FROM THE BOARD OF DIRECTORS

By Bob McGough, *HPCA Board President*

What a beautiful day in HP! Beautiful because as I compose this we are receiving a good rainfall which we so desperately need.

A few comments about several of our projects are appropriate. The pavilion is in the final stages of completion and by the time you read this it should be finished. We have made several late modifications that address a safety issue on the side of the pavilion facing the tennis courts. We will be installing a railing the full length of that side to prevent residents from tripping over a two to six inch elevation change between the pavilion pad and the sidewalk that runs down that side. We also were unable to match the brickwork on the restrooms and after reviewing the construction, the board voted to delete the brickwork on the pavilion and save about \$4,600. I hope you make good use of this facility. We also recently awarded a contract to renovate the tennis courts. This renovation is needed and will be paid for using reserve funds. The details and backup on what will be done was discussed as the Board approved the project at the last Board meeting.

We recently conducted a workshop addressing the most effective approach to achieve a balance between the Board and the HPCA Committees. There was a very interactive discussion that involved residents, committee and board members. This workshop was videotaped and can be seen on our website. This workshop will be followed by several more with the final objective of improving communications and effectiveness of our governance model. All residents are encouraged to participate in this process and play an active role in determining the future of our community. Don't let the voices of a few determine the future.

Some residents continue to be very vocal about our finances and how our budget is being managed. The goal of the board is to stay within our approved budget and if you will look at the financials through the end of April 2017 you will see that the bottom line reflects that we are achieving that goal. The GM and his staff are doing an excellent job in balancing the service you expect and expenditure of funds. The staff is working hard to hold expenses down while keeping service at a level the majority of you expect. Statistically, we are better than the average HOA when it comes to keeping our costs in line. For those of you who have recently asked about financial reports you can see them on our web site under the title of Official Business.

We are still in the process of improving our golf course. There have been a number of resident emails criticizing our golf course. Our GM has sent out several emails addressing the comments. I arrived here 2 1/2 years ago and at the time of my arrival the association had brought the management of the course and common areas in house. The reason the change was

made was the poor conditions of both the course and common grounds due to poor performance of the contractor. We have gone through a couple of years of a 3-year program to counter the damage done by the contractor. We are looking at making some changes in some scheduled Reserve projects for 2017 which would enable us to do projects on the golf course this summer. Are we where we want to be? I don't think so. But to me the real question is "where do we want to be"? There seems to be a wide difference of opinion. The question we as a community must answer is what are our expectations? We do not have the funds to be a PGA level course. I have played several courses in the local area, both private and public that are in worse condition than our course and we don't want to go there either. It doesn't help this community when residents distribute misleading information about the conditions of other area courses, stating that our fairways are more weed than grass, trying to compare us with Glen Lakes (which is extremely expensive to play) and other derogatory information that potentially deters our residents from playing our course. The drought has impacted our course as it has many others in the area. The focus will be on improving the condition of the roughs and greens. Part of the solution on improving the playing conditions is adherence by the golfers of the 90-degree rule and more attention to where they drive their golf carts. We are beating our fairways to death. Most of our golfers totally ignore the damage being done by insisting on driving on the fairways instead of following the 90-degree rule and driving their carts on the fringes of the green. Our cart paths are great and in much better condition than other courses that have cart paths (quite a few don't even have cart paths). We actually have experienced incidents of someone cutting the ropes put in place to prevent carts from driving the rough damaged areas. This is our golf course. We all want to see it improved, but you can take part by helping to take care of it.

FROM THE GENERAL MANAGER

By Bill Crusselle, *Club Manager*

May was another dry month with only one good rain the middle of the month which did help. Although we, like every other
continue to next page

FROM THE GENERAL MANAGER cont'd

community, have been dealing with the restrictions concerning our reclaimed water issue, there was a silver lining. We were able to irrigate the golf course using clean well water and this has really helped the golf course. The clean water and the use of a wetting agent that is spread through our fertigation system has kept our grass healthy and for the most part very green. As was mentioned last month, the renovation of the four remaining tee boxes will start around June 15th. Hopefully by then our summer rains will have started to help in the growth of the new grass.

Two of our Ad Hoc Committees are working very hard now to address the areas that their committees have been asked to research for the Board. The first is the Ad Hoc Safety Committee which has had open forums to gather information from our residents and have been active in gathering data for our security staff and radar patrols. The Ad Hoc Common Grounds Committee started meeting in May to address Phase 2 of the Landscaping projects. As they begin to have regular meetings, the meetings will be posted and residents are welcome to attend.

The day after all the rain on that day in May was Mother's Day. It was a beautiful day and we had 256 residents, families, and guests who had their Mother's Day dinner here at Heritage Pines! That was 68 more than we had in 2016. Thanks to everyone who spent your holiday with us this year.

FTE's remain at 68 compared to the budget of 73.

FROM THE ACCOUNTING DEPARTMENT

If you are going out of town for an extended period of time, please let us know in the office. We can set your mail to go to another address so you don't miss important association mailings. Just remember to give us a call or email to change it back when you return home.

Member Charge (Jonas) System

We always ask that you bring your member charge card to the club for purchases. This just helps prevent charge errors. If you do not have your card, please do not sign your charge until you have verified it has correct member information at the top. Also as mentioned before, our Jonas system separates your HOA fees and club charges, so we need to have them paid separately. We appreciate that most monthly accounts are current and if not it is usually a one time over sight and we take that into consideration. Please keep in mind club charges not paid by the 20th of following month can be assessed a \$25 late fee as well as HOA fees not paid in the month they are due for.

PROPERTY INSPECTIONS

By Dineen "Dee" Robinson, *Assistant Property Manager*

I would like to take this opportunity to share with you the many compliments Heritage Pines' has received recently. Many new homeowners, realtors, potential buyers and guests have commented on how well kept the community is as a whole and that the homes look almost new. They were impressed with the fact that all of the homes, yards, and common grounds were so well maintained. I wanted to pass on the compliments to each of you because of all of your efforts to keep Heritage Pines beautiful.

Your pride in your community really shows and has been noticed!

We would like to thank everyone who continues to adhere to the deed restrictions and helps us to maintain the integrity and beauty of the community. Thank you to those who have received a non-compliance letter and promptly complied.

GOLF COURSE AND COMMON GROUNDS MAINTENANCE NEWS

Greetings from the Grounds Maintenance Staff. We hope everyone is having a nice spring. The weather continues to be awesome, but extremely dry. Very little rain has fallen since our last newsletter. Our current rainfall deficit stands at over 10". The rainy season is fast approaching but probably not soon enough for the many folks that are drought weary. Our section of Florida is currently the driest area in the country. Pasco County stopped pumping water to our course on March 26th. Fortunately our two wells have been able to provide us with enough water to irrigate the course and common areas. We continue to use wetting agents and foliar fertilizers to help our turf and plant material to endure until we receive adequate rainfall. The course and common areas have improved despite the drought with the increase in soil temperatures and the use of our wells for irrigation. Ground water is generally better suited for turf irrigation during periods of prolonged drought.

Golf Course and Common Ground spring maintenance continues with additional applications of fertilizer, and materials to control insects and weeds as we move into our summer season. We have also performed aerification on the course and common areas to promote healthier turf that is less susceptible to weed and insect damage.

Our featured plant this month is the White Begonia. These hardy, colorful plants are a welcome addition to most any Florida landscape project. A native of central America it can be grown as a perennial in the proper location. It requires minimal irrigation once established but prefers a partially shaded area during the hottest portion of the summer. Maximum growth can reach 3.5 feet in diameter with attractive seasonal white flowers. They also perform well using reclaimed water which is a bonus in our community.

Enjoy the remainder of spring and we will see you out on the property.

Are you having trouble hearing? Are you overdue for a checkup? Concerned about the health of your ears? Affordable Hearing has been providing this complimentary service to our residents for a couple years now. We strongly recommend signing-up, as the time slots usually go fairly quickly. This is a complimentary clinic for all residents of Heritage Pines to take advantage of. Some of the services being provided include: Video Otoscopy examination to check for Ear Wax, Ear Wax Removal, Hearing Screening, Clean and Check Hearing Aids, One Complimentary Pack of Hearing Aid Batteries.

VISION & EYE HEALTH CLINIC

Monday, June 5th
9:30 a.m. - 11:00 a.m.

Signup sheet located in Clubhouse lobby

Everyone's vision can change with age. Some changes are normal, but losing one's vision is not a normal part of getting older. Healthy Vision Institute will be visiting Heritage Pines to provide complimentary screenings to residents. With age, everyone is at a higher risk of developing glaucoma, macular degeneration, cataracts, and other eye-related diseases. There are no early warning signs or symptoms before they become serious.

WELCOME HERITAGE PINES RESIDENTS!

On behalf of the staff at the Clubhouse, and the entire Heritage Pines Community, we would like to welcome and recognize the following happy new homeowners and renters! Jerry & Linda Carlson in Pine Crest.

- Dan & Terry Charest in Whisper Green Village
- Joe & Marge Sabatino in Pine Ridge Village
- Scott & Carol Parker in Pine Meadow Village
- Mike & Jan Martinelli in Grand Village
- Jim & Marcia Roetting in Pine Ridge Village

Reminder to new residents: Please make sure you contact Dineen "Dee" Robinson at the Clubhouse to schedule your new homeowners orientation. This meeting will provide you with very important information regarding the community, rules and regulations, and the Clubhouse.

LIFESTYLE COMMITTEE

By Nancy Niarchos, *Lifestyle Committee Chairperson*

The Heritage Pines Lifestyle Committee is ready with our first meeting, Thursday, June 8th, at 9:30 – 11:00 in the Magnolia room. I am very excited about the coming year with such an enthusiastic group of ladies, who have volunteered their time and effort to make 2017 a great year at Heritage Pines.

We have some new ideas as well as some “good old standbys”. Our committee is always looking for new ways to make retirement just “down right fun” for all, as well as helpful and informative. We also recognize that some of the activities that were implemented by previous Lifestyle Committee members were and still are wonderful worthwhile events, and we look forward to continuing these this year. Once we have our first meeting under our belt, we will be publishing an outline of events in the monthly newsletter.

PACKAGES FOR THE TROOPS, which is sponsored by the Lifestyle Committee, has been shipping care packages to our brave soldiers overseas, with the average ship time of every 6-8 weeks. Thanks to the generosity of our HP residents, our volunteers have boxed more than 25 well stocked gift packages in the last month. We are getting geared up to ship another group sometime in June. As always, we need your support with donations of items needed in the box and also monetary gifts for shipping costs. Thank you for supporting these self sacrificing men and women of the armed forces.

A special thanks goes out to Jim and Bonnie Wirth for the new donation box located in the front lobby. This new box not only is sturdy to accommodate a lot of needed supplies for the packages, but it is also on wheels. This feature helps with unloading the box as well as preventing scratches to the lobby floor. Please stop in the lobby and take a look! Thank you, Jim and Bonnie!!

Again, thank you for all your generosity in donating to the troops and for attending Lifestyle activities. HP residents are truly the best!!

COUNCIL OF VILLAGES

Rosie Tilton opened the meeting by introducing Roy Large – Chair of the Ad Hoc Safety Committee who is inviting everyone to talk to him about any issue regarding safety. He shared his background as a police officer in England dealing with community policing and later with traffic for 13 years doing radar. The ad hoc committee was set up by the BofD and the purpose is to observe, to investigate, to study and then to report back to the board – not to do anything physical. We are trying to find out how many residents are concerned about speeding , and to make sure that the issue really is speeding. We found

that yes, there is a speeding problem but there is also the issue of “inconsiderate use of our roads”. This is a shared roads community and we are looking into every aspect of road usage. We gather data and investigate methods to get people to slow down. To do this we are working in teams – one team is looking at usage of electric radar signature boards. Another is comparisons with other communities to find out what works with them. Another is doing traffic counts at major intersections i.e, Scenic Hills at Grand Club Drive. Community outreach is our goal today. We want to bring our studies to you rather than you come to us. We want to build a trust between the residents, the board and those of us charged with finding solutions. We need your input and to know your concerns. We are not looking for a bandaid fixup but perhaps drastic changes to the current system of dealing with safety. You should have received an e-mail and survey. This information - from you - will be relied upon when giving our recommendations. Talk with your village rep if you have an issue. That rep is encouraged to meet with the safety committee, on site, so as to better understand the nature of the problem. Roy asked for questions. **Q: I want to say yes to all of your questions as I think they are all critically important. I fear the golf cart path on Scenic Hills Dr. I will not use it because I don't want to be sideswiped by a car.** A: I agree. Come to see me on Monday and feel free to check all boxes on this survey and be sure to add comments to the bottom. Don't get hung up on ranking 1, 2, 3 - - We need your opinions. **Q: A lot of the speeding is outside vendors and visitors, not just residents.** A: That is correct. I have read studies across the US and they all say the same thing. One of the main things that has affected speeding over the last 10-15 years in communities like this is because of the more instant response we want from vendors. They need to make as many calls as possible. We want them to respond to our needs as quickly as possible – be it the plumber or the pizza delivery. Its business. **Q: I am confused about having the cart path and the no passing sign. I don't usually drive there. It is a problem at the end of the path when you are turning left and there is a car next to you.** A: I agree and it is one of the things we are looking at as is a lot of other signage in HP. This is an ongoing project and we have 90 days to

continue to next page

report back to the board with recommendations. **Q: Will you be using the previous traffic study?** A: That was done mainly on signage. We will look at that but we are dealing with much more than signage. **Q: Want to commend you for sending out e-mails to the community asking for feedback. Would like to see the community get polled more often.** A: We can get results if we feel like we are working together.

The next speakers are Marge Warren and Tom Cegla Co-Commanders from CERT (Community Emergency Response Team). We have run into the situation where our membership is dwindling – probably having to do with an aging population and more snow birds living here. Our concern is any emergency that could happen here at HP – most likely a tornado. Both Spring Hill and Tampa Bay Country Club have recently experienced tornadoes. Hurricanes are not as likely but there could be other disasters such as shootings or fires. If a disaster happens, the County emergency personnel will respond – but if the disaster is widespread they might not be able to get to every place which could leave us on our own. The best outcome would be an organized team that could respond which would be CERT. We are looking for a contact person within each Village that would be aware of those residents that would need extra attention or help when facing an emergency. We are also asking for people in each village to be a volunteer (no medical background required) to help with fire, search and rescue, logistics which would require a one hour per month commitment of your time. We are asking the village reps to go back to your villages, ask for volunteers to be point persons and report back next month with names. We need your help!

The next speaker is Mike Russell to speak about the new Food and Beverage schedule. Everyone got the e-mail about the new hours and I want to talk about why we adjusted them. We were open till 7 p.m. in 2015 and went to 8 p.m. in 2016 to see what we would generate in revenue from May through September. Sales showed that during this time we only increased our sales by \$1,895 by staying open one hour later. If you take our food costs and labor for that one hour we would be losing money. Thursday's schedule is still being considered and may change.

Handout - Tomorrow May 12 is workshop that will be a starting point focusing on connectivity between the committee board manager.

Bill answered agenda questions:

1. What was the cost and benefit of the curbing modifications recently completed? \$5950 from the Reserve. This improved the transition from the cart path off the golf course onto the road and enabled some sidewalks to be repaired.

2. Why do residents walk in the streets? We have addressed this in emails and the newsletter and asked that residents not walk in the streets. It is dangerous! We have had residents returning from early trips to the airport not see residents in the street until they got very close. Walkers are hard to see in the early morning and late evening.

3. What happened to the light on the fountain at the 18th green? Has been out for months. Will be repaired sometime next week.

4. When will Phase 2 of the front entrance begin and approximate finish time? Phase 2 is the medians on Grand Club Drive. Will be meeting with the Chairperson of the Common Grounds Committee tomorrow to start the process.

5. How much money is collected (approx) each month from the can, cardboard and paper recycle dumpsters? Where does the money go and how is it spent? Average income is \$215/month and it is spent on such things as benches, concrete bases for the benches, recycling containers for inside the Clubhouse, and educational signs for Paleo and Gazebo Park. Anything left over is rolled over at year end into the revenue of the club.

6. Any update on reclaimed water schedule? We are still on the same night time schedule from 8 p.m. until 6 p.m. or whenever the water runs out at the County storage facility. Yesterday we received new restrictions on potable water limiting power washing and car washing during the day. We get our reclaimed water from the Hudson Facility on Denton Road. They turn the pumps on at 7 and start pushing water at 8 which is when we can water.

7. On page 16 of the audited December 31st financial statements it reads: "The Association maintains accounts with financial institutions. Accounts at each institution are insured subject to FDIC limits. For the year ended December 31, 2016 the Association had approximately \$50,064 of uninsured cash." Could you explain this statement? Why these funds are not invested in insured accounts? We were over the limit as the year was ending and were in the middle of transferring that money. FDIC limit is \$250k. Currently in that account we have \$249,600. Accounting is always checking our accounts.

8. The president of the BOD boasted at the last village council meeting that they have saved HP \$500,000. If this is true, can you give us the budget departments and the amount of the savings for each of these departments? For example, if we saved money in the common grounds budget, how much was saved? The reality is we saved \$540,545. The information can be found every month in the financials posted on line on page 1 and 2, and expenses are broken out by department.

9. We are hearing many rumors. Would you please tell us a) total cost of the Pavilion b) total cost of the new front entrance? a. The pavilion was approved for up to but not to exceed \$95,000. It will come in at about \$87-90,000. No exact amount yet because we are still looking at putting in grills and still need sod to complete the landscaping. We are also looking to put tables and chairs in rather than picnic tables because many residents have said that the picnic tables are too hard to get in and out of. Keep in mind that during the setup of events we must remove the tables and chairs for each function. b. The new front entrance Reserve project was approved for up to but not to exceed \$135,000. Total cost ended up being \$127,965. The second part was the architect's fees which was

COUNCIL OF VILLAGES cont'd

approved for up to but not to exceed \$22,000 and the actual cost was \$8,110. Total savings was \$20,925 less than the approved amount and that money stays in the Reserve.

10. Are the board meetings still being videotaped and sent to the community? Yes and they are up for two months.

Bill thanked everyone for their personal contacts, e-mails, and phone calls during his illness. Next meeting June 8, 2017 at 4:00 p.m.

AD-HOC SAFETY COMMITTEE

Your Ad-Hoc Safety Committee has been formed to study safety issues for our entire community. The Board of Directors has authorized this committee to conduct a study of traffic speeding issues and other safety issues related to our community such as bicycles, golf carts and pedestrian safety.

This will be a community wide effort and the committee will reach out to all residents for their comments and observations. In the near future residents will have the opportunity to meet with the committee to share ideas.

At the conclusion of the study, the committee will submit its recommendations to the Board of Directors.

Please pay attention to the Pines and HPCA E-mails for more information concerning the Ad-Hoc Safety Committee and upcoming events and meetings.

Thank you for your assistance in our safety goals.

ARCHITECTURAL CONTROL COMMITTEE

By Mike Miller, ACC Chairman

Thanks for using the newest Exterior Change Request (ECR) form that is printed in the monthly "The Pines" Newsletter (page 14 and 15) and also available at the front desk. The new form enables the committee to process your request quickly.

Delays are encountered when information is left off the form and we are unable to approve an ECR.

As an example, if you are requesting to remove a tree or trees and you don't include the diameter of the tree(s) or you don't advise how many trees are left on the property and their location we CANNOT approve your request. Section 5.2.1 Trees and Shrubs (as shown in paragraph 2 of the ARCHITECTURAL CONTROL MANUAL, page 19) states in part: "The community requires a minimum of two trees, one in the front and one in the rear."

Also be aware as stated at the bottom of front side of the Exterior Change Request:

THIS IS NOT IN LIEU OF ANY PERMIT OR APPROVALS REQUIRED BY PASCO COUNTY.

The committee is always available to assist, if you have questions contact a member, our names are listed in The Pines Newsletter. Thank you.

ENVIRONMENTAL ISSUES COMMITTEE

By Gail Pearsall

Sustainability

"Sustainability" ---there's that word again. The concept is simple: do things that make it easier on the earth. During our long hot Florida summers many of us aim to save energy and money by setting our home thermostats at 78 degrees F or higher and using ceiling fans. But attic spaces can trap moisture, and heat radiates into spaces below. This makes your A/C work harder. The moisture and heat can even damage your roof. So this heat and moisture needs to be vented. Here's this month's sustainability tip: Consider installing a solar powered attic exhaust fan. A solar powered attic exhaust fan uses no extra electricity and requires no wiring. A variety of brands and styles are available, and solar powered attic exhaust fans are eligible for a 30% Federal tax credit (the current deadline is December 31, 2017). So go online and check out the possibilities. You could save even more energy and \$\$\$\$.

Trash vs. Recyclables

Pasco County has no active landfills, so what you place at curbside on trash day goes to the Pasco County Resource Recovery Facility, a "trash to energy" plant. The plant processes 350 tons of trash per day, burning it at a temperature of 2000 degrees F, heating water to produce steam to power a turbine that generates electricity. The electricity, enough to power as many as 25,000 homes daily, is sold to energy companies. Pasco County receives \$15M in revenue from the sale of this electricity.

BUT the county population is growing, and sooner or later we will need a new boiler to process the trash. One way to postpone purchase of a new boiler would be to recycle more and trash less. According to a recent survey conducted by the county, 55% of respondents say they use twice-a-month curbside recycling and 84% say they would use weekly curbside recycling. However, many respondents were less

continue to next page

ENVIRONMENTAL ISSUES cont'd

enthusiastic about giving up twice-a-week trash collection so they could have weekly recyclables collection, and many didn't want to pay extra for it.

The County Commissioners have authorized a pilot program, in a limited area, to increase residential recycling: twice-a-week trash pickups and weekly recycling for a cost of \$3 a month. So stay tuned: changes may be coming. At any rate, try to recycle more and trash less!

COMMUNITY/MEMORIAL TREE PROGRAM

By Linda O'Leary, 819-9207

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a

person or because you wish to donate one in your name to beautify our community. They can also be purchased as a gift, perhaps a birthday or anniversary idea. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by Heritage Pines maintenance facilities. Trees will be planted during the months of February/March and September/October. Please plan your purchase during the preceding months. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. Also, there is a book at the front desk of the Clubhouse listing information about the many trees planted throughout our community. Each page includes the names of the honoree(s), sponsor(s), tree location and type of tree. Residents may look through this book as desired.

Your signature below acknowledges you have reviewed the Architectural Control Policy Manual and grants permission for the Heritage Pines Community Association Architectural Control Committee to enter onto the owner's property to review the application and to inspect the proposed project site before the work begins. Any work done on the proposed project prior to written or conditional approval of the ACC is a violation of the HPCA Restrictive Covenants and may have to be removed at the property owner's expense.

NOTE: The Architectural Control Committee will review this request. You will be notified within thirty (30) days of the receipt of a completed request. If construction/installation is not commenced within the time set by the ACC in the written approval (but in no event later than ninety (90) days after such approval) the approval shall be deemed rescinded. The resident must request an extension (within one year of approval) and receive new paperwork. Otherwise new paperwork must be submitted.

The homeowner, upon signing this application, understands that the Architectural Control Committee functions to act on behalf of the Board of Directors of Heritage Pines Community Association, Inc. on the acceptability of the appearance of changes to the exterior of buildings or land. There is no intention, expressed or implied, to approve or disapprove any apparatus, its function, contractor or subcontractor. The maintenance of operation or appearance of any installation is the homeowner's responsibility.

If it should be necessary for you or the contractor to run vehicles or equipment over common grounds to do work at your home or on your property, you must first obtain permission from the General Manager and Village Board (if applicable) before any work can begin. Any damage caused must be repaired at the homeowner's expense. Before any work on the property begins it is suggested that the homeowner informs the contractor, or people doing the work, that it is their responsibility to repair any damages done to common grounds by their equipment. Ultimately the homeowner will incur all expenses related to damages

A Message to My Patients...

“When you make an appointment with me...you get me.”

This may mean that sometimes you will have to wait. I believe in taking the time that each patient requires and this is usually determined when we are face-to-face – not when scheduling the appointment.

So...sometimes it's more time than we budgeted. But...when it's your turn...you get the time you need.

“Dr. Higgins answered all the questions I had, and many I had not thought to ask. I never felt rushed so he could get to his next patient or bullied into a particular treatment option.” – Kristin J.S.

"WILL CALL" TICKET PROCEDURE

Are you out of town, travelling, or just plain busy when tickets for a major event go on sale? No worries, Heritage Pines is now proudly offering a "Will-Call" procedure for those residents who are unable to purchase tickets the day they go on sale. The events and shows at Heritage Pines have become incredibly popular. So much so, that we are booking many events and shows with back to back performances. Tickets are selling on the first day they go on sale! It goes without saying, that the Clubhouse has become the hub of social activity within our community.

18 HOLE "PAR" TICULARS

By Daphne Gibbs

The Ladybug Invitational this year was dedicated to Betty Simpson who passed away in April. She had organized and chaired six of the past Ladybugs. The rain early in the round was attributed to Betty looking down and shedding some tears because she could not be with us.

Many people were responsible for the success of this event. The committee consisted of Lynn Aigotti, Camille Baldick, June Bavetta, Marjorie Convery, Debbie Gaines, Carolyn Gallo, Pat Gatzke, Daphne Gibbs, Cheryl Lichtenberg, Sue Ann Lichtenberg, Deb Maturi, Judy McAnally, Denise McKay, Mary Miller, Linda Nelson, Carol Patterson,

Betty Plante, Joy Stefany and Eva Taveau. Most of these members have been serving on the committee for several years. Special thanks go to Linda Nelson and Eva Taveau for carrying out the plans that Betty had started. Special thanks also to Judy McAnally for all of the name tags, Mulligan cards, etc. that she so expertly prints for us every year. Joy Stefany, Edie Godleski and Judy Taylor deserve special mention for checking the scorecards to come up with the winners. Gross winners were Debra Maturi, Terri Baun, Deb Hall and Lynne Houlihan. Check out the photos in this issue or the HPLGA bulletin board for the photos taken by Pat Gatzke. Sandra Hreczuck spent a good part of the morning in the rain helping to coordinate players and golf carts.

During lunch, entertainment in the form of soft piano music was provided by volunteer Joann Florin.

The Lichtenberg family, consisting of Sue Ann (our Mrs. Ladybug), Tim, Cheryl and Kathy are all to be commended for their participation in the Ladybug each year. Tom Lichtenberg was our original Mr. Ladybug.

Members of the men's league helped out in several ways, including arranging the golf carts and bags early in the morning and hitting balls over the pond on hole #5. Roving mixologists Scott Taveau and Joe Paddock served Bloody Mary drinks to the players throughout the round. The two bottles of wine placed on each table at lunch were donated by Joe Paddock in Betty's memory. A big THANK YOU to everyone. We always need and deeply appreciate your help.

LADIES' NINERS GOLF

Time has flown - halfway through the year and Niners are still playing strong. While we are in need of some good Florida cloudbursts, let's hope we don't have too many rain-outs in our summer season ahead.

Reminders for the Mission Inn – Please read your email of April 16th which reiterates all particulars of the trip. This is a wonderful resort with plenty of amenities for non-golfers to enjoy as well. All deposits are due on or before June 30th, with the remainder due September 8th. No refunds can be given after September 24th. Contact Dianne Estensen for more information.

Thirty Nine & Dine golfers played a scramble on Sunday, April 14th. Thirty three Niners and guests enjoyed dinner at the club after the game. Hats are off to you Mike – the service was great and with the help of Lisa and Mary Lou, an outstanding meal was served. The game was played with a twist – each team was given a coupon giving them 1 free stroke. The best score was 26, completed by the team of Zee Ferris & G. Kondrach with Chuck and Jeff Edwards. Next best was a 29, played by Joan Tenza and Betty Tincher with Cathy and Bill Stoehs. They took three of our statues home while Judy and George McAnally took the other since they were new to the group and had never won one! On May 21st, Wellington golfers played with our group - pairings done by our old friend Chuck Kirst. A report on this fun-filled day will be in our next newsletter.

Once again, we sadly must mention the loss of our dear friend and fellow Niner - Louise Cernak. Her cheerful and willing spirit was notably apparent as she gave her time and talent to groups and fund raisers here at Heritage Pines. Louise was an especially active participant in sewing groups and fashion shows and was a lesson in perseverance throughout a difficult and extended illness. She never failed to help and enjoy the company of all around her. Our hearts go out to her husband, John. We'll surely miss her friendly and smiling face.

Statistics for April:

June 20: Putts Only

June 27: Individual Stroke Play - Back

Keep cool. Remember your sunscreen and shades. Drink that water and G2 and don't forget to use those fans. Heed warnings of approaching thunderstorms and be aware of changing weather conditions. Have a fun time out there and we'll look for you on the 19th hole!

MEN'S NINERS

The fun times continue and we look forward to adding new players. If you want to have fun for a couple of hours and play some golf come join us. We are a friendly group who plays a variety of games for all level of players. We look forward to seeing you on Wednesday afternoon at 12:15 with a 1:00 tee time. For more information about the Men's Niners contact Phil Flynn the President/Treasurer at 413-977-9413, Russ Stefany the Vice President at 868-8521 or Don Waitkus the Secretary at 378-7533.

Member/Guest

On Wednesday May 10th the 2017 Member/Guest Committee held its Lessons Learned meeting. We always go over what went well and what didn't go exactly as we had envisioned it. We also set meeting dates for next year's tournament. Next year's tournament will be held March 22nd, 23rd & 24th.

A special thanks to the Ladies of the LGA and LPGA. These Ladies monitored the hole-in-one contests, all four of the skill contests, "Manned" the beer kegs and ran the beverage cart.

MEN'S GOLF ASSOCIATION cont'd

We are saddened by the loss of Betty Simpson who for the past several years worked the beverage cart with Eva Taveau. Both ladies wore Tuxedos adding a touch of class to our event.

I also want to thank Linda McCann who did such a great job on the Guest Booklets and Sponsors Booklets.

I also must apologize for misspelling one of the Member/Guest co-winners name. The correct spelling is Joshua Roland.

GOLF HANDICAP COMMITTEE

By Joy Stefany, *Handicap Chair*

Where will you be playing golf this summer? Are you a 'snowbird' and going up North for the summer, taking some shorter trips, or just staying home here at Heritage Pines? This summer will be a good time to try one of the reciprocal courses that Ricky has mentioned in his "Heritage Pines Golf Daily". No matter where you decide to play, remember that you MUST record your golf scores for all eligible rounds of golf. Your handicap index is determined by your scores as well as the Rating and Slope of the course played.

Enjoy your summer and all of your golfing experiences.

ASK THE TECHIE

Q: I have replaced my old desktop computer with a new laptop. The laptop bottom seems to be very hot and it is not comfortable resting it on my lap. Is there something wrong with my new computer?

A: No, it is not likely that there is anything wrong with your new laptop. While you are using the laptop the computer processor (CPU) generates heat which will often make the bottom of the laptop feel warm or sometimes even hot. On most laptops there may be vents on the bottom to help cool the computer.

As we enter the hot summer months, it is important that the bottom and rear cooling vents be unobstructed. Never set your laptop on a cushion, pillow, placemat or any soft surface for any length of time or it may overheat. Operating a laptop in our warm Florida climate for an extended period of time may shorten the life of your computer. In extreme conditions, a laptop may shutdown if the internal temperature gets too high. Many laptops have a cooling fan that will run louder to attempt to cool down the computer.

It is best to rest your laptop on a smooth surface such as a TV tray or table. Since I use my laptop extensively, I personally have a cooling pad/chill mat to help keep my laptop running cool. These pads contain a cooling fan that connects to the laptop via a USB connection to help dissipate heat buildup. The pad not only cools the laptop it provides a comfortable surface to rest the laptop on my lap. They can be purchased online or at most electronics stores for \$15-30.

Q: I have Anti-Virus software on my computer to protect it from viruses and Malware. Do I need to protect my smart phone and tablet? If so, what do you recommend?

A: If you are installing APPS from the **Play Store** or **iTunes** or

opening email message on your smartphone or tablet you definitely should install a protection program. There are numerous choices available including those from **Symantec (Norton Antivirus)** and others that will help protect your devices from intruders.

My personal favorite is a program called **Lookout Mobile Security**. **Lookout** will scan the programs installed on both Android and Apple devices. It is available in free and PRO versions.

I recommend the free version of **Lookout** which scans your device for Malware, Viruses Trojans etc. as well as verify that current and future downloaded apps are safe. Lookout offers an option to back-up your device Contact List. The program will also help locate your device if it is lost or stolen using the GPS locator feature. A feature I have found useful is the SCREAM feature that when triggered sounds an alarm to help locate your device in your home.

For additional protection, the Pro version of **Lookout** includes remote LOCK and WIPE features if your device is stolen. I also suggest that you not install any APPS from web sites or by clicking on links within emails or pop-up ads. Always go to the APPS store for your device.

TECHNOLOGY FOR THE ACTIVE SENIOR SESSION

Friday, June 16th from 1-4:00 p.m. in the Magnolia Room

Dale Mallek will be hosting a discussion on the various technologies available today and how they may be applicable in the life of an active 55+ resident in Heritage Pines. This session is part of a series of classes that Dale is offering to fellow Heritage Pines residents at NO CHARGE. The class will fill up quickly and enrollment is limited to 25 (RSVP ONLY).

Dale will offer his views of the pros and cons of how an HP resident might enhance their lives using the following:

- Smart Phones

continue to next page

COMPUTER TRAINING CLASS cont'd

- iPods/MP3 music players
- Kindle/Nook eReaders
- iPad or Android tablets
- Notebook, Laptops, All-in-One and Desktop computers
- Web connected printers
- High Definition TV, 3D, BluRay players
- Web connected TV's/DVD players, etc.

These are some of the items that technology offers us today. Instead of the usual class, this will be an interactive session sharing ideas on the how technology may be useful to us at this stage of our lives.

Dale has 40+ years of experience delivering and supporting technology services. His most recent employer was Hewlett Packard. In 2009, Dale began Mallek Technology Solutions providing computer and home theatre support services to Heritage Pines and neighboring community residents.

THURSDAY MORNING LINE DANCING

By Phyllis Poirter

Join your friends and neighbors every Thursday morning in the P.A.C room from 10:30 until 11:30 am. I, Phyllis Poirter, have been a line dance instructor, for over 25 years. I try to make it fun and easy to learn. The ladies have learned many new dances while getting a good work out.

Each week we review the dances from previous weeks plus learn a new one.

This format makes it so easy to learn and to fit in with the group, no matter whether you are a seasoned dancer or a beginner.

As you know, HP has many dances planned for you, so why not be ready for the upcoming events

We invite you to come up on Thursday mornings and watch what the ladies are learning. There is no charge to observe. Then decide whether you would like to join us next time.

Men and women are both welcome... The cost is only \$5.00. No reservation needed. Just show up and join in the fun. Bring your old friends and get to meet new friends. There are several of the ladies that stay for lunch after the class. Make sure to put the date on your calendar. I look forward to seeing you there. Remember if you are not sure this is for you, just come up and observe for free.

CAT SITTERS

By Rusty Peacock

We have the pleasure of announcing the appointment of an additional moderator to the cat site for the convenience of new members. Minette Salomon has volunteered to help out and assist in monitoring the group and new members may reach her at (973) 651-7589. She is more than willing to help residents seeking a volunteer to cat sit so don't hesitate to call her for info and help posting on the group site. You may also find help from Terry Cubine (727) 857-3090, and Rusty Peacock (352) 232-5300. We know many families will be departing for their summer homes but our permanent families will have times when they will require a cat sitter while they cruise, take a short trip north, or just spend a weekend away, so our volunteers will be ready to you help out.

TUESDAY LADIES BIBLE STUDY

During the month of June we will be studying another Bible study by Kelly Minter. We loved her study "All Things New" a study of 2 Corinthians. This new study is called "What Love Is" a study of the letters of 1st, 2nd, and 3rd John.

Kelly tells us that John anchors us with truth in a culture that has lost its way. He separates light from darkness, offers community for loneliness and rest for our striving. Throughout his letters John gives us the ultimate gift of assurance: "We can know that we know Jesus".

Kelly is an acclaimed author, speaker, songwriter and worship leader. She is passionate about women discovering Jesus through the pages of Scripture. She will lead us through seven lessons with 30 minute videos. We will use her workbook for discussion after viewing the videos each week.

Questions about the study can be directed to Pat Hepler at 727-819-02355 or Evie Clark at 727-868-3454. We look forward to having you join us for study and fellowship.

MARY GIELLA FOOD DONATIONS

By Wes and Penny Norton

Hi Heritage Pines! Thanks for all your food donations; we have put them all to good use. We will continue the food collection all summer; as the need is there. The Principal George or Patti will come every Tuesday to Pick up the food. They will have a way to get the food to the children. So please continue your donations. I'm so glad we can continue for the summer as the need is still great. Thanks so much. If you have any questions please call Wes or myself at 727-869-9642. We will be here.

BOOK CLUB

The Heritage Pines Book Club meets on the fourth Wednesday of each month. By the time this article goes to print, we will have made our reading selections for the next year, and that list can be found on the bulletin board. We look forward to some great discussions, beginning in September.

During the summer, we hold lunch meetings outside Heritage Pines. On Wednesday, June 28, we'll meet at 11:30 in the Clubhouse, and then travel to ZigZag Scallop Waterside Bar & Grill in Hernando Beach for lunch and "book talk". Everyone is welcome, and if you wish to join us, the sign-up sheet is located in the Book Club Binder in the Library. We plan to carpool, so please indicate whether you can drive or will need a ride. You must sign up no later than June 25. If you have any questions regarding the lunch, please e-mail Dianne Estensen at dianne.estensen@gmail.com. Our summer lunches are our yearly "recess", and whether you are new to the community or have been here for a while, you are welcome to join us for a fun lunch. Hope to see you on the 28th!

If anyone has any questions, please call Judith Chase at 862-4545 or Mary Lou Ballmann at 862-1438. Happy reading!

RED HAT SOPHISTICATES

There are so many great opportunities to travel this year and into 2018 I thought you would like to get a head start on booking some great places to go for a vacation. Please call with any questions or suggestions. Remember any one is invited to book any of these trips even though it says RED HAT on the title. Happy traveling!

SPORTSMAN'S CLUB

The Sportsman's Club meets on the second Thursday of each month in the Magnolia Room at 11:00 a.m. This meeting usually lasts about an hour. Afterward, some enjoy lunch together in the Clubhouse. Our next meeting is scheduled for Thursday, June 8th.

Club activities include: bocce, pistol and rifle target shooting, clay target shooting, horseshoes, fresh and salt water fishing, biking, canoeing and kayaking. Everyone with an interest in these and other related activities is welcome to join us.

Bocce players meet at the bocce courts on Tuesdays at 12:00 noon. Come out, bring a partner and join the fun. Observers and players of all skill levels are welcome.

Those who shoot trap, skeet, five stand and crazy quail, form groups and on Wednesday mornings, carpool to either the Silver Dollar Shooters Club in Odessa, or to Robinson Ranch in Dunnellon.

Car pools to the trap and skeet fields usually leave the community around 8:30 a.m. Silver Dollar and Robinson each offer traditional clay target shooting in addition to other shotgun games like crazy quail, and five-stand which are also great fun and a good test of shotgunning skill. Those needing assistance with transportation can call on any club member.

Rifle and pistol target shooters usually shoot at The Phoenix Gun Club on Wednesday or Friday mornings. Check out the Phoenix website for their range schedule. If you are interested in doing some kayaking or canoeing, give Howard Stringer a call at 727-204-0603.

Fishing trips are being organized by Frank Scarfi. Frank's number is 727-378-8818.

Bicycling outings are being arranged by Pat Lanphier. Pat can be reached at 352-686-6598. If you like to bike, call Pat.

Best wishes to all for a happy, healthy, and fun filled summer. To those leaving and those who have already left for cooler climes, hurry back. It's not the same without you.

WANTED: Couples Who Love To Dance!

Would you like to learn the latest dance craze sweeping the nation? Do you want to look great at the next Heritage Pines dance? Join us Monday nights from 4:45 to 5:45 as our dance professional, Bonnie Jordan, is teaching us: **Salsa!**

For the month of June, she will be teaching this great dance. Learn all of the steps that will make you look fantastic on the dance floor. Class is only \$10.00 a couple. Grab your significant other (or a neighbor) and dance! Great exercise! Show Heritage Pines that you are still young at heart! Get up and Move! We hope to see you this Monday night!

TENNIS ASSOCIATION

By Bill Tory

It's that time of the year again and so the snow birds have flown north for the summer. As much as we miss them, still there is a definite benefit with fewer people on the courts. My standing on the tennis court has now been elevated. I've now moved up with virtually no effort on my part. Nice, although we all know that playing people with a greater skill level than our own makes us better players, it's still refreshing to take a break from all of the stiff competition when the heavy hitters are in town.

Who was the first president of the Heritage Pines Tennis Association?

On May 5th, Heritage Pines played a tennis tournament at Heritage Springs. It was a clear sunny day for the tournament to be held, Heritage Springs has the same type of courts that we offer here at Heritage Pines. A luncheon was served after the

first round of matches were played. The luncheon consisted of freshly made tacos, fresh fruit, cookies and beverages.

The competition on the courts was fierce and even with Heritage Pines winning four matches and Heritage Springs winning four of the eight matches. On our side we had to men's doubles courts winning one mixed doubles court winning and one women's double court winning.

Congratulations to all those who won their matches. For the men, Mel Letterer and Gary Vacarro won their match in straight sets on Court #1. Burr Lechevet and Ron Kennedy bested their opponents on court #4. For the women, Cheryl Lichtenberg and Shirley Monroe triumphed on court #3. For the mixed doubles Lou gutfleish and Margie Fuller outlasted the opposing team in evenly matched sets on court #2.

All in all we had a great time playing and it was a great day to play. Our tournament chairman, Lou gutfleish is planning to have a rematch with Heritage Springs in the fall. Also, Lou is looking at other communities to match our players against for future tournaments.

Lu and Fred Houde are gone for the summer but the mixed doubles tennis that they were hosting is still ongoing and we will be playing mixed doubles on Sunday evening at 6 p.m. during the entire summer. An email will be sent out each week as a reminder to everyone about Sunday evening tennis.

At the time of this article, the new Pavilion is in its final stages of completion. There is some minor Landscaping that is going to be done around the edges of the cement pad and also there will be a Guard railing in place on the side of the Pavilion facing the tennis courts.

On Monday, May 8th, at a special meeting of the Heritage Pines Community Association board, money for leveling, restriping and putting in new net posts on our four tennis courts was approved by the board. Our maintenance manager, Gary Wind will be contacting Welch, the company that originally installed our tennis courts, to perform the work on the project.

Have you played tennis in the past but feel those days are gone because you aren't as young as you used to be? Have you never played tennis and wish you could be out there too but worry about not holding up your end? Perhaps you are on top of your game. We have competitive players to challenge you as well. We have GOOD NEWS for you! We are ALL getting older and we all wish we could play as we used to. Our games are slower. Our games are less competitive. Our games are very social. We just have lots of fun being active. And we are looking for YOU to try us out!

Membership dues are \$10.00 per year. Our courts are soft, easy on the joints all four courts are groomed daily. All courts have lights for night use ball machine available for use. There are many options and opportunities for scheduled play:

Men's open play for all levels on tuesday and Thursday mornings. Men's league play on Monday evenings, Women's league play on Monday morning. Mixed doubles play on Sunday evenings. Women's open play on Wednesday mornings. Pick up games can be scheduled with sign up for

court time at the HP front desk. To get started, contact, Bill Tory at 586-873-9697 or a711guy@gmail.com or any tennis board member.

THEATRE CLUB

By Lee Gebhardt

On June 3rd we will be traveling to Straz in Tampa to enjoy the performance of "Finding Neverland". This is the incredible story behind Peter Pan and was the recipient of several awards. It is a must-see show you will remember for many years. Ticket sales are closed but if you missed signing up for it, perhaps it will come back to Tampa sometime in the future.

On June 17th it is back to Show Palace for the performance of "Assisted Living". This is the first show with the \$1 price

increase. If you forgot and wrote your check for \$42.50, it is not too late to give Marcia the extra dollar to hold your seat for this show. It is a show based on life in a retirement village and some of the antics that take place, even after going to heaven! If you need a good laugh, this is the show for you accompanied by music.

If you have any questions, please contact one of the Theatre Club staff: Marcia Gerber 819-1662, Betty Plante 863-8462 or Lee Gebhardt 819-8596

BILLIARDS FOR EVERYONE

By Deb Tribbey

If you haven't played pool (billiards) with the ladies, or the Couples Groups then you are missing a lot of laughs and fun. We do not have a league, but we do have some talented players who are very patient and are helping all of us to improve our game.

The Ladies Group plays on Wednesdays from 1 p.m. through 3 p.m. and on Thursdays from 9:30 a.m. through 11:30 p.m. The "ladies" are always willing to welcome new players and teach novices. Simply drop in to play either Wednesdays or Thursdays in the billiards/card room at the Clubhouse.

Then we also have a Couples Group meeting to play on Saturdays from 2 p.m. through 4 p.m. This consists of beginners to some amazingly skilled generous players who want to share their knowledge while still having a good time with their partners. The comradery and support that everyone gives each other, whether a good shot has been made or a miss, makes the afternoon a lot fun while giving you an opportunity to meet some new residents. Makes for some very interesting matches!!!!

If you played pool "back in the day" or never at all, please feel free to drop in and join us. We know you'll enjoy it like we do. For further information, please call Ruth Stickel at 869-7848 or Deb Tribbey at 857-6583.

DRAMA CLUB

By John Popovich

As noted in our May article, Bob Isgro, President of the Drama Club Board of Directors, was invited to attend the Council of Villages meeting on April 13 as their guest speaker. He was accompanied by Nancy Niarchos, Treasurer of the Board. Their combined comments during the presentation regarding Drama club activities were well received. Rather than repeat what was said, I refer you to the HP Community Bulletin of April 18 sent to all residents that captured their presentation along with other issues considered by the Council as recorded by their Note Taker. The presentation was also included in the Council of Villages article published in the May Newsletter.

Earlier, we also announced that the Board of Directors was considering a donation to Metropolitan Ministries of Pasco County actively engaged in helping the poor, hungry, homeless

and disadvantage. The Board has since agreed to donate \$1000 to their cause. Likewise, the Board has agreed to provide a \$1000 donation to the HP Bingo Committee to help them purchase new equipment. Bingo night is a very popular monthly outing for many of our residents who are unable to participate in other activities offered by the various clubs and organizations we have in Heritage Pines.

Those who might think the Drama Club is a profit making organization because of our donations are misinformed. We realize that the monies received from our plays are not ours but yours in trust to be used in a manner acceptable to you, the residents. All we need are sufficient funds to cover the costs of our next play, storage of our property and unexpected incidentals necessary to cover replacements for sets and other unforeseen expenses. When we end up with more than we need, that's when we get into the donation business.

The call for Directors for our fall play in November and radio show in September has been answered. As a result, Janet Neu has been selected to direct our fall play. She is currently reading the various plays approved by the Board of Directors and will make her selection known soon. Rick Myers will direct the radio show in September.

Our Board of Directors is planning a "Directors Work Shop" in November of this year. It is our hope that we can get Matt McGee (former Director at the Show Palace) well known to HP residents to lead the work shop to help our members who have had some experience in directing but more importantly those who have never directed but are interested in doing so. As a professional actor and director, Matt can offer the best guidance available in the art of directing.

Again we urge you to consider joining the Drama Club. Do not be afraid of being in front of an audience of hundreds. The lights are out and the PAC is dark except for the lights shining on you as a member of the cast. From the stage you can't see the audience anyway. We know you have the potential to entertain but probably don't realize it just like most of us who never performed on stage before. We are only residents living out our dreams and thinking of the monies we could have earned had we had a professional career in the entertainment business. We are all glad that did not happen. Who wants to live in New York or Hollywood anyway? Heritage Pines in Hudson, Florida is the place to be.

Lastly, we want to thank all our residents who saw our spring play "Twelve Angry Jurors" and for the many accolades we continue to receive for that performance. It was the only play in memory where the audience stood up and cheered the cast at the end of each of our three performances. Many tears were shed by the cast and audience members alike. Thank you all for such a beautiful response to our efforts to give you a show worthy of such recognition.

We are excited to TAKE THE PLUNGE!

Together we can support those affected by childhood cancer!

As many of you know, Sir Speedy owners, Tom and Jeannine's daughter Kasey, was touched by childhood cancer. She now is over 3 years in remission! The Children's Cancer Center was a huge help in many ways through this difficult time. From counseling, to tickets to Lightning games, to a scholarship for Kasey, this organization gave us something to smile about in such a horrible time in our lives. Sir Speedy is proud to be raising \$2000 for the Children's Cancer Center through the **GELATIN PLUNGE!** Tom, Kasey, Michael (Print Specialist), and Jennifer (Graphic Artist) are all taking the Plunge to support this wonderful organization and we need your help! If you'd like to donate please go to the facebook page below or send a check made payable to Sir Speedy and help us reach our \$2,000 goal! For more information check out fb.com/sspeedyspringhill.com.

Thank you!!

DONALD TRUMP REPUBLICAN CLUB

Flag Day, June 14, 3 to 6 p.m., at the Pavilion next to Tennis Courts.

This event is being put on by The Donald Trump Republican Club. of Heritage Pines. Sausage and peppers, hamburgers, hot dogs, salads, soda, coffee and pastries. BYOB. Music and a really great time. Tickets \$10. See you there.

DEMOCRATIC CLUB

By Linda Myers, Secretary, 727-233-6226

The Heritage Pines Democratic Club's annual "Summer Blowout" party will be held on June 22 this year at the new pavilion, next to the tennis courts, at 5:00 p.m., rain or shine. Whether you are new to our community, or you've been here for years, this will be a great way to socialize with fellow Democrats, and to see if you would like to join the club. Out of town visitors? Bring them along.

This year's party will be a Luau!

Gentlemen - wear your best Hawaiian shirt and flip flops.

Ladies - muumuus, grass skirts, flip flops, whatever you feel is in keeping with a Hawaiian celebration.

We ask everyone to bring a dish (appetizer, salad, or dessert) to share, and the beverage of your choice. We will still have our popular "Horse Race" game, and the bocce court will be available as well. It will be a fun time to relax with drinks, snacks, and friendly conversation with like-minded folks.

All Democrats in Heritage Pines are welcome, but you must let us know by June 17 if you will be attending, and what you will be bringing in the way of food or beverage (try to keep it to the Hawaiian theme). Call Betty Dean at (727)869-9033 to let us know if you will be attending, and what you will be bringing to share, or email her at edean21@tampabay.rr.com.

We will not have a regular meeting in June, July, and August; so this will be our last get-together until September 21. We will still be in touch through the summer, however, if any issues need to be addressed by phone calls or emails that need your immediate involvement.

MONDAY MEN'S BIBLE STUDY

Contact Bob Cook, 813-928-1333

A group of Christian men meet on Mondays, usually in the Magnolia Room at 4:00. We come for fellowship and discuss the Word of God. The Gospel of John is our current study. You don't have to be a scholar of the bible to participate. Come and deepen or renew your relationship with the Lord.

SHALOM CHAVURAH

Our group is open to all new and established residents of Heritage Pines. We look forward to meeting and getting to know you. Please join us. An Oneg follows the prayer service.

Chavurah meets on the first Friday of the month in the Craft Room at 7:00 p.m. If you have any questions, please call Sheila Schwartzman at 863-8802. We look forward to seeing all of you. Shalom y'All.

LIBRARY NEWS

Summertime is here and the living is easy -- and so is choosing a few "good reads" for those hot summer days. Check out the library for those favorite authors and be sure to try a new author or two. You might be pleasantly surprised and discover a new favorite author. Our library is so convenient and there are no due dates for the books you take home -- life was just made easier for you! Remember that paperbacks do not need to be returned; however, we do ask that hardcover books be returned. Place the returns and any new donations on the cart on the north wall.

Please remember that we are unable to accept magazines, puzzles, catalogs, and books of limited appeal. Call Mary Lou Ballmann (727-862-1438) or Susan Bell (727-868-4261) if you have any questions or concerns.

OPEN INTEREST ART

Open Interest Art should be really described as an "All Media Art Workshop" for all artists of all levels and media. It is a time set aside for those of us who need room to spread out in the Craft Room and enjoy. This is not a teaching time. We meet on every Wednesday from 1:00 to 3:00 p.m. so come up and join in! Any questions, please contact Camille Baldick at 727-862-9974.

STRETCHING: FOCUS ON FLEXIBILITY

You can stretch anytime, anywhere. Just follow these tips to do it safely and effectively.

By Mayo Clinic Staff

Stretching may take a back seat to your exercise routine. The main concern is exercising, not stretching, right?

Not so fast. Stretching may help you:

- Improve your joint range of motion
- Improve your athletic performance
- Decrease your risk of injury

Understand why stretching can help and how to stretch correctly.

Benefits of Stretching

Studies about the benefits of stretching have had mixed results. Some show that stretching helps. Other studies show that stretching before or after exercise has little to no benefit.

Some research shows that stretching doesn't reduce muscle soreness after exercise, and other studies show that static stretching performed immediately before a sprint event may slightly worsen performance.

Stretching can help improve flexibility, and, consequently, range of motion about your joints. Better flexibility may:

- Improve your performance in physical activities
- Decrease your risk of injuries
- Help your joints move through their full range of motion
- Enable your muscles to work most effectively

Stretching also increases blood flow to the muscle. You may learn to enjoy the ritual of stretching before or after hitting the trail, ballet floor or soccer field.

Stretching Essentials

Before you plunge into stretching, make sure you do it safely and effectively. While you can stretch anytime, anywhere, be sure to use proper technique. Stretching incorrectly can actually do more harm than good.

Use these tips to keep stretching safe:

- **Don't consider stretching a warmup.** You may hurt yourself if you stretch cold muscles. Before stretching, warm up with light walking, jogging or biking at low intensity for five to 10 minutes. Even better, stretch after your workout when your muscles are warm.

Consider skipping stretching before an intense activity, such as sprinting or track and field activities. Some research suggests that pre-event stretching may actually decrease performance. Research has also shown that stretching immediately before an event weakens hamstring strength.

Instead of static stretching, try performing a "dynamic warmup." A dynamic warm-up involves performing movements similar to those in your sport or physical activity at a low level, then gradually increasing the speed and intensity as you warm up.

- **Strive for symmetry.** Everyone's genetics for flexibility are a bit different. Rather than striving for the flexibility of a dancer or gymnast, focus on having equal flexibility side to side (especially if you have a history of a previous injury). Flexibility that is not equal on both sides may be a risk factor for injury.
- **Focus on major muscle groups.** Concentrate your stretches on major muscle groups such as your calves, thighs, hips, lower back, neck and shoulders. Make sure that you stretch both sides.
- **Also stretch muscles and joints that you routinely use.**
- **Don't bounce.** Stretch in a smooth movement, without bouncing. Bouncing as you stretch can injure your muscle and actually contribute to muscle tightness.
- **Hold your stretch.** Breathe normally and hold each stretch for about 30 seconds; in problem areas, you may need to hold for around 60 seconds.
- **Don't aim for pain.** Expect to feel tension while you're

STRETCHING: FOCUS ON FLEXIBILITY cont'd from page 45

stretching, not pain. If it hurts, you've pushed too far. Back off to the point where you don't feel any pain, then hold the stretch.

- Make stretches sport specific. Some evidence suggests that it's helpful to do stretches involving the muscles used most in your sport or activity. If you play soccer, for instance, stretch your hamstrings as you're more vulnerable to hamstring strains. So opt for stretches that help your hamstrings.
- Keep up with your stretching. Stretching can be time-consuming. But you can achieve the most benefits by stretching regularly, at least two to three times a week.
- Skipping regular stretching means you risk losing the potential benefits. For instance, if stretching helped you increase your range of motion, your range of motion may decrease again if you stop stretching.
- Bring movement into your stretching. Gentle movements, such as those in tai chi or yoga, can help you be more flexible in specific movements. These types of exercises can also help reduce falls in seniors.

Remember the "dynamic warmup:" If you're going to perform a specific activity, such as a kick in martial arts or kicking a soccer ball, start out slowly and at low intensity to get your muscles used to it. Then speed up gradually.

Know when to exercise caution.

You might need to approach stretching with caution. If you have a chronic condition or an injury, you might need to adjust your stretching techniques. For example, if you already have a strained muscle, stretching it may cause further harm.

Remember that stretching doesn't mean you can't get injured. Stretching, for instance, won't prevent an overuse injury. Talk to your doctor or physical therapist about the most appropriate way to stretch if you have any health concerns.

PING PONG PICKLEBALL BOWLING

PLEASE READ THROUGH to the END.

By Francine 727-868-5152

Ping Pong....a.k.a. Table Tennis

I do not usually make calls regarding ping pong to those who have shown an interest in this great workout, nor do I always send out an email. **Please refer to the Ping Pong schedule listed in the HP Monthly Calendar in the center of the Pines Newsletter.** It is usually accurate. If you have any doubts about whether we are playing or not PLEASE don't hesitate to call me at home the day or evening before scheduled play. **We are generally set to play on Thursday mornings at 10:30 a.m. in the PAC.**

Pickle Ball

I have played at Christian Church in the Wildwood approximately 1 1/2 mile past SR50 on US 19 at 10051 Country Rd., Weekie Wachee, Fl. 352-596-1388. You can play there on Mondays and Fridays from 8:00 a.m. to 12:00 p.m. You need not be there at exactly 8:00 but can arrive anytime thereafter. I have also played at Veterans Memorial Park at 14333 Hicks Rd. 727-861-3033. Play there is Monday and Wednesday's at 9:30 a.m. -12:00 p.m.

Bowling

Loretta Fulda has been wonderful and sends out a notification to those at HP that are interested in FUN bowling at Spring Hill Lanes on the **second and fourth Saturdays** of the month. Please call Loretta to be added to her notification list.

Spring Hill Lanes charges \$2 a game and free shoe rental for HP residents, friends and family members on the **second and fourth Saturdays** of the month. Arrive approximately 6:40 p.m. for 7:00 p.m. start.

ANGELS IN THE PINES

The Angels in the Pines are proud to announce that we are now a 501(c)3 Organization. Any donations made to The Angels In The Pines will now be tax deductible on your IRS Income Tax under Charitable Donations.

For those of you who don't know "The Angels" knit, crochet or loom hats, make scarves from warm fleece and purchase gloves to distribute to elementary school children. We also make hats and lap blankets for the veterans, hats for cancer patients and miscellaneous items for other needy organizations.,

The Angels meet in the Craft Room every Sunday around 1:00 p.m. until 3:30 p.m. For more information to join this charitable group stop by the Craft Room on Sunday or call Geri Brousseau, 727-861-2224.

Your donations to the Angels In The Pines will help purchase much needed supplies for their projects. You will receive an IRS approved receipt for your donation.

ROMEO Upcoming Events

June 30th: ROMEO Breakfast Meeting (Members Only).

This breakfast buffet will be set up and ready to go at 9 a.m. We will begin our monthly meeting when breakfast is finished and introduce and induct any new members at that time.

July 21st: ROMEO Dance in Clubhouse PAC Room. This Friday night dance will start at 6:30 p.m. and end at 9:30 p.m. The All Shook Up band with lead singer, Archie, will be entertaining us. There will be numerous cold and hot appetizers and a cash bar. The cost is only \$15 per person and tickets can be purchased by all Heritage Pines residents at the front desk on Wednesday May 17th. (See page 24 of this newsletter.)

August 24th: Rays Baseball Game at Tropicana Field

(Couples Event). The ROMEO Club is planning an outing at Tropicana Field on August 24th to see the Tampa Bay Rays play the Toronto Blue Jays in a Thursday matinee game that starts at 1:10 p.m. The stadium seats are in the Press level, which is directly behind home plate. The cost is \$ 35 per person and includes the cost of the game tickets and the bus transportation. The bus leaves from the Clubhouse at 9:30 a.m. There are only 56 seats on the bus and they usually fill up quickly; so, if you want to go, you will need to purchase your tickets as soon as you can. The tickets were available for purchase beginning on April 15th. Just call Phil Flynn at 727-378-9884 or Skip Scott at 610-996-7368. Make your checks out to the H. P. ROMEO Club.

Fall Events

September 24th: ROMEO Luncheon and Sightseeing

Cruise (Open to all residents): This event is being managed by Phil Flynn 727-378-3884. We are currently in the planning stages for another one of our very popular luncheon and sightseeing cruises. Since we had so many events in the first six months of the new year, we have decided to schedule our annual sightseeing cruise luncheon in the fall this year. This cruise will originate out of Clearwater on the yacht named Sensation. It will include an upscale plated lunch or lunch buffet. Ticket holders will travel to Clearwater on a bus that seats at least 53. Music for dancing will be provided by the ROMEO Club. Tickets go on sale Wednesday June 28th.

Saturday, October 14th: Annual ROMEO Picnic

at Heritage Pines (open to all H.P. residents). This event is being managed by Don Galloway, Mary Sacher and Jeff Mariano. It is now being moved into the October timeframe since the contractor was very late in starting construction on the new pavilion. The picnic will run from 11 a.m to 4 p.m. in the new Heritage Pines Pavilion. Early arrivers will be treated to either regular or decaf Dunkin Donuts coffee and donuts. The Clubhouse will be providing a large lunch buffet. Meal service will begin at 12:30 p.m. and includes free sodas or water provided by the Club. Cost per ticket is only \$15 per person. 50/50 Raffle tickets can be purchased at entry and the lead vocalist (Archie) of the All Shook Up band will be playing throughout the event. Tickets can be purchased at the front desk

of the Clubhouse beginning on Wednesday, September 6th.

November 5th: Turkey Trot Dinner/Dance: The reason we are including this is that we had to set the date now to ensure we get the PAC room since things fill up fast around the holidays. So, since this is our most significant event of the year, please mark your calendars now for Sunday, November 5th, starting at 5 p.m.

ROMEO Club Recently Completed Events

May 26th, ROMEO FREE Breakfast Meeting for May (Couples Event). Breakfast line servings started at 9 a.m. and our monthly meeting began after everyone had finished. We had three new members inducted into the club this month, as follows: Charles Kehoe, Alan Knaust and Frank Murray. Each of them gave a short talk about themselves and they all received their ROMEO hats and shirts. This gives us a total of 213 ROMEO members. Our speaker this month was Ryan Golinski from Florida Tax Advisors and KMS Financial Services. Ryan gave a presentation on Estate Planning. The organizations Ryan represents paid for everyones breakfast.

Sunshine Committee

Our Sunshine Committee is responsible for sending out condolence and get well cards. We sent out a total of three get well cards this month. We hope all our members will keep us posted when they know of any ROMEO member or ROMEO relative that should be receiving a card. Send your info to our ROMEO Secretary (Skip Scott) frog44@gmail.com.

Do you have friends interested in joining our club? Have them call: Mike Miller at 727-869-3959 or Al Sacher at 727-862-0123 or you can just send Mike an email at mmiller3452@tampabay.rr.com.

The Food and Wine Club members continue their adventures with an International wines, spirits

and cordials tasting on May 11 at the ABC Fine Wines and Spirits in Hudson. Eight members attended this very tasty event. Here are a few of the favorites we recommend:

Hayes Valley Chardonnay, Oregon ~ \$10.99

Nieto Benjamin Malbec, Argentina ~ \$9.99

Moet Imperial Rosé, France ~ \$57.99

The “The Keepers of the Cork” have done a good job of reporting back with more travel adventures to the beach and California restaurants. It seems to be having more fun than some of us left here at home.

Check out their adventures on our Facebook page.

Our June event will be a fine dining experience at Dolcet in New Port Richey. Anyone wanting to join us let Hope know.

Our July 20th event will be at 4:00 p.m. at the Clubhouse with a Spanish Wine and Tapas Tasting featuring a demonstration by

GENEALOGY CLUB

It's been said that "If we believe in the Bible, we're all related anyway". That may be true, but how closely we are related can be found in our DNA. Last year, I submitted my DNA to Ancestry.com to help verify my family tree research, and it matched quite well. The Ancestry DNA test reveals your ethnicities, even going back a thousand years or so! I am 42% Western Europe, 26% Irish, and 32% "Other", which includes Scandinavia, Great Britain, Italy, Greece and Spain. Western Europe includes: Belgium, France, Germany, Netherlands, Switzerland, Luxembourg, Liechtenstein, England, Denmark, Italy, Slovenia, Czech Republic.

This year, my husband, Larry, did a DNA test and we just got the results. During the six-week period we waited for the tests to be run, I discovered that both Larry and I had recent ancestors by the surname of "Smith", who lived less than 100 miles apart in New York. I began to wonder if his DNA results would indicate that I had, in fact, married my cousin! If so, we both would have descended from Smith relatives in the 1800's New York.

We were expecting a high percentage of Spanish, since Larry's mother's line descends from the Villars, who helped to found Pensacola, Florida. However, he was 64% Western Europe, 12% Irish, 9% Great Britain, and only 5% Spain! In addition, he is 4% European Jewish and a dab of Asian! I haven't figured that one out yet.

And, finally, it appears his Smiths and my Smiths did not get together, as it does not list me as his cousin. Whew! Genealogy is a very enjoyable hobby! And sometimes scary. Please join us for our Genealogy gab sessions in the Magnolia Room, second Saturday of each month, 1:30-3:30 p.m. For more information, email Sherry Churchill at sherryc@tampabay.rr.com.

BRIDGE GROUPS

By Judy Kortier

There are several opportunities to play bridge every week at Heritage Pines. The various bridge groups and their times of play are listed below. You are welcome to join as many groups as you desire. If you have a question about the groups, please call Judy Kortier at 819-2008.

Duplicate Bridge

Duplicate bridge is played on Wednesday afternoons at 12:30 p.m. in the Magnolia Room. For more information or to participate, please contact one of the Wednesday duplicate bridge coordinators at Joy Stefany at 868-8521 or Royann Doak at 863-6652.

H.P. Partnership Bridge Club

On Tuesday evenings, the partnership bridge club meets at 6:00 p.m. in the Craft Room. Members play with the same partner for the entire evening. Rounds of six or eight hands are played. Please call Lou Gutfleish at 697-0203 to sign-up with your partner.

Party Bridge

Party bridge is played every week at the following times:

Monday evening, 6:00 p.m. in the Craft Room

Wednesday afternoon, 12:30 p.m. in the Magnolia Room

To participate, please contact the appropriate coordinator:

Monday evening: Cecelia McDonnell, 868-0838

Wednesday afternoon: Betty McLaughlin, 863-9462

ACBL Games

American Contract Bridge League games to earn masterpoints are available to Heritage Pines residents at the Nature Coast Bridge Club in Spring Hill. Fee based lessons from beginner to advanced skill levels are also available. For more information, please call Judy Kortier at 819-2008.

FRIENDLY QUILTERS

The Heritage Pines Friendly Quilters are taking a "summer break" and not meeting during the months of June, July and August. Our next regularly scheduled meeting will be on the second Friday in September, which is September 8th from noon until 3 p.m.

That's the beginning of our regular schedule, which is second and fourth Fridays of the month from noon to 3 p.m. in the Craft Room.

Remember, we are always looking for people who want to have a good time, while sharpening their quilting skills.

We're making plans for more fun projects in the future and would love for you to join us. One of the projects we are planning on is learning the Tumbling Block. The tool to make it is \$14.95 plus tax. We hope we can get Genie Bets to teach the class.

Before we choose a date, we'd like to know who would be interested in signing up for it.

We also want to start making some field trips to local shops. If you are interested or have any questions, please call Faye Philie at (727) 697-0505.

SINGING OPPORTUNITIES

Joanne Florin and Paul Mattes have teamed up to bring you great opportunities to sing. We have the Conference Room from 3 p.m. to 5 p.m. on Thursdays (now every Thursday). Joanne has singers from 3 to 4 and is doing American standards which include some show tunes. Men and women are welcome. At 4, Paul is putting together a musical review based on the careers of Rogers and Hammerstein. We call the

group a show choir. The review will have some small skits and several great songs, with solos and duets in addition to big group numbers. As a performance date is not yet set, there is plenty of time to join in; catching up will not be difficult. Joanne and Paul will gladly provide help. Joanne and Paul are at both sessions. So come and join one of these, or both.

TOYMAKERS

The ToyMakers at Heritage Pines meet in the Craft Room every Monday from 11:00 a.m. until 2:00 p.m. and Thursday Evenings from 6:00 p.m. until 8:30 p.m. Men and women are both welcome. We are both a charitable and social group and many of our group enjoy lunch at 2:00 p.m. at the Fireside. We also celebrate birthdays each month in the Craft Room with delicious homemade cakes.

The HP ToyMakers cut the wood in the Wood Shop and then the toys are brought to the Craft Room where we sand, paint, detail and attach wheels to the cute, safe toys.

The Angels in the Pines and The ToyMakers works together to bring joy to the young Pasco County School children from grades pre K to second grade plus other organizations. The Angels knit, crochet or loom hats and scarfs are cut from warm fleece and we purchase gloves. The hat sets and the toys are distributed to the school children before the holiday break.

For more information, call Phyllis Matheson at 727-861-5546 or Vicki Hoffman at 727-378-6800. The Angels in the Pines and The ToyMakers are both 502(c) (3) charitable organizations.

HERITAGE PINES SOFTBALL

We had four practices for the month of May. All practices were held once a week every Friday at 9:30 a.m. as follows: May 5th, May 12th, May 19th and May 26th. Everyone had at least 20 hits per batting session or a total of 40 hits each per practice (two hitting sessions per practice). We had an average of 14 players turnout for each practice.

Here is the picture of the 13 players that were in attendance for the initial practice of the month on May 5th. See picture below:

Top Row: Paul Katzenbach, Tony Chivallati, Don Weller. *Middle Row:* JR Lambert, Frank DeRoachment, Jim Pate, Jeff Mariano, CB King, Frank Trigona. *Bottom Row:* Jessica Azarelo (She is visiting H.P. and is a second cousin to Bob Castelli), Kevin McCrystal and Al Grosso.

(We wish we could have more ladies attend our practices like in the past. Others who have attended past practices were Christine Grosso, Keri Childress, Debbie Benson, Linda Mariano and Mary Sacher.)

Missing from the picture: Bob Castelli * Photographer

During the May 5th practice, each player hit two rounds of 20 hits each for a total of 40 hits which was the most hits given/taken by players for any of our previous practices. Usually players get a total of 30 hits per practice.

Several of our players have returned to their homes up north. The following regular players have returned to their northern homes: Frank Adamouski (Virginia), Bob Ceurvels (Boston), Roger Huff (Ohio), Mike Mangini (Upstate New York), Rich Mariotti (New York state) and Russ Ruswick (Michigan). Carl Benson (Seattle) will also be going north soon. Therefore, during the summer months we can only expect a maximum of a dozen players to show up at our summer practices until those listed above return in the fall (September).

Here is the schedule of practices for the month of June: June 2nd, June 9th, June 16, June 23rd and June 30th. We always look forward to seeing all our players every Friday and encourage and welcome new players to join up with us. Anyone in Heritage Pines who is interested in playing softball can just come to any one of our practices at Memorial Field off Little Road on New York Avenue, and we will include you on our future mailing lists. All practices start at 9:30 a.m. on Friday.

TAI CHI CLASSES

By Rich Cunha, 857-3044, taichienvirorich@gmail.com

Tai Chi – Beginner - Tuesday at 8:30 a.m. in PAC
Advanced / Qigong – Thursday at 8:15 a.m. in PAC

Summer Schedule

Please note the revised schedule above for the summer months. Tuesday will remain the same as a Beginner Class (although it is really more of an Intermediate Class now, since we are more than half way through the form). And, yes we will continue to proceed throughout the summer for those of you that are year round residents. Saturday morning classes will be suspended from June 1 to October 1.

Thursday morning class will become a combination of the usual Thursday, Advanced Class and the Saturday, Qigong Class, and we will be starting 15 minutes earlier at 8:15, to allow a little more time to fit in Qigong and the Tai Chi form. I hope to unite the best of the Thursday Advanced class and the Saturday Qigong class, with some new things thrown in to keep it interesting. All are encouraged to attend the Thursday class, regardless of your progress with Tai Chi (or even if you have never attended a Tai Chi class). I promise to make it interesting for all.

We also had a wonderful World Tai Chi and Qigong Day celebration in Gazebo Park on April 29th. The weather was perfect and the energy was fantastic! See the picture below.

WALK AEROBICS

By Roseann Andare, 727-233-2257

Want to get in shape, have fun and meet your neighbors? Then try Walk Aerobics. We meet Monday through Saturday at 9:30 a.m. in the PAC room. By the end of the week you will have worked up a good sweat and logged 18 1/2 miles. We work out to Leslie Sansone DVD's. For those who know Leslie Sansone, and those who don't, there are four basic steps. No dancing or fancy steps involved! You walk (or jog) to the beat to get your steps in. Each day is different. So grab some water and join us for some fun.

VILLAGE ATTIC

The village attic is maintained by residents within our community. Your neighbor's store items to lend when company comes into town. The list can be found on the Heritage Pines web site under social, as well as in the binder in the library. Please contact the person on the list and make the necessary arrangements. Any questions, please contact Betty Plante 863-8462 or Marcia Gerber 819-1662.

PINES MEADOW VILLAGE

We will be taking a summer break for the months of June, July and August. See you September 15th in the Magnolia Room. Watch for details! Have a great summer!

PINES GLEN VILLAGE

By Bob and Deb Tribbey

Thought everyone might enjoy seeing "mama" Screech Owl---photo on right. She's been in the nest box for a couple months. On May 9th, "baby" Screech Owl came out to see the world---photo on left. It hasn't fledged yet. Mama is about six inches tall, weighs five ounces, and makes a sound like the whinny of a horse.

How To Solve

Sudoku Puzzles:

To solve a Sudoku, you only need logic and patience. No math is required.

Simply make sure that each 3x3 square region has a number 1 through 9 with only one occurrence of each number.

Each column and row of the large grid must have only one instance of the numbers 1 through 9.

The difficulty on this puzzle is easy.

The Lighter Side: Lost Weight

Having lost weight over the past few years, a lady was discarding things from her wardrobe that no longer fit.

Her seven-year-old niece was watching as she held up a huge pair of slacks.

"Wow," the lady said, "I must have worn these when I was 183."

Her niece looked puzzled, then asked, "How old are you now?"

My Father Wouldn't Like It

A clergyman walking down a country lane and sees a young farmer struggling to load hay back onto a cart after it fell off.

"You look hot, my son," said the cleric, "why don't you rest a moment, and I'll give you a hand."

"No thanks," said the young man, "My father wouldn't like it."

"Everyone is entitled to a break. Come and have a drink of water."

Again the young man protested that his father would be upset. The clergyman said, "Your father must be a slave driver. Tell me where I can find him and I'll give him a piece of my mind!"

"Well," replied the young farmer, "he's under the hay."

BioSpine Welcomes Most Major Insurance Including Medicare & Blue Cross Blue Shield

Nationally Recognized Minimally Invasive Spine Surgery

James J. Ronzo D.O. Frank S. Bono. D.O.

There is a revolution in back surgery.

Our highly trained surgeons use a tiny 3/4" incision to perform pain relieving, life improving back surgery. A smaller incision means less pain, less scarring, and a much faster recovery, so you can get back to being you.

Sometimes in as **little as 3 days.**

Conveniently located on Mariner Blvd. just one block south of Cortez Blvd.
