MARCH 2010

 **Message From The G.M.** 

We have placed the Clubhouse Renovation Project on a temporary hold because the Board of Directors wanted some additional time to consider two expansion projects.

First, we have an opportunity to add some bathrooms to the Billiard/Craft Room end of the clubhouse, office space for the staff and a conference room that would assist in eliminating the closing of the Magnolia, Craft, Wood Shop and PAC for meetings. Second, in our Long Range Plan Survey, updating the Fitness Center was one of the highest priorities, so we have a plan to upgrade all of the equipment and make it 40% larger.

Doing this expansion during the renovation project will save the association \$150,000. The Board and Management are exploring ways to fund this expansion project. We had a good month financially in January, all departments were better than budget.

As always, if I can be of assistance, do not hesitate to call.

Heritage Pines State of the Association Report

January 29, 2010

This periodic report is meant to keep residents informed about various aspects of their community and to help improve communications between the Heritage Pines Board of Directors (the Board) and residents.

The Board would like to acknowledge the outstanding work of our General Manager, the Department Managers, and Staff in achieving the excellent operational and financial results that are demonstrated in this State of the Association Report for 2009. In addition, the Board wants to thank the contract workers, committees and other volunteers for all their help during the year.

Board of Directors

The Board, with significant help from all of those individuals mentioned above, accomplished much over the last year including the following:

- Established Goals and Objectives for itself and the General Manager
- Conducted a formal evaluation of the General Manager's performance for 2009
- Finalized a settlement with Lennar
- Approved a major maintenance and repair program for the clubhouse and other facilities that will begin in the next few months
- Improved the Association's financial condition
- Conducted resident forums to afford residents an opportunity to discuss issues and board agenda items
- Developed proposed changes to the Association's By Laws and Master Declaration
- Created a Board policy manual which includes a new communication policy and a new payment policy document
- Approved changes to the Association's Rules and Regulations
- Re-organized committees into operating committees that will fall under the direction of the General Manager, and Board committees which will serve under the direction of the Board and,
- Established a Board Policy and Administration Committee and a Elections/Nominating committee

The makeup of the Board will change this year as it does every year. New goals and objectives will be established for 2010 to help the Board focus its energies on the more important issues facing the Association.

Settlement with Lennar

As announced to all residents early last month, the

Association reached a settlement with Lennar and signed a general release document dated November 30, 2009. The Board concluded this settlement was in the best interests of the Association because of a) the risks associated with proceeding to a final arbitration hearing which was scheduled for three weeks beginning in May, 2010 and b) the substantial amount of expenses expected to be incurred by the Association in connection with continuing the arbitration process.

The Arbitration Panel had already issued several preliminary rulings which, in the Board's view, were unfavorable to the Association. The Board was concerned both with the impact of the rulings and the Panel's receptiveness to the Association's case as a whole. Ultimately, the Board determined the risk/reward ratio for proceeding with arbitration was not in the Association's favor.

The tri-party agreement between Lennar, Heritage Pines Community Association, and the village associations for the construction of irrigation wells in the villages is not affected by the general release document mentioned above.

Major Maintenance and Repair Program for the Clubhouse and other Facilities

The Board has approved a major maintenance and repair program for the Clubhouse and other facilities. The program will start within the next few months. An updated engineering report received by the Association last year identified needed repairs for the clubhouse roof, siding, windows, doors and frames, port cachere, trellis and the gatehouse and pool house roofs.

In addition, the Association will be upgrading selected furniture and fixtures, repairing some of the roads, village entry signs, and irrigation systems, replacing three air conditioning units, improving the tennis court area, and performing other routine maintenance in the Clubhouse and on the common grounds. All of this was communicated to residents last year as part of the 2010 budget package. The cost of the projects will be funded from the Association's reserve fund.

Some of the major projects completed last year included: the renovation of the pump house by hole #5, the installation of a back up well, sidewalk repairs, a new billiard room air conditioning unit, new stage curtains in the PAC room, and a new grease recovery system for the restaurant.

Finances

For the year ended December 31, 2009, the Association had net income (revenue in excess of expenses) of \$206,999 which was \$206,999 better than budget and \$101,385 better than last year. The Association's total cash

balance as of December 31, 2009 was \$2,303,413 including the \$490,000 cash received in connection with the Lennar settlement.

Revenue for the year of \$4,199,222 was \$52,985 less than budget.

Excluding capital expenditures and transition expenses, operating expenses of \$3,684,635 were \$441,072 less than budget.

All departmental expenses were under budget for 2009.

Operating expenses for 2009 were not only less than budget, they were also lower than the 2008 spending levels by 7%.

Capital expenditures of \$99,731 were over budget by \$74,731. Transition expenses (arbitration related expenses) of \$207,857 were over budget by \$105,332.

The Association's ending fund balance (assets minus liabilities) as of December 31, 2009 has increased by more than \$2.6 million from 2008. The increase is due mostly to the elimination of the Association's debt to Lennar in accordance with the signing of the previously mentioned general release document and increases in reserve fund assets.

All of the above results are unaudited. The audited financial statements are expected to be available in April, 2010.

The Association's unaudited quarterly and annual financial results for 2009 have been posted to the web site for all residents to view.

Food and Beverage

The Food and Beverage (F&B) financial results for the year 2009 are \$26,394 better than budget and \$80,356 better than 2008. In addition, the F&B financial results for the Association are significantly better than other similar associations in southwest Florida. The improvement over last year, the positive variances to budget this year and the favorable comparisons to other similar associations are a result of hard work and effort of the F&B management team and staff. The lunches and dinners have been well attended each week and, in season, they are usually sold out. The special holiday events are all well attended. Outside revenue events for the year totaled \$144,436. Profits from outside events help to keep assessment increases to a minimum.

Golf

Golf financial results for the year 2009 are \$34,093 better than budget and \$42,554 better than last year. The improvement over last year and the positive variances to budget this year are a result of hard work and effort on the part of the pro shop management and staff.

The renovation to the pump house on Hole #5 and the back up augmentation well project were completed last year. Valley Crest (golf course maintenance contractor) continues to maintain the golf course in excellent condition. Concrete pads were installed to allow for additional golf cart parking behind the clubhouse and adjacent to the driving range. A memorial tree fund has been established and new trees have been planted on the golf course paid for with contributions from residents.

Rules and Regulations and Other Official Documents

Changes to the Association's Rules and Regulations

document and to its Design Review Policy Manual were made last year. A new Board Policy and Administration Committee was approved to help keep all of the Association's documents up to date; recommend needed changes; and help the Board to ensure its actions are in compliance with all official documents.

Safety and Security

The General Manager worked with the Community Watch Committee to re-write the security protocols last year. The protocols were improved and training was given to all officers by Allegiance Security.

The purchase of a new security vehicle was approved last year by the Board. The vehicle was funded from a security reserve fund established in 2006. The Board also approved procedures to enforce speed limits within the community.

In 2009, the General Manager became Community Emergency Response Team (CERT) certified and a Co-Incident Commander on our Heritage Pines CERT. He and the facilities maintenance employees make up the Logistics Team and in a state of emergency will be here at Heritage Pines to protect the assets of our community during any emergency where CERT has been activated.

The Board approved the purchase and installation of security cameras. They will be located on the front drive, the rear cart parking area and one will be inside in the restaurant bar area. The cost of the cameras will be funded from the same previously mentioned security reserve fund.

Long Range Planning

To build on previous efforts, the Long-Range Planning Committee is proactively working on developing a long-range plan designed to provide a roadmap for the future of the community.

A survey was completed by residents last month. The results of the survey are currently being analyzed by the Long Range Planning Committee.

Earlier this month, the Board held a meeting with a long range planning facilitator and the Long Range Planning Committee to begin to become more actively involved in the process.

The Board will continue to fulfill its responsibilities to oversee all Association operations and looks forward to an outstanding year ahead.

Messages From The Management

Environmental Issues Committee

It has been a month and a few have questioned me on **Blue Bags**. What do you put in them and what day do they go out?

Good questions. I used to look at my neighbors and see what they do, but now I've learned that **Monday is paper day**. We recycle cardboard, boxes, cereal boxes, and all kitchen product boxes as well as newspaper. What you need to do is place all cardboard into one box or tie it up into a bundle. Or, put it in a paper grocery bag. Newspapers can go into a paper bag and left at the curb, too. But we have another option. You can bring your newspapers to the recycle area across from the Clubhouse. Our revenue for the newspaper recycling goes back to our community that way.

Now **Thursday is Blue Bag day**. We recycle the following items: aluminum cans, metal cans (food cans), #1 and #2 plastic and clear, green and brown glass bottles and jars. Please remove caps and/or lids. Please clean and rinse your items.

Blue bags may be purchased in supermarkets and super stores. All items may go into the same bag. Place the bag next to your trash can and they will be picked up properly. Remember all aluminum cans may also be brought to our recycle area and the revenue, again, will go back to our community.

At this time, I would like to acknowledge that our kitchen staff has taken on a recycling commitment and I will be reporting back at a later date on the process they are doing. Also, it came to my attention from a resident - **a water saving feature**. I couldn't believe how simple it was. When you run your shower water to warm up the water, save the run-off into a bucket and use it for your plants.

Keep up the good work and send me your questions and hints. Email Kathy Hendrickson at eoprtnuity@aol.com or call me 727-862-2394.

Library Computers

In an effort to keep the Library Computers safe, secure and operational for everyone's use, we ask that no one attempt to download or install programs on these computers. Please direct all inquires to the Front Office regarding programs or downloads you would like to have access to on these computers and we will have our Computer Maintenance Department determine its security level and whether or not it is safe to be included on the systems.

Thanking you in advance for your continued support and efforts to keep the Library Computers safe for all.

The Lifestyle Committee

The Lifestyle Committee has undergone some changes for 2010. The committee will be under the guidance of Bill Berthold instead of having a Board member as a liaison. The new committee is looking forward to its first meeting on Monday March 1st. Before the meetings start each month, residents are invited to offer comments and suggestions to the committee.

The Lifestyle Committee has established a new policy/procedure for buying tickets to popular events. For events that usually are sold out, such as the New Year's Eve Party and the Resident Holiday Party, there is a need to give out numbers to those individuals wishing to purchase tickets. The numbers will be given out the morning tickets go on sale around 8:45 a.m. Numbers will be distributed by a member of the Lifestyle Committee who is not attending the function. Residents will be allowed to only buy one table per event. Also, for theater style events individuals will only be allowed to buy ten seats per event. If you have any questions regarding this procedure, you may call Lynn Aigotti at 862-6404.

Food Drive

In conjunction with the Society of St. Vincent De Paul and Knights of Columbus

Resources, stockpiles, and shelves are drastically low this time of year, and the local food pantry helps over 900 families each month with free food to help supplement their budgets. With the economy struggling, especially in our area of Florida, the amount of needy families is on the rise. What we ask is that residents please bring any non-perishable food items up to the clubhouse starting March 1st through March 31st. Canned food items, non-perishable foods, toilet paper, paper towels, baby diapers, etc. Just about anything you think a homeless family would appreciate. Please drop all items in the blue barrel located in the main lobby.

And please accept our sincerest gratitude on behalf of our entire Society, Brotherhood, and each and every local family you will help!

THANK YOU!! THANK YOU!!

You deserve a medal! The Hadassah garage sale was a huge success, mainly due to all of you. We raised \$2,000 and it would have been greater if not for the rain on Saturday.

Our chapter has many great events to raise money for all our extraordinary projects, such as our fashion show on February 17th. If you are interested call Marcia Gerber at 819-1662, and our Mah Jongg Tournament here, on April 7th, call Barbara Kent at 869-1539.

Thank you again for all your help and I hope to see you at some other event. *Roberta Karp*

Niners' Ladies Golf

Since the Niners was founded with the purpose: “to develop the golfing interest of its members; to increase knowledge of rules, etiquette, sportsmanship, and tournament procedures; and to sponsor weekly ladies golf day tournaments and various social events” one of the out growths has been “giving back” to those in need and to organizations which request additional help whether it be in the form of goods, time, or monetary aid. The Niners are pleased to announce over \$500 was raised for the American Heart Association Go Red for Women Day held on February 2nd. A 'heartly' thank you to all those who contributed to help fight the number one cause of death for both men and women – heart disease. In addition, we have now formed a committee to look into other charitable needs in our immediate surrounding area.

The Niners' First Annual Ball was held on January 30th in the PAC. Seventy-five Niners participated in the event along with their guests and invited guests: Kevin Burnsworth, John Caruso, Bill Berthold, Tommy Land and their spouses bringing the total to 149. Cocktails and dinner were followed by a very lively evening of music provided by Vintage. This more formal event, with ladies dressed in cocktail length to formal gowns, and men wearing jackets and ties to tuxes, was a rousing success and is already on the calendar for 2011. We'd like to thank the HP staff for helping us make this a most enjoyable event.

The Niners are gearing up for their annual member/member tournament beginning on March 9th and ending March 16th. Some very entertaining surprises are planned for everyone's enjoyment. Mardi Gras is the theme and the big question is “WHO DAT”? The entry fee for this two week event is \$20.00 payable to HPNLGA. Checks are due March 2nd. So grab a partner and sign up. If you don't have any one in mind, sign-up anyway. We'll find you a partner.

Please remember to:

Tee off between and up to two club lengths behind the tee markers. Teeing off in the wrong area is a two stroke penalty. Once on the green, the person closest to the hole should remove the flag and the person who holes out first should be prepared to replace the flag on completion of the hole. When laying down the flag, make sure it is not in anyone's line or sight. Finally, if a ball is hit out of bounds (white stakes), the player is assessed a penalty stroke and distance. Replay your ball from where you originally hit the ball when it went OB.

Please remember to contact Geri Reinhold with regards to any individuals who may have “sunshine” needs.

Handicap Committee

The recently revised Handicap Committee has been organized and will be off-and-running at it's first meeting March 19. Many thanks to the departing members who worked so diligently to improve the committee; Nancy Suter, Lynn Lampe and Judy Kortier - their experience and help will be missed.

The Handicap Committee is now comprised of Nancy Beckwith, Kevin Burnsworth, Rhonda Gibson, Dick Kaufman, Barbara Tharp and Steve Vance. We will meet the third Friday, every other month (March, May, July, September, November). If you have any questions and/or suggestions, please contact one of the members.

Any golf club that utilizes the USGA Handicap System must appoint a Handicap Committee to ensure the integrity of each Handicap Index it issues. This committee must make certain the club members comply with the USGS Handicap System. These related duties are, but not limited to the following:

- Educate golfers about the USGA Handicap System
- Maintain and monitor players records
- Complete all duties and responsibilities required by the USGA Handicap System

Dick Kaufman - Chairperson

Reminders
If you have signed up to play in the Men's Club event on Wednesday, and you find out beforehand that you will not be able to play, please call the Pro Shop as soon as possible so that other arrangements can be made with pairings.
Please repair all ball marks, divots and adhere to the 90 degree rule. When filling divots with sand, step on the sand to compact it.

From Your Golf Advisory Committee

The Golf Advisory Committee is off to a new start under Operations. By this addition of the newsletter, we will have completed selection of the new committee.

Dick Kaufman is the new chair of the **Handicap Committee**. We look forward to some new and interesting information coming from this committee.

We are looking to re-vitalize the **Adopt-A-Hole Program** this year. Many of the golfers signed up to work on this program but somehow cracks developed and many of us fell through them!! Who better then Faye Wehner and Don Robach to Co-Chair the Adopt A Hole Program, fill in the cracks and pull us all back out there to help maintain the beautiful course that Tommy Land and all of Valley Crest have given us? You will hear more in the near future. You can certainly call Faye at 390-0904 or Don at 869-0235.

Speaking of Tommy Land and our beautiful golf course, Tommy wants to remind all of us to please fill our divots with sand and also step on them to pack it down a bit. Protects them from Hurricane winds you know!! Please do not replace the divot. The grass doesn't re-grow. Just slows down Valley Crest from seeing the hole left by your "great" shot!

We all can read the **NO PARKING** painted on the roadway in front of the bag drop. Apparently, we failed to tell our golf carts and cars. Please do not stop in front of the bag drop unless you are dropping off a bag in which case you'll only be there a minute and we will be able to see what you are doing, won't we?

The only golf carts allowed on the par three holes must be displaying a Handicap Flag. All other golf carts must stay on the cart path for the entire hole. No golf carts, even those with a Handicap Flag are suppose to be behind the green on ANY hole of our golf course. Come on golfers, a little exercise is good for us!!

Remember, One Way Traffic for all shotgun starts. Carts should enter by the bag drop and exit on the cart path going around the east side of the Clubhouse by the pool. Lets' all help prevent the congestion caused by two way cart traffic behind the Clubhouse.

Happy Golfing!!

In Memory of Mary Lou Wittig

Mary Lou Wittig passed away on February 1, 2010 in her home with her loving husband, Leon Wittig at her side. Mary Lou had been a member of the HPLGA since 2002 when she and Leon moved to Heritage Pines from Stuart, Florida. She was very active in the Ladies League winning Match Play in 2004 plus many other events. The Ladies League will be placing a memorial brick in her honor in the Memorial Garden. Mary Lou will be missed but not forgotten. Our sympathy and prayers go out to Leon and their families.

2nd Friday of the Month

March 12 – 7:00 p.m. – Craft Room

WHO ARE WE? We are a small group of local caregivers of family members.

WHY DO WE MEET? We meet to get acquainted with other caregivers in our HP community and outside our HP community who are experiencing similar caregiving challenges. We meet to support each other, discover we are not alone, get information and provide confidential assistance.

WHY DO I NEED A SOCIAL NETWORK? Taking care of yourself is one of the most important things you can do as a caregiver. A community support system is a key way to take care of yourself by seeking support from other caregivers. There is great strength in knowing you are not alone.

WE LOOK FORWARD TO MEETING YOU.

Village Attic

We are a group of residents that have items to loan out. The list has been updated and is kept in a folder located in the armoire at the Clubhouse. It is also listed on the HP web site. If interested in borrowing an item, just call the person listed and make your own arrangements. It's your responsibility to return the item timely and in clean condition. Call Betty Plante at 863-8462 or Marcia Gerber at 819-1662 for questions.

Drama Club

On March 19th, 20th and 21st the Heritage Pines Drama Club will be putting on our last production of the 2009-2010 season. The Play is "Said The Spider To The Spy". This is a fast moving highly entertaining comedy where confusion and mistaken identity will leave the audience laughing hysterically. The play is directed by Dudley Saunderson who as many of you know has both starred in and/or directed some of our best and funniest plays.

He is backed up by a marvelous cast that has been busy preparing to give you a great night's entertainment. Tickets are going fast, so come to the Clubhouse and grab a couple of tickets. The price remains eight dollars a ticket.

Secondly, we at the Drama Club would like to thank you, our friends and neighbors for your outstanding support again this year. We will begin looking at next year's plays shortly and will do our best to put on highly entertaining productions again next year.

Lastly, as promised a portion of the profits from "Caine Mutiny" will be sent to Wounded Warriors when we have our Board meeting on February 22nd. We will let you know what amount that will be as soon as possible.

Mah Jongg Club

Mini Tournament

We are going to have a mini tournament on March 4th. Hopefully by now everybody that wants to play, has already signed up for it. It will start at 9 a.m. sharp. You can start arriving by 8:15 a.m. We will be taking the first 24 people that have signed up. We will also keep a few names for standbys.

There is open Mah Jongg every Thursday afternoon at 1:00 p.m. in the Magnolia room. All residents are welcome. If not a member of the Mah Jongg Club, contact Lois Walsh at 862-0450 for membership. The dues are \$3 a year.

We will have new officers starting in April. Maria Miller will be our new president, Lorna Colton will be treasurer, and Bonnie Behling and Georgette Holland will share the secretary position. We still need a vice president so think about volunteering.

Finding Mah Jongg Players or a New Game

If you know how to play Mah Jongg and interested in being a sub or a regular player, please register in the Mah Jongg book. If enough people register, you can start your own game.

Mah Jongg Classes

Classes are free and open to both men and women. Join us and see if you like this game. Sign up in the Mah Jongg book. For information, call Marcia Gerber at 819-1662.

Mah Jongg on the Web

Mah Jongg pages are updated on the Heritage Pines website and members can find out what is happening under the social pages. Check it out.

2010 Mah Jongg Cards

The 2010 card order has been sent to National. HP, you were great in sending your order through Hadassah. The card donation from National added up to be a wonderful contribution benefitting numerous programs that help women and children. Thank you, Marcia.

Hadassah Mah Jongg Tournament

A Mah Jongg tournament benefitting Hadassah's "Children at Risk Program" and other extra ordinary projects is being held on Wednesday, April 7, 2010 from 9:00 a.m. to 3:30 p.m. Cost of \$36 includes morning brunch, prizes, and tournament play. If not interest in play, various levels of sponsorships are available with recognition at the function. For further information call Barbara at 727-869-1539 or email at kkent2@tampabay.rr.com.

Theatre Club

February and March are truly the theatre months for us at Heritage Pines. Over 225 residents were at Show Palace to see SEVEN BRIDES FOR SEVEN BROTHERS. Groups saw PAT COOPER, FRANKIE VALLI AND THE FOUR SEASONS, plus WICKED. We also attended the preview of the play GODSPELL, a musical based on the gospel according to St. Matthew. Knowing that some residents may want to see the show, I've booked it for Saturday matinee on April 17th. It will be at the Jaeb theatre of TBPAC and tickets are \$28.28 so sign up for these limited tickets.

REMINDER: When signing up for an away show, we need a \$25 deposit. If the show sells out, we will call for full payment, otherwise payment is due 30 days before the performance. All unsold tickets must be timely returned.

For our busy March schedule, we have groups going to see THE IRISH TENORS, RED HOT HOLLYWOOD, DIRTY ROTTEN SCOUNDRELS and CIRQUE ILLUMINATION. All show information regarding dates and prices can be found in the theatre book at the clubhouse.

The Show Palace schedule is done through May 2011. The increase to \$40.50 will start with the July 17th performance of RED, WHITE TUNA starring Matt McGee and Chandler Budd. If you've enjoyed their past antics add this show to your must see list. SWEET CHARITY on May 8th is still at the \$38.50 pricing.

The theatre book now has some interest sheets. I've put a hold on some tickets for the 2010/2011 season at TBPAC. I need to know if I've ordered enough as we like matinees and orchestra seats. Please check out the new schedule. Coming shows are: 9 TO 5 -THE MUSICAL, DREAMGIRLS, WHITE CHRISTMAS, BEAUTY AND THE BEAST, WEST SIDE STORY, SHREK, THE MUSICAL and HAIR. I believe the two shows that will be the biggest hits will be BILLY ELLIOT..THE MUSICAL in February, 2011 and the return of JERSEY BOYS in April, 2011. We will have a bus/dinner package available and set up a payment schedule, too. No contracts yet so pricing is not known.

Must say a SUPERCALAFRAGILISTICEXPIALIDOCIOUS plug for MARY POPPINS on May 29th. We have grandparents bringing the grandkids and we have great seats. Tickets are \$84.50 each and are almost sold out.

We close and thank our stand-by residents and all the volunteers. Please, if you can attend a show at a moment's notice, let me know. Questions, call: Marcia Gerber at 819-1662.

Heritage Pines Sportsman's Club

The next meeting of the Heritage Pines Sportsman's Club will be held on Thursday, March 11, 2010 at 11:00 a.m. in the Magnolia Room. Please note that this is the second Thursday of each month. All interested residents are invited to join us at the meeting and to learn about our many club outdoor activities. We are an active and growing club of 56 member couples.

On January 26, 2010 a memorial service for Thom Houk was officiated by our former Treasurer, the Rev. Frank Byrne. Thom's devoted wife Jenny and her mother Linda were there along with friends and members of the Sportsman's Club to hear the moving words of comfort offered.

The Sportsman's Club has run a very successful series of fishing trips. Roger Keplinger is organizing trips from Hudson Beach in groups of six. Roger is scheduling a trip for early March. As always, you don't have to be a club member to go with us. Call Roger Keplinger, (379-6571 or send email to: RKeplinger@tampabay.rr.com) if interested in a fun fishing trip.

The Sportsman's Club goes trap and skeet shooting now on Mondays and Thursdays (excluding the Club meeting day on the second Thursday) at the Silver Dollar Shooting Club in Odessa, FL. Once in a while we go north to Crystal River and shoot at the Robinson's Ranch range. Transportation is provided and we gather at 9:30 a.m. in the parking lot across from the Clubhouse to organize the carpools. If you don't own a gun and would like to try this sport, you can rent a gun at Silver Dollar for the day at a very reasonable rate. They are getting pretty good at breaking clay targets. We now have many members that have broken 25 out of 25 consecutive targets. One of the nice things that this group does is to enjoy a meal together after each shooting session. We also have six members that have shot Skeet. Skeet is a different game than Trap and requires a different set of shooting skills. We are looking to get more of that activity going. The Sportsman's Club Coordinator for Trap and Skeet shooting is Rich Ford at 857-3300.

Some of our pistol shooters go to the 2nd Amendment Club which is just around the corner on Highway 52 and to the West of Little Road. This club offers target shooting on the 2nd Saturday (combat targets) and the 3rd Saturday (stationary targets) of the month. In order to shoot you must be a member of the 2nd Amendment Club. As is done with the Trap/Skeet shooting group, pistol shooters meet in the parking lot across from the Clubhouse to set up carpools.

Pistol and Rifle Shooters also can go to Hernando

County Sportsman's Club which is on the left about 20 miles as you drive north on Highway 19. Shooting is done on Wednesdays where non-members pay on a pay-as-you-go basis. If you become a member of the Hernando Club you can shoot for lower cost. You should contact Bob Hunter at 863-9911 if you wish to go to the Hernando Club to do your shooting.

Bocce Ball competition within our club has been very active. Couples are welcome and are strongly urged to participate. We play Bocce each Tuesday at 9 a.m. We hope to organize teams once again to begin tournament play. Please contact Leon Silberman at 505-7134 for all upcoming news.

Our newest sport is Horseshoes. One pit has been completed and is ready for use. This is a Heritage Pines amenity open to all residents. We are proud that it has been the H.P Sportsman's Club that has led the campaign for creating this facility. The Horseshoe pit will benefit all HP residents that enjoy the sport.

We continue to explore archery as a new sport and have five members currently interested. We expect a group will be going to a range in Tarpon Springs in February. John Scarfi at 868-0640 is leading the effort to get this activity off the ground.

Calling all golfers, we have two chairmen who will be organizing the play. Please contact Bob Jarvis 697-1153 or Ron Tarantino 819-8134.

Our newest endeavor is canoeing and kayaking. Please contact Howard Stringer (819-8059) if interested. Howard and his lovely wife Lorna are novice kayak enthusiasts and have located a number of areas that are amenable to kayaking or canoeing. Activity will start as soon as weather allows.

We currently have a Trip to Key West planned. This will be on Tuesday, April 13 through Friday, April 16, 2010. This is a well planned event organized and coordinated by Helen Rubino at 863-8836. She has done a great job of setting it up. A schedule with details and a list of precise activities is available from her. She can email this to you if you have not already received a copy. All residents, families and friends are invited to join the group.

Please join us at our next meeting of the Heritage Pines Sportsman's Club and find out all about the outdoor fun we are all enjoying. After each monthly meeting many of us get together for food and good conversation at a local restaurant. For more information on the club contact our Secretary, Gail Martinsen at 863-3145.

American Sign Language

The current classes for American Sign Language will be ending in March.

This is to announce the scheduling of two new classes. These classes presented by the Deaf & Hard of Hearing Services of Florida, Inc. are an excellent opportunity for anyone suffering hearing loss or who have friends or relatives with hearing loss and you would like to learn this valuable means of communication. These courses are open to residents of Heritage Pines and friends who are non-residents.

The first course is: SIGNING FOR EVERYDAY LIVING. This will be presented on Tuesdays from 1:00 p.m to 3:00 p.m. in the Craft Room for a period of SIX WEEKS. There will be a minimum requirement of at least ten students for this course which will begin on March 30th and end on May 4th. There is NO FEE and NO TEXTBOOK CHARGE for this class.

The second course is a continuation of AMERICAN SIGN LANGUAGE 3 which is open to the current students who are completing ASL 2. Anyone with previous knowledge of the language is encouraged to contact the representative listed below to see if they would be interested in the course coverage. The FEE for this nine week course is \$50.00. This class is held on Fridays, in the Magnolia Room, and will run from March 19th through May 14th.

Both classes will be taught by Dr. Aynne Rosenberg, a very valuable and most interesting presenter of the language and deaf culture.

Please contact Kathleen Taylor at 863-0039 at your earliest convenience for more information and for registration.

Community Memorial Tree Fund

The Community Memorial Tree Fund provides the opportunity for our residents to purchase a tree in memory of a loved one or friend or to honor a person. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard, or in other areas of the community. The final placement of each tree will be approved by our golf course superintendent, Tommy Land. Trees will be planted during the months of March/April and October/November. Please plan your purchase during the preceding months. Finishing touches are being placed on a map showing the location of memorial trees. This map will be displayed in the clubhouse when it is completed. This project is being headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

Sponsored by the Golf Advisory Committee.

March 2010

Book Club

The Heritage Pines Book Club meets on the 4th Wednesday of each month. On **Wednesday, March 24**, we'll convene in the Magnolia Room at 10:30 a.m.

The featured book will be **Vanishing Acts** by **Jodi Picoult** – Fiction – The story of Delia Hopkins, an expert at finding missing persons. She is well known for search and rescue missions in rural New Hampshire, where she has led a life of comfort and contentment. But as the story evolves, old photographs and dreams begin triggering flashbacks about people and events she can't quite remember, things that seem somehow vaguely familiar yet disassociated from the life she thinks she knows. But just as she starts to question her father about her confusing recollections, he is arrested and charged with kidnapping her when she was only 4 years old. As the investigation and trial proceed, Delia's anguished life story gradually unfolds.

Following the discussion, members will adjourn to the Dining Room for lunch and more "book talk".

Everyone in the community is welcome, so please come and join our stimulating and insightful discussions. If anyone has any questions about the Book Club, please call Judith Chase at 862-4545. Happy reading!

Heritage Pines Democratic Club

4 – 6 p.m. in the Magnolia Room
Thursday, March 18, 2010

Spring is here, but not Health Care Reform. Come and talk about the real issues surrounding this major legislation. Also, what about that quote from Barack Obama: he would rather be a good one-term president than a mediocre two-term president? And finally, where did all the sink holes in Heritage Pines come from? Discussion topics that challenge the mind and raise the passions.

We invite and encourage all Heritage Pines Democrats to join us. Come see what we're all about!

RSVP: Paula Storch – 868-0113;

Oma Spain – 863-3962; Judith Chase – 862-4545;

Lynn Lindeman – 697-3052; Bob Sears – 861-1185

Never doubt that a small group of thoughtful citizens can change the world. Indeed it is the only thing that ever had - Margaret Mead

The Midwest Club will meet Thursday, March 18 and do a road trip to Bayport Inn for their Prime Rib night. Call Rhonda Gibson, 697-2432, to reserve a spot for you. Heritage Pines Massachusetts Club

Are you interested in joining a Massachusetts Club at Heritage Pines? All that is required is that you lived in Massachusetts at some time. Come to our first meeting on Friday, March 5th at 11:00 a.m. which will be held in the Magnolia Room at the Clubhouse. We will discuss objectives, elect officers, plan some events and first and most important meet fellow Heritage Pines residents from Massachusetts. We need a decent turnout for this club to continue so make sure you are there.

Heritage Pines Tennis Association

On February 3rd, a Fun Tournament was held for both men and women. Sixteen members participated using the four courts. Some of the fun games included sharing one racket between two people; using a soft practice tennis ball in the service area only, etc. Winners were:

Susan Wilkom • Margie Fuller • Carol Henningsen

Terry Wilkom • Chuck Peterson • Burr Lechevet

After presentation of the awards, a picnic was held for the first time on the new concrete slab. Kudos go to Paul Langevin, Joe Gorecki and Roland Delzangle for taking on the job of chef – grilling of hamburgers and hot dogs. Special thanks to Jerre Salmon and Terry Wilkom for arranging the use of a fire pit. Forty-nine members attended the affair.

The Championship Tournament will be held the first week of March. Results will be published in next month's The Pines article.

New members are always welcomed. Please contact Toni Arevalo – 819-3430 for women's tennis and Nick Marino – 863-2062 for men's tennis.

Quote of the Month:

What is the single most important quality in a tennis champion? I would have to say desire, staying in there and winning matches when you are not playing that well. - John McEnroe

Library News

Our library is maintained by volunteers from the H.P. Book Club. Any one interested in volunteering can call Jocelyn at 869-9461. We gratefully accept donations of POPULAR hard back books and GENTLY USED paperbacks. Fiction books are on the right hand wall in alphabetical order by author. Non-fiction books are on the left hand wall by subject category. Paperbacks are found in the lower four corners in alphabetical order by author. Leave donations and returns on the book cart. Since space is of a premium, we can only keep books of wide appeal. Paperbacks do not need to be returned. The library does not accept magazines, games, puzzles, technical books or other non-book items. We have Large Print books located on the shelf below the books on tapes and a shelf of Civil War books below that.

Michigan Club

Greetings to all of our Friends of Michigan (FOM). We had a fun time at Olive Garden in January and we had a great crowd. We are very sorry for the people that we had to turn away but Olive Garden would only allow us to have 25 people for lunch. Be sure and sign up early for the next event.

MARCH ACTIVITY. Mark your calendars for March 24 for 6:30 p.m., We will be having dinner at the OLD WORLD RESTAURANT, 8370 South Florida Avenue, Floral City, FL. This restaurant serves German and American food and comes highly recommended by some of our members.

It is a family restaurant with a variety of cuisines and spirits. We will be able to have a private room if we have 20 reservations. In order to meet our guarantee to the reservations, we must collect a \$5.00 check for singles or a \$10.00 check for couples deposit with your reservations. If you attend the dinner this check will be returned to you at the dinner, if you fail to attend the check will go into the FOM treasury.

CHECK: make the check out to Barbara Sachs and send or deliver to her at 11728 Wheatfield Loop (727-857-4725) NO LATER than March 19.

Directions: County Line Rd. East to US 41 North. Follow that to the restaurant. We recommend car pooling to make the drive more fun and to get to better know other Michigan people.

Tentative April plans: A boat ride, followed by dinner. Watch for details in the April newsletter. Thank you and hope to see you at Magdalena's for dinner

Hope to see you there, Donna Mooty

Ping Pong Players

Bet you never thought of Table Tennis/Ping-Pong as a work out. If you really want to stretch those muscles and limber up that spine and work those shoulders, abs, hips, and legs, come join us on Friday mornings at 10:00 a.m. and Tuesday evenings from 6:00 pm. in the PAC room. Paddles and balls are available at the front desk and setting up the tables is an easy go.

Please remember that you can use the ping-pong tables and equipment in the PAC room as long as no events, meetings etc. are taking place. AND YES, we know you haven't played in 20 hmmm? maybe 30 years. It's kinda like riding that bike. All levels of play are welcome. Look for the listing in our monthly calendar. Come have some fun and get those calories a burning!

PS - Don't forget to bring paper products (toilet tissue or paper towels) for Hope Ranch.

Investment Club

The next meeting of the Investment Club is on March 9, at 9:30 a.m. in the Restaurant. We are each planning to survey index ETFs (and mutual funds) that span the investment asset universe. For example, IFA.com shows a family of index mutual funds from DFA that does a pretty complete job of this. However, DFA funds are not directly available to retail customers, and some asset classes are not addressed. Further, these are all mutual funds; we are most interested in ETFs. So come to the meeting with ETF suggestions!

Tuesday Ladies' Bible Study

This month we will conclude the thrilling prophecies from the book of Daniel. Beth Moore leads the study through video. The chapters 10 through 12 will be unraveled for us as we dig deeper using work book assignments.

We invite all women of our community to join us on Tuesday mornings in the Magnolia Room at 9:00 a.m. for fellowship and study. Don't hesitate in coming even if you missed the beginning of this study, we welcome you. For additional information feel free to call Evie Clark at 868-3454 or Pat Hepler at 819-2355.

Friends of NY

We had a good meeting this month but we came up short on attendance. Our February dinner did not take place before this newsletter went to press, but I am sure it was enjoyed by all. We have planned a lot of activities for the coming months and hope we all can participate.

The next meeting is March 9 at 7 p.m. in the PAC room. As always, new members are always welcome. Any questions, please contact Pat Gardella 727-862-8393. Hope to see all the members there.

Chorus

The Heritage Pines Chorus will meet at 3:30 p.m. on Thursday, March 11 at the home of Diane Starkey, 18146 Nestlebranch. Please bring a chair if you can. Not a lawn chair, more like a folding chair. We will be in her living room and on her carpeting. We will have a rehearsal and planning session for the remainder of the year and see how things look for regrouping in the fall. If you have any questions call Director Joanne Florin, 863-5599. A big thank you to Diane Starkey for welcoming us.

Monday Ladies' Bible Study

The Monday Ladies' Bible Study meets at 9 a.m. in the Magnolia Room. Join us for a study of the Synoptic Gospels (Matthew, Mark and Luke), with the purpose of knowing Jesus better through his works and words. The book by Philip Yancey, "The Jesus I Never Knew", is being used as an outline for our study. The primary material needed for this study is a Bible. New members are always welcome to our non-denominational group and no previous Bible study is required. If you are interested in finding out more about us or this study, please e-mail Carole Hopkins at seacarole@springmail.com or call her at (727) 697-1664.

Pet of the Month

When our cat of 19 years passed away, our daughters thought we needed another one. They bought us a cute black and white cat from the West Virginia Humane Society for Christmas seven years ago. We couldn't think of a name so we just kept calling her Kitty, and the name stuck. She has her own way about her and loves being around

people...but beware! She will bite after you deliver a few loving strokes, a very sneaky technique she has developed.

She is a seasonal cat, but hates the trips back and forth from Heritage Pines to Virginia. She runs and hides whenever she sees the suitcases coming out. She knows that means a 15 hour drive confined to her cage. She is entertained here by a myriad of birds, snakes, geckos, squirrels, coyotes and her favorite, the sand hill crane.

Occasionally when we are gone, Veronica or Joannie come by and give her a lot of loving care. When we return, she turns her back to us. When she's hungry and her dish is empty, she will find you and give you a bite on the leg to get your attention.

In Memoriam...

Afterglow

I'd like the memory of me to be a happy one, I'd like to leave an afterglow of smiles when life is done. I'd like to leave an echo whispering softly down the ways, of happy times and laughing times and bright and sunny days. I'd like the tears of those who grieve, to dry before the sun of happy memories that I leave behind when day is done.--Helen Lowrie Marshall

MaryLou Whittig – Pines Glen Village

Florida in February

What's not to love about Florida in February? It is time for my annual pilgrimage to the land of warmth and sunshine. My sister lives in Florida which affords me the perfect opportunity to visit. One of many pleasures is to take long and leisurely walks. A spot I like to frequent is an observation deck looking out over a marsh. There are so many things to see if you stand still and let nature move around you. I was entertained by a variety of performers. Red-winged blackbirds flew in and out of tall marsh grasses. Two sand hill cranes sauntered by, perhaps on their daily walk. Other smaller birds danced on water lilies, while ducks dove in and out of the water. Above me, four vultures were treating me to a show of their aeronautical prowess by sweeping and gliding on warm, gentle breezes. Looking out at the marsh, I breathe in deeply, infusing the warm air into every pore.

It is the first warm day since a prolonged cold spell turned both turf and palm trees brown. It doesn't diminish, however, the restorative power that nourishes and heals my northern soul.
