Numbers, Symbols & Words

Your Daily Warmup Puzzles

In bridge we manipulate puzzles involving numbers, symbols and words and strive for logical solutions (or at least inspired guesses). In each issue this week we will feature a pair of number/symbol puzzles, an easy one here on page two, and a harder one on the inside back cover; and, a word puzzle at the bottom of this page. In all of these puzzles, you will be able to solve them without guesswork, by logical deductions alone, which is what we're all trying to do at the table.

Today's puzzle is called **Bridges**. We start with islands that have numbers in them. Your objective is to connect these islands with bridges, such that:

—all bridges are straight lines that go left-right or up-down. No diagonals, turns, or slants.

—the number of bridges terminating at any island is equal to the number written in that island.

—islands can be connected with one bridge or with two parallel bridges, but no more than two.

—it must be possible to get from any island to any other via the network of bridges.

—no bridges may cross one another or go over an island

The easy version is above right. Hints, and a more difficult puzzle will appear on page 23. Answers will appear in tomorrow's Daily Bulletin. For more warmups, check out the word puzzle below.

Word puzzles this week are from an app called **Unolingo**. It is a crossword without clues! There are exactly 26 blanks to fill in, and each letter of the alphabet fills one of the blanks. The puzzles are designed so that

O			E	C	T					A	B	C
			N				A	S		D	E	F
A				O		E	R	N		G		H
		A		L			T	O		I		J
U			N		O				E	K	L	M
E		T	E	N			E		E	N	O	P
		R			D		A			Q		R
		I		M				O	E	S		T
		C				B	E		S	U	V	W
P	O		E	D			N			X	Y	Z

without clues! There are exactly 10,000 words in the dictionary. The puzzles are designed so that only common English words are used; there are no unfamiliar, arcane centuries-old words found only in crossword puzzles. You'll do best by looking for the locations of the hard letters first: Q, X, J. Be sure to mark off the letters used in the checking area beside the grid to keep track of your progress. It's not as difficult as it seems! I did most of these in 3-6 minutes.

A list of words in the puzzle (in alphabetical order) is on page 21. If you need a more limited hint, ask someone to examine the word list and tell you if the list contains, for example, a six-letter word starting with D and ending in E.

Okanagan Notes

Welcome to Penticton!

Here we go again: it's Canada's biggest and nicest regional, a place where you can play bridge, relax on a beach, golf, go on a tour of local vineyards, see the interesting historic sites Penticton has to offer...and nothing is more than a few blocks away. Do not be afraid of a Penticton weather report that predicts rain: most of what is predicted evaporates long before it reaches the sidewalk. Sunny with a few clouds is the forecast for the rest of the tournament. Enjoy!

As always, be sure to check out the Hospitality Desk with all of your questions about Penticton, local restaurants, events running alongside the tournament, and parking passes happily given by the city to its annual bridge guests. People with the answers to your questions about Penticton and events will be there before each session.

The concession stand is open from 8:00 until 2:00, and then moves over to the bar setup for the evening. Beverages, sandwiches, cookies, and other snacks. There is a fine deal on the Sunday lunch but they want you to sign up in advance and make your order, to minimize the break time and get us all on the road a bit quicker at the end. Order sheets are at the Hospitality Desk.

Event winner prizes will be available beginning today near the concession stand. Overall winners of Open Pairs, Gold Rush Pairs, Side Game Series (the individual series winner, not the individual games), and bracket winners (limited to four prizes per team) are eligible. If you have won an event listed above, go get your prize!

Also, if you have won an event, come to the Bulletin office outside the far end of the pairs area, near Section Q. Bring your teammates or partner, and we'll get your photo for the Daily Bulletin. Not too many chose to do this yesterday, which is a good thing because with one and a half days of events, I struggled to keep this to 24 pages! I apologize if your name looks a little bit like this, and promise that it won't happen again (at least not to that extent)....

Today's post game entertainment, after the evening session is tribute artist Almost Alan, featuring music by country star Alan Jackson. A bar open late and reduced drink prices promise to make this a fun post-game party! More revelry will take place on Friday, with the annual appearance of Elvis.

You can pay for entries with your credit card, and purchase vouchers that can be used all week. David Schmidt has a small table set up beside the entry sellers before each afternoon session and occasionally before the evening session. There is no extra charge for this service, the vouchers cost \$14 Canadian at whatever the current exchange rate is. Remember though that you still need to line up and pay for an actual entry with the purchased voucher.

Also starting today: each evening at about 6:30 pm, a quick bridge talk, from the corner of the room closest to section Q. Tonight's speaker is Jane Youngberg of White Rock BC. The rest of the lineup is still being worked out. I trust when the batting order is decided that the bridge talk manager will let me know who's up next...

Online results, Bulletins, and photos taken, from several different sources, are all contained at one page of links: tinyurl.com/d19pent2015

Congratulations to new Life Masters **Michael & Eleanor Scott-Kerr**, Duncan BC. (Thanks to **Matt Smith** for taking the photo.)

Jim Thompson, Seattle WA, is now a Silver Life Master (1,000 MP). Congratulations!

Cecie Vatne, Rochester WA, is a new Bronze Life Master (500 MP). Congratulations!

Tuesday Open Pairs

Six straight for Victoria players at District Open Pairs events!

Victoria's **Tim Ayers** and **Duncan Smith** continued the streak established at the first District 19 Regional of 2015, where **Doug** and **Sandra Fraser** won the first four two-session Open Pairs, and then Doug won the Saturday Open Pairs with **Mike Hargreaves**. Ayers and Smith led at halftime and just cleared 60% in the evening, winning by almost a half a board, conforming to McBruce's Infallible Rule: two 60% sessions equals a win (unless someone else does even better). The under-2000 winners were **Lorraine Hayne** and **John Crouch**, who were more than a board ahead and finished 9th overall with a strong evening session.

Top on a board: 38. Average for the event was 988. Winning scores were 1246 (A), 1140½ (B). To make the overalls you needed a total of 1084½ (A), 1006½ (B). Average masterpoints for players in this event: 2420 (afternoon), 2374 (evening).

Tuesday Gold Rush 0-750 Pairs

“The rematch takes place today at 1pm...”

A Monty Python sketch of the Olympic Championship in Hide and Seek features a second leg that ends over twelve years after it begins, with the seeker searching the world and finally finding the hider in a medieval castle, resulting in...a dead tie, down to the second! That must have been how co-winners **Audrey Pekrul** and **Andrea Johnson**, and **Tom** and **Chris Neilsen** felt after playing 48 boards, only to find themselves tied at the top. Luckily, there is another Gold Rush Pairs today! And tomorrow. And Friday and Saturday too.

Top on a board: 7. Average for the event was 168. Winning scores were 205½ (7, 5, 3). To make the overall you needed a total of 183 (7), 184½ (5 3). Average masterpoints for players in this event: 322 (afternoon and evening).

Bridges Hints

Introductory Puzzle on Page 2

Bridges recap: Connect the islands (the circles) with bridges that run left-right or up-down and do not cross. You must connect all of the islands together and each island's number indicates the total number of bridges that lead into it. Two islands can be connected with one bridge, or two parallel bridges.

Bridges hints: Quite often you can fill in most of the bridges from an island just by reason. A '3' island in a corner (or one that can connect to two others only) must have one bridge to each (which you can fill in) and one bridge in parallel (which you'll need to figure out). Watch the '1' islands and connect them whenever there is only one island they can connect to. You might want to colour in the islands that cannot have any more bridges leading from them, but only if you're sure.

Now can you do the easy puzzle on page 2?
How about the more difficult one on this page?
Also, check the word puzzle on page 2.

Answers will appear in tomorrow's issue. The number/symbol puzzles were generated by software available (for all computers or smartphones) at this site — www.chiark.greenend.org.uk/~sgtatham/puzzles/ — where you will find over three dozen types of such puzzles and controls to suit any size and difficulty level.

DINO Recorder

The main role of the Recorder is to receive written information, complaints and suggestions by players about other players, tournament directors, tournament facilities and anything else directly related to bridge.

The Recorder's Duties:

- The Recorder keeps ongoing records of all grievances brought to his attention, the facts of which he is able to verify. Absolute confidentiality is observed.
- The Recorder has no punitive powers. If a hearing does take place, however, the Recorder's records may be made available to the Committee as evidence.
- The Recorder will review memos received and determine how the issue is to be acted upon. He may investigate to determine the facts and possible extenuating circumstances.
- The Recorder acts as an educator. Many players do not understand ethics and rules. The Recorder is able to help newer players, and others, become aware of each player's ethical responsibilities.

To report an incident to the District Recorder, obtain a Player Memo form from a Director. All Player Memos should be completed as fully as possible and returned to the Recorder or to a Director. The DINO Recorder is: **David Binney**, 1522 4th Ave N., Seattle, WA 98109. Phone: 206/354-3871. Email: dhbinney@comcast.net

Side Games can be entered at any time and carry no obligation to play in any other games in the series. All events are stratified by the average masterpoint holding of a pair or team, but all members of the pair or team must be under the event limit (if there is one), even if the average “just fits.”

Bridge By The Beach WEDNESDAY Edition

Bridge By The Beach is the Daily Bulletin of the 2015 Penticton Regional, at the Penticton Trade and Convention Centre, a short walk from the beach at Okanagan Lake. The tournament is Canada's largest and most enjoyable Regional, with events of all types for players of all levels, and excellent hospitality. The word 'Penticton' came from a local native language, meaning “permanent place where waters pass by.”

Bridge By The Beach editor:

Bruce McIntyre
(Burnaby BC)

e-mail: ooga@shaw.ca

I welcome news, stories, photos, interesting deals, and other material for **Bridge By The Beach**, and I'll print as much as I can—from experts, intermediates, and novices alike. I will be available for digital

photos of overall winners in all strats following each evening session in the office near the north end entrance. You'll be able to find me preduplicating boards for pair games in the office during the afternoon and evening sessions—but my time may be limited. If you send me a photo by e-mail, be sure to tell me the event, and left-to-right names.

Each edition of **Bridge By The Beach** is posted online by breakfast time. There are at least three places where results are posted, and there is a separate spot for photos taken at the tournament. The District 19 web site **d19.org** used to be the hub for all of this online activity, but the untimely passing of Randy Corn last December has slowed the District site down a bit. For this tournament, I am posting and updating a page of links at this 'tiny URL':

tinyurl.com/d19pent2015

This one short address will give you one-click access to all sites that are providing coverage for this tournament, explaining what each site offers and letting you know when things are posted. Bulletin links will be there as well for those who like to read the Daily Bulletin with breakfast!
