At Heathrow Airport in England, a 300-foot red carpet was stretched out to Air Force One and President Bush strode to a warm but dignified handshake from Queen Elizabeth II. They rode in a silver 1934 Bentley to the edge of central London where they boarded an open 17th century coach hitched to six magnificent white horses. As they rode toward Buckingham Palace, each looking to their side and waving to the thousands of cheering Britons lining the streets, all was going well. This was indeed a glorious display of pageantry and dignity. Suddenly the scene was shattered when the right rear horse let rip the most horrendous, earth-shattering, eye-smarting blast of flatulence ever known in the British Isles, and the coach immediately filled with noxious fumes.

Uncomfortable, but maintaining control, the two dignitaries did their best to ignore the whole incident, but then the Queen decided that was a ridiculous manner with which to handle a most embarrassing situation. She turned to Mr. Bush and explained, "Mr. President, please accept my regrets. I'm sure you understand that there are some things even a Queen cannot control."

George W., ever the Texas gentleman, replied, "Your Majesty, please don't give the matter another thought. You know, if you hadn't said something I would have assumed it was one of the horses."

A man became ill and was hospitalized. He was awakened the next morning by the phone ringing.

"Hello?"

"Mr. Smith, this is your doctor. I'm afraid we have a bit of bad news for you. You've got GASH."

"What's GASH?"

"It's a combination of Gonorrhoea, AIDS, Syphilis and Hepatitis. Now, I want you on a strict diet of pizza, pancakes and pita bread."

"Will that cure me?"

"No, but we can slip it under the door for you."

Mrs. Jones approached the supermarket cashier with her cart filled to the brim with dog food. The cashier said, "My, you must have a lot of pets." Mrs. Jones replied, "No, my husband tried a can of Alpo a while back and now he won't eat anything else."

The next time Mrs. Jones checked out, her cart didn't contain a single can of dog food. The cashier asked why, and Mrs. Jones said, "My husband passed away." "Oh my", the cashier said, "I hope it wasn't from eating all that dog food." Mrs. Jones said, "No, he was just sitting out in the middle of the street licking his balls and a truck ran over him."

Teacher: "Well then just come to the classroom after lunch hour, hide in the closet in back, and hear it for yourself."

In the classroom after lunch:

"My goodness!! At the least that must have taken a toll on his social life."

Oldie But VERY Goodie (My other favorite.)

Sherlock Holmes and Dr Watson were going camping. They pitched their tent under the stars and went to sleep. Sometime in the middle of the night Holmes woke Watson up and said: "Watson, look up at the sky, and tell me what you see." Watson replied: "I see millions and millions of stars." Holmes said: "And what do you deduce from that?" Watson replied: "Well, if there are millions of stars, and if even a few of those have planets, it's quite likely there are some planets like Earth out there. And if there are a few planets like Earth out there, there might also be life." And Holmes said: "Watson, you idiot, it means that somebody stole our tent."

Another Oldie

I went into the confessional box after years of being away from the Church. Inside I found a fully equipped bar with Guinness on tap. On one wall, there's a row of decanters with fine Irish whiskey and Waterford crystal glasses. On the other wall is a dazzling array of the finest cigars and chocolates. Then the priest comes in. I say to him, "Father, forgive me, for it's been a very long time since I've been to confession, but I must first admit that the confessional box is much more inviting than it used to be." He replies: " Get out, you moron, you're on my side. "

A housewife takes a lover during the day, while her husband is at work.

Unbeknownst to her, her 9 year old son was hiding in the closet.

Her husband came home unexpectedly, so she hid her lover in the closet. The boy now has company.

Boy: "Dark in here."

Man: " Yes. It is."

Boy: "I have a baseball."

Man: "That's nice."

Boy: "Want to buy it?"

Man: " No, thanks."

Boy: " My dad's outside."

Man: "OK, how much?"

Boy: " \$250."

In the next few weeks, it happens again that the boy and the mom's lover are in the closet together.

Boy: "Dark in here."

Man:" Yes, it is."

Boy: "I have a baseball glove."

Man: "How much?"

Boy: "\$750."

Man: "Fine."

A few days later, the father says to the boy, "Grab your glove. Let's go outside and toss the baseball."

The boy says, "I can't. I sold them."

The father asks, " How much did you sell them for?"

The son says, "\$1,000." The father says, "That's terrible to overcharge your friends like that. That is way more than those two things cost. I'm going to take you to church and make you confess." They go to church and the father alerts the priest, and makes the little boy sit in the confession booth and closes the door.

The boy says, "Dark in here." The priest says, "Don't start that shit again."

As I Grow Older

As I have grown older I've learned that pleasing everyone is impossible, but pissing everyone off is a piece of cake.

Condoms don't guarantee safe sex anymore; a friend of mine was wearing one when he was shot by the woman's husband.

Lance Armstrong... I think it is just terrible and disgusting how everyone has treated Lance Armstrong, especially after what he achieved, winning seven Tour de France races, while on drugs. Hell, when I was on drugs, I couldn't even find my bike.

The Agony of Aging... on the morning when Daylight Savings Time ended... I stopped in to visit my aging friend, Bill. He was busy covering his penis with black shoe polish. I said to him, "You'd better get your hearing checked - you're supposed to turn your clock back".

A Doctor asked a pregnant prostitute, "Do you know who the father is?" "Hey dumb ass", she replied, "if you ate a can of beans would you know which one made you fart?"

Video Scam... just got scammed out of \$25. Bought Tiger Woods DVD entitled "My Favorite 18 Holes".
