A Message to My Patients...

From Michael W. Higgins, DO, PA
Board Certified in Orthopaedic Surgery

Michael W. Higgins, DO, PA
Board Certified in
Orthopaedic Surgery

“When you make an appointment with me...you get me.”

This may mean that sometimes you will have to wait. I believe in taking the time that each patient requires and this is usually determined when we are face-to-face – not when scheduling the appointment.

So...sometimes it's more time than we budgeted. But...when it's your turn...you get the time you need.

“Dr. Higgins answered all the questions I had, and many I had not thought to ask. I never felt rushed so he could get to his next patient or bullied into a particular treatment option.” – Kristin J.S.

Dr. Higgins specializes in non-operative and operative management of general orthopaedic conditions and the spine.

By now, I am sure you have noticed our new white truck at the front gate. Management looked at Toyota, Ford, and Chevrolet. The Toyota seemed to meet our needs the best, as well as bringing the lowest price tag. It will soon be sent out to get our HP logo on the door. We were all so impressed with the price that you will soon notice that we have two new identical trucks. The second one is on order with the dealership. Our second truck was due to be replaced next year, but was failing quickly. Management and the BOD decided to take the proactive approach. Now we have two.

The BOD continues to wait for the Space Consultant's report which should come sometime in September. The new woodshop is awaiting the County paperwork and we are ready to go with this project. The construction of a privacy area outside the kitchen has been completed. It will shield the garbage containers and the outdoor grills from the eye of residents and guests.

We would like to thank our residents for their cooperation and patience with the closing of the hot tub and the long wait for the water sample results from the Health Department. As you know, the results were negative, and we would like to thank Management and Staff for their diligence in keeping these areas clean and safe. Remember that residents and their guests are responsible for their part by following all Club and pool rules.

We have many wonderful residents at Heritage Pines, and we would like to take this time to acknowledge two very special people, Ralph and Janette Pauley. On August 22, 2018 they were honored by The United Way of Pasco County at a "Celebration of Impact" special event. Ralph and Janette were recognized for stepping-up to make a difference in the community. They were publicly acknowledged for their tireless efforts on behalf of those impacted by disaster. We are very fortunate to have them at Heritage Pines. Congratulations to both Ralph and Janette.

We hope all residents are having a wonderful summer. Soon Fall activities will be upon us and our "snowbird" friends will be returning.

FROM THE GENERAL MANAGER

By Bill Crusselle, *Club Manager*

Our summer this year has been a bit different than any in recent memory with the climate changes creating more thunderstorms with excessive rain along with unusual amounts of thunder and lightning. Although the weather has impacted our rounds of golf, the natural and clean water has been really good for our golf course and common grounds. DTE has done an outstanding job in a short amount of time improving the golf course and assessing what needs to be done for both short term and long term success. The long range plan that was agreed upon and sent out to all residents should provide Heritage Pines with a golf course that our golfing residents will be proud of and one that will keep our property values increasing and the length of time a home that is for sale is on the market decreasing. The improvement of the common grounds and the new landscape projects done over the past three years have also been a factor in creating a greater sense of pride in our community.

We are in that time of the year when we know that it is not if, but when, we will have to deal with tropical storms and hurricanes. We were very fortunate last year to have had minimal damage from Hurricane Irma and everyone should have taken from that experience what should and should not be done when the chance of a storm coming our way occurs. Start the process now of determining what you will need to have and what you will need to do if necessary.

GOLF COURSE AND COMMON GROUNDS MAINTENANCE NEWS

different. We have been drier than we were last month, but we've had about a two week stretch of cloudy weather and periodic rains that has slowed down our progress. This is what we call, "The Dog Days of Summer!"

We have just completed our second core aerification for the summer and everything went really well. We were able to vertical mow all of the short grass, i.e. tees, approaches, fairways, and greens. We back tracked and verticut the greens which means that we went down and back on the same pass to help eliminate the grain on the greens surface. Once completed, we covered the greens in topdressing sand and used a drag mat to try to get the sand to fill the holes as best as possible. We then used a 1-ton double, drum roller to roll the greens and remove any ruts that may have been caused during this process. We will be dragging and rolling the greens over the next few days but will try to do so with as little interference with play as possible. We were able to borrow a set of verticutting reels from another DTE course and used them to verticut the fairways on the front nine. The Weidenman is the large vacuum looking machine that we used to verticut the back nine fairways. This machine is very rigid, so you cannot verticut as aggressively with this machine, but it cleans up behind itself which helps out a lot. We plan to continue to utilize this machine throughout the course of the year to help level high areas in fairways and give you a smoother playing surface. We created a lot of debris while verticutting, so we are still working on getting things cleaned up. We mowed all tees, approaches, and fairways after we verticut but will need to mow them again to get a clean cut and remove any excess that was not cut during the first mow.

We are working on getting all the Viburnum hedges trimmed throughout the property. We have to spend a lot of time removing the vines prior to trimming. Once we finish an area, we are applying a growth regulator that will keep the hedge from growing so rapidly. Unfortunately, we haven't found anything that we can spray on the hedge to kill the vines that will not hurt the Viburnum, but we are going to continue to try to find better methods to become more efficient. Our current Common Area schedule is not leaving much time for the detail work that needs to be completed, so we are going to adjust that schedule to allow for some time to get this work completed. We continue to remove dead pine trees throughout the property and it seems like every time we turn around we see another tree that is starting to decline. We are hoping that the Southern Pine Beetle will run its course and move on to another property, but until then, we will try to get these dead trees removed as quickly as possible.

Our next course closure is scheduled for September 13th and we plan to aerify the greens again, but we will not be pulling cores this time. We will use a solid tine to open holes that will allow oxygen and moisture to get to the root zone. We also plan to fertilize tees and fairways again to give them some extra food in preparation for overseeding.

The summer months are always the toughest months. We have to complete cultural practices during this time because the turf is growing vigorously, but so is everything else. We have been

trying to keep up with the bed weeds and trimming as best as possible while getting these things completed. We are going to focus on getting the Green Mile and the rest of the Viburnum trimmed in the common areas and treating the weeds in the turf on the golf course. I hope everyone is happy with the progress that we are making and look forward to hearing your feedback.

Hello to everyone in Heritage Pines Community. Remember to please watch your SPEED while driving in the community. It's not only for everyone's safety but your own. Please use the STOP signs, it's there for your safety and others!

Also would to let everyone know we now have a new phone system at the Gate and Clubhouse. When you call the Gate House, to let us know about someone coming in, you will hear a new answering system. If we are unable to get to the phone, please leave a message after you hear the music and a message. We want to thank you.

The Gatehouse Emergency phone number is **727-236-0591 (this is a backup number only used when phones are not working).**

What to do if you need to let the staff on duty know you are a resident when coming into property and barcode lane is blocked by another vehicle? Please stay in the barcode lane. This is an EMERGENCY LANE as well as the resident's barcode lane. The staff at the gate are working on getting this lane cleared first. Visitor lane has to wait until the vendor's vehicle is cleared from barcode lane.

Here is a list of our incidents report for the month of July 2018:

have changed as well. Please check with your village manager if you have any questions on that amount. You do not have to do anything to change monthly automatic debit amount if you are set up for ACH. It will be processed at the new amount.

ACH and Online/Email Services

If you are not set up for automatic debit (ACH), please consider this simple process. It's easy to set up and you don't have to worry about anything except deducting the amount from your checking balance each month. And in case you did not know, we never deduct your HOA fee before the third each month. We had many requests to hold off until the third from members that don't receive their direct deposits until then. Also please consider doing away with paper statements. You can view online or have emailed. Just request an "Opt out of paper statement form" from the office, fill out and return with your email address.

Out of Town Mail Service

Recently it was brought to our attention that some mail does not

get forwarded if the name on your account is something different, like a trust for example. If you are going out of town for an extended period of time, please let us know in the office. We can set your mail to go to another address so you don't miss important association mailings. Just remember to give us a call or email to change it back when you return home.

Member Charge (Jonas) System

We always ask that you bring your member charge card to the club for purchases. This just helps prevent charge errors. If you do not have your card, please do not sign your charge until you have verified it has correct member information at the top. Also as mentioned before, our Jonas system separates your HOA fees and club charges, so we need to have them paid separately. We appreciate that most monthly accounts are current and if not it is usually a one time over sight and we take that into consideration. Please keep in mind club charges not paid by the 20th of following month can be assessed a \$25 late fee as well as HOA fees not paid in the month they are due.

GOLF CART MAINTENANCE & REPAIR AT HERITAGE PINES

Golf Cart Maintenance and Repair at Heritage Pines Facilities Department is proudly offering a Golf Cart Maintenance Service for the residents of HP! All we need from residents is your name, phone number, model and year of golf cart. Service will be provided by scheduled appointments only through the front desk. Services will be provided only on the days and times listed below.

Tuesdays 8:00 a.m. - 3:00 p.m.

Wednesdays 8:00 a.m. - 3:00 p.m.

Thursday 8:00 a.m. - 3:00 p.m.

We believe that preventive maintenance is the key to preserving your cart. As such, we are offering our residents a Preventative Maintenance Program.

\$99.95 + tax (4 visits) or \$49.95 + tax (1 visit)

Preventative Maintenance Program includes:

- ✓ Batteries – Fluid levels clean and fill as needed.
- ✓ Battery and cable connections and condition.
- ✓ Battery Cage – Inspect, clean and neutralize battery acid. (Additional cost to remove batteries and neutralize cage.)
- ✓ Charger – Examine plugs for proper connection. (At Request)
- ✓ Check brakes and cables, clean and adjust if necessary.

WELCOME NEW RESIDENTS!

On behalf of the staff at the Clubhouse, and the entire Heritage Pines Community, we would like to welcome and recognize the following happy new homeowners and renters!

Karen Brinkley of Woodfield Village

Valerie & Art Rosenberg of
Winding Way Village

Harry Hansen of
Pine Crest Village

Bill & Renee Desilets of
Lake View Village

Mike & Susan Denny are new to Scenic
Pines, but not new to Heritage Pines

Reminder to new residents: Please make sure you contact Cheryl Thomas at the Clubhouse to schedule your new homeowners orientation. This meeting will provide you with very important information regarding the community, rules and regulations, and the Clubhouse.

PLAN YOUR EVENT WITH US!

BANQUETS & CATERING

**HOLIDAY PARTIES • SPORTING EVENTS
FAMILY GATHERINGS • CORPORATE EVENTS
GRADUATIONS • BIRTHDAYS • SHOWERS
MEMORIAL LUNCHEONS • WEDDINGS
AND SO MUCH MORE!**

Are you looking to hold a birthday or anniversary? Perhaps your village would like to host a monthly social or special event? The Clubhouse at Heritage Pines is open to all residents who wish to hold an event, or sponsor an event for a friend or family member. Nestled in serenity, amongst our picturesque rolling hills, lakes, fairways, and famous pine trees, Heritage Pines is the ideal spot for a resident to host any and every event they desire. We pride ourselves on being professionals in the event industry. From our unique and delectable menu creations, to our knowledge of décor, entertainment, and exceptional guest services, your guests will remember your event at Heritage Pines for years to come. Whether hosting an intimate affair, luncheon, golf tournament, or lavish party, we are confident that our commitment to quality and attention to detail will exceed your expectations and provide you with a memorable and enjoyable event.

Thank you for allowing us to be a part of your event planning endeavors. We would be honored to answer any questions you may have about our menus, services, grounds, and facilities. Should you have any questions, please don't hesitate to contact us. We look forward to creating a lasting relationship with you while helping to coordinate your very special day. If you have any questions, or would like to inquire about an event, please contact Michael Russell at the Clubhouse or by email, mike.russell@heritagepines.net.

HAPPY BIRTHDAY TO THE FOLLOWING RESIDENTS!

We have switched to a new reporting system for Birthdays, if you do not see your birthday listed or notice incorrect information; please contact Celeste Nolan at celeste.nolan@heritagepines.net

Happy belated Birthday
to Jackie Ciesla,
her birthday was
August 17th!

HERITAGE PINES WEBSITE

By Kimberley Norton, LCAM®, *Office Manager*

Are you registered on the new HP website?

By now many of you are enjoying the new Heritage Pines website. With this change we have many new options available to us, but not everything will be the same as the last website. Of great value, we now have a website that is part of our main database. The staff is in the process of uploading additional documentation and information, so please bear with us while we continue to make this a resourceful website. Like before, you have access to an Address List of all your Heritage Pines friends and neighbors. You may also view your Club Statement.

If you have not already registered for the new website, please go to www.heritagepines.net. An instructional e-mail was sent to all residents on how to register.

To subscribe to e-mails from the Clubhouse, please click on Member Home, and scroll down to Member Subscription. Here you will enter your e-mail, confirm your e-mail, and then select the categories in which you are interested. We request that all members select Official so that you receive important announcements from the Clubhouse.

If you need any assistance please call the office at 727-861-7784 or e-mail me at kim.norton@heritagepines.net.

LIGHTING PROJECT

By J Bart Cutshall

It's been many months of planning, onsite inspections, more discussions, and then some implementation of installing new street lights within Heritage Pines. In fact, at many of the CDD meetings, the frustration level with just how long everything has taken is discussed. However, this be coming to an end.

The CDD has been in active talks with W.R.E.C. representative(s) and it looks like all the pieces are finally in place. By the time this article goes to the printer, the CDD does not expect everything to have happened; and possibly nothing will have happened by the time you are reading this update. But the CDD has been invoiced and it will be paid, which will start the ball rolling to do the installation of power cables and light poles. The CDD fully expects all lights to be up and functioning before October, 2018 (fingers crossed), but at least there seems to be forward progress rather than standing in place.

In conclusion, this part of the lighting project does not mean the CDD will not revisit this matter if the CDD deems it necessary to improve the safety and security of the residents of Heritage Pines. The next scheduled CDD meeting is Tuesday, September 11, 2018 at 2:00 p.m. in the Heritage Pines Clubhouse.

GOLF ADVISORY COMMITTEE MEETING

Submitted by Joy Stefany

Present: Stan Ely – Chair; Edie Godleski – Vice-chair; Janice Benedetti – Niners; Mary Miller – HPLGA; George McAnally – HPMNGA; Ric Layne – HPMGA; and Joy Stefany – Handicap Chair. Also present: Bill Crusselle – GM; Herb Hurley – Golf Pro; Jeremy Martin – Course Superintendent & Chris Ansley – Golf Course Maintenance

Meeting was called to order at 2:00 by GAC Chair – Stan Ely. Proof of Notice was noted. All Members were present therefore, quorum was present.

Opening remarks by Stan: Agenda will basically be the same each month.

Residents are asked to address comments and concerns regarding golf and course with the GAC – not e-mails directly to Pro, management or general e-mails.

Presented the Golf Committee Charter as signed and dated June 22, 2016. No minutes from last meeting to approve.

First open forum:

- o STEVE LIZAKOWSKI: Requested the addition of

Green/Burgundy combo tees (addressed in Handicap Report.

Cost of golf at reciprocal courses.

- Herb Hurley said that each course sets their own fees and may not be the same as Heritage Pines.

Grass in some retention areas are long and difficult to find golf ball.

- Mike Walsh (CDD) responded that the CDD recommends cutting at four inches. If cut shorter and grass dies, it is the responsibility of Heritage Pines to replace.

o ROY DULSKI:

Suggested have “Local Rules” available for outsiders. He gave Herb a copy of one that has been available to residents in the past.

o MIKE WALSH:

Thanked course management for the return of sand buckets.

Suggested moving the Cart Path signs near the Greens to avoid the ball hitting them on approach shots.

- This probably will not be done as the signs do direct traffic. If moved there may be more carts driving closer to Greens.

Committee Reports

o HANDICAP COMMITTEE – JOY STEFANY

Completed the “2018 USGA Club Compliance Checklist and Handicap System Education Assessment.” This was required by USGA/FSGA.

Evaluated and changed the handicap allocation for the Black Tees. The change was made in the Golf Genius Program and the changes will be on the new score cards.

Reviews the Scores Posted in Golf Genius for the four leagues. Any problems found are addressed with that league's Handicap Chair. Examples may be incorrect GHIN # or GHIN fee not paid.

Green/Burgundy Tee Combo was addressed at recent meeting and decided not to proceed at this time. The person requesting the change was notified and asked to try playing when not in a game and give the score cards to Joy. This information will be valuable if/when we would like to address the issue again.

GOLF ADVISORY COMMITTEE MEETING cont'd

o NINERS – JANICE BENEDETTI, 134 Members

Play is down in summer due to 'snow birds', heat and other travel plans.

New members as a result of the Beginner Golf Clinics.

Membership wants to play in afternoon regardless of the heat.

o HPLGA – MARY MILLER, 65 Members

Ladies have appreciated that the ropes have been removed.

Annual Lady Bug Invitational was held in May. Always a big success. Thanks to Herb, HPMGA, and Heritage Pines employees for their help.

o HPMNGA – GEORGE MCANALLY, 60 Members, 18 – 24 playing in the summer.

Enjoying new games and socializing with the group after golf

o HPMGA – RIC LAYNE, 148 Members, 28-34 play each week

Remarked on the flags on the Driving Range. Thanked Herb for doing a great job.

o GM - BILL CRUSSELLE:

11 days in June affected by rain – no golf. Only 31 less rounds played than June 17th and revenue down \$330 from June 17th. Reciprocal play is up 66 rounds from June 17th.

Will be a meeting with DOWN-TO-EARTH (DTE) later this week.

Irrigation, Overseeding, Irrigation Boxes – replacing old boxes, Renovation of fairways, Practice Green – doubling in size

Strategic Long Range Plan includes renovating Clubhouse – including Pro Shop.

o HP BOD – STEVE VANCE: Strategic Long Range Plan's priority is Golf.

o GOLF COURSE SUPERVISOR, DTE – JEREMY MARTIN: to read Jeremy Martins update, please log into heritagepines.net and go to "Official Business", "Committees", "Golf Committee", "Minutes – 7-9-2018"

o GOLF PRO – HERB HURLEY:

72 players in Fourth of July Tournament

Plans for Labor Day Tournament

Good turn out at clinics

24 players in 1st Friday afternoon Fun League

Mats at Driving Range can use regular tees

Jonas Tee Time Requests go 1A, 1B, 2A, etc. Cannot be changed in program but players can move their groups later if there are openings to spread out better.

Stan would like to see Tee Markers moved more often.

o JANICE BENEDETTI – concerns about golf cart parking across the street.

o GM has requested STOP signs along Scenic Hills Dr. Also, there is more parking at end of building.

o STAN ELY – encourages representatives from leagues to remind players to observe 90* rule.

o EDIE GODLESKI – workers need reflected tape/tail lights when driving in the early hours to be seen.

Next meeting: Monday, August 13, 2018

Motion to adjourn at 3:20 by Janice Benedetti and seconded by Ric Layne.

LIFESTYLE COMMITTEE

The Lifestyle Committee meets the second Monday of each month to discuss new ideas and programs of social, recreational, cultural and educational nature for the residents of Heritage Pines. Although we are quite a diverse group we still would always welcome input from any resident. Please feel free to come to one of our meetings, they don't last long.

We are planning to have a walk benefiting a local cancer research group in October. Anyone wishing to participate or volunteer to help can call either Janette Pauley 352-345-3524 or Lynn Aigotti 727-862-6404.

During January or February we plan to hold a Scavenger Hunt. This is a first and hope our residents will be as excited about it as we are. If you are interested in helping you can contact Pamela Brown at 727-233-2303 (onthegocatering@aol.com) or Lynn Aigotti at 727-862-6404 (laigotti@tampabay.rr.com).

ARCHITECTURAL CONTROL COMMITTEE

By Tim Gorske, *Metal Building Consultants, LLC*

We are happy to announce that Mike Miller, co-chair of the ACC is home re-cooperating from open heart surgery. We look forward to welcoming Mike back in the very near future.

The ACC has received 444 EXTERIOR CHANGE REQUEST FORMS since the first of 2018. Please use the current ECR form found in the Pines each month (on page 15 and 16). Make sure you and your village representative sign the form before submitting it.

The board has approved two new alternate ACC members. This was necessary as several current members are absent during the summer. Mike Dillard and Bernard Patterson have agreed to serve in this capacity.

Heritage Pines Neighbor Needs Your Help

Heritage Pines resident is looking to hire someone to help with transporting them for general errands.

Your signature below acknowledges you have reviewed the Architectural Control Policy Manual and grants permission for the Heritage Pines Community Association Architectural Control Committee to enter onto the owner's property to review the application and to inspect the proposed project site before the work begins. Any work done on the proposed project prior to written or conditional approval of the ACC is a violation of the HPCA Restrictive Covenants and may have to be removed at the property owner's expense.

NOTE: The Architectural Control Committee will review this request. You will be notified within thirty (30) days of the receipt of a completed request. If construction/installation is not commenced within the time set by the ACC in the written approval (but in no event later than ninety (90) days after such approval) the approval shall be deemed rescinded. The resident must request an extension (within one year of approval) and receive new paperwork. Otherwise new paperwork must be submitted.

The homeowner, upon signing this application, understands that the Architectural Control Committee functions to act on behalf of the Board of Directors of Heritage Pines Community Association, Inc. on the acceptability of the appearance of changes to the exterior of buildings or land. There is no intention, expressed or implied, to approve or disapprove any apparatus, its function, contractor or subcontractor. The maintenance of operation or appearance of any installation is the homeowner's responsibility.

If it should be necessary for you or the contractor to run vehicles or equipment over common grounds to do work at your home or on your property, you must first obtain permission from the General Manager and Village Board (if applicable) before any work can begin. Any damage caused must be repaired at the homeowner's expense. Before any work on the property begins it is suggested that the homeowner informs the contractor, or people doing the work, that it is their responsibility to repair any damages done to common grounds by their equipment. Ultimately the homeowner will incur all expenses related to damages

PAPER RECYCLING UPDATE FOR HERITAGE PINES

At the time of this newsletter, or in the very near future, you will notice that the Green Fiber paper/cardboard recycle bins have been removed.

Green Fiber was recently bought out by another company. This has resulted in two problems for Heritage Pines. One, the new company will no longer reimburse us for recycled paper and cardboard. Two, they have a monthly pickup charge. Neither of these are positive changes for our program.

The plus for Heritage Pine residents is we currently have curb pickup twice a month for recyclables that includes paper and cardboard. Please flatten all boxes to fit into your container. For multiple pieces, please flatten corrugated boxes, bundle and tie. We continue to encourage recycling by all our residents. There is only one planet. It's the right thing to do.

Below is a more detailed list of **All Items Approved For Curbside Recycling By Pasco County:**

- **Metal Food Cans** (examples are: soup, vegetables, etc.)
- **Glass: Clear, Green, And Brown Glass Bottles And Jars.** Clean before putting in recycle can. Remove all bottle caps and throw in the trash.
- **Acceptable Plastic Containers:** Plastic containers that are numbered 1, 2, 3, 4, 5, and 7. Look for the triangle at the bottom of the container which has the number. (Examples are: soda bottles, plastic milk containers, laundry detergent, etc.). Remove all caps and throw away (they are too small for the machines that separate the containers at Pasco Recycling).
- **All Types Of Paper** (not collected by Heritage Pines any longer): scrap paper, paper bags, phonebooks, magazines, junk mail, office paper, flyers, cardboard (corrugated boxes, shoe boxes, cereal boxes, etc.) – please flatten all boxes to fit into your container. For multiple flattened corrugated boxes, please bundle and tie. You can put large amounts next to your recycling container.

Acceptable Containers That Can Be Used For Curbside Recycling are any common refuse can, a blue recycle bin, or any reusable container large enough to hold all of your recycling. Pasco County stopped collecting recycling in plastic bags as of October 1, 2015.

Place your recycle container at the curb on recycling pick-up days, which is currently the second and fourth Wednesday of each month.

Items Collected in Or Next to the Cart Barn in the Parking Lot

- **Aluminum Cans:** Rinse them out and put them into the green trailer which is in the parking lot, near the golf cart barn. We are paid by the pound for all aluminum cans towards environment projects.
- **Household Batteries, Fluorescent Bulbs and Tubes:**

bring them inside the golf cart barn, right side overhead door opening. There are containers there for fluorescent tubes, fluorescent light bulbs, and one for household batteries.

- **Cooking Oil:** Use the green container marked "Cooking Oil" located at the fenced storage area in the parking lot. Pour the liquid oil into the perforated top section of the container, dispose the bottle that contained the oil into your normal garbage receptacle.

We currently have no system in place for recycling styrofoam, plastic bags, toys, plastic tablecloths, or picnic items made of plastic. However, Publix has a container in front of the store for Styrofoam egg cartons and clean styrofoam meat trays and another container for plastic bags.

THE PASCO COUNTY RECYCLING CENTER on Hays Rd., WILL ACCEPT THE FOLLOWING HAZARDOUS ITEMS: Metal, toxic and hazardous materials, televisions and other electronics of all types (some at a small charge), motor oil, auto batteries, paint, and household cleaners. Call the center located at 14230 Hays Rd., Spring Hill for more details at (727) 847-8041. Or wait for the next Heritage Pines Hazardous Waste Collection Day in the spring 2019.

COMMUNITY/MEMORIAL TREES

By Linda O'Leary

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. They can also be purchased as a gift, perhaps a birthday or anniversary idea. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by Heritage Pines maintenance facilities. Trees will be planted during the months of February/March and September/October. Please plan your purchase during the preceding months. The Community/Memorial Tree Program is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. Also, there is a book at the front desk of the Clubhouse listing information about the many trees planted throughout our community. Each page includes the names of the honoree(s), sponsor(s), tree location and type of tree. Residents may look through this book as desired.

On the following page are the most recent trees planted in Heritage Pines.

COMMUNITY/MEMORIAL TREES

A Cypress tree was planted in memory of Bob Kunde. A longtime resident of HP. A Memorial gathering took place with friends of Woodfield Village who sponsored the tree. Memories were shared with wife, Karen, and daughter Jennifer.

Magnolia tree was planted on the entry way of #14 in memory of Kyong Ae Matthieu. Sponsored by the family. Pictured from left to right, Catherine, Emma Calder, Husband Joe, Carol, Chris Calder (missing Neill Murchison)

This Magnolia Tree on hole #16 is sponsored by the Fulda Family

A Crepe Myrtle was planted on hole #3 in memory of good friend, Betty Simpson, sponsored by Cheryl & Tim Lichtenburg, Margie & Ron Fuller.

Egleston Holly was planted on the green area on hole #16 in memory of good friend, and neighbor, Dave Fulda. Sponsored by Ken & Dottie Richie.

Eagleston Holly was planted on the green area on hole #16 in memory of Dave Fulda, sponsored by his wife Loretta (pictured)

A Bottlebrush and Crepe Myrtle were planted on hole #3 in memory of Betty Simpson, sponsored by Joe Paddick.

A red maple was planted on hole #8 for Jim Holding. Sponsored by Lillian Driscoll (left) and Jim's partner, Dolores.

A red maple was planted on the corner of Eagle Bend and Grand Club in memory of Annie Parsons. Sponsored by her sister, Lillian Driscoll. Annie loved to walk our community, and always asked "where are my dogs."

A Magnolia tree was planted in the Dog Park on Grand Club in memory of Bob Ward. Sponsored by Friends of the Dog Park. Names are located in the book at the front desk.

"WILL CALL" TICKET PROCEDURE

Are you out of town, travelling, or just plain busy when tickets for a major event go on sale? No worries, Heritage Pines is now proudly offering a "Will-Call" procedure for those residents who are unable to purchase tickets the day they go on sale. The events and shows at Heritage Pines have become incredibly popular. So much so, that we are booking many events and shows with back to back performances. Tickets are selling on the first day they go on sale! It goes without saying, that the Clubhouse has become the hub of social activity within our community.

Here is how it works:

1. Email mike.russell@heritagepines.net with the following information:
 - a. Your Name
 - b. Your Phone Number (the best one to contact you on)
 - c. Your address within Heritage Pines
 - d. The event you want tickets for
 - e. How many tickets you want
 - f. Your member number

g. And most importantly, you must include the following phrase in your email: "Through this email, I authorize Heritage Pines to charge my member account for the number of tickets requested. I understand that this charge will show on my monthly statement."

2. Click Send! – it's that easy...

3. Now, here are a few follow-ups:

- a. Will-call tickets will be purchased AFTER all residents who have "lined-up" on the day of and received their tickets.
 - b. Only ten tickets can be purchased per resident account.
 - c. Tickets will be purchased in the order they are received.
 - d. We cannot accommodate residents who wish to be seated with anyone else, tickets will be sold to the first available seats.
4. Tickets can be picked up at the front desk at a time that is convenient for you!

We hope this added service comes as a benefit to you all!

Tuesday Night Dinner & Dancing

Spend Tuesday Nights at The Fireside as we provide you with a variety of complimentary musical entertainers. Each and every Tuesday night we will host local entertainers from 6:00 p.m. - 9:00 p.m. in The Fireside. To reserve a table, contact (727) 861-1677 and please remember to better serve you, we will no longer be accepting parties larger than 10!

A GUIDE FOR SURVIVORS

Presented by Heritage Pines' own Bill Stoehs

While no one can be fully prepared for their own passing, it is prudent that we acknowledge that when we pass, we leave loved ones behind. There are steps that we can take now, which will make that very difficult time a little easier on those we leave behind. On Friday, September 14th at 3:00 p.m. in the PAC Room, Heritage Pines resident Bill Stoehs will present a program called "A Guide for Your Survivors". This program will focus on the importance of being prepared for our own or a family member's passing. It will not be a sales pitch, there will be nothing to buy. Merely information to help us prepare for the inevitable and guide survivors through these difficult times.

Friday, September 14th at 3:00 p.m. in the PAC

CHEF ATTENDED BUFFETS

Start the week off with a full belly! Join us each Monday night for our popular All You Can Eat Nights from 4:00 p.m. - 7:00 p.m. While reservations are not required for dining, they are strongly suggested as these nights are incredibly popular. Reservations ensure that we are ready when you and your guests arrive. To make reservations, please contact (727) 861-1677.

HPLGA "PAR" TICULARS

By Daphne Gibbs

Seven years ago the Executive Committee of the HP Men's league was looking for a local charity with needy children. After meeting with the principal and vice principal of the Shady Hills Elementary School, they discovered that there were many underprivileged children who needed help with the basic necessities for school. Hence, the first year, MGA members purchased backpacks and the supplies to fill them and have continued to do so each year. In 2012, the Board of LGA discussed helping out and that began our collaboration with them. Donations to the families of Shady Hills also include Thanksgiving turkeys and the Tree of Angels in December. Scott Tavaeu, coordinator, and other MGA members have done a great job to ensure that these events are run smoothly. On August 8th, 150 backpacks were assembled in the cafeteria of the school by members of both MGA and LGA. Parents and teachers alike are very grateful for the help year after year. A big "thank you" to all the members who donated their time to put the backpacks together as well as those who made monetary contributions throughout the year.

NINERS LADIES' GOLF ASSOCIATION

By Ann Verity

Rain – rain go away. Huge dark clouds pile up every Tuesday as we keep our fingers crossed to make it through another soggy afternoon. We have been compensated, however, with a beautiful green golf course. The month of July was fairly good, with only one cancellation. The time is here again for our seasonal players to start trickling back to Florida sunshine (and the occasional sun shower) – Welcome Home!

School bells ring once more and Niners have maintained a steady supply of items for the kids attending the Mary Giella Elementary School. See the accompanying photo of a staff member accepting our summer donation. Maggie Shell's collection drive is in full swing and we ask that supplies (mentioned in the Niners' Sunday announcement) be dropped at her home or brought to Tuesday's golf. And of course – money is always a most welcome alternative.

Don't forget the Niners Sock Hop happening on Friday, October 12. Doors open at 6:30 and there will be music by our very own Pauleys from 7-10 p.m. The cost is \$7.50 pp. Shake rattle and roll to the golden oldies and have some fun.

So dig out those old saddle shoes and grease your hair! Open cash bar and popcorn.

A reminder that the date has changed for our October trip to the Mission Inn, the overnight trip will take place October 23rd and 24. Sign-up is in the Niner's book. Debi Benson is accepting a \$100 deposit to secure your room. For more information, contact Sandy Schiesz or Debi.

Balcony and outside cabins are available

for our Niners' Cruise, taking place on January 26-31 – five nights in Georgetown, Grand Cayman and Cozumel. Contact Rosemary Corrao at 727-862-6464.

Sandy reminds us the Niners' Formal Ball will take place February 22, 2019. True Passion will provide the music and the cost is \$35pp. There will be a sit-down dinner; menu for the evening is yet to be determined. Text Sandy if you plan to attend, refer to your Sunday announcement for her number. Consider joining your fellow golfers for this magical evening. It is always the most magnificent event on our calendar and a truly wonderful night of music, dancing and delicious food. All members are welcome – with your mate, best friend(s) or on your own. Our newer members will experience the fun and camaraderie which is such a big part of who the Niners truly are. If your talents lie in transforming our events room into a beautiful ballroom or just helping with the logistics of planning this fun event – tell Sandy – she'll welcome you with open arms!

We are sad to say "Aloha!" to Ray and Carol Donahue as they start anew in Hawaii to be with their family. We wish them much happiness. The Donahues have been a big part of our Heritage Pines Community for a long time and we wish them well.

Send up a prayer to those in need and share a hug with a fellow Niner. We've got a great season ahead and a lot to look forward toSee you at the Fireside!

HERITAGE PINES GOLF HANDICAP COMMITTEE

By Joy Stefany, *Handicap Chair*

"Two basic premises underlie the USGA Handicap System, namely that each player will try to make the best score at every hole in every round, regardless of where the round is played, and that the player will post every acceptable round for peer review. The player and the player's Handicap Committee have joint responsibility for adhering to these premises"

That being said, I want to remind players to POST all eligible scores! It is the Players' responsibility to POST all acceptable scores, whether you play at Heritage Pines or any other course. Please remember that ALL of the tees at Heritage Pines are rated for both Ladies and Men.

- If you play quota points and pick up after not making a point, record your most likely score – not to exceed your ESC.
- If you have an 18-hole handicap and play nine holes, record the nine-hole score. Let the GHIN system keep track of the nine-hole scores and combine to make an 18-hole

score. It does NOT matter if it's two on the front, two on the back or one front and one back. This is true if you play either the front or back twice in one day.

- If you have a nine-hole handicap and play 18 holes, record the front and back separately.
- If 13 or more holes are played, an 18-hole round MUST be posted. Record par plus any handicap strokes that you are entitled to receive on the holes not played.
- If 7-12 holes have been played, post a nine-hole score. If seven or eight holes are played, record par plus any strokes for the holes not played. You must play at least seven holes on the front or back in order to post a nine-hole score.

The annual Village Golf Tournament is coming up. This is always a fun event where the villages compete in a net game. We not only verify that the participants have a USGA approved handicap but that the handicap is current. That means that you MUST post all eligible scores. In the past, it was determined that some of the players were required to play 'scratch' as the GHIN handicap was inactive, players were posting erroneous information to the scoring record or not posting scores. This puts the golfer and the player's team at a disadvantage when an accurate handicap is not available.

If you have any questions, please contact a member of the Handicap Committee. And remember POST YOUR SCORES.

MEN'S NINERS

By Don Waitkus

Looks like we are still into our hot summer weather with a bunch of great games coming up. Here's what is happening:

September 5th - Two man scramble, one drive per player required; September 12th - Best net ball of four man team; September 19th - Individual low net; September 26th - Individual quota points.

If you want to have a good time for a couple of hours and play some golf come check out the Men's Niners.

We are a friendly group and welcome all level of players. Come join us at our new summer schedule Wednesday morning tee time, arriving at the Clubhouse at 7:30 for an 8:00 tee time. For more information about the league contact Phil Flynn, President at 413-977-9413; Russ Stefany, Vice President at 868-8521; Don Waitkus, Secretary at 378-7533 or George McAnally, Event Officer at 862-4792; Jeff Kohlar, Treasurer at 849-6144. Look forward to seeing everyone on Wednesdays.

MEN'S GOLF ASSOCIATION

The MGA Board is working hard to increase not only our membership but also weekly participation. Over the past couple of years, most clubs and leagues have lost membership for many different reasons. An e-mail blast was sent to all MGA members in July detailing these problems. Several members responded giving their thoughts and suggestion on how to make this a better league. Along with these suggestions, we also

consulted with our Pro Herb. The Board will meet several times over the next couple of months to prepare a plan of action. We intend to present that plan to the membership at the semi-annual meeting in October. If you have any ideas on how to increase participation please advise me at barmstrong003@tampabay.rr.com or any Board Member.

September Games

September 5th Individual Quota Points

September 12th 4 Man Scramble (A, B, C, D)

September 19th Individual Stroke Play

September 26th Pro Choice

Heritage Cup, October 17th and 24th – Semi-Annual Membership meeting with a luncheon will follow play on the 24th. Herb, either Assistant Golf Pro or Superintendent will be Captains. Those players that are signed up will be put in handicap order from low to high and the two captains will then alternate selecting players from the first two low handicaps, then the next two lowest handicaps, etc. until all players are picked.

The format will be

Day 1	Holes 1 through 9	Best Ball
Day 1	Holes 10 through 18	Modified Alternate Shot
Day 2	Holes 1 through 9	Two Man Scramble
Day 2	Holes 10 through 18	Singles Matches

Each nine hole match will be worth one point and the total 18 hole match each day will be worth one point. The winner will be the team with the most points after Day 2.

On Sunday, August 5th (taking advantage of the tax free school supply purchase) Scott Taveau and his crew purchased the school supplies from Walmart and delivered them to Shady Hills School. On August 8th, members of the MGA and LGA met at Shady Hills School to fill the 150 backpacks with supplies the children will need for the upcoming school year. Pictured below are the HP workers:

MONDAY LADIES' BIBLE STUDY

By Carole Hopkins

Our group of ladies from various local churches will resume meeting after our summer break on September 10th. We are non-denominational and gladly welcome all new or long term residents to attend and participate in this Bible study. This fall we will study the Book of James which was written by the oldest brother of Jesus to the Jews that had been scattered by persecution. James was the leader of the Christians in Jerusalem. His epistle gives much advice about living our faith and growing spiritually in our daily life.

We are using a study guide by John MacArthur to supplement our personal Bibles. The purchase of a study guide is not required to attend and participate. A personal Bible of your choice is helpful to have.

We meet Monday mornings from 9-11 a.m. in the Magnolia Room. If you would like more information, please call Carole Hopkins at 727-697-1664 or e-mail her at oceancarole@gmail.com.

MONDAY MEN'S BIBLE STUDY

By George Chudyk

Every Monday at 4:00 p.m. we come together to study, share personal testimonies, and pray. We are a Proverbs 27:17 group – "As iron sharpens iron, so a friend sharpens a friend." Come and let's sharpen one another. For info call George Chudyk at 727-397-3428 or just show up in the Magnolia Room.

TUESDAY LADIES' BIBLE STUDY

We love starting off the fall season with a new study. We invite all women in Heritage Pines to join us for a seven week study on Nehemiah. The study will use a DVD each week. There is a workbook that ties in with the study with homework that takes about forty five minutes for five days between sessions.

Kelly Minter is the video teacher. She is an acclaimed author, speaker, songwriter and worship leader. The study is titled "Nehemiah – a heart that can break". Nehemiah's heart broke so deeply for the suffering Jews that he left the comfort of his Persian palace to restore their desolate community. Nehemiah will inspire you to listen to what God has put in your heart to do. Let God break your heart for the hurting, because He often uses a breaking heart to restore the broken.

We meet to study each Tuesday morning at 9:00 a.m. until 11:00 a.m. in the Magnolia Room of the Clubhouse. We would

love to have you join us for study and fellowship. For information feel free to call Pat Hepler at 727-810-2355 or Evie Clark at 727-868-3454.

YOGA

Why do yoga! Yoga is good for what ails you; research shows that yoga helps manage or control anxiety, arthritis, asthma, back pain, blood pressure, depression, diabetes headaches. With yoga you can hone your mental focus, rid your system of toxins, you'll even be able to touch your toes, improved flexibility is a bonus for just about every physical activity. Most series of yoga postures include one or more spinal twists the benefits of which can improve your tennis swing, golf swing as well as promote detoxification and proper digestion. And it makes you feel good. Practicing the postures, breathing, exercises, and meditation makes you healthier in body, mind, and spirit.

INVESTMENT CLUB

By Gerry Hopkins

The Investment Club plans to meet on the last Tuesday of every month. Anyone interested can find us in the Conference Room at 9:30 a.m. on the 28th of September.

Everyone is invited, and people with no investment experience or knowledge should not hesitate to join us if they wish to learn and use sound investment principles. People with vast knowledge and experience are also invited, so that they can share their expertise with the rest of us. **This club is for information, knowledge, and insight only. No money changes hands.**

CERAMICS

By Jackie Ciesla

We meet every Saturday in the craft room from 9 a.m. to 2 p.m. Even if you have never done ceramics before you can learn. Some of the ladies have years of experience and we all can help anybody that is new to the class. Something new to the class is that we now have a small inventory of items for sale at a reasonable price. These are what are called "bisque", which means they have been cleaned and fired. Ready to be painted. You can

paint them two different ways. You can use acrylic paint with a clear topcoat for protection, bought from Walmart or some of the craft stores like Michael's. The other is to use a special ceramic paint that needs to be fired after you have finished. This paint has to be bought from a ceramic store; we can give you the names and addresses. If you have any questions stop in on a Saturday morning. Meet the ladies and get some information, or you can call Jackie Ciesla at 727-861-1965. Everyone is welcome. Hope to see some new faces.

HERITAGE PINES COMMUNITY ARTISTS IN RESIDENCE

By Hope Botterbusch

Artist in Residence for August
"Birds of Heritage Pines"

August marked the second month to showcase some of the talented artists who reside within Heritage Pines.

In August we displayed the photography of Bob Johnson in the Clubhouse Lobby along with his biography.

Bob Johnson, originally from Troy, New York, and whose career involved scientific photo slide presentations for an automotive research group he worked for in the 70's and 80's and then he lost touch with photography until moving to Heritage Pines in 2011.

Bob started his photography with his iPhone then got into drone photography. The drone flies almost every evening to get sunset pictures over the Gulf of Mexico. Bob's next step was a DSLR (digital equivalent of a 35mm camera). This allowed him to discover some of the Heritage Pines wildlife and it is an ongoing work in progress. All photos in this compilation were taken within Heritage Pines.

Birds are from top left clockwise: Eastern Bluebird, Bald Eagle, Belted Kingfisher, Anhinga (female), Red Shouldered Hawk (immature), Little Blue Heron, Great White Egret, Osprey. (Thanks to Paula Elliott for the bird identification).

Artist in Residence for
September "Reaching"

Camille Baldick, originally from the great state of New York, has always been interested in color and the way it makes her feel. She had a chance about 25 years ago to take lessons in watercolor painting with some excellent teachers. She said it opened up a whole new world for her and how she sees the beauty around her. She says that painting feeds her soul.

Camille usually likes to give her paintings to people who have touched her with their kindnesses. She also likes to give her great nieces and nephews some fun and "funky" paintings to maybe get them interested in painting and art early on in their lives.

For the last 14 years Camille and Sue Gunderson chair the Open Interest Art Group at Heritage Pines. They meet weekly for two hours in the Craft Room where anyone who has any art media project is welcome to join them.

If you'd like to be considered for the Artist in Residence Series, please contact Hope Botterbusch at 727-233-2139 or esparanza2@gmail.com.

OPEN INTEREST ART

Open Interest Art is for people who are artists who would like to be with other artists to create. This is not a teaching art group but a large area provided to all artists of any media for two hours per week. We meet in the Craft Room each Wednesday from 1:00 to 3:00 p.m. and please come and enjoy the camaraderie! If you have any questions, please call Camille Baldick at 727-862-9974

LINE DANCING

Come join your friends and neighbors every Thursday morning in the PAC room from 10:30 a.m. to 11:30 a.m. Our dance instructor, Phyllis Poirier, makes it fun and easy to learn. Our dance class has learned many new dances while getting a great work out. Each week we review the dances from previous weeks plus learn a new one. This format makes it so easy to learn and to fit in with the group no matter whether you are a seasoned dancer or a beginner. The cost is \$5. Most of the group stays for lunch after class. Any questions, please call either Phyllis Poirier at 813-523-1675 or Linda Russell at 727-836-0986.

BALLROOM DANCING

After a long summer vacation, ballroom dance lessons are back. They will once again be starting on September 10, 2018. Bonnie Jordan, our professional dance instructor will be teaching us some very romantic dance moves this month. Join us Monday nights from 4:45 to 5:45. Class is only \$10.00 a couple. Come on up to the PAC room and see if this would be right for you. No experience needed. If you have any questions you can call Joyce Welsh at 727-863-4515. We hope to see you next Monday night.

MARY GIELLA FOOD DONATIONS

By Wes and Penny Norton

School is now back in session. We have new students needing food. We are in need of all pasta and sauces; canned meat, macaroni and cheese, soups, and powdered milk, and jelly. We don't need cereal at this time. Thank You for all that you have given and continue to give. It is so needed. Wes and I continue to go once a week. The school is so happy to see us with the food. With help from another, I will once again start packing bags for pickup or for students to take home every Friday. Welcome back to snowbirds that have returned. We hope you all had a great summer. Remember any questions about any of our programs for Mary Giella; you can call Wes or Penny at 727-869-9642. Thank you.

HERITAGE PINES LADIES' BOWLING LEAGUE

Bowlers Wanted

By June Funk

September has arrived!! I hope you are thinking about bowling in the 2018-2019 bowling season. We would always like to have new bowlers join us, even if you have never bowled before or have not bowled for a long time, this is a great time to start!

This is a non-sanctioned, non-competitive league that enables women of all abilities of bowling experience to have a fun time. We will bowl on Wednesday afternoons, at 1 p.m. starting in September at the Spring Hill Lanes.

For more information or to sign up, call June Funk at 352-684-7597 or email at juneellen46@yahoo.com.

THURSDAY MUSICALE

Ladies, Do You Enjoy Singing?

Thursday Musicale, a ladies choral group, is now part of the music ministry at Hudson First UMC. We are a three-part harmony, non-profit group. We sing a wide variety of music and perform concerts to raise money for our scholarship program. We give scholarships to high school seniors going on to college to pursue music as a career. Our scholarships go to qualifying students that want to study vocal music, instrumental music, or music education. We rehearse Tuesday mornings at 10:00 in the choir room at Hudson First UMC on US19. Our first rehearsal is Tuesday, October 2nd. So if you love to sing and want to join this fun group, just come to our first rehearsal on October 2nd and try us out. Please contact Linda at 813-415-7085 for more information.

SPORTSMEN'S CLUB

By Tom Squadrito

Although you know us as the HP Sportsmen's Club, you may not know that we have over 15 members who reside elsewhere. The majority of those members live in Timber Pines and one couple will be moving later this month, to be near family members. Please read the farewell letter sent to us from this long time member. He's done so much for the club and will be sorely missed.

Hello friends and members. As most of you know, Pat and I are moving to Cadiz, KY on August 13th. In thinking of all the friends we made in the club, I was reminded of how I first became involved; I volunteered at St. Vincent de Paul along with Jim Killackey. One Tuesday, Jim said he was going to shoot trap on Wednesday and asked if I would like to come along. We went to Silver Dollar and I met a great group of guys from Heritage Pines. One day while shooting, John Scarfi asked if there were any other guys in Timber Pines that shot. It turned out that others were interested, so I decided to start the All American Trap & Skeet Club. Our club joined the HP shooters every Wednesday.

Fred Schmidt and I started wagering with Howard Stringer and John Doak, and they took a few dollars from us. The lessons I learned watching them shoot were worth every penny wagered, (and lost). Eventually, I joined the HP Sportsmens Club and within a few years, Harry Koerner asked me to run for president. Over the years, I became friends with so many of you, there's not enough space to mention all your names. You all know who you are so please know I will miss each and every one of you.

Thanks for supporting me when I was an officer and God Bless.

Jim Gosnell

As you know, we're all about sports, socializing, and friendship. The club sponsored a farewell lunch for the Gosnells', which attracted more than twenty friends. Bon Voyage Jim and Pat. Vaya con Dios!

If you desire more information regarding our activities, or if you wish to join our club, contact Tom at 352-232-1149. You're always welcome to attend our one hour meeting at 11 a.m. in the Magnolia Room, the second Thursday of every month.

HP CAT SITTERS GROUP

By Rusty Peacock

As September rolls around you may be thinking of taking a trip before the snowbirds reach Florida. What about your cat? Need a sitter? We are here for you. Our list of volunteers has grown to 40. Give us a call and we will find someone to care for your cat in your home while you are away. Just call Minette Salomon at (973) 651-7589, or email minette1409@yahoo.com, or call Rusty Peacock at (352) 232-5300 or email rustybird@tampabay.rr.com. We will help guide you to our yahoo site where you can post a request for a volunteer cat sitter. Let's hope for another hurricane-free September.

HPCA TENNIS NEWS

By Bill Tory

OK, has this ever happened to you? You're in a doubles match, the opponents hit a ball out wide to your partner, he/she goes wide and makes a pretty good return and then BAM! Your opponent takes the next ball right down the middle. What happened? Well, a couple of things are going on there.

1) Your opponents see that you are "defending" your side of the court, but fail to follow the ball and your partner when they have to go wide to return a ball. You and your partner should feel as though you are attached by a rope that keeps you about 12 feet apart. If you both take a step and reach, you will be able to cover the distance between you. If your opponent goes for the open court, it is a lower percentage shot.

2) The net is lower in the middle. The net is only 36 inches at the middle and 42 inches in the doubles alley, six inches higher.

3) Down the middle gives the ball striker more court to work with than trying to hit "short angles".

4) Confusion. That's right! Don't tell me the ball has never

passed between you and your partner and there wasn't that awkward moment when you both looked at each other and struggled to get the word YOURS!!! out first.

The bottom line is that when you are playing doubles, it works best when you and your partner work as a team. Move with each other, communicate with each other, move with the ball.

Have you been thinking about how much fun and exercise you used to get when playing tennis? Well, c'mon out on Tuesdays and Thursdays for some open tennis for men and ladies tennis on Mondays and Thursdays. Make sure to contact Shirley Monroe for more information about ladies tennis. Dues to join the Tennis Association are a mere \$10 per year. Open tennis starts at 8:30 am. You don't have to sign up to play. There's no long term commitment. Come when you are able, don't when you're otherwise busy. It's a great way to meet new people and make new friends.

Kathleen Lonergan and Chuck Widlowski have volunteered to be the Heritage Pines Tennis Championship Tournament committee for 2019. They have set the dates for the tournament as March 4th through the 10th. Chuck has told me that these dates do not interfere with any golfing events. Now that you know the dates, be sure to reserve them for next year!!!

In the next edition of "What do they do" we'll look at mixed doubles director.

Mixed Doubles Director

The Mixed Doubles Director coordinates events for mixed doubles for members of the HPTA. This may include open play, league play and social events. This position is established by the HPTA bylaws.

Duties

Bring issues to the HPTA board that effect mixed tennis play.

Request and reserve tennis court time for play in concurrence with BOD.

Prepare Annual Mixed tennis league report to present at the annual HPTA meeting.

THE DRAMA CLUB

By John Popovich

We were saddened to learn that a son of Paul Mattes recently

passed away unexpectedly. All members of the Drama Club send him and his charming wife Kathy our deepest condolences for their loss. We all stand ready to comfort both of them in any way we can. (In 2002, Paul "founded" our Drama Club. He currently is a member of our Board of Directors. He has acted in and directed many of our plays over the years including a role in a Show Palace Dinner Theater production.)

Wow! Did you see the Burns and Allen radio show on August 24th? If not, you missed a great night of entertainment. The cast excelled in voice interpretation of their roles. It was as if we were transported back to when the Burns and Allen radio shows were so popular only a few years after WW2 and at a time when we all needed to laugh again. How about those commercial singers/dancers and even the mime players for poker and the dream scene??? Did you know that many of the cast were new members of the club and that it was their first performance on stage? It could be argued that this was the best radio show ever produced by the Drama Club. A five star event thanks to the direction and imagination of Director Janet Neu and her supporting staff.

Now comes our fall play in November. Get ready for a fun night of laughter that will bring you into the holiday season. The play "Twas the Opening Night before Christmas" by Flip Kobler and Cindy Marcus will be directed by Paula Routten. The play has a cast of 19 actors plus a choir!!! This show will be a historical event as the Drama club has never before performed a play with this many cast members. It is certain that this show will become one of the merriest and funniest Christmas plays ever performed by the Drama Club even if the 19 cast members bump into furniture and/or each other during the performance. Never fear! Paula, the Director, will make sure there is someone available to direct traffic! Rehearsals begin Thursday, September 6th.

By the way, there will be a short prelude performance to the show written by our own in-house playwrights Carla Becker and Carolyn Dillard that is a lead-in and compliments the show that follows.

Once again you are reminded that dates for the fall show will be Friday, November 30th and Saturday, December 1st at 7 p.m. with a Sunday matinee December 2nd at 2 p.m. Mark your calendars now. You don't want to miss this history making performance.

"A responsive audience is the best encouragement an actor can have." ~ Al Jolson.

BUNCO

September brings the fall season and Snowbirds start trickling back. So, our Bunco games for this month are scheduled in the Magnolia Room on Thursday, September 13 starting promptly at 6:30 p.m. The Magnolia Room can only accommodate 36 players so please be early and remember to bring the appropriate envelopes in order to play. Bunco is a dice game that is very easily learned and the folks there playing will be happy to help you out. If you have any questions, please contact Linda Russell at 727-819-3736.

TAI CHI

Tai Chi – Beginner: Tuesday at 8:30 a.m. in PAC

Tai Chi – Advanced: Thursday at 8:30 a.m. in PAC

Qigong: Saturday at 8:30 a.m. in PAC

By Rich Cunha, taichienvirorich@gmail.com

Believe it or not, summer is coming to an end soon. For those of you that have been enjoying the summer somewhere up north, the end of summer will be very soon. For those of us that are year round residents of Heritage Pines, we will have to wait another month or more, but soon the best time of the year will be here for all of us to enjoy.

Heard about Tai Chi and have said to yourself (or others) “I should try that!”?

Well, here is your chance! With fall starting soon, so will the brand new Beginner Tai Chi Class. I usually try to start the new class in October, after some of the Snow Birds and vacationers have returned. This class is for people that have never taken a Tai Chi class before and those that have and have not come for awhile and would like to start all over again. I also encourage students that have already graduated to come back to the beginning – you will be amazed at the things you missed the first time around.

Qigong on Saturday for the month of September will still be on an every-other week basis. There will be NO Qigong Class September 1st and 15th; there will be Qigong Class September 8th, 22nd, and 29th.

Lower Your Healthcare Costs

Tai Chi and Qigong does what Western medicine does not do. It improves balance, range of motion, strength, and coordination, and it relieves stress and anxiety. Why pay the high cost of high-tech care and prescriptions that only treat the symptoms of disease, when you can address the root cause of many chronic illnesses, such as heart disease, cancer, diabetes, and obesity (all of which account for 75% of health care costs) by a change in lifestyle and self-care. These diseases are caused by our stressful lifestyles. The future of health care is to address chronic stress through alternative approaches to a health, such as Tai Chi, Qigong and Yoga.

Transportation Program Available to Heritage Pines Residents

The ARC Nature Coast Transportation program, a private, not-for profit 501 (C) (3), is part of Florida State's "Enhanced Mobility of Seniors and Individuals with Disabilities" program. They are proud to provide transportation to individuals with no other means of getting into the community for doctor's appointments, therapies, shopping, school and socialization.

The program currently covers West Pasco County from the north and south borders and east to Gunn Highway, and to Shady Hills Road. *Coming in the future, services will expand into west Hernando County.*

With courteous drivers and vehicles with wheelchair transport capabilities, The Arc Nature Coast's transportation program provides an average of 1,000 trips per month to the public. Service is provided MONDAY thru FRIDAY 8:00 a.m. - 5:00 p.m. A minimum of 72 hours notice is needed for scheduling purposes. Each passenger must have a prepaid pass to board the vehicle.

PICKLEBALL — PING PONG — BOWLING

Pickleballs growing popularity can't be denied. Pickleball is one of - if not the - fastest growing sports in the country. Originally popularized by a Boomer population looking for something a little more exciting than bingo but less time-consuming than a round of golf, the sport has made a generational jump and is catching fire among people of all ages.

The financial investment, though not negligible, is small. Existing floor space, gym space or asphalt tennis courts can do double duty as pickleball courts. From there, the USA Pickleball Association recommends a program have, at a minimum, a 34-inch-tall net, at least four pickleball paddles per court and a dozen pickleball whiffle balls per court. The minimum amount of space recommended for a court is 30 by 60 feet, or four pickleball courts per one standard tennis court.

Fall News

We have the opportunity to play PICKLEBALL in an Air Conditioned Gymnasium on Monday and Friday mornings starting at 7:30 a.m. for Advanced Play and 9:30 a.m. through 12:00 p.m. for Newbies and Intermediate Play, at the Christian Church in the Wildwood located a short distance past 50 on 19 North. The entrance is opposite the big Heather Community sign located on 19 S. The Church is located at 10051 Country Road (Yes, COUNTRY) Weekie Wachee, FL 34613. Follow the road in and you will see some prefab buildings. Go to the BACK OF Building A, park and come into the entrance to the Gymnasium. Come play if you are a player or come to see how the game is played. You can borrow a paddle to start out.

Ping Ponga.k.a. Table Tennis

If you are interested in some good aerobic exercise with a smaller ball join us on Thursday mornings at 10:30 a.m. in the PAC room for fun play, and some competitive play, while we paddle to the beat of some great music.

Bowling...a.k.a. Big Ball against 10 little pins

Join us on the second and fourth Saturday of the month at 6:45 p.m. at Spring Hill Lanes on 19. Heritage Pines members and guests pay \$6. for three games. Shoe rental is also inexpensive. We have a lot of fun and range from 12 - 25 bowlers on those Saturday nights. Please contact Loretta Fulda to be put on a reminder email list. For additional information, please contact Francine Raggi-Collins or Tom Collins at 727-868-5152.

LIBRARY

By Susan Bell

"Next to acquiring good friends, the best acquisition is that of good books." ~ Charles Caleb Colton

And the Heritage Pines Library has a wonderful collection of good books, some of which you may wish to share with your good friends.

The hardcover fiction books are on the right hand side of the Library as you enter from the hall, and non-fiction books are on the left along with a few large-print books. The hardcover books have no due date....you are on the honor system. Paperback books are also on the left hand side and do not need to be returned.

AS A REMINDER: When returning the books to the Library, do not place them back on the side shelves, but on the small return cart under the poster. Our volunteers have been trained to make a decision on where to place them. Also we are unable to accept donations of magazines, puzzles, catalogs or books of limited appeal. While we do appreciate donations of books, space is limited, and we ask that no more than five books be donated each month from a household. If you have any questions, please contact Susan Bell at 868-4261 or Roseann Andare at 233-2257.

BOOK CLUB

It's Back to School Time for the "Bookies"

The Heritage Pines Book Club meets on the 4th Wednesday of each month. We've had a great summer, visiting wonderful restaurants each month. On Wednesday, September 26th, we'll resume our book discussions when we meet in the Magnolia Room at 10:30 a.m. to review *Beneath a Scarlet Sky* by Mark Sullivan, based on the true story of a forgotten hero. In Milan, Italy, Pino Lella, a normal Italian teenager, wants nothing to do with WWII or the Nazis. But when his family home is destroyed by Allied bombs, Pino joins an underground railroad helping Jews escape over the Alps. In an effort to protect him, his parents force him to enlist as a German soldier – a move they think will keep him out of combat. But after he is injured, he is recruited at the tender age of 18 to become the personal driver for Hitler's left hand in Italy, General Hans Leyers, one of the Third Reich's most mysterious and powerful commanders. Now, with the opportunity to spy for the Allies inside the German High Command, Pino endures the horrors of the war and the Nazi occupation by fighting in secret, his courage bolstered by his love for Anna, a beautiful widow six years his senior, and for the life he dreams they'll one day share. This bestseller is the triumphant, epic tale of one young man's incredible courage and resilience during one of history's darkest hours.

Following the discussion, members will adjourn to the Dining Room for lunch. The reading schedule for the year is available on the Bulletin Board and in the Book Club binder in the Library. Everyone in the community is welcome, so please come and join our discussions. If anyone has any questions about the Book Club, please call Judith Chase at 862-4545. Happy reading!

ASK THE TECHIE

Q: I am planning on replacing my printer. My current printer is connected to my laptop via a USB cable. Can I get a printer that would allow me to print while in another room? I also want to be able to print from my iPad. Is that possible?

A: Since you already are setup for wireless WIFI, you can configure a printer to print from anywhere in your home. However, you must purchase a printer that supports this type connection. All printers include a USB connection which requires your computer to be physically connected to it with a cable in order to print. Some very reasonable priced printers also include the capability to print via a home network (wireless or Ethernet).

Assuming that you will be placing the printer in close proximity to your Internet modem or router, I'd recommend an Ethernet connection. This is the simplest to setup but requires the purchase of an Ethernet cable for about \$10. If the printer you purchase doesn't include an Ethernet connection or if it is not in the same area as your Internet modem, then wireless is your only choice. You will need the same security key used when your laptop or iPad was originally setup for wireless.

The software CD included with the printer will take you through the steps to get your printer setup on your network. If you have more than one computer, each can be setup to print to your new printer. Some new printers now offer web printing to allow printing from smartphones and tablets. If you are using this feature your printer **must** be connected to your home network with either an Ethernet cable or wirelessly.

Q: I received a form letter from Spectrum informing me that they were switching to an all-digital system. The letter also says that all TV's had to connect to a Set Top Box to receive TV channels. I have three TV's in my home with only one Box. Is this letter real and what do I need to do to continue to receive TV service on my TV's?

A: Yes, the letter is definitely real. If the Spectrum schedule holds, by now any TV's not connected to a Spectrum provided box will no longer be able to receive TV.

If you have a TV that is connected directly to the wall with a Coax cable you will need to contact Spectrum and have them send you one of their digital set top boxes. Their offer is to provide a single box at no charge for 12 months after which they will charge a monthly fee. This fee is currently \$5.99. If you require more than one box, the additional charge will be effective immediately. The package you receive from Spectrum includes cables and a new remote that will control the new Set Top Box. The remote can be programmed to turn your TV ON/OFF and control the volume. After this is done, you won't need to use the TV remote that came with your TV.

Note that the digital box Spectrum provides offers only a HDMI connection. If you have an older TV that doesn't have the HDMI port, you won't be able to watch TV on this TV. If this is your situation you should ask Spectrum if they offer alternative equipment for TV's without an HDMI connection.

COMPUTER TRAINING CLASS

Dale Mallek will not be teaching a computer class in September. The next class will be on October 19th. Check the HP Newsletter for upcoming class dates and subjects.

HP SOFTBALL NEWS

We had five practices for the month of August as shown: August 3rd, August 10th, August 17th, August 24th and August 31st. We averaged 15 players per practice.

Here is the picture of those regular players who attended our August 10th practice:

Top Row (from left to right): Paul Katzenbach, Carl Benson, Ric Layne, Frank DeRochemont, Jeff Geabino, Mike Engel and Melvin Sanks. Bottom Row (from left to right): Al Grosso and Billy Reuter.

A couple of our regular guys (Bill Bough and JR Lambert) left early and missed the picture. In addition, five new players showed up for this August 10th practice but, we think they may

have only come for this one practice so, we haven't included their names in this article. However, since we had a total of 16 players we decided to have a five inning game.

Team 1 (consisting of all the new players) beat Team 2 (consisting of our regular H.P. players) by a score of 8-6. Prior to the game, we did have our normal session of 20 hits per player.

Other players who attended practices during the month of August were: new player Mike Baker, Robbie Cleaveland, Bob Harris, Jeff Mariano, Kevin McCrystal, Don Weller and Al Velazquez.

Here is the list of our four upcoming practices for the month of September: September 7th, September 14th, September 21st and September 28th. All practices are on Fridays and begin at 8:30 a.m. Anyone (gal or guy) in Heritage Pines who is interested in playing softball can come to Memorial Field which is left off Little Road at New York Avenue. Turn right into the park where you see a large American tank monument and look for the three softball fields.

HERITAGE PINES VETERANS CLUB

To honor, educate, and assist all U.S. Military veterans, men and women, by providing social opportunities, information on veteran's entitlements, and outreach activities that address needs beyond the scope of other groups.

First of all, we Heritage Pines Veterans want to thank everyone that attended our first Heritage Pines Veterans Club meeting. From the time that we entered the military services, safely returned, and forever more, we veterans will always honor our stars and stripes and all she stands for.

We want to thank John Gauthier, President of Timber Pines Veterans Club for his guidance and contributions to assist us in the formulation of our club. Our keynote speaker for our September meeting will be Mr. Donald Stout, Pasco Co Service officer.

The H.P.V.C. wants to remind all seasonal residents upon return that they can apply for membership in person or by email.

Our next meetings will be 1 p.m., September 18th and October 2nd in the PAC.

Submitted by the H.P.V.C. organizing committee; Wes Norton, Ben Bell, Ben Pressel, Bill Stoebs, Ralph Pauley, and Howard Stringer.

PALEO PARK - ELLIOTT SITE

National Wildlife Day, founded in 2005 and carried forward in the memory of animal lover and conservationist, Steve Irwin, serves to bring awareness to the number of endangered animals nationally, as well as globally, that need to be preserved and rescued from their demise each year, and also to acknowledge zoos and outstanding animal sanctuaries and organizations globally for everything they do to help preserve this planet's animals and educate the public about conservation - especially to children - our animal's future caretakers and conservationists.

National Wildlife Day also encourages citizens to stand up and fight for animals that need a voice, visit local zoos and donate to worthy wildlife rehabilitation sanctuaries and organizations that make a difference in the lives of our beloved wild animal friends. Look up your local zoo or animal sanctuary, sponsor a favorite animal, donate or volunteer to help in any way you can. The date was changed this year from September 4th to February 22nd to honor Steve Irwin's actual birth date.

PALEO PARK - ELLIOTT SIDE cont'd

Paleo Park Steward, Deb Tribbey, reports there has been a wide variety of wildlife seen at Paleo Park this summer. From A to Z: armadillo, bat, coyote, fish, mosquitos, raccoons, turtles, wood peckers, and zebra long winged butterflies. The turtles came up on land from the sink hole in June and July, dug holes, and laid eggs. Unfortunately by August, most of the eggs had been dug up and eaten - perhaps by raccoons?

Mark your calendars for an interactive exciting exhibit coming to Heritage Pines called, Water Ventures, on Saturday, December 15. Time will be announced later. Make sure to bring your grandchildren too! Water Ventures provides top

quality environmental education that empowers citizens to be responsible stewards of Florida and understand Florida's ecosystems. There will be demonstrations and hand-on science activities for all ages.

Directions To Paleo Park: Drive toward the front gate on Grand Club Drive to Eagle Bend Drive. Turn left on to Eagle Bend Drive and go to the second left, which is Clearcreek Court at Fairway Village. Turn left and drive to the end of the cul-de-sac. You will find the park within the fenced area on the left side of the cul-de-sac.

DEMOCRATIC CLUB

Every Third Thursday
4 – 6 p.m. in the Magnolia Room
By Linda Myers, Secretary

The HP Democratic club is now back in action, supporting the Democratic candidates selected in the August Primary election. Congratulations to all the winners and to all who participated in the election process. Volunteers are needed to help our candidates with phone banks, knocking on doors, and numerous election activities supporting our candidates. We will let everyone know ahead of time when specific activities are scheduled. Let's help make the Big Blue Wave a reality here in Pasco County and all of Florida

Our next membership meeting is scheduled for Thursday, September 20th, at 4:00 p.m. in the Magnolia Room at the Clubhouse. The program will include a discussion of the General Election Ballot. We will also go through and make recommendations on the 17 amendments to the Florida Constitution that will appear on the ballot.

If you want to make a difference in this election year, or just want to exchange ideas with like-minded folks, please join us. We encourage all HP Democrats to attend and check us out! For information, call any of the following: Rich Cunha – 857-3044; Betty Dean – 869-9033; Linda Myers – 233-6226.

TOYMAKERS

The ToyMakers meet on Monday mornings in the Craft Room from 11:00 a.m. until 2:00 p.m. We also meet on Thursday evenings from 6:00 p.m. until 8:30 p.m., this is a quieter time as fewer elves come on Thursday evenings.

We are busy sanding the wood that has been cut into cute toys. After the sanding we paint and detail the toys and bring them to life. The wheels are then attached. The toys are distributed to local school children and other needy groups before the holiday break in December. Last year we made 1400 toys at Heritage Pines. The ToyMakers are a friendly happy group and many of us have lunch at the Fireside after our work is finished. Come see if you would like to be a part of this charitable group.

The ToyMakers at Heritage Pines are a branch of the Main ToyMakers and are a not for profit 501 (c) (3) organization made up entirely of volunteers. The main branch donates toys to sick and needy children in the Tampa Bay Area. To learn more about The ToyMakers go to www.toymakers.org. Donations can also be made at that website.

For more information call Phyllis Matheson at 727-861-5546 or Vicki Hoffman at 727-378-6800. If you order anything through Amazon.com, a percentage of your purchase is donated directly to The ToyMakers on every purchase. You must sign in to: amazon.com/smile and designate "The ToyMakers" as your charity of choice. For additional information, contact Stephanie 727-860-4142.

Thank you for your continued support and donations. We and the HP ToyMakers appreciate it.

WALK AEROBICS

By Roseann Andare

Want to get together with your friends and neighbor and do something good for your heart at the same time? Then Walk Aerobics is your answer. We meet Monday through Saturday at 9:30 a.m. in the PAC room. The range is from two to five miles depending on the day. Don't worry - even though we are walking inside you will work up a good sweat! Grab a towel, some water and join us for some fun.

ANGELS IN THE PINES

Thanks to the generosity of StoreSmart self-storage (352 597-8585) who donated a storage unit for one year to the Angels, hat and scarf sets are piling up but there is still a long way to go to reach the 1400 sets needed for donating to the school children and others in need at Christmas time. This month three new members joined the Angels and were most welcomed. They quickly learned to loom and are adding to the completed sets of hats and scarves. Anyone interested in helping the needy children is welcome to join the group. Sundays from 1 to about 3 p.m. you will find the Angels busy chatting and working in the Craft Room.

As previously mentioned the Angels are sponsoring a four day, three night trip to Savannah, on November 5-8 (Monday - Thursday). There will be much to see and do and lots of camaraderie and the price is only \$467.00 including travel, hotel and three breakfasts and three dinners. There are a few openings left so if anyone is interested please call Cruise Planners at 352-597-9924 for more information. This promises to be an interesting and fun time for all.

As a reminder, Angels is now a not-for-profit organization, and all donations, either materials or money are tax deductible and very welcome. So please consider the Angels when you are planning your giving.

For more information about the Angels please contact Geri Brousseau, President, at 727 861-2224.

(Mon - Thu)

November

5 - 8, 2018

Day 1: Board your spacious, video and restroom equipped Motorcoach and head toward beautiful Savannah, Georgia for a three-night stay! This evening, enjoy a leisurely Dinner and check into a Savannah area hotel.

Day 2: After a Continental Breakfast you will start your journey with a GUIDED TROLLEY TOUR OF SAVANNAH, the "Belle of Georgia." You'll see extraordinary architectural marvels, beautiful oak-lined streets and lovely "town squares." You will then have Hop-On/Hop-Off Privileges on the TROLLEY for the rest of the day. Enjoy free time on historic River Street, featuring unique 18th century "ballast stone" streets and 19th century cotton warehouses that are now home to fine eateries, unusual shops and antique galleries. Tonight, you'll enjoy Dinner with Entertainment before returning to your hotel for the evening.

Day 3: After enjoying a Continental Breakfast, you will depart for a GUIDED TOUR OF ST. SIMONS ISLAND. Take a stroll among moss-draped oaks or shop at the interesting boutiques and specialty shops in the historic area. Later, you'll take a GUIDED TRAM TOUR OF JEKYLL ISLAND. See how the nation's wealthiest citizens like J.P. Morgan and William Rockefeller lived and played – including a stop at what was once the exclusive "Millionaires Club." After Dinner, you'll return to your hotel.

Day 4: Today, after enjoying a Continental Breakfast, you will depart for home... a perfect time to chat with your friends about all the fun things you've done, the great sights you've seen, and where your next group trip will take you!

GENEALOGY

IT'S ALL ABOUT THE JEANS.....
NO, THE OTHER GENES!

West Pasco County GENEALOGY Society (WPCGS) has moved to a new home close to Heritage Pines: The next meeting will be held on Wednesday, September 19, 2018.

The West Pasco County Genealogy Society (WPCGS) was founded in 1983 as a non-profit educational organization of amateur and professional family historians, genealogists and archivists. The Society strives to encourage the research, publication, and preservation of genealogical and historical material; to instruct and lend assistance to the membership and the public in modern methods of ancestry and DNA research. These objectives are accomplished through regular meetings and Society-sponsored workshops, lectures, field trips, socials and other educational activities. The Society offers many opportunities for the public to attend seminars and classes in genealogy-related subjects. There is something for everyone at Society meetings from the novice to the more experienced genealogist. The cost of membership in the Society is \$15.00 annually. Each meeting/seminar is \$5 for members; \$7 for non-members. WPCGS meets from 12:30 p.m. to 2:30 p.m. every third Wednesday of the month at The CARES Rao Musunuru, M.D. Enrichment Center at 12417 Clock Tower Parkway, Hudson, FL, located within the Beacon Woods section of Hudson, except during the summer months of June, July and August. Also, instead of a seminar or meeting in December, there typically is a Society Christmas party held for members.

The next meeting and seminar will be held on September 19, 2018 at 12:30 p.m. in the CARES Community Activity Room. The topic of discussion is "Emigration Paths." Debbe Hagner, WPCGS president, will present tips and guidelines on researching ancestral emigration from native countries and immigration into America. Focus will be on where one can find both emigration and immigration records.

The Family History Center

The Family History Center offers free research and help from a well versed Genealogist. The Family History Center was established to enable the general public to conduct extensive research on their family ancestry. No religious affiliation to the Mormon Church is required. The Center is open to everyone on the following days: Tuesday – 9 a.m. to 3 p.m., Wednesday – 9 a.m. to 1 p.m., Thursday – 9 a.m. to 3 p.m., Friday – 6 p.m. to 9 p.m., Saturday – 10 a.m. to noon. Note: hours sometimes change.

The Center is located at 10606 Hilltop Drive in New Port Richey, FL 34654. It is located within the Church of Jesus Christ of Latter Day Saints' community and library rooms. From the intersection of Little Road and Hilltop Drive (called Embassy Drive on the west side of Little Road) drive east on Hilltop Drive for approximately two miles. The Church is located on the right side of Hilltop Drive. Enter through the main entrance to the building. Ring the doorbell, and an aide will open the door and escort you into the Center.

The Center provides free computer access to the largest genealogical database in the world, www.Familysearch.org,

which is maintained by the Church of Latter Day Saints in Salt Lake City, Utah. The public may use the Center's computers to perform ancestry research; can review on-line records of ancestral and historical documents such as birth, marriage and death certificates, census information; church baptismal, marriage and burial records; immigration and naturalization records; historical, military and governmental records, and much more.

Visitors may print out records on the Center's printers, and can create, input and maintain their own family history data in the database, and may utilize the Center's genealogical library of books and microfilm reels that are maintained on site. There are knowledgeable aides at the Center including certified genealogist Debbe Hagner, president of the WPCGS, who assist visitors with operating the computers and provide guidance in using the database. In addition to researching the Familysearch.org database, the Center also provides free access to many other genealogical databases, which normally require paid subscriptions, such as Ancestry.com; Myheritage.com; Find-a-Grave; Fold3.com; and numerous other ancestry record and document resources.

Debbe Hagner, certified genealogist, is generally at the Family History Center on Tuesday's 9 a.m. - 3 p.m., Wednesday 9 a.m. - 1 p.m.; Thursday 9 a.m. - 3 p.m.; Friday 6 p.m. - 9 p.m.; Saturday 10 a.m. - noon to assist you. Hours are subject to change. For confirmation of Debbe's hours TEXT 727-271-0770 or email debbenhagner@yahoo.com.

Many thanks to Bonnie Bratby-Carey, Publicity and Communications Chairman, bbratbycarey@verizon.net or 727-845-5417. Many thanks to Bonnie for sending this information to Francine Raggi-Collins of Heritage Pines for the Heritage Pines Newsletter and residents of HP.

We took a break from the dog days of August but will be back in full swing this fall. There is no need to plan an event for September because Chef Josh and Mike Russell have already

planned a Heritage Pines Octoberfest Dinner on September 27th. We encourage everyone to attend that event! Tickets go on sale September 4th.

A trip back to Vintage on fifth in Crystal River is on the docket for Tuesday, October 16. Reservations will be made for 6:00 p.m. I will be taking Club member reservations in mid-September.

After that, as the holidays approach we will ponder a November event and certainly schedule a "Kringle Mingle" cocktail party with an ugly holiday sweater contest. We will shoot for Tuesday, December 11th at 6:00 p.m., with members contributing heavy hors d'oeuvres, wine, etc. The location is TBA.

We are always looking for new dining and wining experiences, so contact Hope with any suggestions. If anyone would like to give an in-home cooking demonstration and tasting, we'd love to hear from you.

New members are always welcome – singles too. Contact Hope Botterbusch at esparanza2@gmail.com or 727-233-2139.

ONE OF THE MOST SUCCESSFUL & ACTIVE CLUBS IN HERITAGE PINES

The ROMEO Board is happy to announce that Howard Dornfeld has accepted the offer to be a Director of the Club, bringing the Board back to its full complement of seven members.

Upcoming ROMEO Events

Friday, September 28th - (Couples are invited). This will be the resumption of our monthly breakfast meetings. Dr. Jerry Sokol will be with us to discuss and answer questions concerning prostate cancer. This is a subject that I am sure most of us have thought about and Dr. Sokol's insight, as always, should be very interesting.

Wednesday, October 24th - Cotee River Cruise (Couples are invited). We have booked the "Miss Daisy II," a 40' pontoon boat with a roof and lavatory, for the afternoon of Wednesday, October 24th. The trip will take us up the river to view the homes of silent movie stars who believed that New Port Richey would become the "Hollywood of the East." Included will be a short trip into the Gulf to visit a number of "stilt homes," built and maintained by people with more money than sense. (My guess is that they may serve as fishing platforms or as a place to simply get away.) We may even have dolphins follow the boat... always fun to see. Captain Ray Kelly will be our tour guide, offering a narrative of our two-hour cruise.

The boat will leave from Catches Restaurant at 7811 Bayview Street, Port Richey. It is hoped that participants might include having lunch there before boarding the boat. Departure time will be between 1 and 2 p.m. (to be determined). You may bring your own food and refreshments in a cooler on board "Miss Daisy II" if you wish.

Skip Scott will be taking names and payment for the boat ride... \$25 per person. Pre-teen children are \$15. Any reservation will be tentative until payment is received. You can reach Skip at 610-996-7368, frog44@gmail.com or by mail to 18129 Nestlebranch Court. Due to relatively new Coast Guard regulations we are limited to 33 passengers... so sign up soon!

(As of the deadline for this article, 20 of the seats have been reserved.)

Friday, October 26th – Breakfast meeting (Couples are Invited) with a speaker from CapTel (Captioned Telephone). Melissa Johnson will be telling us about a telephone designed for the hard of hearing. The unit has a screen on which the other speaker's words appear as they are spoken. The telephone is offered under the auspices of the Americans with Disabilities Act for those with hearing loss. The unit is free to qualified users. Your scribe has seen this item "in action" and was very impressed with it... if hearing on the telephone is an issue for you, come listen to Melissa.

Sunday, October 28th – Seven-night cruise on the Royal Caribbean Oasis of the Seas (Open to all Heritage Pines residents.) This is the first over-night cruise ever planned by the ROMEOs and we would love to have it be a huge success! This will be a trip through the eastern Caribbean leaving from Port Canaveral. Ports visited will be Nassau (Bahamas), St. Thomas and St. Maarten. A \$250 deposit will be required at the time of your reservation. Round trip bus transportation to Port Canaveral, including bus driver and porter gratuities, will be \$62 per person. Call Jean DeMoura (727-863-8699) for details or to reserve your cabin. (Please see the ad for this event in this issue of the PINES.

Thursday, November 8th – The ROMEO Annual TURKEY TROT Dinner and Dance (Open to all Heritage Pines residents.) Our gala event of the year, the Turkey Trot Dinner and Dance, will be held on Thursday, November 8th. As usual, there will be a wonderful buffet featuring turkey and salmon as the entrees, a selection of vegetables and a sheet cake for dessert. A cash bar will be available. Cocktails will start at 5:00 pm and dinner at 5:30. The music, commencing at 6:00 and ending at 9:30, will be provided by "The Retros," a band that has previously played for Heritage Pines in the Fireside. As usual, there will be a raffle for three prizes. First will be a \$25 certificate redeemable at PUBLIX, second will be dinner for two at the Fireside, and the third will be a round of golf for four at Heritage Pines. Tickets (\$25 per person, the same as last year) will be going on sale on Monday, August 20th. Grab your lady and come out to enjoy good food, good music and good friends! Your Board hopes to see you there.

March, 2019 – ROMEO Picnic (tentative)

Recent ROMEO Activities

Summer Dance

in the PAC – The dance, held on July 20th, was after the deadline for this article to be in the PINES in August. My recounting of the occasion is nothing but good. After a struggle to increase

Joan and Gil Herr enjoying the ROMEO Summer Dance

attendance, we were able to attract over 80 for the festivities. Our music was provided by Fred Campbell and all I heard was how good the music was... Fred will be coming back. The hors d'oeuvres were provided by our Food and Beverage folks. All-in-all, the dance was a success and the ROMEO Board thanks all who attended for their participation.

RAYS vs YANKEES Baseball Game at Tropicana

Field – Held on July 25th, this event was also too late for the August edition of the PINES. A full bus left HP at 10 a.m. for the noon-time game. We arrived well in advance giving yours truly a chance to grab a bite to eat... a \$2 hot dog (okay) and a \$10 cup of beer (yikes!). The game was very good with the Yankees leading 1-0 into the bottom of the 6th when the Rays scored three runs. The Yankees were only able to score one run in the top of the eighth and that's all, folks! Final: 3-2, Rays. The only negative was the trip home... some commented that, given the drivers attempts to avoid traffic, we had been places never seen before. The Bayside Bridge over Old Tampa Bay sure was new to me!

Numerous ROMEOs and Friends
at the Rays-Yankees Game

Sunshine Committee

In the month of July, the Sunshine Committee sent one get-well card.

The committee is responsible for sending out get-well and condolence cards to our members or their family. If you know of any ROMEO or his partner who is ill or in mourning, please let our Secretary, Dan Driessen, know. He may be reached at 331-333-0526.

Membership

Our roster as of July 31st was 210 resident members, no change from June.

If you have any interest in joining one of the most active clubs in Heritage Pines, call Mike Miller, Membership Chairman, at 727-869-3959 or email him at mmiller3452@tampabay.rr.com. We offer the opportunity to attend one breakfast meeting to help you evaluate whether membership in the ROMEOs would appeal to you. Just call Mike! [Due to illness, Mike will not be handling the new membership duties for a while. In the meantime, please contact Skip Scott at 610-996-7368.]

Your Board and Officers

Your Directors (and Officers) are Howard Dornfeld, Dan Driessen (Secretary), Phil Flynn, Ronny Krusch (Treasurer), Jeff Mariano (Vice-President), Mike Miller and Skip Scott (President). Please contact any one of us concerning ROMEO matters.

WATER AEROBICS

Water, water everywhere! Working out in the water is one of the most therapeutic activities one can take part in. Water aerobics builds cardio, strength and resistance all while being easy on the joints and in a cool and relaxing atmosphere!

Here are the Top 10 Reasons to do Water Aerobics:

Increase muscle strength – Water is a flowing and constantly changing product of nature, and as such can be every unpredictable in its movements. Since water flows in multiple directions, the resistance in the pool can range from four to 42 times greater than air, ensuring the body's muscles get a rigid workout. In fact, a study conducted found that after 12 weeks of regular aquatic aerobic exercise, participants had made significant gains in strength, flexibility and agility.

Build endurance – Unlike traditional weights, which require the human body to push and pull against the weight plus gravity, water resistance is a more natural resistance which requires the body to strain through the water rather than against it.

Increases flexibility – As the body is subject to water resistance during water aerobic exercise – which requires movement in various directions while adjusting to the push and pull of water – the joints naturally increase their range of motion. A study conducted found a significant increase in flexibility after subjecting a group of older adults to aerobic therapy exercise.

Low-impact exercise – We may not often think of it, but the traditional impact we place on our joints during a “land workout” can be taxing. In water aerobics, the buoyancy of the water helps takes off some of the impact we tend to place on our body, due to our own water weight. In layman's terms, our body's is not subject to gravity in the water, therefore the impact our joints take on when, say, running in water, is not equal to the impact when running on land. This is particularly appealing to those with joint conditions such as arthritis or those currently undergoing physical rehabilitation.

Alleviates pressure on the joints – Studies have shown water-based exercises such as water aerobics relieve pressure placed on joints from normal wear-and-tear and arthritis. In fact, hydrotherapy is shown to be the leading form of therapy for those suffering from joint problems.

Relieves stress and decreases anxiety – Watching bodies of water in motion can be one of the most soothing activities one can take part in to help relieve stress, which is why vacations to beaches and island paradises are so popular getaways. But being in the water can be just as relaxing! A study conducted found that aquatic exercise significantly decreased anxiety and negative mood states especially in women.

Burns calories – The combination of strength and cardio workouts mixed with water resistance in aquatic exercise ensures the body is getting a full workout. Depending on cardio activity, weight (including additional weights such as dumbbells and weight belts), water temperature, volume and buoyancy, the body can burn between 400 to 500 calories in an hour of exercise.

continue to next page

WATER AEROBICS cont'd

Reduces blood pressure – Water resistance is not just a buoyancy feature to help work the muscles. In fact, the water pressure actually works with your blood as well and enables one's blood flow to circulate more effectively throughout the body, effectively decreasing blood pressure and, in the long run, decreasing resting heart rate. This benefit means your heart is maintaining its productivity while putting less stress on your heart!

Cooling exercise – As temperatures get warmer and the summer heat draws near, the desire to exercise in the burning sun may suddenly not seem so appealing, and so naturally dipping into any body of water becomes alluring. Water aerobics can satisfy that need to feel cool in warmer temperatures while still enabling a person to exercise. It's cool, crisp and refreshing, especially knowing you aren't struggling in the heat!

Popular activity – Water aerobics is not limited to any age group or skill level. As a result, water aerobics is known to be one of the most popular bonding activities for friends and family. This is a wonderful way to make some new friends and meet your fellow neighbors. The sport appeals to all ages – with younger generations naturally enjoying the fun to be had in swimming pools while still appealing to the older generations and their need to maintain a moderate level of physical fitness.

Water Aerobics tips to know:

- o Always wear water shoes for added cushioning, shock absorption and comfort. Nerve endings are very close to the soles of your feet and constant jumping without shoes may cause nerve damage.
- o Stay hydrated. Though the water cools the body, you will still perspire especially during the summer months. I always suggest you drinking water before, during and after class. If during class you feel thirsty you are already dehydrated. Rehydration will prevent you from overheating, muscle cramping and heat stroke.

Come join us every Monday, Wednesday and Fridays. Classes begin at 10:00 a.m. and run for one hour. Classes are taught by Denise Mallek who is certified through the United States Water Fitness Association.

HERITAGE PINES SINGERS

HP Singers - We are going to "**Return to Bali Hai.**" The show choir will reprise the "Road to Bali Hai" with some significant additions. The second Act will take us through Rogers and Hammerstein's "South Pacific" with most of its wonderful songs and some scenes and narration. The first act, as before, will feature Rogers with Hart and Hammerstein with Jerome Kern. We will reprise some songs and have a new one or two. There will be opportunities for solos, duets, and ensembles

We would love to have some new people to join those of us returning and there will be plenty of time to get up to speed. We will work on this show starting in September by working after Joanne's singers practice. This will entail some Thursday afternoons and/or evenings. Please respond to this with an email to Paul Mattes at pamklm@hotmail.com or phone at 868-4686. We will put you on our list to receive the script, song list, and schedule. The show will perform the second week of February.

Joanne's group will begin in earnest in October and prepare for Christmas. We hope many of you will do both.

WILDLIFE IN THE NEIGHBORHOOD

By Deb Tribbey

What is the difference between a tortoise and a turtle? Did you know the simple answer is land and water?

Other interesting differences are that tortoises are herbivores and have a life span of 80 to 150 years, while turtles are omnivores with a life span of 20-40 years. Both are reptiles from the order of Testudines, but in different classification families. Which means, the bodies of tortoises and turtles are both shielded by a shell, the upper part is called the carapace and the lower portion called a plastron. The carapace and plastron are attached by a bridge that allows the head and limbs to be withdrawn within the shell, but the whole body can never be totally detached from it. All are generally reclusive and shy in nature.

In this area of Florida you may see Gopher Tortoises, a long-lived reptile that occupies upland habitat including forests, pastures and yards. They are considered to be a keystone species because they dig deep long burrows that they share with 350 other species of animals, providing shelter for all. In Florida, the Gopher Tortoise is listed as Threatened. Both the tortoise and its burrow are protected under state law. Currently they must be relocated before any land clearing or development takes place. This is a rather recent change. Previously, developers were allowed to bulldoze over burrows, burying the animals alive. Because of the tortoises slow metabolism, it took years for them to suffocate or starve after being buried below ground.

You will see Gopher Tortoise burrows in sandy soils. There are always two entrances, perhaps 30 feet apart and are elliptical in shape, not round.

We also have fresh water turtles at Heritage Pines. Florida has approved strong conservation measures for freshwater turtles. Collecting turtles from the wild is severely limited and controlled. Selling any turtle taken from the wild is prohibited.

There are three native species of softshell turtles in Florida: The Florida Softshell, the Gulf Coast Smooth Softshell Turtle and the Gulf Coast Spiny Softshell Turtle. The Florida softshell turtles are some of the largest fresh water turtles. They have fleshy shells adapted for swimming, a long neck and an elongated head with a long snorkel-like nose. Take a look:

You may also see this guy or gal.....a Florida Box Turtle. Turtles are fascinating reptiles that have existed on Earth 220 million years. Florida has more turtle species than any other state. Of the 26 species found here, the majority, at

WILDLIFE IN THE NEIGHBORHOOD cont'd

18, are freshwater turtles. The others are gopher tortoises, box turtles and five sea turtle species. All turtles are air breathing species, but the aquatic turtles can hold their breath for extended periods of time.

All lay eggs in holes they have dug on land in dry ground. If aquatic species, when the baby turtles hatch, these hatchlings immediately return to the water. If a Gopher Tortoise, the hatchlings join the mother in her burrow.

A frequent question is what to do when you see a turtle crossing the road? A turtle rescue foundation says:

First, be safe. Busy streets are dangerous for rescuers and turtles alike. Put on your hazard lights and pull fully off the road. Make sure other drivers see you. When picking up a small turtle, grasp it on either side of its shell behind the front legs. The turtle may kick at you, but many will choose to stay safely "tucked in". Keep the turtle low to the ground when moving them. They have surprising strength, if it pushes free from your grip, you don't want it to fall and injure itself. Make sure you put the turtle down in the direction it was heading. NEVER TURN THEM AROUND! That turtle is on a mission. Never relocate a turtle...many have home ranges. Sit back and enjoy, and know you've done a good deed.

What Buyers & Sellers Are Saying About Us.

These are Recent Transactions in Heritage Pines

"My husband and I met Lillian and her husband Fred when we first visited Heritage Pines 2 years ago. After talking to them we immediately realized that this is where we wanted to actively live our retirement. When life prevented an in-person visit, Lillian was able to preview the home we eventually purchased and honestly gave us a room-by-room description because she knew exactly what our preferences were. The purchase was seamless and effortless with her help. She goes over, above and beyond to help make the transaction as easy as possible."

"Years ago when my husband and I originally purchased our home in Heritage Pines, Fred and Lillian were the ones who gave us a very informative tour of the community and showed us a number of homes. When we purchased our home they made the whole process quick and easy. This year when it came time for us to move to be closer to our children, we again went to Fred and Lillian. Lillian looked over the house and told us what it would sell for. We were happy with the price and told her to list it. To our surprise, we got an almost full price offer within a couple of weeks. We accepted it and again, they made the whole process very quick and hassle free."

Thanks
Fred and Lillian "

"We had been looking for a home in Florida for many years. We heard about Heritage Pines and called Lillian and Fred Stoffo. They found us a Villa in 2012 that we fell in love with. Fast forward to 2018. We wanted to buy a stand alone home with a nice view. Lillian & Fred sold our villa and we got our new home on the golf course. We can't tell you how thankful we are for the professionalism and personal attention the Stoffos gave us. They hold such a high regard for their clients and at the same time treat you like family. Lillian and Fred, thank you for making this process so easy."

"I want to thank you Lillian and Fred for managing the sale of my house in Heritage Pines. Your information on how to prepare the house for viewing was instrumental in the selling of my home. It was nice to work with two pleasant and knowledgeable real estate agents. You have always been available to settle any issues that came up and participated in making needed corrections to improve the existing conditions. Again, thank you for making the selling of my home a pleasant and enjoyable experience!"
