**HERITAGE PINES**  
Country Club Community

## Message From The G.M.

We live in a very active community full of walkers, strollers, joggers, runners, bikers, and bladders. But please remember that use of the sidewalks is restricted to walking, and for residents with disabilities (i.e. wheelchairs, hover-rounds, etc.)

Golf Carts are NOT permitted on sidewalks at any time, whether being driven or parked. Also, personal vehicles, whether your own or guests, should be parked in the appropriate spots as well, not blocking any sidewalks. Sidewalks must remain clear at all times for walkers and the disabled.

The Board, Reserve Committee and I are considering starting some golf course improvements. Our first project will be the reconstruction of number 3 green. Then we intend to start some tee re-construction projects. The first tee project will be number 11 tee, then number 17 tee. All of these projects are already paid for from your Association Reserve Fund.

We have started working on the 2012 Association Budget and at this point I have no intention in asking for an increase in the current \$175 assessment. That will be no assessment increase in my four years as your General Manager.

As always, if I can be of assistance, please do not hesitate to call.

Bill Berthold, CHA, CCM, CAM – Chief Operating Officer/GM

#### The 90's are here

Well, the 90's are here - not the decade but the temps. The cool days of winter are just a memory, but we need to know how to handle these days of summer. For those who are seasoned Floridians you just go thru the normal routines but for those who are new or still adjusting to a Florida summer, I would like to give you some helpful hints.

- First thing you need to do is service your air conditioner at least once a year.
- Change filters monthly during peak use times.
- Fans are a great help in cooling your home. Make sure your blades are set for summer cooling not for winter weather.
- Don't use your ovens, dishwasher, or clothes dryer in daytime to avoid added heating temps in the home.
- Consider replacing windows to double pane low E rated for added cooling and maintaining temps in the house.
- If window replacement is not an option consider putting on reflective film (example 3m type) to reflect solar heat. This also is an aid if the window is damaged in a storm to hold the glass and not implode it into the house when they are damaged by flying debris. Also helps to retain some heat from escaping thru the glass in the winter months.
- Close blinds especially south facing windows and use insulated drapes to aid in cooling.
- Replace any major appliance with an energy star rated to help save on electric cost.

For additional information on energy saving info access the web: [Heating & Cooling | TogetherWeSave.com](http://Heating & Cooling | TogetherWeSave.com) [Energy Savings Forum](http://Energy Savings Forum) you'll learn more about light bulbs, caulking leaks, etc.

### Sidewalk Usage

We live in a very active community, full of walkers, strollers, joggers, runners, bikers, and bladders. But please remember that use of the sidewalks is restricted to walking, and for residents with disabilities (i.e. wheelchairs, hover-boards, etc.)

Golf Carts are NOT permitted on sidewalks at any time, whether being driven or parked. Also, personal vehicles, whether your own or guests, should be parked in the appropriate spots as well, not blocking any sidewalks.

Sidewalks must remain clear at all times for walkers and the disabled.

Thank you.

### From the Audubon Committee

Watch for the opening of Paleo Park, Heritage Pines' new park area for residents' use.

Did you know that the fenced in sinkhole next to the #9 fairway is a Florida State registered pre-historic site? The sinkhole site has been selected by the Audubon Committee to be completed as part of our Green Neighborhoods program. The site will be called "Paleo Park" and will be enhanced to create a quiet, reflective area for residents to enjoy the wildlife present in the area. The park will include benches, a walking trail around the sinkhole, informational signs, and a historical marker.

The archaeological history of our community dates back to the Paleo-Archaic period about 12,000 years ago. Native inhabitants utilized the area sinkholes for hunting. Wheedon Island and Timacuan residents inhabited the area from 500-1500 years ago and later on Seminoles. This information was collected and researched by Herb Elliott, a resident and amateur archaeologist. An opening date for the park has not yet been determined but we hope it will be soon. The map shows where Paleo Park is located. Take the second left off Eagle Bend Dr. on to Clearcreek Ct. Drive to the end of the cul-de-sac. Paleo Park is on the left behind the fence.

## Architectural Review Committee

"A Job worth doing is worth doing together."

By the time you read this article the ARC for 2011-2012 has had two meetings.

This year the committee has eight members who are going to do an outstanding job. They are not only enthusiastic and energetic, but are well aware how important this committee is to Heritage Pines. Some of our responsibilities are seeing that the deed restricted policies are followed, as stated in the policy manual, approving exterior change forms that have been submitted and above all a good rapport with the residents, helping to keep Heritage Pines a pristine place to live.

At the first meeting it was suggested and approved, that the time of our meeting be changed to 10:30 a.m. We will continue meeting the 1st and 3rd Thursday of each month, as in the past. It is only a time change.

This year a training session is being held before each meeting for the new members. Some of the items to be discussed will include explaining the policy manual in detail, property inspections, exterior change forms, etc.

The ARC is asking the HP Board of Directors to approve at their next meeting the following: to send out only one letter or e-mail informing residents of their property infractions, instead of the usual two. In the past, the first letter or e-mail gave the resident twenty-one (21) days to comply. After an inspection, if the resident still has not complied, a second letter or e-mail is sent giving the resident an additional ten (10) days. Now with this one (1) communication it will combine the two (21 days and 10 days) giving the resident thirty-one (31) days to comply. As we have stated, we will not send a second communication. If the infraction has been corrected in the time allowed (31 days), the committee says a sincere "Thank You." If it has not been, it is given to the General Manager, where a fine could be imposed. By sending out one (1) communication it will be less expensive for Heritage Pines and less work for the committee.

The policy manual that has been updated will be given to the board of directors for their approval.

The ARC can not keep Heritage Pines a pristine place to live by ourselves; we need your help. Please familiarize yourself with the policy manual. We appreciate your past cooperation and are looking forward to the same cooperation this year.

Mary Gruber

## Community/Memorial Tree Program

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by our golf course superintendent, Tommy Land. Trees will be planted during the months of March/April and October/November. Please plan your purchase during the preceding months.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A book is being kept at the front desk of the Clubhouse in which residents can look through for the many trees planted throughout the community. Each page includes the name of the honoree(s), sponsor(s), tree location, and type of tree. This book will remain at the front desk for all of the community to view.

*Sponsored by the Golf Advisory Committee.*

## Back Gate Memorial Tree Beautification Project

After the success of the palm tree beautification project in the islands on County Line Road and the front entrance of Heritage Pines, we would like to continue the project to the back gate. The plan is to plant twelve 14' Magnolia trees on the inside of the back gate. The trees that are currently there were planted by the builder and will be removed. The new trees will be planted in September or October of this year.

If you choose to, your tree may be a memorial tree, but it is not necessary. If you are interested in donating a tree, at the cost of \$195 per tree, please contact Linda O'Leary at 727-819-9207 or [linneoleary@hotmail.com](mailto:linneoleary@hotmail.com).

## Ask The Techie

**Q: I recently replaced my old computer with a Windows 7 laptop. Sometimes I see a message box asking for permission to allow the program to make changes to this computer. Please explain what is happening.**

**A:** This is a new security feature Microsoft added to Vista and Windows 7. This feature is invoked whenever a program that has potential to change a critical function of windows starts. The Window dialog box will include the **Program Name**, **Author** and **Source** (location). You will have **YES** or **NO** buttons allowing the program to run or not. This box should only appear when you are installing a new program, upgrading an existing program or running a program that can change Windows such as Malwarebytes.

I've seen virus programs infect a computer by using the name of a popular program when trying to trick you into installing them. If you see this dialog box pop-up unexpectedly, it's best to click the **NO** button. The worst that may happen is you would have to restart a program update or installation.

If you are not seeing this dialog box, it may have been turned off or disabled. This option is enabled via the **Windows Control Panel | System and Security | Action Center | Change User Account Control Settings**. The correct setting is the **Default** setting.

**Q: I am considering adding a surround system to my home TV system. I see various systems that include Sound Bars or separate receivers. This is further complicated by the various number of speakers included. Please help me understand my options.**

**A:** This is a wide open question that has many possible solutions depending on your budget, viewing/listening habits and your home layout.

A basic system that will enhance the two speaker system built into most TV's is a Sound Bar system with a subwoofer. This system will improve the sound from your system due to the superior sound bar speakers and the additional base sound provided by the subwoofer. The disadvantage of a sound bar is there is minimal separation between the left and right speakers and the lack of a center speaker for dialog. I recommend sound bar systems for small rooms only.

The next step is a system with 3-7 speakers plus a subwoofer. This system has a separate receiver that directs the sound to the free standing speakers. A top end five or seven speaker system properly installed will produce a surround sound experience equivalent to a concert hall or movie theatre. If you enjoy listening to CD's or other audio sources consider a 5 speaker system. Rear speakers can be installed via a wireless transmitter when adding wires through your attic is not possible or beyond your budget.

When connecting your cable/FIOS/satellite set top box to you system, use a cabling system to maximize your system. If you want your system to output high quality sound, connect them using either HDMI or Optical Cables.

## Spreadsheet Training Class

**Friday, June 8<sup>th</sup>, from 1-3:00 p.m.  
in the Magnolia Room**

Dale Mallek will be teaching a spreadsheet beginner's class using **Microsoft Excel**. **Excel** is a program that is part of the **Microsoft Office** software package. A version of Office, which includes **Word** and **Excel**, is now included free with most new Windows 7 computers. This session is part of a series of monthly classes that Dale is offering to his fellow Heritage Pines residents at **NO CHARGE**. Enrollment is limited to 35.

This class is intended for novice users interested in learning the basics of spreadsheet editing. The concepts covered are applicable with the older versions of **Excel** as well as **Microsoft Works** and **Open Office**. In addition to financial tracking, a spreadsheet is an excellent tool for name/address lists, home inventories or tracking the progress of a project.

The topics covered will include:

Page Layout/alignment • Cell formatting  
Cut/Copy/Paste/Drag & Drop Editing • Q & A  
Formulas • Printing • Document Organization

Dale has 40+ years experience delivering and supporting technology services. His most recent employer was Hewlett Packard. In 2009, Dale began Mallek Technology Solutions providing computer and home theatre support services to Heritage Pines and neighboring community residents.

If you plan to attend, please contact Dale Mallek at 727-697-7260 or dale.mallek@verizon.net

There have been several requests for a class on buying and selling using eBay and Craigslist. If you have interest in such a class, please let Dale know.

## Featured Member of the Month

**Barb Domst** was born in Dunkirk, New York. She was employed by the New York Telephone company for eleven years. Unfortunately, Barb was widowed after ten years of marriage. They lived in San Antonio, Texas when he was stationed at Fort Sam Houston. She met Edie Godleski, where else but on a golf course, after her husband's death and was encouraged to further her education and obtain her degree. Barb graduated from Indiana State University with a Master's degree in education, and yes, they attended every one of Larry Bird's games at the Bird's Nest in Terre Haute, IN. While attending ISU she became a member of the bowling and golf teams. She was employed by the Vigo County School Corporation in Terre Haute. While with VCSC, Barb was Supervisor of Physical Education for the county and was very involved with another teacher in implementing compliance of the Federal Law Title IX and that was the beginning of organized competition for girls in sports. She was also Treasurer of the Indiana Association of Health, Physical Education, Recreation and Dance. In 1992 she won the Indiana State Senior Stroke play tournament which then qualified her to play in the U. S. Senior Olympics held in Baton Rouge, LA at the Bluffs, an Arnold Palmer Signature Course, and won that tournament too! During her stay in Terre Haute, Barb and Edie along with two other women qualified and played in the National Cancer Tournament for eleven years. Barb and Edie decided to move to Florida after spending many Christmas breaks visiting and playing golf. Their good friends from Palm Harbor directed them to Heritage Pines. While looking around and having lunch at the club they started talking to one of the ladies having lunch, asking questions about HP and the Ladies League and consequently were invited over to their home, so Barb says that Karen and Bob Kunde were one of the reasons they moved to Heritage Pines in 2002. Barb has been a member of the HPLGA ever since and has been very active in the HPLGA including sitting on the Tournament Pairings Committee for three years, chaired the High Country Inter-league for three years and was instrumental in setting up the Chelsea System that we now use. Also involved in that were Joan Herr, Edie Godleski and Pat Vilano. GOOD JOB! Barb also was involved in handicapping all the tees with the help of Judy Taylor and Kevin Burnsworth, plus also instrumental in setting up the Tournament Pairing Program that all the leagues use now. Barb is an accomplished golfer and has experienced three Hole in Ones! As you can see, most of her life has evolved around golf and has allowed her to meet many wonderful people and travel to many different parts of the country. Barb says she loves living in Heritage Pines and enjoys the many good friends she has met here. We are fortunate to have her in our community. Thanks, Barb!

### **Only a true golfer will understand these:**

“If you really want to get better at golf, go back and take it up at a much earlier age.”

“A golf match is a test of your skill against your opponents' luck!”

“You can hit a two acre fairway 10% of the time and a two inch branch 90% of the time.”

“Every time a golfer makes a birdie, he/she must subsequently make two triple bogeys to restore the fundamental equilibrium of the universe”.

### **Hydration – Are You Getting Enough Water?**

With the weather warming up, you need to be aware of your body's temperature and not get over heated on the golf course. If you do not keep your body properly hydrated, you will not be able to perform as well as you could. It is recommended that you drink fluids, like water and Gatorade, in smaller amounts on a regular basis and not wait until you get to a drink station every 6 holes or so. In order to do this, you should carry a bottle or two with you and refill them as needed at the water stations. A good rule of thumb is to drink eight ounces of fluid before you even tee off, then continue to drink four to eight ounces every 15 minutes of play. Dehydration creates fatigue, makes you uncomfortable and can cause you to lose your mental focus – an important element in your golf game.

AND don't forget your sunscreen!!!! Stay safe and have fun!

### **ATTENTION ALL GOLFERS, DID YOU KNOW?**

### Theatre News

What a wonderful television week. On PBS, ANDREA BOCELLI and LES MISERABLES were great. Also the TONY awards gave us a hint of the shows we may see for the 2012/2013 season. We attended a preview of the new shows and look forward to seeing Cathy Rigsby as PETER PAN and George Hamilton in LE CAGE. Keep checking the theatre book for updated information on all the shows. The final contracts have not been received yet with the ticket prices. Since we have the dates, you can secure your seats with a \$25 deposit. Checks can be left in the theatre book or dropped off at my home. Another new show will be MOTHERHOOD, THE MUSICAL. If you loved MENAPAUSE, THE MUSICAL, you'll enjoy this delightful look at motherhood. Booked for July 9th at 2:00 p.m. at the Jaeb Theatre, tickets are \$34 each. Limited tickets are available, so book now with your full payment. If enough are interested in any away show, we will have a bus.

We have tickets left for the Show Palace play "LITTLE SHOP OF HORRORS" on Saturday, July 16th. That's still \$40.50 a ticket for show, buffet dinner and taxes. Gratuities are extra. Matt McGee will play the Steve Martin part of the dentist. It should be lots of fun.

Lots of shows for you to check: THE ADDAMS FAMILY, PETER PAN, A CHRISTMAS STORY, MILLION DOLLAR QUARTET, LES MIS, LE CAGE, COME FLY AWAY, BURN THE FLOOR, BOEING BOEING, MEMPHIS, THE MAN WHO WOULD BE KING, THE NEIL SEDAKA MUSICAL, STEEL MAGNOLIAS and MEET ME IN ST. LOUIS are some of shows. A complete list will be in the theatre book as soon as the contracts are finalized. Please make your checks payable to THE HERITAGE PINES THEATRE CLUB. Call me for any questions. Marcia Gerber 819-1662.

### New Outlook Singles Club

During the month of June members of the HP New Outlook Singles group shared dinner (and lots of laughs) at various clubhouse events including Residents Night Out and Musical Jeopardy. Several of us also went to Colorama in Hudson for dinner on June 17 where we were entertained by True Passion, a musical duo frequently featured at Heritage Pines dinner/dances.

Also, at our monthly luncheon on June 6 we discussed several upcoming trips offered by Hollywood Tours in Spring Hill. One of particular interest is a 2-day tour of St. Augustine (\$135 per person based on double occupancy and \$165 single occupancy). Some of us have already made reservations for the August 4 overnight trip. We will carpool from Heritage Pines to the pickup point at the Spring Hill WinnDixie. If you are interested in this trip contact Kathy of Hollywood Tours at 1-888-845-3111.

October 17 the singles will have their second miniature golf outing at Congo River Golf in Port Richey.

If you are a single person living in Heritage Pines please consider joining our group for lunch at the clubhouse on July 11 for the next monthly meeting of the HP New Outlook Singles Club. We will dine at noon in the HP Clubhouse restaurant and then meet in the Magnolia Room after lunch. Please remember to call 861-1677 to reserve your seat for lunch.

Contact Donnie Skuja at [dskuja@yahoo.com](mailto:dskuja@yahoo.com) or 727-868-3617 if you would like to have your name added to the New Outlook Singles contact list.

### Heritage Pines Maryland Group

## Drama Club

The Drama Club appreciate the support we receive from the Heritage Pines Residents. We are looking forward to November when we will presenting another comedy for you.

Auditions for "Never Too Late", a comedy in three short acts, will be held on Thursday, July 28 between 1:00 p.m. and 2:30 p.m. There are three female roles and six male roles. This comedy is about a married man in his fifties who suddenly learns he's becoming a father again. It's been 24 years since his one and only daughter was born. Both his daughter and son-in-law live with him. She thinks breakfast is lunchtime and the son-in-law is addicted to playing solitaire. His formerly meek wife does an about turn and becomes a very strong willed person and you can guess there's a honeydew list of things she wants done.

We are looking for a great turn out for auditions on Thursday, July 28. Come on out and pretty soon you will turn yourself into a star!

## Angels in the Pines

The summer is here but the ladies are staying busy. We will continue meeting on the first and third Sunday of the month in the craft room.

Many of our members are busy with their own lives or traveling but the dedication is so much a part of them they are busy knitting and crocheting while traveling to points north for the summer. I would like to thank all who have put so much of themselves to help others. Never did I imagine such need within our local area, but we are trying to help as many as we can.

As always a donation of yarn or gift cards to Joanne's, Michael's or Wal-Mart so we can continue to purchase supplies would be welcome. You can leave the gift cards at the front desk for Angels or contact *Kathy Hendrickson 862-2394, or Lynn Aigotti 862-6404.*

If you would like to learn a new skill we will be holding classes in September; please contact Kathy for more info.

## Heritage Pines Democratic Club

Thursday, July 21, 2011 • 4 – 6 p.m. in the Magnolia Room

Our featured topic for this meeting will be "**The Debt Limit - What is it? How did we get here?**" We'll discuss the Republican and Democratic response to raising the debt limit, and the probable impact if no agreement is reached on raising it.

We'd like to encourage all HP Democrats to attend, and see what we're all about!

RSVP: Dr. Lynn Lindeman, President – 697-3052; Paula Storch, Vice-President – 868-0113; Judith Chase, Secretary – 862-4545; Oma Spain, Treasurer – 863-3962; Sandy Harrison, Parliamentarian – 808-9299

*Never doubt that a small group of thoughtful citizens can change the world. Indeed it is the only thing that ever has...* Margaret Mead  
Agreeing to disagree, then listening, can be powerful!

## Monday Ladies' Bible Study

The Monday Ladies' Bible Study group will not meet in July or August. We will resume our meetings in September. Our first meeting will be after Labor Day and will be announced in the September issue of the newsletter. If you are interested in finding out more about us, please e-mail Carole Hopkins at [seacarole@springmail.com](mailto:seacarole@springmail.com) or call her at (727) 697-1664.

## WAG

I have been unable to find anyone who will take over as chairman of WAG. I hate to see it fold because our programs and trips have been interesting and fun plus we need to continue to give support to Hope Ranch. So, I am willing to plan three trips this year if someone will co-chair each one. I have volunteers for October. Two more are needed for maybe January and March.

Susan Bell has taken over the treasury and she still sees that each girl at the Ranch gets a very special birthday cake. Jocelyn Mandell has offered to help with the newsletter and do the computer work. Judy Steinger will be in charge of the Bingo fund raisers for Hope Ranch.

The Bingo Party is scheduled for Tuesday, November 15. Money and gift prizes will be given. Contact Judy, 697-3019 if you can get gift certificates for restaurants, stores, hair dressers, etc., or have gift items to donate as prizes.

WAG just gave Hope Ranch \$800 for summer social activities. They plan to go to movies, bowl, or go to a water park. Something different each Friday.

On Thursday, July 7, the girls will be at the Clubhouse for lunch at 11:30 and will use the driving range. If you want to meet the girls and join Susan, Judy and myself for lunch, call Doreen at 819-9012. Amby, the Hope Ranch Director will speak to us at lunch.

We will also be calling in the fall for donations for the girls' Christmas Gifts. Please let me know if you can chair that project.

Please let's not let WAG fall apart, and let's not let the girls down. Thanks to everyone who volunteers and cares.

## Are Your Friends Bowling?

Are your friends bowling without you? Check out the names of the HP Women's League bowlers to find out. They are...Dottie Coryer, Pat Delamer, Joan Gould, Cathy Kleinota, Laura Newkirk, Ann Eggert, Irene Trimachi, Terry DiMartino, Penny Norton, Joan McGann, Chris Lyon, Vicki Moon, Socorro Diaz, Barbara Tharp, Loretta Fulda, Barbara Collachi, Genie Betts, Petey Peterson, Elaine Bissett, Stephanie Nunziant, Ronnie Boxx, Jean DeMoura, Gerry Gropp, Val Holzer, Aurelia Hughes, Kathy Lumia, Linda Mariano, Noeleen Pasqua, Kris Retford, Nayda Rodriguez, Rose Roscitti, Carolyn Rowan, Virginia Savitsky, Carol Solfaro, Mary Spaulding, Erika Trenkler, Bev Vogel and Sue Wargo.

The averages of our bowlers ranged from 77-139 this season. Occasionally, we amaze ourselves and bowl a really high game! We won't be on the pro circuit any time soon, but we have fun and support each other. This is not a competitive league...just laughter and exercise guaranteed.

For those that haven't bowled in many years, your chance to "try" is at an "open" bowl in August at Spring Hill Lanes. Watch for the exact date and time in the August newsletter. Come and meet our league players who will help you any way they can.

Our next season will begin on September 7th and end in April 2012. The cost will remain at \$8 for three games. **Registration for our fall season will end August 22<sup>nd</sup>.** Contact Stephanie Nunziant, 860-4142 to register. Or Elaine Bissett, 378-7770, or Loretta Fulda, 697-2060, for additional information. Have a happy and safe summer!

## Pet of the Month

Hi! My name is Jack! My mommy and daddy are Betsy and Bob Hunter. I was born in Hudson on November 18, 2007, and I am a Lhasa Apso!

When my new parents adopted me on February 4, 2008, I weighed only 4 pounds. My new Mom and

Dad must have fed me pretty good 'cause I now weight 22.9 pounds. I was kind of glad to get away from my "bossy sisters" and go to my new home in Pine Grove Village in Heritage Pines.

Like my parents, I just love it here! I love to walk in the morning and meet my good friends – Beau, another Beau, Jakie, Rocky, Webster, Baker and a lot of others!

When I'm not our walking, you might see me on the 12<sup>th</sup> hole of the golf course sitting on my Daddy's lounge chair. I love to watch the golfers and might bark at you if you come too close to my house! I love to watch those pesky squirrels, too. I am just amazed at those sand hill cranes, ducks, turkeys, foxes and other wild animals who go by our villa.

I love to ride in the gold cart as all my friends do too! I wonder if I could drive it myself one of these days? I better get a license first!

I have lots of toys. My friends told me I needed to get lots of toys! I love to play with them. My favorites are "Snoopy", "Lucy", "George", "Baby Bear", a fox, and a pheasant. I can't forget my tennis balls. They are the best for tossing about and I love to get my Mommy to throw them for me.

My Mom calls me her "baby boy"! My Dad named me Jack! Maybe I will see you out on one of my walks these days! I do love to run about so my parents take me to the dog parks once in a while. Sure wish we had a doggy park here. Maybe someday?
