### **Prices and Ordering Information for Photos displayed on-line in any album by JDHS Photos.**

**PLEASE READ THE FOLLOWING INFORMATION AND THEN EMAIL, PHONE OR MAIL ME YOUR ORDER; identify the photos you want using the “IMG XXXX” name.**

All photos in the on-line album are generally displayed in one of two formats: 4x6 or Square (i.e. 4x4). Exceptions are noted on-line.

All watermarks will be removed before printing, emailing, or burning CD's.

Remember when ordering that 5x7 and 8x10 shots will require additional cropping before printing, thus the final product will be slightly different from what you have viewed online.

It is the photographer's recommendation that square format images be ordered in 5x7 or larger sizes. On 5x7 paper you will receive an image 5x5 in size.
