Management's Report to the Residents

There seems to be a group of residents that are putting out misleading, and in some cases, untrue information about the Association's Management and the financial condition of the Association. One rumor is that there will be a \$2,000 special assessment to residents. That rumor is clearly not true.

The current assessment of \$175 per month will be the same in 2012.

There will be no assessment increase next year.

In fact, next year will be the third consecutive year with assessments at the \$175/month level. That is the longest period of time without an assessment increase in the short history of the Association.

Other accomplishments achieved by the Association over the past few years are summarized as follows:

- The Association turned a small deficit in 2008 of \$5,504 into significant surpluses of \$206,999 in 2009 and \$319,793 in 2010. The 2011 financial forecast shows a surplus of \$324,137.
- The Association's net assets (assets minus liabilities) have increased by more than \$3.5 million since 2008.
- Your investment in the Association's net assets has increased from \$143 per home in 2008 to more than \$2,600 per home as of the end of 2010.
- The Association's total expenses included in the 2012 budget are lower than the expenses levels in 2008.
- The Association remedied significant safety issues related to the pool and had major expansion/repair projects completed on the clubhouse and guard house with no need for a special assessment and no need to borrow money.
- The contributions to the Association's reserve fund have increased from \$25 per month in 2008 to \$30 per month in 2010 and \$33 per month in the 2012 budget. As the Association's assets increase, the contributions to the reserve fund should be increased accordingly. In addition to increasing the contribution rate to the reserve fund in 2010 and 2012, the Association injected \$490,000 of cash into the reserve fund in 2009 following the settlement of the lawsuit with Lennar. The current contribution rate of \$30 per month compares favorably to the Miller Dodson recommended contribution rate of \$29.42.
- The Association's operating fund year end cash balance target each year is between \$400,000-\$500,000. It has been more than \$400,000 for 2009 and 2010. It is expected to reach \$450,000 by the end of this year.
- As of September 30, 2011 we have \$633,599 in operating CASH and \$890,024 in Reserve CASH. Our TOTAL CASH in our bank is \$1,523,623.

Residents need to know the Association is in a strong financial position and it has accomplished many positive things over the past few years.

Other information recently circulated is in regards to our clubhouse construction/renovation projects. The amount of \$257,842 has been reported as total "job overruns" associated with all of the 2010 and 2011 projects to date. Although, the "industry" definition of the items in that total is "overruns", it is important that the residents are made aware of what the majority of that \$257,842 includes. Our new restrooms in the east end of the building and a much needed facilities office (total \$90,000) is part of the figure. Additionally, the new lobby windows, which were provided for in the reserve study (\$44,731) are included and a total of \$40,365 of Pasco County mandated impact fees and bringing the west restrooms into ADA compliance were also part of that total. If we removed these items from the total and add back in for the amounts that we "under-spent" on some projects, that brings the total to \$27,980, which we feel represents the true "overruns". That being said, we plan to implement new procedures to ensure future construction/renovation projects are proposed as accurately as possible from the start.

The Environmental Committee

See Herb as Big Game Hunter. We all thank you, Herb, for a dream that became a reality for generations to come to enjoy and discover.

The Environmental Committee would like to thank everyone who attended the Opening of Paleo Park. It was a lovely evening of learning, exploring, and joining with friends to experience and delight in a prehistoric place. Paleo Park history is 12,000 years old. So stop by, take a stroll around the water, and enjoy nature as it is left almost untouched. Please study the displays to learn about the culture of an ancient watering and gathering space. Enjoy the sunsets from our comfortable benches and relax and de-stress in a natural setting. And if you dream big you might just transform yourself.

Community/Memorial Tree Program

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by our golf course superintendent, Tommy Land. Trees will be planted during the months of March/April and October/November. Please plan your purchase during the preceding months.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A book is being kept at the front desk of the Clubhouse in which residents can look through for the many trees planted throughout the community. Each page includes the name of the honoree(s), sponsor(s), tree location, and type of tree. This book will remain at the front desk for all the community to view.

Sponsored by the Golf Advisory Committee.

Back Gate Memorial Tree Beautification Project

After the success of the palm tree beautification project in the islands on County Line Road and the front entrance of Heritage Pines, we would like to continue the project to the back gate. The plan is to plant twelve 14' Magnolia trees on the inside of the back gate. The trees that are currently there were planted by the builder and will be removed.

If you choose to, your tree may be a memorial tree, but it is not necessary. If you are interested in donating a tree, at the cost of \$195 per tree, please contact Linda O'Leary at 727/819-9207 or linneoleary@hotmail.com.

Resident Lifestyle Committee

The Lifestyle Committee is still interested in developing an OLLI program for Heritage Pines. OLLI is a lifelong learning program, which involves people, perhaps within our community, with expertise in a specific subject who would facilitate learning sessions and/or discussion groups for fellow residents. These sessions can run as long as the facilitator wants but usually they last for 4 to 6 weeks. These sessions can vary in subjects from Wine Tasting to the Civil War; whatever your interest is. The committee is very intrigued with the idea of setting up such a program at Heritage Pines. We feel just because we are retired our brains should not be. If this seems like something you might be interested in doing, would be interested in leading a session or have a subject you would be interested in learning more about, please contact Lynn Aigotti (727-862-6505) laigotti@tampabay.rr.com. For additional information you might want to Google "OLLI".

Please Note: The dining room will not serve lunch on Saturday, November 5th due to the golf course closure and Hittin' The Pavement Community Event. We will remain open for our regular dining room schedule during the other golf course closure days.

Crazy On The Outside

(2010) PG-13

Prison lasted three years, but making good with family is a life sentence for ex-con Tommy (Tim Allen), who comes home to an eccentric sister (Sigourney Weaver), a skeptical brother-in-law (J.K. Simmons) and a grandmother who thinks he's been on leave in France. Ready to turn over a new leaf, Tommy winds up flipping burgers and falling for his parole officer, Angela (Jeanne Tripplehorn), all the while fending off his scheming buddy (Ray Liotta).

Disgruntled buddies Nick (Jason Bateman), Kurt (Jason Sudeikis) and Dale (Charlie Day) can't leave their miserable jobs, so they cook up a creative strategy for eliminating each other's micromanaging and maniacal employers (Jennifer Aniston, Colin Farrell, Kevin Spacey) instead in this crackpot comedy. Peculiar advice from con artist Motherf**ker Jones (Jamie Foxx) gets the scheme in motion, but the pals can't keep the wheels from flying off.

Ask The Techie

Q: As you suggested in a previous column, I purchased an external backup device. Should I use the Windows built in backup utility or is there a better alternative available?

A: Most external backup devices include backup software that can be configured to save your documents, photos, etc. either manually or automatically following a schedule you set. However, if you are running Windows Vista or Windows 7, the built in backup utility will do an excellent job in saving your documents. It can be configured to run Daily, Weekly or Monthly.

A personal favorite of mine is Iomega QuikProtect. It is a free program that can be setup to work real time backing up documents whenever they are changed. It also allows for multiple versions of documents to be saved automatically. This capability can be used to recover work product that is developed over time. I like this program because it is easy to use and the saved documents are readily available via Windows Explorer if needed.

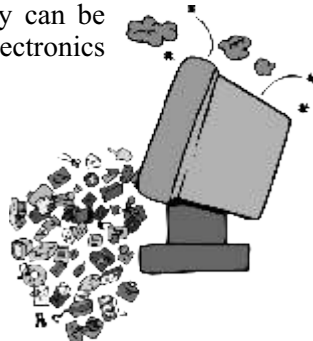

Q: I have replaced my old desktop computer with a new laptop. The laptop bottom seems to be very hot and it is not comfortable resting it on my lap. Is there something wrong with my new computer?

A: No, it is not likely that there is anything wrong with your new laptop. While you are using the laptop the computer processor (CPU) generates heat which will often make the bottom of the laptop feel warm or sometimes even hot. On some laptops there may be vents on the bottom to help cool the computer.

It is important that the bottom and rear cooling vents be unobstructed. Never set your laptop on a cushion, pillow, placemat or any soft surface for any length of time or it may overheat. Operating a laptop in our warm Florida climate for an extended period of time may even shorten the life of your computer. In extreme conditions a laptop may shutdown if the internal temperature gets too high.

It is best to rest your laptop on a smooth surface such as a TV tray or table. I personally have a cooling pad/chill mat to help keep my laptop running cool. These pads contain a cooling fan that connects to the laptop via a USB connection to help dissipate heat buildup. The pad not only cools the laptop it provides a comfortable surface to rest the laptop on my lap. They can be purchased online or at most electronics stores for \$15-30.

Ladies Niners' Golf Association

October in Florida brings about the beginning to a change in the weather. We actually have some days and nights with the highs only in the 80's and lows in the 60's? Something that we all look forward to. But, better than that - we also get to reacquaint ourselves with many of our wonderful seasonal friends that are returning!!! The Magnolia Room has been quite a buzz with conversation every Tuesday at our pre-golf meeting.

October also brings to the Niners our annual "get away" golf event. By the time you read this, we will have been to Mission Inn for a two-day "Roaring 20's" adventure. More info will follow in next month's newsletter.

October 4th was Rally for Cancer day with the lady golf organizations. Niners supported this by both playing and donating to the cause. The Niners raised approximately \$220.

OASIS OF THE SEAS

As we mentioned last month many of our Niners went on the HP cruise in September. The ladies were very happy to have a little bit of golf – miniature – while away from HP. What a surprise when they saw the statue of a 1920's lady golfer on the putt-putt course. How appropriate with our Mission Inn trip having the 1920's theme. Check out the picture of all the ladies!

APRIL INVITATIONAL

Yes, it is only November, but our Invitational Committee is already hard at work. Gayle Franchere is asking any of us with **large** cardboard boxes to please save them and get them to her.

Featured Member of the Month

Betty Simpson was born in Camden, New Jersey and has four brothers and one sister. Three brothers were career military and all retired from the Air Force as Officers. Four siblings live on the East Coast, while one brother lives in California. Betty is also very proud of her niece, Katie Hoff who has won many medals for the U. S. Olympic Swimming Team! Betty was a life long resident of the greater Philadelphia area growing up in Haddon Heights, New Jersey just across the river from Philly spending her entire adult life there. She attended school in New Jersey and in high school took up many sports and activities. Besides field hockey, basketball, band and choir, Betty's real passion was roller skating. In fact this is where she literally "rolled" into her future husband, Bob Simpson. Roller skating was a very important part of their lives so important, they were married at the rink on roller skates! Bob encouraged Betty to compete seriously in the roller skating world, so over the course of four years, she competed in both the State and Regional levels. She won various titles including the State and Regional Championships and placed third in the United States division. Betty has two children and 4 grandchildren. Sadly, a fifth grandchild passed away at age two in 1994. Daughter Patty and family remain in the Philadelphia area and Son David and family live in Florida. In fact, Patty now owns and operates the Allstate Insurance Agency Bob started, keeping it in the family.

While Bob and Betty were busy raising their children, they also continued to enjoy roller skating and added travel and boating to their leisure activities. It was difficult for them to find time for these activities as Bob's business was flourishing and Betty's career in the banking industry was demanding. In 2002 they decided to retire, so Bob turned the Insurance business over to their daughter and Betty waved goodbye to the bank where she had worked her way up to Teller Supervisor. After spending many vacations travelling around the United States and various Caribbean Islands, they decided to settle in Florida. Fortunately they came upon Heritage Pines and knew for sure this was the place for them. Betty decided to take up golf upon arrival and fortunately, according to Betty, moved next door to the best neighbors in Heritage Pines, Bobbie Ann and Bob Moyes! Bob Moyes was very instrumental in getting Betty on the road to golf finding herself a new passion! She started out playing on the 9 Hole Ladies League and after a short time joined the HPLGA. Besides enjoying competing at Heritage Pines she has enjoyed participating in various Invitational's held around the state. She served as Captain of the High Country League Chairperson for Outside Invitational's and currently is serving her second term as President of the HPLGA. For the past 3 years she has been

Chairperson of the Lady Bug Tournament and sits on the HP Golf Committee representing the HPLGA and is acting Secretary for the Committee. She is also the proud owner of a Hole In One Trophy, which was earned at Twisted Oaks in April of 2005, this was quite an accomplishment after playing less than 3 years! Betty also enjoys playing cards and Mahjong in her spare time (what spare time?).

Sadly after 30 years of marriage, her beloved Bob passed away in August of 2007. With Bob's blessing from above, she has been able to move on and is currently dating Joe Paddock having fun golfing and travelling. Joe is an avid outdoorsman and has gotten Betty to join him in the wild!

Thank you Betty for being such a great person and friend.

Republican Club

The Heritage Pines Republican Club will meet on Tuesday November 29 at 7 p.m. in the PAC room of the Clubhouse. Our guest speaker will be Pasco County Sheriff Chris Nocco. It is always informative to hear from our elected officials. Sheriff Nocco is fairly new in his position and it will be very interesting to hear his assessment of the situation in Pasco county.

We are one year away from a very important election.... we all need to work hard to get our country back on the right track.

See you on the 29th of November and as you enjoy your Thanksgiving please remember to be thankful for our freedom and those who fight to protect it and us.

Library News

Our library is maintained by volunteers from the H.P. Book Club. Anyone interested in volunteering can call Jocelyn at 869-9461. We gratefully accept donations of POPULAR hard back books and **GENTLY USED** paperbacks. Fiction books are on the right hand wall in alphabetical order by author. Paperbacks do not need to be returned. We have been getting requests for **books on tapes** for use in cars. Please donate them if you have extras. **The library does not accept magazines, games, puzzles, technical books, movies or other non-book items.**

Heritage Pines Maryland Group

HP residents who once lived in Maryland lunched at Billy Blue Crabs in Brooksville last month. Thanks to all of you former Marylanders & guests who joined us. I hope you all enjoyed your meal as much as I did.....I do enjoy eating those blue crabs steamed in Old Bay seasoning!

The evening of Saturday, November 12, HP residents from Maryland plan to dine together at the Mexican restaurant, La Iguana Loca located at 5399 Commercial Blvd. (Rt. 19) in Spring Hill (formerly the Village Inn). Their menu can be viewed online at: <http://laiguanaloca.webs.com/>. Any/all former Maryland residents who now live in Heritage Pines are welcome. We will meet at the restaurant around 5:30 p.m.

If you are from Maryland, ever lived in Maryland, were born in Maryland, were ever married to somebody from Maryland, or just like Maryland PERIOD, please consider joining us at any of our functions.

Notify Donnie Skuja at dskuja@yahoo.com (or 727-868-3617) if you plan to attend our outing at La Iguana Loca this month.....and/or if you are interested in joining our group.

A Double Treat for the Book Club in November

On **Wednesday, November 30 at 10:30 a.m.**, the Book Club will welcome Florida author David Allen, who will introduce us to Inside Traitors, his novel about deceit, betrayal and honor on Wall Street. **Everyone in the community is** invited to come and meet David, and he will have copies of Inside Traitors available at a discounted price, and will be happy to sign them for us. (It's also available on Kindle). David is also an accomplished artist, and you can see some of his work at his website, www.daveallenarts.com.

Following David's presentation, Pat Havokotte will lead the group in a discussion of The Confession. (All are welcome to stay for this, but those who wish to leave will be excused at this time.) It's John Grisham's gripping story of a young man who is coerced by the District Attorney's office into confessing to a murder he didn't commit, (an all too common occurrence in the prosecution of crimes) and the ten year struggle to free him from Death Row. **This could be a story right out of recent headlines!!**

Following the discussion, those interested will adjourn to the dining room for lunch and more "book talk".

Don't miss this opportunity to meet and hear David Allen and to enjoy our discussion of The Confession in the Magnolia Room on Wednesday morning, **November 30, at 10:30 a.m. in the Magnolia Room.**

Baby and Children's Shower

Hosted by *Angels in the Pines* for the
Children of Domestic Violence
Sunday, November 13 • 1 p.m. in the Clubhouse

The children taken to the shelter usually come with only the clothes
they wear so it is important that the shelter tries to obtain necessary
clothing for them. They are in need of all clothing items from
newborn to age 17 for both boys and girls.

This is a wonderful time for the **grandma's and grandpa's** of
Heritage Pines along with our many *Angels* to show their support
for such a worthy cause. We will be having refreshments that day
for our children's shower so bring your donations wrapped if you
like and a Director from the shelter will be with us to open the gifts.
Call Kathy Hendrickson for further info 862-2394. There are
kindness forms in the lobby; please fill out so a matching grant can
be obtained for the shelter. With our clothing drive in the spring, we
obtained \$17,000 in grants. Let's do it again!

Heritage Pines Sportsman's Club

The next meeting of the Heritage Pines Sportsman's Club, which is always held on the second Thursday of each month will be on November 10th, 2011 at 11:00 a.m. in the Magnolia Room. All interested residents are invited to join us at the meeting and to learn about our many Club outdoor activities. We are an active and growing club.

I hope everyone has saved the date of Friday, Dec 9th for our annual Holiday Party. Please attend the meeting for updates regarding menus and the cost of tickets.

The Sportsman's Club has run a very successful series of fishing trips. Call Roger Keplinger, (379-6571) or send email to: RKeplinger@tampabay.rr.com if interested in a fun fishing trip.

The Sportsman's Club, goes trap and skeet shooting on Wednesdays and Saturdays at the Silver Dollar Shooting Club in Odessa, FL. Once in a while we go north to Crystal River and shoot at the Robinson's Ranch range. Transportation is provided and we gather at 9:00 a.m. in the parking lot across from the Clubhouse to organize the carpools. If you don't own a gun and would like to try this sport, you can rent a gun at Silver Dollar for the day at a very reasonable rate. Along with our members we also have about 5 people from Timber Pines attending. As previously reported lessons are still being given at the Silver Dollar for Trap shooters for \$40.00 per person. There are 2 instructors for each group of 5 shooters. One of the nice things that this group does is to enjoy a meal together after each shooting session. We also have 6 members that have shot Skeet. Skeet is a different game than Trap and requires a different set of shooting skills. The Sportsman's Club Coordinator for Trap and Skeet shooting is Thom Johnson at 863-7724.

Pistol and Rifle Shooters can go to Hernando County Sportsman's Club which is on the left about 20 miles as you drive north on Highway 19 or you can go with the group to the Phoenix Gun Club north of Brooksville. You should contact Harry Koerner at 378-5667 to find out more about this. Members are organizing in the parking lot at 9am to shoot there twice a month on the Friday after our monthly meeting and for the second trip please contact Harry Koerner. You must be a member of the Phoenix gun club to shoot there. Costs are reasonable with a \$25.00 annual fee with an additional \$10.00 per day to shoot. There is a family plan for \$200.00 a year with no addition charge to shoot. If you have any questions please contact Harry Koerner.

Organized Bocce Ball play and Horseshoes will resume again in the Fall.

Now that the heat of summer has let up, fall is perfect weather for KAYAKING. A trip sponsored by the Sportsman's Club, is planned for TUESDAY, Nov. 8th, going to St. Joseph's Sound in Dunedin.

Those who own a kayak or canoe can park and launch from the Curlew Causeway (Curlew Road) leading out to

Honeymoon Island, or kayak rentals are available at \$30 single or \$40 double for 2 hours. (\$40 - \$50 for four hour rentals).

A 1/2 mile paddle across the inlet channel takes us to Caladesi Island where shelling, swimming or just relaxing as you explore the island can be enjoyed. Bring snacks or lunch or several local restaurants are available for lunch after returning the boats.

Questions or more information----call Howard or Lorna at 819-8059. We meet at the parking lot across from the Clubhouse at 9:00 a.m. Hope you can join us for some good exercise and a day of fun in the sun. Tuesday, Nov. 8th.....Beginners or experienced, all are welcome.

Please join us at our next meeting of the Heritage Pines Sportsman's Club and find out all about the outdoor fun we are all enjoying. After each monthly meeting many of us get together for food and good conversation at a local restaurant. For more information on the club contact our new President, Harry Koerner at 378-5667.

Democratic Club

**Thursday, November 17, 2011
4 – 6 p.m. in the Magnolia Room**

The topic of this meeting will be “The Democratic Response to the Republican depiction of street demonstrators as the "moocher class".

Recently, Republican commentators have been calling the unemployed and poor the "moocher class" and depicting the wealthy as the "job creators". The poor and unemployed are being demonized and made the scapegoats for the recession. The very people who were driven into poverty and joblessness by the greed of Wall Street, bankers and the Bush administration's economic policies are now described as the "moocher class". Democratic proposals to return to Reagan administration tax rates, to reduce the deficit and pay for job creation programs are called "class warfare against the job creators". As the number of those living in poverty increases and the middle class shrinks, frustration builds and spills out into the streets. The educated unemployed and poor young are the majority of demonstrators. The "moocher" class has taken to the streets to decry the greed.

We will discuss our response to the recent street protests and the blaming of the recession's victims for the recession.

We want to encourage all HP Democrats to attend, and see what we're all about!

RSVP: Dr. Lynn Lindeman, President – 697-3052; Paula Storch, Vice-President – 868-0113; Judith Chase – Secretary – 862-4545; Oma Spain, Treasurer – 863-3962; Sandy Harrison, Parliamentarian – 808-9299

“Never doubt that a small group of thoughtful citizens can change the world. Indeed it is the only thing that ever has.”Margaret Mead

Agreeing to disagree, then listening, can be powerful!

Bunco Players

Happy Thanksgiving!!! But before you start getting that turkey ready for the oven, please join us on Thursday, November 17th at 6:30 p.m. for a fun nite of Bunco. You will need certain envelopes and we will be happy to let you know what to bring. Please contact one of the following for more information: Marcia Gerber at 819-1662; Betty Plante at 863-8462 and Camille Baldick at 862-9974.

Tai Chi Class

Tai Chi – Thursday at 8:30 a.m. (Advanced);
Beginner at 9:00 a.m.
Qigong (Chee Kung)– Saturday at 9:00 a.m.
Magnolia Room

Staying Active

All older adults should avoid inactivity!

There seems to be an unending list of things that we are told to avoid. Almost on a daily basis “the experts” find something else we either should not be eating, doing, or thinking about! Well, I certainly do not consider myself an expert (and who am I, anyway, to tell you what you should or should not do). **Inactivity**, however should be a no-brainer.

Some physical activity is better than none, and older adults who participate in any amount of physical activity gain some health benefits. As we age, it becomes difficult to maintain a high level of aerobic exercise, we can, however, be as physically active as our abilities and conditions allow.

Tai Chi & Qigong will keep you moving no matter what your physical condition. It is gentle, and easy to do. This is exercise that makes us feel good! It provides a gentle workout that doesn't leave you drained, but energized! If your idea of exercise includes the mantra “no pain – no gain”, come see what the alternative is; “gain, without pain”. Qigong and Tai Chi should always, always, always feel good. And since it does feel good, you will look forward to it.

Tai Chi & Qigong:

1. Reduces stress
2. Improves balance
3. Helps arthritis
4. Lowers blood pressure
5. Improves sleep
6. Strengthens muscles
7. Improves the circulatory system
8. Improves flexibility

Qigong and Tai Chi are available here at Heritage Pines at no charge.

Come: check it out any Thursday or Saturday morning in the Magnolia Room at 9:00 a.m. The best way to learn Qigong or Tai Chi is from a teacher. It is very difficult to try to learn from a book or video. I have been a student of Qigong and Tai Chi for 14 years, and I love sharing my knowledge of this wonderful mind-body exercise with all that want to learn.

Please note: New classes for beginners are just getting started, so now is the time to come and investigate Tai Chi.

Theatre News

When you receive this newsletter, remember, a group has plans to see Cathy Rigby as "PETER PAN" on November 12th at The Straz Ctr. Call asap if still interested. Tickets are \$70 each. Also, "THE CHRISTMAS STORY - THE MUSICAL" on Sunday, December 11th lacks enough interest to go as a group. We need 15 to get the discounted tickets. This show is based on the movie and you'll enjoy seeing Ralphie with his one wish for a Red Ryder BB gun, a kooky leg lamp, outrageous pink bunny pajamas and the famous triple-dog-dare to lick a freezing flagpole. Tickets are \$70 each at The Straz Ctr.

Show Palace has their "CHRISTMAS SHOW" on Saturday, December 10th and some tables are available. Tickets are \$40.50 each and includes show, buffet dinner and all taxes. Gratuities are extra. We must collect for the tickets 30 days prior to the show date and return unsold tickets timely. Please make your check payable to: HERITAGE PINES THEATRE CLUB. Leave your check in the theatre book or drop it off at our home. Call if you need further information at 819-1662.

At Ruth Eckerd Hall on Sunday, February 12th we will enjoy seeing the 2010 Tony Award winning musical "MEMPHIS". Tickets are \$63 each. This musical follows the journey of a radio DJ and a club singer set in the underground dance clubs of the segregated South. Enjoy explosive dancing and the irresistible music that heralded the birth of rock and roll.

Another rock and roll show over at the Straz Ctr. is "MILLION DOLLAR QUARTET", the smash hit B'way musical that joined Elvis Presley, Johnny Cash, Jerry Lee Lewis and Carl Perkins for a jam session at Sun Records in 1956. There will be timeless hits for you to enjoy on Saturday, January 7th, 2012 and tickets are \$70 each. If enough are interested we'll arrange a bus and dinner package too.

We have great orchestra seating for many of the shows. We must have a \$25 deposit for each ticket to secure your seat. Please delete your name from the sign-up sheet when you change your mind. This will help the telephone committee avoid calling for deposits.

WAG has "104 YEARS OF BROADWAY" on their schedule for you to enjoy. Sign-up in the WAG book or theatre book for this wonderful show on Monday, March 19th, 2012. That's \$28 for show and lunch.

We are cancelling the box lunch for the "DEBBIE REYNOLDS" show on Tuesday, March 27th at REH at 1:00 p.m. Tickets are now \$27.50 each. We'll make lunch plans and can car-pool.

The shows "LES MISERABLES" and "LA CAGE" are filling up fast. I may have to call for additional tickets. Check the theatre book for dates and prices and sign-up asap.

As usual, thanks to all the volunteers. You make this so much easier with your assistance, Marcia Gerber.

WAG News And the Ostrich Died

About nine years ago the Juarezes bought property on East Road at the end of Heritage Pines when the former owner gave them a good price but said they had to keep the ostrich.

Well the ostrich is gone but Hope Ranch is still going strong - 12 girls reside at the ranch. They now are adding five classrooms for day students who need attention and "aren't getting it in public school".

WAG started a "social life activities" program for the girls starting after the Ranch opened. We supply Christmas presents, each girl gets a special birthday cake, we give them passes for water or amusement parks each year and they come to the club to have lunch and hit golf balls with Kevin. They also make a Christmas visit to a mall to eat and enjoy the lights and music. You will be hearing from us soon asking for Christmas donations.

We will be playing Bingo for Hope Ranch on Tuesday, November 15 at 6:00. The doors will open at 5:30. **Free door prizes will be given away at the November Bingo.** The cash prizes will be the same amount as our usual bingo games.

A three square bingo sheet will cost \$1.00 and a nine square sheet will cost \$2.00 per game. Sheets will be sold prior to each game. There is a total of 12 games. Remember to bring you daubers. A donation will be made from Heritage Pines to Hope Ranch after the game.

WAG Annual Trip to Ruth Eckerd Hall

On Monday, March, 19, 2012, we will have lunch at Ruth Eckerd Hall followed by the show "104 Years of Broadway". Price for everything is \$28.00. Your check made out to WAG is your reservation. Sign up now in the armoire in the Library. There is a limited amount of tickets.

Drama Club

FUN AND LAUGHTER! Don't miss the Heritage Pines Drama Club play Friday, November 25, Saturday, November 26 and Sunday, November 27. This is a hilarious three act play, Never Too Late. This was a movie in 1965 with Jane Wyman, Maureen O'Sullivan, Connie Stevens and Lloyd Nolan. The author of this play also wrote the Lassie series. The Drama Club presents this Broadway hit which is about a married man in his fifties who suddenly learns he is becoming a father again. His last child, a girl, was born 24 years ago and he finds the prospect of another child unthinkable. His daughter and son-in-law live with him. She gets up for breakfast at lunch time and he is addicted to solitaire. It's not only the impending birth that startles him; his previously meek little wife begins to lay down the law. There's to be a nursery, a new bath, and she's to have her own checking account so you can only imagine the *honey-dew* list.

The cast includes your friends and neighbors:

Grace Kimbrough Mary Gruber
 Harry Lambert. Joe Miller
 Edith Lambert. Sherry Churchill
 Dr. James Kimbrough John Popovich
 Charlie (Son-in-law) Charles Mack

What is Diabetic Retinopathy?

Diabetic Retinopathy is a potentially vision threatening condition in which the blood vessels inside the retina become damaged from high blood sugar levels associated with diabetes. The longer you have diabetes the greater the chance of developing this disease. Once you are diagnosed with diabetes you should schedule a comprehensive dilated eye evaluation with your Eye MD at least once a year. Because there are no symptoms in the early stages of Diabetic Retinopathy, your vision may not be affected until the disease becomes severe.

Pet of the Month

CASEY

Hi everyone! My name is Casey Galloway. I am a Cockatiel with gray and white feathers, a yellow crest and two orange cheeks. Everyone says I am beautiful and I agree.

I talk a lot. Things like "pretty bird", (which I know I am), and "What are you doing?" I do a lot of chattering also. That way nobody understands all of it, only me.

I whistle a lot... all day in fact. I whistle just like my adopted dad, Don. I have been listening to him whistle for six years... every day. That's why I sound just like him. I also whistle the Mayberry tune from the Andy Griffith Show but I don't hear that tune very much anymore, so I get a little mixed up.

My favorite pastime is when my adopted mom, Dorothy, puts me out in the lanai with my cage door open and I can fly around in there to my heart's content.

By the way, it's a good thing my mom cleans my cage out, 'cause if I had to wait for dad I would be up to my eyes in.... you know what. But that's ok, they both love me very much.

Oh, I forgot, I had a girlfriend but she died. Mom cried a lot when that happened. I didn't cry. I just got very angry and yelled a lot cause I missed her.

When people come to visit I like to show off by sliding up and down the bars in my cage and hanging upside down. People like that and I whistle more. I like living in Heritage Pines. There are a lot of really big birds out there, but I like 'em! That's all I have to say today. Tweet Tweet for now.

Heritage Pines Tennis Association

Welcome back to our seasonal players and also our summer residents that left for vacations!

Attention to all tennis players:

Here is the tournament you have requested. The HPTA Double-Double Tournament, sign-up by November 3rd, will have two flights for both men and women. Players will self-determine if they are going to compete in the A or B flight. Everyone will play two rounds (six sets) in a random draw within their flight. The top four finishers in each flight (16 players in all) will compete in the four final matches. Please contact Jerre Salmon, Tournament Director, at 863-1504 or janjers@gmail.com. How else can you have so much fun and get good exercise for just \$5? The fee (for balls and prizes) is payable to Jerre in cash your first day of play.

Both the Women's and Men's Tournament will run at the same time, beginning on November 7th with finals culminating on November 12th.

Happy hour will begin at 4:00 p.m. and potluck picnic at 5:00 p.m. Tennis Association members, spouses and guests are invited to watch the matches and attend the happy hour and pot luck picnic. Call Joan Delzangle (868-6196) with your selection of food. Bring your own beverage and chairs.

Listed below is the Fall Calendar:

- November 7-12 Double-double tournament
- November 15 Men's and women's open tennis
revert to 9:00 a.m. Start

The HPTA Board of Directors approved a motion to purchase a new ball machine for use by members. When the machine arrives we will offer short training sessions for members who may wish to use it. Only members attending one of the sessions will be permitted to use the machine.

New members are always welcome. Please contact Toni Arevalo for women's tennis and Nick Marino for men's tennis.

County Commissioner Pat Mulieri and Senior Assistant Lucille Paterno were there to present two Resolutions passed at the October Pasco County Commission meeting: Acknowledging October 16 as

National Feral Cat Day, and Commending Kitty Coalition for its Feral Cat Rescue Program.

The meal was delicious, Host Mel Letterer was masterful, and a good time was had by all. Sunday, October 14th is the date is set for the 2012 Acatemy Awards. Do not miss next year's event! For those of you who missed it this year, your cats have been calling to complain.
