

## Summer 2010 Mystery Knitalong

### Clue 2

Attach Color B, but do not cut Color A.

Working even in stockinette stitch over 96 stitches,  
Knit 6 rounds in Color B  
Knit 2 rounds in Color A

It is not necessary to cut the yarn between stripes; just carry the unused color along on the wrong side of the work. Twist the two colors together every couple of rounds to avoid long strands on the inside of the hat.

Repeat the 8 rounds of the stripe pattern 4 more times (total of 40 rounds in this section)

+++++

“Use up the Scraps” version: Use different yarn colors for some of the Color B sections. Keep the Color A stripes matched to the ribbing from Clue 1.
