Ferris. Nice shot!

**Chip-Ins:** The following ladies had chip-ins in February: Rita Anglin (2), Janice Benedetti, Kathy Butler (2), Ruth Humphreys, Pam Lewan (2), Nancy Thomas, and Mary Widlowski. Way to go ladies!

**Niners and Diners:** Thelma and Louise found new homes this past month. They are now residing at the homes of Darlene Miller and Bonnie Nugnes. Way to wrestle the ladies away from people with MW as initials. A reminder that if you sign-up to play Nine and Dine and need to cancel, please contact Sarah Ray, NOT the Pro Shop.

**Membership:** If you are considering becoming a member of the Heritage Pines Niners Ladies Golf Association please contact Membership Chairperson Pat Dotson at 863-9854.

## March in Revue

This month has been quite busy with a great deal happening. In spite of the questioning weather, the Garage Sale went off as planned. The winds were short of a hurricane with a chill in the air but it did not stop those die hard shoppers. Resident discarded items became new treasures for many.

Cabaret Night with Lou Paoli was a great success. After a delicious buffet, residents and guests listened to the melodious vocals of Lou while couples danced to the music. How lucky we are to have so many talented residents within our community.

New and seasoned thespian met the challenge of "Arsenic and Old Lace". Laughter filled the performing arts center for three performances. Looks like the acting bug has successfully hit the target again. Great job!

Irish Music courtesy of The Slimmers, Corned Beef and Cabbage with all the trimmings, wearing of the green, shamrocks, leprechauns, that was the scene at the St. Patrick's Day Dinner/Dance. For one evening, everyone was a bit Irish! What a fantastic Irish celebration.

Our Easter Sunday Brunch Buffet welcomed many residents and guests. The buffet was absolutely delicious and elegantly displayed as usual. Thank you to all of you who joined us for this Easter Sunday.

We also marked the 1st Anniversary of Dinner/Name That Tune.

Thank you to Larry and Sherry Churchill for the time and energy into this great activity and to all the residents who have participated each month. As in previous months, music and resident singing the winning titles to each song filled the night air.

Looking forward to another year! CAN YOU GUESS THE EXACT TITLE OF THIS SONG?

## Men & Women Welcome

## Drama Club

Since its inception in 2004, the Heritage Pines Drama Club has come a long way. Initially founded by seasonal resident Paul Mattes, the club has continued to grow and prosper under former Presidents Steve Peddrick (2005-2006) and Dudley Saunderson (2006-2007).

One of our most active and successful Board Members is outgoing 2007-2008 Drama Club President Mary Gruber. All those who know Mary are aware of her incredible and tireless energy for work. When she sets her hand to a project, one can be confident that it will not only get done, but done well and fast. Mary is organized, efficient and devoted. She has, perhaps, brought the Drama Club its greatest success and growth to date.

Under Mary's outstanding leadership, the Drama Club has nearly doubled in size. She pushed the standard from one performance per year to three. She has meticulously tracked the finances, insured accurate and complete meeting Minutes, initiated quarterly club lunches, planned cast parties, appointed a script-reading committee, hired a professional carpenter for set-building, run interference with Management and secured the Drama Club as a Heritage Pines Chartered Club. Mary delivers, and also expects, nothing less than excellence. Her diligence and devotion are contagious and inspiring.

In early April, the Drama Club will elect a new President who will have very large shoes to fill.

Those of us who have reaped the benefits of her hard work feel a deep sense of loss that Mary has decided to step down from the Board. But then, we are counting on her wisdom, guidance, being greeted by her warm smile and we especially look forward to having her on stage with us again. Her legacy will forever remain a part of Drama Club history and success. Thank you, Mary!

## Arsenic and Old Lace

Thanks to all the residents who came to see the March 13-16 performances of Arsenic and Old Lace. The cast did a fantastic job despite numerous roadblocks along the way - cast changes, illnesses and first time stage appearances. With a true "The Show Must Go On" spirit, the cast pulled together and gave their very best to their audience.

Paul Mattes was the director, a mammoth task by itself, but he also stepped into the lead role of Mortimer when original cast member Don Goldberg was elected to our HP Board of Directors. Leading ladies Teri Zaiens (Martha) and Ruthie Piquette (Abby) have never acted before, but did a fabulous job with their huge roles. Returning to our stage were Marcia and Mel Letterer, always

a delight to audiences, as Elaine, Mortimer's love interest and Dr. Einstein, Jonathon's funny sidekick. Bob Zaiens was a little too convincing and scary as Jonathon, the escaped convict-murderer and, also a bit too believable, was Steve Peddrick playing a totally insane man who thinks he's President Roosevelt. Nicely rounding out the large cast was Joe Miller, Tom DeBruyn, Howard Dornfeld, Hank Mayleben, Frank Arno, Richard Olufs and Andy Yaroschak.

The performance was dedicated to fellow actress Marilyn Minter Olufs, our friend and neighbor who passed away recently and is greatly missed.

The Drama Club would like to thank the production crew, which included Gloria Saunderson, Joanne Florin, Kathy Mattes, Maggie Shell, Val Page, Marie Malone, Pam Lewan, Jill Wagner, Evelyn Vitale, Peg White, Sherry Churchill, Chet & Marjorie Pielecki, Tom Dana, and Marian Goldberg. We also owe our appreciation to Drama Club

President Mary Gruber, for her tireless energy, Judy Mendoza, our terrific bartenders, Jason and Joe, Gary Wind and staff, and Marie, Chris and Charlene at the Front Desk.

## Friendship Quilters

Two of our talented quilters had award winning quilts at the West Pasco Quilters' Guild Show in March. Barbara Brown's miniature quilt took first place in the Miniature Category and her quilt titled "The Adoration" placed second in the Mixed Techniques - Wall Category. Betty Williams captured both first and second places in the Group Collaborative - All Techniques - Wall Category with "Fantasy Fish" and "The Chicken Quilt." Congratulations, ladies!

Friendship Quilters meets on the second and fourth Friday afternoons in the Craft Room. Check the monthly calendar in "The Pines" for the times. We welcome quilters of all skill levels and are willing to teach anyone who wishes to become a quilter. Stop by and pay us visit!

## Adopt A Hole

We are looking for volunteers to assist in enhancing this beautiful golf course we live on. We would like to appoint a captain for each hole and additional members to assist in this endeavor.

This joint effort would be in conjunction with the authority of our superintendent, Tommy Land of Valley Crest, and Kevin Burnsworth, our head golf professional.

Basically, we are looking at volunteers to spend possibly an hour or so a week in fixing ball marks on the greens; filling in divots on the fairways; and possibly maintaining flower beds near the hole

monuments on each tee box. This effort would enhance the natural beauty of our golf course and lead to our enjoyment of the layout.

If you are interested in volunteering, please complete the form and return to the front desk. If there is a specific hole you wish to work on please specify when you complete the form.

Hopefully we will get enough volunteers for each hole so it will not become "work" but "enjoyment and satisfaction".

## Investment Club

The investment club will meet on Tuesday, April 8th at 9:00 AM in the Dining Room at the clubhouse. On subsequent months we plan on meeting on the second Tuesday of each month. We will not adjourn the meeting to a restaurant.

At our March meeting we discussed a Monte Carlo investment analysis program in the context of our portfolio. We also discussed likely future economic situations government actions, and how we might position ourselves to avoid problems and maximize opportunities. The subject of IRAs and Roth IRAs resulted in a lot of discussion and many questions.

We intend to digress at least somewhat from our ongoing discussion of "The Intelligent Asset-Allocator" by William J. Bernstein in order to focus on IRAs. We hope to begin a probe into the rules and regulations, opportunities and costs, and general IRA considerations. No text is required, but if you google Ed Slott you may find information that is helpful. Be prepared to bring some insight and information to the meeting.

# Sportsman's Club

The next meeting of the Heritage Pines Sportsman's Club will be held on Thursday, April 10, 2008, at 11:00 a.m. in the Magnolia Room. Please note that this is the second Thursday of each month. All interested residents are invited to join us in the Clubs' outdoor activities.

The Sportsman's Club Secretary, JoAnna Byrne may be contacted at 207-5416, if you have questions about the club.

Club members who would like to purchase a club shirt may order them at Joni Industries, 16320 Aviation Loop Drive, Brooksville, Florida. This is on Springhill Avenue, out past the toll road on the right side (right at first light past the toll road).

We fished with Capt. Roush of the 'Cricket'

out of Chassahowitska (thru Precision Tackle of Spring Hill) in March. We had a decent catch of Speckled trout and all reported that they enjoyed their trips. Capt. Roush fishes inshore for snook, trout and redfish etc. All of these are great eating fish. Inshore is a lot smoother ride. Contact Ron Martinsen, our fishing coordinator, if interested in being placed on the waiting list. (863-3145).

Additionally, one of our own, (a Heritage Pines resident) Capt Bob Fritz goes off shore for grouper etc. His price for the club is \$100 per fishermen with four on the boat. He is well equipped and the members who have fished with him have reported very good things about him so he comes highly recommended. Just get a group together and call Bob at 727-378-4811. Give Ron Martinsen a call at 727-863-3245 if you have any questions.

There are no wild hog hunts scheduled as hunting has slowed. However, we had one wild hog hunt this spring with three hogs taken. These hunts are open to all Heritage Pines residents and their friends. Last year we had 16 successful wild hog hunts and a one this spring. There seems to be some interest in another hunt. Please contact Jerry Russo, our Hunting Coordinator, and (697-0391) if interested in a wild hog hunt.

The Sportsman's Club goes trap shooting on the 1st and 3rd Thursday of each month at the Robinson's Ranch,

(north near Crystal River). In 2008 we have added two additional scheduled shooting dates at the Silver Dollar Trap Club (South in Odessa, Florida). April's scheduled shoots are; the 3rd, at Robinson's Ranch; the 12th, at Silver Dollar the 17th, at Robinson's Ranch and the

26th, at Silver Dollar. When we go to Robinson's Ranch we meet in the Clubhouse parking lot at 8:30AM, when we go to Silver Dollar we meet at the same place but at 10:30AM and car pool to shoot. The Sportsman's Club Coordinators for trap shooting are Thom Johnson (863-7724 and Joe Rubino (863-8836). We've had two members (one of them twice) break 25 straight clay birds for a perfect round. If you would like to try,

we'll loan you a shotgun. Just show up at the above times if you want to go, Come on out and join us!!

The club is looking for anyone with an interest in archery, Contact Thom Johnson, our Archery Coordinator (863-7724) if interested. Maybe we can establish this sport to go with out other outdoor activities. Also contact Thom if interested in a Concealed Weapons Permit class.

Please join us at the next meeting of the Heritage Pines Sportsman's Club and find out about the outdoor fun we are all enjoying.

# Netiquette

If you receive a nasty email - do not respond immediately - if at all. People are very bold and overly critical on the other side of this screen. They tend to not hesitate to point out the things they think you need improvement on while not even noticing the good or positive points on the very same issue. Many times these folks are simply trying to get a rise out of you (this is called "trolling") or are trying to make themselves feel self-important. If you do not have something nice or constructive to say, or at the very least sternly professional - just hit delete.

Keep in mind that all private email is considered to be copyrighted by the original author. If you post private email to a public list or board, or forward it to an outside party in whole or in part, you must include the author's permission to post the material publicly. Not doing so can get you into some deep doo-doo legally or with your friends and associates. Think of it this way... how would you feel if a personal private email that you had written for a specific purpose/person is then plastered across the Internet or forwarded to folks you do not know? Always ask for permission before forwarding or posting any private emails!

You are what you write. How you communicate will be an indication as to who you are and the kind of person you are. Learn to write with clarity and take folks at their word - not what you "think" they mean.

- Sending email with extremely foul, threatening or abusive language is crude. This includes obscenities, verbal harassment, threats of slander or personal comments that would prove offensive based on race, religion, or sexual orientation.
- No matter how rude someone may be to you, or how offended you may be by another's opinion, don't lower yourself to their level by stooping to obscenities, threats or claims of self-importance. Always state your opinion clearly and concisely, without personalizing an issue or resorting to name-calling. You also want to be very careful to not read anything into an email that isn't there. Take folks at their word. There are many heated discussions online because some will imply what others did not state or mean. Hold your head high and communicate as an adult, share your opinions and point of view and realize, that in the grand scheme of things nobody is "better" than anybody else by virtue of their opinions alone.
- If you have mistakenly offended or have misinterpreted what another person wrote, please do not hesitate to apologize. That being said, "apologies" which are only offered to create an opportunity to

continue a tirade from a previous email are viewed as self-righteous. Apologies should only be offered with sincerity. Certainly, this does not mean you need to apologize to everyone who has a different or overly critical opinion than you do. We are all individuals and for the most part we all do our best to do the right thing. No one person is any better a human being than another because of the luxury of their level of education or how much money they make. No one person is authorized to be the one who is always right or the only one whose opinion counts. There are one too many online who will take the time to point out negatives without mentioning any of the positives or to offer suggestions; all they have to offer is criticism.

Know you have done your best and take constructive criticism in stride. None of us are perfect - nor do I think we would want that responsibility! If you make a mistake, make note and put the appropriate corrections or modifications in place to prevent the same from happening in the future.

- This is a good time to keep in mind that you never put anything in an email that you don't want the world to know about. Emails get reported and forwarded to public Newsgroups and message boards and can be produced at a later date. (That is why it is best to watch postings (called lurking) first before posting so you have a feel for the community you will be participating in.) Always be better than that and "agree to disagree" like most adults do. Don't become overly bold just because you feel you are safely hiding behind your computer screen and make statements that are untruths. If you would not reply to someone the very same way if you were there in person with them, you probably should not reply at all. By not replying in kind, you hold yourself to a higher standard and leave the other party left to realize the fool they just made of themselves. Do your best to always take the high ground and set an example of how adults communicate and share differing opinions.

In mind when in newsgroups or message boards that you are in a global arena. There are charters and rules you need to make yourself aware of - before you post. To post, without making this effort could induce responses from seasoned Netizens pointing you to sites such as this or believe it or not - much worse. There will be those reading your posts in countries from around the world who may not have the same religious or social views that you have by virtue of the difference in our cultures. There will also be those who may not have a firm understanding of the English language. Do your best to keep this in mind.

# Theatre News

We close out the month on an exciting note. We had 360 residents and their friends attend the sold-out performances for "JERSEY BOYS". It was fabulous and we didn't want the show to end. Look for this show to return to the TBPAC for the 2010 season. The theatre clubs largest venture could not have happened without the support and help given to me. A thank you to all the volunteers and a special one to Lee Gebhardt who continually updated the computer data sheets to make sure over \$30K was posted and paid timely.

We will report on the other March shows we attended in the next newsletter. For our April closings we still have some tickets left for our purple and red bus trip to see "HATS" on April 26th. That's \$42 each and we will stop for dinner after the show. "THE BERMUDA AVENUE TRIANGLE" at REH on Wednesday, April 23rd has a stand-by list. VIP tickets are \$50 each and general seating is \$34 each.

Locally, we will attend "BIG, BAD, BAWDY BURLESQUE" at the Show Place Dinner Theatre on May 24th. This is an up-dated version of "SUGAR BABES" that everyone enjoyed last year. Tickets are \$35.50 each and includes a dinner buffet and all taxes. Gratuities are extra. "FOREVER PLAID" returns on June 21st.

Richard Kaufman will conduct the Florida orchestra on Sunday, May 25th when Daniel Rodriguez will perform at REH in "STAR-SPANGLED POPS". The former NYC policeman is returning for this show.

Our next large venture will be "LION KING" on May 31st at TBPAC. The ticket and bus package is \$96.25 and we should have the final dinner plans to announce in the next newsletter.

TBPAC has announced the additional line up for 2008 and 2009. Interest sheets are in the theatre book to let me know how many tickets to reserve for Heritage Pines. On the top of my list is "FIDDLER ON THE ROOF"

Call me at 819-1662 for any questions. Volunteers are always needed and appreciated. Marcia Gerber

### PLANT EXCHANGE AT GAZEBO PARK.

The HP Garden Club/Friends of Gazebo Park sponsored a plant exchange at the park on Saturday, March 29.

### ALUMINUM AND NEWSPAPER RECYCLING TO BE RELOCATED.

The aluminum recycling and newspaper recycling will be relocated to the Maintenance Barn near the end of Heritage Point Dr. within the next few weeks. The exact date of the relocation is not known at this time. We will post a sign at the original site just as soon as we know when the relocation will take place. If you arrive at the original site and the newspaper dumpster and the aluminum recycling trailer are not there, please proceed to the Maintenance Barn to deposit your papers and aluminum cans. Your support of the recycling program has been important to the community. So, please don't let the relocation discourage you from continuing your support.

### WALKWAY BRICKS.

Bricks ordered prior to December 8, 2007 have been placed in the Gazebo Park walkways. The next order for bricks will be placed by early March. Please get your brick order in soon to be included in this order. The next order after this one will be in June.

### NEXT MEETING.

The next ESC meeting will be announced by e-mail.

On April 21st we will have our end of winter season banquet for all paid members of the winter Heritage Pines Pocket Billiards League. Coffee, tea, soft drinks and draft beer will be provided at 5 p.m. with the banquet starting at 6 p.m. Following the banquet, we'll have open discussion about the upcoming summer league. We will have some very nice prizes after the banquet, so I encourage all to attend. Hope to see you there.

## Heritage Pines Design Review Committee

Hurricane season is just around the corner. This would be an ideal time to start looking around your property to be sure there are no problems. One of the areas to be concerned about are exterior additions to your home such as water softeners or propane gas tanks. Be sure these items are in an upright position, on a level surface and securely attached to the house. These items could become a flying missile in high winds.

All garbage cans and other garbage containers shall be kept inside the garage or screened from view from the street. If you have your garbage can outside of the garage, please check to be sure it is not visible from the street. If it is visible, you will need to request approval to plant shrubbery or install an enclosure to hide it.

Seasonal residents will soon be leaving for their summer homes. Before you leave, please be sure your home is secured for the summer hurricanes, in the event we should have any. All gardens hoses, ornaments, hanging items, furniture, etc. that could become a projectile should be placed inside the unit. This also refers to items left on an open entryway or lanai. A friend or neighbor should be designated to watch the residence in case the property should suffer damage. The time to make preparations is now. When the danger is imminent, local residents will be busy trying to deal with their own property.

Several residents are painting their homes. If you are thinking of painting your home in the future, please be sure to select your paint colors from the Heritage Pines Exterior Paint Color Books at the front desk of the clubhouse. Remember, you can use any brand of paint, but the color must match colors in the approved paint books.

We are still looking for a resident from each village to act as a liaison to our committee. This person would be responsible for reviewing completed work to assure it is in compliance with the Heritage Pines Community Association DRC approved Exterior Change Requests. The person selected should be a member of the local DRC, reporting to the local Board of Directors. Please advise us by email to [Geblee@aol.com](mailto:Geblee@aol.com) if you are interested. It will not take much of your time but would be a great benefit to your village BOD.

## Pines Glen Village News...

Pines Glen village residents are relaxing the next couple of months. We will be taking a trip to Show Palace to see "Forever Plaid" in July and in August to see "Smokey Joe".

Our Olympic Week was a success. Kathy Arno was our Grand Marshall having won the most medals last year. After passing the torch down Webster Grove and Spindrift Loop we gathered at Paul & Linda Langevin's house for a bake-off. Selected residents were judges for 1st, 2nd and 3rd in each category. Our Happy Hour Dinner on the 27th was great. On the 29th after the Glo-Ball Tournament, we went to Fred & Donna Mooty's home for pizza and drinks.

We closed the ceremonies March 2nd with a pot luck picnic style dinner at the end of Webster Grove. Medals were awarded. Joe Gloria will be next year's Grand Marshall, having won the most medals. Thank you to all the volunteers and we welcome new residents to join in the fun.

# April is Organ and Tissue Donor Month

## DONORS NEEDED NOW!!!!

The Shortage (Overview): Each day, about 77 people receive organ transplants. However, 19 people die each day waiting for transplants that can't take place because of the shortage of donated organs.

Waiting list candidates	98,046	as of 03/03/2008
Transplants Jan. Dec. 2007	28,352	as of 02/29/2008
Donors Jan. Dec. 2007	14,393	as of 02/29/2008

**Be an Organ and Tissue Donor.** Help Create a Donation Friendly America!

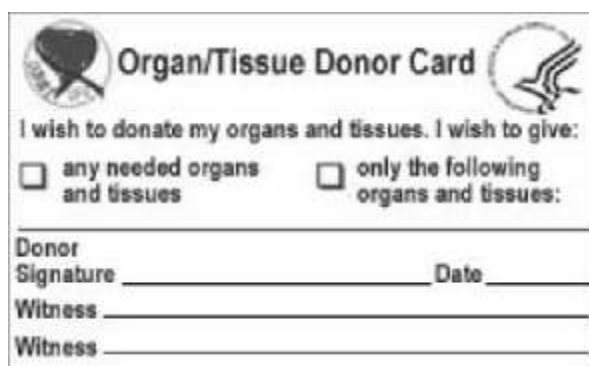

Each organ and tissue donor saves or improves the lives of as many as 50 people. Giving the "Gift of Life" may lighten the grief of the donor's own family. Many donor families say that knowing other lives have been saved helps them cope with their tragic loss.

### Get Started

1. Register with your state donor registry. More information on how to register to be a donor in your state. Most states, but not all, have donor registries.
2. Designate your decision on your driver's license. Do this when you obtain or renew your license.
3. Sign a donor card now. Carry the donor card with you until you can designate your donation decision on your driver's license or join a donor registry.
  - Download a page of eight donor cards to print and sign.
  - Order a free donor card that will be mailed to you.

Talk to your family now about your donation decision. Help your family understand your wish to be an organ and tissue donor before a crisis occurs. Then they will be prepared to serve as your advocate for donation.

## GOLF HANDICAP COMMITTEE NEWS

The Golf Handicap Committee met on Feb 27, 2008 with the following members present: Co-Chairs Joe Paddock and JoAnn McDonald; Pat Kennedy, Bill Stoebs, Larry Churchill, Hal Chase, Celine McLean and Golf Pro Kevin Burnsworth.

It is the hope and goal of our committee that following the rules will lead to "ENJOYMENT FOR ALL THROUGH FAIR PLAY." With this in mind, we chose as the topic of discussion at this meeting the proper procedure for posting scores.

### HERE ARE SOME PROBLEMS THAT WE'RE FINDING:

- Posting incorrectly added scores
- Posting scores without applying ESC (Equitable Stroke Control)
- Posting scores from away courses, using Heritage Pines Course Rating and Slope
- There are sometimes discrepancies between your index on-line, and your index on the pro shop computer.
- Snowbirds may not be posting all scores from "Up North".

### HERE ARE SOME SUGGESTIONS/SOLUTIONS:

- Designate a "captain" from your group to post all scores after cards have been checked, compared, and added correctly. (Be careful not to double post).
- Your ACTUAL score goes on the scorecard, and is used to determine "winners". Your ESC score goes into the computer, and is used for HANDICAP purposes only.

Use the tables below to determine your ESC score.

- When playing "away" courses, always post your ESC score using the Slope and Course Rating from THAT course. Your ESC deductions should be based on your handicap at THAT course.
- Post scores in pro shop if possible, rather than on-line.
- Ask our Pro, Kevin, how you can make sure that ALL of your scores, whether from here, away, up North, or anywhere get posted.

### HERE ARE THE SCORES THAT SHOULD BE POSTED:

- If 13 or more holes are played, the player must post an 18 hole score.
- If 7 to 12 holes are played, the player must post a nine-hole score.
- Adjusted gross scores from all courses with a USGA Course Rating and Slope Rating made during an active season, both at home and away, must be posted, along with the appropriate course and slope ratings.
- Scores in both match play and stroke play must be posted.
- Scores made under the Rules of Golf.

UNDER THE ABOVE PROVISIONS: If you do not PLAY a hole, record par plus your handicap strokes, preceded by an "x". If you do not FINISH a hole, record, using your best judgment, your "most likely" score, preceded by an "x", and not to exceed your ESC max.

### HERE ARE THE EQUITABLE STROKE CONTROL TABLES:

18 HOLE HANDICAP	MAXIMUM STROKES ON ANY HOLE
9 or less	Double Bogey
10 through 19	7
20 through 29	8
30 through 39	9
40 or more	10
9 HOLE HANDICAP	MAXIMUM STROKES ON ANY HOLE
4 or less	Double Bogey
5 through 9	7
10 through 14	8
15 through 19	9
20 or more	10

### THESE TABLES ARE POSTED NEAR THE COMPUTER IN THE PRO SHOP

REMEMBER: Handicaps are the great equalizer. They level the playing field, allowing golfers of diverse skills to play together. The game of golf is based on integrity and honesty in reporting all acceptable scores.

Our goal is "ENJOYMENT FOR ALL THROUGH FAIR PLAY".
