

# THE AMERICAN LEGION LEGACY RUN

May 11, 2017

TO: All 2017 Legacy Run Registrants

Attached is a list of some hotels in the towns where this year's Legacy Run will be overnighting. Please note that the hotels **highlighted in YELLOW** are designated for Staff and Ride Leadership and will likely have very few, if any, rooms available for others.

Please make your hotel reservations as soon as possible, particularly in the towns of Ely and Fallon, Nevada where there is a limited number of hotels available. If you would be willing to share your hotel room in these and/or other locations, please e-mail me at the address below and we will help to coordinate this.

Additionally, please note that we will be traveling during the "high tourist season" and the room rates listed on the maps on the following pages may be different than the current rates shown.

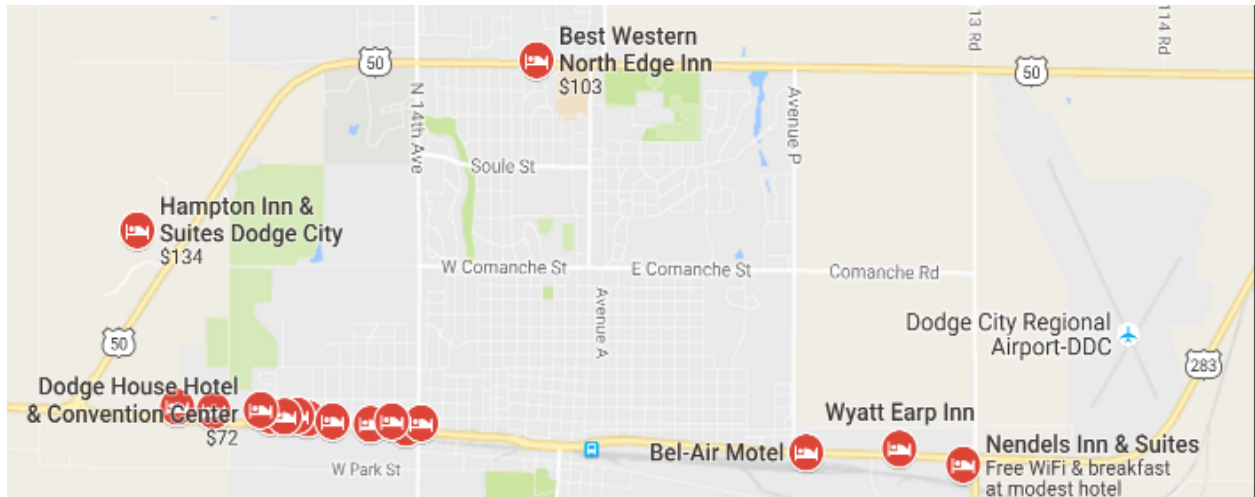

The daily beginning of ride and end of ride rally and dispersal points are not confirmed as of this date; we will advise you when these details are finalized.

Once again, this year we have a very interesting ride planned which will offer some unique challenges in the route and stops. I look forward to seeing everyone again at Fort Dodge, Kansas for registration and pre-ride briefings. More information on the route and the Agenda for the events at Fort Dodge will be published in the next few weeks.

Ride safe, and if you have any questions, please do not hesitate to contact me.

Robert B. Sussan, Chairman  
American Legion Riders Advisory Committee  
Legacy Run Chief Road Captain
