Resident Lifestyle Committee

February is American Heart Month. Heart disease is the leading cause of death in the United States. The Resident Lifestyle Committee along with Food and Beverage are planning a fundraiser for the American Heart Association. The event will take place on Friday, February 17th and will include an attention-grabbing guest speaker, entertainment and a raffle. We are asking resident groups i.e. ladies & men's golf, tennis, drama club etc. if they would either make up a small basket to be raffled off or donate money for a basket to be made up in their groups name. If you would care to make up a basket or make a donation please contact Lynn Aigotti at laigotti@tampabay.rr.com or call 862-6404.

Know the Signs and Symptoms

Some heart attacks are sudden and intense; however, most heart attacks start slowly, with mild pain or discomfort. Often people affected aren't sure what's wrong and wait too long before getting help. Here are signs that can mean a heart attack is happening:

Chest discomfort. Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness, or pain.

Discomfort in other areas of the upper body. Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw, or stomach.

Shortness of breath. May occur with or without chest discomfort.

Other signs. These may include breaking out in a cold sweat, nausea, or lightheadedness.

This is the 8th year for the Book Club. Thanks to Wes Norton for being such a great Santa year after year. Thanks to my friends, Pat and Harry for delivering two truck loads of gifts. Thanks to my dad Art Morrow for giving each child in the choir two dollars each. And last but certainly not least thank you to Paul and Mark and chef Matt for the cookies and drinks and cherries for the choir; they talk about their trip to Heritage Pines all year. Thanks to Lorna and Howard for the 200 reindeer candy canes they give each year. A big thanks to Gary for getting Cubby to set up the Pac room and doing the sound system for the children.

Environmental Issues Committee

Bricks for Sale! Blue Bags are Coming!

We have found a new vendor for the Gazebo Park bricks. Some of the bricks previously purchased by residents have become "color-damaged." Our maintenance department and the Environmental Issues Committee (EIC) believe this is due to pesticide spraying and reclaimed water usage. Additionally, it appears that some bricks were not sealed properly or not sealed at all. The new program will have two components: new bricks and replacement of color-damaged bricks for those residents who want their bricks replaced. New bricks may be purchased now for \$25. Forms are available at the Front Desk. Color-damaged bricks can be replaced for \$20. Residents who wish to have their color-damaged bricks replaced will have to meet with the Environmental Issues Committee in Gazebo Park in order to identify their bricks. Dates for the "Brick ID Party" will be announced in January.

Watch for information regarding recycling with blue bags. The Environmental Issues Committee asks your help to raise awareness and participation in recycling in our community. We are working with Pasco County and Waste Services, our trash hauler, to increase the number of households that recycle #1 and #2 plastics, metal food cans, and glass. In addition, this project will be submitted to Audubon International for the Community Awareness component of the Green Neighborhoods Program. We hope to receive Audubon's Neighborhood for Nature Award in 2012. We hope this community-wide effort will lead to greater participation in recycling. Thank you for your efforts.

Can You Hear Me Now?

As part of a new initiative to provide residents with complimentary services here at HP, management is now working with a local business, Affordable Hearing Solutions, to provide the following complimentary services for residents:

- Video Otoscopy examination to check for Ear Wax
- Ear Wax Removal
- Hearing Screenings
- Clean and Check hearing aids
- One Complimentary Pack of Hearing Aid Batteries

(In-home Hearing Evaluations available at no charge by appointment only)

The clinic for this month will be held on Monday, January 16th beginning at 1:00 p.m. and running until 3:00 p.m. The clinic will be held in the Conference Room. A sign-up sheet will be at the front desk for appointments in 10 minute intervals. We strongly recommend signing-up, as the time slots usually go fairly quickly. This is a complimentary clinic for all residents of Heritage Pines to take advantage of.

Community/Memorial Tree Program

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by our golf course superintendent, Tommy Land. Trees will be planted during the months of March/April and October/November. Please plan your purchase during the preceding months.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A book is being kept at the front desk of the Clubhouse in which residents can look through for the many trees planted throughout the community. Each page includes the name of the honoree(s), sponsor(s), tree location, and type of tree. This book will remain at the front desk for all of the community to view.

Sponsored by the Golf Advisory Committee.

From The Architectural Review Committee...

Fruit Trees

Our policy manual states very clearly that planting fruit/citrus trees is not allowed any longer. The reason for this is the invasion of rats. Fruit fallen from existing trees must be removed from the ground within 48 hours. If residents are going on vacation, please have a neighbor check on fallen fruit on the ground.

Lampposts

Lamplight should not have anything obstructing its light. This is a Security Safety rule.

Sinkhole Signs

Many of you may have noticed a large number of signs that were erected by sinkhole contractors. The County required contractors to erect these signs which have a container for permits, etc. Residents have been complaining that the signs are unsightly and a reminder of the sinkhole problems. The County required the signs be up while work is in progress. The problem is these signs remain up for a long period of time after work is completed. In many cases the signs remain up for months. The ARC Committee feels that these signs stay up for advertising reasons. This should be addressed by the Board.

Rules & Regulations Reminders

There have been several violations of the following Rules & Regulations:

- ✓ Drivers in golf carts have been running stop signs and drivers have been speeding excessively. Golf carts & vehicles must obey all traffic signs, both at the Clubhouse and throughout the community.
- ✓ Drivers have been parking in the wheelchair access space. Even if all handicap spaces are taken, no one is allowed to block the wheelchair access space.
- ✓ Drivers have been repeatedly parking in the Fire Lane to run into the Clubhouse for a quick errand. You may park on the street in front of the Clubhouse for quick errands or if you are loading or unloading, but it is illegal to park in the Fire Lane at any time.
- ✓ Drivers have been entering the circular driveway in front of the Clubhouse from the wrong side. The circular driveway is one way only. There have been several close calls. Please, before someone gets seriously hurt or worse, do not enter the wrong way.
- ✓ Residents on the Driving Range and Putting Green have not been in proper attire. Refer to the Rules & Regulations to make sure you are in compliance.
- ✓ Residents have been freely entering the kitchen and bar areas and helping themselves to beverages. Coffee and tea is set up daily in the lobby for the residents. Only employees are allowed in the kitchen and behind the bar.
- ✓ Many lampposts throughout the community are not working. Check your lamppost in the evening and make sure that it is working properly.

The Rules & Regulations of Heritage Pines are in place for your safety and enjoyment. You may pick up a copy of the latest Rules & Regulations at the Front Desk.

Management is prepared to issue suspensions and fines to violators. Please familiarize yourself with the rules so that such action will not be necessary.

Thank you for your cooperation. Have a Safe and Happy New Year!

Bon Appétit!

Beer Of The Month! **Drifter Pale Ale**

The Original

Kurt and Rob Widmer have never been known to “follow the leader”; their take on a pale ale is no different. With its unique citrus character, smooth drinkability and distinctive combo of hops and malts, Drifter Pale Ale is truly an original.

Drifter Pale Ale

Drifter Pale is brewed with Summit Hops, a newly released, trademarked, short trellis hop variety known for its intense amount of citrusy aromas and flavors. True to style, the Pale Ale's bittering hops are perceptible enough to give the beer a crisp, clean, quenching finish, yet also soft enough to keep the beer smooth and balanced.

Key Flavor Points

- Notable hop character and flavor.
- Pleasant malt backing to balance the hops.
- Unique citrus aroma and taste.

Ask The Techie

Q: My computer seems to be running slower than it did a few months ago. Will running the Windows Disk Defragmenter program improve performance?

A: Assuming that you have 15% or more available disk space, running the DEFRAG utility will likely result in little or no improvement in system performance. Beginning with Windows XP the disk format was changed to a more efficient management structure to better manage larger disk sizes.

Check if programs you've recently installed on your computer that you don't use frequently are loading automatically when starting the computer. Programs such as **Skype** and **Microsoft Messenger** can significantly impact performance especially on older XP systems with less than 1GB of memory. Additional toolbars loading when Internet Explorer starts can also slow down your Internet browsing activities. Toolbars such as **ASK** are not needed and should be removed via the **CONTROL PANEL**. Add/Remove Programs function. They also tend to reduce your viewable window in Explorer.

As mentioned in a prior column, consider upgrading computer memory if your **XP** system has less than 1GB of memory. For **VISTA** or **Windows 7** systems, my minimum memory recommendation is 3GB.

In addition, I'm aware of a hard drive failure on an older computer during a disk defrag. The result was file damage and a loss of data. My recommendation is to not run the defrag utility if your computer is over 5 years old.

Q: I recently replaced my old Standard Definition TV with a new High Definition model. I am not impressed with the picture quality. It is nowhere near as good as the picture I saw in the store. What can be done to improve the quality of the picture?

A: The first thing I'd suggest is you verify your TV is connected to the cable/satellite box via a **Component** (Red, Blue, Green) or **HDMI** cable. A **Composite** (Yellow) or antenna **Coax** cable does not provide a High Definition (HD) signal.

If the cabling is correct, try tuning to a High Definition channel. On Verizon these channels begin at 500 and on Bright House at 1000. Channels below these are Standard Definition. If the TV doesn't display the HD channels you should contact your service provider to have HD enabled and to possibly have the set top box replaced. If your TV service is via satellite, check the channel guide for the HD designation.

If you are viewing the HD channels check the box video setting for 1080i. The default box setting for a standard definition TV is 480i which will result in poor picture on an HD TV. These settings are accessible via the **MENU** or **SETTINGS** button on the remote.

All New in 2012!

Starting in January the Clubhouse Dining Room will feature an all new Lunch Menu, Dinner Menu, and Bar Menu! These menus have been put together based on resident suggestions, comments on current menus, and trends in the food industry. We would like to take this opportunity to thank the residents who offered their comments and suggestions. We received well over 50+ comments cards, all with nearly a dozen comments each.

The lunch menu will feature healthier options for dining. Including 6 different salads, and vegetarian style personal pizzas. Favorites from current and past menus will still exist, along with some new flavors. Lunch will remain, 11:00am-2:00pm Monday-Saturday.

The bar menu will still consist of quick-style kitchen items. But will now have new flatbread pizzas, along with a mini-salad, and grilled chicken sliders. We will be cutting back on portions on the sliders based on residents' comments and suggestions that four sliders were too much. One added change, we will now offer our bar menu from 11:00am-close everyday, along side our regular Lunch & Dinner menu. We will continue to offer our bar menu for 50% off on Tuesdays & Thursdays from 5:00pm-close.

Our dinner menu will continue to consist of the traditional home-cooking style comfort food our community enjoys, but also have many items that will focus on being healthier and fresher. Our salad bar has become a hit, and we will now be adding more toppings for salads.

We will also be changing up the Two for \$20 menu, and investigate now AYCE Buffets, and dining events. Gourmet Dinner Club is something we would like to bring back, but would like to know if there is interest first. Gourmet Dinner Club would be exclusive to residents of Heritage Pines, and would pair a four-course meal with a premium wine from our vendors. If you are interested in joining the Gourmet Dinner Club, please contact Mark.Stanish@heritagepines.net

In 1960s Jackson, Miss., aspiring writer Eugenia Phelan crosses taboo racial lines by conversing with Aibileen Clark about her life as a housekeeper, and their ensuing friendship upsets the fragile dynamic between the haves and the have-nots. When other long-silent black servants begin opening up to Eugenia, the disapproving conservative Southern town soon gets swept up in the turbulence of changing times.

Ladies Niners' Golf Association

Holiday Award Program

On Dec. 13th the Niners had their annual holiday/award luncheon and party. We had over 80 members play golf and over 90 joined us for the luncheon and program. What a wonderful event planned by our out-going board – Thank you so much.

Chip-In awards were received by 58 individuals and Birdie pins went to 39 individuals. Lillian Stoffo had the honors of receiving her Eagle pin. Most improved players for 2011 were: Gloria Saunderson (4th flight), Carol Donahue (3rd flight), Gloria Faust (2nd flight), and Kathy Robach (1st flight). Congratulations to all who received awards.

A Time For Giving

The Niners charity for 2011 was the Dr. Mary Giella Elementary School. This year the Niners raised enough money through donations and open play to support 65 children during this holiday season!!!! We were also able to provide grocery gift cards to the school to use throughout the year for families in need. We again thank Louise Cucineiello for taking charge of this project. The Niners will be continuing to support this school, as our charity, for the year 2012.

3rd Annual Niner's Ball

A Letter From Our Past President – Nancy Suter

I would like to take this opportunity to express my gratitude to all of you for your support and participation in our Niners' organization. Theatre News

New Years greetings to all. We have an exciting 2012 schedule for the theatre club. Pick up a copy from the book located in the armoire at the Clubhouse or email marciainflorida@msn.com and I'll send you a copy. Shows booked for STRAZ or REH require a \$25 deposit when you sign up. Please make your check payable to HERITAGE PINES THEATRE CLUB. Check the book often as new shows are added.

The first show we're going to see will be "MILLION DOLLAR QUARTET" on January 7th. It's the story of a day at Sun Records in 1956 when Elvis Presley, Carl Perkins, Johnny Cash and Jerry Lee Lewis met for a jam session. Just booked is a new show at Palace Grand on Sunday, January 8th when SONNY GERACI & THE OUTSIDERS perform. Tickets are \$26.75 each and a light menu will be available for purchase. By request, "THE MEN SHOW" is returning to Palace Grand on Friday, January 13th. The ultimate ladies night experience is \$21.40 each. You'll need your extra singles for rewards.

February is a very busy month of shows. Locally we have "HAIRSPRAY" at Show Palace. I still have tickets for you to join the over 100 residents that have signed up for the February 18th show. It's still \$40.50 each to include show, dinner buffet and taxes. Gratuities are extra. Matt McGee will star and you can guess his part in the show.

Also at Palace Grand is "LORD MANSFIELD'S FOX HUNT BANQUET". This mystery dinner show will sell out. Book your table now. Tickets are \$42.50 each.

Don't miss seeing "DEBBIE REYNOLDS" on Tuesday, March 27th at REH. We will car-pool for the 1:00 pm show. Tickets are only \$27.50 each and we'll meet afterwards for dinner. She is a real trooper and we enjoyed her show at Show Palace a few years ago.

Reminder, you can sign up for stand-by for any show. If there are cancellations, you will be called. The show "104 YEARS OF BROADWAY" has sold out at REH. Also, "LES MISERABLES" and "LA CAGE" have some tickets left. We have many residents attending but not enough to secure a bus at a reasonable price. We are still in contact with some companies that have smaller buses for rent.

If you want to see a show that you think may appeal to the residents, please call me and let me know. We need 15 to get tickets at group sales. Otherwise, call the box office. We benefit as we get great seating if we register early. I'll report on more shows for the Spring in next months newsletter. Marcia Gerber 819-1662

80 + Super Seniors

Heritage Pines Tennis Association

HAPPY NEW YEAR to all tennis players and families with the hope that 2012 is a banner year for all!

Winter leagues as well as team tennis play will commence the middle of January. Separate e-mails will be sent indicating the schedules and the procedures for participating in these events. The deadline for signing up will be the date of the Annual Meeting on January 10th.

A 1-day winter tournament is scheduled for January 17th for the men and January 18th for the women. A sign-up deadline is January 12th. Contact Jerre Salmon (727/863-1504).

Remember in order to use the ball machine, you must have attended a training session. A list of those tennis members is kept by the Board. The ball machine is located in the storage area, and only board members have keys to the building.

The annual meeting of the Heritage Pines Tennis Association, in accordance with our by-laws, has been set for 4:30 p.m. on Tuesday, January 10th in the PAC room. We will elect the officers and board members for 2012, and it is important that everyone plan on attending this meeting.

The H.P.T.A. is hosting a happy hour and dinner in the Clubhouse dining room following the election. There will be no set price as we will be ordering from the available menu. Spouses and guests are always welcome. Please contact Gloria Faust (727/869-8235) or Joan Delzangle (727/868-6196) if you plan on attending.

Dues for the 2012 calendar year can be paid to Marjie Fuller, treasurer, or any officer of the H.P.T.A. If possible, we would appreciate payment via check. The dues have been set at \$10, which have been unchanged since the founding of the organization nine years ago. The last day for current members to pay is January 21st.

Individuals who wish to join the H.P.T.A. and were not members in 2011 have 21 days from their first participation in a H.P.T.A. activity to pay their dues.

Angels in the Pines

What a year we had in 2011, the number of lives that we helped to make an impact on is overwhelming. So this year we will start all over again. Our knitters and crocheters meet the first and third Sundays of the month at 1pm in the craft room. The sewers meet the 2nd and 4th Sundays. Come stop by and see what we have planned for the New Year. Enjoy the company of fellow residents as we have laughs and companionship and start of new friendships. Our members are always willing to help someone to learn a craft. So we hope to see you soon. Our first meeting will be January 15th at 1pm. Call Kathy Hendrickson 727-862-2394. Again we can use donations of yarn to complete our good works.

Bridge Groups

The Investment Club

The Investment Club will meet in the Restaurant at 9:30 a.m., on Tuesday, January 10. We are continuing our discussion of fixed-income substitutes for our portfolio. These alternatives are necessary because of the low interest rates for money markets and bonds, and the outlook that they will not improve in the next few years. So far, we have discussed various high-dividend equities, as well as gold coins and annuities.

We hope to avoid negative impacts from actions taken by our federal government: debasing our currency and the deceitful underreporting of cost increases (which they incorrectly identify as inflation). We hope to avoid dramatic investment losses when the incredible increase in the supply of money from the Fed manifests itself in ever-higher prices for goods and services, coupled with dramatically lower bond values.

If you wish to attend, either simply show up, or call Gerry Hopkins at 697-1664. BYOF.

Mah Jongg Club

Mah Jongg Cards and Classes

Heritage Pine Democratic Club

**Holds First Meeting of 2012: January 19, 2012

2011 has passed, and the Democratic Club now looks forward to 2012 with all its possibilities and challenges (*including re-electing our President*). Those of us who were here in November of 2008 know that **we made a difference**, and we will again this year!

Our first meeting of the year will feature a presentation of legislation being proposed in the 2012 Florida Legislative session, and a roundtable discussion on "President Obama vs. **Whooooo???**" This meeting is the beginning of our yearly membership drive, and the dues are \$10 for an individual and \$15 per couple.

We want to invite and encourage **all** Heritage Pines Democrats to join us at our first meeting of the new year on January 19, 2012. Come see what we're all about!

Drama Club

The Heritage Pines Drama Club has purchased and has had planted a Memorial Tree whose purpose is to recognize and remember past, current and future club members. There will be a dedication of the Memorial Tree on Thursday, January 19 at 4:00 P.M. Friends and families of deceased members are cordially invited to attend.

Our recent play "Never Too Late" was a rousing success. The sounds of laughter resounded in the PAC room. Director Gloria Saunderson wishes to thank all the residents who attended for their continued support.

Our next play called "Playing Doctor" directed by Dudley Sauderson, will be performed on April 13, 14 and 15. This is a very funny, fast paced play with lots of laugh lines. It is about a struggling young writer who for eight years has convinced his parents he's in medical school studying to be an M.D. When the parents decide to visit, the fun begins! With the aid of his friends, a crazy scheme is put into action to convince the parents he is a doctor. Mark the dates on your calendar as we're sure you won't want to miss this funny, zany play.

We wish you all a healthy and Happy New Year!

Tai Chi Class

Tai Chi – Beginner - Tuesday at 8:00 a.m. in PAC
Advanced – Thursday at 9:00 a.m. in Magnolia Room
Qigong (Chee Kung) –
Saturday at 9:00 a.m. in Magnolia Room

“Playing” Tai Chi/Qigong Rather than “Working” at it

Most of us approach exercise as *work*. Something we need to do to get or stay healthy. Therefore, we usually have to motivate ourselves to get on the treadmill, go to the gym, or aerobics class. If something is fun, we look forward to doing it (like my wife can't wait to attend water aerobics).

Let's make Tai Chi & Qigong *fun!* You start Tai Chi to fix a problem; improve balance, help arthritis, lower blood pressure, etc. Let go of all that. Come to class and practice at home to breath, loosen, and *play*. When you have fun, you keep coming, and keep practicing. All the benefits of Tai Chi & Qigong come over time; the movements evolve and deepen over time; and the process is an enjoyable one, with no pressure, no measurement, and no criticism.

How do you measure your progress in Tia Chi without any “ranking” system like Karate or Kung Fu? If you feel better, you are more relaxed, you get depressed less, and your balance improves; then that means your Tai Chi has gotten better.

Please Note: Revised class days and times. Beginners are now on Tuesday morning at 8:00 a.m. in the PAC room. Advanced students are on Thursday morning at 9:00 a.m. in the Magnolia Room. Qigong is still the same schedule at 9:00 a.m. in the Magnolia Room on Saturday.

Kitty Coalition

Meet Shadow

On November 27, a kitten was seen in the Summersong Drive area, which seems to have many inter-related cat families. The gray tabby appeared to be between 12-14 weeks old. The Kitty Coalition trap was set up, and within 24 hours "Shadow" had been trapped. Shadow seemed to be a very calm kitten, so 'she' was immediately adopted by a resident.

However, two days later, the resident called the Churchills to say he couldn't manage the kitten. The terrified youngster had defecated on the guest bed and knocked over several plants trying to find a way out.

So, the kitten was again trapped, this time indoors, and brought to the Churchill home. Thinking that the kitten could easily be socialized by an experienced cat lady, since it appeared so calm in the trap, we let the kitten out in the Master Bedroom and closed the door. Its first magic trick was to climb the wooden blinds in the Master Bath like a ladder and perch for hours on the header. At this writing, it is more than two weeks later. The kitten mostly lives under the bed. It is the most feral (wild, unsocialized) kitten ever trapped in HP and shows only very slow progress. One wonders how long, if ever, it will take to be able to touch the kitten. Never mind adopting it out. We still don't know if it's a boy or girl and it hasn't been to the vet. It was clearly a mistake letting it out of the trap before going to the vet – both times – but who knew?

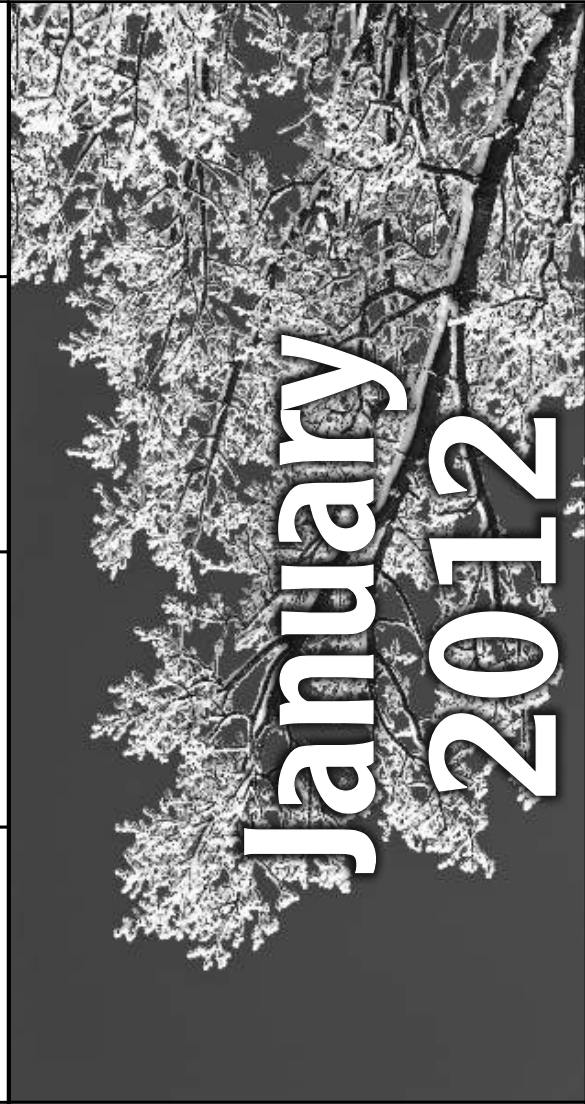

For the last three nights, the kitten apparently begins to play with the catnip mouse it discovered. The thumping and bumping goes on all night long, which doesn't help the sleep factor. But, when I peek under the bed, the terrified eyes have softened into a half-closed, satisfied expression. The other two kittens (Mimi, 6 months and Peanut, one year old) have stopped hissing and things have somewhat returned to normal, if you want to

call it that. Shadow uses the litter box just fine and had no trouble locating the food and water. He knows exactly when we exit the room, which is apparently when he/she comes out from under the bed.

You've heard the expression "like herding cats"? If you want to know what it's like to try to herd cats, just ask the Churchills, who have a circus going at their house. I suppose this isn't a good time to put out a call for more foster homes, but I must try. Kitty Coalition doesn't have a facility – we need loving homes, temporary or permanent. If you are a regular traveler or snowbird who adores cats and kittens, but can't have one of your own, perhaps you would consider being an occasional foster home. So far, we only trap a few per year, so it wouldn't be constant and we would rotate as able. Please call us at 697-3788 to learn more about what is involved with fostering a homeless cat or kitten. Every cat is different – like a box of chocolates – you never know what you're going to get. But the rewards are laughter, love and lots of joy. Please help us!

January 2012

Monday Ladies' Bible Study

The Monday Ladies' Bible Study group meets every Monday morning at 9 a.m. in the Magnolia Room. Our group continues to grow and we always welcome new members. Our first meeting in January will be on Monday, January 9 and we will begin an on going study of the 12 minor prophets. The first prophets we will look at are Hosea, Joel, Jonah, Nahum, Habakkuk, and Malachi. The study guide we will use is BE AMAZED by Warren Wiersbe. Come "be amazed" by what you will learn from the Bible and how much you will enjoy these discussions with your neighbors. If you are interested in finding out more about us, please e-mail Carole Hopkins at seacarole@springmail.com or call her at (727) 697-1664.

Bunco Group

Welcome to our New Year and welcome back to Bunco!! On the last Thursday of every month we play Bunco in the Magnolia Room starting promptly at 6:30 p.m. and would love to have you join us for a fun evening. This month's Bunco will be on January 26 and you need to bring two envelopes which we will be happy to inform you as to what should be enclosed in them. Bunco is an easy game that you can learn very quickly. For information please call Marcia Gerber at 819-1662, Betty Plante at 863-8462 and Camille Baldick at 862-9974. See you on the 26th!!!

Jewish Prayer Meeting

Shalom Chavurah meets the third Friday of each month at 7:00 p.m. in the Magnolia Room. Mark your calendars this year for the following meeting dates: February 19th, March 19th, April 16th, May 21st, June 18th, July 16th, August 20th, October 15th, November 19th, December 17th. We look forward to seeing all of you. Please call Sheila Schwartzman at 863-8802 with any questions or any information you may need.

Republican Club

The January meeting of the Heritage Pines Republican Club will be held on Tuesday JANUARY 24 (the primary will be held on the 31st which would be our regularly scheduled date). The speaker will be Brian Corley, Pasco County Supervisor of Elections. Always an interesting and informative speaker, Brian will discuss the redistricting of Florida. This is something that affects us all.

Please be prepared to pay your annual \$10.00 dues at the meeting. Let's start this most important election year off with dedication and enthusiasm... we can take our country back and reset it on the right track. See you on the 24th!

Jazz Squares Dance Classes

Starting **January 9th** and all Mondays, 9:30 a.m. in the PAC. If you haven't tried this yet, do yourself a favor and come and see if it's for you! This class can be incorporated into your regular exercise program. Learn some new moves and practice some old ones. Join your friendly neighbors and dance with experienced teacher, Debbie Castelline. It's only \$3 and the hour flies by. Any questions, call Debbie at 352-666-3060. Let's get fit together!

WAG

So many people in Heritage Pines have asked me "Where is Hope Ranch?". So come join us for a tour of the ranch. Meet Ampy Suarez, the director and discover what is going on practically in our back yard.

On Friday, January 13, we will car pool to Hope Ranch. Meet at the Clubhouse at 9:30. To get to Hope Ranch, go east on County Line Road. Make a right on East Road. Go about one mile until you see a brown fence and a Hope Ranch sign. Turn right just past the house. We will meet at the portable classrooms at 10:00.

Following Ampy's presentation, we will go to the 1st United Methodist Church on Highway 19 for a delicious lunch prepared by my food service staff. Price of \$10.00 covers food cost with a little left over to go in the WAG Hope Ranch Fund.

There are 14 girls at the Ranch who were not handling life at home well. For years WAG has supplied Christmas presents, birthday cakes, given them passes to Busch Gardens or Water World, and treated them to lunch at the Club. They are wonderfully behaved delightful girls.

Join us on January 13. If you need a ride call Lillian Driscall, 697-3922. Sign up in the WAG book in the Library and leave your check made out to WAG by Wednesday, January 11. Bring toilet paper or paper towels to donate to the Ranch. For questions, call Doreen, 819-9012.

What is Glaucoma?

Glaucoma is a disease of the optic nerve, the part of the eye that carries images we see to the brain. When damage to the optic nerve fibers occurs, blind spots develop. The spots usually go undetected until the optic nerve is significantly damaged. If the entire nerve is destroyed, blindness results.

Regular eye exams by your ophthalmologist are the best way to detect glaucoma. A glaucoma screening that only checks the pressure of the eye is not sufficient. See your Eye MD for a regular eye exam.

Pets of the Month

Alert!!! “Valentino” is working at HP

Since moving here from New Jersey three years ago “VALENTINO” has been seen strolling around Waterfall Village with his little, black, poodle friend “Karma”. But most HP residents meet “Val” at the clubhouse because he is a *working Seizure Alert Dog* and goes everywhere with his owner Meg Amelia. Val has the ability to detect when Meg is about to have a seizure. Usually he will signal to her up to 45 minutes before a seizure. This process has allowed Meg enough notice so she can get to a safe location and take additional medication. Val has even signaled to Meg during the night when she would not have otherwise sensed an oncoming seizure. Meg is able to live alone here in Florida since Val has really enhanced the quality of her life.

Valentino

Val is a 7 year old white Maltese and completed training in Long Island where he learned basic behaviors that he needed to assist Meg. In addition to basic training Val is able to sit for several hours while Meg plays Mahjongg or attends HP Committee meetings. He is also able to wait long periods of time to “go out” which is necessary when he travels from his home on Brooklawn to visit his family in New Jersey. Val is also active in charity work with the “Angels in the Pines” where he helps give hugs and smiles to all his adopted “aunts”. Val has more human friends since he is working everyday but he loves to see Erin, Bella, Sasha, and Precious when he is out with Karma around HP. Val is applying for additional certification from the Delta Society so he can visit local nursing homes. So next time you see “Val” at the Clubhouse be sure to say “hi” but remember ask his owner Meg for permission to pet him since he is a *working dog!!!*

11:00 a.m., Craft Room

Cherie Burch, a Heritage Pines resident, originally from the Midwest, will be sharing her expertise on “Demystifying Dog Shows”, at our January 16, meeting in the Arts & Craft Room. She has bred and raised Soft Coated Wheaten Terriers and currently shows her youngest male at shows across North America.

She has been showing Wheatens in conformation (to a standard), as well as in agility, obedience and rally for many years. Among the many awards won by her dogs, she has 5 Conformation titles and 3 Best in Show titles. These titles were earned in both the U.S. and Canada in shows sponsored by three different nationally recognized dog registries (American Kennel Club, Canadian Kennel Club and United Kennel Club). In addition to showing dogs, she also was a trainer for a dog club in Sheboygan, WI for several years. Please join us for her very informative power-point presentation, which will prepare us for our 'field trip' to the Florida Regional Dog Show in Brooksville, FL, on **Thursday, January 19, 2012!**

Our Christmas Party was a big success! I believe it was sold out. The decorations were exquisite. The music was great and everyone enjoyed themselves to the limit. On the fifteenth, we had a Christmas grab bag at Linda & Paul Langevin's house. The food was to die for and the friends and neighbors got together for a grand old time. Paul and Linda are great cooks and opened their house to us with open arms. We are blessed with such great neighbors.

A big thank you to Pat Delamer, Eileen Weber and Laura Newkirk for all their hard work during this past year as chairpersons of Pines Glen Village.

Our first 2012, Social Club Meeting will be held at Linda Langevin's house, on Thurs. Jan. 12th, at 10:00 a.m.

Please RSVP - Linda at 819-2405. For those who are storing the centerpieces bases, please bring them to the meeting on the 12th. Please remember to bring a check or cash for your 2012 membership dues... Membership dues are \$5.00 per person..Wishing all our Pines Glen Village Family a Happy & Healthy New Year.
