This is a **race/run/walk** for people of all ages and abilities taking place entirely on the Killdeer Island peninsula. The course is a figure 8 & ½ and run on one of the most scenic courses you will ever see. Come and enjoy the magnificent views of the lake amongst the beautiful homes and summer cottages on the island. The 5-mile course is mostly flat with two short but challenging hills. The road surfaces are paved with the exception of 1/3 of a mile of hard-packed gravel. It is a great course for spectators as the race passes through the start/finish line twice in the middle of the race. In addition to the bonus opportunity highlighted above, trophies will be awarded to the first three male and female runners in the race and the first three walkers. Also, age group prizes will be offered to the first 3 runners in each age group. Post-race refreshments and ice cold beverages will be available to all participants. A portion of the proceeds will be donated to The Webster Senior Center.
