Sunday A/X Swiss Teams

A masterpoint photofinish!

Six people on the winning Huang team made for interesting masterpoint calculations. Huang won the event but **Shan, Richard, Pat** and **Polly** began the day 3.11 points behind **Jonathan** and **Daniel**, who were second. Normally the difference would be more than three points, but overalls get pro-rated on a six-person team. When the results came out, Steinberg and Korbel were 1.40 points ahead.

Bridge By The Beach

WRAPUP Edition

Bridge By The Beach was the Daily Bulletin of the 2015 Penticton Regional, at the Penticton Trade and Convention Centre, a short walk from the beach at Okanagan Lake. The tournament is Canada's largest and most enjoyable Regional, with events of all types for players of all levels, and excellent hospitality. The word 'Penticton' came from a local native language, meaning "permanent place where waters pass by."

Bridge By The Beach editor:

Bruce McIntyre
(Burnaby BC)

I still welcome news, stories, photos, interesting deals, and other material for the online-only Wrapup edition of *Bridge By The Beach*, and I'll print as

much as I can—from experts, intermediates, and novices alike. I will be available for digital photos of overall winners in all strats at the end of play today. Be sure to find me if you have made Life Master or won an event!

There are at least three places where results are posted, and there is a separate spot for photos taken at the tournament. The District 19 web site **d19.org** used to be the hub for all of this online activity, but the untimely passing of Randy Corn last December has slowed the District site down a bit. For this tournament, I am posting and updating a page of links at this 'tiny URL':

tinyurl.com/d19pent2015

This one short address will give you one-click access to photos, Bulletins, and all sites that are providing coverage for this tournament, explaining what each site offers.

Thanks for all your kind comments: I especially enjoyed meeting people who played in the BBO tournament series I ran twelve years ago and still remember it! See you next year (or later this year)!
