Licensed clinical psychologist and best-selling author Julia Hare, Ph.D. lent her name to this important work by providing the following back cover comment: *"I am utterly ecstatic to read about all of the strong, loving, creative, and determined women who are being honored in this book. Each story, poem and quote is an inspiration, and reminds me how incredibly indomitable we women are. Congratulations to all the COMBAT DIVAS – mothers, grandmothers, daughters, sisters and girlfriends – to whom tribute is being paid."*
