

Texas Power Wagon Reunion 2020

established in 1993

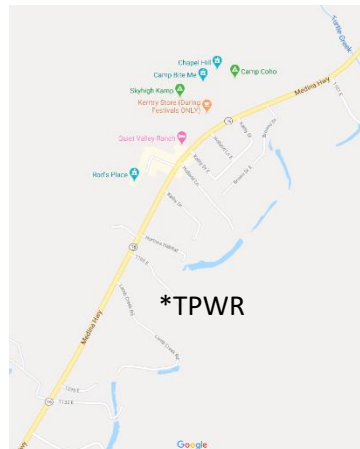

Kerrville, Texas 24-26 April 2020

The 2020 Texas Power Wagon Reunion will be held 9 miles southwest of Kerrville. Come join this informal meet-up of Dodge 4x4 enthusiasts for a weekend of trail rides, camaraderie, and parts swaps. Primitive camping (no power or water) available on site, or stay at nearby hotels or rentals. This is a gathering of friends old and new, so there will be no admission fee, but we will gladly take donations for Lloyd's breakfast feasts and the cost of the porta-potty. For more info contact petersprouse@yahoo.com 512-415-2994.

Our site is along Lamb Creek. There is plenty of room for camping and trailers. No drinking water or electricity is available. We have 300 acres of trails to explore on a nearby ranch.

Site is along SH 16 south of Kerrville.

Site will be open 12:00 Friday – 12:00 Sunday. This is the turn off from Medina Highway (SH 16). The sign says Lamb Creek, but Google Maps calls it 1105 E. Google incorrectly shows a Lamb Creek Road just to the south, but that's someone's driveway. The coordinates are 29.95397 - 99.21941. Drive in, cross the creek, then look for the signs.
