**J'LACHIC PRODUCTIONS' CLASSIC SOUL CABARET SERIES
MAKES ITSELF AT HOME IN THE RRAZZ ROOM**

Entertainment Series Debuts Feb. 1st - 8:00 pm | Press Welcome!

SAN FRANCISCO, CA – JANUARY 2012 – J'LaChic Productions is excited to announce that it will move its ongoing Classic Soul Cabaret series to The Rrazz Room, located inside San Francisco's luxurious Hotel Nikko, commencing with an exhilarating debut performance Wednesday, February 1, 2012 at 8:00 p.m. The show will feature Top Shelf Classic Soul Quartet. Produced by JohnnyT (Trotman), the series aims to preserve the arts and keep alive the rich heritage of ethnic gospel, soul, and R&B via its uniquely staged choreographed cabaret productions.

In production since 2006, J'LaChic's Classic Soul Cabaret series will bring to its Rrazz Room audience a variety of 'Broadway-styled' tributes to Ol' School, Doo-Wop and Classic Soul, as well its signature musical revue "*Uptown, Downtown, Motown Madness!*" More than a typical musical show, each stimulating performance is packed with theatrics, dance, and song as the intimate Rrazz Room is transcended into an expertly choreographed production.
