Numbers, Symbols & Words

Your Daily Warmup Puzzles

In bridge we manipulate puzzles involving numbers, symbols and words and strive for logical solutions (or at least inspired guesses). In each issue this week we will feature a pair of number/symbol puzzles, an easy one here on page two, and a harder one on the inside back cover; and, a word puzzle at the bottom of this page. In all of these puzzles, you will be able to solve them without guesswork, by logical deductions alone, which is what we're all trying to do at the table.

Today's puzzle is called **Bridges**. We start with islands that have numbers in them. Your objective is to connect these islands with bridges, such that:

- all bridges are straight lines that go left-right or up-down. No diagonals, turns, or slants.

- the number of bridges terminating at any island is equal to the number written in that island

- islands can be connected with one bridge or with two parallel bridges, but no more than two

- it must be possible to get from any island to any other via the network of bridges

- no bridges may cross one another or go over an island

The easy version is below. Hints, and a more difficult puzzle will appear on page 15. Answers will appear in tomorrow's Daily Bulletin. For more warmups, check out the word puzzle on page 12.

Notes & Notables

Get ready for “No IMPs Thursday!”

Well, almost. There is a pair of final matches in the Morning Knockout Teams scored in IMPs, but the rest of the day is matchpoint pairs and Board-A-Match teams, at which matchpoint strategies win. This is the big day for people who can find a way to elusive overtricks without risking the contract! And other effective ways to get a slightly better result than someone else holding the same cards...

It's also I/N Reception Day, the **Intermediate/Newcomers Reception** being held from 5:30 to 6:30 in Room 171 here at the Red Lion. District and Unit officials will be there to answer your questions and welcome you. You may even meet a new potential partner! See you this afternoon.

Dick Yarrington will be the featured speaker on Thursday. His topic is “Transfers: Old and New.” 6:15 in the main playing area.

Thanks to the following restaurants for providing Gift Certificates for door prizes:

Thursday: Applebee's, Black Bear Diner, IHOP (3), Olive Garden, Red Lion Westwater Restaurant.

Purchase entries by credit or debit card! Entry coupons will be sold just outside the main playing area, near the Partnership Desk, before evening and afternoon sessions. The small surcharge has been eliminated for this tournament, so cash and credit/debit entries cost the same amount. You still need to get in the main line for entries, so give yourself enough time purchase your coupons if you want to buy them.

The Red Lion's Concession Stand will be open from 8:30am to 2pm and 6pm to 9pm daily on the playing floor level. They will also be selling tickets for a box lunch on Sunday for \$10.00. There will only be a short break on Sunday between the Swiss Team and Fast Pairs games, so you may want to take advantage of the box lunches. The lunch will include sandwich, bottled water, cookie, and fruit. The sandwich choices include vegetarian wrap, turkey croissant, and roast beef on a kaiser roll.

Tues.-Wed. Afternoon “Daylight” A/B Pairs

Horizontal Double for Brunswig and Trautman (Part 1)

Instead of an Open Pairs on Tuesday and Wednesday, the two events were horizontal: two afternoons in one event, two evenings in the other. (Lots of manual work for the Daily Bulletin editor when his program got hopelessly confused.) Both events were won so handily by **Jessie Brunswig** and **Gregory Trautman** (photo, page 8) that they would have won easily if grouped in the usual way! B strat winners in the “Daylight” game were tourney chair **Debra Wilhelmi** and **Valerie McVay**.

Top on a board: 8. Average for the event was 216. Winning scores were 254 (A), 229½ (B). To make the overalls you needed a total of 229½ (A), 219 (B). Average masterpoints for players in this event: 3271 (Tuesday), 3415 (Wednesday).

Horizontal Double for Brunswig and Trautman (Part 2)

B strat winners in the evening game were **Hellen Miller** and **Bruce Yoder**. C strat winners were **William Bergh** and **Matthew Edwards**.

Afternoon Side Game Series

Game 1 of 3: Wednesday Afternoon Side Game

Yesterday Afternoon's Side Game failed to lift off the runway (passengers were transferred to other events safely), so the Afternoon Series is down to just three games. We have the unusual situation of having four side game series in different stages of completion at the end of Wednesday: the Evening Series, which began Monday evening, had three games in, the Morning Series had two games in, the Afternoon Series had only one game completed, and the Weekend Series (Friday Evening and all Saturday) had zero games in!

Side Game Series Overalls

Well, Morning and Evening anyhow. (Afternoon leaders tomorrow.)

The sum of the percentage scores of your best two games in a single Side Game Series (even if you played the two games with different partners) is your individual score for that series. Leaders in each series win overall awards in gold points which usually replace the awards won in the individual games (but sometimes not).

Word puzzles this week are from an app called **Unolingo**. It is a crossword without clues! There are exactly 26 blanks to fill in, and each letter of the alphabet fills one of the blanks. The puzzles are designed so that only common English words are used, no centuries-old arcane words that are found in crosswords. You'll do best by looking for the locations of the hard letters first: QU, X, J. Be sure to mark off the letters used in the checking area beside the grid to keep track of your progress. It's not as difficult as it seems! I did most of these in 3-6 minutes.

290 different players have won a total of 1657.40 masterpoints (33 more have played but have not won any) at the 2014 Olympia Regional. For those who have won masterpoints this is 5.72 points per player.

(Notes & Notables, continued from page 2)

The Lounge will have Double Happy Hour in the bar from 9pm to closing. Watch the restaurant for lunch and dinner specials and for special express items you can get quickly when gametime is imminent.

A reminder to players not to wear cologne, perfume or scented lotions while attending bridge events. Some players have an extreme sensitivity to these scents, producing headaches or breathing problems, and since bridge requires us to be near one another, this puts these players at a severe disadvantage. The District has joined the ACBL in deciding not to adopt an official policy, instead relying on the goodwill of its members to refrain from using fragrances.

Don't forget to pick up your tournament package at the Hospitality Desk in the main lobby of the Red Lion. Among the information included: Parking is free in the hotel lot for bridge tournament attendees (ignore the notice to pay). Sunday's break will be a short one and you will need to buy a lunch in advance (by Saturday, at the concession stand) or bring your own.

Bridges Hints

Introductory Puzzle on Page 2

Bridges recap: Connect the islands (the circles) with bridges that run left-right or up-down and do not cross. You must connect all of the islands together and each island's number indicates the total number of bridges that lead into it. Two islands can be connected with one bridge, or two parallel bridges.

Bridges hints: Quite often you can fill in most of the bridges from an island just by reason. A '3' island in a corner (or one that can connect to two others only) must have one bridge to each (which you can fill in) and one bridge in parallel (which you'll need to figure out). Watch the '1' islands and connect them whenever there is only one island they can connect to. You might want to colour in the islands that cannot have any more bridges leading from them, but only if you're sure.

Now can you do the easy puzzle on page 2?

How about the more difficult one on this page?

The number/symbol puzzles were generated by software available (for all computers or smartphones) at this site — www.chiark.greenend.org.uk/~sgtatham/puzzles/ — where you will find over three dozen types of such puzzles and controls to suit any size and difficulty level.

Bridge Near the Capitol THURSDAY Edition

Bridge Near the Capitol is the Daily Bulletin of the 2014 Capital City Regional, held in Olympia WA, about an eighty-minute drive southwest of Seattle. The tournament site is the Red Lion Hotel, near the Crosby Blvd/Cooper Point Road exit from Highway 101, on Lakeridge Drive near the Thurston Country Courthouse. Across Capitol Lake is the Washington State Capitol Dome and downtown Olympia.

I welcome news, stories, photos, interesting deals, and other material for **Bridge Near the Capitol**, and I'll print as much as I can—from experts, intermediates, and novices alike. I will be available for photos of overall winners in all strats before the afternoon session and again following the evening

session. Any win is important enough for a photo: no matter the bracket or strat. I should be available to take photos in the playing area each evening as play ends and possibly at other times when I am not stapling Bulletins or preduplicating boards.

Each edition of **Bridge Near the Capitol** is posted online at about breakfast time, at the District 19 web site: **d19.org**. Game results are posted every evening by about 12:30am at **bridgeresults.net** (look for “ACBL District 19 Regionals And Events”). A third site, **imageevent.com/mcbruce** will contain photos taken of winners, but these depend on available time and may not appear until the end of the week.

Results pages at the **Bridge Results** site include all kinds of special features, plus the ability to add your photo and track your results with different partners, and send messages to other members (membership is free). All three sites will have links to the others so you should be able to return to the District page easily after viewing results, or open the Daily Bulletin in a new tab, or switch easy to the photos site and find your way back.

Delays? Bug me, not **d19.org** editor **Randy Corn**: not his fault. The only 100% way to get the results when they come out is to attend the tournament!
