## ATTENDANCE

**1261 TABLES THRU WEDNESDAY**

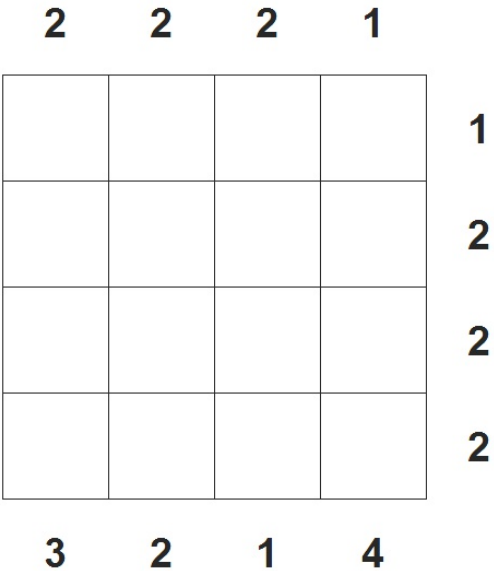

# Numbers, Symbols & Words

## Your Daily Warmup Puzzles

In bridge we manipulate puzzles involving numbers, symbols and words and strive for logical solutions (or at least inspired guesses). In each issue this week we will feature a pair of number/symbol puzzles, an easy one here on page two, and a harder one on the inside back cover; and, a word puzzle at the bottom of this page. In all of these puzzles, you will be able to solve them without guesswork, by logical deductions alone, which is what we're all trying to do at the table.

Today's puzzle is called **Towers**. We start with a grid of squares again, this time with hint numbers on all four sides. Grid squares contain buildings of varying heights, from one (lowest) to grid size (highest). As with Sudoku and other similar puzzles, there is one building of each height on each row and column. The hint numbers on the sides tell you how many buildings you can see from that point, looking along the row or column, unobstructed by other buildings. You cannot see past a higher building to a smaller one behind, of course.

Can you figure the height of each building from these clues alone? The easy version is above. Hints, and a more difficult puzzle will appear on page 23. Answers will appear in tomorrow's Daily Bulletin.

Word puzzles this week are from an app called **Unolingo**. It is a crossword without clues! There are exactly 26 blanks to fill in, and each letter of the alphabet fills one of the blanks. The puzzles are designed so that only common English words are used; there are no unfamiliar, arcane centuries-old words found only in crossword puzzles. You'll do best by looking for the locations of the hard letters first: QU, X, J. Be sure to mark off the letters used in the checking area beside the grid to keep track of your progress. It's not as difficult as it seems! I did most of these in 3-6 minutes.

A list of words in the puzzle (in alphabetical order) is on page 17. If you need a more limited hint, ask someone to examine the word list and tell you if the list contains, for example, a six-letter word starting with D and ending in E.

## Attendance looking good!

1261 through Thursday is ten tables better than last year, when we finished just slightly below 3,000 tables. Maybe we can break that barrier this year, as this tournament has many times previously.

Two events of note today: the post game entertainment is....more bridge, with a 10:45 ZIP knockout teams. You need only stay up as long as you keep winning. Also today, between the afternoon and evening sessions at the Sandman Inn, a short walk from the Trade and Convention Centre, is the Intermediate/Novice Reception, open to all 199er players, Goodwill Committee Members, and District Board Members. Come and meet other developing players and some of the people who help the game continue to grow! 5pm at the Sandman Inn.

Special alert: in place of much of the usual page three fare, we will have a special feature tomorrow in this space. Watch for it.

Today at 6:30 pm, a special bridge talk, part one of a two-part series to conclude tomorrow, by **Donna Compton** of Dallas TX. **Duncan Smith** of Victoria will be the Saturday speaker.

As always, be sure to check out the Hospitality Desk with all of your questions about Penticton, local restaurants, events running alongside the tournament, and parking passes happily given by the city to its annual bridge guests. People with the answers to your questions about Penticton and events will be there before each session.

You can pay for entries with your credit card, and purchase vouchers that can be used all week. David Schmidt has a small table set up beside the entry sellers before each afternoon session and occasionally before the evening session. There is no extra charge for this service, the vouchers cost \$14 Canadian at whatever the current exchange rate is. Remember though that you still need to line up and pay for an actual entry with the purchased voucher.

The concession stand is open from 8:00 until 2:00, and then moves over to the bar setup for the evening. Beverages, sandwiches, cookies, and other snacks. There is a fine deal on the Sunday lunch but they want you to sign up in advance and make your order, to minimize the break time and get us all on the road a bit quicker at the end. Order sheets are at the Hospitality Desk.

Event winner prizes are now available near the concession stand. Overall winners of Open Pairs, Gold Rush Pairs, Side Game Series (the individual series winner, not the individual games), and bracket winners (limited to four prizes per team) are eligible. If you have won an event listed above, go get your prize!

Also, if you have won an event, come to the Bulletin office outside the far end of the pairs area, near Section Q. Bring your teammates or partner, and we'll get your photo for the Daily Bulletin. Not too many chose to do this yesterday, which is a good thing because with one and a half days of events, I struggled to keep this to 24 pages! I apologize if your name looks a little bit like this, and promise that it won't happen again (at least not to that extent)....

Online results, Bulletins, and photos taken, from several different sources, are all contained at one page of links: **[tinyurl.com/d19pent2015](http://tinyurl.com/d19pent2015)**

Congratulations to new Life Master **Nita Dalal** of Vancouver BC!

## Who says you can't win from the third strat?

Whoever it was, don't believe a word of it. **Keith Hibbert** and **Jean-Philipp Weber** put together two sessions of about 60% to win by a little more than half a board, winning the under-500 and under-300 strat as well.

Top on a board: 7. Average for the event was 168. Winning scores were 204.29 (7, 5, 3). To make the overalls you needed a total of 181 (7), 177.29 (5), 170½ (3). Average masterpoints for players in this event: 324 (afternoon and evening).

# Wednesday Evening Swiss Teams

## Active Ethics Pays 6.28 red points

**Eda Kadar** came to the Bulletin office after the last Director had left for dinner. Eda's team had gotten agreement with the other team in their knockout match that Eda's team was the winner, and the result was reported; but a recount showed a dead tie. She reported the error promptly enough so that the playoff loser could still get into the evening Swiss, and Eda's team lost the playoff but came within one VP (along with the **Ho** team) of first place **STEINBERG**, taking first in B and C. Bravo!

# Towers Hints

## Introductory Puzzle on Page 2

**Towers** recap: Each grid square contains a building with a height from 1 to grid size, with no duplicates in rows or columns. The hint numbers on the outside (not many of those in the harder one on this page!) tell you how many buildings are viewable from that spot, looking along that row or column. Smaller buildings behind larger ones cannot be seen and are not included.

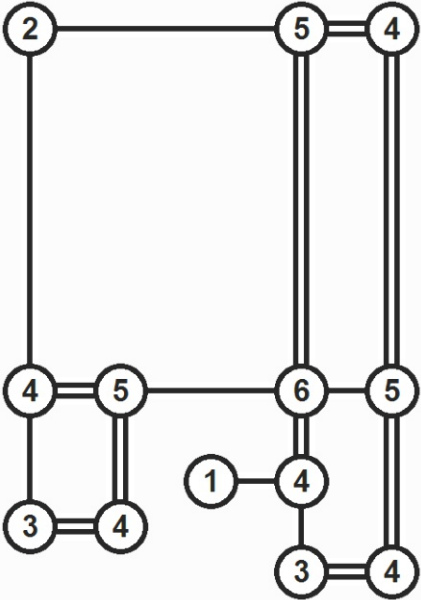

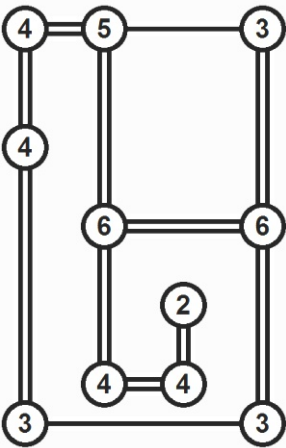

**Towers** hints: Hint numbers that are '1's mean that the nearest building has blocked out the rest in that row or column, and therefore must be the highest height possible for that grid. If you can see all of the buildings in a row or column, they must be arranged in numerical order from lowest to highest.

Now can you do the easy puzzle on page 2?  
How about the more difficult one on this page?  
Also, check the word puzzle on page 2.

Answers will appear in tomorrow's issue. The number/symbol puzzles were generated by software available (for all computers or smartphones) at this site — [www.chiark.greenend.org.uk/~sgtatham/puzzles/](http://www.chiark.greenend.org.uk/~sgtatham/puzzles/) — where you will find over three dozen types of such puzzles and controls to suit any size and difficulty level.

## Bridge By The Beach THURSDAY Edition

**Bridge By The Beach** is the Daily Bulletin of the 2015 Penticton Regional, at the Penticton Trade and Convention Centre, a short walk from the beach at Okanagan Lake. The tournament is Canada's largest and most enjoyable Regional, with events of all types for players of all levels, and excellent hospitality. The word ‘Penticton’ came from a local native language, meaning “permanent place where waters pass by.”

I welcome news, stories, photos, interesting deals, and other material for **Bridge By The Beach**, and I'll print as much as I can—from experts, intermediates, and novices alike. I will be available for digital

photos of overall winners in all strats following each evening session in the office near the north end entrance. You'll be able to find me preduplicating boards for pair games in the office during the afternoon and evening sessions—but my time may be limited. If you send me a photo by e-mail, be sure to tell me the event, and left-to-right names.

Each edition of **Bridge By The Beach** is posted online by breakfast time. There are at least three places where results are posted, and there is a separate spot for photos taken at the tournament. The District 19 web site **d19.org** used to be the hub for all of this online activity, but the untimely passing of Randy Corn last December has slowed the District site down a bit. For this tournament, I am posting and updating a page of links at this ‘tiny URL’:

**[tinyurl.com/d19pent2015](http://tinyurl.com/d19pent2015)**

This one short address will give you one-click access to all sites that are providing coverage for this tournament, explaining what each site offers and letting you know when things are posted. Bulletin links will be there as well for those who like to read the Daily Bulletin with breakfast!
