# Numbers, Symbols & Words

## Your Daily Warmup Puzzles

In bridge we manipulate puzzles involving numbers, symbols and words and strive for logical solutions (or at least inspired guesses). In each issue this week we will feature a pair of number/symbol puzzles, an easy one here on page two, and a harder one on the inside back cover; and, a word puzzle at the bottom of this page. In all of these puzzles, you will be able to solve them without guesswork, by logical deductions alone, which is what we're all trying to do at the table.

Today's puzzle is called **Unruly**. We start with a grid of squares, some with X or O in them. Your job is to fill in the rest of the grid with an X or O in each cell, such that:

—There are no three consecutive cells horizontally or vertically with the same symbol. (There will be instances of three or more consecutive diagonal cells with the same symbol.)

—Each complete row and column contains an equal number of Xs and Os.

The easy version is below. Hints, and a more difficult puzzle will appear on page 15. Answers will appear in tomorrow's Daily Bulletin. For more warmups, check out the word puzzle on page 6.

Thank you for joining us in Olympia for our second Regional tournament. This letter contains some information that will be helpful to you during the tournament.

Parking at the Red Lion is free for tournament players (ignore the notice to pay). Passes for your car will be available at the Hospitality Desk; however, you do not need one. Do NOT park in the business or state parking lots as you may be towed, even during evening hours.

In your welcome packet is a list of local restaurants that are offering discounts for meals and/or door prizes. Please consider rewarding their support by eating at their establishments. In order to receive the discount, you will need to show a bridge card.

The Red Lion Hotel (host hotel) has a concession stand that will be open from 8:30 am to 2 pm and 6 pm to 9 pm daily on the playing floor level. The Lounge will have Double Happy Hour in the bar from 9 pm to closing.

The Red Lion Restaurant is offering a buffet between the afternoon and evening sessions or a limited menu that will allow staff to serve you quickly. A notice will be posted daily at the restaurant.

The Red Lion is offering a box lunch between sessions on Sunday for \$10. There will only be a short break between sessions of Fast Pairs or Swiss Teams. You can purchase your lunch from the concession stand Tuesday through Saturday for pick up during the Sunday break.

The Intermediate/Novice Reception will be on Thursday between the sessions in a hospitality suite.

Special thanks to Unit 451 (Tacoma, Bremerton, Lakewood, Puyallup) for sponsoring the Capitol Dome Candies and Unit 441 (Thurston, Mason and Lewis counties) for sponsoring the Intermediate/Novice events.

If you have any questions, please ask staff at the hospitality desk, partnership desk or Intermediate/Novice desk. And, of course, you can ask me if you have any questions. Thanks again for attending and I wish you all success at the bridge table.

# Tuesday Evening Swiss Teams

## Winners: EPLEY (A), PATTERSON (B), BOARDMAN (C)

An 11-IMP win in the final match secured the event win for **EPLEY**, who finished +73 IMPs in their four wins. Team **PATTERSON** was **EPLEY**'s final victim but emerged with just enough VPs to take the Strat B win. Team **BOARDMAN** drew some tough teams but put together two large wins in the final two rounds to emerge atop Strat C.

ALERT: One more session to go Wednesday Afternoon			

Word puzzles this week are from an app called **Unolingo**. It is a crossword without clues! There are exactly 26 blanks to fill in, and each letter of the alphabet fills one of the blanks. The puzzles are designed so that

C	I		I		E	N			F		A	B	C	
			H		E		O		T	O		D	E	F
S		O		E		R				R		G		H
		S						I	L			I		J
U	S		D							S		K	L	M
I			I		O		E	D				N	O	P
R					A	L	A					Q		R
	E		E		T	S		B				S		T
E					T	E				S		U	V	W
	E		T				E	G				X	Y	Z

only common English words are used, no centuries-old arcane words that are found in crosswords. You'll do best by looking for the locations of the hard letters first: QU, X, J. Be sure to mark off the letters used in the checking area beside the grid to keep track of your progress. It's not as difficult as it seems! I did most of these in 3-6 minutes.

A list of words in the puzzle (in alphabetical order) is on page 12. If you need a more limited hint, ask someone to examine the word list and tell you if the list contains, for example, a six-letter word starting with D and ending in E.

# Monday Evening Charity Pairs

## a.k.a. Evening Side Game Series, Game 1 of 4

A very powerful session for local winners **Greg Trautman** and **Ronald Woodard**. Their online summary at Bridge Results reveals that they had only five scores below average (none below 20%), along with four tops and twelve scores of 75% or better. They scored eight more tricks in the contracts they played and defended than the double dummy analyses would expect.

## Olympia's First New LM (So that's what those letters are for)

It seemed like an obvious backdrop for a new Life Master photo. Except that when I looked at it online I realized that a new LM deserves to be featured in a photo. So, two photos of **Jean Noste**, Friday Harbor WA, who became a Life Master in the knockouts on Tuesday. Congratulations!

# Unruly Hints

## Introductory Puzzle on Page 2

**Unruly** recap: Fill in the rest of the Xs and Os so that there are no horizontal or vertical three-in-a-rows (diagonal is OK), and so that the number of Xs and Os in each row and column is exactly equal.

**Unruly** hints: Look for pairs of adjacent Xs or Os and mark the opposite symbol on both ends. Look for X-blank-X or O-blank-O and mark the opposite symbol in the middle. When there are only two or three unmarked cells in a row or column, count the Xs and Os in the row or column. If one symbol already has half, fill in the rest with the other. If the remainder is 1-1 or 2-1 or even 3-1, often you will be able to see where the single must go to prevent a three-in-a-row from forming.

Now can you do the easy puzzle on page 2?

How about the more difficult one on this page?

## DINO Recorder

The main role of the Recorder is to receive written information, complaints and suggestions by players about other players, tournament directors, tournament facilities and anything else directly related to bridge.

The Recorder's Duties:

- The Recorder keeps ongoing records of all grievances brought to his attention, the facts of which he is able to verify. Absolute confidentiality is observed.
- The Recorder has no punitive powers. If a hearing does take place, however, the Recorder's records may be made available to the Committee as evidence.
- The Recorder will review memos received and determine how the issue is to be acted upon. He may investigate to determine the facts and possible extenuating circumstances.
- The Recorder acts as an educator. Many players do not understand ethics and rules. The Recorder is able to help newer players, and others, become aware of each player's ethical responsibilities.

To report an incident to the District Recorder, obtain a Player Memo form from a Director. All Player Memos should be completed as fully as possible and returned to the Recorder or to a Director. The DINO Recorder is: **David Binney**, 1522 4th Ave N., Seattle, WA 98109. Phone: 206/354-3871. Email: [dhbinney@comcast.net](mailto:dhbinney@comcast.net)

## Bridge Near the Capitol WEDNESDAY Edition

**Bridge Near the Capitol** is the Daily Bulletin of the 2014 Capital City Regional, held in Olympia WA, about an eighty-minute drive southwest of Seattle. The tournament site is the Red Lion Hotel, near the Crosby Blvd/Cooper Point Road exit from Highway 101, on Lakeridge Drive near the Thurston Country Courthouse. Across Capitol Lake is the Washington State Capitol Dome and downtown Olympia.

### **Bridge Near the Capitol**

Bruce McIntyre  
(Burnaby BC)

e-mail: [ooga@shaw.ca](mailto:ooga@shaw.ca)

I welcome news, stories, photos, interesting deals, and other material for **Bridge Near the Capitol**, and I'll print as much as I can—from experts, intermediates, and novices alike. I will be available for photos of overall winners in all strats before the afternoon session and again following the evening

session. Any win is important enough for a photo: no matter the bracket or strat. I should be available to take photos in the playing area each evening as play ends and possibly at other times when I am not stapling Bulletins or preduplicating boards.

Each edition of **Bridge Near the Capitol** is posted online at about breakfast time, at the District 19 web site: **d19.org**. Game results are posted every evening by about 12:30am at **bridgeresults.net** (look for "ACBL District 19 Regionals And Events"). A third site, **imageevent.com/mcbruce** will contain photos taken of winners, but these depend on available time and may not appear until the end of the week.

Results pages at the **Bridge Results** site include all kinds of special features, plus the ability to add your photo and track your results with different partners, and send messages to other members (membership is free). All three sites will have links to the others so you should be able to return to the District page easily after viewing results, or open the Daily Bulletin in a new tab, or switch easy to the photos site and find your way back.

Delays? Bug me, not **d19.org** editor **Randy Corn**: not his fault. The only 100% way to get the results when they come out is to attend the tournament!
