Redefining the Concept of Personalized Care

"His caring bedside manner and conservative treatment options put me quickly at ease...Dr. Higgins' staff complements him as well by presenting themselves as a well-oiled machine." – Valerie C.

During the first appointment...unlike what I have experienced in other offices the nurse did not turn her back to me while asking questions but continued to smile and worked to maintain eye contact while writing notes for my chart. When Dr. Higgins entered the room, he answered all the questions I had, and many I had not thought to ask. I never felt rushed so he could get to his next patient or bullied into a particular treatment option." – Kristen J.S.

There is so much more to being an orthopaedic surgeon than holding a scalpel.

Dr. Higgins specializes in non-operative and operative management of general orthopaedic conditions and the spine.

FROM THE BOARD OF DIRECTORS

We continue to take a proactive stance on the maintenance of the infrastructure of our community. Phase III of the common grounds project is underway. Bill Crusselle, with the assistance of the Ad-Hoc Common Grounds Committee, has received three bids and has chosen a contractor to help design an attractive fresh look for the area in front of the Clubhouse. Maintaining our community routinely, shows outsiders we care, it brings pleasure to our residents and increases the value of our properties.

Our Long Range Plan is underway. We hope you noticed our flyer inviting residents to attend the meetings and follow the planning process. This task is being facilitated by the Committee on Association Sustainability. Thanks to their talents and their abilities to do this job, they have saved our community a great sum of money. This plan is important because it is a roadmap to the future for Heritage Pines. We are looking at our needs as an association, at trends in HOA communities and at the revenue needed to get us where we want to be. We encourage our residents to participate in this on-going process and to share their ideas.

The Board of Directors is interested in establishing a Marketing Committee. If you have talents in that area we would be interested in speaking with you. Marketing can be expensive and it is not all about selling homes. Marketing Heritage Pines is about selling our wonderful lifestyle. We are an aging community, and we need to target the younger people who will be looking to retire in the near future. It would be an added bonus if they loved golf. Younger residents are more active and ready to enjoy all our community has to offer. The revenue they bring is important. There are many ways to market, but we have one of the best and least expensive ways to sell our lifestyle. When we open our doors to outside events, we increase our revenue and pay nothing for the exposure.

Our flashing speed sign seems to be doing its job. There is a noticeable slowing of traffic on our roads. A special thank you to everyone for your attention to this issue. It is especially important as summer approaches and we begin to notice families visiting Heritage Pines. We see children of all ages enjoying the sunshine, having fun in our pool and making wonderful memories. It is a good feeling to know they are safe. We have many visitors, but I know some of us still plan that summer vacation. If you are traveling this summer, we wish you a safe and fun-filled trip. We will be here to welcome you back.

FROM THE GENERAL MANAGER

By Bill Crusselle, *Club Manager*

This month will be a very busy month around the Clubhouse with several new projects:

1. The Board approved the Clubhouse renovation project and the demo of the old plants should start the first week of this month. The pruning of the oak trees that block the view of the Clubhouse has been done and it looks so much better. It will also allow more sunlight and air movement which will be good for the new plants.

2. The wall (fence) that is going up behind the kitchen should be done this month. This will finally upgrade the appearance in back of the kitchen so that our residents and guests aren't walking past the trash cart, matts, grill, and employee smoking area.

3. The painting of the Clubhouse should also take place this month, weather permitting. We have had really good comments on the color and with the new landscaping the Clubhouse area should have a fresh and updated appearance.

In April, the financials again showed the positive turn that we have experienced the first quarter of this year. Food and Beverage was \$9,048 better than budget for the month and with the outside event food costs dropped to 38% which brings our year to date food costs down to 42%. Through the first three months Food and Beverage is ahead of prior year in revenue by over \$35,000. Golf also had another very good month and exceeded the total revenue budget again this month. This can't be done without the support of the residents. Thank you.

FROM THE ACCOUNTING DEPT.

2018 HOA Fees

The monthly assessment amount is \$185 per month for Heritage Pines Community Association. Many of the village assessments have changed as well. Please check with your village manager if you have any questions on that amount. You do not have to do anything to change monthly automatic debit amount if you are set up for ACH. It will be processed at the new amount.

ACH and Online/Email Services

If you are not set up for automatic debit (ACH), please consider this simple process. It's easy to set up and you don't have to worry about anything except deducting the amount

FROM THE ACCOUNTING DEPT. cont'd

from your checking balance each month. And in case you did not know, we never deduct your HOA fee before the third each month. We had many requests to hold off until the third from members that don't receive their direct deposits until then. Also please consider doing away with paper statements. You can view online or have emailed. Just request an "Opt out of paper statement form" from the office, fill out and return with your email address.

Out of Town Mail Service

Recently it was brought to our attention that some mail does not get forwarded if the name on your account is something different, like a trust for example. If you are going out of town for an extended period of time, please let us know in the office. We

can set your mail to go to another address so you don't miss important association mailings. Just remember to give us a call or email to change it back when you return home.

Member Charge (Jonas) System

We always ask that you bring your member charge card to the club for purchases. This just helps prevent charge errors. If you do not have your card, please do not sign your charge until you have verified it has correct member information at the top. Also as mentioned before, our Jonas system separates your HOA fees and club charges, so we need to have them paid separately. We appreciate that most monthly accounts are current and if not it is usually a one time over sight and we take that into consideration. Please keep in mind club charges not paid by the 20th of following month can be assessed a \$25 late fee as well as HOA fees not paid in the month they are due for.

HERITAGE PINES VISITING GUESTS

Important Notice from the Heritage Pines Clubhouse in Regards to Guests:

We understand that there are times when you have family or friends visiting and you are not able to accompany them to the Clubhouse or pool.

Effective May 10, 2018, you will need to register your guests at the Clubhouse front desk. You will be given a guest card/cards for your visitors to use at the pool or in the Clubhouse. The card has an area for you to authorize or deny charge privileges for the guest on your "HPCA Member Account." We will not be able to allow them to member charge without a signed guest card and can only accept cash or credit card as payment.

This policy is to ensure your wishes are followed in regards to your guests.

Thank you, Heritage Pines Management /Staff

GOLF COURSE AND COMMON GROUNDS MAINTENANCE NEWS

Our first full course aeration of the season was completed in early May. This consisted of aerating fairways, tees, greens and roughs. In addition greens have been topdressed with sand to smooth the putting surface and help with thatch control. We also applied a complete fertilizer package that included a pre emergent herbicide for summer weed control. Our next single day course closure is set for June 8th. Our weed control program continues in earnest as we attack our summer weed populations. The pre emergent applied on May 10th will help prevent new weed emergence as we continue to spray post emergent controls to eradicate existing weed populations. Our summer targets on this property are mostly goose and tropical signal grasses. Our winter nemesis, annual bluegrass is finally fading away thanks to our improved treatment protocol and the advent of warmer seasonal temperatures. The Driving Range has also been sprayed for weed control, aerated and fertilized in conjunction with the rest of the course. Work on the new Driving Range building continues and should be completed in a couple of weeks. This new structure comes complete with a roll up door that will protect the Range Ball dispensing machine from the elements.

The Board has approved Phase 3 of our Common Grounds Renovation Project. Safari Landscaping will be performing the job as their bid was accepted by the Common Grounds Committee a couple of weeks ago. You will recall that Safari performed the Entry way phase of our project and did an admirable job. Project start date is set for early June and should be completed in approximately 30 days. We look forward to the finished product!

Our featured plant this month is Variegated Ginger. These plants have leaves that grow upright and are approximately two feet by six inches wide, are green in color with irregular yellow stripes and have a spicy fragrance. Variegated Ginger is usually grown for its showy foliage as it only flowers in the warmest of

climates. Flowers when present are tiny and grow in clusters of white or pink. The plant is non aggressive and can be grown indoors if preferred. Mature plant size is three to five feet in height and two to four feet in length. Space them two to four feet apart in landscape settings for best results and plant in full to partial sun areas. Looking forward to seeing you soon!

Driving Safety

Safe Summer Travel

Traveling throughout Florida can be nearly as fun as getting to your destination. During the holiday and vacation seasons, Florida's roads can be some of the busiest in the country. The Department of Highway Safety and Motor Vehicles is committed to the safety of all motorists on our roads and educating everyone on safe driving to always Arrive Alive.

Tire Safety and Vehicle Preparation

According to the National Highway and Traffic Safety Administration (NHTSA), drivers in the United States put more than 2,900 billion miles on their tires each year with approximately 11,000 tire-related crashes. Tires are your vehicle's first line of defense on the road.

Buckle Up – Seatbelt Usage for Drivers and Passengers

All front seat passengers and all passengers under the age of 18, fasten their safety belts in Florida. Every time you get in a vehicle, no matter where you are sitting, buckle up. That click reduces your risk of being injured or killed in a crash by almost 50 percent.

Slow Down – Obey All Speed Limits

Speeding is against the law and extremely dangerous. Obeying speed limits improves safety by reducing the probability and severity of crashes. All motorists must obey speed limits and are responsible for knowing the speed limit on the roadway.

Drive Sober – Prevent DUIs and Drunk Driving Crashes

Under Florida law, DUI is impairment of normal faculties or unlawful blood alcohol or breath alcohol level of .08 or above. Driving impaired not only puts everyone on the roadway in danger, it can have serious legal and monetary consequences. Penalties for DUIs can include expensive fines, license revocation and jail time. Convictions can remain on your record for 75 years.

Plan ahead, designate a driver or call a ride service – it is much cheaper than a DUI arrest. If you see an impaired driver on the road, don't hesitate to contact local law enforcement or dial *FHP (*347). This call could save a life.

Hello to everyone in Heritage Pines Community. Remember to please watch your SPEED while driving in the community. It's not only for everyone's safety but your own. Also please use our STOP signs, it's there for your safety and others!

Signup sheet located in Clubhouse lobby

Are you having trouble hearing? Are you overdue for a checkup? Concerned about the health of your ears? Choice Hearing Solutions (727-807-7082) has been providing this complimentary service to our residents for a couple years now. We strongly recommend signing-up, as the time slots usually go fairly quickly. This is a complimentary clinic for all residents of Heritage Pines to take advantage of. Some of the services being provided include: Video Otoscopy examination to check for Ear Wax, Ear Wax Removal, Hearing Screening, Clean and Check Hearing Aids, One Complimentary Pack of Hearing Aid Batteries.

VISION & EYE HEALTH CLINIC

Monday, June 4th

Signup sheet located in Clubhouse lobby

Everyone's vision can change with age. Some changes are normal, but losing one's vision is not a normal part of getting older. Healthy Vision Institute will be visiting Heritage Pines to provide complimentary screenings to residents. With age, everyone is at a higher risk of developing glaucoma, macular degeneration, cataracts, and other eye-related diseases. There are no early warning signs or symptoms before they become serious.

GOLF CART MAINTENANCE & REPAIR AT HERITAGE PINES

Golf Cart Maintenance and Repair at Heritage Pines Facilities Department is proudly offering a Golf Cart Maintenance Service for the residents of HP! All we need from residents is your name, phone number, model and year of golf cart. Service will be provided by scheduled appointments only through the front desk. Services will be provided only on the days and times listed below.

Tuesdays 8:00 a.m. - 3:00 p.m.

Wednesdays 8:00 a.m. - 3:00 p.m.

Thursday 8:00 a.m. - 3:00 p.m.

We believe that preventive maintenance is the key to preserving your cart. As such, we are offering our residents a Preventative Maintenance Program.

\$99.95 + tax (4 visits) or \$49.95 + tax (1 visit)

Preventative Maintenance Program includes:

- ✓ Batteries – Fluid levels clean and fill as needed.
- ✓ Battery and cable connections and condition.
- ✓ Battery Cage – Inspect, clean and neutralize battery acid. (Additional cost to remove batteries and neutralize cage.)
- ✓ Charger – Examine plugs for proper connection. (At Request)
- ✓ Check brakes and cables, clean and adjust if necessary.
- ✓ Tires – Check pressure, examine for cuts and excessive wear.
- ✓ Check operation of fuses, light, horn and warning buzzers.
- ✓ Check all wiring connections.
- ✓ Steering and Control Linkages – Check for proper operation and lubricate.
- ✓ Accelerator – Check for proper operation and lubricate.

COUNCIL OF VILLAGES NOTES

Bill Crusselle, General Manager

The Board voted to approve closing of the Clubhouse for a 230 person event at \$25 per person. A typical Thursday revenue is about \$1500. A Profit and Loss Sheet will be distributed after the event. Staff will make efforts to keep as much of the Clubhouse open during future outside events. This is not something that will happen all the time.

Resident: The last e-mail that went out explaining why the Clubhouse would be closed was very important and residents were less concerned once they understood. Prior e-mails did not give full explanation.

Answer: Duly noted and we will keep everyone informed in future.

John Burns, Turf Department Superintendent

The Golf Course will be closed on May 9th and 10th for aerification and fertilization. We have had contact with the new management company several times and are looking forward to working together. With the good weather many plants are making a comeback, and it should be a quick transition this year.

Herb Hurley, Golf Pro

The summer reciprocal program has begun with 8 courses signed up this year. The Lady Bug Tournament is May 1st with 116 golfers. Yesterday was the Shriners Event with 122 golfers.

Bill Crusselle, General Manager

The bids are out on Phase III of the Landscaping Project and due back Friday. We are scheduled to review the bids on May 1st and will be moving forward with the renovation in front of the Clubhouse.

The survey for the new Woodshop is done and then going to the engineer and contractor, and then the County for permitting. It will be located to the right of the RV storage area, outside of the fence.

(Topic requested by resident.) Regarding the kitchen inspection that took place last January, two pieces of equipment were replaced, a broken lightbulb was replaced, and additional minor things such as a dented can of pasta was tossed. The Chef has a regular schedule for his staff for cleaning and inspections.

Gary Wind, Facilities Director

We had a demo on a new Elliptical machine with a front drive. The residents were in favor and it has been purchased. We will keep the old free motion unit which many residents like as well.

The exterior of the Clubhouse will be painted at the end of May or early June with a minor change in the color. Bill added that when exiting the front of the Clubhouse, on the left side behind

the half wall shielding the AC units, you will see three paint samples on the wall. The top color will be on the upper level of the Clubhouse, the second color will be on the lower level of the Clubhouse, and the third color will be the trim.

Marcia Merle, HOA Manager

During the spring break season we had issues with members wanting their guests to charge on their member accounts. To keep things organized, we ask that the members who will not be accompanying their guests to the Clubhouse/Pool/Pro Shop to register their guests at the Front Desk. The guest(s) will be issued a temporary guest pass with the option of checking whether the member wants to authorize their guest(s) to charge on their account, or pay cash.

Mike Russell, Food and Beverage Manager

The Food and Beverage budget numbers are holding steady. April's budget is on track and we hope to continue this onto the summer months and into the fall. Bill added that both Food and Beverage and Golf have exceeded their budget goals.

Answers to General Questions

- Closing of the Driving Range during Spring Break was done as a result of the construction of the building. The County held up the Driving Range project with planning and once approved the contractor was ready to mobilize. Due to insurance liability the Driving Range had to be closed during certain phases of the project.
 - There are many broken and possibly dangerous Verizon covers in residents' yards. Staff will send out an e-bulletin with information on who to call to report broken covers.
 - Outside vendors may deliver food to residents' homes which may then be brought to events at the Pavilion. The same applies to pot-lucks.
 - There is no charge for use of the Pavilion.
 - The Turf Department is responsible for weeding the easement along the perimeter fence.
 - The Pine Grove Village entrance sign area has very tall weeds, bushes are planted behind the sign, and it is in need of maintenance. This area was erroneously missed during the last sign maintenance cycle and will be addressed.
 - Karaoke is normally the fourth Saturday of each

month, but occasionally gets switched around.

- Pasco Transit is available to qualified residents of Heritage Pines.
- Staff will look at providing better signage pointing to the cart path down to the Driving Range.
- A resident heard that the new management company was not aware of all of the areas they will be responsible for. This is not true. This is a rumor.

STREET LIGHTING PROJECT

By J Bart Cutshall

The Street Lighting continues to move forward. Today, the directional boring contractor was onsite to install electrical cabling and conduit for the light poles previously placed at the corner of Water Lily and Grand Club (adjacent to the 14th Hole Tee Box). By the time this article is published, these lights should be functioning.

Additionally, the CDD has been in contact with various Villages to notify them of plans to install lights in the vicinity of these Villages. Since these lights could have an impact on residents, the CDD feels it is important to get the approval of all involved before it creates a nuisance situation. The goal of the CDD is to be a good neighbor, and provide security and safety through adequate lighting in areas deemed to be "dark areas."

As a follow up, originally the plans were for WREC to trench the areas where new lights would be installed; and then, at the expense of the CDD, HP Turf Maintenance would back fill these areas and re-sod the area. Estimated cost would be around \$17,000. This price may have been low because the price of St. Augustine sod has nearly doubled. Just an example, to repair and re-sod the area on Webster Grove would be around \$3,000, with the cost of sod a \$450 per pallet, rather than the original estimate of \$200 per pallet. However, thanks to Richard Lovett of WREC, offered to get an alternative with a "phenomenal" price using directional boring. The price presented was less than \$6,000 for all areas. Additionally, there would be little intrusion and unsightly repairs of the sod. Stay tune for updates as the project moves forward.

ARCHITECTURAL CONTROL COMMITTEE

By Tim Gorske, ACC Chairman

The committee is receiving more ECR's for installation of SOLAR PANELS on resident's homes. Residents must let the supplier and installer know that solar and electric generating panels and solar heating elements

must only be installed on the rear and side sections of the roof prior to ACC approval (site visit is required). Refer to section 4.12 in the Architectural Control Policy Manual.

An ECR (Exterior Change Request) is required prior to any changes made on your property. Provide as much information as necessary for the committee to approve your request. The committee meets the first and third Tuesday of each month. If your ECR is approved, a green approval sheet will be available at the front desk the following day. You must pick up that approval and place it in a front window while a service is being performed. When the job is completed, sign that green form and return it to the front desk.

COMMUNITY/MEMORIAL TREE PROGRAM

By Linda O'Leary

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community.

They can also be purchased as a gift, perhaps a birthday or anniversary idea. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by Heritage Pines maintenance facilities. Trees will be planted during the months of February/March and September/October. Please plan your purchase during the preceding months. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. Also, there is a book at the front desk of the Clubhouse listing information about the many trees planted throughout our community. Each page includes the names of the honoree(s), sponsor(s), tree location and type of tree. Residents may look through this book as desired.

Your signature below acknowledges you have reviewed the Architectural Control Policy Manual and grants permission for the Heritage Pines Community Association Architectural Control Committee to enter onto the owner's property to review the application and to inspect the proposed project site before the work begins. Any work done on the proposed project prior to written or conditional approval of the ACC is a violation of the HPCA Restrictive Covenants and may have to be removed at the property owner's expense.

NOTE: The Architectural Control Committee will review this request. You will be notified within thirty (30) days of the receipt of a completed request. If construction/installation is not commenced within the time set by the ACC in the written approval (but in no event later than ninety (90) days after such approval) the approval shall be deemed rescinded. The resident must request an extension (within one year of approval) and receive new paperwork. Otherwise new paperwork must be submitted.

The homeowner, upon signing this application, understands that the Architectural Control Committee functions to act on behalf of the Board of Directors of Heritage Pines Community Association, Inc. on the acceptability of the appearance of changes to the exterior of buildings or land. There is no intention, expressed or implied, to approve or disapprove any apparatus, its function, contractor or subcontractor. The maintenance of operation or appearance of any installation is the homeowner's responsibility.

If it should be necessary for you or the contractor to run vehicles or equipment over common grounds to do work at your home or on your property, you must first obtain permission from the General Manager and Village Board (if applicable) before any work can begin. Any damage caused must be repaired at the homeowner's expense. Before any work on the property begins it is suggested that the homeowner informs the contractor, or people doing the work, that it is their responsibility to repair any damages done to common grounds by their equipment. Ultimately the homeowner will incur all expenses related to damages

Recycling Update: Pasco County

Every year, Florida counties must report recycling and garbage information to the state's Department of Environmental Protection. For Pasco, it's an impressive undertaking that includes information from private recycling companies, our curbside recycling program, and recycling drop-off. Here's a summary of the county's results for 2017:

Categories	Percent of Total
Tires	5.64
Glass	1.69
Corrugated Paper	8.65
Yard Trash	8.83
Ferrous Metals	18.23
Non-Ferrous Metals	17.29
Textiles	.94
Food	.56
Newspaper	1.13
Aluminum Cans	4.51
Office Paper	2.26
Other Plastics	.56
White Goods (bikes, fencing, washers, etc.)	18.8
Other Paper	1.32
Construction and Demolition Debris	8.08
Miscellaneous	1.50

Cooking Oil Recycling Effort (CORE)

Are you recycling your cooking oil and grease or pouring them down the drain? Heritage Pines participates in Pasco County's CORE program. Our cooking oil/grease collection site is next to the Green Fiber bins near the cart barn across from Clubhouse. Here's why you should recycle your cooking oil. Please, NO motor oil.

When cooking oils and grease are poured down the drain, they stick to the inside of sewer pipes and build up over time. This can cause blockages that back up sewage into your home or cause a sewer overflow onto neighborhood streets. Overflows are messy, expensive and a health hazard. Recycling cooking oils and grease helps decrease sewer blockages and reduces the County's pump station and sewer maintenance costs, saving your tax dollars.

Tips:

- Never pour cooking oils, fats or grease down the drain.
- Before washing pots and dishes, scrape grease and food waste into the trash.
- Minimize the use of garbage disposals – a lot of small pieces can clog pipes.
- Use sink strainers and clean them often.

Thanks for recycling, Heritage Pines!

"WILL CALL" TICKET PROCEDURE

Are you out of town, travelling, or just plain busy when tickets for a major event go on sale? No worries, Heritage Pines is now proudly offering a "Will-Call" procedure for those residents who are unable to purchase tickets the day they go on sale. The events and shows at Heritage Pines have become incredibly popular. So much so, that we are booking many events and shows with back to back performances. Tickets are selling on the first day they go on sale! It goes without saying, that the Clubhouse has become the hub of social activity within our community.

Here is how it works:

1. Email mike.russell@heritagepines.net with the following information:
 - a. Your Name
 - b. Your Phone Number (the best one to contact you on)
 - c. Your address within Heritage Pines
 - d. The event you want tickets for
 - e. How many tickets you want
 - f. Your member number
 - g. And most importantly, you must include the following phrase in your email: "Through this email, I authorize Heritage Pines to charge my member account for the number of tickets requested. I understand that this charge will show on my monthly statement."

2. Click Send! – it's that easy...
3. Now, here are a few follow-ups:
 - a. Will-call tickets will be purchased AFTER all residents who have "lined-up" on the day of and received their tickets.
 - b. Only ten tickets can be purchased per resident account.
 - c. Tickets will be purchased in the order they are received.
 - d. We cannot accommodate residents who wish to be seated with anyone else, tickets will be sold to the first available seats.
4. Tickets can be picked up at the front desk at a time that is convenient for you!

We hope this added service comes as a benefit to you all!

VICTORIA & ABDUL

2017, Rated R, 2hr 21m, Genre: Drama

Molly's Game is based on the true story of Molly Bloom, an Olympic-class skier who ran the world's most exclusive high-stakes poker game for a decade before being arrested in the middle of the night by 17 FBI agents wielding automatic weapons. Her players included Hollywood royalty, sports stars, business titans and finally, unbeknownst to her, the Russian mob. Her only ally was her criminal defense lawyer Charlie Jaffey, who learned that there was much more to Molly than the tabloids led us to believe.

HPLGA "PAR" TICULARS

By Marjorie Convery

The 12th annual Lady Bug Tournament was held at Heritage Pines on May 1st. Once again, the Ladybug Committee outdid itself. Chaired by Linda Nelson and Mary Miller, 116 golfers participated. Players came from around Pasco County and surrounding areas and were treated to breakfast, a fun round of golf followed by lunch and raffles. Sue Ann Lichtenberg-Gori, carried on her role as traditional mascot. Low Gross winners were Mary Miller, Mary Holstad, Mary Elgin and Cheryl Rhum. This year's major sponsor was Florida Tax Advisors; owners Shannon Gardner and Gary Fecarotta were so impressed with the tournament and how smoothly it was run, that they pledged \$1,000.00 to next year's Ladybug. Also, they want to help hit golf balls over the water on hole five next year!

The Committee would also like to thank Herb Hurley and the Pro Shop for providing support, prizes, and help with organizing everything and Mike Russell and the Food and Beverage Staff for providing the delicious breakfast and taco lunch. Support and help also came from the HPMGA. Scott Taveau and Joe Paddock manned the drink cart which served up Bloody Marys and Mimosas, complete with vegetable toppings for our healthy drinkers! Tim Lictenberg and his crew directed traffic in the morning and hit the ladies' golf balls over the water on hole five. (I think they all ended up on the green!). It certainly takes a whole village to put on such a huge, successful event. Thank you all for your support!

NINERS LADIES' GOLF ASSOCIATION

A hot and humid summer is approaching, so enjoy those last cool breezes of spring won't be long before our spectacular thunder and lightning shows begin.

Our Shriners Tournament on April 24th was an outstanding success with well over one hundred golfers from the Heritage Pines community participating in the event. Sandy Schiesz and her committee outdid themselves once again with a raffle of beautiful baskets and prizes won by a random draw of tickets. A huge amount of work goes into every one of these events and we wish to thank all who took part. Additional thank you goes to Mary Ann Snyder, Judy Gamble, Linda Smith, Betty Tincher, Maggie Dorfer, Suzanne Bowden, Diane Hellenga and Pat Kennedy. Their efforts helped bring this all together. And thank you to Rocky Reinhold for his presentation on the valuable services of the Shriners Children's Hospital and Shriner Organization. We're proud to contribute to this worthy cause.

During the months of May, June and July, Debi Benson will be collecting \$100 deposits from Niners wishing to attend our annual golf outing. Once again we will go to the beautiful Mission Inn Resort. Please sign up for this event so we can get a count - sign-up is in the Niners' binder in the Pro Shop. Dates for this trip are October 16th and 17th. For those of you leaving for the summer, please pay your deposit before you leave.

Our Nine and Dine group is having difficulty with the timing of their game. We are no longer able to have dinner in the Clubhouse after golf since the kitchen closes early that day. We are looking for alternatives since this has always been a fun day and an opportunity for spouses and friends to meet each other and enjoy an afternoon of pleasant golf. One suggestion has been made to move the event to Friday at 3:00 with dinner at the Fireside after. If you have any suggestions, please contact Pat Kennedy or Pat Delamer.

Watch for further information on the Niners' Sock Hop, tentatively scheduled for October 12th. Plans are well under way for this fun event and you don't want to miss it! We'll keep you posted....

Scores for April are for the 17th only.

HPLGA AND THE SHRINERS HOSPITALS FOR CHILDREN

The Heritage Pines Niners Ladies Golf Association and residents of Heritage Pines Community joined forces on April 24, 2018, to raise money for the Shriners Hospitals for Children in Tampa. A residential golf tournament and charity basket raffle was the main focus for the fundraiser. There were over 175 golfers and residents that came out to support the Shriners Hospitals for Children event. The community raised enough donations to complete 28 baskets for the charity raffle. The Shriners Charity Golf Tournament and basket raffle was organized through the Heritage Pines Niners Ladies Golf Association Social and Tournament Committees. Through the dedication and devotion of these committees and the involvement of the entire community the HPNLGA raised over \$2600 for the Shriners Hospitals for Children. This donation will go towards the Vicon Motion Analysis System T Series equipment in the motion analysis laboratory in Tampa. Heritage Pines along with HPNLGA were proud to be a small part of helping the children at Shriners Hospitals Tampa.

GOLF HANDICAP SYSTEM

By Joy Stefany, *Handicap Chair*

“Two basic premises underlie the USGA Handicap System, namely that each player will try to make the best score at every hole in every round regardless of where the round is played, and that the player will post every acceptable round for peer review. The player and the player's Handicap Committee have joint responsibility for adhering to these premises.”

It's that time of year when many of our members leave us to go North for the summer. We all wish you safe travels and have a great time whether you stay here or are off traveling.

We would like to remind you that while you are away if/when you are golfing you are to continue to post your scores to the GHIN system. If you belong to another club that utilizes the GHIN system, you can have the same GHIN number and your scores will automatically be posted to both courses.

When playing nine-holes, post the nine-hole score. Do NOT wait to have another nine-hole round to put with it. The GHIN system will keep track and post a COMBINED “C” score when the second nine is played, even if it's the same nine-holes.

You can post your scores using your cell phone or on-line. These methods are useful when playing courses other than your home course. As always, if you have any questions regarding handicaps or posting scores, do not hesitate to contact someone on the handicap committee or our golf pro, Herb.

MEN'S GOLF ASSOCIATION

Hole-in-One

On Friday, April 20th, Howard Dornfeld had his first Hole-in-One (Not bad for only playing eight years. I've played for 58 years and never had one). Howard's playing partners were Neil Goulette and Harold Brust. The ace occurred on hole six with Howard using his driver from the Green Tees. Howard advised me his GPS said it was 160 yards.

Fred “Pete” Petersen had his second Hole-in-One on Wednesday, May 10th at Timber Greens (our course was closed). The ace occurred on their hole 13. Fred played the 117 yard Par 3 from the white tees using an eight iron. His playing partners were Jeff Edwards, Lee Scalzi and Bob Thomas. Fred advised he hit a very high shot that went straight in the hole with no bounce or sound of the flag stick being hit. Fred's first Hole-in-One occurred on Heritage Pines hole three in February of 2008.

The second quarter quarterly Executive Board meeting was held on May 10th. The main focus of the meeting was establishing set procedures for each tournament including who and how Champions are determined, flights and tees for our six major tournaments within the guidelines of our By-Laws. Information on the results will be coming out shortly.

The "Lessons Learned" meeting of the Member/Guest Committee was held on May 16th. As always we try and find areas where can improve on and agree on areas we felt worked well. Next year's tournament will be held on March 21st, 22nd and 23rd, 2019.

ANGELS IN THE PINES

Almost time to start wrapping the hats and scarves that are already piling up. It is so rewarding to see how much time the Angels spend making the items for those who are less fortunate. This month several people worked very hard fulfilling requests from Angelis Home for individuals with severe mental and physical handicaps. They asked the Angels to make bibs for their residents and the Angels responded by sewing over 214 bibs in just three weeks.

But the Angels like to have fun also and are sponsoring a trip in conjunction with Cruise Planners. Four days and three nights will be spent in Savannah GA traveling in a spacious motorcoach, with visits and tours not only of Savannah but also St Simons and Jekyll Island. The dates are November 5-8 (Monday - Thursday) and total price is a very reasonable \$467.00 which includes transportation, hotel, and three breakfasts and three dinners. For more details please read the flyer included in this newsletter. Sign up quickly as many people are interested in this fun trip.

Don't forget that the Angels are now a 501(c)3 which means that any donations are tax deductible. One of the largest donors is StoreSmart self-storage (352-597-8585) which has given the Angels a large air conditioned storage unit for one year at no cost so they may store the hats, scarves and other items until time for distribution. Donations of yarn, needles or money are most welcome. Anyone who is interested in joining the Angels or learning to knit, etc. are most welcome in the Craft Room on Sundays from 1 to 3 p.m. For more information, please call Gerri Brousseau, President at 727-861-2224.

Dear Ladies,

WOW! Thank you so much for the many beautifully made bibs. Your group is very talented and clever in making your own binding from scratch for finishing off the bibs. They are perfect and we really appreciate all your work!

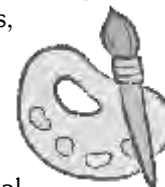

We are having our annual family picnic, Sunday May 6th from 12:00 to 4:00. This is a free picnic and is meant to be a thank you to all the people who have helped us during the year! We hope you and your families will be able to come.

Lots of good food, good music, and a chance to see our accomplishments. God Bless you all for your continued support.

Sincerely,

DRAWING / PAINTING CLASS

Artist Fran (d'Atria) Romano will be featuring a new drawing/painting class. Classes will be on Thursdays starting with the second Thursday of each month from 2 p.m. - 4 p.m. Fran has volunteered once again to share her expertise in the following areas: watercolors, acrylics, oils, pastels, charcoal and pencil.

Fran has won over 160 awards for her artwork throughout the USA and has achieved national "women of achievement" for her artwork. Fran has been conducting watercolor classes here for Heritage Pines and now has decided to expand her lessons to other media. For students who would like to attend but need a list of supplies please contact her at fransetchings@gmail.com.

Savannah - the "Belle of Georgia"

Enjoy the Picturesque Views of Savannah

Jekyll Island - Georgia's elite coastal barrier island

You'll feel like you've traveled back in time!

Day 1: Board your spacious, video and restroom equipped Motorcoach and head toward beautiful Savannah, Georgia for a three-night stay! This evening, enjoy a leisurely Dinner and check into a Savannah area hotel.

Day 2: After a Continental Breakfast you will start your journey with a GUIDED TROLLEY TOUR OF SAVANNAH, the "Belle of Georgia." You'll see extraordinary architectural marvels, beautiful oak-lined streets and lovely "town squares." You will then have Hop-On/Hop-Off Privileges on the TROLLEY for the rest of the day. Enjoy free time on historic River Street, featuring unique 18th century "ballast stone" streets and 19th century cotton warehouses that are now home to fine eateries, unusual shops and antique galleries. Tonight, you'll enjoy Dinner with Entertainment before returning to your hotel for the evening.

Day 3: After enjoying a Continental Breakfast, you will depart for a GUIDED TOUR OF ST. SIMONS ISLAND. Take a stroll among moss-draped oaks or shop at the interesting boutiques and specialty shops in the historic area. Later, you'll take a GUIDED TRAM TOUR OF JEKYLL ISLAND. See how the nation's wealthiest citizens like J.P. Morgan and William Rockefeller lived and played - including a stop at what was once the exclusive "Millionaires Club." After Dinner, you'll return to your hotel.

Day 4: Today, after enjoying a Continental Breakfast, you will depart for home... a perfect time to chat with your friends about all the fun things you've done, the great sights you've seen, and where your next group trip will take you!

MARY GIELLA FOOD DONATIONS

By Wes and Penny Norton

We want to thank everyone who helped fill the barrel in May. We now have the school picking up donations for the summer. Please continue to help. I want to send a big Thank You to Erika and Cecelia, who have agreed to help at the school with the food drive. They will start when school starts in the fall. Wes and I thank all that help with this program as this is one that is really important for some of the families. We help in so many ways. Mary Giella knows that Heritage Pines is always helpful and they are very thankful. If anyone has any questions about the programs for the school, please call Wes or Penny at 727-869-9642.

LIBRARY NEWS

By Susan Bell

"The man who does not read good books has no advantage over the man who can't read books." ~ Samuel Langhorne Clemens aka Mark Twain

Although summer is not officially here, it sure seems as though it is! And with the Snowbirds safely back home, it definitely feels it! So this makes this a good time to go to the Heritage Pines Library and find a book that perhaps you were looking for.... Our volunteers are doing a great job in taking care of the Library and you ought to be able to find a book of interest to you.

The hardcover fiction books are on the right hand side of the Library as you enter from the hall, and non-fiction books are on the left along with few large print books. The hardcover books have no due date... you are on the honor system. Paperback books are also on the left hand side and do not need to be returned.

We are unable to accept donations of magazines, puzzles, catalogs or books of limited appeal. While we do appreciate donations of books, space is limited, and we ask that no more than five donated books per month from each resident be brought to the Library. If you have any questions, please contact Susan Bell at 868-4261 or Roseann Andare at 223-2257.

About WPCGS

The West Pasco Genealogy Society (WPCGS) was founded in 1983 as a non-profit educational organization of amateur and professional family historians, genealogists and archivists. The Society strives to encourage the research, publication, and preservation of genealogical and historical material; to instruct and lend assistance to the membership and the public in modern methods of research. These objectives are accomplished through regular meetings and Society-sponsored workshops, lectures, field trips, socials and other educational

activities. The Society offers many opportunities for the public to attend seminars and classes in genealogy-related subjects. There is something for everyone at Society meetings from the novice to the more experienced genealogist. For more information, contact Society president Debbe Hagner at: debbehagner@yahoo.com.

The Family History Center

The Family History Center was established to enable the general public to conduct extensive research on their family ancestry. The Center is located at 10606 Hilltop Drive in New Port Richey, FL 34654. It is located within the Church of Jesus Christ of Latter Day Saints' community and library rooms. No religious affiliation to the Mormon Church is required.

Debbe Hagner a certified Genealogist is *generally* at the Family History Center to assist you on Tuesday's 9 a.m. - 1 p.m., Wednesday's 9 a.m. - 1 p.m., Thursday's 9 a.m. - 3 p.m., Friday's 6 p.m. - 9 p.m., Saturday's 10 a.m. - noon. Hours are subject to change. For confirmation of Debbe's hours, text 727-271-0770 or email debbehager@yahoo.com.

THE TOYMAKERS

The ToyMakers meet on Monday mornings in the Craft Room from 11:00 a.m. until 2:00 p.m. We also meet on Thursday evenings from 6:00 p.m. until 8:00 p.m., this is a quieter time as fewer elves come on Thursday evenings.

We are busy sanding the wood that has been cut into cute toys. After the sanding we paint and detail the toys and bring them to life. The wheels are then attached. The toys are distributed to local school children and other needy groups before the holiday break in December. Last year we made 1400 toys at Heritage Pines. The ToyMakers are a friendly happy group and many of us have lunch at the Fireside after our work is finished. Come see if you would like to be a part of this charitable group.

The ToyMakers at Heritage Pines are a branch of the Main ToyMakers and are a not for profit 501 (c) (3) organization made up entirely of volunteers. The main branch donates toys to sick and needy children in the Tampa Bay Area. To learn more about The ToyMakers go to www.toymakers.org. Donations can also be made at that website. For more information call Phyllis Matheson at 727-861-5546 or Vicki Hoffman at 727-378-6800.

ToyMakers New Information

On the third Thursday of every month, Bob Evans Restaurant, 9115 US Highway 19, Port Richey, sponsors a fundraising event for The ToyMakers donating 15% of EACH receipt's total directly to The ToyMakers. Hours for this event are 4 - 8:00 p.m. You must present a flyer upon checkout to achieve the donation... flyers are provided at the door upon entry.

Additionally, if you order anything through Amazon.com, a percentage of your purchase is donated directly to The ToyMakers on every purchase. You must sign in to: amazon.com/smile and designate "The ToyMakers" as your charity of choice. For additional information, contact Stephanie 727-860-4142.

Thank you for your continued support and donations. We and the HP ToyMakers appreciate it.

WATER AEROBICS

Water, water everywhere! Working out in the water is one of the most therapeutic activities one can take part in. Water aerobics builds cardio, strength and resistance all while being easy on the joints and in a cool and relaxing atmosphere!

Here are the Top 10 Reasons to do Water Aerobics:

Increase muscle strength. Water is a flowing and constantly changing product of nature, and as such can be every unpredictable in its movements. Since water flows in multiple directions, the resistance in the pool can range from four to 42 times greater than air, ensuring the body's muscles get a rigid workout. In fact, a study conducted found that after 12 weeks of regular aquatic aerobic exercise, participants had made significant gains in strength, flexibility and agility.

Build endurance. Unlike traditional weights, which require the human body to push and pull against the weight plus gravity, water resistance is a more natural resistance which requires the body to strain through the water rather than against it.

Increases flexibility. As the body is subject to water resistance during water aerobic exercise – which requires movement in various directions while adjusting to the push and pull of water – the joints naturally increase their range of motion. A study conducted found a significant increase in flexibility after subjecting a group of older adults to aerobic therapy exercise.

Low-impact exercise. We may not often think of it, but the traditional impact we place on our joints during a “land workout” can be taxing. In water aerobics, the buoyancy of the water helps takes off some of the impact we tend to place on our body, due to our own water weight. In layman's terms, our body's is not subject to gravity in the water, therefore the impact our joints take on when, say, running in water, is not equal to the impact when running on land. This is particularly appealing to those with joint conditions such as arthritis or those currently undergoing physical rehabilitation.

Alleviates pressure on the joints. Studies have shown water-based exercises such as water aerobics relieve pressure placed on joints from normal wear-and-tear and arthritis. In fact, hydrotherapy is shown to be the leading form of therapy for those suffering from joint problems.

Relieves stress and decreases anxiety. Watching bodies of water in motion can be one of the most soothing activities one can take part in to help relieve stress, which is why vacations to beaches and island paradises are so popular getaways. But being in the water can be just as relaxing! A study conducted found that aquatic exercise significantly decreased anxiety and negative mood states especially in women.

Burns calories. The combination of strength and cardio workouts mixed with water resistance in aquatic exercise ensures the body is getting a full workout. Depending on cardio activity, weight (including additional weights such as dumbbells and weight belts), water temperature, volume and buoyancy, the body can burn between 400 to 500 calories in an hour of exercise.

Reduces blood pressure. Water resistance is not just a buoyancy feature to help work the muscles. In fact, the water

pressure actually works with your blood as well and enables one's blood flow to circulate more effectively throughout the body, effectively decreasing blood pressure and, in the long run, decreasing resting heart rate. This benefit means your heart is maintaining its productivity while putting less stress on your heart!

Cooling exercise. As temperatures get warmer and the summer heat draws near, the desire to exercise in the burning sun may suddenly not seem so appealing, and so naturally dipping into any body of water becomes alluring. Water aerobics can satisfy that need to feel cool in warmer temperatures while still enabling a person to exercise. It's cool, crisp and refreshing, especially knowing you aren't struggling in the heat!

Popular activity. Water aerobics is not limited to any age group or skill level. As a result, water aerobics is known to a be one of the most popular bonding activities for friends and family. This is a wonderful way to make some new friends and meet your fellow neighbors. The sport appeals to all ages – with younger generations naturally enjoying the fun to be had in swimming pools while still appealing to the older generations and their need to maintain a moderate level of physical fitness.

Water Aerobics tips to know:

- o Always wear water shoes for added cushioning, shock absorption and comfort. Nerve endings are very close to the soles of your feet and constant jumping without shoes may cause nerve damage.
- o Stay hydrated. Though the water cools the body, you will still perspire especially during the summer months. I always suggest you drinking water before, during and after class. If during class you feel thirsty you are already dehydrated. Rehydration will prevent you from overheating, muscle cramping and heat stroke.

Come join us every Monday, Wednesday and Fridays. Classes begin at 10:00 a.m. and run for one hour. Classes are taught by Denise Mallek who is certified through the United States Water Fitness Association.

TREES OF HERITAGE PINES

By Deb Tribbey

You see trees every day. But have you ever thought about the benefits of trees? Trees are a very valuable part of landscapes.

- Trees improve air quality by removing particulates and air pollution.
- The shade they cast on buildings can lower summer temperatures and reduce energy costs.
- They increase property values.
- They can help reduce pollution and flooding by taking up water with their roots—water that would otherwise have flowed off the landscape and created storm water runoff.
- Well-chosen and -maintained trees can also help protect your home from hurricane-force winds.

According to the American Forestry Association, each year a single tree in the landscape provides \$73 worth of air conditioning savings, \$75 worth of erosion control, \$75 worth of wildlife shelter, and \$50 worth of air pollution reduction. If the resulting annual total of \$273 is compounded for 50 years at 5 percent interest, it results in a tree value of \$57,151. Therefore, the overall benefits of having trees in the landscape outweigh the initial price and maintenance cost of each tree. (from the University of Florida, <http://gardeningsolutions.ifas.ufl.edu/plants/trees-and-shrubs/trees/>)

Did you know that in the past 100 years, people have tried to make this location a citrus farm, and more recently a lumber plantation? This area is designated as the "Sandhills of Central Florida", zone 9A which means we can expect occasional winter temperatures of 20-25 degrees. Anyone who has put a shovel into the ground understands that description. In 2006, when the developer completed pushing dirt around and pouring cement, and many of us were moved in and looked around where we found the area now known as Heritage Pines was lacking trees in the common ground areas. The County required replacement of trees for the trees destroyed by the developer, and a committee of concerned owners worked to achieve an agreement with the developer to replant appropriate trees in common ground areas including on the golf course and along both sides of Grand Club Drive. The site plan was administered by H.P.'s original Environmental Stewardship Committee. The variety of native tree species planted along Grand Club Drive include: Southern Magnolias, Winged Elm, Florida Maple, Palatka Holly, Sweet Gum, Bald Cypress and Redbud. The variety ensures that any diseases that may target one species, doesn't destroy everything on the grounds. Now, as then, volunteers continue to contribute to a sustainable natural environment in our community.

In the residential neighborhoods our community hasn't been as successful. There is a significant reduction in our Heritage Pines tree canopy with removal of oaks because of insufficient replacements. Trees benefit all of us with shade and other

continue to next page

TREES OF HERITAGE PINES cont'd

environmental benefits. Drive through Timber Oaks sometime and you will notice a beautiful shade canopy of mature oaks. The H.P. Architectural Manual (and Pasco Ordinance) requires a minimum of two trees per lot. A permitting process is required for removal. According to Pasco Ordinance Chapter 800, Section 802 (Tree Preservation and Replacement), before a tree is removed home owners should have a Licensed Arborist or Certified Landscape Architect provide written verification that a tree is causing damage and that mitigation efforts such as pruning roots are not appropriate therefore the tree should be removed.

Use the Pasco County "recommended tree list", which is reprinted in this newsletter or you can find it at <http://www.pascocountyfl.net/DocumentCenter/View/14188>. Use the principle of right-plant, right place to determine a replacement tree appropriate to the location. Again, referencing the H.P. Architectural Manual, no fruit trees of any kind are approved for Heritage Pines residential property.

Except for the Sabal Palm (Florida State Tree), Washington and Date Palms (non-native), palms are not recommended as shade canopy trees. You can find the attributes/characteristics of various trees.....for our zone, mature width and height, wildlife value, shade, etc....at sources such as www.fnps.org (which is a native plant index); or <http://lyra.ifas.ufl.edu/FloridaTrees/index.html> (which is trees for urban and sunburn sites); or <http://www.floridayards.org/fyplants/index.php> (which is Florida friendly plant descriptions).

Florida Arbor Day was in January. National Arbor Day was April 27th. Plant a tree or contribute to planting a tree in our National Forests at <https://shop.arborday.org/memberships-trees-to-forest.aspx>.

ASK THE TECHIE

Q: I recently replaced my computer with one running Windows 10. The Windows 10 Start Screen has a program name STORE that offers many programs both free and for purchase. Is this a safe place to get software?

A: The **Windows 10 STORE** is definitely a place you should utilize. It is very similar to the **Apple iTunes** and **Android Play Store** as a source for compatible **Windows 8** programs or APPS. It is a great place to find useful utilities, fun games, and other programs.

In the **STORE** you will find many 3rd party vendor specific product apps such as **Netflix**, **ESPN**, **eBay**, etc. As with their Apple and Android equivalents there are hundreds of thousands of apps available.

As to the safety of programs available at the **Windows 10 STORE**, I advise a "buyer beware" approach. I suggest checking the number of downloads and the user reviews. I recommend not being one of the first to download a new APP and to read the user reviews for functional and other useful information. The user comments usually advise if a "free" program is truly free or just a trial version that requires a

purchase later. The free apps (usually games) may include an advertisement whenever the game is started or during play. They sometimes offer an option to continue playing after the easier levels are mastered via a single or subscription purchase. Other freebies offer a purchase option for advanced features. Since purchases are handled via the **STORE**, using your credit card should be considered as safe as any online purchase from a known vendor.

The **Windows 10 STORE** should not to be confused with the **WINDOWS UPDATE** function. The **WINDOWS UPDATE** function is identical to the update capability contained in prior Windows versions. The **Windows 10 STORE** doesn't include updates for the built in **Windows 10** core functions such as **Internet Explorer**, **Control Panel**, etc.

Q: I am considering replacing my DVD player with a Blu-ray player to connect to my new HD TV. However, I have an extensive collection of DVD movies and don't want to have to repurchase. Will a new Blu-Ray player be able to play my old movies?

A: Yes, you should not have any problems playing commercially purchased DVD movies or CD music on your new Blu-ray player. In fact, you may notice that the picture quality of your DVD movies is improved when playing them on your new player. The Blu-ray player does an up-conversion of the DVD video that will appear somewhat crisper when viewed on a HD TV.

When connecting your Blu-ray player to a HD TV or home theater receiver, I recommend using HDMI or component cables. The single RCA cable will not provide a true HD quality picture. If you are connecting to a surround sound system use a HDMI or optical cable for optimum quality audio.

"CUT THE CORD" DISCUSSIONS cont'd from page 40

Frontier, Direct TV and Dish. This session is part of a series of monthly classes that Dale is offering to his fellow Heritage Pines residents at **NO CHARGE**. Enrollment is limited to 25 and based on attendance at previous training classes, this class will fill up quickly. **(RSVP REQUIRED directly to Dale - 727-697-7260 or dale.mallek@verizon.net)**

When signing up, please ask any questions on this that you would like Dale to discuss or answer. This will give him an opportunity to do some research and to provide a more accurate answer. Also, if someone has experience using one of the alternative traditional cable or satellite TV. Dale would ask that you sign up to share your experiences with your fellow residents. Possible topics for the session: **Yahoo TV, Sling TV, HULU TV, Direct TV NOW, KODI** etc. In addition we will discuss costs, ease of use equipment and portability. These topics are only suggestions. This will be your session. If you are interested in participating, contact Dale to sign up and give him your question or topic.

Dale has 40+ years experience delivering and supporting technology services. His most recent employer was Hewlett Packard. In 2009, Dale began Mallek Technology Solutions providing computer and home theatre support services to Heritage Pines and residents of neighboring communities. If you plan to attend or have suggestions for future classes, please contact Dale Mallek at 727-697-7260 or dale.mallek@verizon.net

PALEO PARK - ELLIOTT SITE

Take a Walk on the Wild Side

Dr. Tonya Clayton's presentation on May 30th about **Sea Level Rise in the Sunshine State: News from Florida's Wetlands** was extremely

interesting and illuminating. Dr. Clayton is one of the authors of the book by the same name. It can be purchased at Amazon.com for those interested in going more in-depth into the causes and implications of this important environmental concern that particularly affects Florida.

Look for more of these presentations in the future. Notices are posted in this column as well as the community email blasts from the Clubhouse staff. Please sign-up on the sheets provided in the Clubhouse lobby for these events so that we can contact you in case there are any changes.

Plant News from Deb Tribbey, Volunteer Steward and resident Florida Native Plant specialist for Paleo Park – Elliott Site: There are lots of plants blooming at Paleo Park, which makes all the pollinators happy. You will also see dragonflies and butterflies flying around these plants. The Beautyberry shrubs now have nice pink flowers and their purple berries will come out during October. The Oakleaf Hydranga on the east side path is also blooming. We've seen a mating pair of Cormorants too. Anyone

who wants to pull weeds and trim vines, just give Deb Tribbey a call at 727-857-6583. We try to do a clean-up at least once a month.

Visit the Paleo Park - Elliott Site web pages by going to our Heritage Pines web site, click on Social Activities, and scroll down to Paleo Park. You must sign in to access these pages because Paleo Park is not open to the general public. For those unable to walk the park, this is a great place to see photos, videos and learn the history.

Directions: Drive toward the front gate on Grand Club Drive to Eagle Bend Drive. Turn left on to Eagle Bend Drive and go to the 2nd left, which is Clearcreek Court at Fairway Village. Turn left and drive to the end of the cul-de-sac. You will find the park within the fenced area on the left side of the cul-de-sac.

For more information, contact: Hope Botterbusch, Volunteer Education and Outreach Coordinator at: esparanza2@gmail.com or 727-233-2139.

HERITAGE PINES LADIES' BOWLING LEAGUE

By June Funk

Bowlers Wanted

The ladies bowling league is just finishing up the 2017-2018 bowling season. A big thank you goes out to Pam Cegla for all the work she had done for several years as Secretary of this league. Job well done.

Shortly we will be getting ready for the 2018-2019 bowling season. I know we have a wonderful summer to yet enjoy, but, please think about joining us in September for the new season. We would always like to have new bowlers join us, even if you have never bowled before or have not bowled for a long time. This is a non-sanctioned, non-competitive league that enables women of all abilities of bowling experience to have a good time. We will meet on Wednesday afternoons, at 1 p.m. starting in September, date to be determined. A meeting for all bowlers has been set up in the conference room at Heritage Pines on August 15th at 1 p.m. At that time we will set up teams and decide starting date. For more information or to sign up, call June Funk at 352-684-7597 or email at juneellen46@yahoo.com.

HP CAT SITTERS GROUP

By Rusty Peacock

As we head into the summer there may be times when you will need a cat sitter. You can call or email us, join the Cat Sitters group, and have a volunteer to care for your cat while you are temporarily away. There about 40 members available. To start the process, just call or email Minette Salomon at (973) 651-7589, and minette1409@yahoo.com, or Rusty Peacock at (352) 232-5300 and rustybird@tampabay.rr.com. This service is only for Heritage Pines residents, and it is only for cats; no dogs, birds, bunnies or other pets. Have a great summer!

LINE DANCING

By Linda C. Russell

Come join your friends and neighbors every Thursday morning in the PAC room from 10:30 a.m. to 11:30 a.m.

Phyllis Poirier, our line dance instructor, makes it fun and easy. We learn many new dances while getting a great work out. The cost is \$5. Most of the group stays for lunch after class. Any questions, please call either Phyllis Poirier at 813-523-1675 or Linda Russell at 727-836-0986.

YOGA

Why do yoga?

Yoga is good for what ails you; research shows that yoga helps manage or control anxiety, arthritis, asthma, back pain, blood pressure, depression, diabetes, headaches. With yoga you can hone your mental focus, rid your system of toxins, you'll even be able to touch your toes,---improved flexibility is a bonus for just about every physical activity. Most series of yoga postures include one or more spinal twists the benefits of which can improve your tennis swing, golf swing as well as promote detoxification and proper digestion. And it makes you feel good. Practicing the postures, breathing, exercises, and meditation makes you healthier in body, mind, and spirit.

OPEN INTEREST ART

Welcome to the nice hot summer weather! If you find it too hot as I do to do your painting projects "plein-air", you might find that on every Wednesday from 1:00 to 3:00 p.m. there is a lot of nice cool space in the Craft Room. We have plenty of space to spread out and it available for all artists of all levels and all media. Please feel free to stop by and if you have any questions, please contact Camille Baldick at 727-862-9974. Hope to see you there!

CERAMICS

By Jackie Ciesla

We meet every Saturday in the craft room from 9 a.m. to 2 p.m. Even if you have never done ceramics before you can learn. Some of the ladies have years of experience and we all can help anybody that is new to the class. Something new to the class is that we now have a small inventory of items for sale at a reasonable price. These are what are called "bisque", which means they have been cleaned and fired. Ready to be painted. You can paint them two different ways. You can use acrylic paint with a clear topcoat for protection, bought from WalMart or some of the craft stores like Michael's. The other is to use a special ceramic paint that needs to be fired after you have finished. This paint has to be bought from a ceramic store; we can give you the names and addresses. If you have any questions stop in on a Saturday morning. Meet the ladies and get some information, or you can call Jackie Ciesla at 727-861-1965. Everyone is welcome. Hope to see some new faces.

NEED A RIDE?

Transportation program available to Heritage Pines residents. The ARC Nature Coast Transportation program, a private, not-for profit 501 (C) (3), is part of Florida State's "Enhanced Mobility of Seniors and Individuals with Disabilities" program. They are proud to provide transportation to individuals with no other means of getting into the community for doctor's appointments, therapies, shopping, school and socialization.

The program currently covers West Pasco County from the north and south borders and east to Gunn Highway, and to Shady Hills Road. Coming in the future, services will expand into west Hernando County.

With courteous drivers and vehicles with wheelchair transport capabilities, The ARC Nature Coast's Transportation Program

provides an average of 1,000 trips per month to the public. Service is provided Monday thru Friday 8:00 a.m. - 5:00 p.m. A minimum of 72 hours is needed for scheduling purposes. Each passenger must have a prepaid pass to board the vehicle.

TRANSPORT FARES:

One-way Trips - \$5.00

One-way Wheelchair Trips - \$10.00.

10 Trip Pass - \$47.00.

10 Trip Wheelchair Pass - \$95.00.

PLEASE CALL AT 727-376-2777.

Many thanks to Loretta Fulda of Heritage Pines for her consistent effort to help Heritage Pines Seniors.

80+ SUPER SENIORS

Come socialize and meet new friends to reminisce old times at the Clubhouse on Friday, June 8th at 12:00 p.m. for lunch. If interested please call Loretta Fulda at 727-697-2060 or Stephanie Nunziante at 727-860-4142.

BOOK CLUB

Lunch Out With The Book Club

The Heritage Pines Book Club meets on the **fourth Wednesday of each month**. By the time this article goes to print, we will have made our reading selections for the next year, and that list can be found on the bulletin board and in the Book Club binder in the Library. Once again, we look forward to some great discussions, beginning in September.

During the summer, we hold lunch meetings outside Heritage Pines. On Wednesday, June 27th, we'll meet at 11:25 in the Clubhouse, and then travel to the **Margarita Grill in Homosassa**. As many of you know, the restaurant burned 6 years ago. But after many setbacks and much perseverance, it's again open and is the site of our June luncheon. The directions: take US 19 North to West Halls Road, turn left, and the restaurant is on the left at 10200 W. Halls Road. Everyone is welcome, and if you wish to join us, the sign-up sheet is located in the Book Club Binder in the Library, and please indicate whether you can drive or will need a ride. You must sign up no later than June 25th.

Our summer lunches are our yearly "recess," and whether you are new to the community or have been here for a while, you are welcome to join us for a fun lunch and "book talk." If you have questions about the luncheon, call Barbara Sachs at 819-0157. Hope to see you on the 27th! If anyone has any questions, please call Judith Chase at 862-4545. Happy reading!

ONE OF THE MOST SUCCESSFUL & ACTIVE CLUBS IN HERITAGE PINES

Upcoming ROMEO Events

Friday, June 29th – Breakfast Meeting Presentation by the Crime Prevention Task Force. (This activity will be a couple's event.) The Crime Prevention Task Force is a community service organization developed by former law enforcement officers. Their mission is to achieve a higher level of awareness of the criminal threats facing everyone in today's society and make available effective measures to counter these threats. The organization supports the community, businesses, groups and organizations by providing these free crime awareness programs. The speaker offers current information on virtually all aspects of the crime problem. Further, they offer tested procedures to enhance personal safety. Topics discussed will include identity theft, fraud and scams, purse snatching, guns and alternative weapons, carjacking, hurricane safety, and much more. This program should be both interesting and of value... plan to be with us.

Friday, July 20th – ROMEO Summer Dance in the PAC. (This activity will be open to all HP residents.) Tickets are \$15 per person and may be purchased at the Clubhouse front desk starting on Wednesday, June 6th. The dance will start at 6:30 p.m. and end at 9:30. Our 50s, 60s, and 70s favorites will be provided by the popular DJ Fred Campbell. There will be a cash bar and many platters of both hot and cold hors d'oeuvres including chicken wings, meatballs in sauce, mozzarella sticks, cheese and crackers and, for those who are weight conscious, grapes and veggies. Grab your partner and come out for a great time with friends and good music! (Please see the ad for this event on page 26 of this issue of the PINES.)

Wednesday, July 25th – RAYS vs YANKEES Baseball Game at Tropicana Field. (This activity is open to all HP residents.) The ROMEO Club is planning an outing on July 25th to see the Tampa Bay Rays play the New York Yankees. Regardless of your allegiance, this will be a great game. The game starts at 12:10 p.m. The bus will start boarding at 9:30 a.m. and leave the front of the clubhouse at 10:00 a.m. Our seats will be at Press Box level and be very close to the action. The cost is \$35 per person and includes your bus transportation and game ticket. Tickets are on sale now... call either Phil Flynn (727-378-3884) or Skip Scott (610-996-7368) for your reservation. There are currently 22 tickets remaining for what should be a fantastic game. We will hold your reservation upon receipt of a check made out to "H.P. ROMEO Club." Your ticket will be given to you as you board the bus. (Please see the ad for this event on page 25 of this issue of the PINES.)

Sunday, October 28th – Seven-night cruise on the Royal Caribbean Oasis of the Seas. (This get-away is open to all HP residents.) Being managed by ROMEO Director Don Galloway, this is the first over-night cruise ever planned by the ROMEOs and we would love to have it be a huge success! This will be a trip through the eastern Caribbean leaving from Port Canaveral. Ports visited will be Nassau (Bahamas), St. Thomas

and St. Maarten. There will be a chartered bus to and from the ship should there be sufficient interest in this outing. A \$250 deposit will be required at the time of your reservation. Call Jean DeMoura (727-863-8699) for details or to reserve your cabin. (Please see the ad for this event, which includes pricing, on page 25 of this issue of the PINES.)

Thursday, November 8th – The ROMEO Annual TURKEY TROT Dinner and Dance. (This activity will be open to all HP residents.) More information will be available in the July issue of the PINES.

Recent ROMEO Activities

Sunday, April 29th – The Annual ROMEO Bocce Tournament. Happening too late for the May Pines, we can report that 32 players enjoyed wonderful weather while playing bocce. The outing was managed by Jeff Mariano and Mike Kienzle. The first-place team won \$100 and the second-place team took home \$60. Pictures of the first and second place teams are below. All had a great time and expect to be back next year.

1st Place: Ralph Pauley, Maryann Barone,
Tony Longobardi and Art Bernardi

2nd Place: Bill Mammen, Joanna Mammen,
Marylyn Mitchell and John Mitchell

continue to next page

Friday, May 25th – Monthly Breakfast Meeting. This was a members-only affair. No new members were added to the roster in the past month.

Saturday, May 26th – The Annual ROMEO Picnic. The picnic occurred after the deadline for this article. There will be a report in the July PINES.

Sunshine Committee

The Sunshine Committee is responsible for sending out get-well and condolence cards to our members or their family. If you know of any ROMEO or his partner who is ill or in mourning, please let our Secretary, Dan Driessen know. He may be reached at 331-333-0526.

Concerning a related matter, the ROMEO Club has instituted a policy of offering to send \$25 to the charity of choice of a deceased member or his spouse. To date, checks have been sent on behalf of Bob Covell (St. Jude's Hospital), Sam DeMoura (The Michael J. Fox Foundation), John Vold (The Hospice), and Jack Yarin (HPH Hospice).

If you have any interest in joining one of the most active clubs in Heritage Pines, call Mike Miller, Membership Chairman, at 727-869-3959 or email him at mmiller3452@tampabay.rr.com. The club currently has 212 members. We offer the opportunity to attend one breakfast meeting to help you evaluate whether membership in the ROMEOs would appeal to you. Just call Mike!

Your Directors (and Officers) are Dan Driessen (S), Phil Flynn, Don Galloway, Ronny Krusch (T), Jeff Mariano (VP), Mike Miller and Skip Scott (P). Please contact any one of us concerning ROMEO matters.

HERITAGE PINES MEN'S POCKET BILLIARDS LEAGUES

By Benjamin "Ben" Bell, buckeyeben@verizon.net,
President Heritage Pines Pocket Billiards League

Another exciting season of pocket billiards has come to an end and our snowbird friends have headed back north to their summer homes. I wish them a safe journey and look forward to their return in the fall. At the post-season dinner a great deal of serious discussion was had about improvements that could be made and increase membership.

Two major changes that have been proposed and in place on trial this summer are:

1. Change the length of league play from two-five month leagues to three-three month leagues (winter, summer and fall).
2. Change partner play from chosen partners to drawing names randomly each night of play and documenting wins/losses of each participant.

We hope that these changes will encourage some of the people that have not participated in the past to join the summer league starting in mid-May.

We had a special award presented to Mr. Anthony Urbano for his outstanding exhibition of "Sportsmanship"

SPORTSMEN'S CLUB

By Tom Squadrito

What's the latest from the Sportsmen's club? Since this article must be submitted by the 13th of the month prior to publication, some depicted events may have already occurred.

1) We're sponsoring a pistol shoot in June at the Hernando Gun Range on US 19W. Ask any member for details if you have an interest in participating.

2) Fishing is great these days. Some members report attending the Weekie Wachee fishing club, which meets on a monthly basis. Many of their members have boats, and welcome passengers who like to fish. Cost is usually \$25 for each outing, followed by a nice picnic.

3) Monthly meeting was held on May 10th and some needed changes to our Bylaws were approved. Club will now offer liability insurance for all member activities.

4) Shotgun competition continues every Wednesday thru the summer. Most of us visit Robinsons' Ranch in Ingliss, because one can shoot trap, skeet, and five stand. A few members still visit Silver Dollar in Odessa on Thursdays, but that's for trap shooting only.

5) Pistol shooters (all calibers) can visit Golden Pawns on Mariner, no appointment necessary. Cost is very reasonable and they provide targets and safety equipment for those who need them. They do allow 0.22 rifle shooting as well, but no higher calibers. There are five indoor stations available, all with electric retractable target holders.

6) Monthly dinner was at Zig Zag Scallops on May 31st. We do like our socializing, eating, and drinking. After all, we're retired and have all the time in the world! Ask to join us on a trial basis.

7) Bocce Tourney was 9 a.m. on May 26th at Wellington on Mariner Blvd. Teams of four competed and half of the team \$10 entry fee will go to the Special Ops Warrior Foundation.

Need more info? Contact Tom at 727-863-1529.

WALK AEROBICS

By Roseann Andare

Summer will be arriving this month. Along with that comes humidity and afternoon thundershowers. Isn't it nice to know that you can get your daily walk in before lunch and have the remainder of your day free to do as you please? Try Walk Aerobics to help achieve your goal. We walk to Leslie Sansone tapes. If you know Leslie Sansone then you know that you can do it! We meet Monday through Saturday at 9:30 a.m. in the PAC room.

On May 1st, 14 club members had a wonderful time traveling to three homes for our First Annual Progressive Dinner. We began with appetizers hosted by George and Rose Sepcic. There, we munched on tropical pineapple in phyllo cups, tropical bruschetta, and curried chicken croustades (this last one prepared by Fletch and Carole Chambers). Our wine was a bubbly Prosecco provided by Michael Thienes.

Our second course was hosted by Bernie and Cathy Patterson where we dined on Floribbean seafood soup. This delight was fresh Florida grouper, sea scallops, and Key West pink shrimp, swimming in a delicate broth. We continued sipping on Prosecco and another white wine, the creation of Michael Thienes.

Our main course was hosted by Hope Botterbusch with the fish dish prepared by Bill and Donna Hamblet. This dish consisted of delicious fresh Florida snapper baked in an orange caper sauce. The first side dish was fresh asparagus with a hollandaise sauce prepared by Jan Hartley. The second side was old Florida perloo which was comprised of Florida grown rice, andouille sausage, chicken, chicken stock, Key West pink shrimp, and fresh herbs with just a hint of heat from habanero peppers. We also had orange cornbread muffins. These two sides were prepared by Hope B. More delicious wine was provided by Michael T.

Our dessert course was called "Fruit Surprise" and was prepared by Ludwig and Carolyn Wallner. This was a delightfully light mixture of green grapes in a butterscotch-type sauce and garnished with a tropical umbrella served in a martini glass. It was a sweet surprise ending to our Florida tropical dinner theme. It was accompanied by Michael T's homemade port wine. We also played a silly scavenger hunt game along the way with two prizes awarded for answering trivia questions, but mostly for being such good sports! A huge thank you to our home cooks and Michael T. for his wines! The consensus was to hold another Progressive Dinner next year.

Our June events are: June 7th we will attend the "Date Night" Dinner at the Club and on June 22nd we will attend a culinary class at the BergOFF where we will make sweet and savory crepes.

Come and join the fun! Singles welcome too! Like and follow us on Facebook at <https://www.facebook.com/Heritage-Pines-Food-Wine-Club-1645124982169665/>. For more information contact: Hope Botterbusch, Club Coordinator at esparanza2@gmail.com or 727-233-2139.

BUNCO NEWS

Welcome to June Bunco! Our games of bunco this month will be played on Thursday, June 14th in the Magnolia Room. We start promptly at 6:30 p.m. so if you would like to play, you might want to get there early because we can only fit 36 people in our space there. Remember to bring the proper envelopes in order to play. If you have any questions, please contact Linda Russell at 727-819-3736.

TENNIS ASSOCIATION NEWS

By Bill Tory

Christopher Columbus!!!, as Katherine Hepburn would often say when taken by surprise. It's June and summer is upon us!

Not too much to say about the month of May. Men's open tennis moved from an 8 a.m. start to an 8:30 a.m. start, due to the increasing heat of summer. All of the Snowbirds have flown North for the season so it should be pretty easy to get court time and ball machine time for the next several months. May was also the last official H.P.T.A. board meeting until November. Even though we will not be meeting on a regular basis, board members will still be available to address your concerns about tennis maintenance and court conditions.

A final congratulations to the 2018 Championship Tennis winners.

Heritage Springs/Heritage Pines Tournament. Of the five courts of men's doubles, two courts of women's doubles and one court of mixed doubles in tournament play with Heritage Springs, we only were able to win two matches. Chris Krohn and Susan Haeckel won their match for women's doubles, while Gary Vacarro and Bill Tory prevailed for the men's doubles.

The next job description in "what do they do?" we look at the Treasurer.

Position Requirements: Individual must be a member in good standing of the HPTA. Individual should have a computer, and capability of maintaining membership files and financial records electronically.

Primary Duties: Maintain records of all members (including email addresses and phone numbers). Maintain records of money received for dues and other money the HPTA may receive. Deposit funds received in a local bank in a non-risk account bearing the name of the HPTA. The President and Treasurer will be the only authorized persons to withdraw money or sign checks. Pay all bills approved for payment by the Board of Directors and provide a financial report at Board meetings and an annual roll-up report at the annual meeting.

Secondary Duties: Reconcile each month's bank statement. Maintain a list of members in good standing (current with annual dues). Include updated emails, phone list and those trained on the ball machine. Post on bulletin board as needed. Prepare annual financial statement to be presented at Annual HPTA meeting. This should include in and expense category totals.

The Treasurer along with the President are responsible to go to the bank with the minutes of the annual meeting to prepare new signature cards when either an officer leaves office or a new officer assumes duties.

THURSDAY MUSICALE

By Linda Stuff, *President*

Thursday Musicale, a ladies choral group, had their final concert of the season on Thursday, April 19th at 2:00. The concert was in Howard Hall at Hudson First United Methodist Church at 13123 US Highway 19. Each year Thursday Musicale is proud to give scholarships to high school seniors that will be pursuing music as a career. Guest performers were John Timpanelli and his student, Theresa Smith. John, who is a former scholarship winner, has been entertaining local audiences for many years.

DRAMA CLUB

By Marcia Letterer

Well, spring is quickly becoming summer and many of our snow birds have returned north. We wish for them a healthy, wonderful summer.

Your Drama Club is preparing several productions for us all, and this August on Thursday the 23rd at 7:00 p.m., "A Royal Wedding" will be presented. This is a Burns-Allen show and will be casting soon, so watch for an email blast. We thought this would be timely, considering Prince Harry's Big Day!

Our Fall production will be a holiday-themed show directed by Paula Routten entitled "T'was the Opening Night Before Christmas." Play dates are Friday, November 30rd and Saturday, December 1st at 7:30 p.m. and Sunday, December 2nd at 2:00 p.m. Auditions will be held on Wednesday, June 6th at 1:00 and 7:00 p.m. There will be several small parts and we would love to have new people take a small role and discover how much fun we have on stage together! All residents are invited.

Also---there are many ways to be involved off stage too: assisting with costumes, make-up, stage set up and take down and greeters. We sure do have a lot of laughs together. So, please---come join us!

Stay tuned...

THEATRE CLUB

By Marcia Gerber

The new schedule for Show Palace is out. Copies can be made from the one in the Theatre book in the Library. Reminder - ticket price increases to \$46.50 starting with the Saturday, June 23rd show "Ain't Retirement Grand."

On Saturday, September 15th, we have booked a performance to see the comedy of Steve Solomon - "My Mother's Italian, My Father's Jewish and I Am In Therapy." It's at Show Palace for \$46.50 to include show, buffet dinner and all taxes. Gratuities are extra.

Remember, if we do not have between 10 to 15 residents signed up to see a show at Straz or Ruth Eckerd Hall, we are unable to secure a group discount. It will be necessary to call the theatre's box office directly to select your tickets.

Any questions, please call Marcia Gerber 819-1662 or Lee Gebhardt 819-8596.

SOFTBALL NEWS

We had four practices for the month of May as shown: May 4th, May 11th, May 18th and May 25th. We averaged slightly more players per practice in May (16 players) as we did in April (15 players). This is surprising since the players who go up north to their summer homes have already left. Everyone who attended these practices had two sessions of 20 hits per session or a total of 40 hits for each of the practices. However, some of the players opted out of their second hitting session at our May 4th practice since the temperature that day climbed from 74 degrees at the start of practice, to 85 degrees when we ended. Here is the picture of the players who attended our May 11th practice:

Top row standing from left to right: Bob Harris, Frank DeRochmont, Billy Reuter, Jeff Geabino, Ric Layne, Carl Benson, Jeff Mariano, Kevin McCrystal, Bob Gardella and Gil Montalvo.

Bottom Row from left to right: Al Velazquez, Al Grosso and Mike Engel.

Christine Grosso was the photographer.

Late arrivals not in picture: Debbie Benson, John Clock, Paul Katzenback and Melvin Sanks.

SOFTBALL NEWS cont'd

Here is the list of the five upcoming practices for the month of June: June 1st, June 8th, June 15th, June 22nd and June 29th. All practices begin every Friday at 9 a.m. Anyone (guy or gal) in Heritage Pines who is interested in playing softball can come to Memorial Field which is left off Little Road on New York Avenue. Turn right into Memorial Field at the Tank monument and go to the right. We always look forward to visiting with all our players/friends at each practice. Everyone who comes comments about the good exercise and workout they get.

FRIENDLY QUILTERS

To all Heritage Pines Friendly Quilters, effective immediately we have made the decision to suspend the club for the foreseeable future. Due to family matters, our president, Faye Philie is not able to participate as much as she would like to.

We understand that in such an active community as ours that there are a lot of different activities in which to participate. We reserve the option to re-activate the club at a later date. If this is of interest to you, please email a note to Linda Nielsen at email address lsnielsen2299@gmail.com. If anyone still wants to make quilts to donate, there is fabric in the craft room. The key to the cupboard is at the front desk.

And finally, we want to extend our thanks to Faye for stepping in and being such a good leader of our group and to offer her our good wishes.

KITTY COALITION

By Lee Gebhardt

The Kitty Coalition committee wants to thank all of the Heritage Pines residents who have responded to our plea for contributions. All have been separately sent a thank you letter for tax purposes but we wish to let the community know how great our neighbors are.

We were also given a brand new trap by the lady who adopted the kitten we had trapped last December. The kitten is still hiding on her but she is willing to wait Miss Kitty out!

We are looking for residents who would be interested in taking in kittens when trapped or acting as "foster" parents to socialize kittens until a permanent home can be found. If interested, please contact Lee Gebhardt at 727-819-8596.

MONDAY MEN'S BIBLE STUDY

By George Chudyk

Every Monday at 4:00 p.m. we come together to study, share personal testimonies, and pray. We are a Proverbs 27:17 group – "As iron sharpens iron, so a friend sharpens a friend." Come and let's sharpen one another. For info call George Chudyk at 727-397-3428 or just show up in the Magnolia Room.

TUESDAY LADIES' BIBLE STUDY

We started our Bible Study in May with the Sermon on the Mount and will continue this month. Did you know that the entire Sermon on the Mount as recorded in Matthew is actually three chapters long? It starts in Chapter 5:1-2 and ends with Chapter 7. There is so much more to see in this scripture than just the bits we have often heard, but not the entire Sermon on the Mount as it was originally delivered to the people.

This month we are picking up where we left off in May when Jesus began answering the question "What does the righteousness of a follower of Christ look like?" Perhaps Jesus' original hearers were not the only ones who needed clarification on the true nature of righteousness. Come and join us as we take a deeper look into scripture led by Jen Wilken as she teaches on our weekly videos.

We invite all the women in our community to join us in fellowship and study. We meet every Tuesday morning in the Magnolia Room of the Clubhouse between 9:00 and 11:00 a.m. We are a non-denominational Bible study and you do not need to be a Bible scholar to join us as we are all learning new things together. For information please call Evie Clark at 727-868-3454 or Pat Hepler at 727-819-2355.

MONDAY LADIES' BIBLE STUDY

By Carole Hopkins

We are nondenominational and welcome all newcomers. Our meetings are in the Magnolia Room from 9-11 a.m. on Mondays. We will suspend meeting after May 21st for the summer and will probably resume on September 10th. Our fall topic will be announced in the August newsletter. For more information, please call Carole Hopkins at 727 697-1664 or e-mail her at oceancarole@gmail.com.

DEMOCRATIC CLUB

By Linda Myers, *Secretary*

The Heritage Pines Democratic Club will hold its annual Summer Party on Thursday, June 21st, from 5 p.m. to 8 p.m. at the Lake House located at 1202 Kenlake Avenue, Spring Hill, FL. This event will replace our regular June meeting.

The Summer Party will serve as our kick-off to the campaigns

for 2018, and many of Pasco County's candidates for office will be in attendance. Theme for the Party will be "Surfing the Big Blue Wave." There will be entertainment and games, and all Democrats and their guests are invited to attend. We ask that you bring one of the following: appetizer, dessert or side dish. If you plan to attend, and we hope you will, please RSVP to Judith Chase at critterluv@tampabay.rr.com. Let Judith know which dish you plan to bring.

2018 is a crucial year for Democrats; we hope you will join us in upcoming Democratic Club events.

Note: The HP Democratic Club will not have a membership meeting in July. Our next membership meeting will be August 16, 2018 at 4:00 p. m. in the Magnolia Room. For information, call: Rich Cunha – 857-3044; Betty Dean – 869-9033; or Linda Myers – 233-6226.

REPUBLICAN CLUB

By Robert Houskeeper, *Club President*

TAI CHI

Tai Chi - Beginner – Tuesday at 8:30 a.m. in PAC

Tai Chi - Advanced – Thursday at 8:30 a.m. in PAC

Qigong – Saturday at 8:30 in PAC

By Rich Cunha, 857-3044, taichienvirorich@gmail.com

Summer Schedule

Please note the following, revised schedule for the summer months.

1. Tuesday will remain the same as the Beginner Class (although it is really more of an Intermediate Class now, since we are more than half way through the form). And, yes we will continue to proceed throughout the summer for those of you that are year round residents.

2. Thursday will remain the same as the Advanced Class. However, there are several Thursday cancellations 6/21; 7/5; 7/12; 7/19

3. Saturday classes will be curtailed for the summer months. We will still have some Saturday Qigong classes, but there will be a lot fewer. See below for the detailed schedule.

June - no class on June 9th and June 23rd

July - no class July 7th, July 14th, July 21st and July 28th (all Saturdays in July are cancelled)

August - no class August 11th and August 25th

September - no class September 1st and September 15th

We also had a wonderful World Tai Chi and Qigong Day celebration in Gazebo Park on April 28th. The weather was perfect and the energy was fantastic! See picture below.

FIRST ANNUAL PIE CONTEST AT PINE MEADOW VILLAGE PICNIC

Pine Meadow Village added a new twist to our outdoor events holding the “**First Annual Pie Contest**”, and the results spoke volumes. With the pavilion at near capacity, Jean Dalseg won the Best Pie Award with her Grapefruit Pie voted by the residents who choose from a variety of pie entries ranging from apple, cream pies, berry pies and even a meat pie. This picture is Jean receiving her trophy from HOA president Mary Ward. The pie tasting was great and allowed everyone to get a sample from the superb bakers we have in the neighborhood. Thank you to all the participants!

Special thanks to Michael and his staff for some great picnic food (hot dogs, hamburgers, a pasta salad and all the fixings)! Phil, from the maintenance department, had the tables and chairs all set up and the bocce ball court ready for us when we arrived. The neighbors enjoyed great fellowship with each other, and just as we arrived, a wonderful breeze came through making the weather perfect! (Thank you Lord)! Everyone got to relax, chat and enjoy the great music provided by our residents Ralph and Janette Pauley. Our 50/50 drawing went to benefit St. Jude's Hospital, and the other half was divided and won by two happy attendees. Thank you residents for your support allowing our Village to be donators to many amazing charities.

A special thank you also goes out to Debbie, AJ, Anna and Diane for making this event one of the best yet! A lot of effort goes into our social activities, and we are truly thankful we have volunteers who work behind the scenes to make it all possible. We had a large group that stayed to participate in bocce ball after dinner, and we played until it was dark!

As we say goodbye to our neighbors heading north, we wish you all a safe journey and we look forward to seeing everyone again next fall.

VILLAGE ATTIC

The village attic is maintained by residents within our community. Your neighbors store items to lend when company comes into town. The list can be found on the Heritage Pines web site under social, as well as in the binder located at the front desk. Please call the person on the list and make the necessary arrangements. Any questions, call Marcia Gerber at 819-1662 or Betty Plante at 863-8462.

NEWS FROM PINE GROVE VILLAGE

Written by Barbara Fullerton and
Submitted by Linda Myers, *Pine Grove Village President*

Easter Fun

As always, the Pine Grove women are always busy having fun. This year is no different. All attended karaoke on Easter Eve dressed in their finest Easter Bonnets. Easter morning many were up early hiding eggs for an Easter Egg Hunt for children that were guests.

Annual Village Picnic

Saturday, April 7th, Pine Grove Village held their annual picnic/street party. The event was well attended as over 90 people were in attendance. Plenty of food was provided. Activities and games were provided. Most importantly lots of good conversation and reminiscing was done.

Happy Trails

At Tuesday Music Night – April 9th, Pine Grove residents in attendance gathered to sing their farewell song “Happy Trails” to the snowbirds heading north for the summer months. We will miss everyone, but look forward to their return in the fall.

HUMMINGBIRDS OF HERITAGE PINES

Contributed by Deb Tribbey...
(facts from Audubon International)

As warmer weather approaches, multitudes of migrant birds are on track for arrival in North America. Among them are those favorite avian gems, hummingbirds.

The spring arrival—or year-round presence—of hummingbirds in yards varies across the country, but current studies point out some new potential challenges to migrating hummingbirds, such as changing bloom times of nectar plants and an earlier arrival of spring on their wintering and breeding grounds. AUDUBON provides general guidelines to current hummingbird migration patterns for various sections of the country, as well some tips on the different feeding strategies you can use to attract them to your yard.

Over most of the eastern two-thirds of North America, from central Canada southward, the Ruby-throated Hummingbird reigns supreme. Predominantly a neotropical migrant, it winters from southern Mexico to Costa Rica. Each spring, this species arrives in numbers along the Gulf Coast by early March, filtering northward over the next two months until arriving in northern states and southern provinces by late April or early May. Climate change is affecting the migration of Ruby-throats, though. As conditions warm on the wintering grounds, data indicate that they leave their winter homes earlier on their way to the Gulf Coast. Interestingly, it also appears that hummingbirds then hang around in the Gulf Coast for longer than normal, perhaps to recuperate from their trip across the Gulf of Mexico.

The Southeastern coast, from Cape Hatteras southward, in Florida, and especially around the Gulf Coast, is different from the rest of the eastern United States. Here hummingbirds are likely to be present year-round, with

both higher diversity and greater numbers of birds present in winter! As such, supplying nectar sources and insect-laden gardens is appropriate year-round in these regions.

Growing plants that are indigenous to your area is a great way to both attract and

help the hummingbirds you love. Native plants provide shelter and food, including a healthy environment for insects, part of the hummingbird diet important during breeding season. Get a list of native plants customized for your area by visiting www.audubon.org for its handy Plants for Birds database. A few that we have great success with in Heritage Pines are Florida Sage....bright red tubular flowers. It's a native wildflower. Blooms all year around. Not cold tolerant, but if cold-burned---or leggy, just cut them back to the ground, and they just start growing and blooming again. They will self-seed easily. You can see them at the Paleo Park sign, or in my yard. Love the sun, and any kind of water, except standing water. Another is Firebush, or commonly called "Hamelia". There is a dwarf variety, unless you have room for it to grow/spread, which could be 8 foot wide. This plant loves dry sunny places. If you have room for a vine, then Coral Honeysuckle is ideal and another Hummingbird favorite.

You can also become a Community Scientist. You can protect hummingbirds by helping crowdsource invaluable data using Audubon's free Hummingbirds at Home app or website. You just submit your observations on when hummingbirds feed on nectar-bearing plants in your yard or community. To get started, go to www.hummingbirdsathome.org.

Hummingbirds are unique in many ways. Some of the the smallest birds in the world, they are the fastest fliers

HUMMINGBIRDS OF HERITAGE PINES cont'd

relative to their body length, and they are also the only true hoverers in the avian class. To enable this special form of flight, hummingbirds have evolved several distinct adaptations, from a specialized wing shape to breast muscles that take up about 30 percent of their entire body weight (most birds' breasts weigh in at around 15-18 percent). Scientists have always suspected that this complex movement requires a more complex brain, but hummingbird brains are very small and hard to study. So much so that only recently did a team of Canadian scientists manage to crack how hummingbird brains handle hovering. Their research, published in this month's edition of *Current Biology*, shows that hummers have brains unlike any other bird (or four-limbed vertebrate, for that matter), which let them manage multi-directional flight.

To understand these differences, it's first important to consider how and why we move. Every creature on Earth is either predator or prey, and many are both depending on where they fall in the food chain. For almost all animals, this means moving forward—i.e., whichever way they are facing—either toward food or away from becoming food. Humans are a rare exception among vertebrates in that we have the capability to move relatively efficiently in many directions. (Have you ever seen a dog try to trot backwards or climb a ladder?) Despite this difference, our first instinct when faced with danger is still to turn around and run away from the threat, not waltz sideways to safety. This instinct can be traced to the way our brains perceive motion. The visual centers in the brains of all studied four-limbed creatures respond most strongly to motion on the back-to-front axis (think of us chasing something or something chasing us). Except for hummingbirds, according to the new research. Hummingbirds spend a lot of their time hovering, which means they have more to consider than just the front back-to-front axis. When hovering, a gust of wind might push them from the side. Or a predator might strike from below. So they have to be able to move not just in the forward direction to feed on a dangling flower, but in all directions. Because of this, it would make sense that hummingbirds' brains don't put the same emphasis on back-to-front movement that ours do—and that's exactly what the scientists found.

The research team discovered that in an area of the brain called the lentiformis mesencephali, which is the part that responds to visual stimuli, hummingbirds didn't have a strong back-to-front preference like all other animals tested thus far. Instead, they seemed to have no preference, responding to motion in every direction equally. The researchers also found that hummingbird brains are tuned to respond more strongly to fast movements than slow ones. This was a surprise because scientists had assumed that their brains would be tuned for a low-speed hover. But if you think about it, being optimized for high speed makes sense, too. An Anna's Hummingbird can move at 385 body lengths per second during mating flights, which is screaming fast (in comparison, an F15 Eagle fighter jet has a top speed of Mach 2.5, which translates to around 45 body lengths per second). At that speed, the ability to make near-instantaneous course corrections is the difference between life and death — or mating and not mating, which is basically the

same thing in evolutionary terms. That hummingbird brains perceive the world differently than other vertebrates is a fascinating ornithological find, but the researchers have other motivations for their study—understanding flight in nature to design better robots. The discovery of an animal brain that can move efficiently in three dimensions could be very valuable for artificial intelligence in flying drones, for instance, or computerized autopilot systems for helicopters. But potential commercial applications aside, isn't it interesting to think that the tiniest bird brains might also be the most complicated?
