

Message From The G.M.

As we transition into the summer season we will be starting some renovation projects on our Clubhouse. We are fortunate that these projects will be funded from your Reserve Fund which you contribute to each month. Twenty-five dollars (\$25) of your monthly assessment goes toward this very valuable asset.

We had a very good month in April. We were better than budget by \$25,000 and we are \$86,000 better than this year's budget and \$72,000 better than last year's. The Food & Beverage loss is \$7,000 better than budget and \$56,000 better than 2008.

June 1st begins the hurricane season. You may log on to the Pasco County Emergency Management site at www.pascoemergencymanagement.com for information, or pick up a Hurricane Guide at the Front Desk.

With summer arriving, please make sure to advise your guests that the golf course is for golfers, and it is not to be used as a jogging path or for recreational walking.

As always, if I can assist you with any issues, please let me know.

Messages From The Management

Design Review Committee

This past month we have handled approximately 90 requests from residents. The majority of requests has been approved. We had to make site visits to five homes prior to approval. The new DRC manuals are available at the front desk. The committee asks that before making a request, please check the policy as stated. If unsure, please contact a committee member for clarification. When asking to replace or add shrubs, trees or plants please enclose a plot plan with your request showing the property lines. All plantings must be at least five feet from the property lines. Heritage Pines is a beautiful place to live; let's ALL work together to keep it that way!

Pool Rules

Hey Residents! It's that time again... to visit our refreshing Clubhouse pool. But before you come relax at the pool, we want to remind you how to have a safe and fun summer by following all the rules.

No food or outside drinks are allowed at the pool. You may buy drinks from the bar window. This is part of a state wide health code.

When your guests are visiting the pool, remember to obtain a wristband from the front desk to wear at the pool. If your guest is not wearing one, they will be asked to get one.

When having children visit the pool, please remember that horse play, such as running, jumping, or yelling will not be tolerated. Only water noodles or flotation devices for toddlers that cannot swim are permitted at the pool.

And this one is for everyone, please remember to shower before entering the pool. This is a major health and safety issue. You must shower to rinse off excess tanning oils or lotions or sweat. A build up of these things leads to clogging in the drains then potentially more issues. Even if you have showered at home, please rinse before entering.

If these rules are violated a staff member will gladly remind you of the rules. If the violation continues you will be asked to leave the pool area.

Thank you for keeping our pool safe and clean.

Attention Clubs, Groups and Village Organizers

I have recently been informed that some groups may have standing articles, which have been put in the newsletter each month without resubmitting them. Unfortunately, I am not aware of these articles. As such, **ALL STANDING ARTICLES MUST BE RESUBMITTED MONTHLY!** Standing articles will no longer be accepted.

The procedures for submitting newsletter articles are as follows:

1. The deadline for all newsletter articles, pictures, promotions, etc. is 5:00 p.m. on the 15th of the month. We are working on a deadline with the printing company, therefore any articles turned in after that time will not be accepted. This will ensure that our proof-readers have enough time to thoroughly check the newsletter for content and accuracy.
2. Newsletter articles must be emailed to hpnews@heritagepines.net.
3. All newsletter articles must be typed using Microsoft Word and sent as an attachment. If you do not have access to this program, the computers in the library are equipped with it, and are available for use. No handwritten articles will be accepted.

Any questions regarding this procedure, and/or the submission of articles, can be placed to Mark Stanish or Paul Chefero.

Massage Therapy Coming Soon

In the next few months, Heritage Pines will be providing massage therapy services to our residents. There will be a charge for these services, but the benefits greatly outweigh the cost. This added service will help with circulation, joint/muscle pain, and most importantly, a little relaxation! While we work on the details, we encourage you to utilize our massage therapy services.

We selected, Tracy Burga, a state and nationally licensed massage therapist currently working in our area. She has been in this field for nine years and is very passionate about providing this service to our residents. Tracy specializes in relaxation, therapeutic massage, sports massage, deep tissue massage, and neuromuscular stretching. For more information, contact Tracey directly at 457-9304.

Lifestyle Committee

Starting in June the Lifestyle Committee will handout evaluation cards at the beginning of each event (i.e. picnic, dance, concert) taking place at the clubhouse. When the event is over the completed cards will be collected for the committee to review. The committee is interested in hearing the residents' opinions on functions put on by the committee. Please be sure to take the time to fill out a form. Residents' inputs are very important in planning future functions. Thank you in advance for your cooperation.

June Employee of the Month

TONY RICCIARDI

Tony is the Senior Maintenance Technician and has been with Heritage Pines since July of 2002. He has proven to be a valuable, dependable, and loyal employee. He works closely with the Food & Beverage Department assisting with

functions. Tony is always ready to assist anyone in need.

On a personal note, Tony is from NYC and worked in Civil Service for the City of New York until he came to Florida in 1989. Tony and his wife have two children and one grandchild. He enjoys watching sports and helping others.

Tony has worked in four different Country Clubs and he considers Heritage Pines to have the nicest residents and staff.

Please join us in congratulating Tony.

Policy Regarding Restaurant Walk-Outs

On a regular basis during major resident events, the restaurant has had a problem with residents walking out on their bar tabs for the evening. Currently the restaurant manager or bar manager is closing out the tabs and charging the appropriate member. However, this leaves the server/bartender without a gratuity for the service they provided.

Effective June 1, 2009 any unsigned/open tabs left at the end of the night (when the bar manager is closing) will be subject to an additional 15% service charge. The 15% service charge will go to the appropriate server/bartender. The checks will be signed by either the restaurant manager or bar manager.

We appreciate your cooperation on this matter.

HPCA Board of Directors Report

At a retreat session on May 15, your Board of Directors developed the following goals for 2009:

- To create a positive environment of trust, support, integrity, and respect with the residents, the General Manager, and our management team.
- To work together as a team and to treat each other with respect and professionalism.
- To create realistic short and long-term goals.
- To hold management, through the General Manager, accountable for all administrative, operational, and financial performance.
- To foster an environment for our committees to be creative, accountable and advisory to management and the board.
- To seek out, listen to, and learn from members' ideas, opinions, values, and principles; to take members' inputs into account when considering board actions; and to regularly report actions.
- To establish and implement a long-range strategic plan.

Also, I want to thank the advisory and recent ad hoc committees, our General Manager and staff for the outstanding work they have done and continue to do on behalf of our community.

Neil Thompson, President

E-Bulletins & Mass Emailing

We have recently learned that our community wide emailing, or "e-bulletins", have limitations on how many can be sent in a single 24 hour period. Due to these new restrictions, all departments have had to make accommodations to keep within the approved range. As such, it has become very difficult for us to do e-bulletins for individual clubs and groups.

In order to accommodate the need for community communication, we have been posting articles to the Heritage Pines website under the Announcements heading. If you go to www.heritagepines.net and follow these steps, you will be able to see the postings.

1. Go to <http://www.heritagepines.net>
2. Click on resident log in and enter the appropriate information
3. Click on the heading to the left titled "Announcements"
4. Select the appropriate category, i.e. Clubs & Groups, Social Events, etc.
5. Select the appropriate article.

May In Review... And A Little Bit Of April Too...

A new feature in this month's newsletter will be comments from past events. This will give an opportunity to share residents' comments, as well as share our own thoughts on the event, and how we can improve on it next time.

The first event was at the end of April, The Elvis Show & Buffet. Both were incredibly well attended. Residents who attended the pre-show buffet had no complaints. The F&B team researched Elvis's favorite foods and actually put them on the buffet to make it more unique. Residents enjoyed Sloppy Joes and Memphis Style BBQ dinners with corn on the cob, hush puppies, and sweet potatoes. All of Elvis's favorites!

The Elvis Show was amazing! The show was attended by almost 250 residents and outsiders, and from what we hear, we need to bring Elvis back to the building! The glitz and glamour stage props were the perfect backdrop for Kenn Grube as he performed several songs by the man himself. Our show moderator, who was a personal friend to Elvis himself, shared some really great stories too.

One of our traditional events, was our Cinco De Mayo buffet dinner & dancing. We kept the meals traditional, a

fajita buffet and taco bar, with all the accompaniments. Dinner was delicious from what we are told, right down to Chef Frank's traditional rice pudding with cinnamon crisps! The band for the evening was Gypsy Star, which our own Pollyanna is a member of. Pollyanna performed several dances, and crowd begged for her to do an encore on several occasions.

We look forward to seeing everyone at our numerous events throughout the month of June. You can find those events under the Restaurant & Events page in this month's newsletter!

Look Out!

Several residents have approached the Newsletter staff and asked about producing some sort of insert which they can pull out and post. Well, you asked... and we listened. The top insert in this month's newsletter is a pull out calendar which includes the following:

- Restaurant Hours
- Special Event Nights (ticketed events)
- Residents Nights (Karaoke, Ice Cream Social, Birthday/Anniversary)
- Movie Nights
- BOD/Specialty Meetings
- Clubhouse Closures

Ladies Niner's Golf Association

On April 14th the Niners held a Migration Celebration luncheon at the Clubhouse to bid farewell to all of the "Snow Birds" leaving for the season. We wish them a safe trip and are looking forward to their return to the Niners in the fall or winter. They will surely be missed!

While on the course remember to put sand in your divots and to use the rake to smooth footprints in the sand. Also if you hit the wrong ball it is a two stroke penalty. So always mark your ball for easy identification.

Great News! Edie Stevens had a beautiful Hole in One on hole #17, Friday Couples on May 2nd. Kevin presented her with a plaque commemorating this achievement. What a great shot!

Some golfers lie awake at night

One-Way Traffic for Shot-Gun Starts

This month, a new procedure will begin at Heritage Pines. To alleviate congestion and for safety reasons, all shot-gun starts will be conducted with a one-way traffic pattern around the clubhouse. All golf carts are to enter by the bag drop and exit by way of the cart path that goes around the east end of the clubhouse (swimming pool area). This procedure is to be followed for all shot-gun starts, Monday through Saturday mornings, and any afternoon when a shot-gun start has been scheduled. After the shot-gun start, two-way traffic may resume.

Ryder Cup Tournament

Everything is in place for the second annual Ryder Cup tournament against Timber Pines. It will be played here at Heritage Pines on Friday, June 12. Good luck to our Heritage Pines team!

Adopt-a-Hole

The Adopt-a-Hole program to maintain and beautify our golf course is being coordinated by Bob Bonitch and Carol Patterson. More volunteers are needed! Please contact Bob Bonitch at 697-3025 or Carol Patterson at 819-3578 to volunteer.

Please continue to repair ball marks and fix divots. Your help is greatly appreciated!

Golf Cart Safety

On May 4th while playing golf, one of our members, Joe Paddock, was seriously injured in a freak golf cart accident. Joe was in front of the cart on the ground trying to deal with a sticky brake. Somehow, the cart shot forward onto Joe. His fellow golfer had to literally lift the cart off him as others pulled him out from under. Joe suffered a broken clavicle, many fractured ribs and a collapsed lung. Joe was in the hospital five days.

Joe probably won't be playing golf for six weeks. We wish him a speedy recovery.

Lesson to be learned is that whenever working on your golf cart. **TURN OFF THE IGNITION AND REMOVE THE KEY.** Removing the ground (negative) cable from the battery will afford even greater safety.

Heritage Pines Ladies Golf Association

Several congratulations: first to Sheila Cooper as overall winner in the President's Cup and to all the winners of their flights. Congratulations to Carolyn Gallo for breaking 80 with a 76 and to Linda Nelson for breaking 90 with an 88.

The LadyBug Invitational was a flying success. Many thanks to Chair Betty Simpson for a wonderful job and to all her assistants as well as the men who helped out and the Pro-Shop. I have been to a number of Invitationals and this was the best by far. There is a DVD in the Library for those who would like to see some of the pictures taken by Tom Dana.

If you do not have a divot repair tool to fix your divots on the green, they are free at the Prop-Shop.

Ooops! For clarification purposes, the USGA does not recognize 'gimmies'. 'Gimmies' are used primarily in Social Golf. So if you take one and do not hole out before you tee off on the next hole, you are disqualified. If you have an acceptable score to that

point, you still post an adjusted gross score, for handicap purposes. (Section 5-1e)

DID YOU KNOW.....?

.....that dimples on a golf ball increase the amount of turbulence that is in the air surrounding the ball? The ball flies slower, but spins faster as it flies essentially helping the air surrounding it

to lift the ball. That is why the dimples allow the ball to stay in the air longer and increase a player's overall performance.

.....that Amateur Golfer Bobby Jones, in the final playoff of the 1925 U.S Open, called a two stroke penalty on himself, when he saw his ball move in the rough when he was setting up for his shot? He called the Rules Official, who questioned some of the spectators and no one saw his ball move, so the Official let Jones make the call himself. He lost the Playoff by one stroke. Bobby Jones founded the Masters in 1934. The USGA Sportsmanship Award is named the Bob Jones Award in his honor.

Tennis Association

The Tennis Association completed our team tennis program on April 11th with a wonderful picnic thanks to Doug and Chris Krohn who opened their house for the event. About 40 people attended and all had lots of fun. The team tennis concept is quite popular here at Heritage Pines. It offers players the chance to substitute partners when one gets tired and the scoring system is quite different than a normal tennis match. After each match the home team locates an interesting restaurant in the area and the teams all go out to eat and discuss the points they should have won or lost and maybe some other interesting topics.

The HPTA has an opening to be a director on the Board of Directors, so if any tennis members are interested, contact Bruce Stang (869-0246) and let's discuss how you might enjoy serving on the board. Remember, the association is only as strong as the members want it to be; you can make a difference!

The spring leagues are coming to an end and the summer leagues will start the beginning of June and last through mid-August. Members will get the information within a week via email. Reply shortly after receiving the schedule and don't forget to advise me what days you can't play.

If any Heritage Pines residents are interested in tennis lessons, we have a great professional who is here every Wednesday at 7:00 p.m. His name is Rick and he is very low key and it's easy to follow his instruction techniques.

We would like to encourage everyone, regardless of level of play, to feel free to come out and participate in the many open or league activities available. For further information you may contact Bruce Stang, President (869-0246), Marcia Letterer, Director Ladies' Tennis (863-9654), Chuck Widlowski, Director of Mixed Tennis (868-4947) and Nick Marino, Director of Men's Tennis (863-2062).

For residents who want to use the courts, they can be reserved at the front desk a week in advance. Please be aware of the tennis attire required on the courts, especially a smooth bottom tennis sneaker.

The Investment Club will suspend its scheduled meetings for the summer. Informal gatherings will be announced on the Investment Club mailing list. More information can be obtained by contacting Gerry Hopkins at gerryhopkins@mindspring.com.

Community Emergency Response Team - CERT

The Heritage Pines Community Emergency Response Team offers the following reminders to be prepared for storm season:

Lightning

If you witness lightning strike a home or building, call 911 and report lightning struck that specific address to the fire department immediately. Next, try to contact the residents or people in charge at that address. Every minute counts after lightning strikes to prevent full engulfment of structure by fire.

Protect your home and electronic devices. Lightning rods, power company meter surge protectors, and surge protecting power strips can protect your investments.

Tornado

Every home should have a weather radio. We do not have tornado sirens. A weather radio will go off signaling you when a tornado warning is issued for our area. When a tornado warning is issued, that means a tornado has been sighted. You should go to an interior safe room until danger passes.

Also consider getting a self charging weather radio for use when the power is out. Tornadoes often follow a hurricane when power may be out.

Hurricane

Residents going north for the summer should store all exterior items, including garden hoses. Hurricane force winds turn one residents stuff into missiles to break a neighbor's windows.

Snowbirds should always leave a key and emergency contact information with a neighbor.

Make a plan NOW. Those using computers can go to www.FloridaDisaster.org and click on "Get-a-Plan". After answering a few questions the site will prepare your personal disaster plan, route your evacuation, calculate the amount of water your family will need and give you check lists to mark off as you prepare. You will get a 12 page plan specific to your family and pets including things to do after the disaster. The site will even email a copy of your plan to friends or relatives out of state.

Your Community Emergency Response Team (CERT) is always working to be prepared to be the first responders charged with saving and sustaining life after a disaster in our community. Year around residents, willing to complete CERT training, able to walk 1 mile, lift 40 pounds and attend the monthly meeting on the last Tuesday of each month should contact Janet Cahill, CERT Operations Director, jcahill@tampabay.rr.com to get started.

Library News

Our library is maintained by volunteers from the H.P. Book Club. Any one interested in volunteering can call Jocelyn at 869-9461. We gratefully accept donations of POPULAR hard back books and GENTLY USED paperbacks. Fiction books are on the right hand wall in alphabetical order by author. Non-fiction books are on the left hand wall by subject category. Paperbacks are found in the lower four corners in alphabetical order by author. Leave donations and returns on the book cart. Since space is of a premium, we can only keep books of wide appeal. Paperbacks do not need to be returned. **The library does not accept magazines, games, puzzles, technical books or other non-book items.** We have Large Print books located on the shelf below the books on tapes and a shelf of Civil War books below that.

Theatre Club News

We are going to press before our HP residents attend "VIVA VEGAS" at the Show Palace and the Florida Orchestra in "B'WAY BY REQUEST" at REH during May. Please call or sign up in the theatre book if you are available to attend any booked show. We still have tickets to see "THE FABULOUS 50's & 60's" on June 13th. Ticket prices increase with this show to \$38.50. That includes show, buffet dinner and taxes. Gratuities are extra.

If you gave me your email address you have received your own theatre schedule. If you want a copy, email me at marciainflorida@msn.com or pick up a copy in the theatre book. I will send out any changes when they come in.

REMINDER: You must give a \$25 per person deposit on any show booked for REH or TBPAC. This is needed to secure the correct amount of tickets.

As soon as the dates and prices are announced we will confirm the booked shows. Look for finalization of "MARY POPPINS", "WICKED", "WONDERLAND" and others. WAG will once again host their lunch/show package featuring "STREISAND & SINATRA" in the show that never could happen. Also, if you attended the "HITS OF B'WAY", you'll love the repeat performance in February, 2010.

Thank you to all the volunteers that deliver tickets and make the telephone calls. You make this job so much easier. Call if you want to help, Marcia 819-1662.

Drama Club

Another season has come and gone, and it is already time for the Heritage Pines Drama Club to begin preparing for the 2009- 2010 season. As always we will do our best to entertain the Residents of Heritage Pines with plays that you will truly enjoy. For the upcoming season we have selected three plays, two comedies and a classic drama.

To kick off the fall season we will be doing the comedic "Playing Doctor". This is an extremely funny play and we will begin auditions on August 24th. The show will have three performances, November 6th, 7th and 8th. We will follow this up with a true classic, "Caine Mutiny Court Martial". This will be produced for early January and we will finish our season in early April with the comedy, "Said The Spider To The Spy".

This promises to be an exciting season and we hope to see some new faces joining us. If you've ever thought it might be fun to try your hand at acting or have an interest in working behind the scenes of a production, please feel free to contact me at: gold11844@yahoo.com.

Community Memorial Tree Fund

A Community Memorial Tree Fund has been established at Heritage Pines. Residents may purchase a tree in memory of a loved one or friend or to honor a person. Prices vary according to the type and size of the tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard, or in other areas of the community. The final placement of each tree will be approved by our golf course superintendent, Tommy Land. A map showing the placement of memorial trees will be displayed in the Clubhouse. This project is being headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

Please note: If you purchased a tree for our community in the past and would like its location indicated on the map, please contact Linda O'Leary at the number listed above.

Sponsored by the Golf Advisory Committee.

Strictly Singles

Bet you never considered ping pong as a form of exercise. Well, come up and be surprised at how much movement and aerobic exercise is involved in playing just one game. Please join us on Tuesday evenings from 6 p.m. and Friday mornings at 10 a.m. in the PAC room. It's a great way to stay fit and meet some great friends in the process!

And don't forget, the ping pong tables are available for use at any time as long as the PAC isn't committed to a special event. Call the front desk to reserve the paddles and ping pong balls.

Tuesday Ladies Bible Study

During the month of June we will be taking a video tour of the archaeological sites in the Holy Land guided by historian and teacher, Raynard Vander Laan. This presentation takes viewers to sites where geographical and historical contexts of the Bible take on powerful relevance for Christians today. We hope you will plan to join us on

Tuesday mornings at 9:00 a.m. in the Magnolia Room. We are a non-denominational Bible Study group and all women of the community are invited to join us for the Series "That The World May Know".

WAG

A number of WAG attendees has asked if I would lead a group to the Webster Flea Market. So, on Monday, June 8th, we'll leave the clubhouse at 8 a.m. and travel to Webster where we'll shop until noon. It's an adventure; old stuff, new stuff, vegetables and stuff, stuff, stuff. At noon, those of us who have had enough shopping will head back and stop for lunch. Those who want to continue to shop can do so. Make car pools or call Lillian Driscoll 697-3622 about a ride. Maps will be available at the clubhouse.

Sign up so I know how many to expect. Call me if you need more information - 819-9012. We'll shop till we drop.

Watch for future emails. We plan to entertain the Hope Ranch kids at the Club.

Heritage Pines Sportsmen's Club

The next meeting of the Heritage Pines Sportsmen's Club will be held on Thursday, June 11, 2009 at 11:00 a.m. in the Magnolia Room. Please note that this is the second Thursday of each month. All interested residents are invited to join us at the meeting and to learn more about the many club outdoor activities. We are an active and growing club of 56 member couples.

The Sportsmen's Club has run a very successful series of in-shore fishing trips. The first series of 20 trips were quickly sold out. They were low cost and were for in-shore fishing. Roger is currently working to set up a small set of off-shore trips on a larger boat. You don't have to be a member to go with us. Call Roger Keplinger, (379-6571 or send an email to: RKeplinger@tampabay.rr.com) if interested in a fun fishing trip.

The Sportsmen's Club goes trap and skeet shooting on Thursdays and Saturdays (excluding the Club meeting day on the second Thursday). We go to the Silver Dollar Shooting Club in Odessa, Florida both days. Transportation is provided and we gather at 8:30 a.m. in the parking lot across from the Club House to organize the carpools. If you don't own a gun and would like to try this sport, you can rent a gun at Silver Dollar for the day at a very reasonable rate. We currently have 13 members that are active each month. They are getting pretty good at breaking clay targets. We now have three members that have broken 49 out of 50 consecutive targets. This includes Rich Ford and Howard Stringer who earned honors last week. One of the nice things that this group does is to enjoy a meal together after each shooting session. We also have six members that have shot Skeet. This is a different game than Trap and we are looking for anyone interested in getting more of that activity going. The Sportsmen's Club Coordinator for Trap and Skeet Shooting is Rich Ford at 857-3300.

Some of our pistol shooters go to the 2nd Amendment club which is just around the corner on Highway 52 and to the West of Little Road. This club offers target shooting on the 2nd Saturday (combat targets) and the 3rd Saturday (stationary targets) of the month. If not a member you can go as a guest one time but then will be required to join the 2nd Amendment club to continue your target shooting. As is done with the

Trap/Skeet shooting group, pistol shooters meet in the parking lot across from the Club House to set up carpools. If interested in this activity contact our Coordinator Joe Rubino at 863-8836.

Pistol and Rifle Shooters also can go to Hernando County Sportsmen's Club which is on the left about 20 miles as you drive north on Highway 19. Shooting is done on Wednesdays where non-members pay on a pay-as-you-go basis. If you become a member of the Hernando Club you can shoot for lower rates. You should contact Bob Hunter at 863-9911 if you wish to go to the Hernando Club to do your shooting.

Bocce Ball competition within our club has been very active. The league continues to grow and we are now offering much more competition and comradery. Spouses are welcome and are strongly urged to participate.

We play Bocce each Tuesday. If you want to play, contact Ben Rappa at 862-2280.

Our newest sport will be Horseshoes... the pits have been put DOWN on paper but the actual work has been "on again and off again" so the pits are not yet ready. We remain optimistic that we will soon have active competition. When completed, the horseshoe pits will be a Heritage Pines amenity open to all residents. We are proud that it has been the H.P Sportsmen's Club that has instigated the building of the pits and that has been actively campaigning for the eventual completion of this facility. The Horseshoe pits will benefit all HP residents that enjoy the sport. Contact GM Bill Berthold and let him know you are interested in getting the pits built soon.

We are also continuing to explore archery as a new sport and have five members currently interested. We have located a private range where we can practice and compete. John Scarfi at 868 0640 is heading up the members that are trying to get this activity off the ground. Watch this newsletter for more information.

Please join us at a meeting of the Heritage Pines Sportsmen's Club and find out all about the outdoor fun we are all enjoying. After each monthly meeting many of us get together for food and good conversation at a local restaurant. For more information on the club contact our Secretary, JoAnna Byrne at 207-5352.

Pet Lovers' Club

The Pet Lovers are pleased to announce the new website devoted to Heritage Pines pets. Please feel free to visit the site and register your pet(s) - <http://groups.yahoo.com/group/hppetlovers>.

For June, we will meet on Monday, the 15th with our pets at the Rotary Pet Park in Spring Hill. Please plan for a brief club meeting at 11:30 a.m., but you may arrive at the park earlier. Water is available at the park for your pet, but you might want to bring your own bowl. For more information or directions, call Geri Brousseau 861-2224.

We are now in the process of collecting dues for the club. The annual membership is \$12.00 per household. Please make your check out to Pet Lovers' Club.

Importance of Training Your Dog

Dog training, using positive techniques, enhances your relationship with your dog.

It will help you better understand your pet and will enable your dog to be a welcome member of the family. It will also provide you with a better understanding of why your dog does what he does. Some of the positive aspects from training are:

- Building a **strong owner-dog relationship**, based on trust and mutual respect
- Having **confidence in** and **control** of your dog in any situation.
- Having a **happy, outgoing dog that is properly socialized**.
- Working with your dog's **natural drives and instincts**.

Congratulations to the graduates from Michelle Melady's "Dogs Behavior and Training" Class. Pictured from left to right are Katie Welsh, Murphy Rumpetz, Samson Stanutz and Skipper Page.

Heritage Pines Chorus

The Heritage Pines Chorus is on a summer break. We hope to resume early enough in the fall to participate in Carla Becker's talent show. Watch for the September newsletter.

Pet of the Month

Shadow is a one year old 28 lb shepherd, corgy, dachshund, etc. mix. He was abandoned in NC last summer near our summer home and was rescued by our other dog Brandi. When found, he was

extremely dehydrated, filthy and covered with fleas and ticks. Scared to death but after a couple of baths he was recognized as a cute little puppy. Abandoned dogs are fairly prevalent in NC since there are no neutering laws. The humane society was full and couldn't take him hence we became his new parents. Since we've had him, it was discovered he had a fractured hip (probably occurred when he was first abandoned) which was surgically repaired in February. Also when he was neutered only one testicle was found. In spite of all his hardships, he's a kind, gentle, loving dog who idolizes his big sister Brandi who rescued him. We are so lucky to have him in our home.

Rich & Marianne Schweitzer.

Friends of Michigan

The Friends of Michigan had a fun filled couple of games of Bocce (led by John Mafho) on May 5th. After these rousing games we had a pizza party, where we sat around and got to know each other better. We had planned this to be a going away party for our seasonal friends, but alas we were too late.....most of them had already returned to beautiful Michigan. We will plan better for next year.

We will be having a meeting on June 24th at 4:15 p.m. at the Clubhouse. At this meeting we will decide what we would like to do for the summer and/or the rest of the year. Hope to see you at the meeting, Donna Mooty (861-0103).

Red Hat News

Attention all Heritage Pines registered red hat chapters. The Heritage Pines web site has a section for red hat chapters in their social pages. I think this would be a good place for all of the HP red hat chapters to list their groups and state if they are open or closed to new members. I frequently get calls from new residents asking if I know of chapters taking new members and this would be a good place to refer them. Also as you know a prospective member can no longer do a chapter search on the RHS web site unless you join first. Ladies in other areas join only to find there are no chapters in their area that are open to new members. Registering your chapter on the HP web site and stating if you are open or closed would eliminate this problem. We could also use this area for communication of event and activities. You just need to contact HP web master to add your information.

I am starting monthly Bunco Teas and am planning something for queens and vice queens only in July. Hope to see you soon. Lois Walsh, QM of the Red Hat Rosebuds

Scenic View Estates Third Annual Bocce Picnic

The Social Committee of Scenic View Estates sponsored the Third Annual Bocce Picnic on Saturday April 18, 2009 at the Heritage Pines Bocce Court. The attendance this year was “over the top” as over 50 residents, family and friends competed for the coveted first prize of blue ribbons, hearty handshakes and a celebrity picture in the SVE Bocce Hall of Fame.

The teams were coordinated by Al Lowe and Mel Delgado. There was such excitement over participating that over 12 teams were organized and the competition was tight. Emerging as winners, as twilight descended on beautiful Heritage Pines, were Tony Zatella, Loretta Brown, Nancy Morano and Jim Atkins.

In addition to playing Bocce, the Social Committee provided sub sandwiches, various salads and the traditional delicious cake. As always, everyone had a wonderful time playing bocce and more importantly, socializing with one another. We look forward to next year where we hope there will be an even larger group of Bocce “experts”.

Al Lowe and Mel Delgado make sure everyone follows the same Bocce rules

Winners are Tony Zatella, Loretta Brown, Nancy Morano, and Jim Atkins

What are Floaters?

When people reach middle age, the vitreous gel may start to thicken or shrink forming clumps or strands inside the eye. This gel pulls away from the back wall of the eye causing a "posterior vitreous detachment." The appearance of floaters could be a normal event or it could be a symptom of retinal problems, such as detachment, tear, or bleeding. If it is associated with flashing lights or curtains a dilated eye exam should be performed urgently. Contact your eye MD if you develop new floaters, especially if you are over 45 years of age.

HERITAGE PINES REAL ESTATE NEWS & VIEWS

As of this writing there are 85 homes listed in the MLS for sale in Heritage Pines. This number hasn't fluctuated that much over the last couple of years so it may be considered normal. Other statistics quoted from the MLS such as DOM (days on market) cannot be relied on because they don't count the days that each realtor has had the property. There could have been 2 or more realtors involved.

A recent sale, was reported by the MLS to have been sold in 26 days. It was actually on the market for 2 years. So you can see the average DOM is very hard to calculate. According to the MLS the average DOM in HP is 220. In reality, it may be closer to 300 days or more.

Many properties in HP have been listed with the same realtor for as long as 900 days and several over 600 days. When these homes finally sell it is because of a dramatic price reduction.

Over pricing is usually the reason that homes don't sell. Prices for homes are market driven. Recent foreclosures and short sales have had a negative affect on home values. Buyers are well informed and review the comparable sales before buying.

On a brighter note, since it is a buyer's market and a great time to buy, **WE ARE SELLING HOMES IN HERITAGE PINES!**

If you must sell, be aware of the todays market conditions so that you can price it right the first time. Call us for a confidential, realistic market analysis. 727-992-1548
