Dear Dan,

This is to confirm our discussions over the past week regarding the exclusive agreement between Power Wagon locker and ARB-USA for the sales of part number PW01. Power Wagon Locker has been and will continue to be the exclusive distributor of this part. At this time the minimum order quantity we can accept to resume production is 50 units. Please let me know if you have any further questions.

A handwritten signature in black ink that reads "Jim Jackson". The signature is fluid and cursive, with a long horizontal stroke at the end.
