SPECTRUM

SPECTRUM

A tall, cylindrical industrial smokestack stands prominently against a grey, overcast sky. The word "BALTIMORE" is written vertically in large, bold, black capital letters along the side of the stack. The stack has two metal walkways or ladders around its circumference. To the left of the stack is a large, dark industrial building with two prominent, curved ducts or chimneys extending from its roof. The overall scene is industrial and somewhat somber due to the monochromatic color palette.
