You Should Be Able to Form a Relationship With Your Orthopaedic Surgeon

There is so much more to being an orthopaedic surgeon than holding a scalpel.

Michael W. Higgins, DO, PA
Board Certified in Orthopaedic Surgery

"Throughout my surgical experience Dr. Higgins continued to be compassionate and patient oriented. While in the pre-op waiting room he visited with me and my husband. He put us at ease assuring my husband that he would come into the waiting room to speak to him as soon as the procedure was complete. He was at my side in the operating room as the anesthesiologist put me to sleep. I stayed in the hospital four days. Dr. Higgins came to check on my progress every day." – Kristin J.S.

"You pick me, you get me."
– Dr. Michael W. Higgins

Our philosophy:

- People who are in discomfort should be seen in a timely manner
- Treatment should begin promptly
- You will be seen by your doctor every step of the way

Dr. Higgins specializes in non-operative and operative management of general orthopaedic conditions and the spine.

FROM THE GENERAL MANAGER

By Bill Crusselle, *Club Manager*

October was certainly an interesting month with Hurricane Matthew moving up the West Coast of Florida the first week of the month, but as most of you know through the emails sent out that week, we had no issues other than some wind and rain showers. Since then the weather has gotten cooler and with more residents now here the activity level has certainly been noticeable. To follow up on last month's article, by the time you read this the new flooring will be in place in the PAC. The pool repairs were done in one less day than expected and it looks so much better. Hopefully the work on the Pavilion will begin this month and the landscape redesign at the entrance should also be completed this month.

November is the month that the Ad-Hoc Election Committee begins the process of filling the four available seats on the Board who will serve a term of two years. This is quite an undertaking to schedule all the events that will occur, get the ballots out to all residents, and set up and staff election day. Thank you in advance for all your time and efforts to make sure this gets done properly.

The Men's Golf Association held their annual Heritage Cup Golf Tournament last month and everyone was very pleased with the condition of the golf course. Some players just returning back to HP after being gone all summer said they were amazed at how much better the golf course is at this time compared to when they left last Spring. We are just finishing up the details and pricing for the packages for golf for 2017 and pre-orders will begin December 1st. Watch out for an email explaining the programs that are going to have some new and different incentives for next year.

This month you will also see some changes in our weekly events calendar as we continue to try and accommodate the varied interests and tastes of our residents. As with the golf packages, more information will be coming out in emails early this month. Also, if you are thinking about having Thanksgiving at the Club, you should make your reservations now. Last year 600 residents and their guests had their Thanksgiving dinner here at HP and we expect even more this year with the amount of reservations that were made last month.

Happy Thanksgiving to each and every one of you and I hope you have a chance to be with your family and friends for the holiday.

FROM THE BOARD OF DIRECTORS

By Bob McGough, *HPCA Board President*

I am starting this article with the same message that is not being heard by all those who operate vehicles within the confines of Heritage Pines. I need your help. We must reduce our speed as we drive through the community. As I said before we have had luck on our side and someday that luck will run out. HP has a new radar gun that records a image of the vehicle and the speed at which it is traveling so if you get a letter in the mail box about your speed you will know where it came from. The goal is to get maximum deployment of the radar with the available staff. Another goal is to detect and reduce the speed of the many vendors that service HP.

Some of our planned improvements are finally underway. I have received many comments about the new floor in the dining. Not only is it attractive but also much more durable than the portable floor we had been using and it also reduces staff labor that had been required to install it. This month the new floor will be installed in the PAC. This new addition will provide more flexibility and also reduce staff labor used to install the portable floor. One major result of the permanent is cost reduction. The carpet in the PAC was scheduled to be replaced on a periodic schedule. The laminate will last much longer and we will avoid using approximately \$125,000 of reserve funds to replace/clean the carpet. The cost of the laminate installed is less than \$20,000.

The landscaping renovations at the front gate are underway. Thanks to the resident team that managed this project and to Meg Amelia who led this effort with support from the HP staff. After completion, residents and visitors will get a beautiful view not only of the new and more colorful plants and trees but also a much better view of the 7th hole on the golf course. Also remember the project was funded from the reserve and is Phase 1 of a 3 phase replacement program.

We have received bids on construction of the new pavilion by the tennis court. We are in the process of evaluating the bids and hope to have the contract ready for approval at the next board meeting.

FROM THE BOARD OF DIRECTORS cont'd

The staff is hard at work developing the 2017 budget. It is almost ready for discussion at a Board workshop and final approval at the November BOD meeting.

By the time you receive this edition of the Pines we should have a new Board member to replace Tom Taylor who resigned. Seven residents have volunteered and will be interviewed by a panel of three board members who will make a recommendation to the board. I am pleased that we received so many volunteers with solid credentials and a mix of former board members and new residents.

Linda Myers has been selected as the Chair of the ad-hoc Elections Committee and her team is already hard at work preparing for the 2017 elections. Keep your eyes open for announcements regarding sign ups.

We have been receiving many positive comments about the condition of the golf course. The HP staff has done an excellent job of developing an improvement plan and we are enjoying the fruits of their efforts.

We live in a beautiful and vibrant community, enjoy it.

TREASURER'S REPORT

By Ted Johnson, *Board Treasurer*

Unfortunately, even though thought by the GM, Controller, and myself that September would be a tough month and it proved to be correct.

The September loss increased to <\$68,800> from the August loss of <\$12,800>. This is principally due to the two items: A) Food and Beverage, Golf loss increased by <\$22,000> over August and B) September is a three payroll month. Note: HPCA is on a modified cash basis and treats payroll as a cash transaction.

A normal month is about \$189,000 and a three payroll month is \$258,000 thus twice a year you have a distortion in the payroll amount of \$69,000.

These two items A & B totaled \$91,000 which is somewhat mitigated by \$4,000 in unbilled reclaimed water and \$15,000 dividend from workers compensation carrier for favorable audits.

Despite being a three payroll month, the month of September payroll and benefits were \$20,000 under budget for the year to date and \$194,000 under budget for the year to date. FTE's were up only slightly.

September: 8 (budget was 75) August: 67

Although revenues were down in September, payroll and expenses were \$47,817 less than budget for the month and are \$422,162 better than budget year to date.

Operating cash slipped down to \$913,000 from \$1,004,000 in August, this is nothing more than a product of paying down payables and a slight increase in receivables.

The last quarter should be more positive. No three payroll's, part time residents returning to HPCA thus more activity in Food and Beverage and Golf; lastly no predictions until October 30.

GOLF COURSE AND GROUNDS MAINTENANCE

By John Burns

Greetings from the Grounds Maintenance staff. We hope everyone has returned to Florida safely for the winter season. The weather has become more fall like after the passing of Matthew, which brushed along our east coast earlier this month. We were fortunate here in Pasco county as the storm left us with 40 mph wind gusts and minimal precipitation. We cleaned up debris for several days but sustained no significant damage. The course has been recently fertilized and continues to improve as we head into the last quarter of the year. Weed control has been ongoing all year and we will continue our program throughout the winter months. Populations are in decline as we battle stubborn late season grassy weeds with pre and post emergent herbicides.

As you have probably noticed our landscape contractor has been chosen and work on the Community Entryway has begun! Mr. Ariel Hernandez of Safari Landscape is on site with his crew. Installation will be completed around the end of the month. We are anxiously looking forward to viewing the finished product.

In keeping with our new landscaping, the featured plant this month is the Coontie Palm. Also known as Florida Arrowroot. We chose this plant to figure prominently in our new design for several reasons. This Florida native is very adaptive and well suited to our area. It thrives in soil types varying from coral rock to sand. It is salt tolerant which makes it well suited for our reclaimed water. It will survive in wet or dry soils and is cold and heat tolerant. Mature plants will vary in size from 3-5 feet tall and grow to the size of a medium green bush. Moderate fertilization is required in early summer to ensure optimal seasonal growth.

We look forward to seeing you on property!

ROOF INSPECTIONS

By Dineen "Dee" Robinson, Assistant Property Manager

During the months of October, November and December, we will be inspecting all roof tops. Over the summer we have noticed many roofs that are in need of cleaning. Please take the time to take a look at your roof to see if it is one that needs to be cleaned.

Please refer to the Architectural Control Policy Manual, Section 7.1 Maintenance of Property/Exterior Painting, where it states: "Owners must keep their driveway, walkway, sidewalk, roof and house free of mold and debris. Any stains (oil, debris, dirt) must be removed regularly."

Keep in mind, cleaning your roof will not affect the integrity of your roof. We have sought a professional opinion and have been told that the cleaning of your roof, if done professionally, will actually protect your roof. Another good tip, many villages as a whole, need their roofs cleaned. We suggest you contact contractors as a group to see if you might receive a better price.

We would like to thank everyone who continues to adhere to the deed restrictions and help us to maintain the integrity and beauty of the community. Thank you to those who have received a non-compliance letter and promptly complied. If you have any questions or concerns, please feel free to call me at 727-861-7784 or email dineen.robinson@heritagepines.net.

FROM YOUR MAIL TEAM

By Kim Durocher, AKA Mail Ma'am

On behalf of Abdul and myself, I would like to take the time to wish you all a happy Thanksgiving! I can't believe it is already that time. Along with that I would like to remind you that our days will get longer. We have many more deliveries to make daily now that our snowbirds will be returning, and our volume will increase a lot. So for that I would like to apologize in advance for late mail, and quick conversations. As you may or may not know, Mondays and days after holidays are our worst days. I would also like to ask that you be mindful of your unwanted "junk" mail, that you don't throw it loose in your trash, as the garbage men are so careful when they dump your cans, Right! The papers fly out, and it may look as if it wasn't delivered to your mail box properly. Thank you for reading, until next time, I'll see you on the street.

AD-HOC Election Committee

By Linda Myers

Members of the 2016 Ad-Hoc Election Committee include the following members: Barbara Fullerton, Patricia Wallaesa, Joanne Hughes, Tony Walton, Amy Misik, Pat Welsh, Nancy Sankovich and Linda Myers, *Chair*.

The Elections Committee is already working to plan for the 2017 Heritage Pines Community Association Board Election. The election will be held on Friday, February 24, 2017, at the Annual HPCA meeting. Four seats will open on the Board. Each will be for a two-year term. Persons interested in running for one of these positions, please contact a member of the Elections Committee. Each prospective candidate must complete a Board Candidate Sign-up Sheet and a Resident Profile form with a current photo of her/himself by November 18, 2016.

As a member of the Heritage Pines Community Association, each household/owner is eligible to vote. However, if your home is in a Trust, jointly owned, or owned by a company you must complete a designated voter form, if you have not done so already. (If you completed the form last year, prior to 2016, you do not have to sign the form again.) You can find the form in the current issue of "The Pines" newsletter. You can mail, fax (727-861-1574) or email

it to Terri.delaney@heritagepines.net. If you have any questions or if you are not sure if there is one already on file, please email Terri. You will not be able to vote unless this form is on file with an owners' signature.

The Elections Committee is busy putting plans together for candidate events. Such events will include Coffee with the Candidates, Candidate Forums, Educating association members about the Designated Voter Forms, and the mandated Proxy Forms. Times and locations of such events are being set by the committee.

The Committee will be requesting volunteers from the community to help in collating, packing, and distributing voter packets sometime in January 2017.

The goals of the Election Committee are to hold an election that is informative of candidates and ballot issues. Our aim is to be fair to candidates and voters alike.

HERITAGE PINES CERT (Community Emergency Response Team)

By Marge Warren

Be Prepared

If you leave the Heritage Pines community during an emergency be sure to take your Heritage Pines ID card with you since you will be required to show your card for re-entry after an emergency.

One of the best ways to be informed of emergency news in Pasco County is to download one or more of the following apps: FEMA, MyPasco or NOAA. Also, please review the following web sites: WTSO.com, MyFoxHurricane.com or BayNews9.com.

Shelters

The closest shelter to Heritage Pines is Fasano Regional Hurricane Shelter, 11611 Denton Ave, Hudson. However, shelter openings vary with each emergency depending on the type and intensity of the disaster. Stay tuned to local media for a listing of shelters which will be open for an event. Do not go to the shelter until local officials announce through the media that the shelter is open.

Pasco County provides a shelter program for those residents requiring special medically related care. Special needs shelters will be available for persons

requiring more skilled medical care than available in a public shelter but not requiring an acute facility such as a hospital. If this type of extended care is needed, contact Pasco County Emergency Management office at 727-847-8959.

ARCHITECTURAL CONTROL COMMITTEE

By Mike Miller, ACC Chairman

Welcome back to our "Seasonal Residents", with the holidays fast approaching you may also be tackling home projects. We are now including an "Exterior Change Request" (ECR) form in The Pines booklet. Be sure to submit your ECR and have approval before starting your project.

During the course of the year we recognized that the Architectural Control Committee (ACC) Manual needed to be updated to be in compliance with Pasco County ordinances, such as the size of the flags we are allowed to display on our properties. We also found several inconsistencies in the manual, such as specific lamppost light replacement requirements. As a result, we conducted a Workshop on October 12th. We reviewed the ACC Manual and prepared Heritage Pines Homeowners Request for Approval (RFA) forms for each change or addition we needed. We are submitting these RFAs to the Board of Directors for approval.

COUNCIL OF VILLAGES

Note taker: Dottie Irwin Council Coordinator: Rosie Tilton

The meeting was opened by Rosie Tilton who introduced Tom Campbell from Regal Paint and Services to who has been in business for 26 years to speak about cleaning roofs in HP. Handout was passed.

- Mildew and mold are the shingle roof's enemy starting in year 8 to 10.
- He applies a mild chlorine solution which kills mold and mildew and then rinses with water.
- NEVER pressure wash which will remove the protective granules protecting the underlayment.
- Washing is an aesthetic issue. In some situations leaf/tree debris can initiate a situation that can deteriorate a roof if not removed.
- Grass and shrubs are not harmed and soffit, fascia and gutters are also cleaned.
- Roof warranty is an individual issue with each home.
- Average cost for villa is \$140, individual houses would be \$180-185. Phone number is 352-684-1930.

Discussion: Pros and cons of allowing residents to install pavers or paint driveways led by Dale Mallek of Pine Ridge Village. After discussion, the bottom line was that each village that has villas should make their own decision whether to allow pavers and painting. Pine Ridge, as a village, made the decision not to allow it.

Bill Crusselle answered agenda questions 1-11

1. I recently noticed a resident in a gas powered golf cart. It had stickers so it is registered. Are we now allowed to have gas powered carts? When did that change? Gas carts are not allowed. Bill is aware of one cart in the community and spoke with the owner who agreed not to use it in HP.

2. When inspections are done, does it include both the front and the back of the homes? Especially from the golf course view? Some homes are clearly in violation from the rear of the home. Inspections of backs of homes are typically done when the golf course is closed. However, if there is a complaint, an inspection will be done.

3. I would like to know if all the maintained villages have the same documents or if they differ from village to village. In the beginning they were all the same. Near the end, in the last few villages, they began to change a little and since then some villages have made small internal changes.

4. Where is the designated smoking at the front entrance guard gate? It would appear the staff just steps out the door and smokes when I thought we were a smoke free community.

Smoking is acceptable outside of the building – i.e., when driving, walking a dog, on the golf course, etc. "Smoke free" applies to the inside of the building.

5. Who selects the "volunteers" who are given chits? What is the basis for the difference in the amounts of chits? Bill could think of only five. It refers to a person that is performing or contributing a service that the Club would otherwise have to pay for such as a performance or a class. During the course of a month, or each time they perform, they are given a trade out for services rendered (chit) which saves the Club money.

6. When will we be getting a new or revised menu for the Fireside? This past Monday. The changes are not so much in pricing but in selection and we tried to listen to residents' requests. We are making changes and looking at what we are; we are NOT a fine dining restaurant or a pub. We must look to the future so we are not taking the drastic losses that we have been taking. Budget issues are here to be reckoned with and we are working on a plan.

7. It seems every new ACC makes changes. What changes are made in 2016. There are five changes and the handout lists them - 9.4 Landscape lighting/flood lights/security lights/security cameras – 10.1 Garbage and trash – 10.14 Signs – 10.7 flags and flagpoles – 4.8.1 driveway and walkway pagers attached villas.

8. When will the parking lot on the east side of the Clubhouse open? Today. Delay was because we couldn't get sod. The increase in the number of handicapped parking places is to be compliant and meet code.

9. Why are "Hitting the Pavement" signs being placed throughout the community OK but political signs on our property are not? This issue touched Bill personally who supports cancer research. He stated that so far over \$5k has been raised and it will be more by October 20th and as far as he knew the political signs haven't raised a penny.

10. So what is the update on condition of Scenic Hills

continue to next page

COUNCIL OF VILLAGES cont'd

Blvd sinkhole? Or void? Testing went down to 35' and hit sandy soil then hit limestone at 38'. Recommendation is to fill with grout. The hole is about 4'x4' and there is a second depression. Repair cost is approximately \$50,000. The hole is not moving, not growing but it will not go away. We'll be getting bids starting next week and the work will be done as quickly as possible.

11. Could you explain the criteria used to replace a board member? It seems to vary per board. Appoint someone, leave vacant the position and now a sign up sheet. Documents have been expanded for the sake of transparency to allow people to sign up, to be interviewed, go thru a fair process and then the board will select someone.

12. Christmas gifts for Veterans – handout

The Winding Waters Chapter of the American Revolution, Veteran's Committee in Weeki Wachee has become involved in the Adopt-A-Vet program. The Veteran's Committee has adopted 60 vets living at Haley's Cove, a residential living community located in front of the James A. Haley Veterans Hospital in Tampa. These vets from WWII, Korean and Vietnam wars are often overlooked at Christmas. The veterans have provided us with a "wish list" of items they would like to have. The committee will be buying and wrapping 180 gifts for them. On November 28 we will be presenting the gifts at a party at Haley's Cove. The bracelets, honoring all branches of America's Armed Forces are being sold for \$5 each and will help defray the cost of gifts. Donations will be gratefully accepted. Contact Marcia Andre at 727-378-5511 or Mary Lou Moore at 727-861-5429.

POI from Rosie: Rain sensors operation has not changed with the advent of reclaimed water. If you or your village has a rain sensor and it is raining, the sensor should shut off the sprinklers.

Rosie handed out a five question survey for the CofV. She wants input on what we want and how we want it.

Next month's meeting is November 3, one week early due to a scheduling conflict.

HITTIN' THE PAVEMENT

Your new Lifestyle Committee. Front row: Janette Pauley, *Chair*, Deborah Layne, *Vice Chair*. Back row: Rosemarie Jonasson, Sally Coppola, and Maryann Hafeken, absent Hope Botterbush.

Thank you does not seem like enough for all of the generosity we have been shown by this community. The totals aren't in yet, but have already surpassed our goal of \$5,000. Thank you also to the sponsors that were so giving.

Next month we will recognize all of our sponsors, so please show your appreciation for them supporting us by supporting them. Last but not least, thank you to the residents of Heritage Pines. YOU have shown more grit and passion for finding a cure by walking, running and riding. The American Cancer Society is very appreciative for all your efforts.

Let's continue to believe there is a finish line. Thank you again, from your Lifestyle Committee

COMMUNITY/MEMORIAL TREE PROGRAM

By Linda O'Leary

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. They can also be purchased as a gift, perhaps a birthday or anniversary idea. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by Heritage Pines maintenance facilities. Trees will be planted during the months of March/April and October/November. Please plan your purchase during the preceding months. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. Also, there is a book at the front desk of the Clubhouse listing information about the many trees planted throughout our community. Each page includes the names of the honoree(s), sponsor(s), tree location and type of tree. Residents may look through this book as desired.

FLORIDA-FRIENDLY PLANTING

By Environmental Issues Committee

What makes a plant Florida-Friendly? Florida-Friendly plants need not be native to Florida, but they can be grown here using low-maintenance and environmentally sustainable practices, such as watering efficiently, fertilizing appropriately and mulching. The Florida-Friendly Landscaping TM (FFL) Program is a framework for landscape design and plant selection using the principle of "Right Plant, Right Place". Visit their website fn.ifas.ufl.edu for a wealth of information on FFL.

Here in Heritage Pines we are fortunate to have cheap, plentiful and highly purified reclaimed water for lawn and landscape irrigation. This broadens the selection of plants that can be grown here. Blue Porterweed, Caladium, Crape Myrtle, Ixora, Pentas, Knockout Roses, Bird of Paradise, Croton, Daylilies, Gerbera Daisy, Liriope, Pampas Grass, Society Garlic,

"WILL CALL" TICKET PROCEDURE

Are you out of town, travelling, or just plain busy when tickets for a major event go on sale? No worries, Heritage Pines is now proudly offering a "Will-Call" procedure for those residents who are unable to purchase tickets the day they go on sale. The events and shows at Heritage Pines have become incredibly popular. So much so, that we are booking many events and shows with back to back performances. Tickets are selling on the first day they go on sale! It goes without saying, that the Clubhouse has become the hub of social activity within our community.

Here is how it works:

1. Email mike.russell@heritagepines.net with the following information:
 - a. Your Name
 - b. Your Phone Number (the best one to contact you on)
 - c. Your address within Heritage Pines
 - d. The event you want tickets for
 - e. How many tickets you want
 - f. Your member number
 - g. And most importantly, you must include the following phrase in your email: "Through this email, I authorize Heritage Pines to charge my member account for the number of tickets requested. I understand that this charge will show on my monthly statement."
2. Click Send! – it's that easy...
3. Now, here are a few follow-ups:
 - a. Will-call tickets will be purchased AFTER all residents who have "lined-up" on the day of and received their tickets.
 - b. Only ten tickets can be purchased per resident account.
 - c. Tickets will be purchased in the order they are received.
 - d. We cannot accommodate residents who wish to be seated with anyone else, tickets will be sold to the first available seats.
4. Tickets can be picked up at the front desk at a time that is convenient for you!

We hope this added service comes as a benefit to you all!

NINERS LADIES' GOLF

By Anne Verity

Ahhhhh!.... Breathe that cool dry air. Just in time for our returning players and another round of Niner activities. It should be a full, fun fall season ahead.

On September 13th, the Niners hosted golf and a luncheon with our companion 18-hole ladies. Fifty seven gals enjoyed a salsa and chip fiesta after their game. Compliments to Mike, Lisa and Josh for an amazing job! Thanks guys!

Eighteen Nine & Dine golfers played a Dice Scramble on Sunday, September 18th. Winners of our beautiful trophies - Thelma and Louise - were Diane Estensen and Peggy and Dave Rickards with a score of 35. Twenty two people enjoyed dinner at the Fireside after the game. Contact Gracie Ellis for more information about this friendly, exuberant gathering of players. The group meets at 2:30 in the afternoon on the third Sunday of every month for an easy no-stress game of golf and dinner afterward. Come and join them! No handicap required. Next play - November 20th.

There will be more to come in the next newsletter regarding our October 18th fundraiser - "Golfin' For the Kids". This has always been a well-attended community effort on behalf of the Mary Giella Elementary School kids. Monies raised go toward ensuring these children have the essentials needed to maintain a good life at school and at home. Heritage Pines and the Niners ongoing participation has always been much appreciated by the school principal and staff.

On October 25th, forty Niners traveled to Carrolwood Golf Resort for our annual golf get-away. Each year our Board scans numerous nearby golf resorts for the best location for this yearly event. It has always been a remarkable success and a great way to really get to know your fellow members and to have fun. More about this in our next issue!

The golf course will be closed on November 15th. A day of "Painting with a Twist" has been arranged and a sign-up sheet is available in the Niners' book. The studio is located in the Target Plaza just north of Heritage Pines. We will meet at 12:45 for a 1:00 class. A 16x18 inch canvas, paint, brushes, apron and instructor are provided. Please place your check for \$35 made out to HPNLGA in the envelope. You may bring wine or drinks and snacks of your own choosing for another great day of laughter and good memories. Who knows? A Mary Cassatt or Grandma Moses hiding in our talented group?

There are several future events to start thinking about.....Hold the date of Sunday, December 4th for our "Snow Ball Showdown" golf game. A combined group of players will meet at 8:30 a.m. tee time for 18 holes of fun with a partner of your choice. This can be another Niner, neighbor, spouse etc. - as long as they have an established handicap. More details will follow.

Rosemary Carrao is the person to see if you are interested in a cruise February 6-10th 2017, sailing from Port Canaveral on the Majesty of the Seas to CoCo Cay and Nassau. Inside cabins are \$395 pp. and outside cabins are \$435 pp.

We have received invitations to play Quail Hollow on January 12th, 2017 and Timber Greens Golf Course on March 21, 2017. For further questions or information, contact tournament chairmen Janet Allison or Paula Routten.

The Niners' Board again stresses they must be adamant concerning the rules of signing in and paying fees for your Tuesday game. There will be no admittance for ladies signing up after the deadline on the previous Sunday afternoon. Those arriving too late to sign in on the day of play, (after 12:30), and to pay into the prize fund, will not be eligible for prizes given that day. You may have someone pay for you if you know you'll be late. However, if the game is a TEAM event, you cannot play and the team will play as a threesome. As with any large group, we need to maintain a system which will allow everyone to relax and enjoy the game.

Encouraging thoughts and prayers are needed for our members who are facing so many challenges in their daily lives. The Niners are a concerned and close-knit group and we truly care. Cards and notes are being sent; not to mention a steady exchange of friendly smiles and lots of heartfelt hugs. Let's keep them coming to show our love and support for one another at all times.

Cooler and drier days are out there. Take a deep breath and grab that sweater just in case. There may even be a leaf or two to admire. Welcome Back Snowbirds!

18 HOLE "PAR" TICULARS

Many of our snowbird members are migrating back to Heritage Pines from their northern homes. More members playing on Tuesday mornings means more competitive play for all of us.

Upcoming Events

Hole-in-One - Dick Talty had his 4th hole-in-one on the 17th of August. Dick has had two in New York and this was his second at Heritage Pines. His playing partners were Stan Ely, Bob Bonitch and Bob Patterson. Dick used his driver for the 150 yard shot on hole 3. The luck of the Irish was with you. Congratulations.

Member Profile - MGA Secretary Brian Armstrong

I was born in Pittsburgh, PA. in 1944 the youngest of three children. My father had his back broken in an accident when I was two years old. As a result we lived with relatives in the Pittsburgh area for several years until we moved in with my Paternal Grandparents in Butler, PA. My father was in pain the remainder of his 24 years but showed us a strong work ethic. He became an Alderman and then a Judge in the minor judiciary. I joined the US Navy right out of High School and was on active duty for three years serving in a Training Command, Airborne Early Warning Squadron and finally in a Search and Rescue Squadron in the Pacific. Upon receiving an honorable discharge, I returned to Butler and within a week, a friend introduced me to my wife of 49 years Cheryl. We have two children, Tim who lives in Brooksville, FL. with his wife Nicky and our daughter Vickie who lives in Raleigh, N.C. with her husband Bob and the love of our life Bodie who is three years old.

My first year out of the Navy I worked for Kaiser Engineers in the accounting department. I applied and was accepted into the Pa. State Police Academy. Shortly after graduation I spent my first summer riding on the State Police Rodeo team. Shortly after that it seemed like I was going from one riot to another. I was fortunate enough to have the opportunity to work five years in Patrol, three years as a criminal investigator, three years undercover narcotics, one year undercover organized crime, one year communications supervisor and the last 12 years as Officer in Charge of three licensing locations including one Commercial Vehicle testing site that included Federal Motor Carrier Inspections. Starting my third year on the job and for the next seven years I attended college two nights a week all year round. I attended Penn State and finally graduated from IUP with a degree in the Administration of Justice.

Upon retiring in January 1992 my family and I moved to Clearwater, FL. and shortly thereafter, moved to Palm Harbor. I gained employment with Pinellas County in the Solid Waste Division of the Utility Department. I was supervisor of Inspections, Safety and Training. I soon realized the County had a very good Emergency Management Department but they did not deal with hurricane recovery. I pressed my boss to obtain training in that field and soon became in charge of recovery operations. Two years before I finally retired, Cher and I did stay and play's looking for a golfing community to retire to. We were getting very discouraged until 2005 when we discovered Heritage Pines. We moved to HP in November 2005 and I retired in March 2006. Cher and I have been involved in many of the community projects but especially the golf program. Cher has served on the Golf Advisory Committee and held offices in both the 18 hole ladies and the niner's. I have been the MGA Secretary for the past three and a half years, a job I really enjoy. Cher and I are very happy here at HP and plan to spend the remainder of our years here. *continue to next page*

are again sponsoring the “Tree of Angels” reception.

When December 5th, 2016

Where Heritage Pines Clubhouse – PAC Room

Time 5:30 p.m. to 7 p.m.

We encourage HPLGA and HPMGA members and their spouses to attend our annual “Tree of Angels” charity event. There are so many needy children in our area that could use our help.

Beer and wine will be provided along with outstanding hors d'oeuvres. For those who prefer something different than beer and wine, a cash bar will be available. Staff from Shady Hills K-5 School will make a presentation. We will then ask you to take an angel from the tree. The child's name and age will be provided along with a list of appropriate Christmas gifts. We ask that our members be as generous as possible as this will most likely be the only Christmas presents these children receive.

Hoped to see you there! Have a joyous Thanksgiving and Christmas Season.

MEN'S NINERS GOLF

By Don Waitkus

With this great fall weather this is a good time to join the league. Everyone in the Niners is having a great time, so come join the fun. We have added a few new players but we are always looking to add new players. If you do not have a handicap you may still play with the league on Wednesdays while you establish one. We play a variety of games and look forward to seeing everyone on Wednesday afternoon at 12:15 with a 1:00 tee time. For more information contact John Delamer the President at 857-4155, or Phil Flynn the Treasurer at 413-977-9413, or Don Waitkus the Secretary at 378-7533.

GOLF HANDICAP SYSTEM

By Joy Stefany, *Handicap Chair*, Joystefany2@verizon.net

“Two basic premises underlie the USGA Handicap System, namely that each player will try to make the best score at every hole in every round, regardless of where the round is played, and that the player will post every acceptable round for peer review. The player and

the player's Handicap Committee have joint responsibility for adhering to these premises.”

That being said, I want to remind players to POST all eligible scores! It is the Players' responsibility to POST all acceptable scores, whether you play at Heritage Pines or any other course. Please remember that ALL of the tees at Heritage Pines are rated for both Ladies and Men.

- If you play quota points and pick up after not making a point, record your most likely score – not to exceed your ESC.
- If you have an 18-hole handicap and play nine holes, record the nine-hole score. Let the GHIN system keep track of the nine-hole scores and combine to make an 18-hole score. It does NOT matter if it's two on the front, two on the back or one front and one back. This is true if you play either the front or back twice in one day.
- If you have a nine-hole handicap and play 18 holes, record the front and back separately.
- If 13 or more holes are played, an 18-hole round MUST be posted. Record par plus any handicap strokes that you are entitled to receive on the holes not played.
- If 7-12 holes have been played, post a nine-hole score. If seven or eight holes are played, record par plus any strokes for the holes not played. You must play at least seven holes on the front or back in order to post a nine-hole score.

The game of golf relies on the players to post ALL eligible scores. This makes the game of golf fun and fair for all. As always, if you have any questions, please contact someone on the Handicap Committee or our golf professional, Ricky Weber.

ASK THE TECHIE

By Dale Mallek

Q: I have been using Windows Live Mail to receive and send my HOTMAIL email for several years. Recently this stopped working. I am able to access my email using Internet Explorer. What do I do to resolve this problem?

A: Microsoft announced that on June 30th they would no longer support **Microsoft** email access via **Windows Live Mail**. **Microsoft** email accounts include: **HOTMAIL, OUTLOOK, LIVE** and **MSN**. This change will not impact anyone using **Live Mail** to access a **BrightHouse, Verizon/Frontier, Yahoo, Gmail, AOL** or any other providers email services.

You have several options for your Microsoft accounts. You've already discovered that you can use a web browser. To access your Microsoft email type **WWW.LIVE.COM** in the browser window. Enter your email address and password to complete the login. If you are using **Windows 8/8.1/10** you can use the **Windows MAIL** app from the **START SCREEN**. Another option would be to use a program such as **IncrediMail**.

Q: I'm considering replacing my old computer with a new Windows 10 computer. The sales people are suggesting I purchase Microsoft Office 360 or Office 2016. My document writing and spreadsheet requirements are simple. Do I need to spend the extra \$120+ for the new computer system?

A: You do not have to spend any additional dollars to access your existing documents or spreadsheets. Instead you can download a free program that will not only allow access to existing files but also allow you to create new **Word, Excel** or **PowerPoint** documents.

I recommend that you download and install either **Apache OpenOffice** (www.openoffice.org) or **LibreOffice** (www.libreoffice.org). Both

programs are 100% compatible with all **Microsoft Word** document, **Excel** spreadsheet and **PowerPoint** presentation files. This is important if you need to share any of your files with someone using a **Microsoft Office** program. If you were previously using **Microsoft Works** or **Office** you should find either program easy to use.

MONDAY LADIES BIBLE STUDY

By Carol Hopkins

Our Bible study is open to all women of Heritage Pines and their visitors. Each Monday morning from 9-11 a.m. we meet in the Magnolia Room to continue our study of the letters to the seven churches of Asia. These were dictated to the apostle John while he was in exile on the isle of Patmos. John was given these words by none other than Christ Himself. Not only were these messages for the churches of the first century but we were intended to learn what Christ might commend, condemn or recommend about churches today and the people who claim to be His followers.

As an aid to understanding more fully Christ's messages we are using the DVD series by Dr. David Jeremiah entitled "The Seven Churches of Revelation". These letters are contained in the second and third chapters of the Book of Revelation. No materials are required for this study other than your personal Bible. If you have any questions about our group, please contact Carole Hopkins at (727) 697-1664 or send her an e-mail to oceancarole@gmail.com.

BILLIARDS FOR EVERYONE

By Deb Tribbey

If you haven't played pool (billiards) with the Ladies, or the Couples Groups then you are missing a lot of laughs and fun. We do not have a league, but we do have some talented players who are very patient and are helping all of us to improve our game.

The Ladies Group plays on Wednesdays from 1 p.m. through 3 p.m. and on Thursdays from 9:30 a.m. through 11:30 p.m. The "ladies" are always willing to welcome new players and teach novices. Simply drop in to play either Wednesdays or

Thursdays in the billiards/card room at the Clubhouse.

Then we also have a Couples Group meeting to play on Saturdays from 2 p.m. through 4 p.m. This consists of beginners to some amazingly skilled generous players who want to share their knowledge while still having a good time with their partners. The comradery and support that everyone gives each other, whether a good shot has been made or a miss, makes the afternoon a lot of fun while giving you an opportunity to meet some new residents. Makes for some very interesting matches!!!!

If you played pool "back in the day" or never at all, please feel free to drop in and join us. We know you'll enjoy it like we do. For further information, please call Ruth Stickel at 869-7848 or Deb Tribbey at 857-6583.

80+ SUPER SENIORS

Come socialize and meet new friends to reminisce old times at the Clubhouse on Friday, November 11th at 12:00 p.m. for lunch. If interested, please call Loretta Fulda at 727-697-2060 or Stephanie Nunziante at 727-860-4142.

ROMEO Upcoming Club Events

November 6th: ROMEO TURKEY TROT Dinner and Dance (Couples). This is our major couples event for the year (See page 22). We have hired our talented, high-energy All Shook Up four piece band to entertain us with their great music and singing. Cocktails will begin being served at 5 p.m. and dinner begins at 5:45 p.m. with two main entrees; i.e., a Thanksgiving turkey dinner buffet with all the trimmings and a fish lovers salmon delight. A chocolate covered sheet cake will be served shortly after dinner. The music starts at 6:30 p.m. and ends at 9:30 p.m. There will be a cash bar and we will be having three free raffles for prizes in which the ROMEO Club will be picking up the tab for your raffle tickets. Prizes to be awarded are: a \$25 Publix gift certificate, dinner for two at the Clubhouse and tickets for a foursome on our Heritage Pines golf course. These raffles will happen when the band takes its usual breaks. Finally, we have only printed 175 tickets for this event and they are currently on sale at the front desk. The cost of each ticket is the same as last year; i.e., \$25 per person. This event is always a sellout and everyone has a great time; so, be sure to get your tickets by Sunday, November 6th, 2016.

November 18th: ROMEO Breakfast for November (Members Only). After meeting with Heritage Pines management on October 5th, it was determined that buffets are easier for the kitchen staff and less wait staff is required. Therefore, the Clubhouse can at least break even with our

FRIENDLY QUILTERS

By Diane Kericha

The H.P. Friendly Quilters are a group of women (men are always welcome) who get together to enjoy each other's company, sharpen their quilting skills, or would like to learn how to quilt. They also donate their time to work on projects for those in need. Meetings are held on the second and fourth

FRIENDLY QUILTERS cont'd

Friday of the month from 12 p.m. to 3 p.m. in the Craft Room. The second Friday of the month is when we work on a service project for a charity of our choice, and the fourth Friday is our "sew and tell" day as well as doing either a group project or working on individual quilting projects. We love to teach newcomers quilting skills, and this group of women has a tremendous amount of skills to share.

Several of our members have gone north for the summer but there is still a group of us that hang around here all summer long ready to be creative. A social hour has been known to follow in the Fireside bar after the meeting. So come see what we're all about, we'd love to have you.

Don't forget, we are always in need of fabric donations for our charity work and we'd be happy to make arrangements to pick it up. Call Faye Philie at (727) 697-0505 with any questions.

ANGELS IN THE PINES AND THE TOYMAKERS

By Vicki Hoffman

CRAFT FAIR, CRAFT FAIR - November 5, 2016 at 10:00 a.m. until 3:00 p.m. at Heritage Pines Clubhouse. Both the Angels and Toy Makers will have tables at this Craft Fair. This Craft Show is a fundraiser for both of these charities.

The Angels in the Pines have many beautiful handmade items to purchase for gifts, or for yourself. The Toy Makers have some wonderful wooden toys that for a donation will support their work.

We again welcome back all the snowbirds. We have been looking forward to your return. The Craft Fair will be a good opportunity to learn about our charitable groups and support their efforts.

The Angels in the Pines meet each Sunday afternoon around 1:00 p.m. until about 3:30 p.m. Although we do knit, crochet, loom or come to learn how to... the group is very social and we welcome all new members. We make hats and scarves and purchase gloves to give to the young children at several Pasco County Schools along with a wonderful toy made by the Toy Makers at Heritage Pines.

The Toy Makers meet on Monday mornings from 11:00 a.m. until 2:00 p.m. also in the Craft Room and Thursday evenings from 6:00 p.m. until 8:30 p.m. Our Wood Shop is where the toys begin. For more information about working with the elves in the Wood Shop call Phyllis Matheson 727-861-5546.

Volunteers Welcome for New "Angels Care" Project

The Angels and Toymakers are busy putting the finishing touches on the holiday gifts of hats, gloves, scarves and toys for our local school children. Some of the Angels are working on our new project "Angels CARE" packages for our local chemo patients. We are making soft hats of fleece or cotton and combining it with coloring books and pencils for gift baskets that we will drop off at chemo centers in our area. We are also thinking of small fleece lap blankets or slippers. Any donations

of cotton or soft baby fine yarn, fleece by the yard, or coloring books and colored pencils from the dollar store is appreciated. Cancer has touched every family and this is a small way to give back all year long. We welcome all who would like to help. Even if you don't knit, crochet or sew we could use your help to pack, wrap or deliver!!!

If you would like to assist with knitting, crocheting or sewing any of these projects please call Meg Amelia (908-251-3474) or Gerri Brousseau (727-861-2224) or drop by the Angels meeting any Sunday from 1 p.m.- 3 p.m. in the Craft Room.

BUNCO CLUB

By Marcia Gerber

As we are getting into the holiday months, we will be having our games before both the week Thanksgiving and Christmas.....so, this month we will be meeting on Thursday, November 17th, in the Magnolia Room. We start promptly at 6:30 p.m. but we only have room enough for 36 players so be sure to arrive early and make sure you have your two envelopes with you. For those of you who are new to Heritage Pines, we invite you to come and play as Bunco is a very easy game to learn and play. For any questions, please contact Marcia Gerber at 819-1662 or Betty Plante at 863-8462.

BOOK CLUB

By Judith Chase

The Heritage Pines Book Club usually meets on the 4th Wednesday of each month. Due to the holidays, we will not meet on the regular meeting dates in November and December. We will meet one time only on Wednesday, December 7, at 10:30 in the Magnolia Room to discuss *When Breath Becomes Air* by Paul Kalanithi. A recent NY Times Bestseller for almost a year, what began as a memoir was finished by other people when the brilliant young author, a promising neurosurgeon, died in 2015. Dr. Kalanithi loved literature (2 BS's and an MA in Literature from Stanford, an MA in Philosophy from Cambridge, and an MD from Yale). This is the story of a brave neurosurgeon nearing the end of a ten-year educational plan when he is diagnosed with metastatic lung cancer and forced to see "life from the other side of the bed".

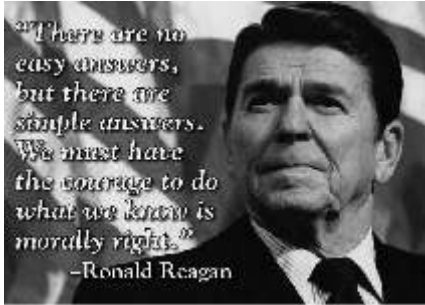

Also, Penny Norton will report on the progress of plans for the Mary Giella Christmas project. After the meeting, members will adjourn to the Dining Room for lunch.

Everyone in the community is welcome, so please come and join our discussions. If anyone has any questions about the Book Club, please call Judith Chase at 862-4545 or Mary Lou Ballmann at 862-1438. Happy reading!

RONALD REAGAN REPUBLICAN CLUB OF HERITAGE PINES

TAI CHI CLASS

By Rich Cunha, (857-3044) or taichienvirorich@gmail.com

Tai Chi, Beginner – Tuesday at 8:30 a.m. in the PAC

Tai Chi, Advanced – Thursday at 8:30 in the PAC

Qigong (Chee Kung) – Saturday at 8:15 in the PAC

New Beginner Class Starting November 1st

A brand new Beginner Class for traditional Tai Chi will be starting November 1st, 8th, and the 15th. This will be the only time all year I will be starting Tai Chi from the very beginning. If you want to learn one of the most beneficial exercises, and the easiest on your body – now is the time! If you are concerned about maintaining the health of your body and mind as the years invariably advance, then, Tai Chi is for you. Worried about your balance? Learn one of the most beneficial exercises available to improve your balance and prevent falls. The class is open to everybody and there is no cost (my way of “Paying it Forward”). No special clothes or equipment is needed – just comfortable clothes and shoes.

If you miss the first class on November 1st, don't worry, it will be very easy to catch up for the next few weeks. The first class will be a demonstration of the Tai Chi form, and an explanation of the history and benefits of Tai Chi and Qigong (working with energy). There will also be time to talk to some of the students that have been studying Tai Chi for awhile, and to ask any questions you have. If you are a former student, have taken some Tai Chi classes in the past, or have already completed the class – welcome back! A start from the beginning again helps you to perfect the form.

“Chair Tai Chi” Starting November 12th at 9 a.m.

A brand new class designed for those residents that have difficulty standing for any length of time. “Chair Tai Chi” is a very gentle exercise with all the benefits of traditional Tai Chi, but performed while sitting comfortably in a chair. I

have heard from many people that would like to try Tai Chi, but do not think they would be able to stand for as long as is required, or they cannot stand at all. Even if you use a walker, or are confined to a wheel chair – this class is designed for you!

This exercise program is based on traditional movements found in the Yang Style of Tai Chi Ch'u'an. It has been shown to improve the range of arm and shoulder movements; add more flexibility to your legs; increase lung capacity; and helps to prevent falls. All of this and it is extremely easy to learn and leaves you relaxed and refreshed at the end of each class. Classes will be each Saturday from 9:00 a.m. to 9:30 a.m. in the PAC.

DEMOCRATIC CLUB

By Linda Myers

**Democratic Club To Host
DNC Convention Delegates in November
Thursday, November 17, 2016
4 – 6 p.m. in the Magnolia Room**

The Heritage Pines Democratic Club will meet on November 17 at 4 p.m. in the Magnolia Room. Elaine Togneri and Dr. Judith Noel will share highlights of their experiences at the Democratic National Convention in July. They served as Hillary Clinton delegates from Pasco County.

We would like to thank the volunteers from Heritage Pines who volunteered to help with the local and the national campaigns the last two months. The volunteers helped to make a difference in this election. A special thank you to Judith Chase who took on the responsibility of coordinating the staffing of two campaign offices one day each week. Time was spent registering voters, making phone calls, and knocking on doors on behalf of our Democratic Candidates. Most of all, we hope everyone cast their vote on Election Day.

Join us on November 17th to hear about the DNC Convention and a summary of the November 8th election results. Refreshments will be served, and all Democrats in the community are invited to join us. For information, call Larry Schmitt – 869-2493; Rich Cunha – 857-3044; Linda Myers - 233-6226.

SEVEN BENEFITS OF WATER AEROBICS

By Denise Mallek

Recent Research

It is proven doing water exercise two to three times a week can have significant improvements in strength, flexibility and cardiovascular health. It can also decrease the risk of disability, improve balance and increase your ability to perform daily activities with ease.

continue to next page

BENEFITS WATER AEROBICS cont'd

Heritage Pines folks don't realize how fortunate they are to have this form of exercise right at their fingertips with a United States Water Fitness Instructor who is certified.

as a key benefit. *“Water exercise was recommended by doctors. After knee surgeries, it is the only low-impact exercise I can do.”*

2. Total body training: Water provides multi-directional resistance, making it easier to enjoy a more balanced workout. For example, on land arm curls targets the biceps both on the way up to lift the weight against gravity and on the way down to control against gravity. In the pool, it's different. Resistance is everywhere. Try this same move. On the way up, biceps work against water's resistance, but the triceps must engage to resist against water on the way down. *“Water exercise gives me a full body workout. I have gained strength and stamina!”*

3. Reduce joint and muscle pain: Gentle exercises help to improve circulation and hydrate the muscles. Multi-directional moves help to pump nutrients to the joints helping to reduce joint and muscle pain experiences constant arthritic knee pain: *“Water exercise is the only exercise that makes my knees feel better.”*

4. Gain more mobility: We can move more freely in water. Regular participation will reduce stiffness and make movement on land more comfortable. *“Water exercise helps keep my back limber.”*

5. Improve heart health: Water exercise is a great low-impact aerobic activity. Depending on your fitness level, options from walking to high intensity intervals – each have a positive impact on cardiovascular health. Even very fit, 20 year-old says: *“I get a great cardio workout in the pool ... just the same as on land!”*

6. Build better balance: Water supports weak muscles and helps minimize the fear of falling. It provides confidence as the body is constantly challenged to stabilize against the continuously moving water. Try rhythmical moves to improve balance. For example, trying jogging; Right Foot, Left Foot, Right Foot – HOLD (on right). Then, Left Foot, Right Foot, Left Foot – HOLD (on left). Repeat several times.

7. Stay cool: What better way to burn hundreds of calories than staying cool while you work! Since water is cooler than your body temp, the heat flows away from your body and results in feeling as if you are never “breaking a sweat.” *“Water is so refreshing! I love being able to exercise outside.”* Most importantly keep moving.

LIBRARY NEWS

By Mary Lou Ballmann

The Heritage Pines Library has many choices for those of us who love to read. We can find an instructional book, something to refresh our mind or soul and we can find an old favorite or a brand new book to enjoy. Take advantage of having such a

well-stocked library so close to home and stop in to pick up a book or two.

Remember, fiction books are on the right-hand side of the Library and non-fiction books are on the left-hand side of the Library. Paperback books are on the shelves to the left of the doorway and do not need to be returned. Place all returns and newly donated books on the cart on the north wall. Unfortunately, we are unable to accept magazines, catalogs, puzzles, or books of limited appeal.

Please contact Mary Lou Ballmann (727-862-1438) or Susan Bell (727-868-4261) if you have any questions.

HP SHOW CHORUS

By Paul Mattes

THE HERITAGE PINES SHOW CHORUS - A NEW OPPORTUNITY FOR HERITAGE PINES RESIDENTS. We are forming a new group which will honor the greats of Broadway and The American Song Book. Paul Mattes will be putting this together and we are looking for singers, men and women. A date for our first get together will be announced. It is quite possible we could perform in 2017. For now we are assessing the level of interest and participation to expect. Please contact Paul (pamklm@hotmail.com) or 868-4686 if you want to be involved. We will produce a show when we are ready and we don't require great singing but great spirit and enthusiasm. There will be much large group singing and some duets and solos as we develop. Our first get together will be to organize and do some fun singing. No auditioning will be required.

HP HOLIDAY SINGERS

HP Holiday Singers are available to provide a 20-30 minute program for your Christmas luncheon or dinner.

Call Joanne Florin for details

SPORTSMAN'S CLUB

By Frank Gaizo

Welcome back seasonal travelers! We are looking forward to many more good times together.

The Sportsman's Club Meets on the second Thursday of each month in the Magnolia Room at 11:00 a.m. This meeting usually lasts about an hour. Afterward, some enjoy lunch together in the Clubhouse. Our November meeting is scheduled for Thursday, November 10th. Annual Club Dues of \$25.00 are due January 1, 2017.

clay target shooting, horseshoes, fresh and salt water fishing, biking, canoeing and kayaking. Everyone with an interest in these and other related activities is welcome to join us.

Bocce players have now begun playing on Monday afternoons at 2 p.m. on the bocce courts. Come out and join the fun. Players of all skill levels are welcome.

In alternating two week intervals those who shoot trap, skeet, five stand and crazy quail, form groups and on Wednesday mornings, carpool to either the Silver Dollar Shooters Club or to Robinson Ranch in Dunnellon.

Car pools usually leave the community around 8:30 a.m. Silver Dollar and Robinson each offer traditional trap, and skeet shooting in addition to other shotgun games like crazy quail, and five stand which are also a lot of fun. Those needing a ride should call Mike Milkowski at (516) 857-2229.

Rifle and pistol target shooters usually shoot at The Phoenix Gun Club on Wednesday or Friday morning. Check out the Phoenix website for their range schedule.

Interested in doing some kayaking or biking? Give Howard Stringer a call at (727) 204-0603.

Bicycling outings are being arranged by Pat Lanphier. Pat can be reached at (352) 686-6598. If you like to bike, call Pat.

This year our Christmas Party will be held on December 3rd at the Lodge in Timber Pines. Mark your calendars and plan to attend.

Speaking of the holidays, this time of year brings us to our second annual Sportsman's Club Bicycle Project. Our goal for 2016 is to donate ten bicycles, complete with safety helmets, mirrors, bells and reflectors to the children of the Mary Giella Elementary School. Last year, in addition to many other charitable gifts, we were able to make four children at the school very happy with brand new bikes. Our goal this year is to expand the program to ten other children who have never had a bike. Just picture their excitement and plan to donate to this worthy cause. Donate at the November meeting or by contacting Joe Rubino (727) 863-8836 or Howard Stringer (727) 204-0603.

Jim Gosnell and Howard Stringer have proven to be the club's most consistent trap shooters. Their lively competition has them swapping the Benny Rappa Trophy back and forth from quarter to quarter. Jim took the honors for the first and third quarters and Howard for the second quarter of 2016.

John Doak and Howard Stringer Presenting Trophy to Jim

The Thom Johnson Traveling Trophy, after taking root in John Doak's home for 13 years, has now been transplanted to Jim Gosnell's home after Jim broke 50 clays without a miss on September 7th of this year. Congratulations Jim!

TENNIS ASSOCIATION HIGHLIGHTS

By Veronica Boxx

Up, Up, & Away... Judy Peterson, the Tennis Association temporary President has gone to new heights of enthusiasm and energy as she pulls together the members for new and different fall activities. Read on for details. She also has set the first board meeting for October 31 with an agenda full of topics to discuss. Watch the "Pines" December issue with all the spring dates that members will want to get on their calendars!

Women's Tennis: EXCITING CHANGES FOR WOMEN'S MONDAY TENNIS LEAGUE: FIRST, THE

TIME IS CHANGING TO 9:30 A.M. The Women members after a simple vote have decided to start at 9:30 a.m. for Monday play to avoid the afternoon heat. The hope is to bring in more ladies to play plus it will be nice not the look into the afternoon sun when serving! **SECOND, THERE COULD BE TWO FLIGHTS.** At the writing of this article, Women's Monday Tennis hopes to experiment with 2 flights, A and B where the player chooses which flight but allowance will be made to move between flights with handicaps. Judy Peterson has it charted out from week to week. If there aren't enough participants to have 2 flights, there is an alternate plan so there will definitely be Monday morning tennis for the ladies. It's a short season, November 7 to December 19 so a great opportunity to try something different so be positive!!! Come on ladies, sign up now if you haven't already!!! It will be a fun AND competitive time on the courts! Watch your email for sign up and details. If you cannot commit to the league, sign up to sub as there are never enough subs!!

Judy Peterson will coordinate the Women's Open play on Wednesday starting November 2 and she has set the start time at 8:30 a.m. Thanks Judy but also a thank you Carol Henningsen for coordinating the open play for the summer and fall. You made it fun play and we appreciate your work and leadership.

Men's Tennis: Joe Gorecki shares that the Men's Monday Night League started on October 5 at 6:00 p.m. with a rainout!! The league will continue weekly until December 12. There are 2 courts with 10 regulars and 5 subs. Thank you Joe for your work to coordinate and make this a great league!! Although we appreciate and thank Joe for conducting the ball machine training up to this point, training is suspended. Apparently the ball machine is in need of serious repair so a new one is hopefully coming soon. Stay tuned for more information about the ball machine.

Bill Tory will continue to handle the Men's Open play on Tuesday and Thursday at 8:00 a.m. Sometime soon the start time will switch to 8:30 a.m. as the days get colder. Thank you Bill for your time and energy that keeps this group playing and enjoying the court time.

Mixed Doubles: Yes, more exciting news!!! Sunday night Mixed Doubles returns!! Fred and Lu Houde are enthusiastic about getting people to sign up and play mixed doubles on Sunday evenings. Play will start at 6:00 p.m. on November 6 and will be week to week until the end of the year. Sign up with a partner or the Houde's will try to find you a partner if you don't have one. Play will be with 3 no-ad sets. Grab a partner and sign up now!! November and December are the best months for evening play!! How many courts can we fill??

Due to rain and hurricanes, we only had one practice since the last newsletter article. This practice was held on Friday October 14th. We had our largest attendance of the year at this October 14th softball practice since several of our players returned from their summer homes up North. Therefore, at future practices, we will have enough players and be able to create two teams and play five inning games. Below is the picture and names of all 19 players that attended this practice:

Top (3rd) row from left to right: Kerri Childress and son (Coltran), Bob Ceurvels, Frank Adamouski, DonWeller, Rich Mariotti, Paul Katzenbach and Chuck Winzer.

2nd row from left to right: Frank Staar, Doug Cabe, Lou Guariniello, Bob Gardella, CB King, Bill Reuter, & Jeff Mariano.

Bottom (1st) Row from left to right: Al Grosso, Kevin McCrystal, Debi Benson, Mary Sacher.

Photographer was: Sam Medina (new player).

=====

Each player had two rounds of batting with 15 hits at each bat or a total of 30 hits each. We had two more practices in October on October 21st and October 28th. Our upcoming practice schedule for November is November 4th, November 11th and November 18th (all practices start at 9:30 a.m.) There will not be a practice on November 25 since this is Thanksgiving week.

*Happy Thanksgiving to all

GENEALOGY - Who's Your Daddy?

By Sherry Churchill

Having recently lost my mom to cancer, I learned some really important things relating to Genealogy. During my mom's last few weeks, I gathered all her photos to sort and scan them. Most were familiar to me. But many were not, as they belonged to my deceased stepfather's first family. I wanted to gather together his old photos and managed to track down one of his granddaughters, who knew very little about her grandfather and had no photos. She had always been curious, so she gladly accepted my offer to send them to her. Unfortunately, my mom was not able to assist me much in identifying people due to her deteriorating condition. So, I was thrilled to find that my stepfather's first wife, who died in her 40's, had faithfully labeled and dated the backs of every single photo. Thanks to her, I was able to identify most of the people who were my stepfather's first family. She included dates and locations, so that helped with creating their family tree, which I hope to also send.

Not so my own family. We never wrote on the backs of any photos, just assuming we all knew who was who. Well, not only did I not remember some of the people, but had to guess as to the date and occasion. I never realized how important it was to record the names and dates of every single photo. It is too late for my mom and grandparents' generation. But it isn't too late for us. If you have photos of relatives or close friends, do your best to label them for your children. In so many families, possessions aren't nearly as important as photos of loved ones and family that has passed on. Digital photos can often be named with identifying info.

And, while you're at it, make a list or notebook of your valuables, such as antiques, art or collectibles, and include, if possible, a receipt, photo and story behind the item. In going through my mom's possessions, I realize I know very little about what is important and what is not. And I'm not speaking about dollar value, I'm talking about what or who is associated with that item and if it has a story. Write your own memoirs for your descendants! If you can't write or type, dictate! A voice recording is just as priceless as handwriting! Our next Genealogy Club meeting is on November 12 at 1:30 p.m. and all are welcome! The December meeting has been cancelled due to Holiday travels.

NEW BEGINNINGS

By Judy Peterson

The Bible--It's been called "the most misunderstood book in History." Do you know someone who has been overwhelmed by the Bible? New Beginnings Bible Study will resume meeting November 7th from 1:30-3:30 in the Conference Room.

We are beginning a exciting new study... "for the person who knows nothing about the world's bestseller--the Bible... very helpful in tying the Bible together into one cohesive story."

Take an unforgettable journey through the Bible. Here is a video series that explains the greatest of Bible themes clearly and logically. Rather than focusing on a part--and missing the whole--the teacher chronologically binds together the entire text into one great universal drama... when you are done watching it, you may find yourself believing 'the Book' like you never have before."

The Stranger on the Road to Emmaus is a video series, with discussion questions. There is no need to buy a book but each week I will email discussion questions for the group to consider during our class time. I give no homework but you will want a Bible.

Here is a quote from a former member of this study, "Even though I had attended church for over 30 years, the Bible never made sense to me. It was just a bunch of disjointed stories. Now the Bible all fits together in a clear, logical manner. It really is incredible."

THE DEATH OF A DEAD GUY and SCROOGE MAKES UP

Directed by Ralph Pauley and Janette Pauley

Friday and Saturday, November 25th and 26th at 7:30 p.m.
or Sunday, November 27th 2p.m. matinee

Bit of Nostalgia

Your drama club presented a radio production of Dragnet: The Big Little Jesus on September 29th. It was directed by Dudley Saunderson and it was very well received. Most gratifying is that we had three new people giving their first performance for us. The radio format avoids the learning of lines and makes it easier for new people to get involved. We will look seriously into continuing this format in the future.

The Director: Dudley Saunderson - Dudley was very pleased to have been given the opportunity to direct the Drama Club's latest production. The Radio Show called "Dragnet - The Big Little Jesus". He and his wife Gloria arrived in Heritage Pines in 2002 from Seattle, WA. He has always been involved in theatre starting in Toronto, Ontario, performing in Gilbert and Sullivan operettas. When a drama club was created here, he was able to return to doing what he loved best, performing before a live audience. The first role he took on was that of the Advertising Executive in "Twelve Angry Jurors" in 2005. Since then, he has been director of several of the Drama Club's productions. He has also performed in them as well as the yearly variety show. He did several roles in productions at the Show Palace. Dudley has been a member of the Drama Club since its inception and is currently on the Board of Directors as Member-at-large.

About the Cast

Tom DeBruyn (Woodfield, 2000) - Tom always wanted to know if he could act in a play. His part in the show proves that he can. And he will!!

Jim Glynn (Majestic Pines, 2016) - Jim always lived in community theater. He chose to live in HP because of the drama club.

Pete Karkheck (Whisper Green, 2001) - Pete enjoys the chance to do creative work, to give to the community and the camaraderie.

Paul Mattes (Woodfield, 1999) - Paul had been engaged in community theater since living in Illinois. His passion was and is theater. He formed the current HP Drama Club in 2003.

Maria Miller (Whisper Green) - Maria finds activity rewarding and fun. The camaraderie is great and gives her a chance to give back to the community.

Rick Myers (Country Green, 2012) - This is a no brainer for Rick. He enjoys all the friendships he has made and giving back to his community has always been a must.

John Popovich (Hilltop, 2004) A small part in Barefoot in the Park hooked John. He is a relevant member of the club and enjoys all the friends he has made.

Tony Ravida (2004) As one of our newer member, Tony is always willing to help, both on and off stage. You will be seeing more of his talents in the future.

Pat Welsh (Hill Top, 2004) This is the first show for Pat since High School. She enjoys the drama club and the people in it. We will be seeing more of her.

DRAMA CLUB cont'd

In Remembrance: Andy Yaroschack

We were saddened to learn of Andy's passing in New York this Summer. He was a beloved and stalwart member of our club. He had a major part in our first production, *Twelve Angry Jurors*, in 2003. He was in several of our shows over the years and performed into his 90's. He exemplified the spirit of our club. We were looking forward to his return and having him possibly appear in next year's Spring Show which will also be *Twelve Angry Jurors*. Andy will be missed. We treasure his memory.

We wish everyone a happy and peaceful Thanksgiving Holiday!

MARY GIELLA

By Penny Norton

Happy fall to all. Wes and I first want to thank all that have helped with the food drive all summer. We still need food donations; as they have slowed. We are coming so close to Thanksgiving we really have the need. We have help from special people in Pines Glen; I had a 200.00 donation from one person for turkeys. We also have new residents that have been giving over \$100.00 worth of food each week. Thank you from all the children. Now that it is November, I have names of children that will need clothing. Please call Wes or myself for a name of a very needy boy or girl. We also will be having the children coming to sing for us. The show is free; please come and make them smile with your applause. It means so much to all of them. I must give a big Thanks to our Book Club who have been giving over 200 books to the pre-k, kindergarten, and first graders for over ten years. What would the school do on Santa day with out the hats, scarves, and gloves from the Angels in the Pines; or the wonderful wooden toys from our own Toy Makers. A big thanks goes out to the Niner's for all their help in so many ways. The eyes and joy of all the children says it all Heritage Pines you are the best. If you have any questions, please call Wes or myself at 727-869-9642. Thank You and God Bless you all that you do for the Children. Thanks Wes and Penny Norton

TUESDAY LADIES BIBLE STUDY

By Evie Clark

Starting in November we will continue looking at 2nd Timothy as presented by Beth Moore in her study entitled "Entrusted". We will start the month by discussing lesson two.

We invite all women in or community to join us in our studies and fellowship. Of special note, on Election Day we will meet in the Magnolia Room at 10:00 a.m. until 12:00 noon. All other Tuesdays we meet from 9:00 until 11:00 in the same room.

This study has a video one week with discussion the following week from workbooks that can be ordered from Evie Clark at 727-868-3454. This study can be done in several ways.

One is to view the video and not use the workbook. Two is to view the video and use the workbook at home to go deeper into scripture.

The videos will encourage us to guard what God has entrusted to us, to further His Kingdom by sharing Christ with others. Because the journey we travel is of joy and hardship, we need each other to stay the course and live a life of faithfulness. The study is Biblically rooted and gospel centered. We will be happy to have you join us even if you haven't been to a Bible study before.

Learn all the latest and greatest line dances. Be ready for the HP dance events coming up this fall and winter. Join your friends and neighbors every Thursday morning in the PAC Room from 10:30 until 11:30 a.m. Our instructor, Phyllis Poirtier, has been teaching dance for over 26 years.

Each week we learn a new dance and review the dances from previous weeks. Phyllis makes it so easy to learn and to fit in, no matter whether you are a seasoned dancer or a beginner.

Men and women welcome. The cost is only \$5.00. No

reservation needed. Just show up and join in the fun. Bring your friends.

There are several of the ladies that stay for lunch after the class. Make sure to put the date on your calendar, and we look forward to seeing you there.

Dance Shoes

A lot of us ordered dance shoes from the store in St. Pete. In case you missed out the last time they were here, they are coming back with a great selection. Mark the date: November 3rd. (special shoes are not necessary to join the class!)

WHY OPERATE WHEN YOU CAN REGENERATE?

Mark N. Hashim, M.D. and the Interventional Pain Institute of West Florida is proud to announce we are now treating patients with the most innovative product available to date, Amniotic Stem Cell Recruitment Therapy.

This therapy treats numerous conditions such as:

Degenerative arthritis of the knee, hip and shoulder	
Sports injuries	COPD
Spinal arthritis	Asthma
Rotator Cuff Injury	Dry eyes
Ligament/tendon injury	Diabetic Neuropathy
Elbow tendonitis	
Carpal Tunnel Syndrome	
Plantar Fasciitis	

These treatments have been extremely successful in allowing patients to avoid the need for potentially risky surgeries and get back to doing what they love. This may mean a grandparent playing with a toddler, or an elite athlete getting back on the field quickly!

We only use Regennet's proprietary placental derived amniotic product known as *PDA Human Amniotic Fluid™*, which is the next generation of sterile human amniotic fluid for enhanced soft tissue healing results. In Time magazine's recent Health Discoveries' issue, the protein GD11 was discussed as one of the recent revolutionary findings for longevity. This protein is a vital component in the amniotic fluid regenerative medicine therapy. These treatments involve fluid that is NOT embryonic, and no fetus is harmed in the process. There are no ethical issues with the treatment, and donors are screened in accordance with FDA regulations.

Human amniotic fluid (HAF) has been used for centuries in the treatment of different maladies and conditions. HAF has been shown to be a mixology of beneficial collagens, cytokines, elastins and growth factors that can proliferate the treatment, healing and regenerative qualities of the human body. The presence of extracellular matrices can help to provide a natural scaffold that may accelerate healing while potentially reducing the incidence of inflammation and scarring. The fluid utilized in treatments contains over 100 growth factors that work diligently to regenerate and restore your native tissue. In addition, the fluid activates your stem cells to facilitate restoration of the cartilage, tendon or ligament tissue that has been injured. The technology is called Stem Cell Stimulators™, and represents a new paradigm in how we heal from injury.

For decades, physicians have been treating painful conditions with methods that are often effective, but do not change the condition itself. Getting past the proverbial Band-Aid with a breakthrough treatment that actually helps heal injury has been the Holy Grail. And now it's arrived!

We work with Regennet to offer patient financing so the treatments are affordable and within financial reach for most patients. Why wait? Call and make your appointment today to get back to living your life, pain free.

SCENIC VIEW ESTATES BOOK CLUB

By Loretta Fulda

The residents of Scenic View Estates, namely Jan Lose, Barbara Kennedy and Edna Lennox, got together on September 17, 2007 and founded the Scenic View Estates Book Club. Since that date, we have read 104 books from various and widely acclaimed authors specifically European, Australian, Central and South American and American authors in particular. Our number has also grown to 15 readers.

Our basic premise is to get together monthly in each other's homes to discuss a previously selected book and we very informally discuss the author, content and ramifications if any. It has opened up a whole world of reading to most of us because the selections are not always in “our comfort zone”. This has proven to be a good thing; we've learned a great deal about history and cultures that were not found in our high school textbooks! Some of the subject matter hadn't even occurred when we were in school.

Each book is given a star rating awarded by a general consensus vote, three stars being the best, 2 stars is worthwhile, one star is ok and 0 stars is a “do not bother”. The book that achieved our highest rating is “Unbroken” by Laura Hillenbrand. It is an excellent story of an exceptional man, Louis Zamperini. Scenic View Estates Book Club looks forward to many more books, discussions and enlightenments.

PINE RIDGE CHRISTMAS PARTY

By Susan Bowley

Don't miss this year's Pine Ridge Village Christmas Party! A usual, there will be a few surprises in store as we join

with our neighbors to celebrate the season December **10th in the Magnolia Room**. Cash bar will be available for our 5:30 cocktail hour with dinner served at 6:30 p.m.

Our chef is preparing these selections for you to include salad, dessert and gratuity. Your choice will be made when you purchase your ticket:

8 oz. Prime Rib Au Jus... \$28.00: perfectly seasoned, slow cooked to medium rare with baked potato and grilled asparagus.

Stuffed Haddock...\$25.00: Stuffed with panko breadcrumbs, diced vegetables, and a blend of herbs; finished with fresh citrus chardonnay served with wild rice and grilled asparagus.

Pecan Crusted Chicken...\$25.00: Boneless chicken breast encrusted with crushed pecans, baked to a golden brown, with a sweet bourbon butter accompanied by wild rice and grilled asparagus. (Vegetarian meals may be requested.)

In the giving spirit that this community always shows, you may bring a gift to the party for a military person overseas. The list of appropriate items will be given to you when you purchase your ticket.

Don't be left out! The last date to purchase your ticket from Susan Rowley, 904-608-0634, 18735 Rolling Hills Loop, is December 3rd.

PINES GLEN

By Pam Ceala

A pot luck picnic was held on October 29 at the end of Webster Grove Drive with more than 60 Pines Glen residents attending. As the deadline for this article was prior to the picnic, no further information is available.

November is our “Give Back” month and this year we have selected Fox Hollow Elementary School. Fox Hollow School has approximately 600 students and a high percentage of these children live below the poverty level. Many of these kids are homeless and “camp” in cars and buses in the woods nearby. The school can use

both your time and monetary contributions. If you would like to help at the school by reading to the children or assisting a teacher, you should contact the Pasco County School website and register as a volunteer. Also needed are canned good donations and even things as basic as children's socks and underwear. For more information, contact Martha Tillim at 703-346-8851.

Our Pines Glen Holiday Party is scheduled for December 15th in the Clubhouse PAC room. Music will be provided by DJ Matos beginning at 7 p.m. Cost will be \$25 per person for Social Club members and \$30 per person for non-members. Contact Rosemary Corrao to purchase tickets. More information on the Holiday Party will be sent to Pines Glen residents by email.

Our thanks to Gloria Faust, Betty and Bob Reynolds and Jackie Ruth for the beautiful fall decorations they provided for the Pines Glen entrance island.
