When the opposing candidate's campaign manager (Paul Giamatti) offers Stephen a job on his staff, Stephen neglects to inform his boss (Philip Seymour Hoffman). Just as that omission is revealed, Stephen uncovers a dirty personal secret that could sink Morris' political career. *The Ides of March* screened at the 2011 Toronto International Film Festival.

Having spent his career chasing Cassius, Shepherdson is convinced his nemesis is long dead, but is pushed to take on the case by his former supervisor, Tom Highland (Martin Sheen). Meanwhile, Agent Geary, who wrote his Master's thesis on Shepherdson's pursuit of the Soviet killer, is certain that Cassius has resurfaced. As Shepherdson and Geary work their way through crimes both past and present, they discover that Cassius may not be the person they always thought him to be, forcing both to re-examine everything and everyone around them.

## *The Rum Diary*

(2011) R

Based on the debut novel by Hunter S. Thompson, *'The Rum Diary'* tells the increasingly unhinged story of itinerant journalist Paul Kemp (Johnny Depp). Tiring of the noise and madness of New York and the crushing conventions of late

Eisenhower-era America, Kemp travels to the pristine island of Puerto Rico to write for a local newspaper, *The San Juan Star*, run by downtrodden editor Lotterman (Richard Jenkins). Adopting the rum-soaked life of the island, Paul soon becomes obsessed with Chenault (Amber Heard), the wildly attractive Connecticut-born fiancée of Sanderson (Aaron Eckhart). Sanderson, a businessman involved in shady property development deals, is one of a growing number of American entrepreneurs who are determined to convert Puerto Rico into a capitalist paradise in service of the wealthy. When Kemp is recruited by Sanderson to write favorably about his latest unsavory scheme, the journalist is presented with a choice: to use his words for the corrupt businessmen's financial benefit, or use them to take the bastards down.

**Starring:** Johnny Depp, Aaron Eckhart, Amber Heard, Richard Jenkins, Giovanni Ribisi

**Director(s):** Bruce Robinson

**Genre(s):** Drama, Crime and Mystery

**Thursday, March 29<sup>th</sup>**

Joseph Gordon-Levitt and Seth Rogen star as best friends whose lives are changed by a cancer diagnosis in this new comedy directed by Jonathan Levine from a script by Will Reiser. *'50/50'* is the story of a guy's transformative and, yes, sometimes funny journey to health -- drawing its emotional core from Will Reiser's own experience with cancer and reminding us that friendship and love, no matter what bizarre turns they take, are the greatest healers.

**Starring:** Joseph Gordon-Levitt, Seth Rogen, Anna Kendrick, Bryce Dallas Howard, Anjelica Huston

**Director(s):** Jonathan Levine

**Genre(s):** Comedy, Drama

### Update From Your BOD

The General Manager Search Committee has appointed Beth Barnetson as the chairperson and they are holding meetings once or twice a week. The job description has been written along with the advertisement for the position. Committee members are also researching salaries in communities which are similar to Heritage Pines. The core committee will meet with the Board to obtain their approval for the revised job description and advertising plan shortly after the election. We will then begin advertising in a variety of media.

Gary Wind held a workshop to outline the plans and the timeline for the kitchen renovation and expansion. The Food and Beverage Department already has commitments for this summer, so the recommendation was for the kitchen to be completed during the summer of 2013.

The Golf Advisory Committee met with Kevin Burnsworth and the associates of Ron Garl, the original designer of our golf course. The committee has received recommendations from them about where they believe improvements should be made to the golf course. The committee now has to decide how many of these modifications are feasible to change. This will be a combined effort between the Board, the Golf Advisory Committee, and also the Finance and Reserve Committees.

Your new Board has been elected. Please give them your encouragement and show your support by volunteering for a committee or two.

Linda McCann, Board Secretary

### From the HPCA Accounting Department

To avoid confusion, please make note of the following:

Our Jonas Accounting Software tracks your monthly HOA fees separately from your Club Charges.

Please remember not to combine these fees on the same check when paying. If for any reason you are making a partial payment on either account, please reference "HOA or Club Charge" in the memo section of check. Please make sure you include your HPCA account number on all payments.

And finally, please make sure you always have your Club Charge Card when making charges at the Clubhouse.

### Environmental Issues Committee

#### Blue Bag Recycling Increases. Recycling Makes Money for Heritage Pines

Congratulations to those residents who have started to participate in curbside recycling. According to our trash hauler, Waste Services, the percentage of households that are recycling via blue bags has increased from 19% in November to 24% in January. Although that may not seem like much, it is a significant increase. Please talk with your neighbors and let's see if we can get that number even higher. Blue bag recycling means less trash sent to the incinerator and less harm done to our environment. Pasco County sorts and then sells the recyclables creating revenue for the county. Increased county revenue helps to keep taxes from rising.

Our other recycling programs bring revenue directly into Heritage Pines. The Environmental Issues Committee utilizes the money for projects that improve the environmental quality of our community. **In 2011, the recycling of cardboard, paper, newspaper, aluminum cans, and cooking oil returned \$6570 to HP.** Some of the projects paid for with these funds in 2011 included: purchase and installation of four benches; advertising for Hazardous Waste Collection Day; fencing, signs, and opening of Paleo Park; plants, gutter and downspout for gazebo, and rain barrel for Gazebo Park; Environmental Fall Fest at Gazebo Park; and Audubon International annual membership.

We now have two Green Fiber collection bins for cardboard and paper. The new bin is located off Heritage Point Drive next to the boat/RV storage area. **Reminder: Please break down all boxes so that space is not wasted in the bins. If the newspaper bin in the recycling center near the cart barn is full, you may put newspapers in the Green Fiber bins.** Don't forget to recycle household batteries, fluorescent tubes and compact fluorescent lights, too. There are receptacles for those items inside the Golf Cart Barn. Let's continue to increase our recycling efforts for our community as well as our planet.

### Can You Hear Me Now?

Heritage Pines, in conjunction with Affordable Hearing Solutions, will be providing a complimentary ear health clinic to residents. The clinic will provide the following complimentary services:

- Video Otoscopy examination to check for Ear Wax
- Ear Wax Removal
- Hearing Screenings
- Clean and Check hearing aids
- One Complimentary Pack of Hearing Aid Batteries

*(In-home Hearing Evaluations available at no charge by appointment only)*

The clinic will be held on Monday, March 19th beginning at 1:00 p.m. and running until 3:00 p.m. A sign-up sheet will be at the front desk for appointments in 10 minute intervals. We generally fill up quite quickly for this clinic, so reserve your time slot soon.

### *Community/Memorial Tree Program*

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by our golf course superintendent, Tommy Land. Trees will be planted during the months of March/April and October/November. Please plan your purchase during the preceding months.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A book is being kept at the front desk of the Clubhouse in which residents can look through for the many trees planted throughout the community. Each page includes the name of the honoree(s), sponsor(s), tree location, and type of tree. This book will remain at the front desk for all of the community to view.

*Sponsored by the Golf Advisory Committee.*

## From the CDD

The CDD is currently funding a study looking at the possibility of providing reclaimed water to all of Heritage Pines. With the study currently underway, the CDD would like to educate residents better in regards to reclaimed water. Over the next three months, the CDD will provide information through the newsletter answering many questions in regards to reclaimed water.

### What is reclaimed water?

Pasco County's reclaimed water is highly treated wastewater produced through an advanced wastewater treatment process. This process eliminates harmful byproducts while retaining beneficial elements, such as nitrogen and phosphorus that are useful as fertilizer when reclaimed water is used for irrigating landscapes.

### What are the benefits of using reclaimed water?

- Serves as an alternate source of irrigation water that reduces demand on potable water sources utilized for drinking water.
- Reduces the cost of landscape irrigation when it replaces potable water.
- Reduces fertilizer costs due to the nitrogen and phosphorus in reclaimed water.
- Beautifies our community by enhancing the appearance of landscaping.

### How is reclaimed water processed?

The wastewater treatment and disinfection process requires four steps:

- Step 1: removes large solid materials from the wastewater.
- Step 2: uses microorganisms to break down smaller solids.
- Step 3: separates undesirable compounds and fine suspended particles from the water.
- Step 4: uses chlorine to eliminate disease-causing viruses, bacteria, and other organisms.

### What is the quality of reclaimed water?

Pasco County produces reclaimed water that meets all the State requirements for utilization of reclaimed water for irrigation of residential lawns and other public-access areas, such as parks, playgrounds, school sites, golf courses, etc.

### Is reclaimed water safe?

Yes. To ensure safety, the highest standards established by the Florida Department of Environmental Protection are followed. System controls utilized by Pasco County Utilities are among the most stringent in the nation. There are no documented public health problems associated with the reuse of properly treated and disinfected reclaimed water.

The level of treatment received by reclaimed water makes it **acceptable** for the following uses:

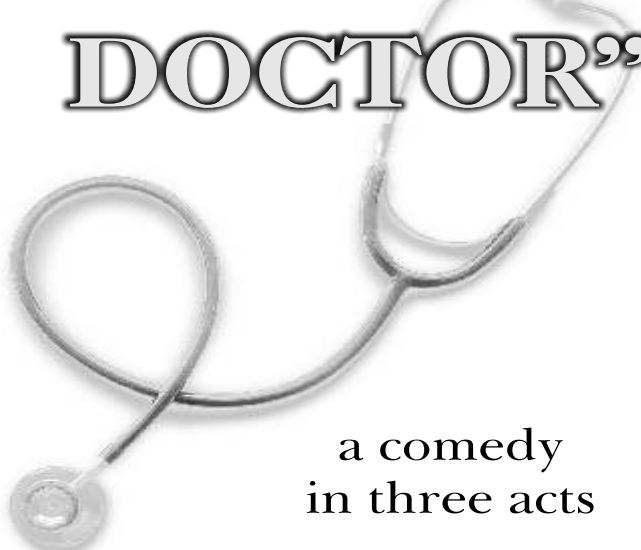

- ❖ Irrigating lawns and most landscaping.
- ❖ Use in fountains and decorative pools (they must be clearly marked as containing reclaimed water).

The degree of treatment required for the use of reclaimed water makes it **unsuitable** for the following purposes:

- ❖ Consumption by humans.
- ❖ Bathing, cooking, or toilet flushing in residential dwellings.

- ❖ Interconnection with any other water source.
- ❖ Recreational use involving body contact (i.e. swimming pools or outdoor showers).
- ❖ Irrigation of vegetables or other edible crops which are not peeled, cooked, or thermally processed before being consumed.
- ❖ Aboveground hose bib connections where a hose might be mistakenly used for any of the above.

### Beefy Italian Skillet

**Makes:** 4 Servings

**Prep:** 35 min

**Cook:** 1 hr 15 min

#### Ingredients:

- 1 pound boneless beef round steak
- Nonstick cooking spray
- 2 cups sliced fresh mushrooms
- 1 cup chopped onion (1 large)
- 1 cup coarsely chopped green sweet pepper
- 1/2 cup chopped celery (1 stalk)
- 2 cloves garlic, minced
- 1 ounce can tomatoes, undrained and cut up
- 1/2 teaspoon dried basil, crushed
- 1/4 teaspoon dried oregano, crushed
- 1/4 teaspoon crushed red pepper (optional)
- 8 ounces dried whole wheat or regular spaghetti
- 2 tablespoons grated Parmesan cheese (optional)

#### Directions:

Trim fat from meat. Cut meat into 4 serving-size pieces. Lightly coat an unheated large skillet with cooking spray. Heat over medium heat. Add meat to skillet; cook each piece on both sides until brown. Remove meat from skillet.

Add mushrooms, onion, sweet pepper, celery, and garlic to the skillet. Cook until vegetables are nearly tender. Stir in undrained tomatoes, basil, oregano, and, if desired, crushed red pepper. Add meat to skillet, spooning vegetable mixture over the meat. Simmer, covered, about 1 1/4 hours or until meat is tender, stirring occasionally. Meanwhile, cook spaghetti according to package directions.

Transfer meat to a serving platter. Spoon vegetable mixture over meat. Serve with spaghetti. If desired, sprinkle with Parmesan cheese.

## Beer Of The Month!

**Irish Kelly's Traditional Irish Cider**  
*Cider, The Drink of the Celts*

Cider was the drink of the Celts of ancient Europe. Imported in bulk from Ireland and the UK and bottled here, Kelly's Cider is a crisp light dry cider, made from traditional bitter-sweet cider apples. There are no added artificial colors or sweeteners. It is fermented from the juice of 4 different traditional apple varieties. Unlike other Irish ciders it does not use fake orange coloring. Kelly's Cider won four gold medals by the North American Brewers Association in 2002, 2003, 2004 and 2007. Slainte!

## Ask The Techie

**Q: I am currently using Internet Explorer to access email and the Internet. Some of my family and friends suggested that I should switch to Google Chrome while others say I should use Firefox or that Safari is the best. Which browser do you recommend?**

**A:** If the performance of your computer is acceptable, I'd recommend that you stay with **Internet Explorer**. Web site developers test their web sites using Internet Explorer and I've seen occasional compatibility problems with the other browsers. You should verify that you are running Version 9 on **Windows Vista** or **Windows 7** and Version 8 on **Windows XP**.

If you are running a Windows XP system that is running slow and the computer has less than 512MB of memory, I recommend that you install **Google Chrome**. On a slow computer, **Chrome** is often faster than **Internet Explorer** and tends to have the fewest compatibility problems.

Even if you decide to make **Google Chrome** or another program your default browser, you will continue to have **Internet Explorer** available.

**Q: Do you recommend that I power off my computer when I'm not using it?**

**A:** For the casual user, I recommend that you turn your computer on in the morning and don't turn it off until you are done using it for the day. Turning it off and on numerous times during the day is hard on the electronics and may shorten the life of your equipment.

At the end of the day, do a **SHUTDOWN** via the **START** Button on the Taskbar. I don't recommend using the **SLEEP** or **HIBERNATE** functions.

If you schedule automated backups or other programs to run during the night, you should not shut down your computer. I do suggest that even if you leave your computer on, you do a **RESTART** once every week or two. This allows Windows to perform cleanup functions that need to be done occasionally.

In the event of an electrical storm, I always advise shutting down the computer to avoid an abrupt shutdown if electrical power is lost or damage to the electronics from a power surge.

Deadline for

## SPRING COMMUNITY GARAGE SALE

Saturday, March 24<sup>th</sup>

8:00 a.m. - 2:00 p.m.

\$15.00 per home

It's that time of year to clean out your closets, and quit being such a pack rat! We are once again putting together the Heritage Pines Community Spring Garage Sale. This is always a big event for this community, with nearly 175 homes participating the past two years. This event is heavily publicized in local media outlets, including newspapers and radio ads. Because of the influx of outsiders and traffic, additional guards are put at the guardhouse, as well as roaming patrols all day. Every home participating is indicated on a community map which is handed out to every vehicle that enters, and are also available to residents the day before. Our goal is to get as much exposure to every home participating that we can. Hence the cost.

One complaint we have always received year after year, was the pesky balloons and having to come up so early in the morning to get them. Well, we are doing away with the balloons, and opting for a more simple approach. We are having very simple "Heritage Pines Community Garage Sale, Registered Home" signs made this year. As part of the \$15.00 fee, each home participating will be "renting" the signs for the day. When the signs are returned to the Clubhouse, each participant will be credited back \$5.00.

Signs will be given out the week prior to the garage sale, and returned after the sale is over (both Saturday & Sunday). This is going to be a much more efficient way for residents to participate without having to leave their homes the morning of the sale. Yes the fee has increased, but we will be going above and beyond to make sure you get that back many times over.

# Community Garage Sale

Saturday, March 24<sup>th</sup> 8:00 a.m. - 2:00 p.m.

Only homes who have completed the registration form and paid the \$15.00 fee will be permitted to take part in the garage sale. Homes will be indicated on a community map which will be handed out to each vehicle that comes into the community. Homes will also be indicated with a custom "Heritage Pines Garage Sale Here" sign, which will be returned to the Association after the garage sale is over. Each participant will have \$5.00 credited back when the signage is returned.

#### Addressing the Ball:

The Definition is amended so that a player has addressed the ball simply by grounding his club immediately in front of or behind the ball, regardless of whether or not he has taken his stance. Therefore the Rules generally no longer provide for a player addressing the ball in a hazard (see also related change Rule 18-2b).

## Ladies Niners' Golf Association

February was a great month for the Niners. We had a full golf course every Tuesday! On Feb. 7<sup>th</sup> we had our General Meeting. Details were shared regarding our Member/Member Tournament and our Invitational (see below). The membership agreed not to reprint the entire Handbook, but instead printing the two updates that have been made since 2010. Those two updates have been e-mailed to the membership for personal printing. If you, as a member, are unable to print these, please contact a member of the board to receive your copy. The 2012 Membership Directory was also e-mailed to the membership. Again, contact a member of the board if you were unable to print this.

### Third Annual Niners Ball

On January 28<sup>th</sup> the PAC room was filled with over 170 Niners dressed in their finery, and yes we do "clean-up nicely". We all had a lovely time eating, dancing and just having a wonderful time. True Passion did an excellent job of providing music to dine by and then music to dance by. We would like to thank Tony, our chef and his staff, who did a great job with the menu. A **HUGE** thank you goes to **Becky Pontecorvo** for the absolutely **FANTASTIC** job with all of the decorations. We all know what a lot of work went into the preparation.

### Go Red, Open Play

The Niners sponsored a "Going Red" Open Play Fun Day for the **American Heart Association** on **Feb. 21<sup>st</sup>**. At the time of this writing, the course was filled with 140 Heritage Pine residents and the donations were approximately \$720. The final amount and pictures will be in next month's newsletter.

### Member/Member Tournament

Sign-Up for the Member/Member Tournament is complete and the first week of the tournament is March 6. Costumes will be judged that day and cart decoration will be on the 16<sup>th</sup>. The theme "**Everything Disney**" is wide open. Who knows what characters will be playing on the course those two days.

## *Heritage Pines Sportsman's Club*

The next meeting of the Heritage Pines Sportsman's Club, which is always held on the second Thursday of each month will be on March 8, 2012 at 11:00 a.m. in the Magnolia Room. All interested residents are invited to join us at the meeting and to learn about our many Club outdoor activities. We are an active and growing club.

The Sportsman's Club has run a very successful series of fishing trips. They are reasonable in price and usually yield a good catch and great fun. The last trip brought back 26 Sea Trout. Call Roger Keplinger, (379-6571) or send email to: [RKeplinger@tampabay.rr.com](mailto:RKeplinger@tampabay.rr.com) if interested in a fun fishing trip.

The Club goes trap and skeet shooting on Wednesdays and Saturdays at the Silver Dollar Shooting Club in Odessa, FL. Once in a while we go north to Crystal River and shoot at the Robinson's Ranch range. We carpool and gather at 9:00 a.m. in the parking lot across from the Clubhouse to organize the rides. If you don't own a gun and would like to try this sport, you can rent a gun at Silver Dollar for the day at a very reasonable rate. Along with our members we also have about five people from Timber Pines attending. As previously reported lessons are still being given at the Silver Dollar for Trap shooters for \$40.00 per person. There are 2 instructors for each group of five shooters. One of the nice things that this group does is to enjoy a meal together after each shooting session. We delight in trying new restaurants and the latest find is the Grand Plaza Café on Little Rd north of Rt 54.

We also have 6 members that are shooting Skeet. Skeet is a different game than Trap and requires a different set of shooting skills. The Sportsman's Club Coordinator for Trap and Skeet shooting is John Scarfi at 868-0640. John has a little bit of a hearing problem, so speak up if you talk with him.

Pistol and Rifle Shooters are going as a group to the Phoenix Gun Club north of Brooksville. You should contact Harry Koerner at 378-5667 to find out more about this. Members are organizing in the parking lot once a month at 9 am to arrange carpools. You must be a member of the Phoenix Gun Club to shoot there. Costs are reasonable with a \$25.00 annual fee with an additional \$10.00 per day to shoot. There is a family plan for \$200.00 a year with no additional charge to shoot. If you have any questions, please contact Harry. He will give you more information than you will ever need.

Organized Bocce Ball might get hotter soon. The ROMEO Club has challenged us to a Tournament! We of course accepted as we are athletes and THEIR specialty is "eating out". Probably won't be too much competition for us, but what the heck, this will give the Retired Old Men something else to do. We will have some rocking chairs for them at court side.

The weather is warming up and so is the potential for Kayaking. Dick Blaylock and Charlie Mack have already polished their paddles and are ready to go. Howard Stringer is planning the upcoming event to be announced soon. Questions or more information---call Howard or Lorna at

819-8059. They meet at the parking lot across from the Clubhouse at 9:00 a.m. Hope you can join us for some good exercise and a day of fun in the sun. Beginners or experienced, all are welcome.

We have started work on our next club event – a "Cookout Bar B Que". This will be a catered affair that will be here on-site in Heritage Pines. See a member and get yourself invited if you would like to join us.

Please join us at our next meeting of the Heritage Pines Sportsman's Club and find out about all the outdoor fun we are enjoying. After each monthly meeting many of us get together for food and good conversation at a local restaurant. For more information on the club, contact our President, Harry Koerner at 378-5667.

## *Book Club*

The Heritage Pines Book Club meets in the **Magnolia Room at 10:30 a.m.** on the **4<sup>th</sup> Wednesday of each month.** On **March 28**, Barbara Sachs will lead our discussion of **Sarah's Key** by Tatiana de Rosnay - Historical fiction – During the German occupation of France in July of 1942, Paris police conducted a "great roundup" of thousands of Jewish families in the Velodrome d'Hiver, a famous stadium, where they were penned up in appalling conditions for days, then (if they survived) sent on to concentration camps. Included were *4,000 Jewish children*, aged two to twelve, most of them born in France. *None of them came back from Auschwitz.* This haunting story is the author's tribute to those children. When the story begins, an American journalist living in France, is assigned to cover the 60<sup>th</sup> anniversary commemoration of the Vel d'Hiv roundup. In her research, "she stumbles on a trail of secrets in her own family that connects her to Sarah, a 10 year old girl arrested along with her parents that fateful night in 1942, but not before she locks her younger brother in a cupboard in the family's apartment, thinking that she will be back within a few hours. As she probes into Sarah's past, and reveals the taboos and silence that surround this painful episode, she begins to reevaluate her own life." Following the discussion, members will adjourn to the Dining Room for lunch and more "book talk".

The featured book for April is To Kill a Mockingbird by Harper Lee, and Astrid Elliott will lead the discussion.

Everyone in the community is welcome, so please come and join our fascinating discussions. If anyone has any questions about the Book Club, please call Judith Chase at 862-4545.

## *Pinochle Players*

Interested in persons who would like to get together and play pinochle once a week, bi-weekly or monthly and rotate card days in each other's homes. Simple refreshments (snacks & beverages), just a fun afternoon gathering of cards. Please contact Sherry Johnson at 863-7724 (Rolling Green Village, 5th street on right).

## *Heritage Pines Tennis Association*

The Heritage Pines Tennis Association roster for 2012 reflects a total of 97 members (51 men and 46 women) with skills ranging from beginner to seasoned player. There are numerous opportunities for members to improve upon their skills or to just get some good exercise with folks of similar interest.

As of this writing, the Winter Leagues are in full swing and are scheduled to complete in mid-April. The leagues in session consist of a Sunday evening doubles league; a Monday afternoon Women's doubles league with 20 players and a Monday evening Men's doubles league with 14 players. If you missed the chance to sign up, you can still add your name to the list as a sub.

Team Tennis competition has seen many lively matches and will conclude at the end of March after a total of six matches. There are four teams consisting of 3 men and 3 women each and the matches consist of Men's Doubles; Women's Doubles; Men's and Women's Singles; and Mixed Doubles. The final match of the season will be concluded with a dinner for all participants and significant others.

The one-day winter handicap tournament consisting of separate events for women and men, was concluded in January 2012. A total of 44 members competed in the Heritage Pines Tennis Association January Handicap Doubles Tournament held on the 17th and 18th of the month. The weather was beautiful and there were a lot of close games, suspense, and fun out on the courts. Seven players came through without dropping a game during the three sets. Each won a gift card for use at the Club House. The Winners were: Frank Arno, Ron Fuller, Carol Henningsen, Chris Krohn, Doug Krohn, Paul Langevin, and Art Rhodes.

Plans for the next tournament, our Annual Championships, are already underway. That tournament will start Monday, March 5th, and be capped off with an awards ceremony and Pot Luck Meal at the tennis courts Sunday afternoon, March 11th. Feel free to come out and watch.

In addition to league and tournament play, there are open tennis opportunities. These are scheduled at 9:00 a.m. on Tuesdays and Thursdays for men and at 7:00 p.m. on Thursdays for women.

For those members wishing to improve their game, there is a ball machine available. The only requirement for its use is completion of a required training session which lasts about 30 minutes. A list of those who have completed training as well as a key to the storage area are kept by members of the HPTA Board.

The court schedule can be found on the bulletin board near the tennis courts or at the front desk of the HP Clubhouse. Please check the schedule and reserve your court with the front desk for all non-scheduled activity to avoid any conflict.

If you are not a member but are considering joining the H.P.T.A, please contact one of the board members. A list of those members and current activity is also on the bulletin board. Come out and join us!

## Drama Club

"The Heritage Pines Drama Club has been very busy. On January 19, 2012, we dedicated a 15 foot Magnolia tree to memorialize the following deceased members: Victor Brisbois, Peter Eros, George Farrell, Ken Kent, Mort LeFar, E. J. Ludolf, Alison Matera, Marilyn Minter Olufs. The memorial tree is planted to the left of the main entrance to the Clubhouse. The plot plan is on the wall in the hallway by the Magnolia Room.

Rehearsals have started for our spring production *Playing Doctor*, by William van Zandt and Jane Milmore. This is a hilarious comedy, directed by Dudley Saunderson whose expertise is comedy. The play will be presented Friday, April 13, Saturday, April 14 at 7:00 p.m. and a Sunday matinee April 15 at 2:00 p.m. This is one play you do not want to miss! You will be rolling in the aisles with laughter.... "*We guarantee it*"! Tickets will be going on sale starting March 1 at the front desk at the Clubhouse. The price of the ticket is only \$10.00. Come and support your friends and neighbors for an evening or afternoon of side-splitting laughter.

Something new has been added to the Drama Club repertoire. "Comedy Improvisation". Fred Moon teaches and directs us in this very funny art form. Improvisation (improv) is to completely make something up on the spot, whether it be a song, a character, or create an entire scenario from audience suggestions. You do not need any acting ability or be a member of the drama club to participate. A workshop is held every Thursday at 10:00 a.m. in the Clubhouse Conference Room. There are no lines to remember, just a lot of fun. The best way to test your improv skills would be to attend one of our workshops. We invite you to join us.

The Drama Club is also looking for men and women, especially men, to join our club. We need male actors and for various jobs behind the scenes. Come to one of our meetings and find out more about it. We will never turn anyone away. A reminder that membership dues for the 2012 – 2013 year are due. They are only \$5.00 per person and must be paid by March 31 to be eligible to vote in our April elections.

The Heritage Pines Drama Club has a web site to provide residents with current information on upcoming plays, events and other Drama Club news. To access the web site go the Heritage Pines web site, after logging in go to social/club and groups. Scroll down to Drama Club.

## Calling All Ping Pong Players!

*Tennis a bit too strenuous?  
Try table tennis to build you up!*

It's fun to hear residents passing by while we are ping-ponging. We often hear, "Oh! I played and was good at that game twenty years ago!" Hmmmm? Better rethink that number. But, it's like riding a bike. Just a bit of practice and you are in the groove again. Oh! and want to lose a few inches, rebuild a few muscles, feel that heart beating, just try it for a great aerobic workout that burns lots of calories besides helping those impinged shoulders and tight hips. Join us for some fun evenings and days playing Ping Pong.

Come to the PAC room on Tuesday evenings around 6:00 p.m and on Friday mornings at 10:00 a.m. Do remember that often on Tuesday evenings other clubs hold their meetings in the PAC room at 7:00 p.m. HOWEVER, on those evenings (see the Monthly HP Newsletter AND check your HP e-mail notices) some ping pongers arrive earlier in the evening to play for an hour or so. IF you want to play but are unsure whether someone else will be there to play, please call the consistent players to see if one or more will be there that evening or morning: Francine Raggi -Collins; Al Alberts; Charlie Schielein; Tom and Kathy Lumia; Evelyn Vitale, Charlie Baum, Rudi Lefin. If you are interested in receiving the list of Heritage Pine Ping Pongers, please contact Francine at tfraggi@yahoo.com and she will forward a copy via email to you. Remember, the ping pong tables and paddles are available at all times except if there is a special event or meeting going on in the PAC. Call the front desk at any time to find out if the PAC room is free and come up with your friends, relatives, grandchildren, children, etc. to spend some great time together.

## THE TAX COLLECTOR IS COMING TO THE Democratic Club!

**Thursday, March 15, 2012  
4 – 6 p.m. in the Magnolia Room**

For almost 40 years, **Mike Olson** has established a reputation for integrity, dedication and competence through his public service to Pasco County residents. He was first elected as a County Commissioner in 1974, and served in that capacity until 1980 when he was elected Tax Collector, where he has provided exceptional service to the people of Pasco County ever since. Please join us on Thursday, March 15, when Mike will be our featured speaker. He will again be on the ballot for County Tax Collector in 2012, and we want to learn what we can do to help insure the re-election of this outstanding public servant.

Our Club membership drive continues, and we welcome new people who are interested in making a difference, or just want to exchange ideas with like-minded folks. We encourage all HP Democrats to attend, and see what we're all about!

## Tai Chi Class

Tai Chi – Beginner - Tuesday at 8:00 a.m. in PAC

Advanced – Thursday at 9:00 a.m. in Magnolia Rm.

Qigong (Chee Kung) – Saturday at 9:00 a.m. in Magnolia Rm.

### What is Qigong?

In past articles I have extolled the many benefits of Tai Chi & Qigong, and they are many and varied, but what is this thing called *Qigong* (chee kung)? Originally called *daoyin*, which means “guiding the flow of internal energy (qi)”, it has been practiced for over two thousand years in China. *Qi*, often translated as *energy*, is more of a verb than a noun – it means *relating*. It is the result of yin and yang (the two opposite forms of energy) coming into being. When a being arises, yin and yang arise and interact, and *qi* is formed. *Gong* is the circulation of energy produced by the relationship of *yin* and *yang*.

So the practice of *qigong* is cultivating a relationship with energy – becoming aware of the energy that circulates and flows through your being. *Qigong* is practiced in different ways as a spiritual discipline, in martial arts, and for health and longevity (this last benefit of qigong practice is the most widely accepted use in the western world, and is the focus of the qigong I teach here). Of the many forms of *Qigong*, the best known form is *Tai Chi*.

The Saturday morning class is devoted to learning, and practicing *Qigong*. Most forms of qigong are performed standing, however, if due to physical limitations you cannot stand too long, the benefits can still be attained by executing the moves sitting down. The exercises are slow and gentle and are structured to exercise both the mind and body, as well as rejuvenating and replenishing the Qi or “life force” within you. *Qigong* is an energy practice, not a stretching or calisthenics exercise. All qigong exercises cultivate energy, flexibility, health, and awareness.

**PLEASE NOTE:** Revised class days and times. Beginners are now on Tuesday morning at 8:00 a.m. in the PAC room. Advanced students are on Thursday morning at 9:00 a.m. in the Magnolia Room. Qigong is still the same schedule at 9:00 a.m. in the Magnolia Room.

## Republican Club

On March 27 at 7:00 p.m. in the PAC room, the guest speaker for the Heritage Pines Republican Club will be State Representative John Legg. He is running for the State Senate this year. John has always been a great supporter of our club and his knowledge and insight regarding activities in Tallahassee and Washington are invaluable.

Also remember to check out the HP Republican Club web site for lots of good information: [HPRepublicanclub.com](http://HPRepublicanclub.com)

If you haven't paid your \$10 annual dues please plan to do so at the meeting. Hope to see you all there in this important election year.

*"The government's view of the economy could be summed up in a few short phrases: If it moves, tax it. If it keeps moving, regulate it. And if it stops moving, subsidize it."*

## Tuesday Ladies Bible Study

We continue our study of "David - Seeking a Heart Like His" on Tuesday mornings in the Magnolia Room at 9:00 a.m. We have been digging deeper into the life of David and discovering why the LORD considered David a man after His own heart. If you have ever experienced doubts, temptations, inconsistencies, losses, or anguish over family problems, join us as we apply the knowledge gained from David's experiences to our own lives. We are a non-denominational Bible study and welcome all women in our community to join us in study and fellowship.

## Pet Owners, Check us out!!

Help us find ways to make Heritage Pines a better place for your pet to live.

How many pets live in Heritage Pines? Should we know in case of an emergency? We may not have a hurricane but the weather does spawn tornados. Will the CERT volunteers know to look for your pet after the storm?

Do you have concerns about where your pet walks, are they allowed in Gazebo Park, why do some residents pick up and others don't. Do we need a receptacle for pet waste in the community? Let Pet Lover's help you voice your concerns.

**March is membership month!** Dues are \$12 for the whole year. Come and support your pet lovers group.

## The Kitty Coalition

### Ear-tipping For Ferals

If you have ever come across a stray cat with what looks like one ear tip cut off, then you have found a feral cat that has been humanely trapped, neutered, given a rabies shot, ear-tipped by the vet and then returned to his/her habitat. Likely, a devoted volunteer is looking after the cat each day to keep it healthy. According to the experts on feral cat behavior and management, this is the best and most effective way to care for older or unadoptable feral cats.

As explained in previous articles, feral cats are neither domestic pets, nor wildlife. They are the recent descendants of un-neutered pets that were abandoned by an irresponsible human. Kitty Coalition was formed by caring volunteers to humanely keep our homeless cat population under control.

If you find a stray inside our gates and both ears are intact, please call us to arrange trapping. We will attempt to learn where the cat eats and spends most of its time, and then enlist the help of a resident to monitor the trap. Once the cat is trapped, we will take it from there. All kittens are adopted out and only adult ferals with no adopter are placed back outside. We need to have some of them outdoors to 'claim the territory' and prevent un-neutered ferals from moving in. Currently, we have four ear-tipped ferals living outdoors. Plus, we have two cats without the tipped ear since they were trapped and neutered before this practice became standard. Janet, a gray tabby female who lives in the Brooklawn Dr. area and Mr. Kitty, a male gray tabby manx breed, who lives in the Hilltop Village area.

Once a month, the Heritage Pines Kitty Coalition sends out a bulletin by e-mail, with updates, photos and information on our stray and feral kitties. If you would like to join the Kitty Coalition, or simply stay informed, please let us know and we will add you to our newsletter mailing list. ## Pet of the Month

Hello, my name is Abigail Bell, and Susan and Ben belong to me in Rolling Green Village. I am a very privileged Maine Coon Cat that is 11 ½ years old. I adopted them when I was 14 weeks old so I was able to train them from an early age. My biological mother was a grand champion and my father was a double grand champion. I know I am privileged as many people who know me say if they come back in another life, they would like to be me! I am quite spoiled; however I am still a very good and sweet girl, and my heart is very blessed as Susan keeps saying "Bless her little heart" (My nick name is Sweetie Heart Baby Girl Kitty). I am also very smart... I know when my parents are talking about or to me. I know many words and also know how to open any closet door in my home. I like to sleep in the closet especially in the afternoon after my turn on the bed in the morning. I have a special blanket on the bed and a small pillow for my head. It is most comfortable! I also sleep on the bed all night. Most of the time I sleep on my back with my four paws in the air... I have so much tummy fur that it is difficult to know where my head is.

I receive my treats at 8:00 a.m. and 8:00 p.m. When the pool waterfalls come on just before 8:00 a.m., I know it is time for my morning treats. And I have an alarm clock in my tummy to tell me when it is 8:00 p.m.!

I have several toys including two special mousies and a yellow string which my grandma gave me. I also like to go out on the lanai and hunt for geckos which I immediately take into the house to show Ben and Susan, and they take my hunt outside which makes me meow and meow. I am not a happy girl when that happens, but I soon forget. I go 'round and 'round the pool to get my exercise and fresh air and so far have not fallen in. I am very agile for my age.

I am rather skittish or perhaps some people would call it snobbery. I don't think I am a snob but I tend to stay away from people I do not know. And I do not like loud noises at all.....even the ice cubes falling into my water dish make me run away, and especially when Ben sneezes!

I am very happy to live here and hope to live a long, long time as Ben and Susan are very good to me. I wouldn't want to live anywhere else!!

Abigail Bell
